

# Government Employees Health Association, Inc. Benefit Plan

(800) 821-6136  
<https://www.geha.com>

## 2014

### A fee-for-service high deductible health plan with a preferred provider organization

This plan's health coverage qualifies as minimum essential coverage and meets the minimum value standard for the benefits it provides. See page 7 for details.

#### IMPORTANT

- Rates: Back Cover
- Changes for 2014: Page 14
- Summary of benefits: Page 113

Sponsored and administered by:

Government Employees Health Association, Inc.

**Who may enroll in this Plan:** All Federal employees and annuitants who are eligible to enroll in the Federal Employees Health Benefits Program may become members of GEHA. You must be, or must become a member of Government Employees Health Association, Inc.

**To become a member:** You join simply by signing a completed Standard Form 2809, Health Benefits Registration Form, evidencing your enrollment in the Plan.

**Membership dues:** There are no membership dues for the Year 2014.

Enrollment codes for this Plan:

**341 High Deductible Health Plan  
(HDHP) - Self Only**

**342 High Deductible Health Plan  
(HDHP) - Self and Family**

**URAC accreditation:** Health Network Accredited for the Connection Dental® Network

**URAC UM accreditation:** InforMed for Health Utilization Management

**NCQA accreditation:** Healthcare Effectiveness Data and Information Set (HEDIS) Audit

**JCAHO accreditation:** Home Care - Dispensing Pharmacy

Authorized for distribution by the:

United States  
Office of Personnel Management

Healthcare and Insurance

## **Important Notice from Government Employees Health Association, Inc. About**

### **Our Prescription Drug Coverage and Medicare**

OPM has determined that the Government Employees Health Association, Inc. prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

---

### **Please be advised**

---

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15th through December 7th) to enroll in Medicare Part D.

### **Medicare's Low Income Benefits**

*For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call the SSA at (800) 772-1213, TTY: (800) 325-0778.*

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

Visit [www.medicare.gov](http://www.medicare.gov) for personalized help,

Call (800) MEDICARE (800) 633-4227, TTY: (877) 486-2048.

## Introduction

---

This brochure describes the benefits of **Government Employees Health Association, Inc.** under our contract (CS 1063) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. This Plan is underwritten by Government Employees Health Association, Inc. Customer service may be reached at (800) 821-6136 or through our website: [www.geha.com](http://www.geha.com). The address for the Government Employees Health Association, Inc. administrative offices is:

Government Employees Health Association, Inc.  
P.O. Box 4665  
Independence, Missouri 64051-4665

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2014, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2014, and changes are summarized on page 14. Rates are shown at the end of this brochure.

Coverage under this plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at [www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision](http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision) for more information on the individual requirement for MEC.

The ACA establishes a minimum value for the standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). The health coverage of this plan does meet the minimum value standard for the benefits the plan provides.

---

## Plain Language

---

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples:

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means Government Employees Health Association, Inc.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

---

## Stop Health Care Fraud!

---

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

**Protect Yourself From Fraud** – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care provider, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Periodically review your claims history for accuracy to ensure we have not been billed for services that you did not receive.

- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
  - Call the provider and ask for an explanation. There may be an error.
  - If the provider does not resolve the matter, call us at (800) 821-6136 and explain the situation.
  - If we do not resolve the issue:

**CALL - THE HEALTH CARE FRAUD HOTLINE  
877-499-7295**

**OR go to**

**[www.opm.gov/about-us/our-inspector-general](http://www.opm.gov/about-us/our-inspector-general)**

**You can also write to:**

**United States Office of Personnel Management  
Office of the Inspector General Fraud Hotline  
1900 E Street NW Room 6400  
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
  - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
  - Your child over age 26 (unless he/she was disabled and incapable of self-support prior to age 26).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include, falsifying a claim to obtain FEHB benefits, trying to or obtaining service or coverage for yourself or for someone else who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

---

## **Preventing Medical Mistakes**

---

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

### **1. Ask questions if you have doubts or concerns.**

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

### **2. Keep and bring a list of all the medicines you take.**

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines and dosage that you take, including non-prescription (over-the-counter) medicines and nutritional supplements.
- Tell your doctor and pharmacist about any drug, food, and other allergies you have such as latex.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

### **3. Get the results of any test or procedure.**

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

### **4. Talk to your doctor about which hospital is best for your health needs.**

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

### **5. Make sure you understand what will happen if you need surgery.**

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
  - "Exactly what will you be doing?"
  - "About how long will it take?"
  - "What will happen after surgery?"
  - "How can I expect to feel during recovery?"
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications or nutritional supplements you are taking.

### **Patient Safety Links**

- [www.ahrq.gov/consumer/](http://www.ahrq.gov/consumer/). The Agency for Healthcare Research and Quality makes available a wide-ranging list of topics not only to inform consumers about patient safety but to help choose quality health care providers and improve the quality of care you receive.
- [www.npsf.org](http://www.npsf.org). The National Patient Safety Foundation has information on how to ensure safer health care for you and your family.
- [www.talkaboutrx.org](http://www.talkaboutrx.org). The National Council on Patient Information and Education is dedicated to improving communication about the safe, appropriate use of medicines.
- [www.leapfroggroup.org](http://www.leapfroggroup.org). The Leapfrog Group is active in promoting safe practices in hospital care.
- [www.ahqa.org](http://www.ahqa.org). The American Health Quality Association represents organizations and health care professionals working to improve patient safety.

## **Never Events**

You will not be billed for inpatient services related to treatment of specific hospital acquired conditions or for inpatient services needed to correct "Never Events", if you use Arizona Foundation for Medical Care, FCHN, Freedom Network, or Providence Preferred Providers. This policy helps to protect you from preventable medical errors and improve the quality of care you receive.

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that encourages hospitals to reduce the likelihood of avoidable complications and hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen called "Never Events". When an avoidable complication or "Never Event" occurs, neither your FEHB plan nor you will incur cost to correct the medical error.

---

## FEHB Facts

---

### Coverage information

- **No pre-existing condition limitation**

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.
- **Minimum essential coverage (MEC)**

Coverage under this plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at [www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision](http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision) for more information on the individual requirement for MEC.
- **Minimum value standard**

The ACA establishes a minimum value for the standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). The health coverage of this plan does meet the minimum value standard for the benefits the plan provides.
- **Where you can get information about enrolling in the FEHB Program**

See [www.opm.gov/healthcare-insurance/healthcare/plan-information](http://www.opm.gov/healthcare-insurance/healthcare/plan-information) for enrollment information as well as:

  - Information on the FEHB Program and plans available to you;
  - A health plan comparison tool;
  - A list of agencies who participate in Employee Express;
  - A link to Employee Express; and
  - Information on and links to other electronic enrollment systems.

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- What happens when your enrollment ends; and
- When the next Open Season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

- **Types of coverage available for you and your family**

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster children authorized for coverage by your employing agency or retirement office.

Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately of changes in family member status including your marriage, divorce, annulment, or when your child reaches age 26.

**If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.**

If you have a qualifying life event (QLE) – such as marriage, divorce, or the birth of a child – outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLEs, visit the FEHB website at [www.opm.gov/healthcare-insurance/life-events](http://www.opm.gov/healthcare-insurance/life-events). If you need assistance, please contact your employing agency, Tribal Benefits Officer, personnel/payroll office, or retirement office.

• **Family Member Coverage**

Family members covered under your Self and Family enrollment are your spouse (including a valid common law marriage) and children as described in the chart below.

Children	Coverage
Natural, adopted children, and stepchildren	Natural, adopted children and stepchildren are covered until their 26 <sup>th</sup> birthday.
Foster Children	Foster children are eligible for coverage until their 26 <sup>th</sup> birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all the requirements. Contact your human resources office or retirement system for additional information.
Children Incapable of Self-Support	Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
Married Children	Married children (but <b>NOT</b> their spouse or their own children) are covered until their 26 <sup>th</sup> birthday.
Children with or eligible for employer-provided health insurance	Children who are eligible for or have their own employer-provided health insurance are covered until their 26 <sup>th</sup> birthday.

You can find additional information at [www.opm.gov/healthcare-insurance](http://www.opm.gov/healthcare-insurance).

• **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;

- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

• **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2014 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2013 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

• **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

**When you lose benefits**

• **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC).

- **Upon divorce**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, [www.opm.gov/healthcare-insurance](http://www.opm.gov/healthcare-insurance).
- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, Tribal employment, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 26, regardless of marital status, etc.

You may not elect TCC if you are fired from your Federal or Tribal job due to gross misconduct.

**Enrolling in TCC.** Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from [www.opm.gov/healthcare-insurance](http://www.opm.gov/healthcare-insurance). It explains what you have to do to enroll.

We also want to inform you that the Patient Protection and Affordable Care Act (ACA) did not eliminate TCC or change the TCC rules.
- **Finding replacement coverage**

This Plan no longer offers its own non-FEHB plan for conversion purposes. If you would like to purchase health insurance through the Affordable Care Act's Health Insurance Marketplace, please visit [www.HealthCare.gov](http://www.HealthCare.gov). This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

In lieu of offering a non-FEHB plan for conversion purposes, we will assist you, as we would assist you in obtaining a plan conversion policy, in obtaining health benefits coverage inside or outside the Affordable Care Act's Health Insurance Marketplace. For assistance in finding coverage, please contact us at 800-821-6136 or visit our website at [www.geha.com](http://www.geha.com).
- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at [www.opm.gov/healthcare-insurance](http://www.opm.gov/healthcare-insurance); refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.
- **Health Insurance Marketplace**

If you would like to purchase health insurance through the Affordable Care Act's Health Insurance Marketplace, please visit [www.healthcare.gov](http://www.healthcare.gov). This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

---

## Section 1. How this plan works

---

This Plan is a fee-for-service (FFS) plan. You can choose your own physicians, hospitals, and other health care providers.

We reimburse you or your provider for your covered services, usually based on a percentage of the amount we allow. The type and extent of covered services, and the amount we allow, may be different from other plans. Read brochures carefully.

This Plan provides preventive services and screenings to you without any cost sharing; you may choose any available primary care provider for adult and pediatric care, and visits for obstetrical or gynecological care do not require a referral.

### **General features of our High Deductible Health Plan (HDHP)**

HDHPs have higher annual deductibles and annual out-of-pocket maximum limits than other types of FEHB plans. FEHB Program HDHPs also offer health savings accounts or health reimbursement arrangements. Please see below for more information about these savings features.

### **We have a Preferred Provider Organization (PPO)**

Our fee-for-service plan offers services through a PPO. This means that certain hospitals and other health care providers are “preferred providers”. When you use our PPO providers, you will receive covered services at reduced cost. Government Employees Health Association, Inc. is solely responsible for the selection of PPO providers in your area. Contact us for the names of PPO providers and to verify their continued participation. You can also go to our Web page, which you can reach through the FEHB Web site, [www.opm.gov/healthcare-insurance](http://www.opm.gov/healthcare-insurance). Contact Government Employees Health Association, Inc. to request a PPO directory.

We have entered into arrangements with Arizona Foundation for Medical Care; Coventry Health Care of the Carolinas, Inc.; Coventry Health Care of Georgia; FCHN in the state of Washington; First Health in the states of California, Florida and Texas; Freedom Network in the states of E/S Kansas and W Missouri; HealthAmerica Pennsylvania; Health Partners of Kansas; HealthLink in the states of Illinois and E/S Missouri; LifeTrac; MultiPlan in the states of New Jersey and New York; Nevada Preferred Provider; Private Healthcare Systems in the states of Arkansas, Connecticut, Hawaii, Indiana, Kentucky, Massachusetts, Maine, Michigan, New Hampshire, Rhode Island, and Vermont; Providence Preferred in the state of Oregon and Clark County, Washington; UnitedHealthcare in the states of Alabama, Alaska, Colorado, Delaware, Idaho, Iowa, Louisiana, Maryland, Minnesota, Mississippi, Montana, Nebraska, New Mexico, North Dakota, Ohio, Oklahoma, South Dakota, Tennessee, Utah, Virginia, Washington DC, West Virginia, Wisconsin and Wyoming which are Preferred Providers or networks of hospitals and/or doctors in all states. The doctors and hospitals participating in these networks have agreed to provide services to Plan members. You always have the right to choose a PPO provider or a non-PPO provider for medical treatment.

PPO networks are now available in many metropolitan areas and additional coverage areas will be added throughout the year. Enrollees residing in a PPO network area may request a directory of the PPO providers in their service area. These providers are required to meet licensure and certification standards established by State and Federal authorities, however, inclusion in the network does not represent a guarantee of professional performance nor does it constitute medical advice. To locate a participating provider in your area, call (800) 296-0776 or visit the GEHA Web site at [www.geha.com](http://www.geha.com). When you phone for an appointment, please remember to verify that the physician is still a PPO provider.

The non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If no PPO provider is available, or you do not use a PPO provider, the standard non-PPO benefits apply. However, if the services are rendered at a PPO hospital, we will pay up to the Plan allowable for services of radiologists, anesthesiologists, emergency room physicians, hospitalists, neonatologists and pathologists who are not preferred providers at the preferred provider rate. In addition, providers outside the United States will be paid at the PPO level of benefits.

## **Georgia, North Carolina, Pennsylvania and South Carolina**

We have entered into an agreement with Coventry Health Care, Inc. Coventry's open access health network will be available to our members. Benefits described above will be the same. You have the right to choose in network or out-of-network providers for your care. By receiving care from an in-network provider, you receive a higher level of benefit coverage. Also, in-network providers will file claims for you and are responsible for obtaining any needed precertifications required by the Plan. Out-of-network providers, unlike your in-network providers, are not obligated to obtain any needed certifications and therefore the member is responsible for obtaining the certification. In the local markets, Coventry is referred to as Coventry Health Care of the Carolinas, Inc., Coventry Health Care of Georgia and HealthAmerica Pennsylvania or HAPA. Members still call GEHA for all concerns or questions.

### **How we pay providers**

Fee-for-service plans reimburse you or your provider for covered services. They do not typically provide or arrange for health care. Fee-for-service plans let you choose your own physicians, hospitals and other health care providers.

The FFS plan reimburses you for your health care expenses, usually on a percentage basis. These percentages, as well as deductibles, methods for applying deductibles to families and the percentage of coinsurance you must pay vary by plan.

We offer a preferred provider organization (PPO) arrangement. This arrangement with health care providers gives you enhanced benefits or limits your out-of-pocket expenses.

We reserve the right to audit medical expenses to ensure that the provider's billed charges match the services that you received.

### **Preventive care services**

Preventive care services are generally covered with no cost-sharing and are not subject to coinsurance, deductibles or annual limits when received from a network provider.

### **Annual deductible**

The annual deductible is \$1,500 for Self only enrollment and \$3,000 for Self and Family enrollment. The annual deductible must be met before Plan benefits are paid for care other than preventive care services.

### **Health Savings Account (HSA)**

You are eligible for an HSA if you are enrolled in an HDHP, not covered by any other health plan that is not an HDHP (including a spouse's health plan, but does not include specific injury insurance and accident, disability, dental care, vision care, or long-term coverage), not enrolled in Medicare, not have received VA Indian Health Services (HIS) benefits within the last three months, not covered by your own or your spouse's flexible spending account (FSA), and are not claimed as a dependent on someone else's tax return.

- You may use the money in your HSA to pay all or a portion of the annual deductible, coinsurance, or other out-of-pocket costs that meet the IRS definition of a qualified medical expense.
- Distributions from your HSA are tax-free for qualified medical expenses for you, your spouse, and your dependents, even if they are not covered by an HDHP.
- You may withdraw money from your HSA for items other than qualified medical expenses, but it will be subject to income tax and, if you are under 65 years old, an additional 20% penalty tax on the amount withdrawn.
- For each month that you are enrolled in an HDHP and eligible for an HSA, the HDHP will pass through (contribute) a portion of the health plan premium to your HSA. In addition, you (the account holder) may contribute your own money to your HSA up to an allowable amount determined by IRS rules. Your HSA dollars earn tax-free interest.
- You may allow the contributions in your HSA to grow over time, like a savings account. The HSA is portable – you may take the HSA with you if you leave the Federal government or switch to another plan.

## **Health Reimbursement Arrangement (HRA)**

If you are not eligible for an HSA, or become ineligible to continue an HSA, you are eligible for a Health Reimbursement Arrangement (HRA). Although an HRA is similar to an HSA, there are major differences.

- An HRA does not earn interest.
- An HRA is not portable if you leave the Federal government or switch to another plan.

## **Catastrophic protection**

We protect you against catastrophic out-of-pocket expenses for covered services. Your annual out-of-pocket expenses for covered services, including deductibles and coinsurance, cannot exceed \$5,000 for Self Only enrollment, or \$10,000 family coverage.

## **Health education resources and accounts management tools**

Our Web site at [www.geha.com](http://www.geha.com) offers access to the Health e-Report® Newsletter and our Wellness Center for information on general health topics, health care news, cancer and other specific diseases, drugs/medication interactions, children's health and patient safety information.

You will find facts and frequently asked questions about health savings accounts and health reimbursement arrangements on our Web site at [www.geha.com](http://www.geha.com). You can access your HSA and HRA account balance in addition to complete claim payment history through our Web site.

## **Your rights**

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM's FEHB Web site ([www.opm.gov/healthcare-insurance](http://www.opm.gov/healthcare-insurance)) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Government Employees Health Association, Inc. was founded in 1937 as the Railway Mail Hospital Association. For over 75 years, GEHA has provided health insurance benefits to federal employees and retirees.
- GEHA is incorporated as a General Not-For-Profit Corporation pursuant to Chapter 355 of the Revised Statutes of the State of Missouri.
- GEHA's provider network includes more than 6,000 hospitals and one million in-network physician locations throughout the United States. In circumstances where there is limited access to network providers, GEHA may negotiate discounts with some providers, which will reduce your overall out-of-pocket expenses.

If you want more information about us, call (800) 821-6136, or write to GEHA, P. O. Box 4665, Independence, MO 64051-4665. You may also contact us by fax at (816) 257-3233 or visit our Web site at [www.geha.com](http://www.geha.com).

## **Your medical and claims records are confidential**

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

---

## Section 2. Changes for 2014

---

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

### **Program-wide changes for 2014**

- Montana and South Dakota were designated as Medically Underserved Area in 2013, but will not be so designated for 2014. See page 16.

### **Changes to this Plan**

- This plan no longer offers a non-FEHB plan for conversion purposes. See Finding replacement coverage on 10.
- Your share of the non-Postal premium will increase 5% for Self only and increase 5% for Self and Family (see back cover).
- Vitamin D supplements, with a prescription, are now covered for patients age 65 and older. See page 38.
- When you participate in the GEHA Health Rewards program, you will receive a \$50 gift card for completing an online health assessment. Complete online activities to earn another 50 points (equivalent to \$50) redeemable for merchandise. See page 83.
- Hospitalists and neonatologists are included in the list of non-PPO providers paid up to the plan allowable in PPO hospitals. See page 11.
- There will be a combined limit of 60 visits per person per year for physical, occupational and speech therapy. See page 49.
- Your coinsurance for a medical emergency is 5% of the Plan allowance both in-network and out-of-network. See page 71.
- Adjunctive procedures performed by a chiropractor, such as ultrasound and electrical muscle stimulation, will be covered. See page 54.

### **We have clarified the following:**

- 3D mammograms are not considered routine screening tests. See page 38.
- More specific language about biometric screenings has been added under Preventive Care. See page 38.
- Under Special features, we list together all plan services for obesity screening and management. See page 84.
- GEHA maternity program materials are now available online. See page 83.
- Phone therapy, including therapy by remote connection, such as Skype™, has been added to the list of what's not covered. See page 88.
- We now list co-morbid conditions that must be present to qualify for surgical treatment of obesity (bariatric surgery) See page 56.
- Back and spine surgeries must be pre-authorized. Call GEHA before receiving treatment. See page 21.
- Electroconvulsive therapy (ECT) must be pre-authorized. Call GEHA before receiving treatment. See page 21.
- We may review X-rays and treatment records before oral surgery to treat a dental accidental injury. See page 59.
- UnitedHealthcare has replaced the SuperMed Network in the state of Ohio. See page 11.
- For organ and tissue transplants, donor screening tests and donor search expenses are covered for up to four potential donors. See page 62.
- Allogeneic transplants are covered for severe or very severe aplastic anemia. See page 61.
- Aggressive non-Hodgkins lymphomas (Mantle Cell lymphoma, adult T-cell leukemia/lymphoma, peripheral T-cell lymphomas and aggressive Dendritic Cell neoplasms) are included on the list of blood and marrow stem cell transplants that are not subject to review for medical necessity. See page 61.

- The mailing address and web address have been updated for our mail order pharmacy, Express Scripts. New contact information can be found in this brochure and on your GEHA ID card. The Medco Pharmacy is part of the Express Scripts family of pharmacies. (see Section 5(f) )
- More specific language about medical necessity has been added under Definitions. See page 105.
- Clark County, WA, is noted as an area covered by the Providence Preferred provider network. See page 11.
- We no longer cover double contrast barium enema as a preventive service. See page 38 for a list of covered preventive services.

