## Introduction

---

Group Health Cooperative of Eau Claire  
2503 North Hillcrest Parkway  
Altoona, WI 54720

This brochure describes the benefits of Group Health Cooperative of Eau Claire under our contract (CS 2615) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2002 unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2002 and changes are summarized on page 8. Rates are shown at the end of this brochure.

---

## Plain Language

---

Teams of Government and health plans' staff worked on all FEHB brochures to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, "you" means the enrollee or family member; "we" means Group Health Cooperative of Eau Claire, Group Health Cooperative, or Group Health.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let us know. Visit OPM's "Rate Us" feedback area at [www.opm.gov/insure](http://www.opm.gov/insure) or e-mail us at [fehbwcomments@opm.gov](mailto:fehbwcomments@opm.gov). You may also write to OPM at the Office of Personnel Management, Office of Insurance Planning and Evaluation Division, 1900 E Street, NW Washington, DC 20415-3650.

---

## Inspector General Advisory

---

### Stop health care fraud!

Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 888/203-7770 and explain the situation.
- If we do not resolve the issue, call:

**THE HEALTH CARE FRAUD HOTLINE**  
**202/418-3300**

The United States Office of Personnel Management  
Office of the Inspector General Fraud Hotline  
1900 E Street, NW, Room 6400  
Washington, DC 20415

## **Penalties for Fraud**

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if the person tries to obtain services for someone who is not an eligible family member, or is no longer enrolled in the Plan and tries to obtain benefits. Your agency may also take administrative action against you.

---

## Section 1. Facts about this HMO plan

---

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the co-payments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

**You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.**

### How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your co-payments and deductible.

### Who provides my health care?

Group Health Cooperative of Eau Claire is a network model, non-profit, member directed health maintenance organization. Group Health has been in operation since 1976 and provides services through twenty-five clinics. Four clinics are located in Eau Claire; three in Chippewa Falls; two in Rice Lake, Thorp and Stanley; and one each in Augusta, Baldwin, Bruce, Cadott, Chetek, Cornell, Cumberland, Ladysmith, Osseo, Owen and Radisson. Group Health has over 120 primary care physicians to choose from and over 600 referral specialists. Primary care is the professional focus at Group Health, which includes specialists in family practice, obstetrics/gynecology, internal medicine, pediatrics, and sports medicine. Also included in our team of professionals are the services of our physicians assistants, certified family and pediatric nurse practitioners and nurse midwives.

### Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB website ([www.opm.gov/insure](http://www.opm.gov/insure)) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- We are a State licensed HMO that meets all Federal and State requirements
- Group Health has been a Cooperative for 27 years
- Group Health is a non-profit organization

If you want more information about us, call 888/203-7770 or write to: Group Health Cooperative of Eau Claire; P.O. Box 3217; Eau Claire, WI 54702. You may also contact us by fax at 715/552-3500 or visit our website at [www.group-health.com](http://www.group-health.com).

### Service Area

To enroll in this plan, you must live in or work in our Service Area. This is where our providers practice. This plan considers its service area to be a 25-mile radius around each primary care clinic. Please see this Plan's Provider Directory for a list of those clinics. You may also enroll with us if you live or work in the following counties: Barron, Buffalo, Chippewa, Clark, Dunn, Eau Claire, Jackson, Pepin, Rusk, Sawyer, Taylor, Trempealeau, and Washburn.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

---

## Section 2. How we change for 2002

---

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

### **Program-wide changes**

- We increased speech therapy benefits by removing the requirement that services must be required to restore functional speech. (Section 5(a))

### **Changes to this Plan**

- Your share of the non-Postal premium will increase by 59.7% for Self Only or 49.9% for Self and Family.
- Prescription Drugs now require a \$10 co-payment per prescription.
- Speech therapy is covered for up to 2 months when medically necessary and subject to prior authorization.
- Intestinal transplants are covered.
- Smoking cessation is covered. You pay a \$10 member copayment for the initial visit. The Zyban drug is covered up to 3 months under the prescription drug benefit.
- The TMJ appliances are now covered under the DME with a \$50 deductible.

---

## Section 3. How you get care

---

### Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 888/203-7770.

### Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay co-payments and deductibles, and you will not have to file claims.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website.

### What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care clinic. This decision is important since your primary care physician, at your clinic, provides or arranges for most of your health care. Each member of the family can choose a different clinic for their care. You may change clinics twice a year by calling Member Services at 888/203-7770.

- **Primary care**

Your primary care physician can be a family practitioner, internist, OB/GYN, or pediatrician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral. However, you may see the Group Health Cooperative contracted providers for Chiropractic and Optometry (one annual exam) care without a referral.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).

- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
  - terminate our contract with your specialist for other than cause; or
  - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
  - reduce our service area and you enroll in another FEHB Plan,

You may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

**• Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 715/552-4300. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92<sup>nd</sup> day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person.

**Circumstances beyond our control**

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

## **Services requiring our prior approval**

Group Health's primary care physicians are supported by an extensive network of more than 600 specialty and tertiary care physicians to ensure access to the complete continuum of high-quality healthcare services.

