

Aetna Open Access®

<http://www.aetnafeds.com>

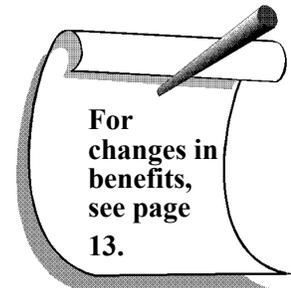

2011

A Health Maintenance Organization

Serving: Arizona, California, Georgia, Illinois, Indiana, Pennsylvania, Tennessee, and Texas.

Enrollment in this plan is limited. You must live or work in our Geographic service area to enroll. See pages 11-12 for requirements.

Please check the 2011 Guide to Federal Benefits for NCQA accreditation.

Enrollment code for Phoenix & Tucson, AZ:

WQ1 Self Only
WQ2 Self and Family

Enrollment code for Los Angeles & San Diego, CA:

2X1 Self Only
2X2 Self and Family

Enrollment code for Athens & Atlanta, GA:

2U1 Self Only
2U2 Self and Family

Enrollment code for Chicago, IL & N. IN:

IK1 Self Only
IK2 Self and Family

Enrollment code for Pittsburgh & Western PA:

YE1 Self Only
YE2 Self and Family

Enrollment code for Memphis, TN :

UB1 Self Only
UB2 Self and Family

Enrollment code for Austin & San Antonio, TX:

P11 Self Only
P12 Self and Family

Special notice: The Plan has reduced its service and enrollment area by terminating enrollment code 7D1, 7D2 (Cleveland and Toledo, OH). Members in this Enrollment Code who do not change health plans during Open Season will not have health benefits for 2011.

Authorized for distribution by the:

**United States
Office of Personnel Management**
Center for
Retirement and Insurance Services

RI 73-806

**Important Notice from Aetna About
Our Prescription Drug Coverage and Medicare**

OPM has determined that Aetna's Open Access prescription drug coverage is, on average, comparable to Medicare Part D prescription drug coverage; thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefits. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (November 15th through December 31st) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800/772-1213 (TTY 1-800/325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help,
- Call 1-800-MEDICARE (1-800/633-4227), (TTY 1-877/486-2048)

Introduction

This brochure describes the benefits of Aetna* under our contract (CS 2867) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. The address for the Aetna administrative office is:

Aetna
Federal Plans
PO Box 550
Blue Bell, PA 19422-0550

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2011 unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2011, and changes are summarized on page 13. Rates are shown at the end of this brochure.

* The Aetna companies that offer, underwrite or administer benefits coverage are Aetna Health Inc., Aetna Health of California Inc., Aetna Life Insurance Company, Aetna Dental Inc., and/or Aetna Dental of California Inc.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means Aetna.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM’s “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehwebcomments@opm.gov. You may also write to OPM at the U.S. Office of Personnel Management, Insurance Operations, Program Planning & Evaluation, 1900 E Street, NW, Washington, DC 20415-3650.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care providers, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.

- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Please review your claims history periodically for accuracy to ensure services are not being billed to your accounts that were never rendered.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-800/537-9384 and explain the situation.
 - If we do not resolve the issue:

CALL - THE HEALTH CARE FRAUD HOTLINE

202-418-3300

OR WRITE TO:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child age 26 or over (unless he/she was disabled and incapable of self-support prior to age 26).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or if you are no longer enrolled in the Plan.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines that you take, including non-prescription (over-the-counter) medicines.
- Tell them about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - "Exactly what will you be doing?"
 - "About how long will it take?"
 - "What will happen after surgery?"
 - "How can I expect to feel during recovery?"
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications you are taking.

Never Events

You will not be billed for inpatient services related to treatment of specific hospital acquired conditions or for inpatient services needed to correct "Never Events", if you use Aetna preferred providers. This new policy will help protect you from preventable medical errors and improve the quality of care you receive.

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that will encourage hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen called "Never Events". When a Never Event occurs, neither you nor your FEHB plan will incur cost to correct the medical error. Please see our policy statement on Never Events at www.aetnafeds.com.

Section 1. Facts about this HMO Plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory or visit our Web site at www.aetnafeds.com.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

This plan is a "non-grandfathered health plan" under the Affordable Care Act. A non-grandfathered plan must meet immediate health care reforms legislated by the Act. Specifically, this plan must provide preventive services and screenings to you without any cost sharing; you may choose any available primary care provider for adult and pediatric care; visits for obstetrical or gynecological care do not require a referral; and emergency services, both in- and out-of-network, are essentially treated the same (i.e., the same cost sharing, no greater limits or requirements for one over the other; and no prior authorizations).

Questions regarding what protections apply and what protections do not apply to a non-grandfathered health plan may be directed to us at 1/800-537-9384. You can also read additional information from the U.S. Department of Health and Human Services at www.healthcare.gov.

As a non-grandfathered health plan, this plan has also decided to follow the requirements that apply to grandfathered plans.

General features of our High Option

- You can see participating network specialists without a referral (Open Access).
- You can choose between our Basic Dental or Dental PPO option. Under Basic Dental, you can access preventive care for a \$5 copay and other services at a reduced fee. Under the PPO option, if you see an in-network dentist, you pay nothing for preventive care after a \$20 annual deductible per member. You pay reduced fees for other services when utilizing network dentists. You may also utilize non-network dentists for preventive care, but at reduced benefit levels after satisfying the \$20 annual deductible per member. You pay all charges for other services when utilizing non-network dentists.
- You receive a \$100 reimbursement every 24 months for glasses or contact lenses.

We have Open Access benefits- Does not apply to members in the state of California (Enrollment Code 2X).

Members in the State of California must continue to obtain referrals from their PCPs to access specialist care.

Our HMO offers Open Access benefits. This means you can receive covered services from a participating network specialist without a required referral from your primary care physician or by another participating provider in the network.

This Open Access Plan is available to members in our FEHBP service area. If you live or work in an Open Access HMO service area, you can go directly to any network specialist for covered services without a referral from your primary care physician. Note: Whether your covered services are provided by your selected primary care physician (for your PCP copay) or by another participating provider in the network (for the specialist copay), you will be responsible for payment which may be in the form of a copay (flat dollar amount) or coinsurance (a percentage of covered expenses). While not required, it is highly recommended that you still select a PCP and notify Member Services of your selection at 1-800/537-9384. **If you go directly to a specialist, you are responsible for verifying that the specialist is participating in our Plan. If your participating specialist refers you to another provider, you are responsible for verifying that the other specialist is participating in our Plan.**

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments, coinsurance, or deductible.

This is a direct contract prepayment Plan, which means that participating providers are neither agents nor employees of the Plan; rather, they are independent doctors and providers who practice in their own offices or facilities. The Plan arranges with licensed providers and hospitals to provide medical services for both the prevention of disease and the treatment of illness and injury for benefits covered under the Plan.

Specialists, hospitals, primary care physicians and other providers in the Aetna network have agreed to be compensated in various ways:

- Per individual service (fee-for-service at contracted rates),
- Per hospital day (per diem contracted rates),
- Under capitation methods (a certain amount per member, per month), and
- By Integrated Delivery Systems (“IDS”), Independent Practice Associations (“IPAs”), Physician Medical Groups (“PMGs”), Physician Hospital Organizations (“PHOs”), behavioral health organizations and similar provider organizations or groups that are paid by Aetna; the organization or group pays the physician or facility directly. In such arrangements, that group or organization has a financial incentive to control the costs of providing care.

One of the purposes of managed care is to manage the cost of health care. Incentives in compensation arrangements with physicians and health care providers are one method by which Aetna attempts to achieve this goal. You are encouraged to ask your physicians and other providers how they are compensated for their services.

Your rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM’s FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Aetna has been in existence since 1850
- Aetna is a for-profit organization

If you want more information about us, call 1-800-537-9384 or write to Aetna at P.O. Box 550, Blue Bell, PA 19422-0550. You may also visit our website at www.aetnafeds.com.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Medical Necessity

“Medical necessity” means that the service or supply is provided by a physician or other health care provider exercising prudent clinical judgment for the purpose of preventing, evaluating, diagnosing or treating an illness, injury or disease or its symptoms, and that provision of the service or supply is:

- In accordance with generally accepted standards of medical practice; and,
- Clinically appropriate in accordance with generally accepted standards of medical practice in terms of type, frequency, extent, site and duration, and considered effective for the illness, injury or disease; and,
- Not primarily for the convenience of you, or for the physician or other health care provider; and,
- Not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of the illness, injury or disease.

For these purposes, “generally accepted standards of medical practice,” means standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, or otherwise consistent with physician specialty society recommendations and the views of physicians practicing in relevant clinical areas and any other relevant factors.

Only medical directors make decisions denying coverage for services for reasons of medical necessity. Coverage denial letters for such decisions delineate any unmet criteria, standards and guidelines, and inform the provider and member of the appeal process.

Direct Access Ob/Gyn Program

This program allows female members to visit any participating gynecologist for a routine well-woman exam, including a Pap smear, one visit every 12 months from the last date of service. The program also allows female members to visit any participating gynecologist for gynecologic problems. Gynecologists may also refer a woman directly to other participating providers for specialized covered gynecologic services. All health plan preauthorization and coordination requirements continue to apply. If your Ob/Gyn is part of an Independent Practice Association (IPA), a Physician Medical Group (PMG), an Integrated Delivery System (IDS) or a similar organization, your care must be coordinated through the IPA, the PMG, the IDS, or similar organization and the organization may have different referral policies.

Mental Health/Substance Abuse

Behavioral health services (e.g. treatment or care for mental disease or illness, alcohol abuse and/or substance abuse) are managed by Aetna Behavioral Health. We also make initial coverage determinations and coordinate referrals, if required; any behavioral health care referrals will generally be made to providers affiliated with the organization, unless your needs for covered services extend beyond the capability of these providers. As with other coverage determinations, you may appeal behavioral health care coverage decisions in accordance with the terms of your health plan.

Ongoing Reviews

We conduct ongoing reviews of those services and supplies which are recommended or provided by health professionals to determine whether such services and supplies are covered benefits under this Plan. If we determine that the recommended services and supplies are not covered benefits, you will be notified. If you wish to appeal such determination, you may then contact us to seek a review of the determination.

Authorization

Certain services and supplies under this Plan may require authorization by us to determine if they are covered benefits under this Plan.

Patient Management

We have developed a patient management program to assist in determining what health care services are covered and payable under the health plan and the extent of such coverage and payment. The program assists members in receiving appropriate health care and maximizing coverage for those health care services.

Where such use is appropriate, our utilization review/patient management staff uses nationally recognized guidelines and resources, such as Milliman Care Guidelines[©] and InterQual[®] ISD criteria, to guide the precertification, concurrent review and retrospective review processes. To the extent certain utilization review/patient management functions are delegated to integrated delivery systems, independent practice associations or other provider groups (“Delegates”), such Delegates utilize criteria that they deem appropriate.

- **Precertification** Precertification is the process of collecting information prior to inpatient admissions and performance of selected ambulatory procedures and services. The process permits advance eligibility verification, determination of coverage, and communication with the physician and/or you. It also allows Aetna to coordinate your transition from the inpatient setting to the next level of care (discharge planning), or to register you for specialized programs like disease management, case management, or our prenatal program. In some instances, precertification is used to inform physicians, members and other health care providers about cost-effective programs and alternative therapies and treatments.

Certain health care services, such as hospitalization or outpatient surgery, require precertification with Aetna to ensure coverage for those services. When you are to obtain services requiring precertification through a participating provider, this provider should precertify those services prior to treatment.
- **Concurrent Review** The concurrent review process assesses the necessity for continued stay, level of care, and quality of care for members receiving inpatient services. All inpatient services extending beyond the initial certification period will require Concurrent Review.
- **Discharge Planning** Discharge planning may be initiated at any stage of the patient management process and begins immediately upon identification of post-discharge needs during precertification or concurrent review. The discharge plan may include initiation of a variety of services/benefits to be utilized by you upon discharge from an inpatient stay.
- **Retrospective Record Review** The purpose of retrospective record review is to retrospectively analyze potential quality and utilization issues, initiate appropriate follow-up action based on quality or utilization issues, and review all appeals of inpatient concurrent review decisions for coverage and payment of health care services. Our effort to manage the services provided to you includes the retrospective review of claims submitted for payment, and of medical records submitted for potential quality and utilization concerns.

Member Services

Representatives from Member Services are trained to answer your questions and to assist you in using the Aetna Plan properly and efficiently. After you receive your ID card, you can call the Member Services toll-free number on the card when you need to:

- Ask questions about benefits and coverage.
- Notify us of changes in your name, address or telephone number.
- Change your primary care physician or office.
- Obtain information about how to file a grievance or an appeal.

Privacy Notice

Aetna considers personal information to be confidential and has policies and procedures in place to protect it against unlawful use and disclosure. By “personal information,” we mean information that relates to your physical or mental health or condition, the provision of health care to you, or payment for the provision of health care to you. Personal information does not include publicly available information or information that is available or reported in a summarized or aggregate fashion but does not identify you.

When necessary or appropriate for your care or treatment, the operation of our health plans, or other related activities, we use personal information internally, share it with our affiliates, and disclose it to health care providers (doctors, dentists, pharmacies, hospitals and other caregivers), payors (health care provider organizations, employers who sponsor self-funded health plans or who share responsibility for the payment of benefits, and others who may be financially responsible for payment for the services or benefits you receive under your plan), other insurers, third party administrators, vendors, consultants, government authorities, and their respective agents. These parties are required to keep personal information confidential as provided by applicable law. Participating network providers are also required to give you access to your medical records within a reasonable amount of time after you make a request.