---

## Section 3. How you get care

---

### Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at (800) 821-6136 or write to us at GEHA, P. O. Box 4665, Independence, MO 64051-4665. You may also request replacement cards through our Web site: [www.geha.com](http://www.geha.com).

### Where you get covered care

You can get care from any “covered provider” or “covered facility”. How much we pay – and you pay – depends on the type of covered provider or facility you use and who bills for the covered services. If you use our preferred providers, you will pay less.

#### • Covered providers

We consider the following to be covered providers when they perform services within the scope of their license or certification:

A licensed doctor of medicine (M.D.) or a licensed doctor of osteopathy (D.O.). Other covered providers include a chiropractor; nurse midwife; nurse anesthetist; audiologist; dentist; optometrist; licensed clinical social worker; licensed clinical psychologist; licensed professional counselor; licensed marriage and family therapist; podiatrist; speech, physical and occupational therapist; nurse practitioner/clinical specialist; nursing school administered clinic; physician assistant; registered nurse first assistants; certified surgical assistants; Christian Science practitioner; and a dietician with state licensure or statutory certification.

The term “doctor” includes all of these providers when the services are performed within the scope of their license or certification.

**Medically underserved areas.** Note: We cover any licensed medical practitioner for any covered service performed within the scope of that license in the states OPM determines are “medically underserved”. For 2014, the states are: Alabama, Arizona, Idaho, Illinois, Louisiana, Mississippi, Missouri, New Mexico, North Dakota, Oklahoma, South Carolina, and Wyoming.

#### • Covered facilities

Covered facilities include:

- Freestanding ambulatory facility

- (1) A facility which is licensed by the state as an ambulatory surgery center or has Medicare certification as an ambulatory surgical center, has permanent facilities and equipment for the primary purpose of performing surgical and/or renal dialysis procedures on an outpatient basis; provides treatment by or under the supervision of doctors and nursing services whenever the patient is in the facility; does not provide inpatient accommodations; and is not, other than incidentally, a facility used as an office or clinic for the private practice of a doctor or other professional.
- (2) Ambulatory Surgical Facilities in the state of California do not require a license if they are physician owned. To be covered these facilities must be accredited by one of the following: AAAHC (Accreditation Association for Ambulatory Health Care), AAAASF (American Association for Accreditation for Ambulatory Surgery Facilities), IMQ (Institute for Medical Quality) or JCAHO (Joint Commission on Accreditation of Healthcare Organizations).

- Christian Science nursing organization/facilities that are accredited by The Commission for Accreditation of Christian Science Nursing Organization/Facilities Inc.
- Hospice -

A facility which meets all of the following:

- (1) Primarily provides inpatient hospice care to terminally ill persons;
  - (2) Is certified by Medicare as such, or is licensed or accredited as such by the jurisdiction it is in;
  - (3) Is supervised by a staff of M.D.'s or D.O.'s, at least one of whom must be on call at all times;
  - (4) Provides 24 hour a day nursing services under the direction of an R.N. and has a full-time administrator; and
  - (5) Provides an ongoing quality assurance program.
- Skilled Nursing Facility licensed by the state or Medicare certified if the state does not license these facilities. See limitations on page 68.
  - Hospital
    - (1) An institution which is accredited as a hospital under the Hospital Accreditation Program of the Joint Commission on Accreditation of Healthcare Organizations (JCAHO); or
    - (2) A medical institution which is operated pursuant to law, under the supervision of a staff of doctors, and with 24 hour a day nursing service, and which is primarily engaged in providing general inpatient acute care and treatment of sick and injured persons through medical, diagnostic, and major surgical facilities, all of which facilities must be provided on its premises or have such arrangements by contract or agreement; or
    - (3) An institution which is operated pursuant to law, under the supervision of a staff of doctors and with 24 hour a day nursing service and which provides services on the premises for the diagnosis, treatment, and care of persons with mental/substance abuse disorders and has for each patient a written treatment plan which must include diagnostic assessment of the patient and a description of the treatment to be rendered and provides for follow-up assessments by or under the direction of the supervising doctor.

The term hospital does not include a convalescent home or skilled nursing facility, or any institution or part thereof which: a) is used principally as a convalescent facility, nursing facility, or facility for the aged; b) furnishes primarily domiciliary or custodial care, including training in the routines of daily living; or c) is operating as a school.

#### • **Transitional care**

**Specialty care:** If you have a chronic or disabling condition and

- lose access to your specialist because we drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB plan, or
- lose access to your PPO specialist because we terminate our contract with your specialist for reasons other than for cause,

you may be able to continue seeing your specialist and receiving any PPO benefits for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your PPO specialist based on the above circumstances, you can continue to see your specialist and your PPO benefits continue until the end of your postpartum care, even if it is beyond the 90 days.

- **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at (800) 821-6136. If you are new to the FEHB Program, we will reimburse you for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center;
- the day your benefits from your former plan run out; or
- the 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

- **You need prior Plan approval for certain services**

The pre-service claim approval processes for inpatient hospital admissions (called precertification) and for other services, are detailed in this Section. A **pre-service claim** is any claim, in whole or in part, that requires approval from us in advance of obtaining medical care or services. In other words, a pre-service claim for benefits (1) requires precertification, prior approval or a referral and (2) will result in a reduction of benefits if you do not obtain precertification, prior approval or a referral.

- **Inpatient hospital admission (including Skilled Nursing Facility, Long Term Acute Care or Rehabilitation Facility)**

**Precertification** is the process by which – prior to your inpatient hospital admission – we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition. Unless we are misled by the information given to us, we won't change our decision on medical necessity.

In most cases, your physician or hospital will take care of requesting precertification. Because you are still responsible for ensuring that your care is precertified, you should always ask your physician or hospital whether they have contacted us.

**Warning:**

We will reduce our benefits for the inpatient hospital stay, Long Term Acute Care stay or Rehabilitation Facility stay by \$500 if no one contacts us for precertification. If the stay is not medically necessary, we will only pay for any covered medical services and supplies that are otherwise payable on an outpatient basis.

We will reduce our benefits for the Skilled Nursing Facility stay if no one contacts us for precertification. If the stay is not medically necessary we will not pay any benefits.

**Exceptions:**

You do not need precertification in these cases:

- You are admitted to a hospital outside the United States;
- You have another group health insurance policy that is the primary payor for the hospital stay; or
- Medicare Part A is the primary payor for the hospital stay.

Note: If you exhaust your Medicare hospital benefits and do not want to use your Medicare lifetime reserve days, then we will become the primary payor and you **do** need precertification.

**How to precertify an admission to a hospital, Skilled Nursing Facility, Long Term Acute Care or Rehabilitation Facility**

**First**, you, your representative, your physician or your hospital must call InforMed (Medical Management Service – IMMS) before admission or services requiring prior authorization are rendered. The toll-free number is (800) 242-1025. For admissions to Skilled Nursing Facilities, Long Term Acute Care Facilities, or Rehabilitation Facilities please call OrthoNet to precertify at (877) 304-4419. For all admissions except mental health/substance abuse in the state of Georgia, call Coventry Health Care of Georgia. The toll-free number is (800) 470-2004. For all admissions except mental health/substance abuse in the states of North Carolina and South Carolina, call Coventry Health Care of the Carolinas, Inc. The toll-free number is (800) 708-9355. For all admissions except mental health/substance abuse in the state of Pennsylvania, call HealthAmerica Pennsylvania. The toll-free number is (800) 755-1135. (For mental health/substance abuse precertification, call InforMed toll-free at (800) 242-1025.) See Section 5(e) *Mental health and substance abuse benefits*.

Next, provide the following information:

- enrollee's name and plan identification number;
- patient's name, birth date, and phone number;
- reason for hospitalization, proposed treatment, or surgery;
- name and phone number of admitting doctor;
- name of hospital or facility; and
- number of planned days of confinement.

We will then tell the doctor and/or hospital the number of approved inpatient days and we will send written confirmation of our decision to you, your doctor, and the hospital.

• **Non-urgent care claims**

For non-urgent care claims, we will tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim.

If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original 15 day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

• **Urgent care claims**

If you have an **urgent care claim** (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether it is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to provide notice of the specific information we need to complete our review of the claim. We will allow you up to 48 hours from the receipt of this notice to provide the necessary information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at (800) 821-6136. You may also call OPM's Health Insurance at (202) 606-3818 between 8 a.m. and 5 p.m. Eastern Time to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, then call us at (800) 821-6136. If it is determined that your claim is an urgent care claim, we will expedite our review (if we have not yet responded to your claim).

- **Concurrent care claims**

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment before the end of the approved period of time or number of treatments as an appealable decision. This does not include reduction or termination due to benefit changes or if your enrollment ends. If we believe a reduction or termination is warranted we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

- **Emergency inpatient admission**

If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must telephone us within two business days following the day of the emergency admission, even if you have been discharged from the hospital. If you do not telephone the Plan within two business days, penalties may apply - see *Warning* under *Inpatient hospital admission* earlier in this Section and *If your hospital stay needs to be extended* below.

- **Maternity care**

You do not need precertification of a maternity admission for a routine delivery. However, if your medical condition requires you to stay more than 48 hours after a vaginal delivery or 96 hours after a cesarean section, then your physician or the hospital must contact us for precertification of additional days. Further, if your baby stays after you are discharged, then your physician or the hospital must contact us for precertification of additional days for your baby.

**NICU cases**

Confinements of infants in the neonatal care unit at any level must be reported to GEHA. GEHA, in collaboration with Alere, will review NICU cases, and assign a level of care based on the infant's acuity and consistent with TIOP (March of Dimes report Toward Improving the Outcome of Pregnancy), the 2004 AAP (American Academy of Pediatrics) statement regarding hospital levels of care and NUBC (National Uniform Billing Committee). The facility is notified of the assigned level of care at the time the case is first reviewed and when a change occurs. If the facility bills for a higher level of care than is approved, you will be responsible for the difference between the higher level of care charge and the lower approved level of care charge.

- **If your hospital stay needs to be extended**

If your hospital stay - including for maternity care - needs to be extended, you, your representative, your doctor or the hospital must ask us to approve the additional days. If you remain in the hospital beyond the number of days we approved and did not get the additional days precertified, then:

- For the part of the admission that was medically necessary, we will pay inpatient benefits, but,

- For the part of the admission that was not medically necessary, we will pay only medical services and supplies otherwise payable on an outpatient basis and will not pay inpatient benefits.

• **Other services**

Some surgeries and procedures, services and equipment require a referral, precertification, or prior authorization. You need to call us at (800) 821-6136 before receiving treatment for care such as:

- ACI (Autologous Cultured Chondrocytes), also called Genzyme tissue repair (or Carticel) for knee cartilage damage;
- Abdominoplasty/ diastasis recti repair/ panniculectomy;
- Back/spine surgeries;
- Botox injections;
- Breast reconstruction except immediate reconstruction for diagnosis of cancer;
- Certain prescription drugs;
- Chronic dialysis provided at a dialysis unit, outpatient hospital facility or in the home;
- Coma stimulation;
- Cosmetic procedures including: blepharoplasty or any other type of eyelid surgery, brow lift, liposuction, and scar revision;
- Durable medical equipment (DME);
- ECT (electroconvulsive therapy);
- Epidural injections;
- Experimental/ investigation surgery or treatment;
- FACET injections;
- Genetic testing;
- Growth hormone therapy (GHT);
- Gynecomastia-cosmetic (see mammoplasty);
- Injectable drugs for arthritis, psoriasis or hepatitis;
- Injectable hematopoietic drugs (drugs for anemia, low white blood count);
- Inpatient hospital mental health and substance abuse benefits, inpatient care at residential treatment centers and outpatient intensive day treatment;
- Intrathecal pump insertion for pain management (morphine pump, baclofen pump);
- Mammoplasty, reduction (unilateral/ bilateral);
- Mastectomy performed prophylactically;
- Morbid obesity surgeries;
- Non-Surgical outpatient cancer treatment, including chemotherapy and radiation;
- Organ and tissue transplant procedures;
- Orthognathic surgery (jaw), including TMJ;
- Physical, occupational and speech therapy;
- Psychological testing;
- Rhinoplasty-no prior approval for septoplasty;
- Surgical correction of congenital anomalies;
- Surgical treatment of hyperhidrosis (benefits will not be approved unless alternative therapies such as botox injections or topical aluminum chloride and pharmacotherapy have been unsuccessful);
- Sympathectomy by thoracoscopy or laparoscopy;

- Transplants, except kidney or cornea;
- UPPP Uvulopalatopharyngoplasty;
- Ventricular assistive device (VAD) including post hospital device supplies; and
- Other surgeries, as identified by the Plan.

• **Radiology/Imaging procedures precertification**

Radiology precertification is the process by which prior to scheduling specific imaging procedures we evaluate the medical necessity of your proposed procedure to ensure the appropriate procedure is being requested for your condition. In most cases your physician will take care of precertification. Because you are still responsible for ensuring that we are asked to precertify your procedure, you should ask your doctor to contact us.

The following outpatient radiology services need to be precertified:

- CT - Computerized Axial Tomography;
- MRI - Magnetic Resonance Imaging;
- MRA - Magnetic Resonance Angiography;
- NC - Nuclear Cardiac Imaging Studies; and
- PET – Positron Emission Tomography.

**How to precertify a radiology/imaging procedure:**

For outpatient CT, MRI, MRA, NC and PET studies, you, your representative or your doctor must call MedSolutions before scheduling the procedure. Once you have received precertification approval, see below for scheduling services. The toll free number is (866) 879-8317. For the state of Georgia, call Coventry Health Care of Georgia. The toll-free number is (800) 470-2004. For the states of North Carolina and South Carolina, call Coventry Health Care of the Carolinas, Inc. The toll-free number is (800) 708-9355. For the state of Pennsylvania, call HealthAmerica Pennsylvania. The toll-free number is (800) 755-1135. Provide the following information: patient's name, plan identification number, birth date, requested procedure and clinical support for request, name and telephone number of ordering provider, and name of requested imaging facility.

After you obtain precertification from MedSolutions, you may be contacted by US Imaging. US Imaging offers a voluntary appointment scheduling program for your advanced diagnostic imaging tests. After your scan has been precertified, US Imaging will contact you, or you may call (877) 904-3877.

US Imaging does not schedule services for members with Medicare A& B primary or Medicare Part B only. US Imaging does not schedule services in states where GEHA contracts with the Coventry and FCHN provider networks.

**Exceptions:**

You do not need precertification in these cases:

- You have another health insurance policy that is the primary payor including Medicare Part A & B or Part B only;
- The procedure is performed outside the United States;
- You are an inpatient in a hospital; or
- The procedure is performed as an emergency.

**Warning:**

We will reduce our benefits for these procedures by \$100 if no one contacts us for precertification. If the procedure is not medically necessary, we will not pay any benefits.

• **If your treatment needs to be extended**

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

**If you disagree with our pre-service claims decision**

If you have a **pre-service claim** and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below.

If you have already received the service, supply, or treatment, then you have a **post-service claim** and must follow the entire disputed claims process detailed in Section 8.

- **To reconsider a non-urgent care claim**

Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we receive your written request for reconsideration to:

1. Precertify your hospital stay or, if applicable, arrange for the health care provider to give you the care or grant your request for prior approval for a service, drug, or supply; or
2. Ask you or your provider for more information.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3. Write to you and maintain our denial.

- **To reconsider an urgent care claim**

In the case of an appeal of a pre-service urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

Subject to a request for additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will expedite the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.

- **To file an appeal with OPM**

After we reconsider your pre-service claim, if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

---

## Section 4. Your costs for covered services

---

This is what you will pay out-of-pocket for your covered care:

<b>Coinsurance</b>	<p>Coinsurance is the percentage of our allowance that you must pay for your care. Coinsurance doesn't begin until you meet your deductible. We will base this percentage on either the billed charge or the Plan allowance, whichever is less.</p> <p>Example: Under the HDHP, you pay 25% of our allowance for non-PPO office visits.</p>
<b>Cost-sharing</b>	<p>Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible and coinsurance) for the covered care you receive.</p>
<b>Deductible</b>	<p>A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for them. Coinsurance amounts do not count toward any deductible. When a covered service or supply is subject to a deductible, only the Plan allowance for the service or supply counts toward the deductible.</p> <p>The calendar year deductible is \$1,500 for Self Only enrollment and \$3,000 for Self and Family enrollment under HDHP. After the deductible amount is satisfied for an individual, covered services are payable for that individual. Under the Self and Family enrollment, all family members' deductibles are considered to be satisfied when the family members' deductibles are combined and reach \$3,000 under HDHP.</p> <p>If the billed amount (or the Plan allowance that providers we contract with have agreed to accept as payment in full) is less than the remaining portion of your deductible, you pay the lower amount.</p> <p>Example: If the billed amount is \$100, the provider has an agreement with us to accept \$80, and you have not paid any amount toward meeting your calendar year deductible, you must pay \$80. We will apply \$80 to your deductible. We will begin paying benefits once the remaining portion of your calendar year deductible (\$1,500 for Self Only and \$3,000 for Self and Family) has been satisfied.</p> <p>Note: If you change plans during Open Season and the effective date of your new plan is after January 1 of the next year, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.</p> <p>If you change options in this Plan during the year, we will credit the amount of covered expenses already applied toward the deductible of your old option to the deductible of your new option.</p>
<b>If your provider routinely waives your cost</b>	<p>If your provider routinely waives (does not require you to pay) your deductibles or coinsurance, the provider is misstating the fee and may be violating the law. In this case, when we calculate our share, we will reduce the provider's fee by the amount waived.</p> <p>For example, if your physician ordinarily charges \$100 for a service but routinely waives your 25% coinsurance, the actual charge is \$75. We will pay \$56.25 (75% of the actual charge of \$75).</p>
<b>Waivers</b>	<p>In some instances, a provider may ask you to sign a "waiver" prior to receiving care. This waiver may state that you accept responsibility for the total charge for any care that is not covered by your health plan. If you sign such a waiver, whether you are responsible for the total charge depends on the contracts that the Plan has with its providers. If you are asked to sign this type of waiver, please be aware that, if benefits are denied for the services, you could be legally liable for the related expenses. If you would like more information about waivers, please contact us at (800) 821-6136, or write to GEHA, P. O. Box 4665, Independence, MO 64051-4665.</p>

## Differences between our allowance and the bill

Our “Plan allowance” is the amount we use to calculate our payment for covered services. Fee-for-service plans arrive at their allowances in different ways, so their allowances vary. For more information about how we determine our Plan allowance, see the definition of Plan allowance in Section 10.

Often, the provider’s bill is more than a fee-for-service plan’s allowance. Whether or not you have to pay the difference between our allowance and the bill will depend on the provider you use.

- **PPO providers** agree to limit what they will bill you. Because of that, when you use a preferred provider, your share of covered charges consists only of your deductible and coinsurance. Here is an example about coinsurance: You see a PPO physician who charges \$150, but our allowance is \$100. If you have met your deductible, you are only responsible for your coinsurance. That is, with HDHP, you pay just – 5% of our \$100 allowance (\$5). Because of the agreement, your PPO physician will not bill you for the \$50 difference between our allowance and his/her bill.
- **Non-PPO providers**, on the other hand, have no agreement to limit what they will bill you. When you use a non-PPO provider, you will pay your deductible and coinsurance – plus any difference between our allowance and charges on the bill. Here is an example. You see a non-PPO physician who charges \$150 and our allowance is again \$100. Because you’ve met your deductible, you are responsible for your coinsurance, so with HDHP you pay 25% of our \$100 allowance (\$25). Plus, because there is no agreement between the non-PPO physician and us, the physician can bill you for the \$50 difference between our allowance and his/her bill.

The following table illustrates the examples of how much you have to pay out-of-pocket, under the HDHP, for services from a PPO physician vs. a non-PPO physician. The table uses our example of a service for which the physician charges \$150 and our allowance is \$100. The table shows the amount you pay if you have met your calendar year deductible.

EXAMPLE	PPO physician	Non-PPO physician
Physician's charge	\$150	\$150
Our allowance	We set it at: 100	We set it at: 100
We pay	95% of our allowance: 95	75% of our allowance: 75
You owe: Coinsurance	5% of our allowance: 5	25% of our allowance: 25
+Difference up to charge?	No: 0	Yes: 50
<b>TOTAL YOU PAY</b>	<b>\$5</b>	<b>\$75</b>

## Your catastrophic protection out-of-pocket maximum for deductibles and coinsurance

### PPO and Non-PPO

For HDHP covered medical and surgical services with coinsurance, we pay 100% of our allowable amount for the remainder of the calendar year after out-of-pocket expenses for deductibles and coinsurance exceed:

\$5,000 for Self Only or \$10,000 for Self and Family. Out-of-pocket expenses from both PPO and non-PPO providers count toward this limit. If you reach this limit, additional charges up to the Plan allowance will be paid at 100%.

Out-of-pocket expenses for this benefit are:

- The calendar year deductible of \$1,500 for Self Only or \$3,000 for Self and Family;
- The 5% coinsurance you pay for PPO charges under medical services and supplies, surgical and anesthesia services and hospital, facility, ambulance services, mental health and substance abuse services; and
- The 25% coinsurance you pay for non-PPO charges under medical services and supplies, surgical and anesthesia services and hospital, facility and ambulance services, mental health and substance abuse services and pharmacy charges at retail whether in or out-of-network and by mail.

