Letter No. 2014-08

Date: April 3, 2014

Fee-for-service [7] Experience-rated HMO [7] Community-rated HMO [7]

SUBJECT: Reporting 2014 CAHPS Results

This letter provides instructions for reporting your 2014 Consumer Assessment of Healthcare Providers and Systems (CAHPS) Program results and is a follow-up to *Carrier Letter 2013-25: 2014 CAHPS Requirements*. You should instruct your National Committee for Quality Assurance (NCQA) certified survey vendor to report CAHPS results to Office Remedies, Inc. (ORI) on your behalf for the Office of Personnel Management (OPM).

Each plan participating in the survey is responsible for a pro rata share of the total cost of compiling, processing, and reporting survey data to OPM. The 2014 data processing fee will range from \$902.41 to \$943.43 per sample, per dataset submitted to OPM. The fee is applicable to each unique NCQA Submission ID for which data is submitted to OPM. If a plan must submit more than one NCQA submission file per FEHB enrollment code/plan option, the plan will be charged from \$902.41 to \$943.43 for each submission.

The OPM data processing fee will be charged to all plans submitting CAHPS data regardless of the plans' FEHB Program status for 2015. Any plan that withdraws from the FEHB Program after submitting CAHPS data to OPM is still liable for the processing fee. ORI will send you an invoice for the data processing fee, and your payment will be due on **June 17, 2014**.

We do not require the CAHPS 5.0H Child Survey. However, if you conduct a 2014 CAHPS Adult or Child survey, you must report your results to us, regardless of the size of your FEHB enrollment.

As a reminder, all plans must submit member-level data files to NCQA for calculation of survey results and generation of validated member-level data files and Survey Results Reports (SR) [PDF]. Before submitting your results to NCQA, you must complete an NCQA's Healthcare Organization Questionnaire (HOQ). If you have not done this, please check with your vendor or contact NCQA's Data Collection department directly at HOQ@ncqa.org.

Also, as mentioned in Carrier Letter 2013-25, we require you to provide a Crosswalk file, along with your survey results, that maps your NCQA Submission ID(s) to your FEHB plan name and Sub-Code. The Crosswalk will allow us to match-up NCQA Submission IDs with your plan's unique FEHB Sub-Code. Also, it will identify plans that are sharing survey data. The Crosswalk file must include the names of the plan(s) surveyed, the NCQA Submission ID, and the plan's unique FEHB Sub-Code.

Please use the new FEHB Sub-Code IDs contained in **Attachment I** when completing your Crosswalk file. See **Attachment II** for an example of a properly completed Crosswalk file. The preliminary Crosswalk file is due to ORI two weeks after NCQA issues Submission IDs. The final Crosswalk must accompany your data submission to ORI. Please e-mail your completed Crosswalk file to: SueL@ORIResults.com.

To ensure consistency and comparability of survey results, we require all plans to have the survey vendor submit the member-level data files to NCQA for calculation of survey results. NCQA will calculate survey results and create validated member-level data files and Survey Results Reports (SR) [PDF] on behalf of vendors.

The deadline for you to report your final member-level data files and Survey Results Reports (SR) [PDF] to ORI is **June 17, 2014**. When your vendor submits member-level data files and Survey Results Reports (SR) [PDF] to ORI, your survey vendor needs to include a copy of your Crosswalk file to identify plan data submissions.

Reporting Format

For all carriers except fee-for-service (FFS) plans please have your vendor submit your member-level data files that have been returned to your vendor by NCQA. Because of the additional question regarding Medicare status, we ask FFS plans to submit member-level data files that were submitted to NCQA, as well as the Survey Results Reports (SR) [PDF]. Your vendor may submit data via secure email, or compact disc (CD). You may include results for multiple plans on a CD. All submissions must include a content label/sheet and a Crosswalk.

If you have any questions regarding your Crosswalk, data files, or data file submission, please to Sue Lynd with ORI at (703) 478-0910. Please send all data files to ORI via email at SueL@ORIResults.com or by overnight mail to the address below. HIPAA requires that mailed items be traceable in case they are not received by the intended party.