Some of the ways in which personal information is used include claims payment; utilization review and management; medical necessity reviews; coordination of care and benefits; preventive health, early detection, and disease and case management; quality assessment and improvement activities; auditing and anti-fraud activities; performance measurement and outcomes assessment; health claims analysis and reporting; health services research; data and information systems management; compliance with legal and regulatory requirements; formulary management; litigation proceedings; transfer of policies or contracts to and from other insurers, HMOs and third party administrators; underwriting activities; and due diligence activities in connection with the purchase or sale of some or all of our business. We consider these activities key for the operation of our health plans. To the extent permitted by law, we use and disclose personal information as provided above without your consent. However, we recognize that you may not want to receive unsolicited marketing materials unrelated to your health benefits. We do not disclose personal information for these marketing purposes unless you consent. We also have policies addressing circumstances in which you are unable to give consent.

To obtain a hard copy of our Notice of Privacy Practices, which describes in greater detail our practices concerning use and disclosure of personal information, please write to Aetna's Legal Support Services Department at 151 Farmington Avenue, W121, Hartford, CT 06156. You can also visit us at www.aetnafeds.com. You can link directly to the Notice of Privacy Practices by selecting the "Privacy Notices" link.

Protecting the privacy of member health information is a top priority at Aetna. When contacting us about this FEHB Program brochure or for help with other questions, please be prepared to provide you or your family member's name, member ID (or Social Security Number), and date of birth.

If you want more information about us, call 1-800/537-9384, or write to Aetna, Federal Plans, PO Box 550, Blue Bell, PA 19422-0550. You may also contact us by fax at 215/775-5246 or visit our Web site at www.aetnafeds.com.

Aetna HMO Service Area

Please refer to the 2011 Guide to Federal Benefits for NCQA accreditations.

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is:

California, Los Angeles & San Diego areas – Enrollment code **2X** – Los Angeles, Orange, San Diego, San Luis Obispo, Santa Barbara and Ventura counties, and portions of Kern, Riverside and San Bernardino counties as defined below:

Kern County: All towns **except** Cantil, China Lake, Garlock, Johannesburg, Mojave and Ridgecrest

Riverside County: All towns **except** Blythe, Desert Center and Mesa Verde

San Bernardino County: All towns **except** Baker, Big River, Cadiz, Cima, Danby, Earp, Essex, Ivonpah, Kelso, Lake Havasu, Needles, Nipton, Parker Dam, Rice and Vidal.

Aetna Open Access Service Area

Please refer to the 2011 Guide to Federal Benefits for NCQA accreditations.

The following service areas will be for our Aetna Open Access HMO. Under these plans, members may see network specialists without obtaining a referral from their primary care physician (PCP). To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is:

Arizona, Phoenix and Tucson areas – Enrollment code **WQ** – Cochise, Graham, Maricopa, Mohave, Pima, Santa Cruz, Yavapai and Yuma counties and portions of the following county as defined by the towns below:

Pinal: Apache Junction, Casa Grande, Coolidge, Eloy, Florence, Kearny, Maricopa, Picacho, Queen Creek, Red Rock, Sacaton, Stanfield and Superior.

Georgia, Athens and Atlanta areas – Enrollment code **2U** – Barrow, Bartow, Butts, Cherokee, Clarke, Clayton, Cobb, Coweta, DeKalb, Douglas, Fayette, Forsyth, Fulton, Gwinnett, Hall, Henry, Jackson, Newton, Oconee, Oglethorpe, Paulding, Pickens, Rockdale, Spalding and Walton counties.

Illinois, Chicago area – Enrollment code **IK** – Cook, DuPage, Kane, Kankakee, Lake, McHenry and Will counties.

Indiana, Northern Indiana area – Enrollment code **IK** – Lake and Porter counties.

Pennsylvania, Pittsburgh and Western PA areas– Enrollment code **YE** – Allegheny, Armstrong, Beaver, Blair, Butler, Cambria, Clarion, Erie, Fayette, Greene, Jefferson, Lawrence, Mercer, Somerset, Washington and Westmoreland counties.

Tennessee, Memphis area – Enrollment code **UB** – Crockett, Dyer, Fayette, Haywood, Lauderdale, Shelby and Tipton counties.

Texas, Austin and San Antonio areas – Enrollment code **P1** – Atascosa, Bell, Bexar, Caldwell, Comal, Guadalupe, Kendall, Medina, Travis and Wilson counties and portions of the following counties as defined by the towns below:

Bastrop: Bastrop

Hays: Buda, Driftwood, Dripping Springs, Kyle, San Marcos and Wimberly

Williamson: Cedar Park, Coupland, Georgetown, Leander, Liberty, Round Rock, Taylor, Walburg and Weir.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency or urgent care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), they will be able to access full HMO benefits if they reside in any Aetna HMO service area by selecting a PCP in that service area. If not, you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2011

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- Several provisions of the Affordable Care Act (ACA) affect eligibility and benefits under the FEHB Program and FSAFEDS beginning January 1, 2011. For instance, children up to age 26 will be covered under a Self and Family enrollment. Please read the information in Sections 11 and 12 carefully.
- We have reorganized organ and tissue transplant benefit information to clarify coverage.
- We have reorganized Mental health and substance abuse benefits to clarify coverage.

Changes to this Plan

- Enrollment Code 2U. Your share of the non-Postal premium will increase for Self Only and increase for Self and Family. See page 93.
- Enrollment Code 2X. Your share of the non-Postal premium will increase for Self Only and increase for Self and Family. See page 93.
- Enrollment code IK. Your share of the non-Postal premium will increase for Self Only and increase for Self and Family. See page 93.
- Enrollment Code P1. Your share of the non-Postal premium will increase for Self Only and increase for Self and Family. See page 94.
- Enrollment Code UB. Your share of the non-Postal premium will increase for Self Only and increase for Self and Family. See page 94.
- Enrollment code WQ. Your share of the non-Postal premium will increase for Self Only and increase for Self and Family. See page 93.
- Enrollment Code YE. Your share of the non-Postal premium will increase for Self Only and increase for Self and Family. See page 93.
- **Preventive care** - The Plan will no longer require an office visit copay for preventive care, immunizations and screenings for members 18 and older.
- **Specialist copay** - The specialist copayment will increase to \$35 per visit.
- **Prescription drugs** - The copay for covered brand name formulary drugs will increase to \$35 for a 30 day supply at a retail pharmacy or \$70 for up to a 90 day supply through mail order pharmacy. See page 54.
- **Prescription drugs** - The copay for covered non-formulary drugs (generic or brand name) will increase to \$65 for a 30 day supply at a retail pharmacy or \$130 for up to a 90 day supply through mail order pharmacy. See page 54.
- **Inpatient hospital** - The Plan will increase the inpatient hospital copay to \$250 per day up to a \$1,000 maximum per admission.

Section 3. How you get care

Open Access HMO

This does not apply to members in Enrollment Code 2X.

This Open Access Plan is available to our members in those FEHBP service areas identified starting on page 11. You can go directly to any network specialist for covered services without a referral from your primary care physician. Whether your covered services are provided by your selected primary care physician (for your PCP copay) or by any other participating provider in the network (for the specialist copay), you will be responsible for payment which may be in the form of a copay (flat dollar amount) or coinsurance (a percentage of covered expenses). While not required, it is highly recommended that you still select a PCP and notify Member Services of your selection (1-800/537-9384). **If you go directly to a specialist, you are responsible for verifying that the specialist is participating in our Plan. If your participating specialist refers you to another provider, you are responsible for verifying the specialist is participating in our Plan.**

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation letter (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1-800/537-9384 or write to us at Aetna, P.O. Box 14079, Lexington, KY 40512-4079. You may also request replacement cards through our Navigator Web site at www.aetnafeds.com.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductibles, and/or coinsurance and you will not have to file claims. If you use our Open Access program you can receive covered services from a participating network provider without a required referral from your primary care physician or by another participating provider in the network.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The most current information on our Plan providers is also on our Web site at www.aetnafeds.com under DocFind.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The most current information on our Plan facilities is also on our Web site at www.aetnafeds.com.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member should choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. You must select a Plan provider who is located in your service area as defined by your enrollment code.

- **Primary care**

Your primary care physician can be a general practitioner, family practitioner, internist or pediatrician. Your primary care physician will provide or coordinate most of your health care.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us or visit our Web site. We will help you select a new one.

- **Specialty care**

If you are enrolled in Enrollment Code 2X, your primary care physician will refer you to a specialist for needed care. If you need laboratory, radiological and physical therapy services, your primary care physician must refer you to certain plan providers. Your primary care physician may refer you to any participating specialist for other specialty care. If your primary care physician is part of an IPA, you will be referred to IPA-approved specialists. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral. However, you may see a Plan gynecologist, (within an IPA, you must see an IPA-approved gynecologist), for a routine well-woman exam, including a Pap smear, one visit every 12 months from the last date of service, and an unlimited number of visits for gynecological problems and follow-up care as described in your benefit plan without a referral. You may also see a Plan mental health provider, Plan vision specialist or a Plan dentist without a referral.

Here are some other things you should know about specialty care:

- For CA (code 2X) only, if you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - Terminate our contract with your specialist for other than cause; or
 - Drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program Plan; or
 - Reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

- **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our Member Services department immediately at 1-800/537-9384. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such case, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice. We call this review and approval process precertification.

You must obtain approval for certain services such as:

- For artificial insemination you must contact the Infertility Case Manager at 1-800/575-5999;
- You must obtain precertification from your primary care doctor and Aetna for covered follow-up care with non-participating providers.

Your Plan physician must obtain approval for certain services such as inpatient hospitalization and the following services:

- Certain non-emergent surgery, including but not limited to obesity surgery, lumbar disc and spinal fusion surgery, reconstructive procedures and correction of congenital defects, sleep apnea surgery, TMJ surgery, penile implants, and joint grafting procedures;
- Covered transplant surgery;
- Air ambulance and non-emergent ambulance transportation service;
- All home health care services including home IV and antibiotic therapy;
- Skilled nursing facilities, rehabilitation facilities, and inpatient hospice; and when full-time skilled nursing care is necessary in an extended care facility;
- Certain mental health services, including residential treatment centers, partial hospitalization programs, intensive outpatient treatment programs including detoxification and electroconvulsive therapy, psychological and neuropsychological testing, biofeedback, amytal interview, and hypnosis;
- Certain injectable drugs before they can be prescribed including but not limited to botulinum toxin, alpha-1-proteinase inhibitor, palivizumab(Synagis), erythropoietin therapy, intravenous immunoglobulin, growth hormone, blood clotting factors and interferons when used for hepatitis C;
- Certain outpatient imaging studies such as CT scans, MRIs, MRAs, nuclear stress tests, and GI tract imaging through capsule endoscopy;
- Stereotactic radiosurgery;
- Somatosensory evoked potential studies;
- Cognitive skills development;
- Certain wound care such as hyperbaric oxygen therapy;

- Lower limb and torso prosthetics;
- Cochlear device and/or implantation;
- Percutaneous implant of nerve stimulator;
- High frequency chest wall oscillation generator system;
- BRCA genetic testing.

You or your physician must obtain an approval for certain durable medical equipment (DME) including but not limited to electric or motorized wheelchairs, electric scooters, electric beds, and customized braces. Members must call 1-800/537-9384 for authorization.

Section 4. Your cost for covered services

This is what you will pay out-of-pocket for covered care.

Copayments

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services.

Example: When you see your primary care physician you pay a copayment of \$20 per office visit or \$35 when you see a participating specialist.

Cost-sharing

Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

Deductible

A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible.

- We have a deductible of \$20 per member per year if you elect our PPO dental option.

Note: If you change plans during open season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

Coinsurance

Coinsurance is the percentage of our allowance that you must pay for your care.

Example: In our Plan, you pay 50% of our allowance for drugs to treat sexual dysfunction.

Differences between our Plan allowance and the bill

- Network Providers agree to accept our Plan allowance so if you use a network provider, you never have to worry about paying the difference between our Plan allowance and the billed amount for covered services.
- Non-Network Providers (for Dental PPO Option only): If you use a non-network provider for preventive dental care, you will have to pay 50% of our negotiated rate and the difference between our Plan allowance and the billed amount.

Your catastrophic protection out-of-pocket maximum

After your (copayments and coinsurance) total \$3,000/Self Only enrollment or \$6,000/Self and Family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments and coinsurance for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments and coinsurance for these services:

- Prescription drugs
- Dental services

Be sure to keep accurate records of your copayments and coinsurance since you are responsible for informing us when you reach the maximum.

Carryover

If you changed to this Plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Section 5. High Option Benefits

Summary of benefits for the High Option of the Aetna Open Access Plan - 201191

Section 5. High Option Benefits Overview

This Plan offers only a High Option. Our benefit package is described in Section 5. Make sure that you review the benefits carefully.

The High Option Section 5 is divided into subsections. Please read *Important things you should keep in mind* at the beginning of the subsections. Also read the General Exclusions in Section 6. They apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about Open Access benefits, contact us at 1-800/537-9384 or at our Web site at www.aetnafeds.com.

Our benefit package offers the following unique features:

- You can see participating network specialists without a referral (Open Access), except for California.
- You have more choices for your dental coverage. You can choose between our Basic Dental or our Dental PPO option. Under Basic Dental, you can access preventive care for a \$5 copay and other services at a reduced fee. Under the PPO option, if you see an in-network dentist, you pay nothing for preventive care after a \$20 annual deductible per member. You pay reduced fees for other services when utilizing in-network dentists. You may also utilize non-network dentists for preventive care, but at reduced benefit levels, and after a \$20 annual deductible per member. You pay all charges for other services when utilizing non-network dentists.
- You receive a \$100 reimbursement every 24 months for glasses or contact lenses.
- You can use Aetna Health Connections Disease Management Programs which are available for thirty-four conditions.

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- A facility copay applies to services that appear in this section but are performed in an ambulatory surgical center or the outpatient department of a hospital.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- If you live or work in an Aetna Open Access HMO service area, you should select a PCP by calling Member Services at 1-800/537-9384.
- If you live or work in an Aetna Open Access HMO service area, you do not have to obtain a referral from your PCP to see a specialist **(does not apply to enrollment code 2X)**.