The following cannot be counted toward catastrophic protection out-of-pocket expenses and you must continue to pay them even after your expenses exceed the limits described above:

- Expenses in excess of our allowable amount or maximum benefit limitations such as the amounts in excess of the chiropractic benefit and dental care;
- Expenses paid by GEHA for preventive care including well child care and immunizations;
- Expenses in excess of the allowable amount or maximum benefit limitations under the Supplemental Vision Care Plan;
- The difference between our allowance and the cost of drugs purchased at a non-network pharmacy;
- The 70% coinsurance for non-preferred sleep aid drugs and Proton Pump Inhibitors (PPIs); and
- Any amounts you pay because benefits have been reduced for non-compliance with our cost containment requirements (see Section 3).

**Carryover**

If you changed to this Plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

Note: If you change options in this Plan during the year, we will credit the amount of covered expenses already accumulated toward the catastrophic out-of-pocket limit of your old option to the catastrophic protection limit of your new option.

**If we overpay you**

We will make diligent efforts to recover benefit payments we made in error but in good faith. We may reduce subsequent benefit payments to offset overpayments.

**When Government facilities bill us**

Facilities of the Department of Veteran Affairs, the Department of Defense, and the Indian Health Service are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

## Section 5. High Deductible Health Plan Overview

This Plan offers a High Deductible Health Plan (HDHP). The HDHP benefit package is described in this section. Make sure that you review the benefits that are available under the benefit product in which you are enrolled.

HDHP Section 5, which describes the HDHP benefits, is divided into subsections. Please read *Important things you should keep in mind about these benefits* at the beginning of each subsection. Also read the *general exclusions* in Section 6, they apply to benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about HDHP benefits, contact us at (800) 821-6136 or on our Web site at [www.geha.com](http://www.geha.com).

Our HDHP option provides comprehensive coverage for high-cost medical events and a tax-advantaged way to help you build savings for future medical expenses. The Plan gives you greater control over how you use your health care benefits.

When you enroll in this HDHP, we establish either a Health Savings Account (HSA) or a Health Reimbursement Arrangement (HRA) for you. We automatically pass through a portion of the total health Plan premium to your HSA or credit an equal amount to your HRA based upon your eligibility. Your full annual HRA credit will be available on your effective date of enrollment. To ensure that GEHA pays for the set-up and administrative fees, it is important that you follow the instructions you receive in the mail about how to set up your HSA.

With this Plan, preventive care is covered in full if rendered by preferred providers. As you receive other non-preventive medical care, you must meet the Plan's deductible before we pay benefits according to the benefits described on page 44. You can choose to use funds available in your HSA to make payments toward the deductible, or you can pay toward your deductible entirely out-of-pocket, allowing your savings to continue to grow.

This HDHP includes five key components: savings; preventive care; traditional medical coverage health care that is subject to the deductible; catastrophic protection for out-of-pocket expenses; and health education resources and account management tools.

- **Savings**

Health Savings Accounts or Health Reimbursement Arrangements provide a means to help you pay out-of-pocket expenses (see pages 32-37 for more details).

### **Health Savings Accounts (HSA)s**

By law, HSAs are available to members who are not enrolled in Medicare, cannot be claimed as a dependent on someone else's tax return, have not received VA and/or Indian Health Services (IHS) benefits within the last three months or do not have other health insurance coverage other than another high deductible health plan. In 2014, for each month you are eligible for an HSA premium pass through, we will contribute \$62.50 per month to your HSA for a Self Only enrollment or \$125 per month for a Self and Family enrollment. In addition to our monthly contribution, you have the option to make additional tax-free contributions to your HSA, so long as total contributions do not exceed the limit established by law, which is \$3,300 for an individual and \$6,550 for a family. See maximum contribution information on pages 33-34. You can use funds in your HSA to help pay your health plan deductible. You own your HSA, so the funds can go with you if you change plans or employment.

**Federal tax tip:** There are tax advantages to fully funding your HSA as quickly as possible. Your HSA contribution payments (not GEHA's pass-through contributions) are fully deductible on your Federal tax return. By fully funding your HSA early in the year, you have the flexibility of paying medical expenses from tax-free HSA dollars or after tax out-of-pocket dollars. If you don't deplete your HSA and you allow the contributions and the tax-free interest to accumulate, your HSA grows more quickly for future expenses.

#### **HSA features include:**

- Your HSA is administered by FDIC-insured HSA Bank<sup>TM</sup>.
- Your contributions to the HSA are tax deductible.
- You may establish pre-tax HSA deductions from your paycheck to fund your HSA up to IRS limits using the same method that you use to establish other deductions (i.e., Employee Express, MyPay, etc.).
- Your HSA earns tax-free interest.

- You can make tax-free withdrawals for qualified medical expenses for you, your spouse and dependents (see IRS publication 502 for a complete list of eligible expenses).
- Your unused HSA funds and interest accumulate from year to year.
- It's portable - the HSA is owned by you and is yours to keep, even when you leave Federal employment or retire.
- When you need it, funds up to the actual HSA balance are available.

**Important consideration if you want to participate in a Health Care Flexible Spending Account (HCFSA):** If you are enrolled in this HDHP with a Health Savings Account (HSA), and start or become covered by a HCFSa (such as FSAFEDS offers – see Section 11), this HDHP cannot continue to contribute to your HSA unless it is a limited FSA (LEX HCFSa) specially designed to work with an HSA. You can use a LEX HCFSa only for eligible dental and vision expenses. Similarly, you cannot contribute to an HSA if your spouse enrolls in an HCFSa. Instead, when you inform us of your coverage in an HCFSa, we will establish an HRA for you. *The exception to this is that FSA coverage is treated as disregarded coverage during the grace period if the balance at the end of the plan year is zero.*

If you would like more information about a LEX HCFSa and/or would like to enroll in one, please call (888) 999-7893, (TTY) (800) 952-0450). You can also read more information at [www.opm.gov/healthcare-insurance/healthcare/health-savings-accounts/limited-expense-health-care-flexible-spending-account](http://www.opm.gov/healthcare-insurance/healthcare/health-savings-accounts/limited-expense-health-care-flexible-spending-account).

## Health Reimbursement Arrangements (HRA)

If you aren't eligible for an HSA, for example you are enrolled in Medicare or have another health plan, we will administer and provide an HRA instead. You must notify us that you are ineligible for an HSA.

In 2014, we will give you an HRA credit of \$750 per calendar year for a Self Only enrollment and \$1,500 per calendar year for a Self and Family enrollment. You can use funds in your HRA to help pay your health plan deductible and/or for certain expenses that don't count toward the deductible.

### HRA features include:

- For our HDHP option, the HRA is administered by GEHA
- Entire HRA credit (prorated from your effective date to the end of the plan year) is available from your effective date of enrollment
- Tax-free credit can be used to pay for qualified medical expenses for you and any individuals covered by this HDHP
- Unused credits carryover from year to year
- HRA credit does not earn interest
- HRA credit is forfeited if you leave Federal employment or switch health insurance plans
- An HRA does not affect your ability to participate in an FSAFEDS Health Care Flexible Spending Account (HCFSa). However, you must meet FSAFEDS eligibility requirements. See *Who is eligible to enroll?* in Section 11, under The Federal Flexible Spending Account Program – *FSAFEDS*.

## • Preventive care

The Plan covers preventive care services from preferred providers, such as periodic health evaluations (e.g., annual physicals), screening services (e.g., cancer screenings, cardiac screenings, and mammograms), well-child care, and child and adult immunizations. These services are covered at 100% if you use a network provider and the services are described in Section 5. *Preventive care*. Preventive care for children is covered at 100%. *You do not have to meet the deductible before using these services.*

This Plan also provides vision care benefits through EyeMed Vision Care, and provides dental coverage. *You do not have to meet the deductible before using these services.*

The calendar year deductible **does not** apply to the following services:

- Supplemental vision care through EyeMed Vision Care;
- Dental benefits (50% of Plan allowance for diagnostic and preventive services twice per person per calendar year).

• **Traditional medical coverage**

After you have paid the Plan's deductible, we pay benefits under *Traditional medical coverage* described in Section 5. The Plan typically pays 95% for in-network and 75% for out-of-network care.

**Covered services include:**

- Medical services and supplies provided by physicians and other health care professionals;
- Surgical and anesthesia services provided by physicians and other health care professionals;
- Hospital services; other facility or ambulance services;
- Emergency services/accidents;
- Mental health and substance abuse; and
- Prescription drug benefits (covered at 75%).

• **Catastrophic protection for out-of-pocket expenses**

Your annual maximum for out-of-pocket expenses (deductibles and coinsurance) for covered services is limited to \$5,000 per person or \$10,000 per family enrollment. However, certain expenses do not count toward your out-of-pocket maximum and you must continue to pay these expenses once you reach your out-of-pocket maximum (such as expenses in excess of the Plan's allowable amount or benefit maximum). Refer to Section 4, *Your catastrophic protection out-of-pocket maximum*, and Section 5, *Traditional medical coverage subject to the deductible*, for more details.

• **Health education resources and account management tools**

Section 5(h) describes the health education resources and account management tools available to you to help you manage your health care and your health care dollars.

## Section 5. Savings – HSAs and HRAs

Feature Comparison	Health Savings Account (HSA)	Health Reimbursement Arrangement (HRA) Provided when you are ineligible for an HSA
<b>Administrator</b>	The Plan will establish an HSA for you with HSA Bank™ (P. O. Box 939, Sheboygan, WI 53082-0939, toll-free (866) 471-5964, <a href="http://www.hsabank.com">www.hsabank.com</a> ), this HDHP's fiduciary (an administrator, trustee or custodian as defined by Federal tax code and approved by IRS).	GEHA (P.O. Box 168, Independence, MO 64051-0168, toll-free (800) 821-6136, <a href="http://www.geha.com">www.geha.com</a> ) is the HRA fiduciary for this Plan.
<b>Fees</b>	Set-up and monthly administrative fees are paid by the HDHP.	None
<b>Eligibility</b>	<p>Eligibility for an HSA is determined on the first day of the month coincident to or following your effective date of enrollment. GEHA will determine eligibility for a pass-through premium contribution if the member is enrolled in the HDHP on the last day of the month.</p> <p>You must:</p> <ul style="list-style-type: none"> <li>• Enroll in this HDHP;</li> <li>• Have no other health insurance coverage (does not apply to specific injury, accident, disability, dental, vision or long-term care coverage);</li> <li>• Not be enrolled in Medicare;</li> <li>• Not be claimed as a dependent on someone else's tax return;</li> <li>• Not have received VA and/or Indian Health Services (HIS) medical benefits in the last three months; and</li> <li>• Complete and return all banking paperwork.</li> </ul> <p>If you do not set up your health savings account with HSA Bank within 60 days we will enroll you in the HRA.</p>	<p>You must enroll in this HDHP.</p> <p>Eligibility is determined on the first day of the month following your effective date of enrollment and will be prorated for length of enrollment.</p> <p>If you enroll in GEHA Health Savings Advantage<sup>SM</sup> (HDHP) and do not qualify for an HSA, we will establish an HRA for you.</p> <p>If your eligibility changes mid-year, please contact GEHA.</p>

<b>Funding</b>	<p>If you are eligible for HSA contributions, a portion of your monthly health plan premium is deposited to your HSA each month. Premium pass through contributions are based on the effective date of your enrollment in the HDHP.</p> <p>In addition, you may establish pre-tax HSA deductions from your paycheck to fund your HSA up to IRS limits using the same method that you use to establish other deductions (i.e., Employee Express, MyPay, etc).</p>	<p>The entire amount of your HRA will be available to you upon your enrollment. Eligibility for the annual credit will be determined on the last day of the month following your effective date of enrollment and will be prorated for length of enrollment.</p> <p>Members leaving GEHA mid-year will be expected to return a portion of the annual contribution to GEHA only if they have filed claims against the funds (prorated based on the number of months in the Plan).</p>
<ul style="list-style-type: none"> <li>• <b>Self Only enrollment</b></li> </ul>	<p>For 2014, a monthly premium pass through of \$62.50 will be made by the HDHP directly into your HSA each month.</p>	<p>For 2014, your HRA annual credit is \$750 (prorated for mid-year enrollment).</p> <p>Members leaving GEHA mid-year will be expected to return a portion of the annual contribution to GEHA only if they have filed claims against the funds (prorated based on the number of months in the Plan).</p>
<ul style="list-style-type: none"> <li>• <b>Self and Family enrollment</b></li> </ul>	<p>For 2014 a monthly premium pass through of \$125 will be made by the HDHP directly into your HSA each month.</p>	<p>For 2014, your HRA annual credit is \$1,500 (prorated for mid-year enrollment).</p> <p>Members leaving GEHA mid-year will be expected to return a portion of the annual contribution to GEHA only if they have filed claims against the funds (prorated based on the number of months in the Plan).</p>
<b>Contributions/credits</b>	<p>The maximum that can be contributed to your HSA is an annual combination of HDHP premium pass through and enrollee contribution funds, which when combined, do not exceed the maximum contribution amount set by the IRS of \$3,300 for an individual and \$6,550 for a family.</p> <p>If you enroll during Open Season, you are eligible to fund your account up to the maximum contribution limit set by the IRS. To determine the amount you may contribute, subtract the amount the Plan will contribute to your account for the year from the maximum allowable contribution.</p>	<p>The full HRA credit will be available, subject to proration, on the effective date of enrollment. The HRA does not earn interest.</p> <p>Members leaving GEHA mid-year will be expected to return a portion of the annual contribution to GEHA only if they have filed claims against the funds (prorated based on the number of months in the Plan).</p>

	<p>You are eligible to contribute up to the IRS limit for partial year coverage as long as you maintain your HDHP enrollment for 12 months following the last month of the year of your first year of eligibility. To determine the amount you may contribute, take the IRS limit and subtract the amount the Plan will contribute to your account for the year.</p> <p>If you do not meet the 12 month requirement, the maximum contribution amount is reduced by 1/12 for any month you were ineligible to contribute to an HSA. If you exceed the maximum contribution amount, a portion of your tax reduction is lost and a 10% penalty is imposed. There is an exception for death or disability.</p> <p>You may rollover funds you have in other HSAs to this HDHP HSA (rollover funds do not affect your annual maximum contribution under this HDHP).</p> <p>HSAs earn tax-free interest (does not affect your annual maximum contribution).</p> <p>Catch-up contribution discussed on page 36.</p>	
• <b>Self Only enrollment</b>	See page 33	You cannot contribute to the HRA.
• <b>Self and Family enrollment</b>	See page 33	You cannot contribute to the HRA.
<b>Access funds</b>	<p>You can access your HSA by the following methods:</p> <ul style="list-style-type: none"> <li>• Debit card</li> <li>• Withdrawal form</li> <li>• Checks</li> <li>• Online banking</li> </ul>	For qualified medical expenses under your HDHP, you will be automatically reimbursed when claims are submitted through the HDHP. For expenses not covered by the HDHP, such as orthodontia, a reimbursement form will be sent to you upon your request, and available on our website.
<b>Distributions/ withdrawals</b> <ul style="list-style-type: none"> <li>• <b>Medical</b></li> </ul>	<p>You can pay the out-of-pocket expenses for yourself, your spouse or your dependents (even if they are not covered by the HDHP) from the funds available in your HSA.</p> <p>See IRS Publication 502 for a list of eligible medical expenses.</p>	<p>You can pay the out-of-pocket expenses for qualified medical expenses for individuals covered under the HDHP.</p> <p>Non-reimbursed qualified medical expenses are allowable if they occur after the effective date of your enrollment in this Plan.</p> <p>See <i>Availability of funds</i> below for information on when funds are available in the HRA.</p>

		See IRS Publication 502 for a list of eligible medical expenses. Physician prescribed over-the-counter drugs and Medicare premiums are also reimbursable. Most other types of medical insurance premiums are not reimbursable.
<ul style="list-style-type: none"> <li>• <b>Non-medical</b></li> </ul>	<p>If you are under age 65, withdrawal of funds for non-medical expenses will create a 20% income tax penalty in addition to any other income taxes you may owe on the withdrawn funds.</p> <p>When you turn age 65, distributions can be used for any reason without being subject to the 20% penalty, however they will be subject to ordinary income tax.</p>	<p>Not applicable – distributions will not be made for anything other than non-reimbursed qualified medical expenses.</p> <p>Medicare premiums are reimbursable.</p>
<b>Availability of funds</b>	<p>Funds are not available for withdrawal until all the following steps are completed:</p> <ul style="list-style-type: none"> <li>- Your enrollment in this HDHP is effective (effective date is determined by your agency in accordance with the event permitting the enrollment change);</li> <li>- The HDHP receives record of your enrollment and initially establishes your HSA account with the fiduciary by providing information it must furnish;</li> <li>- You complete the HSA application process either online or via paper forms and the fiduciary sends record of the account to GEHA; and</li> <li>- GEHA contributes funds by the 15th of the month following the month of your effective date.</li> </ul>	The entire amount of your HRA will be available to you upon your enrollment in the HDHP.
<b>Account owner</b>	FEHB enrollee	HDHP
<b>Portable</b>	<p>You can take this account with you when you change plans, separate or retire.</p> <p>If you do not enroll in another HDHP, you can no longer contribute to your HSA. See pages 29, 30 and 32 for HSA eligibility.</p>	<p>If you retire and remain in this HDHP, you may continue to use and accumulate credits in your HRA.</p> <p>If you terminate employment or change health plans, only eligible expenses incurred while covered under the HDHP will be eligible for reimbursement subject to timely filing requirements. Unused funds are forfeited.</p>
<b>Annual rollover</b>	Yes, accumulates without a maximum cap.	Yes, accumulates without a maximum cap.

**If you have an HSA**

- **Contributions**

All contributions are aggregated and cannot exceed the maximum contribution amount set by the IRS. You may contribute your own money to your account through payroll deductions, or you may make lump sum contributions at any time, in any amount not to exceed an annual maximum limit. If you contribute, you can claim the amount you contributed for the year as a tax deduction when you file your income taxes. Your own HSA contributions are either tax-deductible or pre-tax (if made by payroll deduction). You receive tax advantages in any case. To determine the amount you may contribute, subtract the amount the Plan will contribute to your account for the year from the maximum contribution amount set by the IRS. You have until April 15<sup>th</sup> of the following year to make HSA contributions for the current year.

If you newly enroll in an HDHP during Open Season and your effective date is after January 1st or you otherwise have partial year coverage, you are eligible to fund your account up to the maximum contribution limit set by the IRS as long as you maintain your HDHP enrollment for 12 months following the last month of the year of your first year of eligibility. If you do not meet this requirement, a portion of your tax reduction is lost and a 10% penalty is imposed. There is an exception for death or disability. Contact HSA Bank™ (P. O. Box 939, Sheboygan, WI 53082-0939, toll free (866) 471-5964, [www.hsabank.com](http://www.hsabank.com)) for more details.

- **Catch-up contributions**

If you are age 55 or older, the IRS permits you to make additional “catch-up” contributions to your HSA. The allowable catch-up contribution is \$1,000. Contributions must stop once an individual is enrolled in Medicare. Additional details are available on the U.S. Department of Treasury Web site at [www.ustreas.gov/offices/public-affairs/hsa/](http://www.ustreas.gov/offices/public-affairs/hsa/).

- **If you die**

If you do not have a named beneficiary, if you are married, it becomes your spouse’s HSA; otherwise, it becomes part of your taxable estate.

- **Qualified expenses**

You can pay for “qualified medical expenses” as defined by IRS Code 213(d). These expenses include, but are not limited to, medical plan deductibles, diagnostic services covered by your plan, long-term care premiums, health insurance premiums if you are receiving Federal unemployment compensation, **physician prescribed** over-the-counter drugs, LASIK surgery, and some nursing services.

When you enroll in Medicare, you can use the account to pay Medicare premiums or to purchase health insurance other than a Medigap policy. You may not, however, continue to make contributions to your HSA once you are enrolled in Medicare.

For a detailed list of IRS-allowable expenses, request a copy of IRS Publication 502 by calling (800) 829-3676, or visit the IRS Web site at [www.irs.gov](http://www.irs.gov) and click on “Forms and Publications.” Note: Although physician prescribed over-the-counter drugs are not listed in the publication, they are reimbursable from your HSA. Also, insurance premiums are reimbursable under limited circumstances.

- **Non-qualified expenses**

You may withdraw money from your HSA for items other than qualified health expenses, but it will be subject to income tax and if you are under 65 years old, an additional 20% penalty tax on the amount withdrawn.

- **Tracking your HSA balance**

You will receive a periodic statement that shows the “premium pass through”, withdrawals, and interest earned on your account. In addition, you will receive an Explanation of Payment statement when you withdraw money from your HSA.

- **Minimum reimbursements from your HSA**

You can request reimbursement in any amount. Just like a normal bank account, you cannot reimburse yourself for expenses that are greater than the balance in the account.

**If you have an HRA**

• **Why an HRA is established**

If you don't qualify for an HSA when you enroll in this HDHP, or later become ineligible for an HSA, we will establish an HRA for you. If you are enrolled in Medicare, you are ineligible for an HSA and we will establish an HRA for you. You must tell us if you become ineligible to contribute to an HSA.

