## Introduction

Coventry Health Care of Kansas, Inc.  
8301 E. 21st North, Suite 300  
Wichita, Kansas 67206

This brochure describes the benefits of Coventry Health Care of Kansas, Inc. under our contract (CS 2108) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2001, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2001, and are summarized on page 49. Rates are shown at the end of this brochure.

---

## Plain Language

---

The President and Vice President are making the Government's communication more responsive, accessible, and understandable to the public by requiring agencies to use plain language. In response, a team of health plan representatives and OPM staff worked cooperatively to make this brochure clearer. Except for necessary technical terms, we use common words. "You" means the enrollee or family member; "we" means Coventry Health Care of Kansas, Inc.

The plain language team reorganized the brochure and the way we describe our benefits. When you compare this Plan with other FEHB plans, you will find that the brochures have the same format and similar information to make comparisons easier.

If you have comments or suggestions about how to improve this brochure, let us know. Visit OPM's "Rate Us" feedback area at [www.opm.gov/insure](http://www.opm.gov/insure) or e-mail us at [fehwebcomments@opm.gov](mailto:fehwebcomments@opm.gov) or write to OPM at Insurance Planning and Evaluation Division, P.O. Box 436, Washington, DC 20044-0436.

## Section 1. Facts about this HMO plan

---

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

**You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.**

### How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

### Who provides my healthcare

Coventry Health Care provides you with a comprehensive benefit package that covers many kinds of health services for a fixed payroll deduction and minimal copayments. As a participant of Coventry Health Care, you will select a personal doctor for yourself and each member of your family. Depending on where you live, you will be able to choose from a directory of more than 320 primary care doctors whose offices are located throughout the Plan's service areas.

The first and most important decision each member must make is the selection of a primary care doctor. Your primary care doctor will be the manager and coordinator of your health care. If you require additional care, your primary care doctor, with your input, will select the specialist or hospital that best fits your needs. It is the responsibility of your primary care doctor to obtain any necessary authorizations from the Plan before referring you to a specialist or making arrangements for hospitalization.

The Plan's provider directory lists primary care doctors (generally family practitioners, pediatricians, and internists), with their locations and phone numbers, and notes whether or not the doctor is accepting new patients. Directories are updated on a regular basis and are available at the time of enrollment or upon request by calling the Customer Service Department at 1-800-664-9251 or 316-634-1222. You can also find out if your doctor participates by calling these numbers.

If you are interested in receiving care from a specific provider who is listed in the directory, call the provider to verify that he or she still participates with the Plan and is accepting new patients. Important note: When you enroll in the Plan, services (except for emergency benefits) are provided through the Plan's delivery system; the continued availability and/or participation of any one doctor, hospital, or other provider, cannot be guaranteed.

Should you decide to enroll, you will be asked to complete a primary care doctor selection and send it to the Plan, indicating the name of the primary care doctor(s) selected for you and each member of your family. Members may change their doctor selection by notifying the Plan 30 days in advance.

## **Facts about this HMO plan (*Continued*)**

### **Patients' Bill of Rights**

OPM requires that all FEHB Plans comply with the Patients' Bill of Rights, recommended by the President's Advisory Commission of Consumer Protection and Quality in the Health Care Industry. You may get information about us, our networks, providers, and facilities. OPM's FEHB website ([www.opm.gov/insure](http://www.opm.gov/insure)) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- State Insurance Department requirements for external quality review
- Years in existence
- Profit status

If you want more information about us, call 800/664-9251, or write to Coventry Health Care of Kansas Inc., 8301 East 21<sup>st</sup> North, Suite 300, Wichita, Kansas 67206. You may also contact us by fax at 316/634-1266 or visit our website at [www.chcwic.cvtty.com](http://www.chcwic.cvtty.com).

### **Service Area**

To enroll with us, you must live or work in our service area. This is where our providers practice. Our service area is: Butler, Harvey, McPherson, Saline, Sedgwick, and Sumner Counties.