Benefit Description	You pay
Diagnostic and treatment services	
Professional services of physicians	\$20 per primary care physician (PCP) visit
<ul style="list-style-type: none"> • In physician’s office <ul style="list-style-type: none"> - Office medical evaluations, examinations, and consultations - Second surgical or medical opinion 	\$35 per specialist visit
<ul style="list-style-type: none"> • During a hospital stay • In a skilled nursing facility 	Nothing
<ul style="list-style-type: none"> • In an urgent care center 	\$50 per visit
<ul style="list-style-type: none"> • At home 	\$25 per PCP visit \$35 per specialist visit
Lab, X-ray and other diagnostic tests	
Tests, such as:	Nothing if you receive these services during your office visit; otherwise if service performed by another provider,
<ul style="list-style-type: none"> • Blood tests • Urinalysis • Non-routine Pap tests • Pathology • X-rays • Non-routine mammograms • CAT Scans/MRI* • Ultrasound • Electrocardiogram and electroencephalogram(EEG) 	\$20 per PCP visit \$35 per specialist visit
*Note: CAT Scans and MRIs need precertification. See "Services requiring our prior approval" on page 16.

Preventive care, adult	High Option
<p>Routine screenings, such as:</p> <ul style="list-style-type: none"> • Urinalysis • Total Blood Cholesterol • Fasting lipid profile • Routine Prostate Specific Antigen (PSA) test – one annually for men age 50 and older and men age 40 and over who are at increased risk for prostate cancer • Digital rectal examination (DRE) – one annually for men aged 40 to 75 • Colorectal Cancer Screening, including <ul style="list-style-type: none"> - Fecal occult blood test yearly starting at age 50; - Sigmoidoscopy, screening – every five years starting at age 50; - Double contrast barium enema – every five years starting at age 50; - Colonoscopy screening – every ten years starting at age 50 • Chlamydia screening – one annually • Human papillomavirus (HPV) screening covered when done in combination with a Pap test for women ages 30 and older • Abdominal Aortic Aneurysm Screening – Ultrasonography, one screening for men between the age of 65 and 75 with a smoking history <p>Note: Some tests provided during a routine physical may not be considered preventive. Contact member services at 1-800/537-9384 for information on whether a specific test is considered routine.</p>	Nothing
<ul style="list-style-type: none"> • Routine well-woman exams, including Pap test, once visit every 12 months from the last date of service <p>Routine physicals:</p> <ul style="list-style-type: none"> • One exam every 24 months up to age 65 • One exam every 12 months age 65 or older 	Nothing
<p>Routine mammogram – covered for women age 35 and older, as follows:</p> <ul style="list-style-type: none"> • From age 35 through 39, one during this five year period • From age 40 through 64, one every calendar year • At age 65 and older, one every two consecutive calendar years 	Nothing

Preventive care, adult - continued on next page

Benefit Description	You pay
Preventive care, adult (cont.)	
Routine Osteoporosis Screening: <ul style="list-style-type: none"> • For women 65 and older • At age 60 for women at increased risk 	Nothing
Adult routine immunizations endorsed by the Centers for Disease Control and Prevention (CDC): <ul style="list-style-type: none"> • Tetanus, Diphtheria and Pertussis (Tdap) vaccine for those 19 to 64 years of age, with a booster once every 10 years. For 65 and above, a tetanus-diphtheria booster is still recommended every 10 years • Influenza vaccine, annually • Varicella (chicken pox) for all persons age 19 to 49 years without evidence of immunity to varicella • Pneumococcal vaccine, age 65 and older • Human papillomavirus (HPV) vaccine for women age 18 through age 26 • Herpes Zoster (Shingles) vaccine for all persons age 60 and older 	Nothing
<i>Not covered:</i> <ul style="list-style-type: none"> • Physical exams, immunizations and boosters required for obtaining or continuing employment or insurance, attending schools or camp, athletic exams, or travel. 	<i>All charges</i>
Preventive care, children	
<ul style="list-style-type: none"> • We follow the American Academy of Pediatrics (AAP) recommendations for preventive care and immunizations. Go to www.aetnafeds.com for the list of preventive care and immunizations recommended by the American Academy of Pediatrics. • Screening examination of premature infants for Retinopathy of Prematurity-A retinal screening exam performed by an ophthalmologist for infants with low birth weight (<1500g) or gestational age of 32 weeks or less and infants weighing between 1500 and 2000g or gestational age of more than 32 weeks with an unstable clinical course. • Hearing loss screening of newborns provided by a participating hospital before discharge. <p>Note: Some tests provided during a routine physical may not be considered preventive. Contact member services at 1-800/537-9384 for information on whether a specific test is considered routine.</p>	Nothing
<ul style="list-style-type: none"> • Well-child care charges for routine examinations, immunizations and care (up to age 22) 	Nothing

Preventive care, children - continued on next page

Benefit Description	You pay
Preventive care, children (cont.)	High Option
<ul style="list-style-type: none"> • Examinations, such as: <ul style="list-style-type: none"> - Eye exams through age 17 to determine the need for vision correction - Ear exams through age 17 to determine the need for hearing correction - Routine examinations done on the day of immunizations (up to age 22) 	Nothing
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • Physical exams, immunizations and boosters required for obtaining or continuing employment or insurance, attending schools or camp, athletic exams, or travel. 	<i>All charges</i>
Maternity care	High Option
<p>Complete maternity (obstetrical) care, such as:</p> <ul style="list-style-type: none"> • Prenatal care • Delivery • Postnatal care <p>Note: Here are some things to keep in mind:</p> <ul style="list-style-type: none"> • You do not need to precertify your normal delivery; see below for other circumstances, such as extended stays for you or your baby. • You may remain in the hospital up to 48 hours after a regular delivery and 96 hours after a cesarean delivery. We will extend your inpatient stay if medically necessary, but you, your representative, your participating doctor, or your hospital must precertify the extended stay. • We cover routine nursery care of the newborn child during the covered portion of the mother’s maternity stay including the initial examination of a newborn child covered under a family enrollment. We will cover other care of an infant who requires non-routine treatment only if we cover the infant under a Self and Family enrollment. Surgical benefits, not maternity benefits, apply to circumcision. • We pay hospitalization and surgeon services for maternity care (delivery) the same as for illness and injury. See Hospital benefits (Section 5c) and Surgery benefits (Section 5b). <p>Note: Also see our Maternity Management Program (Aetna’s Beginning Right® Maternity Program) in Section 5 (h).</p>	<p>\$20 for the first PCP visit only or \$35 for the first specialist visit only</p> <p>Note: If your PCP or specialist refers you to another specialist or facility for additional services, you pay the applicable copay for the service rendered.</p>

Benefit Description	You pay
Family planning	
<p>A range of voluntary family planning services, limited to:</p> <ul style="list-style-type: none"> • Voluntary sterilization (See Surgical procedures Section 5 (b)) • Surgically implanted contraceptives • Injectable contraceptive drugs (such as Depo-Provera) • Intrauterine devices (IUDs) • Diaphragms <p>Note: We cover injectable contraceptives under the medical benefit when supplied by and administered at the provider's office. Injectable contraceptives are covered at the prescription drug benefit when they are dispensed at the Pharmacy. If a member must obtain the drug at the pharmacy and bring it to the provider's office to be administered, the member would be responsible for both the Rx and office visit copayments. We cover oral contraceptives under the prescription drug benefit.</p>	<p style="text-align: center;">High Option</p> <p>\$20 per PCP visit</p> <p>\$35 per specialist visit</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Reversal of voluntary surgical sterilization</i> • <i>Genetic counseling</i> 	<p><i>All charges</i></p>
Infertility services	
<p>Infertility is defined as the inability to conceive after 12 months of unprotected intravaginal sexual relations (or 12 cycles of artificial insemination) for women under age 35, and 6 months of unprotected intravaginal sexual relations (or 6 cycles of artificial insemination) for women age 35 and over.</p> <p>Diagnosis and treatment of infertility such as:</p> <ul style="list-style-type: none"> • Artificial insemination and monitoring of ovulation: <ul style="list-style-type: none"> - intravaginal insemination (IVI) - intracervical insemination (ICI) - intrauterine insemination (IUI) • Infertility surgery <p>Note: Coverage is <u>only</u> for 3 cycles (per lifetime). Infertility services must be authorized. You must use our select network of Plan infertility providers. You must contact the Infertility Case Manager at 1-800/575-5999.</p> <p>Note: We cover oral fertility drugs under the prescription drug benefit.</p>	<p>\$35 per specialist visit</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Reversal of voluntary, surgically-induced sterility.</i> 	<p><i>All charges</i></p>

Benefit Description	You pay
Infertility services (cont.)	
<ul style="list-style-type: none"> • Treatment for infertility when the cause of the infertility was a previous sterilization with or without surgical reversal. • Injectable fertility drugs • Infertility treatment when the FSH level is 19 mIU/ml or greater on day 3 of menstrual cycle. • The purchase, freezing and storage of donor sperm and donor embryos. • Assisted reproductive technology (ART) procedures, such as: <ul style="list-style-type: none"> - in vitro fertilization - embryo transfer, including but not limited to gamete intra-fallopian transfer (GIFT) and zygote intra-fallopian transfer (ZIFT) • Cost of ovulation predictor kits 	All charges
Allergy care	
<ul style="list-style-type: none"> • Testing and treatment • Allergy injections <p>Note: You pay the applicable copay for each visit to a doctor's office including each visit to a nurse for an injection.</p>	\$20 per PCP visit \$35 per specialist visit
Allergy serum	Nothing
<i>Not covered: Provocative food testing and Sublingual allergy desensitization</i>	<i>All charges</i>
Treatment therapies	
<ul style="list-style-type: none"> • Chemotherapy and radiation therapy <p>Note: High dose chemotherapy in association with autologous bone marrow transplants is limited to those transplants listed under Organ/Tissue Transplants on page 38.</p> <ul style="list-style-type: none"> • Respiratory and inhalation therapy • Dialysis – hemodialysis and peritoneal dialysis • Intravenous (IV)/Infusion Therapy • Growth hormone therapy (GHT) <p>Note: Growth hormone therapy is covered under Medical Benefits; office copay applies. We cover growth hormone injectables under the prescription drug benefit.</p>	\$35 per visit

Treatment therapies - continued on next page

Benefit Description	You pay
Treatment therapies (cont.)	High Option
<p>Note: We will only cover GHT when we preauthorize the treatment. Call 1-800/245-1206 for preauthorization. We will ask you to submit information that establishes that the GHT is medically necessary. Ask us to authorize GHT before you begin treatment; otherwise, we will only cover GHT services from the date you submit the information and it is authorized by Aetna. If you do not ask or if we determine GHT is not medically necessary, we will not cover the GHT or related services and supplies. See <i>Services requiring our prior approval</i> in Section 3.</p>	\$35 per visit
Physical and occupational therapies	High Option
<p>Two consecutive months (60 consecutive days) per condition per member per calendar year, beginning with the first day of treatment for the services of each of the following:</p> <ul style="list-style-type: none"> • Qualified physical therapists and • Occupational therapists <p>Note: We only cover therapy to restore bodily function when there has been a total or partial loss of bodily function due to illness or injury, with the exception of autism or autism spectrum disorders.</p> <p>Note: Occupational therapy is limited to services that assist the member to achieve and maintain self-care and improved functioning in other activities of daily living. Inpatient rehabilitation is covered under Hospital/ Extended Care Benefits.</p> <ul style="list-style-type: none"> • Physical therapy to treat temporomandibular joint (TMJ) pain dysfunction syndrome <p>Note: Physical therapy treatment of lymphedemas following breast reconstruction surgery is covered under Reconstructive surgery benefit - see section 5(b).</p>	<p>\$35 per visit</p> <p>Nothing during a covered inpatient admission</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Long-term rehabilitative therapy</i> 	<i>All charges</i>
Pulmonary and cardiac rehabilitation	High Option
<ul style="list-style-type: none"> • Two consecutive months (60 consecutive days) per condition per member per calendar year for pulmonary rehabilitation to treat functional pulmonary disability. • Cardiac rehabilitation following angioplasty, cardiovascular surgery, congestive heart failure or a myocardial infarction is provided for up to 3 visits a week for a total of 18 visits. 	<p>\$35 per visit</p> <p>Nothing during a covered inpatient admission</p>
<p><i>Not covered: Long-term rehabilitative therapy</i></p>	<i>All charges</i>

Benefit Description	You pay
High Option	
<p>Speech therapy</p> <ul style="list-style-type: none"> Two consecutive months (60 consecutive days) per condition per member per calendar year <p>Note: We only cover therapy to restore or improve speech when speech-language disorders are the result of non-chronic disease or acute injury; or when speech delay is associated with a specifically diagnosable disease, injury, or congenital defect (e.g. cleft palate, cleft lip, etc.). Autism and autism spectrum disorders are considered as congenital defects for the purpose of administering this benefit.</p>	<p>\$35 per visit</p> <p>Nothing during a covered inpatient admission</p>
High Option	
<p>Hearing services (testing, treatment, and supplies)</p> <ul style="list-style-type: none"> Audiological testing and medically necessary treatment for hearing problems Hearing testing for children through age 17 (see <i>Preventive care, children</i>) <p>Note: Discounts on hearing exams, hearing services, and hearing aids are also available. Benefit Description	You pay
Orthopedic and prosthetic devices (cont.)	
<ul style="list-style-type: none"> • Hair prosthesis prescribed by a physician for hair loss resulting from radiation therapy, chemotherapy or certain other injuries, diseases, or treatment of a disease. 	<p>Nothing up to Plan lifetime maximum of \$500; all charges over \$500</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Orthopedic and corrective shoes not attached to a covered brace</i> • <i>Arch supports</i> • <i>Foot orthotics</i> • <i>Heel pads and heel cups</i> • <i>Lumbosacral supports</i> • <i>All charges over \$500 for hair prosthesis</i> 	<p><i>All charges</i></p>
Durable medical equipment (DME)	
<p>We cover rental or purchase of durable medical equipment, at our option, including repair and adjustment. Contact Plan at 1-800/537-9384 for a complete list of covered DME. Some covered items include:</p> <ul style="list-style-type: none"> • Oxygen; • Dialysis equipment; • Hospital beds (Clinitron and electric beds must be preauthorized); • Wheelchairs (motorized wheelchairs and scooters must be preauthorized); • Crutches; • Walkers; and • Insulin pumps and related supplies such as needles and catheters. <p>Note: You must get your DME from a participating DME provider. Some DME may require precertification by you or your physician</p>	<p>Nothing</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Elastic stockings and support hose</i> • <i>Bathroom equipment such as bathtub seats, benches, rails and lifts</i> • <i>Home modifications such as stairglides, elevators and wheelchair ramps</i> • <i>Wheelchair lifts and accessories needed to adapt to the outside environment or convenience for work or to perform leisure or recreational activities</i> 	<p><i>All charges</i></p>