• **How an HRA differs**

Please review the chart on pages 32-35, which details the differences between an HRA and an HSA. The major differences are:

- You cannot make contributions to an HRA;
- Funds are forfeited if you leave the HDHP;
- An HRA does not earn interest; and
- HRAs can only pay for qualified medical expenses, such as deductibles and coinsurance expenses, for individuals covered by the HDHP. FEHB law does not permit qualified medical expenses to include services, drugs, or supplies related to abortions; except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.

## Section 5. Preventive care

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB plan will be First/Primary payor of any Benefit payments and your FEDVIP plan is secondary to your FEHB plan. See Section 9, *Coordinating benefits with other coverage*.
- Benefits in this Section are covered in full if rendered by preferred providers. Preventive services from a non-preferred provider would be applied to your calendar year deductible and payable under Traditional medical coverage benefits. Preventive care for children is covered in full from preferred and non-preferred providers. The calendar year deductible does not apply to benefits in this Section. For other covered services not listed below see Section 5(a).
- There is no calendar year deductible for the dental benefits listed below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, or if you are age 65 and over. If Medicare is your primary payor, GEHA will provide secondary benefits for covered charges. The high deductible health plan deductible and coinsurance is not waived for Medicare members.
- The benefits listed below are for the charges billed by a hospital, physician, or other health care professional for your care.

Benefit Description	You pay
Note: The calendar year deductible does not apply to PPO benefits in this Section.	
<b>Preventive care, adult</b>	
<p>Professional services such as:</p> <ul style="list-style-type: none"> <li>• Age and gender appropriate annual preventive medical examination, which may include certain biometric screening measures (Body Mass Index (BMI), blood pressure, cholesterol tests, glucose and Hemoglobin A1c tests, colorectal cancer screening) performed or ordered by your doctor as part of that annual preventive medical examination.</li> <li>• Routine physical examinations</li> </ul> <p>Routine screenings, such as:</p> <ul style="list-style-type: none"> <li>• Total blood cholesterol screenings</li> <li>• Chlamydial infection</li> <li>• Colorectal cancer screening, including <ul style="list-style-type: none"> <li>- Annual coverage of one fecal occult blood test for members age 40 and older</li> </ul> </li> </ul> <p>The following screenings at intervals recommended by the American Cancer Society:</p> <ul style="list-style-type: none"> <li>- Colonoscopy</li> <li>- Sigmoidoscopy</li> <li>• Prostate cancer screening <ul style="list-style-type: none"> <li>- Annual coverage of one PSA (Prostate Specific Antigen) test for men age 40 and older</li> </ul> </li> </ul>	<p>PPO: Nothing</p> <p>Non-PPO: Covered under <i>Traditional medical coverage subject to deductible</i></p>

### Supplemental vision care

**Connection Vision® Powered by EyeMed Vision Care** - Member Services: (877) 808-8538

Website: [www.geha.com/vision](http://www.geha.com/vision).

- You will receive a separate vision ID card from EyeMed to use for these services.
- EyeMed will process all in-network claims systematically. Members will only be responsible for copays and amounts over allowances at the time of service.
- Out-of-network services will be paid in full at the time of service, and the member will submit an out-of-network claim form for reimbursement to the following address:

EyeMed Vision Care  
 Attn: OON Claims  
 P.O. Box 8504  
 Mason, OH 45040-7111

The following supplemental vision services are covered outside of the HDHP and are not subject to the Plan deductible. Reimbursement of material benefit is limited to a choice of one pair of frames, spectacle lenses, or contact lenses. Spectacle lenses are in lieu of contact lenses. Any unused portion of the funded benefit cannot be applied to offset the cost of additional services.

Vision Benefit				
Vision Benefits	Examination	Spectacle Lenses	Frame	Contact Lenses
Reimbursement Frequency	12 months	12 months	24 months	12 months

  

Eye Examination Benefit	In-Network	Out-of-Network
Eye exam including dilation as necessary	Covered in full after a \$5 exam copay	Reimbursed up to \$45
Exam Options:	In-Network	Out-of-Network
<i>Standard contact lens fit and follow-up</i>	You pay no more than \$55	You pay full retail price
<i>Premium contact lens fit and follow-up</i>	You pay no more than 90% of retail price	You pay full retail price
Frames:	In-Network	Out-of-Network
<i>Any available frame at provider location</i>	Covered in full if retail price of the frame selected is \$100 or less. For frames costing more than \$100, you pay 80% of retail price over \$100	Reimbursed up to \$45
Spectacle Lenses (pair):	In-Network	Out-of-Network
<i>Standard plastic single vision</i>	\$10 materials copay	Reimbursed up to \$25
<i>Standard plastic bifocal</i>	\$10 materials copay	Reimbursed up to \$40
<i>Standard plastic trifocal</i>	\$10 materials copay	Reimbursed up to \$50
<i>Standard plastic lenticular</i>	\$10 materials copay	Reimbursed up to \$80
<i>Standard progressive lens</i>	You pay no more than \$75	Reimbursed up to \$40
<i>Premium progressive lens</i>	Schedule 1: \$95 Schedule 2: \$105 Schedule 3: \$120  Schedule 4: \$75 copay + (80% of Retail Charge) less \$120 allowance	Reimbursed up to \$40
Lens Options:	In-Network	Out-of-Network
<i>UV treatment</i>	You pay \$15	You pay full retail price
<i>Tint (solid and gradient)</i>	You pay \$15	You pay full retail price
<i>Standard plastic scratch coating</i>	You pay \$15	You pay full retail price
<i>Standard polycarbonate</i>	You pay \$40	You pay full retail price
<i>Standard anti-reflective coating</i>	You pay \$45	You pay full retail price
<i>Polarized</i>	You pay 80% of the retail price	You pay full retail price
<i>Photochromatic / Transitions plastic</i>	You pay \$75	You pay full retail price
<i>Premium anti-reflective</i>	Price, based on manufacturer	You pay full retail price
<i>Other add-ons</i>	You pay 80% of the retail price	You pay full retail price

<b>Contact Lenses: (In lieu of frame and spectacle lenses)</b>	<b>In-Network</b>	<b>Out-of-Network</b>
<i>Conventional</i>	You pay the \$10 material copay for lenses costing \$110 or less plus 85% on the retail price over \$110	Reimbursed up to \$110
<i>Disposable</i>	You pay the \$10 material copay for lenses costing \$110 or less plus the retail price over \$110	Reimbursed up to \$110
<i>Medically necessary</i>	\$10 copay, paid in full, requires pre-approval by EyeMed	Reimbursed up to \$250
<b>Laser Vision Correction:</b>	<b>In-Network</b>	<b>Out-of-Network</b>
Lasik or PRK from U.S. Laser Network	15% off retail price or 5% off promotional price	You pay full retail price
<b>Additional Pairs of Glasses of Contacts:</b>	40% off the retail price for complete pair eyeglass and 15% off the retail price for conventional contact lenses after the funded benefit has been used	You pay full retail price

*Standard/Premium progressive lenses not covered – fund as a Bifocal lens. Members receive a 20% discount on items not covered by the plan at network providers that cannot be combined with any other discounts or promotional offers. Discount does not apply to network providers' professional services or contact lenses. Limitations and exclusions apply. There are certain brand name Vision Materials in which the manufacturer imposes a no-discount practice. Benefit allowances provide no remaining balance for future use within the same Benefit Frequency. Underwritten by Combined Insurance Company of America, 5050 Broadway, Chicago, IL 60640, except in New York.*

## Section 5. Traditional medical coverage subject to the deductible

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Preventive care is covered at 100% (see pages 38-39) if rendered by preferred providers and is not subject to the calendar year deductible. Preventive care from non-preferred providers is covered under Traditional medical coverage subject to the deductible.
- The deductible is \$1,500 for Self Only enrollment and \$3,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to all benefits under Traditional medical coverage. You must pay your deductible before your Traditional medical coverage may begin.
- Under Traditional medical coverage, you are responsible for your coinsurance for covered expenses.
- You are protected by an annual catastrophic maximum on out-of-pocket expenses for covered services. After your coinsurance and deductibles total \$5,000 per person or \$10,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, certain expenses do not count toward your out-of-pocket maximum and you must continue to pay these expenses once you reach your out-of-pocket maximum (such as expenses in excess of the Plan's benefit maximum, or if you use out-of-network providers, amounts in excess of the Plan allowance).
- In-network benefits apply only when you use a network provider. When a network provider is not available, out-of-network benefits apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.

Benefits Description	You pay After the calendar year deductible...
<b>Deductible before Traditional medical coverage begins</b>	
The deductible applies to all benefits in this Section. When you receive covered services, you are responsible for paying the allowable charges until you meet the deductible.	100% of allowable charges until you meet the deductible of \$1,500 for Self Only enrollment or \$3,000 for Self and Family enrollment
After you meet the deductible, we pay the allowable charge (less your coinsurance) until you meet the annual catastrophic out-of-pocket maximum.	<p>In-network: After you meet the deductible, you pay the indicated coinsurance for covered services. You may choose to pay the coinsurance from your HSA or HRA, or you can pay for them out-of-pocket. If you have an HRA, we will withdraw the amount from your HRA if funds are available.</p> <p>Out-of-network: After you meet the deductible, you pay the indicated coinsurance based on our Plan allowance and any difference between our allowance and the billed amount.</p>

## Section 5(a). Medical services and supplies provided by physicians and other health care professionals

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,500 for Self Only enrollment and \$3,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The calendar year deductible applies to all benefits in this Section. Note: Preventive services from non-preferred providers would be applied to your deductible and payable under Traditional medical coverage benefits. Non-covered charges and charges in excess of the Plan allowable do not count toward the deductible.
- After you have satisfied your deductible, coverage begins for Traditional medical services.
- Under your Traditional medical coverage, you will be responsible for your coinsurance amounts for eligible medical expenses and prescriptions.
- The non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply.
- The amounts listed below are for the charges billed by the physician or other health care professional for your care.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over. If Medicare is your primary payor, GEHA will provide secondary benefits for covered charges. The high deductible health plan deductible and coinsurance are not waived for Medicare members.
- When you use a PPO hospital, the professionals who provide services to you in a hospital may not all be preferred providers. If they are not, they will be paid by this Plan as non-PPO providers. However, if the services are rendered at a PPO hospital, we will pay up to the Plan allowable for services of radiologists, anesthesiologists, emergency room physicians, hospitalists, neonatologists and pathologists who are not preferred providers at the preferred provider rate.
- **YOU MUST GET PRECERTIFICATION FOR CERTAIN OUTPATIENT IMAGING PROCEDURES. FAILURE TO DO SO WILL RESULT IN A MINIMUM OF \$100 PENALTY.** Please refer to precertification information in Section 3 to be sure which procedures require precertification. Penalties are not subject to the catastrophic limit.

Benefits Description	You pay After the calendar year deductible...
<b>Diagnostic and treatment services</b>	
Professional services of physicians <ul style="list-style-type: none"> <li>• In physician's office</li> <li>• Office medical consultations</li> <li>• Second surgical opinions</li> <li>• Emergency room physician care (non-accidental injury)</li> <li>• During a hospital stay</li> <li>• At home</li> <li>• In an urgent care center</li> </ul>	PPO: 5% of the Plan allowance  Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount

## Section 5(b). Surgical and anesthesia services provided by physicians and other health care professionals

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,500 for Self Only enrollment and \$3,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to all benefits in this Section.
- After you have satisfied your deductible, your Traditional medical coverage begins.
- Under your Traditional medical coverage, you will be responsible for your coinsurance amounts for eligible medical expenses and prescriptions.
- The non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over. If Medicare is your primary payor, GEHA will provide secondary benefits for covered charges. The high deductible health plan deductible and coinsurance are not waived for Medicare members.
- The amounts listed below are for the charges billed by a physician or other health care professional for your surgical care. Look in Section 5(c) for charges associated with the facility (i.e., hospital, surgical center, etc.).
- When you use a PPO hospital, the professionals who provide services to you in a hospital may not all be preferred providers. If they are not, they will be paid by this Plan as non-PPO providers. However, if the services are rendered at a PPO hospital, we will pay up to the Plan allowable for services of radiologists, anesthesiologists, emergency room physicians, hospitalists, neonatologists and pathologists who are not preferred providers at the preferred provider rate.
- **YOU MUST GET PRECERTIFICATION FOR SOME SURGICAL PROCEDURES.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification.

Benefits Description	You pay After the calendar year deductible...
Surgical procedures	You pay
<p>A comprehensive range of services, such as:</p> <ul style="list-style-type: none"> <li>• Operative procedures</li> <li>• Treatment of fractures, including casting</li> <li>• Normal pre- and post-operative care by the surgeon</li> <li>• Correction of amblyopia and strabismus</li> <li>• Endoscopy procedures</li> <li>• Biopsy procedures</li> <li>• Removal of tumors and cysts</li> <li>• Correction of congenital anomalies - limited to children under the age of 18 unless there is a functional deficit (see <i>Reconstructive surgery</i>)</li> <li>• Surgical treatment of obesity (bariatric surgery) is covered only if: <ul style="list-style-type: none"> <li>- eligible enrollee is 18 or over</li> </ul> </li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>

<p>Donor expenses</p> <p>We will cover donor screening tests and donor search expenses for up to four potential donors of organ/tissue transplants.</p>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p>Note: We cover related medical and hospital expenses of the donor when we cover the recipient.</p>	

*Organ/tissue transplants - continued on next page*

Benefits Description	You pay After the calendar year deductible...
<b>Organ/tissue transplants (cont.)</b>	<b>You pay</b>
<p>Note: All allowable charges incurred for a surgical transplant, whether incurred by the recipient or donor will be considered expenses of the recipient and will be covered the same as for any other illness or injury subject to the limits stated below. This benefit applies only if the recipient is covered by us and if the donor's expenses are not otherwise covered.</p>	
<p>Transportation Benefit</p> <ul style="list-style-type: none"> <li>We will also provide up to \$10,000 per covered transplant for transportation (mileage or airfare) to a Plan designated facility and reasonable temporary living expenses (i.e., lodging and meals) for the recipient and one other individual (or in the case of a minor, two other individuals), if the recipient lives more than 100 miles from the designated transplant facility. Transportation benefits are only payable when GEHA is the primary payor.</li> <li>Transportation benefits are payable for follow-up care up to one year following the transplant. The transportation benefit is not available for cornea or kidney transplants. You must contact Customer Service for what are considered reasonable temporary living expenses.</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p>Limited Benefits</p> <ul style="list-style-type: none"> <li>The process for preauthorizing organ transplants is more extensive than the normal precertification process. Before your initial evaluation as a potential candidate for a transplant procedure, you or your doctor must contact our Medical Director so we can arrange to review the clinical results of the evaluation and determine if the proposed procedure meets our definition of "medically necessary" and is on the list of covered transplants. Coverage for the transplant must be authorized in advance, in writing by our Medical Director. (Cornea and kidney transplants do not require preauthorization by GEHA's Medical Director.</li> </ul>	
<ul style="list-style-type: none"> <li>We will pay for a second transplant evaluation recommended by a physician qualified to perform the transplant, if: the transplant diagnosis is covered and the physician is not associated or in practice with the physician who recommended and will perform the organ transplant. A third transplant evaluation is covered only if the second evaluation does not confirm the initial evaluation.</li> <li>The transplant must be performed at a Plan-designated organ transplant facility to receive maximum benefits. GEHA uses a defined transplant network, which may be different than the Preferred Provider Network.</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p> <p>If prior approval is not obtained or a Plan-designated organ transplant facility is not used, our allowance will be limited for hospital and surgery expenses up to a maximum of \$100,000 per transplant. If we cannot refer a member in need of a transplant to a designated facility, the \$100,000 maximum will not apply.</p>

*Organ/tissue transplants - continued on next page*

Benefits Description	You pay After the calendar year deductible...
<b>Organ/tissue transplants (cont.)</b>	<b>You pay</b>
<ul style="list-style-type: none"> <li>If benefits are limited to \$100,000 per transplant, included in the maximum are all charges for hospital, medical and surgical care incurred while the patient is hospitalized for a covered transplant surgery and subsequent complications related to the transplant. Outpatient expenses for chemotherapy and any process of obtaining stem cells or bone marrow associated with bone marrow transplant (stem cell support) are included in benefits limit of \$100,000 per transplant. Tandem bone marrow transplants approved as one treatment protocol are limited to \$100,000 when not performed at a Plan designated facility. All treatment within 120 days following the transplant is subject to the \$100,000 limit except expenses for aftercare such as outpatient prescription drugs are not a part of the \$100,000 limit.</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p> <p>If prior approval is not obtained or a Plan-designated organ transplant facility is not used, our allowance will be limited for hospital and surgery expenses up to a maximum of \$100,000 per transplant. If we cannot refer a member in need of a transplant to a designated facility, the \$100,000 maximum will not apply.</p>
<ul style="list-style-type: none"> <li>Chemotherapy and procedures related to bone marrow transplantation must be performed only at a Plan-designated organ transplant facility to receive maximum benefits.</li> <li>Simultaneous transplants such as kidney/pancreas, heart/lung, heart/liver, are considered as one transplant procedure and are limited to \$100,000 when not performed at a Plan-designated organ transplant facility.</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li><i>Services or supplies for or related to surgical transplant procedures (including administration of high-dose chemotherapy) for artificial or human organ/tissue transplants not listed as specifically covered</i></li> <li><i>Donor screening tests and donor search expenses, except those listed above</i></li> <li><i>Expenses for sperm collection and storage</i></li> </ul>	<p><i>All charges</i></p>
<b>Anesthesia</b>	<b>You pay</b>
<p>Professional fees for the administration of anesthesia in:</p> <ul style="list-style-type: none"> <li>Hospital (inpatient)</li> <li>Hospital outpatient department</li> <li>Ambulatory surgical center</li> <li>Office</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>

## Section 5(c). Services provided by a hospital or other facility, and ambulance services

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,500 for Self Only enrollment and \$3,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to all benefits in this Section.
- After you have satisfied your deductible, your Traditional medical coverage begins.
- Under your Traditional medical coverage, you will be responsible for your coinsurance amounts for eligible medical expenses and prescriptions.
- The non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage or if you are age 65 or over. If Medicare is your primary payor, GEHA will provide secondary benefits for covered charges. The high deductible health plan deductible and coinsurance are not waived for Medicare members.
- The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are in Sections 5(a) or 5(b). See page 54 for coverage of a Christian Science facility.
- When you use a PPO hospital, the professionals who provide services to you in a hospital may not all be preferred providers. If they are not, they will be paid by this Plan as non-PPO providers. However, if the services are rendered at a PPO hospital, we will pay up to the Plan allowable for services of radiologists, anesthesiologists, emergency room physicians, hospitalists, neonatologists and pathologists who are not preferred providers at the preferred provider rate.
- Charges billed by a facility for implantable devices, surgical hardware, etc., are subject to the Plan allowance which is based on the provider's cost plus 20% with submitted invoice or two times the Medicare allowance with no invoice. Providers are encouraged to notify us on admission to determine benefits payable.
- When you receive hospital observation services, we apply outpatient benefits to covered services up to 48 hours. Inpatient benefits will apply only when your physician formally admits you to the hospital as an inpatient. It is your responsibility to ensure that we are contacted for precertification if you are admitted as an inpatient.
- **YOU MUST GET PRECERTIFICATION FOR HOSPITAL STAYS INCLUDING OBSERVATION CARE EXCEEDING 48 HOURS. FAILURE TO DO SO WILL RESULT IN A MINIMUM \$500 PENALTY.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification. Penalties are not subject to the catastrophic limit.

