## Conference Expenses for Fiscal Year (FY) 2012

January 2013

*a New Day for Federal Service*

**Office of Personnel Management’s (OPM) Report on Conference Expenses for Fiscal Year (FY) 2012**

In keeping with the Government’s efforts to safeguard Federal funds, OPM continues to focus on exercising discretion and judgment in incurring expenses related to conference sponsorship, conference hosting, or attendance of Federal employees at conferences sponsored or hosted by non-Federal entities. Consequently, OPM strives to ensure: 1) conference expenses are appropriate, necessary, and managed in a manner that minimizes expense to taxpayers and 2) conference spending is reported in accordance with the Office of Management and Budget Memorandum M-12-12 to further the transparency of Agency operations to the public.

The following is OPM’s report of conference expenses in excess of \$100,000 for a single conference and OPM’s net conference spending for FY 2012.