Benefit Description	You pay
Home health services	High Option
<ul style="list-style-type: none"> Home health services ordered by a Plan Physician and provided by nurses and home health aides through a participating home health care agency. Home health services include skilled nursing services provided by a licensed nursing professional; services provided by a physical therapist, occupational therapist, or speech therapist; and services of a home health aide when provided in support of the skilled home health services. Home health services are limited to 3 visits per day with each visit equal to a period of 4 hours or less. Your Plan Physician will periodically review the program for continuing appropriateness and need. Services include oxygen therapy, intravenous therapy and medications. <p>Note: Short-term physical, speech, or occupational therapy accumulate toward the applicable benefit limit (See physical, speech and occupational therapy benefit in this section).</p> <p>Note: Home health services must be precertified by your Plan physician.</p>	20% of our Plan allowance
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <i>Nursing care for the convenience of the patient or the patient's family.</i> <i>Custodial care, i.e. home care primarily for personal assistance that does not include a medical component and is not diagnostic, therapeutic, or rehabilitative and appropriate for the active treatment of a condition, illness, disease or injury.</i> <i>Services provided by a family member or resident in the member's home.</i> <i>Services rendered at any site other than the member's home.</i> <i>Services rendered when the member is not homebound because of illness or injury.</i> <i>Private duty nursing services.</i> 	<i>All charges</i>
Chiropractic	High Option
<p>Chiropractic services up to 20 visits per member per calendar year</p> <ul style="list-style-type: none"> Manipulation of the spine and extremities Adjunctive procedures such as ultrasound, electrical muscle stimulation, vibratory therapy, and cold pack application 	\$35 per specialist visit
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <i>Any services not listed above</i> 	<i>All charges</i>

Benefit Description	You pay
Alternative medicine treatments	High Option
<i>No benefits</i>	<i>All charges</i>
Educational classes and programs	High Option
<p>Aetna Health Connections offers disease management for 34 conditions. Included are programs for:</p> <ul style="list-style-type: none"> • Asthma • Cerebrovascular disease • Congestive heart failure (CHF) • Chronic obstructive pulmonary disease (COPD) • Coronary artery disease • Depression • Cystic Fibrosis • Diabetes • Hepatitis • Inflammatory bowel disease • Kidney failure • Low back pain • Sickle Cell disease <p>To request more information on our disease management programs, call 1-800/537-9384.</p>	Nothing
<p>Coverage is provided for:</p> <ul style="list-style-type: none"> • Smoking cessation programs including individual/group/telephone counseling, and for over the counter (OTC) and prescription drugs approved by the FDA to treat tobacco dependence. <p>Note: OTC drugs will not be covered unless you have a prescription and the prescription is presented at the pharmacy and processed through our pharmacy claim system.</p>	<p>Nothing for four smoking cessation counseling sessions per quit attempt and two quit attempts per year.</p> <p>Nothing for OTC drugs and prescription drugs approved by the FDA to treat tobacco dependence.</p>

Section 5(b). Surgical and anesthesia services provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by a physician or other health care professional for your surgical care. Look in Section 5(c) for charges associated with the facility (i.e., hospital, surgical center, etc.).
- **YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR SOME SURGICAL PROCEDURES.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification and identify which surgeries require precertification.

Benefit Description	You pay
Surgical procedures	High Option
<p>A comprehensive range of services, such as:</p> <ul style="list-style-type: none"> • Operative procedures • Treatment of fractures, including casting • Normal pre- and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies (see <i>Reconstructive surgery</i>) • Surgical treatment of morbid obesity (bariatric surgery) – a condition that has persisted for at least 2 years in which an individual has a body mass index (BMI) exceeding 40 or a BMI greater than 35 in conjunction with documented significant co-morbid conditions (such as coronary heart disease, type 2 diabetes mellitus, obstructive sleep apnea or refractory hypertension). <ul style="list-style-type: none"> - Eligible members must be age 18 or over or have completed full growth. - Members must complete a physician-supervised nutrition and exercise program within the past two years for a cumulative total of 6 months or longer in duration, with participation in one program for at least three consecutive months, prior to the date of surgery documented in the medical record by an attending physician who supervised the member’s participation; or member participation in an organized multidisciplinary surgical preparatory regimen of at least three months duration proximate to the time of surgery. 	<p>\$20 per PCP visit</p> <p>\$35 per specialist visit</p> <p>Nothing for the surgery. See section 5(c) for facility charges.</p>

Benefit Description	You pay
Surgical procedures (cont.)	High Option
<ul style="list-style-type: none"> - For members who have a history of severe psychiatric disturbance or who are currently under the care of a psychologist/ psychiatrist or who are on psychotropic medications, a pre-operative psychological evaluation and clearance is necessary. <p>We will consider:</p> <ul style="list-style-type: none"> - Open or laparoscopic Roux-en-Y gastric bypass; or - Open or laparoscopic biliopancreatic diversion with or without duodenal switch; or - Sleeve gastrectomy; or - Laparoscopic adjustable silicone gastric banding (Lap-Band) procedures. <ul style="list-style-type: none"> • Insertion of internal prosthetic devices. See 5(a) – <i>Orthopedic and prosthetic devices</i> for device coverage information <p>Note: Generally, we pay for internal prostheses (devices) according to where the procedure is done. For example, we pay Hospital benefits for a pacemaker and Surgery benefits for insertion of the pacemaker.</p> <ul style="list-style-type: none"> • Voluntary sterilization (e.g., tubal ligation, vasectomy) • Treatment of burns • Skin grafting and tissue implants 	<p>\$20 per PCP visit</p> <p>\$35 per specialist visit</p> <p>Nothing for the surgery. See section 5(c) for facility charges.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Reversal of voluntary surgically-induced sterilization</i> • <i>Surgery primarily for cosmetic purposes</i> • <i>Radial keratotomy and laser surgery, including related procedures designed to surgically correct refractive errors</i> • <i>Routine treatment of conditions of the foot; see Foot care</i> 	<p><i>All charges</i></p>
Reconstructive surgery	High Option
<ul style="list-style-type: none"> • Surgery to correct a functional defect • Surgery to correct a condition caused by injury or illness if: <ul style="list-style-type: none"> - the condition produced a major effect on the member’s appearance and - the condition can reasonably be expected to be corrected by such surgery 	<p>\$35 per specialist visit</p> <p>Nothing for the surgery. See section 5(c) for facility charges.</p>

Reconstructive surgery - continued on next page

Benefit Description	You pay
Reconstructive surgery (cont.)	High Option
<ul style="list-style-type: none"> • Surgery to correct a condition that existed at or from birth and is a significant deviation from the common form or norm. Examples of congenital and developmental anomalies are cleft lip, cleft palate, webbed fingers, and webbed toes. All surgical requests must be preauthorized. • All stages of breast reconstruction surgery following a mastectomy, such as: <ul style="list-style-type: none"> - surgery to produce a symmetrical appearance of breasts; - treatment of any physical complications, such as lymphedema; - breast prostheses and surgical bras and replacements (<i>see Prosthetic devices</i>) <p>Note: If you need a mastectomy, you may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.</p>	<p>\$35 per specialist visit</p> <p>Nothing for the surgery. See section 5(c) for facility charges.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Cosmetic surgery – any surgical procedure (or any portion of a procedure) performed primarily to improve physical appearance through change in bodily form, except repair of accidental injury</i> • <i>Surgeries related to sex transformation</i> 	<p><i>All charges</i></p>
Oral and maxillofacial surgery	High Option
<p>Oral surgical procedures, that are medical in nature, such as:</p> <ul style="list-style-type: none"> • Treatment of fractures of the jaws or facial bones; • Removal of stones from salivary ducts; • Excision of benign or malignant lesions; • Medically necessary surgical treatment of TMJ (must be preauthorized); and • Excision of tumors and cysts. <p>Note: When requesting oral and maxillofacial services, please check DocFind or call Member Services at 1-800/537-9384 for a participating oral and maxillofacial surgeon.</p>	<p>\$35 per specialist visit</p> <p>Nothing for the surgery. See section 5(c) for facility charges.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • Dental implants • Dental care (such as restorations) involved with the treatment of temporomandibular joint (TMJ) pain dysfunction syndrome 	<p><i>All charges</i></p>

Benefit Description	You pay
<p>Organ/tissue transplants</p> <p>These solid organ transplants are subject to medical necessity and experimental/investigational review by the Plan. Refer to <i>Other services</i> in Section 3 for prior authorization procedures.</p> <ul style="list-style-type: none"> • Cornea • Heart • Heart/lung • Single, double or lobar lung • Kidney • Liver • Pancreas • Autologous pancreas islet cell transplant (as an adjunct to total or near total pancreatectomy) only for patients with chronic pancreatitis <p>Intestinal transplants</p> <ul style="list-style-type: none"> • Small intestine • Small intestine with the liver • Small intestine with multiple organs, such as the liver, stomach, and pancreas <p>These tandem blood or marrow stem cell transplants for covered transplants are subject to medical necessity review by the Plan. Refer to <i>Other services</i> in Section 3 for prior authorization procedures.</p> <ul style="list-style-type: none"> • Autologous tandem transplants for <ul style="list-style-type: none"> - AL Amyloidosis - Multiple myeloma (de novo and treated) - Recurrent germ cell tumors (including testicular cancer) 	<p>High Option</p> <p>\$35 per specialist visit</p> <p>Nothing for the surgery. See section 5(c) for facility charges.</p>
<p>Blood or marrow stem cell transplants limited to the stages of the following diagnoses. For the diagnoses listed below, the medical necessity limitation is considered satisfied if the patient meets the staging description.</p> <p>Physicians consider many features to determine how diseases will respond to different types of treatment. Some of the features measured are the presence or absence of normal and abnormal chromosomes, the extension of the disease throughout the body, and how fast the tumor cells grow. By analyzing these and other characteristics, physicians can determine which diseases may respond to treatment without transplant and which diseases may respond to transplant.</p> <ul style="list-style-type: none"> • Allogeneic transplants for <ul style="list-style-type: none"> - Acute lymphocytic or non-lymphocytic (i.e., myelogenous) leukemia 	<p>\$35 per specialist visit</p> <p>Nothing for the surgery. Benefit Description	You pay
Organ/tissue transplants (cont.)	High Option
<p>B. All of the following criteria must be met:</p> <ol style="list-style-type: none"> 1. Standard therapies have not been effective in treating the member or would not be medically appropriate; and 2. The risks and benefits of the experimental or investigational technology are reasonable compared to those associated with the member's medical condition and standard therapy based on at least two documents of medical and scientific evidence (as defined below); and 3. The experimental or investigational technology shows promise of being effective as demonstrated by the member's participation in a clinical trial satisfying ALL of the following criteria: <ol style="list-style-type: none"> a. The experimental or investigational drug, device, procedure, or treatment is under current review by the FDA and has an Investigational New Drug (IND) number; and b. The clinical trial has passed review by a panel of independent medical professionals (evidenced by Aetna's review of the written clinical trial protocols from the requesting institution) approved by Aetna who treat the type of disease involved and has also been approved by an Institutional Review Board (IRB) that will oversee the investigation; and c. The clinical trial is sponsored by the National Cancer Institute (NCI) or similar national cooperative body (e.g., Department of Defense, VA Affairs) and conforms to the rigorous independent oversight criteria as defined by the NCI for the performance of clinical trials; and d. The clinical trial is not a single institution or investigator study (NCI designated Cancer Centers are exempt from this requirement); and 4. The member must: <ol style="list-style-type: none"> a. Not be treated "off protocol," and b. Must actually be enrolled in the trial. 	<p>\$35 per specialist visit</p> <p>Nothing for the surgery. See section 5(c) for facility charges.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>The experimental intervention itself (except medically necessary Category B investigational devices and promising experimental and investigational interventions for terminal illnesses in certain clinical trials. Terminal illness means a medical prognosis of 6 months or less to live); and</i> • <i>Costs of data collection and record keeping that would not be required but for the clinical trial; and</i> 	<p><i>All charges</i></p>

Organ/tissue transplants - continued on next page

Benefit Description	You pay
Organ/tissue transplants (cont.)	High Option
<ul style="list-style-type: none"> • <i>Other services to clinical trial participants necessary solely to satisfy data collection needs of the clinical trial (i.e., "protocol-induced costs"); and</i> • <i>Items and services provided by the trial sponsor without charge</i> • <i>Donor screening tests and donor search expenses, except as shown above</i> • <i>Implants of artificial organs</i> • <i>Transplants not listed as covered</i> 	<p><i>All charges</i></p>
Anesthesia	High Option
<p>Professional services provided in:</p> <ul style="list-style-type: none"> • Hospital (inpatient) • Hospital outpatient department • Skilled nursing facility • Ambulatory surgical center • Office <p>Note: For sedation or anesthesia relating to dental services performed in a dental office, see Section 5(g), Dental benefits.</p> <p>Note: When the anesthesiologist is the primary giver of services, such as for pain management, the specialist copay applies.</p>	<p>Nothing</p>

Section 5(c). Services provided by a hospital or other facility, and ambulance services

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care and you must be hospitalized in a Plan facility.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are in Sections 5(a) or (b).

YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR HOSPITAL STAYS. Please refer to Section 3 to be sure which services require precertification.

Benefit Description	You pay
Inpatient hospital	High Option
<p>Room and board, such as:</p> <ul style="list-style-type: none"> • Ward, semiprivate, or intensive care accommodations; • General nursing care; and • Meals and special diets. <p>Note: If you want a private room when it is not medically necessary, you pay the additional charge above the semiprivate room rate.</p> <p>Other hospital services and supplies, such as:</p> <ul style="list-style-type: none"> • Operating, recovery, maternity, and other treatment rooms • Prescribed drugs and medicines • Diagnostic laboratory tests and X-rays • Administration of blood and blood products • Blood products, derivatives and components, artificial blood products and biological serum. Blood products include any product created from a component of blood such as, but not limited to, plasma, packed red blood cells, platelets, albumin, Factor VIII, Immunoglobulin, and prolactin • Dressings, splints, casts, and sterile tray services • Medical supplies and equipment, including oxygen • Anesthetics, including nurse anesthetist services • Take-home items • Medical supplies, appliances, medical equipment, and any covered items billed by a hospital for use at home. 	<p>\$250 per day up to a maximum of \$1,000 per admission</p>

Benefit Description	You pay
Inpatient hospital (cont.)	High Option
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Whole blood and concentrated red blood cells not replaced by the member</i> • <i>Non-covered facilities, such as nursing homes and schools</i> • <i>Custodial care, rest cures, domiciliary or convalescent cares</i> • <i>Personal conform items, such as telephone and television</i> • <i>Private duty nursing</i> 	<p><i>All charges</i></p>
Outpatient hospital or ambulatory surgical center	High Option
<ul style="list-style-type: none"> • Operating, recovery, and other treatment rooms • Prescribed drugs and medicines • Radiologic procedures, diagnostic laboratory tests, and X-rays when associated with a medical procedure being done the same day • Pathology Services • Administration of blood, blood plasma, and other biologicals • Blood products, derivatives and components, artificial blood products and biological serum • Pre-surgical testing • Dressings, casts, and sterile tray services • Medical supplies, including oxygen • Anesthetics and anesthesia service <p>Note: We cover hospital services and supplies related to dental procedures when necessitated by a non-dental physical impairment. We do not cover the dental procedures.</p> <p>Note: Preventive care services are not subject to copays listed.</p>	<p>\$175 per visit</p>
<p>Services not associated with a medical procedure being done the same day, such as:</p> <ul style="list-style-type: none"> • Mammogram • Radiologic procedures • Lab tests <p>Note: Preventive care services are not subject to copays listed.</p>	<p>\$35 per specialist visit</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Whole blood and concentrated red blood cells not replaced by the member</i> 	<p><i>All charges</i></p>

Benefit Description	You pay
Extended care benefits/Skilled nursing care facility benefits	High Option
<p>Extended care benefit: All necessary services during confinement in a skilled nursing facility with a 90-day limit per calendar year when full-time nursing care is necessary and the confinement is medically appropriate as determined by a Plan doctor and approved by the Plan.</p>	Nothing
<i>Not covered: Custodial care</i>	<i>All charges</i>
Hospice care	High Option
<p>Supportive and palliative care for a terminally ill member in the home or hospice facility, including inpatient and outpatient care and family counseling, when provided under the direction of a Plan doctor, who certifies the patient is in the terminal stages of illness, with a life expectancy of approximately 6 months or less.</p>	Nothing
Ambulance	High Option
<p>Aetna covers ground ambulance from the place of injury or illness to the closest facility that can provide appropriate care. The following circumstances would be covered:</p> <ol style="list-style-type: none"> 1. Transport in a medical emergency (i.e., where the prudent layperson could reasonably believe that an acute medical condition requires immediate care to prevent serious harm); or 2. To transport a member from one hospital to another nearby hospital when the first hospital does not have the required services and/or facilities to treat the member; or 3. To transport a member from hospital to home, skilled nursing facility or nursing home when the member cannot be safely or adequately transported in another way without endangering the individual's health, whether or not such other transportation is actually available; or 4. To transport a member from home to hospital for medically necessary inpatient or outpatient treatment when an ambulance is required to safely and adequately transport the member. 	Nothing
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Ambulance transportation to receive outpatient or inpatient services and back home again, except in an emergency.</i> • <i>Ambulette service</i> 	<i>All charges</i>

Section 5(d). Emergency services/accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
 - Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
-

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Emergencies within our Service Area:

If you need emergency care, you are covered 24 hours a day, 7 days a week, anywhere in the world. An emergency medical condition is one manifesting itself by acute symptoms of sufficient severity such that a prudent layperson, who possesses average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in serious jeopardy to the person's health, or with respect to a pregnant woman, the health of the woman and her unborn child.

Whether you are in or out of an Aetna HMO service area, we simply ask that you follow the guidelines below when you believe you need emergency care.

- Call the local emergency hotline (e.g., 911) or go to the nearest emergency facility. If a delay would not be detrimental to your health, call your primary care physician. Notify your primary care physician as soon as possible after receiving treatment.
- After assessing and stabilizing your condition, the emergency facility should contact your primary care physician so he/she can assist the treating physician by supplying information about your medical history.
- If you are admitted to an inpatient facility, you or a family member or friend on your behalf should notify your primary care physician or Aetna as soon as possible.

Emergencies outside our Service Area:

If you are traveling outside your Aetna service area or if you are a student who is away at school, you are covered for emergency and urgently needed care. Urgent care may be obtained from a private practice physician, a walk-in clinic, an urgent care center or an emergency facility. Certain conditions, such as severe vomiting, earaches, sore throats or fever, are considered "urgent care" outside your Aetna service area and are covered in any of the above settings.

If, after reviewing information submitted to us by the provider that supplied care, the nature of the urgent or emergency problem does not qualify for coverage, it may be necessary to provide us with additional information. We will send you an Emergency Room Notification Report to complete, or a Member Services representative can take this information by telephone.

Follow-up Care after Emergencies

All follow-up care should be coordinated by your PCP or network specialist. Follow-up care with non-participating providers is only covered with a referral from your primary care physician and pre-approval from Aetna. Suture removal, cast removal, X-rays and clinic and emergency room revisits are some examples of follow-up care.

Benefit Description	You pay
Emergency within our service area	High Option
Emergency care at a doctor’s office	\$20 per PCP visit \$35 per specialist visit
Emergency care at an urgent care center	\$50 per visit
Emergency care as an outpatient at a hospital (Emergency Room), including doctors’ services.	\$100 per visit Note: If you are admitted from the Emergency Room to a hospital, the copay is waived.
<i>Not covered: Elective care or non-emergency care</i>	<i>All charges</i>
Emergency outside our service area	High Option
Emergency care at a doctor’s office	\$35 per specialist visit
Emergency care at an urgent care center	\$50 per visit
Emergency care as an outpatient at a hospital (Emergency Room), including doctors’ services.	\$100 per visit Note: If you are admitted from the Emergency Room to a hospital, the copay is waived.
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Elective care or non-emergency care and follow-up care recommended by non-Plan providers that has not been approved by the Plan or provided by Plan providers</i> • <i>Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area</i> • <i>Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area</i> 	<i>All charges</i>
Ambulance	High Option
<p>Aetna covers ground ambulance from the place of injury or illness to the closest facility that can provide appropriate care. The following circumstances would be covered:</p> <ol style="list-style-type: none"> 1. Transport in a medical emergency (i.e., where the prudent layperson could reasonably believe that an acute medical condition requires immediate care to prevent serious harm); or 2. To transport a member from one hospital to another nearby hospital when the first hospital does not have the required services and/or facilities to treat the member; or 3. To transport a member from hospital to home, skilled nursing facility or nursing home when the member cannot be safely or adequately transported in another way without endangering the individual’s health, whether or not such other transportation is actually available; or 	Nothing

Benefit Description	You pay
Ambulance (cont.)	High Option
<p>4. To transport a member from home to hospital for medically necessary inpatient or outpatient treatment when an ambulance is required to safely and adequately transport the member.</p> <p>Air ambulance may be covered. Prior approval is required.</p> <p>Note: See 5(c) for non-emergency service.</p>	Nothing
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Ambulance transportation to receive outpatient or inpatient services and back home again, except in an emergency.</i> • <i>Ambulette service.</i> • <i>Air ambulance without prior approval.</i> 	<i>All charges</i>

Section 5(e). Mental health and substance abuse benefits

You need to get Plan approval (preauthorization) for services and follow a treatment plan we approve in order to get benefits. When you receive services as part of an approved treatment plan, cost-sharing and limitations for Plan mental health and substance abuse benefits are no greater than for similar benefits for other illnesses and conditions.

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PREAUTHORIZATION FOR THESE SERVICES.** Benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. To be eligible to receive full benefits, you must follow the preauthorization process and get Plan approval of your treatment plan. Preauthorization is required for the following:
 - Any intensive outpatient care
 - Outpatient detoxification
 - Partial hospitalization
 - Any inpatient or residential care
 - Psychological or neuropsychological testing
 - Outpatient electroconvulsive therapy
 - Biofeedback, amytal interview, and hypnosis
 - Psychiatric home health care

Aetna can assist you in locating participating providers in the Plan, unless your needs for covered services extend beyond the capability of the affiliated providers. Emergency care is covered (See Section 5(d), Emergency services/accidents). You can receive information regarding the appropriate way to access the behavioral health care services that are covered under your specific plan by calling Member Services at 1- 800/537-9384. A referral from your PCP is not necessary to access behavioral health care but your PCP may assist in coordinating your care.

We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.

- OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.

Benefit Description	You pay
Professional services	
<p>When part of a treatment plan we approve, we cover professional services by licensed professional mental health and substance abuse practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists.</p>	<p>High Option</p> <p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p>
<p>Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include:</p> <ul style="list-style-type: none"> • Diagnostic evaluation • Crisis intervention and stabilization for acute episodes • Medication evaluation and management (pharmacotherapy) • Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment • Treatment and counseling (including individual or group therapy visits) • Diagnosis and treatment of alcoholism and drug abuse, including detoxification, treatment and counseling • Professional charges for intensive outpatient treatment in a provider's office or other professional setting • Electroconvulsive therapy 	<p>\$35 per visit</p>
Diagnostics	
<ul style="list-style-type: none"> • Outpatient diagnostic tests provided and billed by a licensed mental health and substance abuse practitioner • Outpatient diagnostic tests provided and billed by a laboratory, hospital or other covered facility 	<p>High Option</p> <p>\$35 per outpatient visit</p>
Inpatient hospital or other covered facility	
<p>Inpatient services provided and billed by a hospital or other covered facility including an overnight residential treatment facility</p> <ul style="list-style-type: none"> • Room and board, such as semiprivate or intensive accommodations, general nursing care, meals and special diets, and other hospital services • Inpatient diagnostic tests provided and billed by a hospital or other covered facility 	<p>High Option</p> <p>\$250 per day up to a maximum of \$1,000 per admission</p>

Benefit Description	You pay
Outpatient hospital or other covered facility	High Option
Outpatient services provided and billed by a hospital or other covered facility <ul style="list-style-type: none"> • Services in approved treatment programs, such as partial hospitalization, half-way house, residential treatment, full-day hospitalization, or facility-based intensive outpatient treatment 	\$35 per outpatient visit
Not covered	High Option
<ul style="list-style-type: none"> • <i>Services that are not part of a preauthorized approved treatment plan</i> 	<i>All charges</i>

Section 5(f). Prescription drug benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- Certain drugs require your doctor to get precertification from the Plan before they can be prescribed under the Plan. Upon approval by the Plan, the prescription is good for the current calendar year or a specified time period, whichever is less.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed Plan physician or dentist must write the prescription.
- **Where you can obtain them.** You must fill prescriptions at a participating Plan retail pharmacy for up to a 30-day supply, or by mail order for a 31-day up to a 90-day supply of medication (if authorized by your physician). You may obtain up to a 30-day supply of medication for one copay, (retail pharmacy) and for a 31-day up to a 90-day supply of medication for two copays (mail order). In no event will the copay exceed the cost of the prescription drug. For retail pharmacy transactions, you must present your Aetna Member ID card at the point of sale for coverage. Please call Member Services at 1-800/537-9384 for more details on how to use the mail order program. **Mail order is not available for drugs and medications ordered through Aetna Specialty Pharmacy. Prescriptions ordered through Aetna Specialty Pharmacy are only filled for up to a 30-day supply due to the nature of these prescriptions.** In an emergency or urgent care situation, you may fill your covered prescription at any retail pharmacy. If you obtain your emergency prescription at a pharmacy that does not participate with the plan, you will need to pay the pharmacy the full price of the prescription and submit a claim for reimbursement subject to the terms and conditions of the plan.
- **We use a formulary.** Drugs are prescribed by licensed doctors and covered in accordance with the Plan's drug formulary. The Plan's formulary does not exclude medications from coverage, but requires a higher copayment for nonformulary drugs. Certain drugs require your doctor to get precertification from the Plan before they can be covered under the Plan. Visit our Web site at www.aetnafeds.com to review our Formulary Guide or call 1-800/537-9384.
- **Drugs not on the formulary.** Aetna has a Pharmacy and Therapeutics Committee, comprised of physicians, pharmacists and other clinicians that review drugs for inclusion in the formulary. They consider the drug's effectiveness, safety and cost in their evaluation. While most of the drugs on the non-formulary list are brand drugs, some generic drugs also may be on the non-formulary list. For example, this may happen when brand medications lose their patent and the FDA has granted a period of exclusivity to specific generic manufacturers. When this occurs, the price of the generic drug may not decrease as you might think most generic drugs do. This period of exclusivity usually ranges between 3-6 months. Once this time period expires, competition from other generic manufacturers will generally occur and this helps lower the price of the drug and this may lead Aetna to re-evaluate the generic for possible inclusion on the formulary. Aetna will place some of these generic drugs that are granted a period of exclusivity on our non-formulary list, which requires the highest copay level. **Remember, a generic equivalent will be dispensed, if available, unless your physician specifically requires a brand name and writes "Dispense as Written" (DAW) on the prescription, so discuss this with your doctor.**
- **Precertification.** Your pharmacy benefits plan includes our precertification program. Precertification helps encourage the appropriate and cost-effective use of certain drugs. These drugs must be pre-authorized by our Pharmacy Management Precertification Unit before they will be covered. Only your physician or pharmacist, in the case of an antibiotic or analgesic, can request prior authorization for a drug. Step-therapy is another type of precertification under which certain medications will be excluded from coverage unless you try one or more "prerequisite" drug(s) first, or unless a medical exception is obtained. The drugs requiring precertification or step-therapy are subject to change. Visit our Web site at www.aetnafeds.com for the most current information regarding the precertification and step-therapy lists. Ask your physician if the drugs being prescribed for you require precertification or step therapy.