Benefit Description	You pay After the calendar year deductible...
<b>Outpatient hospital, clinic or ambulatory surgical center (cont.)</b>	
<ul style="list-style-type: none"> <li>Anesthetics and anesthesia service</li> <li>Cardiac rehabilitation</li> <li>Observation care is covered up to a maximum of 48 hours as an outpatient hospital service, see Section 10</li> </ul> <p>Note: We cover hospital services and supplies related to dental procedures when necessitated by a non-dental physical impairment. We do not cover the dental procedures.</p>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li>Maintenance cardiac rehabilitation</li> </ul>	<i>All charges</i>
<p><b>Maternity care – Outpatient hospital</b></p> <ul style="list-style-type: none"> <li>Delivery room, recovery, observation, and other treatment rooms</li> <li>Prescribed drugs and medicines</li> <li>Diagnostic laboratory tests and X-rays, and pathology services</li> <li>Administration of blood, blood plasma, and other biologicals</li> <li>Blood or blood plasma, if not donated or replaced</li> <li>Pre-surgical testing</li> <li>Dressings and sterile tray services</li> <li>Medical supplies, including oxygen</li> <li>Anesthetics and anesthesia services</li> </ul> <p>Note: Maternity care expenses incurred by a Plan member serving as a surrogate mother are covered by the Plan subject to reimbursement from the other party to the surrogacy contract or agreement. The involved Plan member must execute our Reimbursement Agreement against any payment she may receive under a surrogacy contract or agreement. Expenses of the new-born child are not covered under this or any other benefit in a surrogate mother situation.</p>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<b>Extended care benefits/Skilled nursing care facility benefits</b>	
<ul style="list-style-type: none"> <li>Inpatient confinement at a Skilled Nursing Facility for the first 14 days following transfer from acute inpatient confinement when skilled care is still required. Benefits limited to \$700 per day. No other benefits are payable for inpatient skilled nursing facility charges.</li> </ul> <p>Note: Medicare Part A pays for the first 14 days of Skilled Nursing Facility confinements during a Medicare benefit period. No benefits are payable by us including during a readmission during the same benefit period as defined by Medicare.</p>	<p>Charges in excess of \$700 per day</p> <p>All charges after 14 days</p>

Benefit Description	You pay After the calendar year deductible...
<b>Hospice care</b>	
<p>Hospice is a coordinated program of maintenance and supportive care for the terminally ill provided by a medically supervised team under the direction of a plan approved independent hospice administration.</p> <ul style="list-style-type: none"> <li>We pay up to \$15,000 for hospice care provided in an outpatient setting or for room, board, and care while receiving hospice care in an inpatient setting. Services may include a combination of inpatient and outpatient care up to a maximum of \$15,000.</li> </ul> <p>These benefits will be paid if the hospice care program begins after a person's primary doctor certifies terminal illness and life expectancy of six months or less and any services or inpatient hospice stay that is part of the program is:</p> <ul style="list-style-type: none"> <li>Provided while the person is covered by this Plan</li> <li>Ordered by the supervising doctor</li> <li>Charged by the hospice care program</li> <li>Provided within six months from the date the person entered or re-entered (after a period of remission) a hospice care program</li> </ul> <p>Remission is the halt or actual reduction in the progression of illness resulting in discharge from a hospice care program with no further expenses incurred. A readmission within three months of a prior discharge is considered as the same period of care. A new period begins after three months from a prior discharge with maximum benefits available.</p>	<p>PPO: 5% up to the Plan limits</p> <p>Non-PPO: 25% up to the Plan limits</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li><i>Charges incurred during a period of remission, charges incurred for treatment of a sickness or injury of a family member that are covered under another plan provision, charges incurred for services rendered by a close relative, bereavement counseling, funeral arrangements, pastoral counseling, financial or legal counseling, homemaker or caretaker services</i></li> </ul>	<p><i>All charges</i></p>
<b>Ambulance</b>	
<ul style="list-style-type: none"> <li>Local ambulance service (within 100 miles) to the first hospital where treated, from that hospital to the next nearest one if necessary treatment is unavailable or unsuitable at the first hospital, then to either the home (if ambulance transport is medically necessary) or other medical facility (if required for the patient to receive necessary treatment and if ambulance transport is medically necessary)</li> <li>Air ambulance to nearest facility where necessary treatment is available is covered if no emergency ground transportation is available or suitable and the patient's condition warrants immediate evacuation. Air ambulance will not be covered if transport is beyond the nearest available suitable facility, but is requested by patient or physician for continuity of care or other reasons.</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li><i>Ambulance transportation when the patient does not require the assistance of medically trained personnel and can be safely transferred (or transported) by other means</i></li> </ul>	<p><i>All charges</i></p>

## Section 5(d). Emergency services/accidents

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,500 for Self Only enrollment and \$3,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to all benefits in this Section.
- The non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply.
- When you use a PPO hospital, the professionals who provide services to you in a hospital may not all be preferred providers. If they are not, they will be paid by this Plan as non-PPO providers. However, if the services are rendered at a PPO hospital, we will pay up to the Plan allowable for services of radiologists, anesthesiologists, emergency room physicians, hospitalists, neonatologists and pathologists who are not preferred providers at the preferred provider rate.
- Be sure to read Section 4, Your costs for covered services, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage or if you are age 65 or over. If Medicare is your primary payor, GEHA will provide secondary benefits for covered charges. The high deductible health plan deductible and coinsurance are not waived for Medicare members.

### What is an accidental injury?

An accidental injury is a bodily injury sustained solely through violent, external, and accidental means, such as broken bones, animal bites, and poisonings.

Benefits Description	You pay After the calendar year deductible...
<b>Accidental injury</b>	<b>You pay</b>
<ul style="list-style-type: none"> <li>• Non-surgical physician services and supplies</li> <li>• Related outpatient physician care</li> <li>• Surgical care</li> <li>• Treatment outside a hospital or in the outpatient/emergency room department of a hospital or urgent care facility</li> </ul> <p>Note: Emergency room charges associated directly with an inpatient admission are considered “Other charges” under <i>Inpatient Hospital Benefits</i> (see page 66) and are not part of this benefit, even though an accidental injury may be involved. This provision also applies to dental care required as a result of accidental injury to sound natural teeth. Masticating (chewing) incidents are not considered to be accidental injuries.</p>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 5% of the Plan allowance</p>

Benefits Description	You pay After the calendar year deductible...
<b>Medical emergency</b> <ul style="list-style-type: none"> <li>Outpatient medical or surgical services and supplies billed by a hospital for emergency room treatment or outpatient medical or surgical services and supplies billed by an urgent care facility.</li> </ul> <p>Note: We pay hospital benefits if you are admitted.</p>	<b>You pay</b> <p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 5% of the Plan allowance and any difference between our allowance and the billed amount</p>
<b>Ambulance</b> <ul style="list-style-type: none"> <li>Local ambulance service (within 100 miles) to the first hospital where treated, from that hospital to the next nearest one if necessary treatment is unavailable or unsuitable at the first hospital, then to either the home (if ambulance transport is medically necessary) or other medical facility (if required for the patient to receive necessary treatment and if ambulance transport is medically necessary)</li> <li>Air ambulance to nearest facility where necessary treatment is available is covered if no emergency ground transportation is available or suitable and the patient's condition warrants immediate evacuation. Air ambulance will not be covered if transport is beyond the nearest available suitable facility, but is requested by patient or physician for continuity of care or other reasons.</li> </ul>	<b>You pay</b> <p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li><i>Ambulance transportation when the patient does not require the assistance of medically trained personnel and can be safely transferred (or transported) by other means</i></li> </ul>	<p><i>All charges</i></p>

## Section 5(e). Mental health and substance abuse benefits

You may choose to get care In-Network or Out-of-Network. You must get our approval for inpatient hospital, inpatient Residential Treatment Centers, and intensive day treatment services. Cost-sharing and limitations for mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,500 for Self Only enrollment and \$3,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The deductible applies to all benefits in this Section.
- After you have satisfied your deductible, your Traditional medical coverage begins.
- Under your Traditional medical coverage, you will be responsible for your coinsurance amounts for eligible medical expenses and prescriptions.
- Be sure to read Section 4, Your costs for covered services, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage or if you are age 65 or over. If Medicare is your primary payor, GEHA will provide secondary benefits for covered charges. The high deductible health plan deductible and coinsurance are not waived for Medicare members.
- When you receive hospital observation services, we apply outpatient benefits to covered services up to 48 hours. Inpatient benefits will apply only when your physician formally admits you to the hospital as an inpatient. It is your responsibility to ensure that we are contacted for precertification if you are admitted as an inpatient.
- **YOU MUST GET PRECERTIFICATION FOR HOSPITAL STAYS INCLUDING OBSERVATION CARE EXCEEDING 48 HOURS, INPATIENT RESIDENTIAL TREATMENT CENTERS AND INTENSIVE DAY TREATMENT. FAILURE TO DO SO WILL RESULT IN A MINIMUM \$500 PENALTY.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification. Penalties are not subject to the catastrophic limit.

Benefits Description	You pay After the calendar year deductible...
<b>Professional Services</b>	<b>You pay</b>
We cover professional services by licensed professional mental health and substance abuse practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists.	Your cost-sharing responsibilities are no greater than for other illnesses or conditions.
Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include: <ul style="list-style-type: none"> <li>• Diagnostic evaluation</li> <li>• Crisis intervention and stabilization for acute episodes</li> <li>• Medication evaluation and management (pharmacotherapy)</li> <li>• Treatment and counseling (including individual or group therapy visits)</li> <li>• Diagnosis and treatment of alcoholism and drug abuse, including detoxification, treatment and counseling</li> <li>• Professional charges for intensive outpatient treatment in a provider's office or other professional setting (requires precertification)</li> </ul>	PPO: 5% of the Plan allowance  Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount  Your cost-sharing responsibilities are no greater than for other illnesses or conditions.

*Professional Services - continued on next page*  
HDHP Section 5(e)

Benefits Description	You pay After the calendar year deductible...
<b>Professional Services (cont.)</b>	<b>You pay</b>
<ul style="list-style-type: none"> <li>• Electroconvulsive therapy</li> <li>• Inpatient professional fees</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p> <p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p>
<b>Diagnostics</b>	<b>You pay</b>
<ul style="list-style-type: none"> <li>• Outpatient diagnostic tests provided and billed by a licensed mental health and substance abuse practitioner</li> <li>• Outpatient diagnostic tests provided and billed by a laboratory, hospital or other covered facility</li> <li>• Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment (requires precertification)</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<b>Inpatient hospital and inpatient residential treatment centers (RTC)</b>	<b>You pay</b>
<p>Room and board, such as:</p> <ul style="list-style-type: none"> <li>• Ward, semiprivate, or intensive care accommodations</li> <li>• General nursing care</li> <li>• Meals and special diets</li> </ul> <p>Note: We only cover a private room if we determine it to be medically necessary. Otherwise, we will pay the hospital's average charge for semi-private accommodations. The remaining balance is not a covered expense. If the hospital only has private rooms we will cover the private room rate.</p> <p>Note: When the facility bills a flat rate, we prorate the charges to determine how to pay them, as follows: 30% room and board and 70% other charges.</p> <p>Other facility services and supplies:</p> <ul style="list-style-type: none"> <li>• Services provided by a hospital or residential treatment center (RTC)</li> </ul> <p>Note: We only cover treatment from a Hospital or a licensed RTC for substance abuse treatment.</p>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance</p>
<b>Outpatient hospital</b>	<b>You pay</b>
<ul style="list-style-type: none"> <li>• Services such as partial hospitalization or intensive day treatment programs</li> </ul>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance</p>

Benefits Description	You pay After the calendar year deductible...
<b>Emergency room non-accidental injury</b>	<b>You pay</b>
<ul style="list-style-type: none"> <li>Outpatient services and supplies billed by a hospital for emergency room treatment</li> </ul> <p>Note: We pay Hospital benefits if you are admitted.</p>	<p>PPO: 5% of the Plan allowance</p> <p>Non-PPO: 25% of the Plan allowance</p>
<b>Mental health and substance abuse</b>	<b>You pay</b>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li><i>Services by pastoral, marital, drug/alcohol and other counselors including therapy for sexual problems</i></li> <li><i>Treatment for learning disabilities and mental retardation</i></li> <li><i>Telephone therapy, including therapy by remote video connection, such as Skype™</i></li> <li><i>Travel time to the member's home to conduct therapy</i></li> <li><i>Services rendered or billed by schools, or halfway houses or members of their staffs</i></li> <li><i>Marriage counseling</i></li> <li><i>Services that are not medically necessary</i></li> <li><i>Applied Behavior Analysis (ABA)</i></li> </ul>	<i>All charges</i>

**Precertification**

To be eligible to receive full benefits for mental health and substance abuse, you must follow the authorization process:

- You must call InforMed at (800) 242-1025 to receive authorization for inpatient care and outpatient intensive day treatment. They will authorize any covered treatment.
- You should call our Medical Management Department (800) 821-6136 to precertify benefits for psychological testing. Psychological testing claims will be denied if we determine the testing is not medically necessary.

If you do not obtain precertification for inpatient care and outpatient intensive day treatment, we will decide whether the stay was medically necessary. If we determine the stay was medically necessary, we will pay the services less the \$500 penalty. If we determine that it was not medically necessary, we will only pay for any covered services that are otherwise payable on an outpatient basis. If you remain in the hospital beyond the days we approved and did not get the additional days precertified, we will pay inpatient benefits for the part of the admission that was medically necessary. See Section 3 for details.

See these sections of the brochure for more valuable information about these benefits:

Section 4, *Your costs for covered services*, for information about catastrophic protection for these benefits; and

Section 7, *Filing a claim for covered services*, for information about submitting out-of-network claims.

## Section 5(f). Prescription drug benefits

### Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on page 81.
- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The deductible is \$1,500 for Self Only enrollment and \$3,000 for Self and Family enrollment each calendar year. The Self and Family deductible can be satisfied by one or more family members. The calendar year deductible applies to all benefits in this Section.
- After you have satisfied your deductible, your Traditional medical coverage begins.
- Under your Traditional medical coverage, you will be responsible for your coinsurance amounts for eligible medical expenses and eligible prescriptions.
- Be sure to read Section 4, Your costs for covered services, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over. We will not waive the high deductible health plan deductible and coinsurance for Medicare members.
- Based on manufacturer's and FDA guidelines, the use of a certain medication may be limited as to its quantity, total dose, duration of therapy, age, gender or specific diagnosis. Since the prescription does not usually explain the reason the provider prescribed a medication, the requirement of any of these limits and/or prior authorization to confirm the intent of the prescriber may be appropriate.
- Some medications must be approved by GEHA and/or Express Scripts/Medco before they are a covered benefit.
- If you need an extra supply of medications in emergency situations such as if you are called to active military duty or as a part of the government's continuity of operations, you may receive an extra 30-day supply at retail or if you received a 90-day supply of a specific medication within the last 30 days, arrangements can be made for an additional 60 days to be dispensed through Express Scripts/Medco Pharmacy (mail order). Call our office at (800) 821-6136 so that we can work with you to find the most cost effective and efficient manner of meeting your emergency prescription needs.
- Each new enrollee will receive a description of our prescription drug program, a combined prescription drug/plan identification card, and a mail order form, questionnaire, and reply envelope.
- As part of our administration of prescription drug benefits, we may disclose information about your prescription drug utilization, including names of your prescribing physicians, to any treating physician or dispensing pharmacies.

### Prescription drug benefits

#### There are important features you should be aware of. These include:

- **Drug coupon/copay cards:** We do not honor or coordinate benefits with drug coupon/copay cards. You are responsible for your copay or coinsurance as indicated in this brochure.
- **Who can write your prescription:** A licensed physician or a licensed dentist must write the prescription (physician assistants and nurse practitioners can prescribe in select states as state law allows). For Express Scripts/Medco Pharmacy (mail order) prescriptions, the physician must be licensed in the United States. In addition, your mailing address must be within the United States or include an APO address.
- **Where you can obtain them:** You may fill the prescription at a participating network retail pharmacy, a non-network pharmacy, or through Express Scripts/Medco Pharmacy. We pay a higher level of benefits when you use a network pharmacy. For medications you may take on a regular, long-term basis we pay a higher level of benefits through Express Scripts/Medco Pharmacy.

## Prescription drug benefits (con't.)

There are important features you should be aware of – (continued)

- **Step therapy applies to medications that fall into two therapeutic categories:** sedative-hypnotic (sleep aids) and Proton Pump Inhibitors (PPIs). Step therapy requires you to use lower cost generic or preferred drugs before the pharmacist dispenses a targeted medication that is more costly. Targeted medication requires prior approval. When you try to fill a targeted medication, the pharmacist will contact your physician to notify them of a lower cost alternative. If the physician approves, a lower cost medication will be dispensed. If the physician does not approve, a coverage review will be initiated so that we may determine the medical necessity of the non-preferred drug. Unless there are documented clinical reasons why you cannot take the preferred drug, you may still obtain the non-preferred drug but you will be responsible for 70% of the cost of the non-preferred drug which will not apply to your annual out-of-pocket maximum. Refer to the chart below for a list of the preferred drugs for the targeted medication.

Drug category	Preferred drugs*	Targeted (non-preferred)*
Sedative-hypnotic drugs (sleep aids)	zolpidem, zolpidem extended release, zaleplon, estazolam, flurazepam, & temazepam	Lunesta, Rozerem, Edluar, Zolpimist, Intermezzo
Gastrointestinal drugs called proton pump inhibitors or PPIs	omeprazole, pantoprazole, Nexium	lansoprazole, omeprazole/sodium bicarbonate, Aciphex, Dexilant, Prevacid, Prevacid Suspension, Prilosec Rx Oral Suspension, Protonix Suspension, Zegerid

\*Preferred and targeted drugs are subject to change.

- **Compound Medication:** When a claim is submitted for online processing or direct reimbursement of a compound medication, the pricing is based on the contractual discounts plus a professional fee and any applicable sales tax. Pharmacies must submit all ingredients in a compound prescription as part of the claim for both online claims and paper claim submissions. At least one of the ingredients submitted with the compound Rx claim must require a physician's prescription in order to be covered by the plan. You are responsible for the appropriate brand or generic copay or coinsurance based on the compound ingredients. Investigational drugs are not FDA approved. If the compound includes an investigational drug, the compound will not be covered.

The Express Scripts/Medco Pharmacy can compound many medications. However, if the mail-order pharmacy cannot accommodate your prescription, please consult your participating retail pharmacy. Ask your pharmacist to submit your claim electronically or "on-line". If the retail pharmacy is unable to submit the compound medication claim electronically to Express Scripts/Medco, you will pay the full cost of the medication and submit a direct claim for reimbursement. Make sure that your pharmacist provides a list of the NDCs and quantity for every ingredient in the compound medication, and include this information on your claim. Mail the claim to Express Scripts, Attn: Direct Claims, P.O. Box 2824, Clinton, IA 52733-2824. Claim calculations and your copays or reimbursement for direct claims is performed using an industry standard reimbursement method for compounds. The industry standard changed in 2011 from use of the primary ingredient as the key to the prescription claim pricing to use of all ingredients in the compound for prescription claim pricing.

## Covered medication and supplies

You may purchase the following medications and supplies prescribed by a physician from either a pharmacy or by mail:

- Drugs and medicines (including those administered during a non-covered admission or in a non-covered facility) that by Federal Law of the United States require a physician's prescription for their purchase, except those listed as *Not covered*;
- Insulin;
- FDA approved contraceptive drugs and devices for women;
- Needles and syringes for the administration of covered medications;
- Ostomy supplies (please include the manufacturer's product number to ensure accurate fill of the product); and

*Covered medication and supplies - continued on next page*

### Covered medication and supplies (cont.)

- GEHA members can go to a participating retail pharmacy to receive certain vaccinations. Influenza vaccine is commonly administered by retail pharmacies. Other vaccines, such as those for pneumococcal pneumonia (Pneumovax), varicella (Zostavax) and hepatitis B (Heptavax) may also be available through retail pharmacies.

Members may call our Customer Service Department to identify a participating vaccine pharmacy or go to [www.Express-Scripts.com](http://www.Express-Scripts.com).

GEHA members should check with the retail pharmacy to ensure availability of a pharmacist who can inject vaccines and availability of the vaccine product before going to the pharmacy. GEHA members should also ask retail pharmacies if vaccines can be administered for patients under the age of 18 in that pharmacy.

- In addition, we will cover over-the-counter (with a physician's prescription) and prescription Tobacco cessation drugs approved by the FDA. The quantity of drugs reimbursed will be subject to recommended courses of treatment. You may obtain Tobacco cessation drugs with your Express Scripts/Medco prescription card, through Express Scripts/Medco Pharmacy (mail order), or a non-Network Retail pharmacy (see pages 80-81 for filing instructions).
- The following medicines to promote better health will be offered with no cost-sharing at participating pharmacy as recommended under the Patient Protection and Affordable Care Act, link to the website (with physician prescription) <http://www.uspreventiveservicestaskforce.org/uspstf/uspabrecs.htm>.
  - Aspirin – with prescription for prevention of CVD, for men age 45-79
  - Aspirin – with prescription for prevention of CVD, for women age 55-79
  - Fluoride supplements – with prescription, for children age 0-16
  - Iron supplements – with prescription, for children age 6-12 months
  - Folic acid supplements – with prescription, women who are/or could become pregnant
  - Vitamin D products – with prescription, for patients age 65 and over

Note: A generic equivalent will be dispensed unless you or your physician specifies that the prescription be dispensed as written, when a Federally-approved generic drug is available unless substitution is prohibited by state law.

### Coordinating with other drug coverage

*Coordinating with other drug coverage - continued on next page*

---

**Coordinating with other drug coverage (cont.)**

---

**For other commercial coverage:** If you also have drug coverage through another group health insurance plan and we are your secondary insurance, follow these procedures:

If you obtain your prescription from a retail pharmacy using your primary insurance plan:

1. Present Rx cards from both your primary insurance plan and GEHA.
2. If able, the pharmacy will electronically process both your primary and secondary claims and the pharmacist will tell you if you have any remaining copay/coinsurance to pay.
3. If the pharmacy cannot electronically process the secondary claim, purchase your prescription using the Rx card issued by your primary insurance carrier and pay any copay/coinsurance required by the primary insurance. Then, mail your pharmacy receipt to Express Scripts/Medco for consideration of possible reimbursement through your GEHA, secondary benefit. Submit these claims to Express Scripts, Attn: Direct Claims, P.O. Box 2824, Clinton, IA 52733-2824.