You may also enroll with us if you live or work in the following places: Cowley, Dickinson, Greenwood, Harper, Kingman, Lincoln, Marion, Ottawa and Reno counties.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care. We will not pay for any other health care services.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

## Section 2. How we change for 2001

---

### Program-wide changes

- The plain language team reorganized the brochure and the way we describe our benefits. We hope this will make it easier for you to compare plans.
- This year, the Federal Employees Health Benefits Program is implementing network mental health and substance abuse parity. This means that your coverage for mental health, substance abuse, medical, surgical, and hospital services from providers in our Plan network will be the same with regard to deductibles, coinsurance, copays, and day and visit limitations when you follow a treatment plan that we approve. Previously, we placed higher patient cost sharing on mental health and substance abuse services than we did on services to treat physical illness, injury, or disease.
- Many healthcare organizations have turned their attention this past year to improving healthcare quality and patient safety. OPM asked all FEHB plans to join them in this effort. You can find specific information on our patient safety activities by calling us at 1-800-664-9251 or 316-634-1222, or checking our website [www.chcwic.cvtv.com](http://www.chcwic.cvtv.com). You can find out more about patient safety on the OPM website, [www.opm.gov/insure](http://www.opm.gov/insure). To improve your healthcare, take these five steps:
  - Speak up if you have questions or concerns.
  - Keep a list of all the medicines you take.
  - Make sure you get the results of any tests or procedure.
  - Talk with your doctor and health care team about your options if you need hospital care.
  - Make sure you understand what will happen if you need surgery.
- We clarified the language to show that anyone who needs a mastectomy may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure. Previously, the language referenced only women.

### Changes to this Plan

Your share of the non-Postal premium will increase by 16% for Self Only or 16% for Self and Family.

---

## Section 3. How you get care

---

### Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 800-664-9251.

### Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments and/or coinsurance, and you will not have to file claims.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website. Visit [www.chcwic.cvty.com](http://www.chcwic.cvty.com) to utilize our doctor search option. Our doctor search on the web is updated monthly.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website. [www.chcwic.cvty.com](http://www.chcwic.cvty.com).

### What you must do

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. The Plan's provider directory lists primary care doctors (generally family practitioners, pediatricians, and internists), with their locations and phone numbers, and notes whether or not the doctor is accepting new patients. Directories are updated on a regular basis and are available at the time of enrollment or upon request by calling the Customer Service Department at 1-800-664-9251 or 316-634-1222. You can also find out if your doctor participates by calling these numbers.

If you are interested in receiving care from a specific provider who is listed in the directory, call the provider to verify that he or she still participates with the Plan and is accepting new patients.

- **Primary care**

Your primary care physician will generally be a family practitioner, internist or pediatrician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

## How you get care (*Continued*)

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. You must receive a referral from your primary care doctor before seeing or obtaining special services, with the following exceptions: (1) Female members may visit a participating gynecologist without a referral from their primary care doctor; (2) All members may visit the Plan's mental health providers for mental conditions and substance benefits without a referral from their primary care doctor (See "Mental Conditions /Substance Abuse Benefits").

Referral to a participating specialist is given at the primary care doctor's discretion; if specialists or consultants are required beyond those participating in the Plan, the primary care doctor will make arrangements for appropriate referrals.

When you receive a referral from your primary care doctor, you must return to the primary care doctor after the consultation. All follow-up care must be provided or arranged by the primary care doctor. On referrals, the primary care doctor will give specific instructions to the consultant as to what services are authorized. If the consultant suggests additional services or visits, you must first check with your primary care doctor. Do not go to the specialist unless your primary care doctor has arranged for and the Plan has issued an authorization for the referral in advance.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will work with the specialist to develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
  - If you have a chronic or disabling condition and lose access to your specialist because we:
    - terminate our contract with your specialist for other than cause; or
    - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or

## How you get care (*Continued*)

- reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

### • Hospital care

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 1-800-664-9251 or 316-634-1222. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92<sup>nd</sup> day after you become a member of this Plan, whichever happens first.

These provisions apply only to the hospital benefits of the hospitalized person.

**Circumstances beyond our control** Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

### Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process prior authorization. Your physician must obtain, for example, prior authorization from the Plan for outpatient surgeries or inpatient hospitalization. You may call customer service at 1-800-664-9251 to find out if a specific procedure treatment requires prior authorization.

---

## Section 4. Your costs for covered services

---

You must share the cost of some services. You are responsible for:

- **Copayments**

A copayment is a fixed amount of money you pay to the provider when you receive services.

Example: When you see your primary care physician you pay a copayment of \$10 per office visit and when you go in the hospital, you pay nothing.

- **Deductible**

A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. We have no deductible.

NOTE: If you change plans during open season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

And, if you change options in this Plan during the year, we will credit the amount of covered expenses already applied toward the deductible of your old option to any deductible of your new option.

- **Coinsurance**

Coinsurance is the percentage of our negotiated fee that you must pay for your care.

Example: In our Plan, you pay 50% of our allowance for infertility services and 20% for covered durable medical equipment.

### **Your out-of-pocket maximum**

After your copayments and coinsurance total \$ 1,000 per person or \$ 3,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments for prescription drugs do not count toward your out-of-pocket maximum, and you must continue to pay copayments for prescription drugs.

Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

### What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

---

### What to do in case of emergency:

**Emergencies within our service area:** If you are in an emergency situation, please call your primary care doctor, for First Help, the Plan's 24-hour advice line at 1-800/622-9528. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911-telephone system) or go to the nearest hospital emergency room. Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member must notify the Plan within 48 hours. It is your responsibility to ensure that the Plan has been timely notified.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it is not reasonably possible to notify the Plan within that time. If you are hospitalized in non-Plan facilities and Plan doctors believe care can be better provided in a Plan hospital you will be transferred when medically feasible with any ambulance charges are covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan. The Plan pays reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers. You pay \$50 per hospital emergency room visit or \$25 per urgent care center visits for emergency services that are covered benefits of this Plan. If the emergency results in admission to a hospital, the emergency care copay is waived.

**Emergencies outside our service area:** Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If a Plan doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan. The Plan pays reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers.

## Section 5 (e). Mental health and substance abuse benefits

### Parity

Beginning in 2001, all FEHB plans' mental health and substance abuse benefits will achieve "parity" with other benefits. This means that we will provide mental health and substance abuse benefits differently than in the past.

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

#### Here are some important things to keep in mind about these benefits:

- All benefits are subject to the definitions, limitations, and exclusions in this brochure.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services* for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PREAUTHORIZATION OF THESE SERVICES.** See the instructions after the benefits description below.

**Mental health and substance abuse benefits (*Continued*)**

---

**Preauthorization**

To be eligible to receive these benefits you must follow your treatment plan and all the following authorization processes:

*Call 1-800-752-7242. When you call, be prepared to give your name and member I.D. number. You will be asked some general questions about why you are seeking services, and you will be referred to a provider for treatment..*

---

**Special transitional benefit**

If a mental health or substance abuse professional provider is treating you under our plan as of January 1, 2001, you will be eligible for continued coverage with your provider for up to 90 days under the following condition:

- If your mental health or substance abuse professional provider with whom you are currently in treatment leaves the plan at our request for other than cause.

If this condition applies to you, we will allow you reasonable time to transfer your care to a Plan mental health or substance abuse professional provider. During the transitional period, you may continue to see your treating provider and will not pay any more out-of-pocket than you did in the year 2000 for services. This transitional period will begin with our notice to you of the change in coverage and will end 90 days after you receive our notice. If we write to you before October 1, 2000, the 90-day period ends before January 1 and this transitional benefit does not apply.

---

**Limitation**

We may limit your benefits if you do not follow your treatment plan.

### There are important features you should be aware of. These include:

- **Who can write your prescription.** A plan physician or licensed dentist must write the prescription
- **Where you can obtain them.** You must fill the prescription at a plan pharmacy, or by mail for a maintenance medication.
- **We use a formulary.** Prescription drugs prescribed by a Plan or referral doctor and obtained at a Plan pharmacy will be dispensed for up to a 31-day supply or 100-unit dosage, whichever is less. You pay a \$5 copay per prescription unit or refill for formulary generic drugs or an \$10 copay for formulary name brand drugs or a \$20 copay for non-formulary prescription drugs requested by the prescribing doctor. When generic substitution is permissible (i.e., a generic drug is available and the prescribing doctor does not require the use of a name brand drug), but you request the name brand drug, you pay the price difference between the average wholesale prices of the generic and name brand drug as well as the \$10 copay per prescription unit or refill.
- You can obtain covered "maintenance" prescription drugs use to treat chronic or long-term health conditions such as high blood pressure or diabetes) for a 93-day supply. You pay \$10 copay per prescription unit or refill for formulary generic drugs, a \$20 copay for formulary name brand drugs or a \$40 copay for non-formulary prescription drugs requested by the prescribing doctor.
- Drugs are prescribed by Plan doctors and dispensed in accordance with the Plan's drug formulary. The Plan's formulary is based on effectiveness and cost of drugs. Nonformulary drugs will be covered when prescribed by a Plan doctor.
- These are the dispensing limitations. Covered "maintenance" prescription drugs use to treat chronic or long-term health conditions such as high blood pressure or diabetes) for a 93-day supply. Prescription drugs prescribed by a Plan or referral doctor and obtained at a Plan pharmacy will be dispensed for up to a 31-day supply or 100-unit dosage, whichever is less. If a 90 day supply is prescribed, you will be able to pick up a 31 day supply at the pharmacy. The balance of the script will be dispensed on a 31-day basis..