Prescription drug benefits (cont.)

- **These are the dispensing limitations.** Prescription drugs prescribed by a licensed physician or dentist and obtained at a participating Plan retail pharmacy may be covered for up to a 30-day supply. Members **must** obtain a 31-day up to a 90-day supply of covered prescription medication through mail order. In no event will the copay exceed the cost of the prescription drug. A generic equivalent will be dispensed if available, unless your physician specifically requires a brand name.
- In the event that a member is called to active military duty and requires coverage under their prescription plan benefits of an additional filling of their medication(s) prior to departure, their pharmacist will need to contact Aetna. Coverage of additional prescriptions will only be allowed if there are refills remaining on the member's current prescription or a new prescription has been issued by their physician. The member is responsible for the applicable copayment for the additional prescription.
- Aetna allows coverage of a medication refill when at least 75% of the previous prescription, according to the physician's prescribed directions, has been utilized. For a 30-day supply of medication, this provision would allow a prescription refill to be covered 23 days after the last filling, thereby allowing a member to have an additional supply of their medication, in case of emergency.
- **Why use generic drugs?** Generics contain the same active ingredients in the same amounts as their brand name counterparts and have been approved by the FDA. By using generic drugs, when available, and after the exclusivity period expires, most members see cost savings, without jeopardizing clinical outcome or compromising quality.
- **When you do have to file a claim.** Send your itemized bill(s) to: Aetna, Pharmacy Management, Claim Processing, P.O. Box 14024, Lexington, KY 40512-4024.

Here are some things to keep in mind about our prescription drug program:

- A generic equivalent may be dispensed if it is available, and where allowed by law.
- Certain oral and injectable medications are required to be obtained through Aetna Specialty Pharmacy. The first fill of these medications can be obtained through a retail pharmacy, however you must obtain all subsequent refills through Aetna Specialty Pharmacy.

There are various medical conditions treated with these medications. Often these drugs require special handling, storage and shipping. In addition, these medications are not always available at retail pharmacies. **The following medical conditions are treated with self-injectable medications that must be obtained through Aetna Specialty Pharmacy Network in order to be eligible for coverage, unless noted otherwise on the list of medications on our website:** Antiasthmatic-Monoclonal antibodies, Arthritis, Blood Clotting (Factor VII, Factor VIII, Factor IX and Anti-Inhibitor Coagulant Complex), Blood Thinners, Diabetic, Emergency Medications (Epinephrine Kits), Erectile Dysfunction, Growth Hormone (Deficiency and over-Production), Infertility, Migraine, Multiple Sclerosis, Osteoporosis, Psoriasis and Viral Infections/Immune System Enhancers. Please visit our Website, www.aetnafeds.com for the 2011 Pharmacy Managed Self-Injectable (PMSI) list or contact us at 1-800/537-9384 for a copy. Note that the drugs and categories covered are subject to change.

- To request a printed copy of the Aetna Medication Formulary Guide, call 1-800/537-9384. The information in the Medication Formulary Guide is subject to change. As brand name drugs lose their patents and new generics become available on the market, the brand name drug may be removed from the formulary. Under your benefit plan, this will result in a savings to you, as you pay a lower prescription copayment for generic formulary drugs. Please visit our Web site at www.aetnafeds.com for current Medication Formulary Guide information.

Benefit Description	You pay
Covered medications and supplies	High Option
<p>We cover the following medications and supplies prescribed by a licensed physician or dentist and obtained from a Plan pharmacy or through our mail order program:</p> <ul style="list-style-type: none"> • Drugs approved by the U.S. Food and Drug Administration for which a prescription is required by Federal law, except those listed as <i>Not covered</i>. • Oral contraceptive drugs • Insulin • Disposable needles and syringes needed to inject covered prescribed medications • Diabetic supplies limited to lancets, alcohol swabs, urine test strips/tablets, and blood glucose test strips • Contraceptive drugs and devices • Oral fertility drugs 	<p>Retail Pharmacy, for up to a 30-day supply per prescription or refill:</p> <p>\$10 per covered generic formulary drug;</p> <p>\$35 per covered brand name formulary drug; and</p> <p>\$65 per covered non-formulary (generic or brand name) drug.</p> <p>Mail Order Pharmacy, for a 31-day up to a 90-day supply per prescription or refill:</p> <p>\$20 per covered generic formulary drug;</p> <p>\$70 per covered brand name formulary drug; and</p> <p>\$130 per covered non-formulary (generic or brand name) drug.</p>

(See page 34.) OTC drugs will not be covered unless you have a prescription and that prescription is presented at the pharmacy and processed through our pharmacy claim system.</p>	<p><i>All charges</i></p>

Section 5(g). Dental benefits

Important things you should keep in mind about these benefits:

- You have two different dental options, Basic Dental or Dental PPO, from which to choose. New members are automatically enrolled in the Basic Dental option. If you want to switch to the Dental PPO option, you must call on or before the 15th of the month to have your coverage in the Dental PPO option be effective on the first of the following month (i.e., call on 1/8 and your coverage is effective on 2/1, but if you call on 1/17, your coverage will not be effective until 3/1).
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- **Under the Basic Dental option, you must select a Plan primary care dentist before receiving care.** Your selected Plan primary care dentist must provide or arrange covered care. **Services rendered by non-Plan dentists are not covered.** The Plan will cover 100% of the charges for the preventive, diagnostic and restorative procedures shown on the next page. You will be responsible for a copayment of \$5 for each office visit regardless of the number of procedures performed.
- **Note: You will be covered automatically under this Basic Dental option unless you enroll in the Dental PPO option by calling Member Services at 1-800/537-9384.**
- Under the Dental PPO option, the Plan covers 100% of the charges (after satisfaction of a \$20 annual deductible per member) for those preventive, diagnostic, and restorative procedures shown on the next page when using a participating network dentist. Members can take advantage of our network discounts on other dental procedures when using participating network dentists for those services. Members are responsible only for the PPO negotiated rate Aetna has contracted with the participating PPO provider.
- You also have the choice to use non-network dentists under this Dental PPO option for those preventive, diagnostic and restorative procedures shown on the next page, but the Plan will cover only 50% of the standard negotiated rate we would have paid an in-network PPO provider. You are responsible for any difference between the amount billed and the amount paid by the Plan for the eligible services listed in this section, plus your annual \$20 deductible. **Any other dental services rendered by non-network dentists are not covered.**
- We cover hospitalization for dental procedures only when a nondental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described on the next pages.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Dental benefits - continued on next page

Dental Benefits (cont.)

Basic Dental Option

Note: Basic Dental option services shown in this section are only covered when provided by your selected participating primary care dentist in accordance with the terms of your Plan. ***If rendered by a participating specialist, they are provided at reduced fees. Pediatric dentists are considered specialists.*** Certain other services will be provided by your selected participating primary care dentist at reduced fees. Specific fees vary by area of the country. Call Member Services at 1-800-537-9384 for specific fees for your procedure. All member fees must be paid directly to the participating dentist. **Services provided by a non-network dentist are not covered.**

Each employee and dependent(s) automatically will be enrolled in the Basic Dental option, unless you enroll in the Dental PPO option.

Each employee and dependent **must** select a primary care dentist from the directory when participating in the Basic Dental option and include the dentist's name on the enrollment form. You also may call Member Services at 1-800/537-9384.

Dental PPO Option

Under this option, you have the choice to use our participating Dental PPO network dentists or a non-network dentist. The benefit levels are different, based on whether or not the dentist participates in our network. You must contact Member Services at 1-800/537-9384 to select this option.

If you call on or before the 15th of the month, your coverage in the Dental PPO option will be effective on the first of the following month (i.e., call on 1/8 and your coverage is effective on 2/1, but if you call on 1/17, your coverage will not be effective until 3/1).

If you decide to switch back to the Basic Dental Option, you must call Member Services at 1-800/537-9384. The same timing rules apply. You must also select a Primary Care Dentist. Your prior Primary Care Dentist will not be reassigned to you, unless you specifically request it.

Dental PPO In-Network Option

The plan covers 100% of the charges (after satisfaction of the \$20 annual deductible per member) for those preventive, diagnostic, and restorative procedures shown **on the previous page** when using a participating network dentist. Members can take advantage of our network discounts on other dental procedures when using participating network dentists for services. Please call Member Services at 1-800-537-9384 for specific fees for your procedure.

Dental PPO Non-Network Option

Dentists' normal fees generally are higher than Aetna's negotiated fees. **Non-participating dentists will be paid only for those services shown on the previous page.** Payment will be based on the standard negotiated rate provided to participating general dentists in the same geographic area. Members may be balance billed by the dentist for the difference between the dentist's usual fee and the amount paid by the Plan. **The services on the following pages rendered by non-participating dentists are not covered.**

Section 5(h). Special features

Feature	Description
Flexible benefits option	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms. Until you sign and return the agreement, regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we cannot guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process.
Aetna Navigator	<p>Aetna Navigator, our secure member self service website, provides you with the tools and personalized information to help you manage your health. Click on My Navigator from www.aetnafeds.com to register and access a secure, personalized view of your Aetna benefits.</p> <p>With Aetna Navigator, you can:</p> <ul style="list-style-type: none"> • Review eligibility and PCP selections • Print temporary ID cards • Download details about a claim such as the amount paid and the member’s responsibility • Contact member services at your convenience through secure messages • Access cost and quality information through Aetna’s transparency tools • View and update your Personal Health Record • Find information about the member extras that come with your plan • Access health information through Aetna Intellihealth and Healthwise® Knowledgebase <p>Registration assistance is available toll free, Monday through Friday, from 7am to 9pm Eastern Time at 1-800/225-3375. Register today at www.aetnafeds.com.</p>
Services for deaf and hearing-impaired	1-800/628-3323

Special features-continued on next page

<p>Informed Health[®] Line</p>	<p>Provides eligible members with telephone access to registered nurses experienced in providing information on a variety of health topics. Informed Health Line is available 24 hours a day, 7 days a week. You may call Informed Health Line at 1-800/556-1555. Through Informed Health Line, members also have 24-hour access to an audio health library – equipped with information on more than 2,000 health topics, and accessible on demand through any touch tone telephone. Topics are available in both English and Spanish. We provide TDD service for the hearing and speech-impaired. We also offer foreign language translation for non-English speaking members. Informed Health Line nurses cannot diagnose, prescribe medication or give medical advice.</p>
<p>Maternity Management Program</p>	<p>Aetna’s Beginning Right[®] Maternity Management Program provides services, information and resources to help improve pregnancy outcomes. Features of the program include a pregnancy risk survey, obstetrical nurse care coordination, comprehensive educational information on prenatal care, labor and delivery, newborn and baby care, a smoking-cessation program, and more. To enroll in the program, call toll-free 1-800/CRADLE-1.</p>
<p>National Medical Excellence Program</p>	<p>National Medical Excellence Program helps eligible members access appropriate, covered treatment for solid organ and tissue transplants using our Institutes of Excellence[™] network. We coordinate specialized treatment needed by members with certain rare or complicated conditions and assist members who are admitted to a hospital for emergency medical care when they are traveling temporarily outside of the United States. Services under this program must be preauthorized.</p>
<p>Reciprocity benefit</p>	<p>If you need to visit a participating primary care physician for a covered service, and you are 50 miles or more away from home you may visit a primary care physician from our plan’s approved network.</p> <ul style="list-style-type: none"> • Call 1-800/537-9384 for provider information and location • Select a doctor from 3 primary care doctors in that area • The Plan will authorize you for one visit and any tests or X-rays ordered by that primary care physician • You must coordinate all subsequent visits through your own participating primary care physician.

Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, and you cannot file an FEHB disputed claim about them. Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums. These programs and materials are the responsibility of the Plan, and all appeals must follow their guidelines. For additional information contact the Plan at, 1-800/537-9384 or visit their website at www.aetnafeds.com.

Aetna IntelliHealth

InteliHealth.com offers comprehensive health information that is interactive and easy-to-use. Harvard Medical School and the University of Pennsylvania School of Dental Medicine help IntelliHealth to provide trusted and credible health information to its users. Aetna IntelliHealth features include: a Drug Resource Center, Disease and Condition Management tools, Health Risk Assessments, the Harvard Symptom Scout (an interactive symptom checker that provides guidance about a variety of symptoms), Daily Health News and much more. Visit IntelliHealth at www.aetnafeds.com.

Aetna Vision SM Discounts

You are eligible to receive substantial discounts on eyeglasses, contact lenses, Lasik — the laser vision corrective procedure, and nonprescription items including sunglasses and eyewear products through the Aetna Vision Discounts Program with more than 13,000 providers across the country.

This eyewear discount enriches the routine vision care coverage provided in your health plan, which includes an eye exam from a participating provider. If your health plan also includes coverage for eyewear such as prescription eyeglasses or contact lenses, your out-of-pocket expense can be reduced when you use Aetna Vision discount. You may purchase your eyewear at Aetna Vision locations at discounted rates, and your allowance will automatically be applied at point of purchase. You don't have to submit the receipt for reimbursement. Your allowance applies to prescription eyeglasses or contact lenses only.