If you obtain your prescription from a mail service pharmacy using your primary insurance plan:

1. Purchase your prescription using the Rx card issued by your primary insurance carrier and pay any copay/coinsurance required by the primary insurance.
2. Then, mail your pharmacy receipt to Express Scripts/Medco for consideration of possible reimbursement through your GEHA, secondary benefit. Submit these claims to 1. Express Scripts, Attn: Direct Claims, P.O. Box 2824, Clinton, IA 52733-2824.

If your primary insurance does not provide an RX card:

1. Purchase your drug from the pharmacy and submit the bill to your primary insurance.
2. When the primary insurance has made payment, file the claims and the Explanation of Benefit (EOB) with Express Scripts/Medco for consideration of possible reimbursement using your secondary benefit. Submit these claims to Express Scripts, Attn: Direct Claims, P.O. Box 2824, Clinton, IA 52733-2824.

---

*Coordinating with other drug coverage - continued on next page*

### Coordinating with other drug coverage (cont.)

In any event if you use GEHA's prescription drug card when another insurance plan is primary, you will be responsible for reimbursing us any amount in excess of our secondary benefit. If another insurance plan is primary, you should use their drug benefit. If you elect to use GEHA's Express Scripts/Medco Pharmacy (mail order), Express Scripts/Medco will bill you directly for 100% of the claim amount. Express Scripts/Medco may contact you to secure a form of payment. After you have paid Express Scripts/Medco the amount billed, submit the bill to your primary insurance. When your primary insurance makes payment, file the claim and their EOB with Express Scripts/Medco for consideration of possible reimbursement using your secondary benefit. Submit these claims to Express Scripts, Attn: Direct Claims, P.O. Box 2824, Clinton, IA 52733-2824.

Should Medicare rules change on prescription drug coverage, we reserve the right to require you to use your Medicare coverage as the primary insurance for these drugs.

**For Medicare Part B insurance coverage:** If Medicare Part B is primary, discuss with the retail pharmacy and/or Express Scripts/Medco Pharmacy the options to submit Medicare covered medications and supplies to allow Medicare to pay as the primary carrier. Prescriptions typically covered by Medicare Part B include diabetes supplies (test strips, meters), specific medications used to aid tissue acceptance from organ transplants, certain oral medications used to treat cancer, and ostomy supplies.

**Retail -** When using a retail pharmacy for eligible Medicare Part B medication or supplies, present the Medicare ID card. Request the retail pharmacy bill Medicare as primary. Most independent pharmacies and national chains are Medicare providers. To locate a retail pharmacy that is a Medicare Part B participating provider, visit the Medicare website at [www.medicare.gov/supplier/home.asp](http://www.medicare.gov/supplier/home.asp) or call Medicare Customer Service at (800) 633-4227.

**Mail Order -** To receive your Medicare Part B-eligible medications and supplies by mail, send your mail-order prescriptions to Express Scripts/Medco Pharmacy. Express Scripts/Medco will review the prescriptions to determine whether it could be eligible for Medicare Part B coverage. Depending on the type of prescription, it will be forwarded to Liberty Medical or Accredo. You can also contact Liberty Medical directly at (866) 398-7164 to discuss your diabetes supplies.

**For Medicare Part D insurance coverage:** GEHA supplements the coverage you get with your Medicare Part D prescription drug plan. Your Medicare drug plan provides your primary prescription drug benefit. GEHA provides your secondary prescription drug benefit. You should have a prescription ID card from your Medicare Part D prescription drug plan and your GEHA ID card. To ensure that you get all the coverage you are entitled to receive, use a pharmacy in the networks for both the GEHA Plan and your Medicare Part D plan, and show both the Medicare Part D ID card and the GEHA ID card when filling a prescription so the pharmacy can coordinate coverage on your behalf.

### Express Scripts/Medco voluntary formulary

Your prescription drug program includes a voluntary "formulary" feature. The Express Scripts/Medco Drug Formulary is a list of selected FDA approved prescription medications reviewed by an independent group of distinguished health care professionals. Prescription drugs are subjected to rigorous clinical analysis from the standpoint of efficacy, safety, side effects, drug-to-drug interactions, dosage and cost-benefit in determining whether they are included on or excluded from the formulary.

A formulary is a list of commonly prescribed medications from which your physician may choose to prescribe. The formulary is designed to inform you and your physician about quality medications that, when prescribed in place of other non-formulary medications, can help contain the increasing cost of prescription drug coverage without sacrificing quality. In many therapeutic categories, there are several drugs of similar effectiveness. Many doctors are often unaware of the significant variations in price among these similar drugs and, as a result, their prescribing decisions often do not consider cost. However, when the cost difference is brought to their attention, doctors will frequently prescribe the less costly medications.

Your physicians will be contacted to discuss their prescribing decision. No change in the medication prescribed will be made without your physicians' approval. Compliance with this formulary list is voluntary and in general there is no financial penalty for obtaining drugs not on the formulary list.

Occasionally there may be exceptions, for additional details refer to page 75, *Important things you should keep in mind and other Important features you should be aware of.*

**Any rebates or savings received by the Plan on the cost of drugs purchased under this Plan from drug manufacturers are credited to the health plan and are used to reduce health care costs.**

## Patient Safety

GEHA has several programs to promote patient safety. Through these programs, we work to ensure safe and appropriate quantities of medication are being dispensed. The result is improved care and safety for our members. Patient safety programs include:

- Prior approval – Approval must be obtained for certain prescription drugs and supplies before providing benefits for them.
- Quantity allowances – Specific allowances are in place for certain medications, based on manufacturer and FDA recommended guidelines.
- Pharmacy utilization – GEHA reserves the right to maximize your quality of care as it relates to the utilization of pharmacies.

GEHA will participate in other approved managed care programs, as deemed necessary, to insure patient safety.

## How to use Express Scripts/Medco network pharmacies (retail)

You may fill your prescription at any participating retail pharmacy. For the names of participating pharmacies, call (800) 551-7675 or visit [www.Express-Scripts.com](http://www.Express-Scripts.com). To receive maximum savings you must present your card at the time of each purchase, and your enrollment information must be current and correct. In most cases, you simply present the card together with the prescription to the pharmacist. Each purchase is limited to a 30-day supply per prescription.

Refills cannot be obtained until **75%** of the drug has been used. As part of the administration of the prescription drug program, we reserve the right to maximize your quality of care as it relates to the utilization of pharmacies. Some medications may require prior approval by Express Scripts/Medco or GEHA.

## How to use Express Scripts/Medco Pharmacy (mail order)

Through this service, you may receive up to a 90-day supply per prescription of maintenance medications for drugs which require a prescription, ostomy supplies, diabetic supplies and insulin, syringes and needles for covered injectable medications, and oral contraceptives. Some medications may not be available in a 90-day supply from Express Scripts/Medco even though the prescription is for 90 days. Even though insulin, syringes, diabetic supplies and ostomy supplies do not require a physician's prescription, to obtain through Express Scripts/Medco Pharmacy you should obtain a prescription (including the product number for ostomy and insulin pump supplies) from your physician for a 90-day supply.

Some medications may require approval by Express Scripts/Medco or GEHA. Not all drugs are available through Express Scripts/Medco Pharmacy. In order to use Express Scripts/Medco Pharmacy, your prescriptions must be written by a physician licensed in the United States. In addition, your mailing address must be within the United States or include an APO address.

Each enrollee will receive a kit that includes a brochure describing the Express Scripts/Medco Pharmacy service, an order form, a questionnaire, and a return envelope.

**To order new prescriptions**, ask your doctor to prescribe needed medication for up to a 90-day supply, plus refills, if appropriate. Complete the Health, Allergy, & Medication Questionnaire the first time you order through this service. Complete the information on the Ordering Medication Form; enclose your prescription and the correct deductible and coinsurance.

**Mail to:** Express Scripts, Attn: Direct Claims  
P.O. Box 2824  
Clinton, IA 52733-2824

**Fax:** Or you can ask your physician to fax your prescriptions to Express Scripts/Medco. To do this, provide your doctor with your ID number (located on your ID card) and ask him or her to call (888)327-9791 for instructions on how to use Express Scripts/Medco's fax service.

You should receive your medication within 14 days from the date you mail your prescription. You will also receive reorder instructions. If you have any questions or need an emergency consultation with a registered pharmacist, you may call Express Scripts/Medco toll-free at (800) 551-7675 available 24 hours a day, 7 days a week except Thanksgiving and Christmas. Forms necessary for refills will be provided each time you receive a supply of medication from the service.

**Electronic transmission:** Or you can ask your physician to transmit your prescriptions electronically to Express Scripts/Medco.

**Refilling your medication:** to be sure you never run short of your prescription medication, you should re-order on or after the refill date indicated on the refill slip or when you have approximately 14 days of medication left.

*How to use Express Scripts/Medco Pharmacy (mail order) - continued on next page*

## How to use Express Scripts/Medco Pharmacy (mail order) (cont.)

**To order by phone:** Call Member Services at (800) 551-7675. Have your refill slip with the prescription information ready.

**To order by mail:** Simply mail your refill slip and deductible and coinsurance in the return envelope.

**To order online:** Go to [www.Express-Scripts.com](http://www.Express-Scripts.com)

## Section 5(g). Special features

Special features	Description
<b>Flexible benefits option</b>	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> <li>• We may identify medically appropriate alternatives to regular contract benefits as a less costly alternative. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue.</li> <li>• Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process.</li> <li>• By approving an alternative benefit, we do not guarantee you will get it in the future.</li> <li>• The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits.</li> <li>• If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular contract benefits will resume if we do not approve your request.</li> <li>• Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claim process (see Section 8).</li> </ul>
<b>Services for deaf and hearing impaired</b>	TDD service is available at (800) 821-4833 for members who are hearing impaired.
<b>High risk pregnancies</b>	GEHA makes various maternity resources available to you or your covered dependent. Visit <a href="http://www.geha.com/maternity">www.geha.com/maternity</a> to order your packet on pregnancy and prenatal care.
<b>Health Advice Line</b>	<p>Call the toll-free GEHA Health Advice Line number (888) 257-4342 and speak with a registered nurse – any time, 24 hours a day. The nurse can help you understand your symptoms and determine appropriate care for your needs. For example: Do you need emergency care? Should you make an appointment with your physician? Are there self-care techniques that you can apply at home?</p> <p>When you call the GEHA Health Advice Line, you can also choose to listen to recorded messages on more than 1,000 health topics.</p>
<b>Health Rewards/Health Assessment</b>	<p>Participate in GEHA Health Rewards program and earn rewards for activities that can improve your health.</p> <p>Your first step is completing an online health assessment and receiving an individualized health report. The report can help you identify and address health risks. This information is not shared with your employer.</p> <p>You'll receive a \$50 gift card after completing the health assessment. Then, you can earn 50 points (equivalent to \$50) to be redeemed for health and wellness merchandise if you complete online classes, track your activity on <a href="http://www.onlifehealth.com">www.onlifehealth.com</a>, participate in a targeted health program, or get specific lab tests for diabetes or cardiac disease.</p>

	Start by completing an online health assessment at <a href="http://www.onlifehealth.com">www.onlifehealth.com</a> (click Get Started, type GEHA when prompted to enter a key code). For more information, go to <a href="http://www.geha.com/rewards">www.geha.com/rewards</a> .
<b>Obesity screening and management</b>	<p>GEHA offers a number of services and tools for weight management.</p> <ul style="list-style-type: none"> <li>• BMI calculation through on-line health risk assessment</li> <li>• Nutrition counseling (see Educational Classes and Programs, Section 5a)</li> <li>• Behavior change programs with coaching for members who qualify.</li> <li>• Discounts for gym memberships, Nutrisystem, and other services through Connection Fitness. (see Non-FEHB benefits).</li> <li>• Bariatric surgery, when medically necessary, at centers certified as “well qualified” by Centers for Medicare and Medicaid Services (CMS). Bariatric surgery must be precertified</li> </ul>
<b>Personal Health Record</b>	Our new Personal Health Record helps you track health conditions, allergies, medications and more. This program is voluntary and confidential. To access this tool, sign in to your account at <a href="http://www.geha.com">www.geha.com</a> .

## Section 5(h). Health education resources and account management tools

Special features	Description
<b>Health education resources</b>	<p>Visit our website at <a href="http://www.geha.com">www.geha.com</a> for the Health e-Report® Newsletter.</p> <p>Visit our Wellness Center at <a href="http://www.geha.com">www.geha.com</a> for information on:</p> <ul style="list-style-type: none"> <li>• General health topics</li> <li>• Links to health care news</li> <li>• Cancer and other specific diseases</li> <li>• Drugs/medication interactions</li> <li>• Kids health</li> <li>• Patient safety information</li> <li>• Helpful website links</li> </ul>
<b>Account management tools</b>	<p>For each HSA, HRA and HDHP account holder, we maintain a complete claims payment history online through <a href="http://www.geha.com">www.geha.com</a>.</p> <p>Your balance will also be shown on your Explanation of Benefits (EOB) form.</p> <p>You will receive an EOB after every claim.</p> <p>If you have an <b>HSA</b>:</p> <ul style="list-style-type: none"> <li>- You will receive a monthly statement from the HSA Bank™ outlining your account balance and activity for the month; and</li> <li>- You may also access your account on-line at <a href="http://www.hsabank.com">www.hsabank.com</a>.</li> </ul> <p>If you have an <b>HRA</b>:</p> <ul style="list-style-type: none"> <li>- Your HRA balance will be available on-line through <a href="http://www.geha.com">www.geha.com</a>; and</li> <li>- Your balance will also be shown on your (EOB form).</li> </ul> <p>If you have an <b>HDHP</b>:</p> <ul style="list-style-type: none"> <li>- Complete claims payment history is available online through <a href="http://www.geha.com">www.geha.com</a>; and</li> <li>- You will also receive an (EOB) after every claim.</li> </ul>
<b>Consumer choice information</b>	<ul style="list-style-type: none"> <li>• If you have GEHA's Health Savings Advantage<sup>SM</sup> HDHP, you may choose any provider. However, you will receive discounts when you see a network provider. You can find network providers online at <a href="http://www.geha.com">www.geha.com</a>.</li> <li>• Pricing information for prescription drugs is available at <a href="http://www.Express-Scripts.com">www.Express-Scripts.com</a>.</li> <li>• Link to online pharmacy through Express Scripts/Medco at <a href="http://www.Express-Scripts.com">www.Express-Scripts.com</a>.</li> <li>• Educational materials on the topics of HSAs, HRAs and HDHPs are available at <a href="http://www.geha.com">www.geha.com</a>.</li> </ul>
<b>Care support</b>	<ul style="list-style-type: none"> <li>• GEHA has a strong patient safety program. Pharmacy initiatives help ensure that members have fewer health complications related to prescription drugs. Disease management programs help our members with specific health conditions such as heart disease and diabetes. Medical case managers assist patients with high risk pregnancies, durable medical equipment, transplants and other special needs.</li> <li>• Patient safety information is available online at <a href="http://www.geha.com">www.geha.com</a>.</li> </ul>

## Non-FEHB benefits available to Plan members

The benefits in this Section are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums. These programs and materials are the responsibility of the Plan, and all appeals must follow their guidelines. For additional information contact the Plan at (800) 821-6136 or visit their website at [www.geha.com](http://www.geha.com).

Non-Covered Prescription Drugs	(800) 417-1893	
--------------------------------	----------------	--

Certain prescription drugs not covered by GEHA's Prescription Drug Program are available to GEHA health plan members at a discount. If your physician writes a prescription for a non-covered drug to treat impotency or hair loss, you may purchase it through the Express Scripts/Medco Pharmacy (mail order), paying 100% of the discounted amount. To order, complete the form called Ordering Medications from the Express Scripts/Medco Pharmacy. Mail this form along with your prescription and check or credit card number to:

Express Scripts, Attn: Direct Claims  
P.O. Box 2824  
Clinton, IA 52733-2824

If paying by a check, please call first to obtain the cost of the medication. Full payment must be included with your order.

Online Shopping		<a href="http://www.Express-Scripts.com">www.Express-Scripts.com</a>
-----------------	--	--

GEHA health plan members have access to special features offered on the Express Scripts/Medco Web site, [www.Express-Scripts.com](http://www.Express-Scripts.com). On this Web site, you can refill mail order prescriptions and manage your mail order account.

Connection Hearing®	(866) 211-6048	<a href="http://www.HEARPO.com">www.HEARPO.com</a>
---------------------	----------------	--

Free to all GEHA health plan option members and their families to include over age children, domestic partners, same sex spouses, parents, and grandparents, Connection Hearing® offers a discount hearing program through HearPO. Use of this program can help maximize your hearing aid benefit dollars. HearPO has over 2,700 locations, offering a variety of hearing aids and services. Plan highlights include:

- Discounted prices on more than 1,000 brand-name hearing aids from eight leading hearing aid manufacturers;
- Three-year warranty covering repairs and one-time loss and damage coverage;
- One-year follow-up care which includes cleaning, adjustment, and other hearing services included in the price of your hearing aid;
- Financing options with up to 12 months no interest and 60 day, no risk trial period;
- One year of free hearing aid batteries mailed directly to your home (maximum of 80 cells per hearing aid); and
- Highest customer satisfaction ratings in the hearing aid industry.

Simply call **(866) 211-6048** to learn more about the hearing program.

<b><u>FSAFEDS Paperless Reimbursement Option</u></b>	<b>(877) 372-3337</b>	<a href="http://www.FSAFEDS.com">www.FSAFEDS.com</a>
--	-----------------------	--

FSAFEDS, in partnership with Government Employees Health Association, Inc. Benefit Plan, offers a Paperless Reimbursement option allowing you to be reimbursed from your FSAFEDS health care account without submitting a claim! When you receive services through Government Employees Health Association, Inc. Benefit Plan, your out-of-pocket liability – the amount of money you paid to your provider – will be sent automatically to FSAFEDS for processing. FSAFEDS will review your claims and reimburse you for any eligible out-of-pocket expenses – no need for a claim form or receipt! In many cases, you will receive your reimbursement before your doctor's bill is due! Reimbursement will be made directly from your FSAFEDS account to you via Electronic Funds Transfer.

See Section 11 of this brochure, visit [www.FSAFEDS.com](http://www.FSAFEDS.com), or call toll-free (877) FSAFEDS (877) 372-3337 to learn more about how you can save money on your out-of-pocket health care expenses.

Connection Fitness®	(800) 294-1500	<a href="http://www.globalfit.com/geha">www.globalfit.com/geha</a>
---------------------	----------------	--

GEHA health plan members can take advantage of special discounts available through our Connection Fitness® program by GlobalFit. This new program offers discounts on gym memberships at more than 10,000 health clubs nationwide, discounts on workout equipment and videos, discounts on the NutriSystem weight management program, and discounts on 12-week health coaching programs. Call GlobalFit or visit the GlobalFit website for more information.

Connection Dental®	(800) 296-0776	<a href="http://www.geha.com">www.geha.com</a>
--------------------	----------------	--

Free to all GEHA health plan members, Connection Dental® can reduce your costs for dental care. Connection Dental is a network of more than 91,000 provider locations. Participating providers have agreed to limit their charges to reduced fees for GEHA health plan members. As a GEHA health plan member, you can take advantage of this program in addition to receiving basic dental benefits provided under the GEHA health plan. To find a participating Connection Dental provider in your area, call (800) 296-0776 or visit [www.geha.com](http://www.geha.com). Please confirm provider participation prior to your visit.

Connection Dental Plus®	(800)793-9335	<a href="http://www.geha.com/cdplus">www.geha.com/cdplus</a>
-------------------------	---------------	--

Available for an additional premium, Connection Dental Plus® is a supplemental dental plan that pays benefits for a wide variety of procedures, from cleanings and X-rays to crowns, dentures and orthodontia for children. This optional dental insurance is provided directly by GEHA. Certain waiting periods and limitations apply.

Enrollment is open to all current and former federal employees, retirees and annuitants, including those who are not members of the GEHA health plan. Parents can cover their unmarried dependent children up to their 26th birthday in this Plan.

When you also join the GEHA health plan, you pay a lower premium for Connection Dental Plus.

Covered Services	Calendar Year Deductible Per Person	Provider Participation	We pay
<b>Class A</b> Specified Diagnostic and Preventative	\$0	In-Network	100%
		Out-of-Network	80%
<b>Class B</b> Other Diagnostic, Preventative, Restorative & Specified Oral Surgery	\$50	In-Network	80%
		Out-of-Network	70%
<b>Class C</b> Endodontics, Periodontics, Prosthodontics & Crowns, Inlays, Onlays	\$100	In-Network	50%
		Out-of-Network	40%
<b>Class D</b> Orthodontics- Comprehensive Case (ages 6-17)	\$0	In-Network	\$50 per month
		Out-of-Network	\$25 per month

This is a partial summary of the terms, conditions and limitations of Connection Dental Plus. To get an enrollment packet or more information on coverage and rates, please call Connection Dental Plus at (800) 793-9335 or visit [www.geha.com/cdplus](http://www.geha.com/cdplus).

*Benefits described in this section are not part of the FEHB contract or premium, and you cannot file a FEHB disputed claim about them. Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums. The GEHA PPO coinsurance does not apply. GEHA does not guarantee that providers are available in all areas or that prices at a participating provider are lower than prices that may be available from a non-participating provider.*

---

## Section 6. General exclusions - services, drugs and supplies we do not cover

---

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. Although we may list a specific service as a benefit, we will not cover it unless we determine it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. For information on obtaining prior approval for specific services, such as transplants, see Section 3 *How you get care*.

