Federal Investigations Notice

Notice No. 07-07

Date: August 29, 2007

Subject: Special Agreement Price Schedule

The Office of Personnel Management's Federal Investigative Services Division (OPM-FISD) offers numerous special investigative products to meet the varied needs of our customers. The description and price of each of these products is shown on the reverse side of this notice. The prices shown become effective October 1, 2007. These prices reflect OPM-FISD cost adjustments as well as a pass through of an increase in the Federal Bureau of Investigation (FBI) fingerprint-based national criminal history check charged to OPM.

Specifically, effective October 1, 2007, the FBI has increased their user fee for processing a fingerprint-based criminal history check. Please note that OPM has also been informed that an increase is anticipated for the user fee for searches of the FBI investigative files when manual processing and/or a file review are required. This increase is expected early in FY 2008. When we receive official notification of the adjusted fees, OPM will publish revised rates that include the price adjustment necessary to cover the increased fees.

These Special Agreement Checks (SAC) are in addition to our standard background investigations described in Federal Investigations Notice 07-06. OPM conducts SACs for agencies that want to obtain single or multiple record checks for use in pre-screening candidates, resolving individual security/suitability issues, or fulfilling other agency mission-related objectives. We encourage you to contact your Investigations Program Specialist at (703) 603-0442 to discuss how OPM may be able to help meet your investigative needs with this wide range of case products.

We will also continue to offer our Reimbursable Suitability/Security Investigations (RSI). An RSI consists of a focused investigation to provide information to resolve issues that fall outside the scope of the investigation or when coverage is needed to establish a history or pattern of behavior. A Special Interview (SPIN) may be requested as part of the RSI. The SPIN gives the subject an opportunity to refute and explain developed information and to offer new information they choose to provide. For additional information on the RSI product, you may contact the Customer Interface Branch at (724) 794-5612.