For more information on Aetna Vision Discounts eyewear call toll free 1-800/793-8616. For a referral to a Lasik provider, call 1-800/422-6600.

Hearing Discounts

The Hearing discount program helps you and your family (including parents and grandparents) save on hearing exams, hearing services and hearing aids. This program is offered in conjunction with HearPO® and includes access to over 1,500 participating locations. HearPO provides discounts on hearing exams, hearing services, hearing aid repairs, and choice of the latest technologies. Call HearPO customer service at 1-888-432-7464. Make sure the HearPO customer service representative knows you are an Aetna member. HearPO will send you a validation packet and you will receive the discounts at the point of purchase.

Fitness Program

Aetna offers members access to discounted fitness services provided by GlobalFit.TM The program offers Plan participants:

- Low or discounted membership rates at independent health clubs contracted with GlobalFit
- Discounts on certain home exercise equipment

To determine which program is offered in your area and to view a list of included clubs, visit the GlobalFit Web site at www.globalfit.com/fitness. If you would like to speak with a GlobalFit representative, you can call the GlobalFit Health Club Help Line at 1-800/298-7800.

Natural Products and Services Program

The Aetna Natural Products and ServicesSM discount Program provides alternative choices to members who want to explore new products in the area of alternative medicine. Additionally, the program helps members save on nontraditional services they may already use. With the Natural Products and Services Program, you are eligible to receive discounts from participating professionals on chiropractic manipulation, acupuncture, massage and nutritional counseling. You can also save on the purchase of vitamins, herbal and nutritional supplements and on health-related products such as aromatherapy. For more information, please call Aetna Member Services at 1-800/537-9384.

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition and we agree, as discussed under *Services requiring our prior approval* on pages 16-17 (see specifics regarding transplants).**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (*see Emergency services/accidents*);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants);
- Procedures, services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program; or
- Services, drugs, or supplies you receive without charge while in active military service.
- Cost of data collection and record keeping for clinical trials that would not be required, but for the clinical trial.
- Items and services provided by clinical trial sponsor without charge.
- Care for conditions that state or local law requires to be treated in a public facility, including but not limited to, mental illness commitments.
- Court ordered services, or those required by court order as a condition of parole or probation, except when medically necessary.
- Educational services for treatment of behavioral disorders.

Section 7. Filing a claim for covered services

There are four types of claims. Three of the four types - Urgent care claims, Pre-service claims, and Concurrent review claims - usually involve access to care where you need to request and receive our advance approval to receive coverage for a particular service or supply covered under this Brochure. See Section 3 for more information on these claims/requests and Section 10 for the definitions of these three types of claims.

The fourth type - Post-service claims - is the claim for payment of benefits after services or supplies have been received.

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-Plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical, hospital and drug benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB- 04 form. For claims questions and assistance, call us at 1-800/537-9384.

When you must file a claim – such as for services you receive outside the Plan’s service area – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payor – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your medical, hospital and vision claims to: Aetna, P.O. Box 14079, Lexington, KY 40512-4079.

Submit your dental claims to: Aetna, P.O. Box 14094, Lexington, KY 40512-4094.

Submit your pharmacy claims to: Aetna, Pharmacy Management, Claim Processing, P.O. Box 14024, Lexington, KY 40512-4024.

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Urgent care claims procedures

If you have an urgent care claim, please contact our Customer Service Department at 1-800/537/9384. Urgent care claims must meet the definition found in Section 10 of this brochure, and most urgent care claims will be claims for access to care rather than claims for care already received. We will notify you of our decision no later than 24 hours after we receive the claim as long as you provide us with sufficient information to decide the claim. If you or your authorized representative fail to provide sufficient information, we will inform you or your authorized representative of the specific information necessary to complete the claim no later than 24 hours after we receive the claim and a time frame for our receipt of this information. We will decide the claim within 48 hours of (i) receiving the information or (ii) the end of the time frame whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with a written or electronic notification within three days of oral notification.

Concurrent care claims procedures

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment as an appealable decision. If we believe a reduction or termination is warranted we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

Pre-service claims procedures

As indicated in Section 3, certain care requires Plan approval in advance. We will notify you of your decision within 15 days after the receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 15-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you fail to follow these pre-service claim procedures, then we will notify you of your failure to follow these procedures as long as (1) your request is made to our customer service department and (2) your request names you, your medical condition or symptom, and the specific treatment, service, procedure, or product requested. We will provide this notice within five days following the failure or 24 hours if your pre-service claim is for urgent care. Notification may be oral, unless you request written correspondence.

Post-service claims procedures

We will notify you of our decision within 30 days after we receive the claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review as long as we notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond. Our deadline for responding to your claim is stayed while we await all of the additional information needed to process your claim.

Authorized Representative

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, a health care professional with knowledge of your medical condition will be permitted to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Section 8. The disputed claims process

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization/prior approval required by Section 3. You may be able to appeal to the U.S. Office of Personnel Management (OPM) immediately if we do not follow the particular requirements of this disputed claims process. For more information about situations in which you are entitled to immediately appeal and how to do so please visit www.aetnafeds.com.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim.

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none"> a) Write to us within 6 months from the date of our decision; and b) Send your request to us at: Aetna, Attention: National Accounts, P.O. Box 14463, Lexington, KY 40512; and c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms. e) Your email address, if you would like to receive our decision via email. Please note that by providing your email address, you may receive our decision more quickly.
2	<p>We have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none"> a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or b) Write to you and maintain our denial - go to step 4; or c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.
3	<p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p> <p>In the case of an appeal of an urgent care claim, we will notify you of our decision not later than 72 hours after receipt of your reconsideration request. We will hasten the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.</p>
4	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none"> • 90 days after the date of our letter upholding our initial decision; or • 120 days after you first wrote to us - if we did not answer that request in some way within 30 days; or • 120 days after we asked for additional information. <p>Write to OPM at: United States Office of Personnel Management, Insurance Operations, Health Insurance 3, 1900 E Street, NW, Washington, DC 20415-3630.</p>

Step	Description
	<p>Send OPM the following information:</p> <ul style="list-style-type: none"> • A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure; • Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms; • Copies of all letters you sent to us about the claim; • Copies of all letters we sent to you about the claim; and • Your daytime phone number and the best time to call. • Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly. <p>Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.</p> <p>Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.</p> <p>Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.</p>
5	<p>OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.</p> <p>If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.</p> <p>OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.</p> <p>You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.</p>

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at 1-800/537-9384. We will hasten our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance 3 at (202) 606-0737 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the national Association of Insurance Commissioners’ guidelines.

When we are the primary payor, we pay the benefits described in this brochure.

When we are the secondary payor, the primary Plan will pay for the expenses first, up to its plan limit. If the expense is covered in full by the primary plan, we will not pay anything. If the expense is not covered in full by the primary plan, we determine our allowance. If the primary Plan uses a preferred provider arrangement, we use the highest negotiated fee between the primary Plan and our Plan. If the primary plan does not use a preferred provider arrangement, we use the Aetna negotiated fee. For example, we generally only make up the difference between the primary payor's benefit payment and 100% of our Plan allowance, subject to your applicable deductible, if any, and coinsurance or copayment amounts.

When Medicare is the primary payor and the provider accepts Medicare assignment, our allowance is Medicare’s allowance. When we are the secondary payor, we pay the lesser of our allowance or the difference between the Medicare allowance and the amount paid by Medicare. We do not pay more than our allowance. You are still responsible for your copayment or coinsurance based on the amount left after Medicare payment.

What is Medicare?

Medicare is a health insurance program for:

- People 65 years of age or older;
- Some people with disabilities under 65 years of age; and
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800/MEDICARE (1-800-633-4227), (TTY 1-877-486-2048) for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.
- Part C (Medicare Advantage). You can enroll in a Medicare Advantage Plan to get your Medicare benefits. We offer a Medicare Advantage Plan. Please review the information on coordinating benefits with Medicare Advantage Plans on the next page.

- Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare's Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800/772-1213 (TTY 1-800/325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

- **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800/772-1213 (SSA TTY 1-800-325-0778) to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. **If you didn't take Part B at age 65 because you were covered under FEHB as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.**

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage Plan.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at 1-800/537-9384.

We do not waive any costs if the Original Medicare Plan is your primary payor.

You can find more information about how our plan coordinates benefits with Medicare by calling 1-800/537-9384.

- **Tell us about your Medicare coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage Plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage Plans, contact Medicare at 1-800/MEDICARE (1-800-633-4227), (TTY 1-877-486-2048) or at www.medicare.gov.

If you enroll in a Medicare Advantage Plan, the following options are available to you:

This Plan and our Medicare Advantage Plan: You may enroll in our Medicare Advantage Plan and also remain enrolled in our FEHB Plan. If you are an annuitant or former spouse with FEHBP coverage and are enrolled in Medicare Parts A and B, you may enroll in our Medicare Advantage Plan if one is available in your area. For more information, please call us at 1-888/788-0390. **We do not waive cost-sharing for your FEHB coverage.**

This Plan and another plan's Medicare Advantage Plan: You may enroll in another plan's Medicare Advantage Plan and also remain enrolled in our FEHB Plan. We will still provide benefits when your Medicare Advantage Plan is primary, even out of the Medicare Advantage Plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments or coinsurance. If you enroll in a Medicare Advantage Plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage Plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage Plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage Plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage Plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage Plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB Plan. For more information, please call us at 1-800/832-2640. See **Important Notice From Aetna About Our Prescription Drug Coverage and Medicare** on the first inside page of this brochure for information on Medicare Part D.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
8) Are a Federal employee receiving Workers' Compensation disability benefits for six months or more	✓ *	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payor before eligibility due to ESRD (for 30 month coordination period)		✓
• Medicare was the primary payor before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD (for the 30 month coordination period)		✓
• Medicare based on ESRD (after the 30 month coordination period)	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse		
	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

**TRICARE and
CHAMPVA**

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. IF TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

Workers' Compensation

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

**When other Government
agencies are responsible
for your care**

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

**When others are
responsible for injuries**

If you suffer an illness or injury for which another party may be responsible, the following subrogation and reimbursement rights in favor of your FEHB plan will apply.

The words "Third Party," "Any Party" or "Responsible Party" includes not only the insurance carrier(s) for the responsible party, but also any uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers' compensation coverage, no-fault automobile insurance coverage or any other first party insurance coverage. The words "Member," "you" and "your" include anyone on whose behalf the Plan pays or provides any benefits.

You specifically acknowledge our right of subrogation. When we provide health care benefits for injuries or illnesses for which another responsible party is or may be responsible, we shall be subrogated to your rights of recovery against any responsible party to the extent of the full cost of all benefits provided by us, to the fullest extent permitted by law. We may proceed against any responsible party with or without your consent.

You also specifically acknowledge our right of reimbursement. This right of reimbursement attaches, to the fullest extent permitted by law, when we have provided health care benefits for injuries or illnesses for which another party is or may be responsible and you and/or your representative has recovered any amounts from the responsible party or any party making payments on the responsible party's behalf. By providing any benefit under this Plan, we are granted an assignment of the proceeds of any settlement, judgment or other payment received by you to the extent of the full cost of all benefits provided by us. Our right of reimbursement is cumulative with, and not exclusive of, our subrogation right and we may choose to exercise either or both rights of recovery.

You and your representatives further agree to:

- Notify us in writing within 30 days of when notice is given to any responsible party of the intention to investigate or pursue a claim to recover damages or obtain compensation due to injuries or illnesses sustained by you that may be the legal responsibility of another party; and
- Cooperate with us and do whatever is necessary to secure our rights of subrogation and/or reimbursement under this Plan; and
- Give us a first-priority lien on any recovery, settlement or judgment or other source of compensation which may be had from a responsible party to the extent of the full cost of all benefits provided by us associated with injuries or illnesses for which another party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment or compensation agreement); and
- Pay, as the first priority, from any recovery, settlement or judgment or other source of compensation, any and all amounts due us as reimbursement for the full cost of all benefits provided by us associated with injuries or illnesses for which another party is or may be responsible (regardless of whether specifically set forth in the recovery, settlement, judgment, or compensation agreement and regardless of whether each payment will result in a recovery to the Member which is insufficient to make the Member whole or to compensate the Member in part or in whole for the damages sustained), unless otherwise agreed to by us in writing; and
- Do nothing to prejudice our rights as set forth above. This includes, but is not limited to, refraining from making any settlement or recovery which specifically attempts to reduce or exclude the full cost of all benefits provided by us; and
- Serve as a constructive trustee for the benefit of this Plan or any settlement or recovery funds received as a result of Third Party injuries.

We may recover the full cost of all benefits provided by us under this Plan without regard to any claim of fault on the part of you, whether by comparative negligence or otherwise. We may recover the full cost of all benefits provided by us under this Plan even if such payment will result in a recovery to you which is insufficient to make you whole or fully compensate you for your damages. No court costs or attorney fees may be deducted from Aetna's recovery, and Aetna is not required to pay or contribute to paying court costs or attorney's fees for the attorney hired by the Member to pursue the Member's claim or lawsuit against any Responsible Party without the prior express written consent of Aetna. In the event you or your representative fails to cooperate with us, you shall be responsible for all benefits paid by us in addition to costs and attorney's fees incurred by us in obtaining repayment.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Recovery rights related to Workers' Compensation

If benefits are provided by Aetna for illness or injuries to a member and we determine the member received Workers' Compensation benefits through the Office of Workers' Compensation Programs (OWCP), a workers' compensation insurance carrier or employer, for the same incident that resulted in the illness or injuries, we have the right to recover those benefits as further described below. "Workers' Compensation benefits" includes benefits paid in connection with a Workers' Compensation claim, whether paid by an employer directly, the OWCP or any other workers' compensation insurance carrier, or any fund designed to provide compensation for workers' compensation claims. Aetna may exercise its recovery rights against the member if the member has received any payment to compensate them in connection with their claim. The recovery rights against the member will be applied even though:

- a) The Workers' Compensation benefits are in dispute or are paid by means of settlement or compromise;
- b) No final determination is made that bodily injury or sickness was sustained in the course of or resulted from the member's employment;
- c) The amount of Workers' Compensation benefits due to medical or health care is not agreed upon or defined by the member or the OWCP or other Workers' Compensation carrier; or
- d) The medical or health care benefits are specifically excluded from the Workers' Compensation settlement or compromise.