We do not cover the following:

- Services, drugs, or supplies you receive while you are not enrolled in this Plan.
- Services, drugs, or supplies not medically necessary.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.
- Services, drugs, or supplies related to sex transformations; sexual dysfunction or sexual inadequacy.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services or supplies for which no charge would be made if the covered individual had no health insurance coverage.
- Services, drugs, or supplies you receive without charge while in active military service.
- Services or supplies furnished by immediate relatives or household members, such as spouse, parents, children, brothers or sisters by blood, marriage or adoption.
- Services or supplies furnished or billed by a non-covered facility, except that medically necessary prescription drugs and physical, occupational and speech therapy rendered by a qualified professional therapist on an outpatient basis are covered subject to Plan limits.
- Services or supplies for cosmetic purposes.
- Surgery to correct congenital anomalies for individuals age 18 and older unless there is a functional deficit.
- Services or supplies not specifically listed as covered.
- Services or supplies not reasonably necessary for the diagnosis or treatment of an illness or injury, except for routine physical examinations and immunizations.
- Any portion of a provider's fee or charge ordinarily due from the enrollee but that has been waived. If a provider routinely waives (does not require the enrollee to pay) a deductible, copay or coinsurance, we will calculate the actual provider fee or charge by reducing the fee or charge by the amount waived.
- Charges which the enrollee or Plan has no legal obligation to pay, such as excess charges for an annuitant age 65 or older who is not covered by Medicare Parts A and/or B (see page 101), doctor charges exceeding the amount specified by the Department of Health and Human Services when benefits are payable under Medicare "limiting charge" (see page 102), services, drugs or supplies related to avoidable complications and medical errors, "Never Event" policies (see page 106) or State premium taxes however applied.
- Charges in excess of the "Plan allowance" as defined on page 106.
- Biofeedback, educational, recreational or milieu therapy, either in or out of a hospital.
- Inpatient private duty nursing.
- Stand-by physicians and surgeons.
- Clinical ecology and environmental medicine.
- Chelation therapy except for acute arsenic, gold, or lead poisoning.

- Treatment for impotency, even if there is an organic cause for impotency. (Exclusion applies to medical/surgical treatment as well as prescription drugs.)
- Treatment other than surgery of temporomandibular joint dysfunction and disorders (TMJ).
- Computer devices to assist with communications.
- Surgical treatment of hyperhidrosis unless alternative therapies such as botox injections or topical aluminum chloride and pharmacotherapy have been unsuccessful.
- Computer programs of any type, including but not limited to those to assist with vision therapy or speech therapy.
- Weight loss programs.
- Home test kits including but not limited to HIV and drug home test kits.
- Telephone consultations and therapy (including consultations or therapy by remote video connection such as Skype™).
- Genetic counseling and genetic screening.
- Services, drugs, or supplies ordered or furnished by a non-covered provider.

---

## Section 7. Filing a claim for covered services

---

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received).

See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures.

### **How to claim benefits**

To obtain claim forms, claims filing advice or answers about our benefits, contact us at (800) 821-6136, or at our Web site at [www.geha.com](http://www.geha.com).

In most cases, providers and facilities file claims for you. Your physician must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB-04 form.

Mail to: GEHA  
P.O. Box 4665  
Independence, MO 64051-4665

For claims questions and assistance, call us at (800) 821-6136.

When you must file a claim - such as for services you received overseas or when another group health plan is primary - submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Patient's name, date of birth, address, phone number and relationship to enrollee;
- Patient's Plan identification number;
- Name and address of person or company providing the service or supply;
- Dates that services or supplies were furnished;
- Diagnosis;
- Type of each service or supply; and
- The charge for each service or supply.

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.

In addition:

- If another health plan is your primary payor, you must send a copy of the explanation of benefits (EOB) form you received from any primary payor (such as the Medicare Summary Notice (MSN) with your claim.
- Bills for home nursing care must show that the nurse is a registered or licensed practical nurse and should include nursing notes.
- If your claim is for rental or purchase of durable medical equipment; private duty nursing; and physical therapy, occupational therapy, or speech therapy, you must provide a written statement from the physician specifying the medical necessity for the service or supply and the length of time needed.
- Claims for prescription drugs and supplies must include receipts that show the prescription number, name of drug or supply, prescribing physician's name, date, and charge. A copy of the physician's script must be included with prescription drugs purchased outside the United States.
- To control administrative costs, we will not issue benefit checks that do not exceed \$1.
- We will provide translation and currency conversion services for claims for overseas (foreign) services.

**Post-service claims procedures**

We will notify you of our decision within 30 days after we receive your post-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.

**Records**

Keep a record of the medical expenses of all covered family members as deductibles and maximum allowances apply. Save copies of all medical bills, including those you accumulate to satisfy a deductible. In most instances they will serve as evidence of your claim. We will not provide duplicate or year-end statements.

**Deadline for filing your claim**

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service. If you could not file on time because of Government administrative operations or legal incapacity, you must submit your claim as soon as reasonably possible. Once we pay benefits, there is a three-year limitation on the re-issuance of uncashed checks.

**Overseas claims**

For covered services you receive in hospitals outside the United States and Puerto Rico and performed by physicians outside the United States, send a completed Overseas Claim Form and the itemized bills to: GEHA, Foreign Claims Department, P.O. Box 4665, Independence, MO 64051-4665. Obtain Overseas Claim Forms from [www.geha.com](http://www.geha.com).

If you have questions about the processing of overseas claims, contact us at (877) 320-9469 or by email [overseas@geha.com](mailto:overseas@geha.com). If possible, include a receipt showing the exchange rate on the date the claimed services were performed. Covered providers outside the United States will be paid at the PPO level of benefits.

**When we need more information**

Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond. Our deadline for responding to your claim is stayed while we await all of the additional information needed to process your claim.

**Authorized Representative**

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, a health care professional with knowledge of your medical condition will be permitted to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

**Notice Requirements**

The Secretary of Health and Human Services has identified counties where at least 10 percent of the population is literate only in certain non-English languages. The non-English languages meeting this threshold in certain counties are Spanish, Chinese, Navajo and Tagalog. If you live in one of these counties, we will provide language assistance in the applicable non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language services (such as telephone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.

Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the health care provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes and its corresponding meaning, and the treatment code and its corresponding meaning.

---

## Section 8. The disputed claims process

---

You may be able to appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7 and 8 of this brochure, please visit [www.geha.com](http://www.geha.com).

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3, *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim. To make your request, please contact our Customer Service Department by writing GEHA, P.O. Box 4665, Independence, MO 64051-4665 or calling (800) 821-6136.

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgment (i.e., medical necessity, experimental/investigational), we will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who was not involved in making the initial decision.

Our reconsideration decision will not afford deference to the initial decision and will be conducted by a plan representative who is neither the individual who made the initial decision that is the subject of the reconsideration, nor the subordinate of that individual.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Disagreements between you and the HDHP fiduciary regarding the administration of an HSA or HRA are not subject to the disputed claims process.

Step	Description
<b>1</b>	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none"><li>a) Write to us within 6 months from the date of our decision; and</li><li>b) Send your request to us at: GEHA, P.O. Box 4665, Independence, MO 64051-4665; and</li><li>c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and</li><li>d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.</li><li>e) Include your email address (optional for member), if you would like to receive our decision via email. Please note that by giving us your email, we may be able to provide our decision more quickly.</li></ul> <p>We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.</p>
<b>2</b>	<p>In the case of a post-service claim, we have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none"><li>a) Pay the claim or</li></ul>

	<p>b) Write to you and maintain our denial or</p> <p>c) Ask you or your provider for more information.</p> <p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.</p>
<b>3</b>	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none"> <li>• 90 days after the date of our letter upholding our initial decision; or</li> <li>• 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or</li> <li>• 120 days after we asked for additional information.</li> </ul> <p>Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employee Insurance Operations, Health Insurance 2, 1900 E Street NW, Washington, DC 20415-3620.</p> <p>Send OPM the following information:</p> <ul style="list-style-type: none"> <li>• A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;</li> <li>• Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;</li> <li>• Copies of all letters you sent to us about the claim;</li> <li>• Copies of all letters we sent to you about the claim;</li> <li>• Your daytime phone number and the best time to call; and</li> <li>• Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.</li> </ul> <p>Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.</p> <p>Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.</p> <p>Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.</p>
<b>4</b>	<p>OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.</p> <p>If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.</p> <p>OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.</p> <p>You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.</p>

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at (800) 821-6136. We will hasten our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance 2, at (202) 606-3818 between 8 a.m. and 5 p.m. Eastern time.

Please remember that we do not make decisions about plan eligibility issues. For example, we do not determine whether you or a dependent is covered under this plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Workers' Compensation programs if you are receiving Workers' Compensation benefits.

---

## Section 9. Coordinating benefits with Medicare and other coverage

---

### **When you have other health coverage or auto insurance**

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage”.

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit the NAIC web site at <http://www.NAIC.org>.

When we are the primary payor, we will pay benefits described in this brochure.

In certain circumstances when we are secondary, we will also take advantage of any provider discount arrangements your primary plan may have. When the primary plan allowance is less than our allowable, we will only make up the difference between the primary’s plan payment and the amount the provider has agreed to accept as payment in full from the primary payor.

If your primary payor requires preauthorization or requires you use designated facilities or provider for benefits to be approved, it is your responsibility to comply with these requirements. In addition you must file the claim to your primary payor within the required time period. If you fail to comply with any of these requirements and benefits are denied by the primary payor, we will pay secondary benefits based on an estimate of what the primary carrier would have paid if you followed their requirements.

Please see Section 4, *Your costs for covered services*, for more information about how we pay claims.

### **• TRICARE and CHAMPVA**

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

**Suspended FEHB coverage to enroll in TRICARE or CHAMPVA:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

### **• Workers’ Compensation**

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers’ Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

### **• Medicaid**

When you have this Plan and Medicaid, we pay first.

**Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

**When other Government agencies are responsible for your care**

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

**When others are responsible for injuries**

If GEHA pays benefits for an illness or injury for which you or your dependent are later compensated or reimbursed from another source, you must refund GEHA from any recovery you or your dependent obtain. All GEHA benefit payments in these circumstances are conditional, and remain subject to our contractual benefit limitations, exclusions, and maximums. By accepting these conditional benefits, you agree to the following:

- The covered person or his/her legal representative must contact GEHA's Subrogation Unit at (800) 821-4742 as soon after the incident as possible and provide all requested information, including prompt disclosure of the terms of all settlements, judgments, or reimbursements. The covered person must sign any releases GEHA requires to obtain information about his/her claim from other sources.
- Include all benefits paid by GEHA in any claim for compensation you or your dependent assert against any tortfeasor, insurer, or other party for the injury or illness, and assign all proceeds recovered from any party, including your own and/or other insurance, to GEHA for up to the amount of the benefits paid.
- When benefits are payable under the Plan in relation to the illness or injury, GEHA may, at its option:

Subrogate, that is, take over the covered person's right to receive payments from other parties. The covered person or his/her legal representative will transfer to GEHA any rights he or she may have to take legal action arising from the illness or injury to recover any sums paid on behalf of the covered person; or

Enforce its right to seek reimbursement, that is recover from the covered person, or his/her legal representative, any benefits paid from any payment the covered person is entitled to receive from other parties.

You must cooperate in doing what is reasonably necessary to assist us, and you must not take any action that may prejudice our rights to recover reimbursement.

- Reimburse GEHA on a first priority basis, in full up to the amount of benefits paid, out of any settlements, judgments, and/or recoveries that you obtain from any source, no matter how characterized, i.e., as "pain and suffering." GEHA enforces this right of reimbursement by asserting a lien against any and all recoveries received, including first party Medpay, Personal Injury Protection, No-Fault coverage, Third-Party, and Uninsured and Underinsured coverage. GEHA's lien consists of the total benefits paid to diagnose or treat the illness or injury. GEHA's lien applies first, regardless of the "make whole" and "common fund" doctrines. No reduction of GEHA's lien can occur without our written consent, including reduction for attorney fees and cost.
- Sign a Reimbursement Agreement if asked by GEHA to do so. However, a Reimbursement Agreement is not necessary to enforce our lien. We may delay processing of your claims until we receive a signed Reimbursement Agreement or Assignment of the proceeds of a claim.

GEHA's lien extends to all related expenses incurred prior to the settlement or judgment date, even if those expenses were not submitted to GEHA for payment at the time you reimbursed GEHA. The lien remains the member's obligation until it is satisfied in full. Failure to refund GEHA or cooperate with our reimbursement efforts may result in an overpayment that can be collected from you or any dependent.

### **When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP)**

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on [www.BENEFEDS.com](http://www.BENEFEDS.com), you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

### **Clinical trials**

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition, and is either Federally-funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration (FDA); or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy. These costs are covered by this Plan.
- Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care. This Plan **does not** cover these costs.
- Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials. This Plan **does not** cover these costs.

### **When you have Medicare**

#### **• What is Medicare?**

Medicare is a health insurance program for:

- People 65 years of age or older;
- Some people with disabilities under 65 years of age; and
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact (800) MEDICARE (800) 633-4227, TTY: (877) 486-2048 for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.
- Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We do not offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans beginning on page 99.

- Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare's Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at (800) 772-1213, TTY: (800) 325-0778. Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

- **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits three months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number (800) 772-1213, TTY: (800) 325-0778 to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. If you do not sign up for Medicare Part B when you are first eligible, you may be charged a Medicare Part B late enrollment penalty of a 10 % increase in premium for every 12 months you are not enrolled. If you didn't take Part B at age 65 because you were covered under FEHB as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

**(Please refer to page 101 for information about how we provide benefits when you are age 65 or older and do not have Medicare.)**

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

**Claims process when you have the Original Medicare Plan** – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at (800) 821-6136 or see our Web site at [www.geha.com](http://www.geha.com).

**We do NOT waive deductibles or coinsurance for Medicare members enrolled in the High Deductible Health Plan.**

If you obtain services from a non-Medicare provider, we will limit our payment to the coinsurance amount we would have paid after Original Medicare's payment based on our Plan allowable and the type of service you receive.

You can find more information about how our Plan coordinates benefits with Medicare as outlined in (Medicare and GEHA) at [www.geha.com](http://www.geha.com).

- **Tell us about your Medicare coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

- **Private contract with your physician**

A physician may ask you to sign a private contract agreeing that you can be billed directly for services ordinarily covered by Original Medicare. Should you sign an agreement, Medicare will not pay any portion of the charges, and we will not increase our payment. Regardless of whether the physician requires you to sign an agreement, we will still limit our payment to the coinsurance amount we would have paid after Original Medicare's payment based on our Plan allowable and the type of service you receive. You may be responsible for paying the difference between the billed amount and the amount we paid.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at (800) MEDICARE (800) 633-4227, TTY: (877) 486-2048 or at [www.medicare.gov](http://www.medicare.gov).

If you enroll in a Medicare Advantage plan, the following options are available to you:

**This Plan and another plan's Medicare Advantage plan:** You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area, but we will not waive any of our coinsurance or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

**Suspended FEHB coverage to enroll in a Medicare Advantage plan:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season, unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

<b>Primary Payor Chart</b>		
<b>A. When you - or your covered spouse - are age 65 or over and have Medicare and you...</b>	<b>The primary payor for the individual with Medicare is...</b>	
	<b>Medicare</b>	<b>This Plan</b>
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services

<b>B. When you or a covered family member...</b>		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD <b>(30-month coordination period)</b>		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payor before eligibility due to ESRD <b>(for 30 month coordination period)</b>		✓
• Medicare was the primary payor before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD <b>(for the 30 month coordination period)</b>		✓
• Medicare based on ESRD <b>(after the 30 month coordination period)</b>	✓	
<b>C. When either you or a covered family member are eligible for Medicare solely due to disability and you...</b>		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
<b>D. When you are covered under the FEHB Spouse Equity provision as a former spouse</b>	✓	

\*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

## When you are age 65 or over and do not have Medicare

Under the FEHB law, we must limit our payments for **inpatient hospital care** and **physician care** to those payments you would be entitled to if you had Medicare. Your physician and hospital must follow Medicare rules and cannot bill you for more than they could bill you if you had Medicare. You and the FEHB benefit from these payment limits. Outpatient hospital care and non-physician based care are not covered by this law; regular Plan benefits apply. The following chart has more information about the limits.

---

### If you:

- are age 65 or over; and
  - do not have Medicare Part A, Part B, or both; and
  - have this Plan as an annuitant or as a former spouse, or as a family member of an annuitant or former spouse; and
  - are not employed in a position that gives FEHB coverage. (Your employing office can tell you if this applies.)
- 

### Then, for your inpatient hospital care:

- The law requires us to base our payment on an amount - the "equivalent Medicare amount" - set by Medicare's rules for what Medicare would pay, not on the actual charge.
- You are responsible for your applicable deductibles and coinsurance under this Plan.
- You are not responsible for any charges greater than the equivalent Medicare amount; we will show that amount on the explanation of benefits (EOB) form that we send you.
- The law prohibits a hospital from collecting more than the "equivalent Medicare amount".

When inpatient claims are paid according to a Diagnostic Related Group (DRG) limit (for instance, for admissions of certain retirees who do not have Medicare), we will pay 30% of the total covered amount as room and board charges and 70% as other charges and will apply your coinsurance accordingly.

---

### And, for your physician care, the law requires us to base our payment and your coinsurance on:

- an amount set by Medicare and called the "Medicare approved amount," or
- the actual charge if it is lower than the Medicare approved amount.

If your physician:	Then you are responsible for:
Participates with Medicare or accepts Medicare assignment for the claim and is a member of our PPO network,	your deductibles and coinsurance.
Participates with Medicare and is <b>not</b> in our PPO network,	your deductibles, coinsurance, and any balance up to the Medicare approved amount.
Does not participate with Medicare,	your deductibles, coinsurance, and any balance up to 115% of the Medicare approved amount.

It is generally to your financial advantage to use a physician who participates with Medicare. Such physicians are permitted to collect only up to the Medicare approved amount.

Our explanation of benefits (EOB) form will tell you how much the physician or hospital can collect from you. If your physician or hospital tries to collect more than allowed by law, ask the physician or hospital to reduce the charges. If you have paid more than allowed, ask for a refund. If you need further assistance, call us.

**When you have the  
Original Medicare Plan  
(Part A, Part B, or both)**

We limit our payment to an amount that supplements the benefits that Medicare would pay under Medicare Part A (Hospital insurance) and Medicare Part B (Medical insurance), regardless of whether Medicare pays. Note: We pay our regular benefits for emergency services to an institutional provider, such as a hospital, that does not participate with Medicare and is not reimbursed by Medicare.

We use the Department of Veterans Affairs (VA) Medicare-equivalent Remittance Advice (MRA) when the statement is submitted to determine our payment for covered services provided to you if Medicare is primary, when Medicare does not pay the VA facility.

If you are covered by Medicare Part B and it is primary, your out-of-pocket costs for services that both Medicare Part B and we cover depend on whether your physician accepts Medicare assignment for the claim.

Although your physician **accepts** Medicare assignment, we **do not** waive your deductibles and coinsurance for covered charges.

If your physician **does not accept** Medicare assignment, then you pay the difference between the “limiting charge” or the physician’s charge (whichever is less) and our payment combined with Medicare’s payment.

It is important to know that a physician who does not accept Medicare assignment may not bill you for more than 115% of the amount Medicare bases its payment on, called the “limiting charge.” The Medicare Summary Notice (MSN) that Medicare will send you will have more information about the limiting charge. If your physician tries to collect more than allowed by law, ask the physician to reduce the charges. If the physician does not, report the physician to the Medicare carrier that sent you the MSN form. Call us if you need further assistance.

---

## Section 10. Definitions of terms we use in this brochure

---

<b>Accidental injury</b>	An injury caused by an external force or element such as a blow or fall that requires immediate medical attention. Also included are animal bites, poisonings, and dental care required to repair injuries to sound natural teeth as a result of an accidental injury, not from biting or chewing.
<b>Admission</b>	The period from entry (admission) into a hospital or other covered facility until discharge. In counting days of inpatient care, the date of entry and the date of discharge are counted as the same day.
<b>Assignment</b>	An authorization by an enrollee or spouse for the Plan to issue payment of benefits directly to the provider. The Plan reserves the right to pay the member directly for all covered services.
<b>Calendar year</b>	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
<b>Calendar year deductible</b>	There is one deductible for the entire Plan year for covered services - medical, prescription, inpatient, outpatient, mental health and chiropractic care - you must incur for almost all covered services and supplies before we start paying benefits.
<b>Catastrophic limit</b>	For those covered services with coinsurance, we pay 100% of our allowable amount for the remainder of the calendar year after your out-of-pocket-expenses for deductibles and coinsurance exceed \$5000 for self only coverage or \$10,000 for family coverage.
<b>Clinical trials cost categories</b>	<p>An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition, and is either Federally-funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration (FDA); or is a drug trial that is exempt from the requirement of an investigational new drug application.</p> <p>If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:</p> <ul style="list-style-type: none"><li>• Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient’s condition whether the patient is in a clinical trial or is receiving standard therapy.</li><li>• Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient’s routine care.</li><li>• Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes.</li></ul>
<b>Coinsurance</b>	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. (see pages 24 - 26)
<b>Compound medications</b>	A compound medication includes more than one ingredient and is custom made by a pharmacist according to your doctor's instructions. Compound prescriptions must contain a federal legend drug and the ingredients must be covered by the GEHA benefit.
<b>Congenital anomaly</b>	A condition existing at or from birth which is a significant deviation from the common form or norm. For purposes of this Plan, congenital anomalies include cleft lips, cleft palates, birthmarks, webbed fingers or toes and other conditions that the Plan may determine to be congenital anomalies. Surgical correction of congenital anomalies is limited to children under the age of 18 unless there is a functional deficit. In no event will the term congenital anomaly include conditions relating to teeth or intra-oral structures supporting the teeth.
<b>Cosmetic</b>	Any procedure or any portion of a procedure performed primarily to improve physical appearance and/or treat a mental condition through change in bodily form.
<b>Cost-sharing</b>	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible and coinsurance) for the covered care you receive.