**Here are some important things to keep in mind about these benefits:**

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan dentists must provide or arrange your care.
- We have no calendar year deductible.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient; we do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services* for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

## **Section 5 (i). Non-FEHB benefits available to Plan members**

---

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them**. Fees you pay for these services do not count toward FEHB deductibles or out-of-pocket maximums.

Vision Discount Program: In addition to the other vision benefit, when a Coventry Health Care member has an office visit with a participating optometrist who dispenses glasses and non-disposable contact lenses, that eyewear can be purchased with a 15% discount. Ask your participating optometrist for details.

---

## Section 6. General exclusions -- things we don't cover

---

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest ;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

---

## Section 7. Filing a claim for covered services

---

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

### **Medical, Hospital and Drug Benefits**

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 1-800-664-9251.

When you must file a claim -- such as for out-of-area care -- submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer --such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

**Submit your claims to: Coventry Health Care of Kansas  
8301 E. 21<sup>st</sup> North, Suite 300  
Wichita, Kansas 67206**

### **Deadline for filing your claim**

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

### **When we need more information**

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

---

## Section 8. The disputed claims process

---

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description
------	-------------

- |          |  |
|----------|--|
| <b>1</b> | Ask us in writing to reconsider our initial decision. Write to us at: Coventry Health Care of Kansas, Inc, 8301 E 21 <sup>st</sup> North, Suite 300, Wichita, KS 67206<br>You must:<br>(a) Write to us within 6 months from the date of our decision; and<br>(b) Send your request to us at: Coventry Health Care of Kansas, Inc.; 8301 E. 21 <sup>st</sup> North, Suite 300; Wichita, KS 67206<br>(c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and<br>(d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms. |
|----------|--|

- |          |   |
|----------|---|
| <b>2</b> | We have 30 days from the date we receive your request to:<br>(a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or<br>(b) Write to you and maintain our denial -- go to step 4; or<br>(c) Ask you or your provider for more information. |----------|---|

- |          |  |
|----------|--|
| <b>3</b> | You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.<br>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.<br>We will write to you with our decision. |
|----------|--|

- |          |   |
|----------|---|
| <b>4</b> | If you do not agree with our decision, you may ask OPM to review it. You must write to OPM within: <ul style="list-style-type: none"><li>• 90 days after the date of our letter upholding our initial decision; or</li><li>• 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or</li><li>• 120 days after we asked for additional information.</li></ul> |
|----------|---|

Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division III, P.O. Box 436, Washington, D.C. 20044-0436.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

## The disputed claims process (*Continued*)

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must provide a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5 OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

6 If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record. You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

**NOTE: If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

(a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 1-800-664-9251 and we will expedite our review; or

(b) We denied your initial request for care or preauthorization/prior approval, then:

- If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
- You can call OPM's Health Benefits Contracts Division III at 202/606-0737 between 8 a.m. and 5 p.m. eastern time.

## Section 9. Coordinating benefits with other coverage

---

### When you have other health coverage

You must tell us if you are covered or a family member is covered under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

### • What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A.
- Part B (Medical Insurance). Most people pay monthly for Part B.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare + Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

### • The Original Medicare Plan

The Original Medicare Plan is available everywhere in the United States. It is the way most people get their Medicare Part A and Part B benefits. You may go to any doctor, specialist, or hospital that accepts Medicare. Medicare pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs

When you are enrolled in this Plan and Original Medicare, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan PCP, or precertified as required.

We will waive some copayments, coinsurance, and deductibles, as follows: When Original Medicare is the primary payor, we will waive your out of pocket costs including copayments and coinsurance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

**(Primary payer chart begins on next page.)**

The following chart illustrates whether Original Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

<b>Primary Payer Chart</b>		
<b>A. When either you -- or your covered spouse -- are age 65 or over and ...</b>	<b>Then the primary payer is...</b>

**Please note, if your Plan physician does not participate in Medicare, you will have to file a claim with Medicare.**

## Coordinating benefits with other coverage (*Continued*)

**Claims process** -- You probably will never have to file a claim form when you have both our Plan and Medicare.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claims will be coordinated automatically and we will pay the balance of covered charges. You will not need to do anything. To find out if you need to do something about filing your claims, call us at 1-800-664-9251 or visit us at [www.chewic.cvtty.com](http://www.chewic.cvtty.com).

**We waive some costs when you have Medicare** -- When Medicare is the primary payer, we will waive some out-of-pocket costs, as follows:

- Medical services and supplies provided by physicians and other health care professionals. If you are enrolled in Medicare Part B, we will waive your out-of-pocket costs including copayments and coinsurance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

- **Medicare managed care plan** If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans cover all Medicare Part A and B benefits. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at [www.medicare.gov](http://www.medicare.gov). If you enroll in a Medicare managed care plan, the following options are available to you:

**This Plan and another Plan's Medicare managed care plan:** You may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary and we will waive your out-of-pocket costs like copayments and coinsurance, up to our allowed amount.