By accepting benefits under this Plan, the member or the member's representatives agree to notify Aetna of any Workers' Compensation claim made, and to reimburse us as described above.

Aetna may exercise its recovery rights against the provider in the event:

- a) the employer or carrier is found liable or responsible according to a final adjudication of the claim by the OWCP or other party responsible for adjudicating such claims; or
- b) an order approving a settlement agreement is entered; or
- c) the provider has previously been paid by the carrier directly, resulting in a duplicate payment.

Clinical Trials

This health plan covers care for clinical trials according to definitions listed below and as stated on specific pages of this brochure:

- Routine care costs - costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's cancer, whether the patient is in a clinical trial or is receiving standard therapy. These costs are covered by this Plan. See page 41.
- Extra care costs - costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care. We do not cover these costs. See page 43.
- Research costs - costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. We do not cover these costs. See page 43.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical Trials Cost Categories	<ul style="list-style-type: none">• Routine care costs - costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy. These costs are covered by this Plan. See page 41.• Extra care costs - costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care. We do not cover these costs. See page 43.• Research costs - costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. We do not cover these costs. See page 43.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. See page 18.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 18.
Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive. See page 18.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Any type of care provided according to Medicare guidelines, including room and board, that a) does not require the skills of technical or professional personnel; b) is not furnished by or under the supervision of such personnel or does not otherwise meet the requirements of post-hospital Skilled Nursing Facility care; or c) is a level such that you have reached the maximum level of physical or mental function and such person is not likely to make further significant improvement. Custodial care includes any type of care where the primary purpose is to attend to your daily living activities which do not entail or require the continuing attention of trained medical or paramedical personnel. Examples include assistance in walking, getting in and out of bed, bathing, dressing, feeding, using the toilet, changes of dressings of noninfected wounds, post-operative or chronic conditions, preparation of special diets, supervision of medication which can be self-administered by you, the general maintenance care of colostomy or ileostomy, routine services to maintain other service which, in our sole determination, is based on medically accepted standards, can be safely and adequately self-administered or performed by the average non-medical person without the direct supervision of trained medical or paramedical personnel, regardless of who actually provides the service, residential care and adult day care, protective and supportive care including educational services, rest cures, or convalescent care. Custodial care that lasts 90 days or more is sometimes known as long term care. Custodial care is not covered.
Deductible	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 18.
Detoxification	The process whereby an alcohol or drug intoxicated or alcohol or drug dependent person is assisted, in a facility licensed by the appropriate regulatory authority, through the period of time necessary to eliminate, by metabolic or other means, the intoxicating alcohol or drug, alcohol or drug dependent factors or alcohol in combination with drugs as determined by a licensed Physician, while keeping the physiological risk to the patient at a minimum.

Emergency care

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

Experimental or investigational service

Services or supplies that are, as determined by us, experimental. A drug, device, procedure or treatment will be determined to be experimental if:

- There is not sufficient outcome data available from controlled clinical trials published in the peer reviewed literature to substantiate its safety and effectiveness for the disease or injury involved; or
- Required FDA approval has not been granted for marketing; or
- A recognized national medical or dental society or regulatory agency has determined, in writing, that it is experimental or for research purposes; or
- The written protocol or protocol(s) used by the treating facility or the protocol or protocol(s) of any other facility studying substantially the same drug, device, procedure or treatment or the written informed consent used by the treating facility or by another facility studying the same drug, device, procedure or treatment states that it is experimental or for research purposes; or
- It is not of proven benefit for the specific diagnosis or treatment of your particular condition; or
- It is not generally recognized by the Medical Community as effective or appropriate for the specific diagnosis or treatment of your particular condition; or
- It is provided or performed in special settings for research purposes.

Health care professional

A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.

Medical necessity

Also known as medically necessary or medically necessary services. "Medically necessary" means that the service or supply is provided by a physician or other health care provider exercising prudent clinical judgment for the purpose of preventing, evaluating, diagnosing or treating an illness, injury or disease or its symptoms, and that provision of the service or supply is:

- In accordance with generally accepted standards of medical practice; and,
- Clinically appropriate in accordance with generally accepted standards of medical practice in terms of type, frequency, extent, site and duration, and considered effective for the illness, injury or disease; and,
- Not primarily for the convenience of you, or for the physician or other health care provider; and,
- Not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of the illness, injury or disease.

For these purposes, "generally accepted standards of medical practice," means standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, or otherwise consistent with physician specialty society recommendations and the views of physicians practicing in relevant clinical areas and any other relevant factors.

Open Access HMO	This does not apply to the State of California (Enrollment Code 2X). You can go directly to any network specialist for covered services without a referral from your primary care physician . Whether your covered services are provided by your selected primary care physician (for your PCP copay) or by another participating provider in the network (for the specialist copay), you will be responsible for payment which may be in the form of a copay (flat dollar amount) or coinsurance (a percentage of covered expenses). While not required, it is highly recommended that you still select a PCP and notify Member Services of your selection (1-800/537-9384). If you go directly to a specialist, you are responsible for verifying that the specialist is participating in our Plan. If your participating specialist refers you to another provider, you are responsible for verifying that the other specialist is participating in our Plan.
Plan allowance	Plan allowance is the amount we use to determine our payment and your coinsurance for the service or supply in the geographic area where it is furnished. Plans determine their allowances in different ways. We determine our allowance as follows: We may take into account factors such as the complexity, degree of skill needed, type or specialty of the provider, range of services provided by a facility, and the prevailing charge in other areas in determining the Plan allowance for a service or supply that is unusual or is not often provided in the area or is provided by only a small number of providers in the area.
Post-service claims	Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.
Pre-service claims	Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.
Precertification	Precertification is the process of collecting information prior to inpatient admissions and performance of selected ambulatory procedures and services. The process permits advance eligibility verification, determination of coverage, and communication with the physician and/or you. It also allows Aetna to coordinate your transition from the inpatient setting to the next level of care (discharge planning), or to register you for specialized programs like disease management, case management, or our prenatal program. In some instances, precertification is used to inform physicians, members and other health care providers about cost-effective programs and alternative therapies and treatments. Certain health care services, such as hospitalization or outpatient surgery, require precertification with Aetna to ensure coverage for those services.
Preventive care	Health care services designed for prevention and early detection of illnesses in average risk people, generally including routine physical examinations, tests and immunizations.
Referral	For California members only: To receive coverage for any non-emergency service and necessary follow-up care outside those provided by your PCP, the member must have a written or electronic referral made by the PCP or no coverage will be provided (with the exception of some direct access providers within the network). For Open Access members, you do not need a referral for specialist care within our network.
Respite care	Care furnished during a period of time when your family or usual caretaker cannot, or will not, attend to your needs. Respite care is not covered.
Urgent care	Covered benefits required in order to prevent serious deterioration of your health that results from an unforeseen illness or injury if you are temporarily absent from our service area and receipt of the health care service cannot be delayed until your return to our service area.

Urgent care claims

A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:

- Waiting could seriously jeopardize your life or health;
- Waiting could seriously jeopardize your ability to regain maximum function; or
- In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at 1-800/537/9384. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.

Us/We

Us and We refer to Aetna.

You

You refers to the enrollee and each covered family member.

Section 11. FEHB Facts

Coverage information

- **No pre-existing condition limitation** We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

- **Where you can get information about enrolling in the FEHB Program** See www.opm.gov/insure/health for enrollment information as well as:
 - Information on the FEHB Program and plans available to you
 - A health plan comparison tool
 - A list of agencies who participate in Employee Express
 - A link to Employee Express
 - Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- What happens when your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

- **Types of coverage available for you and your family**

Several provisions of the Affordable Care Act (ACA) affect the eligibility of family members under the FEHB Program effective January 1, 2011.

Children	Coverage
Between ages 22 and 26	Children between the ages of 22 and 26 are covered under their parent's Self and Family enrollment up to age 26.
Married Children	Married children (but NOT their spouse or their own children) are covered up to age 26. This is true even if the child is currently under age 22.
Children with or eligible for employer-provided health insurance	Children who are eligible for or have their own employer-provided health insurance are eligible for coverage up to age 26.
Stepchildren	Stepchildren do not need to live with the enrollee in a parent-child relationship to be eligible for coverage up to age 26.
Children Incapable of Self-Support	Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
Foster Children	Foster children are eligible for coverage up to age 26.

You can find additional information at www.opm.gov/insure.

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately when family members are added or lose coverage for any reason, including your marriage, divorce, annulment or when your child under age 26 turns age 26.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

- **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

- **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2011 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2010 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

- **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

- **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to the continuation of benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy.)

- **Upon divorce**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, www.opm.gov/insure.

- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 26.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the “TCC and HIPAA” frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 12. Three Federal Programs complement FEHB benefits

Important information

OPM wants to be sure you are aware of three Federal programs that complement the FEHB Program.

First, the **Federal Flexible Spending Account Program**, also known as FSAFEDS, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. The result can be a discount of 20% to more than 40% on services/products you routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)** provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

The Federal Flexible Spending Account Program – *FSAFEDS*

What is an FSA?

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less in taxes so you save money. **Annuitants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250 and a maximum annual election of \$5,000.

- **Health Care FSA (HCFSA)** – Reimburses you for eligible health care expenses (such as copayments, deductibles, insulin, products, physician prescribed over-the-counter drugs and medications, vision and dental expenses, and much more) for you and your tax dependents, including children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your tax dependents, including children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Dependent Care FSA (DCFSA)** – Reimburses you for eligible **non-medical** day care expenses for your child(ren) under age 13 and/or for any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self-care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSA.
- If you are a new or newly eligible employee you have 60 days from your hire date to enroll in an HCFSA or LEX HCFSA and/or DCFSA, but you must enroll before October 1. If you are hired or become eligible on or after October 1 you must wait and enroll during the Federal Benefits Open Season held each fall.

Where can I get more information about FSAFEDS?

Visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern Time. TTY: 1-800-952-0450.

The Federal Employees Dental and Vision Insurance Program – *FEDVIP*

Important Information The Federal Employees Dental and Vision Insurance Program (FEDVIP) is separate and different from the FEHB Program, and was established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004. This Program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations.

FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

Dental Insurance Dental plans provide a comprehensive range of services, including all the following:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 24-month waiting period

Vision Insurance Vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/insure/vision and www.opm.gov/insure/dental. These sites also provide links to each plan's website, where you can view detailed information about benefits and preferred providers.

How do I enroll? You enroll on the Internet at www.BENEFEDS.com. For those without access to a computer, call 1-877-888-3337 (TTY, 1-877-889-5680).

The Federal Long Term Care Insurance Program – *FLTCIP*

It's important protection The Federal Long Term Care Insurance Program (FLTCIP) can help pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives, are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information, call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

Summary of benefits for the High Option of the Aetna Open Access Plan - 2011

- **Do not rely on this chart alone.** All benefits are provided in full unless indicated and are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.
- If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.
- We only cover services provided or arranged by Plan physicians, except in emergencies.

High Option Benefits	You pay	Page
Medical services provided by physicians:		
<ul style="list-style-type: none"> • Diagnostic and treatment services provided in the office 	Office visit copay: \$20 primary care; \$35 specialist	23
Services provided by a hospital:		
<ul style="list-style-type: none"> • Inpatient 	\$250 per day up to a maximum of \$1,000 per admission	45
<ul style="list-style-type: none"> • Outpatient 	\$175 per visit	46
Emergency benefits:		
<ul style="list-style-type: none"> • In-area 	\$100 per visit	49
<ul style="list-style-type: none"> • Out-of-area 	\$100 per visit	49
Mental health and substance abuse treatment:		
Regular cost-sharing		
Prescription drugs: In no event will the copay exceed the cost of the prescription drug.		
<ul style="list-style-type: none"> • Retail Pharmacy: For up to a 30-day supply per prescription unit or refill 	\$10 copay per generic formulary drug; \$35 copay per brand name formulary drug; and \$65 copay per non-formulary drug (generic or brand name).	54
<ul style="list-style-type: none"> • Mail Order Pharmacy: For a 31-day up to a 90-day supply per prescription unit or refill 	\$20 copay per generic formulary drug; \$70 copay per brand name formulary drug; and \$130 copay per non-formulary drug (generic or brand name).	54
Dental care:		
Various copays, coinsurance, reduced fees or deductibles		
Vision care:		
\$35 copay per visit. All charges over \$100 for eyeglasses or contacts per 24 month period		

High Option Benefits	You pay	Page
Special features: Flexible benefits option, Aetna Navigator, Services for the deaf and hearing-impaired, Informed Health Line, Maternity Management Program, National Medical Excellence Program, and Reciprocity benefit.	Contact Plan at 1-800/537-9384	63-64
Protection against catastrophic costs (out-of-pocket maximum):	Nothing after \$3,000/Self Only or \$6,000/Self and Family enrollment per year. Some costs do not count toward this protection.	18

2011 Rate Information for the Aetna Open Access Plan

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the *Guide to Federal Benefits* for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the *Guide to Benefits for Career United States Postal Service Employees, RI 70-2*, and to the rates shown below.

The rates shown below do not apply to Postal Service Inspectors, Office of Inspector General (OIG) employees and Postal Service Nurses. Rates for members of these groups are published in special Guides. Postal Service Inspectors and OIG employees should refer to the *Guide to Benefits for United States Postal Inspectors and Office of Inspector General Employees (RI 70-2IN)*. Postal Service Nurses should refer to the *Guide to Benefits for United States Postal Nurses (RI 70-2NU)*.

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *Guide to Federal Benefits*.