<b>Covered services</b>	Services we provide benefits for, as described in this brochure.
<b>Custodial care</b>	<p>Treatment or services, regardless of who recommends them or where they are provided, that could be rendered safely and reasonably by a person not medically skilled, or that are designed mainly to help the patient with daily living activities. These activities include but are not limited to:</p> <ul style="list-style-type: none"> <li>• Personal care such as help in walking, getting in and out of bed, bathing, eating by spoon, tube or gastrostomy, exercise, and dressing;</li> <li>• Homemaking, such as preparing meals or special diets;</li> <li>• Moving the patient;</li> <li>• Acting as companion or sitter;</li> <li>• Supervising medication that can usually be self-administered; and</li> <li>• Treatment or services that any person may be able to perform with minimal instruction, including but not limited to recording temperature, pulse, and respirations, or administration and monitoring of feeding systems.</li> </ul> <p>The Carrier determines which services are custodial care. (Custodial care that lasts 90 days or more is sometimes known as long-term care.)</p>
<b>Deductible</b>	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. (see page 24)
<b>Durable medical equipment</b>	<p>Equipment and supplies that:</p> <ul style="list-style-type: none"> <li>• Are prescribed by your attending doctor;</li> <li>• Are medically necessary;</li> <li>• Are primarily and customarily used only for a medical purpose;</li> <li>• Are generally useful only to a person with an illness or injury;</li> <li>• Are designed for prolonged use; or</li> <li>• Serve a specific therapeutic purpose in the treatment of an illness or injury.</li> </ul>
<b>Effective date</b>	<p>The date the benefits described in this brochure are effective:</p> <ul style="list-style-type: none"> <li>• January 1 for continuing enrollments and for all annuitant enrollments;</li> <li>• The first day of the first full pay period of the new year for enrollees who change plans or options or elect FEHB coverage during the open season for the first time; and</li> <li>• For new enrollees during the calendar year, but not during the open season, the effective date of enrollment as determined by the employing office or retirement system.</li> </ul>
<b>Elective surgery</b>	Any non-emergency surgical procedure that may be scheduled at the patient's convenience without jeopardizing the patient's life or causing serious impairment to the patient's bodily functions.
<b>Expense</b>	An expense is "incurred" on the date the service or supply is rendered.
<b>Experimental or investigational service</b>	<p>A drug, device, or biological product is experimental or investigational if the drug, device, or biological product cannot be lawfully marketed without approval of the U.S. Food and Drug Administration (FDA) and approval for marketing has not been given at the time it is furnished. Approval means all forms of acceptance by the FDA.</p> <p>A medical treatment or procedure, or a drug, device, or biological product is experimental or investigational if 1) reliable evidence shows that it is the subject of ongoing phase I, II, or III clinical trials or under study to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis; or 2) reliable evidence shows that the consensus of opinion among experts regarding the drug, device,</p>

or biological product or medical treatment or procedure is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis.

Reliable evidence shall mean only published reports and articles in the authoritative medical and scientific literature; the written protocol or protocols used by the treating facility or the protocol(s) of another facility studying substantially the same drug, device, or medical treatment or procedure; or the written informed consent used by the treating facility or by another facility studying substantially the same drug, device, or medical treatment or procedure.

Determination of experimental/investigational status may require review of appropriate Government publications such as those of the National Institute of Health, National Cancer Institute, Agency for Health Care Policy and Research, Food and Drug Administration, and National Library of Medicine. Independent evaluation and opinion by Board Certified Physicians who are professors, associate professors, or assistant professors of medicine at recognized United States Medical Schools may be obtained for their expertise in subspecialty areas.

<b>Group health coverage</b>	Health care coverage that a member or covered dependent is eligible for because of employment by, membership in, or connection with, a particular organization or group that provides payment for hospital, medical, dental or other health care services or supplies, including extension of any of these benefits through COBRA.
<b>Health care professional</b>	A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.
<b>Health Reimbursement Arrangement (HRA)</b>	Tax-free health plan deposits provided by us which allows you to accumulate savings for tax-free withdrawals for qualified medical expenses including your health plan deductible and other qualified out-of-pocket medical expenses.
<b>Health Savings Account (HSA)</b>	A tax-free account with monthly contributions made by us which earn interest for you to accumulate funds to help cover the deductible and other medical out-of-pocket expenses that roll over from year to year when not used for medical expenses. You have the option to make additional contributions to your account up to the maximum allowed by law.
<b>Infertility</b>	The inability to conceive after a year of unprotected intercourse or the inability to carry a pregnancy to term.
<b>Inpatient Care</b>	Inpatient care is care rendered to a person who has been admitted to a hospital for bed occupancy for purposes of receiving inpatient hospital services. Generally, a patient is considered an inpatient if formally admitted as an inpatient with the expectation that he or she will remain at least overnight and occupy a bed even if it later develops that the patient can be safely discharged or transferred to another hospital and not actually use a hospital bed overnight. This Plan uses Milliman Care Guidelines to evaluate the appropriateness of observation services.
<b>Intensive day treatment</b>	Outpatient treatment of mental conditions or substance abuse rendered at and billed by a facility which is accredited under the Hospital Accreditation Program of the Joint Commission of Accreditation of Healthcare Organizations (JCAHO) or is licensed by the state as an outpatient day treatment program.
<b>Medical necessity</b>	<p>Services, drugs, supplies or equipment provided by a hospital or covered provider of the health care services that the Plan determines:</p> <ul style="list-style-type: none"> <li>• Are appropriate to diagnose or treat the patient's condition, illness or injury;</li> <li>• Are consistent with <b>generally accepted standards of medical practice in the United States</b>.</li> </ul> <p>Generally accepted standards of medical practice are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, national physician specialty society recommendations and the views of medical practitioners practicing in relevant clinical areas, and any other relevant factors.</p>

- Are not primarily for the personal comfort or convenience of the patient, the family, or the provider;
- Are not a part of or associated with the scholastic education or vocational training of the patient; or
- In the case of inpatient care, cannot be provided safely on an outpatient basis.

The fact that a covered provider has prescribed, recommended, or approved a service, supply, drug or equipment does not, in itself, make it medically necessary.

**Mental health/substance abuse**

Conditions and diseases listed in the most recent edition of the International Classification of Diseases (ICD) as psychoses, neurotic disorders, or personality disorders; other nonpsychotic mental disorders listed in the ICD, to be determined by the Plan; or disorders listed in the ICD requiring treatment for abuse or dependence upon substances such as alcohol, narcotics, or hallucinogens.

**Never event policies**

Federal or State policies that bar health care providers from charging patients for care that is attributable to certain avoidable complications or errors, such as wrong site surgery.

**Observation care**

Observation care is a well-defined set of specific, clinically appropriate services, which include ongoing short-term treatment, assessment, and reassessment, that are furnished while a decision is being made regarding whether patients will require further treatment as hospital inpatients or if they are able to be discharged from the hospital. Observation services are commonly ordered for patients who present to the emergency department and who then require a significant period of treatment or monitoring in order to make a decision concerning their admission or discharge. This Plan uses Milliman Care Guidelines to evaluate the appropriateness of observation services.

The Plan provides outpatient hospital benefits for observation care. If you are in the hospital for more than a few hours, confirm with your physician whether your stay is inpatient or outpatient so that you are aware of how your hospital claim will be processed.

**Plan allowance**

Our Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Fee-for-service plans determine their allowances in different ways. We determine our Plan allowance as follows:

***PPO providers:***

Our PPO allowances are negotiated with each provider who participates in the network. PPO allowances may be based on a standard reduction or on a negotiated fee schedule. For these allowances, the PPO provider has agreed to accept the negotiated reduction and you are not responsible for this discounted amount. In these instances, the benefit paid plus your coinsurance equals payment in full.

***Non-PPO providers:***

To determine our non-PPO Plan allowance, we must first be provided an itemized bill that includes your diagnosis, the services or supplies you received, and the provider's charge for each, using the same types of standard codes, descriptions and other information required for processing by public health care plans like Medicare. If we are not provided the itemization of the services or supplies you received, we will assume they were equivalent to the level and extent of services and supplies typically provided by the providers or facilities most commonly used to treat other Plan members with the same principal diagnosis as yours. We will base these equivalent services on claims submitted to the Plan by providers in the same geographic region or a combination of similar geographic regions across the United States.

Based on the itemization of services or supplies you received, we will determine the amount of the maximum non-PPO Plan allowance by applying the following rules, in order:

1. We consult standard industry guides, such as national databases of prevailing health care charges from FAIR Health or another identified data source, that are available for our use in a given state or geographic area. After the data supplier removes outliers from the claim data they collect, they group the remaining data by percentiles. We use the 70th percentile. This means that out of every 100 reports remaining after outliers were removed, 30 charges billed may be more, but 70 charges will be the allowed amount or less.
2. For services or supplies obtained in a state or geographic area where the above data source is unavailable for our use, and also for dialysis centers and outpatient dialysis performed at a hospital our non-PPO Plan allowance is two times the Medicare participating provider allowance for the service or supply in the geographic area in which it was performed or obtained. This Medicare-based allowance is not used for those services where Medicare sets a fixed national payment amount that does not vary geographically (such as blood draws). Medicare fee schedule information for physician services may be obtained at [www.cms.hhs.gov/PFSlookup/](http://www.cms.hhs.gov/PFSlookup/).
3. Some Plan allowances may be submitted to medical consultants who recommend allowances based on standard industry relative value guidelines. For services or supplies for which Medicare does not provide an allowance amount, we may use the current fee schedule used by the federal Office of Workers Compensation (OWCP). OWCP fee schedule information may be obtained at [www.dol.gov/OWCP/regs/feeschedule/fee.htm](http://www.dol.gov/OWCP/regs/feeschedule/fee.htm). For services or supplies that do not have a value currently established by public health care plans such as Medicare or Medicaid, or for implantable devices and surgical hardware, we may use medical consultants to determine an appropriate allowance. We may also conduct independent studies to determine the usual cost of a service or supply in a geographic area, or to establish allowances for services or supplies provided outside the United States.

Non-PPO Plan allowance amounts determined according to these guidelines include, but are not limited to, ambulatory surgery centers, dialysis centers, surgery, doctor's services, physical therapy, occupational therapy, speech therapy, lab testing and X-ray expenses, implantable devices and surgical hardware and diagnostic and preventive dental services. For more information about the source of the data we are currently using you may call us at (800) 821-6136.

Plan allowance for prescription drugs is determined using Average Wholesale Price or other industry-standard reference price data.

Charges for some Plan allowances are stated in this brochure. These include limited benefits such as chiropractic care and routine dental care.

If we negotiate a reduced fee amount on an individual claim for services or supplies which is lower than the Plan allowance, covered benefits will be limited to the negotiated amount. Your coinsurance will be based on the reduced fee amount. If you choose to use a provider other than the one we negotiated a reduction with, you will be responsible for the difference in these amounts.

To estimate our maximum Plan allowance for a non-PPO provider before you receive services from them, call us at (800) 821-6136.

For more information, see *Differences between our allowance and the bill* in Section 4.

#### **Post-service claims**

Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.

#### **Pre-service claims**

Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval or a referral results in a reduction of benefits.

<b>Premium contribution to HSA/HRA</b>	The portion of your monthly health plan premium that is credited toward our annual HSA deposit to your HSA based on your effective date of enrollment; or the portion of your health plan premium credited to your HRA which is available to you upon your enrollment in this Plan.
<b>Sound natural tooth</b>	Sound and Natural Tooth is a whole or properly restored tooth that has no condition that would weaken the tooth or predispose it to injury prior to the accident, such as decay, periodontal disease, or other impairments. For purposes of the Plan, damage to a restoration, such as a prosthetic crown or prosthetic dental appliance (i.e. bridgework), would not be covered as there is no injury to the natural tooth structure.
<b>Urgent care claims</b>	<p>A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:</p> <ul style="list-style-type: none"> <li>• Waiting could seriously jeopardize your life or health;</li> <li>• Waiting could seriously jeopardize your ability to regain maximum function; or</li> <li>• In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.</li> </ul> <p>Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.</p> <p>If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at (800) 821-6136. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.</p>
<b>Us/We</b>	Us and we refer to Government Employees Health Association, Inc.
<b>You</b>	You refers to the enrollee and each covered family member.

---

## Section 11. Other Federal Programs

---

Please note, the following programs are not part of your FEHB benefits. They are separate Federal programs that complement your FEHB benefits and can potentially reduce your annual out-of-pocket expenses. These programs are offered independent of the FEHB Program and require you to enroll separately with no Government contribution.

### **Important information about three Federal programs that complement the FEHB Program**

First, the **Federal Flexible Spending Account Program**, also known as FSAFEDS, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. Participating employees save an average of about 30% on products and services they routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)** provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

### **The Federal Flexible Spending Account Program – FSAFEDS**

#### **What is an FSA?**

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less in taxes so you save money.

#### **Annuitants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250. The maximum annual election for a health care flexible spending account (HCFSA) or a limited expense health care spending account (LEX HCFSA) is \$2,500 per person. The maximum annual election for a dependent care flexible spending account (DCFSA) is \$5,000 per household.

- **Health Care FSA (HCFSA)** – Reimburses you for eligible health care expenses (such as copayments, deductibles, insulin products, **physician prescribed** over-the-counter drugs and medications, vision and dental expenses, and much more) for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.

FSAFEDS offers paperless reimbursement for your HCFSA through a number of FEHB and FEDVIP plans. This means that when you or your provider file claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.

- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your tax dependents including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Dependent Care FSA (DCFSA)** – Reimburses you for eligible **non-medical** day care expenses for your child(ren) under age 13 and/or for any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self-care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSA.
- If you are a new or newly eligible employee you have 60 days from your hire date to enroll in an HCFSA or LEX HCFSA and/or DCFSA, but you must enroll before October 1. If you are hired or become eligible on or after October 1 you must wait and enroll during the Federal Benefits Open Season held each fall.

**Where can I get more information about FSAFEDS?**

Visit [www.FSAFEDS.com](http://www.FSAFEDS.com) or call an FSAFEDS Benefits Counselor toll-free at (877) FSAFEDS (877) 372-3337, Monday through Friday, 9 a.m. until 9 p.m. Eastern time, TTY: (800) 952-0450.

**The Federal Employees Dental and Vision Insurance Program – *FEDVIP***

**Important Information**

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is separate and different from the FEHB Program. This Program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations for enrollment.

FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

**Dental Insurance**

All dental plans provide a comprehensive range of services, including:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 12-month waiting period. Beginning in 2014, most FEDVIP dental plans cover adult orthodontia. Review your FEDVIP dental plan's brochure for information on this benefit.

**Vision Insurance**

All vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

**Additional Information**

You can find a comparison of the plans available and their premiums on the OPM websites at [www.opm.gov/dental](http://www.opm.gov/dental) and [www.opm.gov/vision](http://www.opm.gov/vision). These sites also provide links to each plan's website, where you can view detailed information about benefits and preferred providers.

**How do I enroll?**

You enroll on the Internet at [www.BENEFEDS.com](http://www.BENEFEDS.com). For those without access to a computer, call (877) 888-3337, TTY: (877) 889-5680.

**The Federal Long Term Care Insurance Program – *FLTCIP***

**It's important protection**

The Federal Long Term Care Insurance Program (FLTCIP) can help pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information, call (800) LTC-FEDS (800) 582-3337, TTY: (800) 843-3557 or visit [www.ltcfeds.com](http://www.ltcfeds.com).

## Summary of benefits for the HDHP of the Government Employees Health Association, Inc. 2014

Do not rely on this chart alone. All benefits are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside. If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.

In 2014, for each month you are eligible for the Health Savings Account (HSA), we'll deposit \$62.50 per month for Self Only enrollment or \$125 per month for Self and Family enrollment to your HSA. Once you satisfy your calendar year deductible, Traditional medical coverage begins.

For the Health Reimbursement Arrangement (HRA), we'll contribute up to \$750 for Self Only and \$1,500 for Self and Family annually when you are enrolled in the HDHP. The amount of your HRA (prorated for length of enrollment) will be available to you upon enrollment. Once your calendar year deductible is satisfied, Traditional medical coverage begins.

Below, an asterisk (\*) means the item is subject to the \$1,500 Self Only or \$3,000 Self and Family calendar year deductible. And, after we pay, you generally pay any difference between our allowance and the billed amount if you use a Non-PPO physician or other health care professional.

HDHP Benefits	You pay	Page
<b>In-network medical preventive care:</b>	PPO: Nothing Non-PPO: Covered under Traditional medical coverage subject to deductible	38-40
<b>Medical/surgical services provided by physicians:</b>		
<ul style="list-style-type: none"> <li>Diagnostic and treatment services provided in the office</li> </ul>	PPO: 5%* for covered office visits and 5%* of other covered professional services including X-ray and lab Non-PPO: 25%* of covered professional services	45-55
<b>Services provided by a hospital:</b>		
<ul style="list-style-type: none"> <li>Inpatient</li> </ul>	PPO: 5%* of covered hospital charges Non PPO: 25%* of covered hospital charges	65-67
<ul style="list-style-type: none"> <li>Outpatient</li> </ul>	PPO: 5%* of covered hospital charges Non PPO: 25%* of covered hospital charges	67-68
<b>Emergency benefits:</b>		
<ul style="list-style-type: none"> <li>Accidental injury</li> </ul>	Regular benefits*	70
<ul style="list-style-type: none"> <li>Medical emergency</li> </ul>	Regular benefits*	71
<b>Mental health and substance abuse treatment:</b>	Regular cost-sharing*	72-74
<b>Prescription drugs:</b>		75-82
<ul style="list-style-type: none"> <li>Retail pharmacy</li> </ul>	Network pharmacy: Member pays 25%* for up to a 30-day supply Non-network pharmacy: Member pays 25%* and any difference between our allowance and the cost of the drug	81
<ul style="list-style-type: none"> <li>Mail order</li> </ul>	Member pays 25%* for up to a 90-day supply	80-81
<b>Dental care:</b>		41

	50% up to Plan allowance for diagnostic and preventive services and charges in excess of the scheduled amounts for restorations and extractions	
<b>Special features:</b>	Flexible benefits options, online customer and claims services, Services for deaf and hearing impaired, High risk pregnancies, Health Advice Line, Health Assessment and Personal Health Record	83
<b>Protection against catastrophic costs</b> (your catastrophic protection out-of-pocket maximum):	Nothing after \$5,000/Self Only or \$10,000/Self and Family enrollment per calendar year  Some costs do not count toward this protection	25-26

## 2014 Rate Information for Government Employees Health Association, Inc. (GEHA) Benefit Plan

**Non-Postal rates** apply to most non-Postal employees. If you are in a special enrollment category, refer to the Guide to Federal Benefits for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to Postal Service employees. They are shown in special Guides published for APWU (including Material Distribution Center and Operating Services) NALC, NPMHU and NRLCA Career Postal Employees (see RI 70-2A); Information Technology/Accounting Services employees (see RI 70-2IT); Nurses (see RI 70-2N); Postal Service Inspectors and Office of Inspector General (OIG) law enforcement employees and Postal Career Executive Service employees (see RI 70-2IN); and non-career employees (see RI 70-8PS).

**Postal Category 1 rates** apply to career bargaining unit employees covered by the Postal Police contract.

**Postal Category 2 rates** apply to career non-bargaining unit, non-executive, non-law enforcement employees, and non-law enforcement Inspection Service and Forensics employees.

For further assistance, Postal Service employees should call:

Human Resources Shared Service Center  
1-877-477-3273, option 5  
TTY: 1-866-260-7507

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable Guide to Federal Benefits.

Premiums for Tribal employees are shown under the monthly non-postal column. The amount shown under employee contribution is the maximum you will pay. Your Tribal employer may choose to contribute a higher portion of your premium. Please contact your Tribal Benefits Officer for exact rates.

Type of Enrollment	Enrollment Code	Non-Postal Premium				Postal Premium	
		Biweekly		Monthly		Biweekly	
		Gov't Share	Your Share	Gov't Share	Your Share	Category 1 Your Share	Category 2 Your Share
<b>HDHP Option Self Only</b>	341	\$152.60	\$50.87	\$330.64	\$110.21	\$33.57	\$44.25