**Suspended FEHB coverage and a Medicare managed care plan:** If you are an annuitant or former spouse, you can suspend your FEHB coverage and enroll in a Medicare managed care plan. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare+Choice service area.

- **Enrollment in Medicare Part B**

**Note:** If you choose not to enroll in Medicare Part B, you can still be covered under the FEHB Program. We cannot require you to enroll in Medicare.

## **Coordinating benefits with other coverage (*Continued*)**

### **TRICARE**

TRICARE is the health care program for eligible dependents of military persons and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, we pay first. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.

### **Workers' Compensation**

We do not cover services that:

- you need because of a workplace-related disease or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your benefits. You must use our providers.

### **Medicaid**

When you have this Plan and Medicaid, we pay first.

### **When other Government agencies are responsible for your care**

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

### **When others are responsible for injuries**

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

## Section 10. Definitions of terms we use in this brochure

---

<b>Calendar year</b>	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
<b>Copayment</b>	A copayment is a fixed amount of money you pay when you receive covered services. See page 13.
<b>Coinsurance</b>	Coinsurance is the percentage of our allowance that you must pay for your care. See page 11.
<b>Covered services</b>	Care we provide benefits for, as described in this brochure.
<b>Custodial care</b>	Non-medical services that do not attempt to cure, are provided during periods when the medical condition of a patient is not changing, and do not require the continual services of medical personnel.
<b>Deductible</b>	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. We have no deductible.
<b>Experimental or investigational services</b>	Any treatment, procedure, facility, equipment, drug or drug usage, device, or supply that is not accepted as standard medical practice by Coventry Health Care or the general medical community, or does not have federal government agency approval for its use or application.
<b>Medical necessity</b>	Any service or supply for the prevention, diagnosis, or treatment that is (1) consistent with illness, injury or condition of the Member; (2) in accordance with the approved and generally accepted medical or surgical practice prevailing in the geographical locality where, and at the time when, the service or supply is ordered. Determination of “generally accepted practice” is the discretion of the Medical Director or Medical Director’s designee.
<b>Plan allowance</b>	Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. We base our allowance on the allowed covered charges Providers in the network accept from the Plan. Allowances, which are generally lower than a provider’s billed charges, serve as maximum allowed amounts in computing coinsurances. Providers in the network accept the Plan allowance as payment in full for all covered services.
<b>Us/We</b>	Us and we refer to Coventry Health Care of Kansas
<b>You</b>	You refers to the enrollee and each covered family member.

## Section 11. FEHB Facts

---

### No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

### Where you can get information about enrolling in the FEHB Program

See [www.opm.gov/insure](http://www.opm.gov/insure). Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

### Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

## FEHB Facts (*Continued*)

### When benefits and premiums start

The benefits in this brochure are effective on January 1. If you are new to this Plan, your coverage and premiums begin on the first day of your first pay period that starts on or after January 1. Annuitants' premiums begin on January 1.

### Your medical and claims records are confidential

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract;
- This Plan, and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims;
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions;
- OPM and the General Accounting Office when conducting audits;
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim or defending litigation about a claim.

### When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

### When you lose benefits

#### • When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

#### • Spouse equity coverage

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your *Federal* ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices.

#### • TCC

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from [www.opm.gov/insure](http://www.opm.gov/insure).

## FEHB Facts (*Continued*)

### • **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends. If you canceled your coverage or did not pay your premium, you cannot convert;
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

### **Getting a Certificate of Group Health Plan Coverage**

If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan.

If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

### **Inspector General Advisory**

**Stop health care fraud!** Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 800/664-9251 and explain the situation.
- If we do not resolve the issue, call **THE HEALTH CARE FRAUD HOTLINE--202/418-3300** or write to: The United States Office of Personnel Management, Office of the Inspector General Fraud Hotline, 1900 E Street, NW, Room 6400, Washington, DC 20415.

### **Penalties for Fraud**

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if the person tries to obtain services for someone who is not an eligible family member, or is no longer enrolled in the Plan and tries to obtain benefits. Your agency may also take administrative action against you.

**2001 Rate Information for  
Coventry Health Care of Kansas, Inc.  
(formerly Principal Health Care of Kansas City)**

**Non-Postal rates** apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

**Postal rates** apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and special FEHB guides are published for Postal Service Nurses and Tool & Die employees (see RI 70-2B); and for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization. Refer to the applicable FEHB Guide.