If both you and your primary care physician feel that you require additional treatment, together you decide about the appropriate type of referral to a specialist. A written referral is required for every visit with a specialist. Your primary care physician will provide you with the referral. Every referral you receive will have a limit of days and/or a specific number of visits for when you can use that referral. Please make sure that you see that specialist within that time allotted.

If you notice that your appointment falls after the referral end date, please contact your primary care physician to receive a new referral.

If the specialist believes it is necessary for you to seek additional treatment, you should contact your primary care physician to discuss the additional referral. The specialist should not make a direct referral for you; it must come from your primary care physician.

---

## Section 4. Your costs for covered services

---

You must share the cost of some services. You are responsible for:

- **Copayments**

A co-payment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive services.

Example: When you see your primary care physician, a specialist, a chiropractor, or home health services, you pay a co-payment of \$10 per office visit. You would also pay a \$25 co-payment for Emergency Room visits.

- **Deductible**

A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Co-payments do not count toward any deductible

- The only deductible you have is for Durable Medical Equipment, which is \$50 per person per calendar year.

**Your out-of-pocket maximum**

We do not have an out-of-pocket maximum.

**Limitations**

We may limit your benefits if you do not obtain a treatment plan.

---

## Section 5. Benefits -- OVERVIEW

*(See page 8 for how our benefits changed this year and page 50 for a benefits summary.)*

---

**NOTE:** This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. To obtain more information about how to obtain your benefits, contact us at 800/203-7770 or at our website at [www.group-health.com](http://www.group-health.com).

(a) Medical services and supplies provided by physicians and other health care professionals .....	14-20
•Diagnostic and treatment services	•Speech therapy
•Lab, X-ray, and other diagnostic tests	•Hearing services (testing)

• 24 hour Nurseline (FirstCare Nurseline).....	32
(h) Dental benefits .....	33
Summary of benefits .....	50

## Section 5 (a). Medical services and supplies provided by physicians and other health care professionals

**Here are some important things to keep in mind about these benefits:**

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also, read Section 9 about coordinating benefits with other coverage, including Medicare.

A  
N  
T

**Here are some important things to keep in mind about these benefits:**

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also, read Section 9 about coordinating benefits with other coverage, including Medicare.
- The amounts listed below are for the charges billed by a physician or other health care professional for your surgical care. Look in section 5 (c) for charges associated with the facility (i.e.) hospital, surgical center, etc).
- **YOUR PHYSICIAN MUST GET PRE-CERTIFICATION OF SOME SURGICAL PROCEDURES.** Please refer to the pre-certification information shown in Section 3 to be sure which services require pre-certification and identify which surgeries require pre-certification.

### What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies - what they all have in common is the need for quick action.

---

### What to do in case of emergency:

**Emergencies within our service area:** A medical emergency is a sudden, potentially life-threatening situation where immediate medical treatment is needed. The following are some examples of a medical emergency.

- Heart Attack
- Major Trauma
- Sudden Unconsciousness

When such a situation arises, no authorization is necessary and you should proceed directly to the emergency department. The enclosed Provider Directory has a list of hospitals that will provide quality coverage for such emergency care. You should also look at your Benefit Summary or your Group Health contract policy and rider that will show if you have a co-payment or emergency services.

**Emergencies outside our service area:** If a true emergency occurs while you are away from the Group Health service area, treatment for the emergency will be covered at any facility. Follow-up care, however, whether it is inpatient or outpatient, must be provided by a contracted provider. To save yourself some confusion and worry when out of the area, you can call our Member Service Representatives at 888/203-7770 to review your coverage in case of an emergency.

**FirstCare Nurseline: You must call our FirstCare Nurseline before obtaining urgent care services at any of our facilities.**

**Urgent Care within our service area:** Conditions may arise that require urgent medical attention but may not be serious enough to go to the ER. Examples include the following:

- Minor Injuries
- Ear Infections
- Fevers

Unless the condition is a life-threatening emergency, you must call the FirstCare Nurseline or your primary care clinic to discuss the situation with a physician or triage nurse. They will direct you to the proper setting to receive care. In some situations, a physician may even be able to provide the appropriate treatment over the phone. In other cases, you may be instructed to go to the emergency room or to an urgent care facility. In order to assure payment of coverage, you must make the call and receive the authorization before going to the emergency room for urgent care services.

---

**Urgent Care outside our service area:** Urgent care means that the member cannot safely return to the Group Health Cooperative service area before needing treatment. In such cases, the FirstCare Nurseline or physician may advise you to seek care at the nearest appropriate facility. If it is not possible to contact your primary care clinic for advice or authorization, you should seek treatment at a physician's office, urgent care facility, or Emergency Department depending on the problem. A coverage decision will be made based on the medical records from your visit.

---

T

Benefit Description	You pay
<b>Mental health and substance abuse benefits</b>	
<p>All diagnostic and treatment services recommended by a Plan provider and contained in a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure.</p> <p>Note: Plan benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve.</p>	Your cost sharing responsibilities are no greater than for other illness or conditions.
<ul style="list-style-type: none"> <li>• Professional services, including individual or group therapy by providers such as psychiatrists, psychologists, or clinical social workers</li> <li>• Medication management</li> </ul>	\$10 per visit
<ul style="list-style-type: none"> <li>• Diagnostic tests</li> </ul>	Nothing
<ul style="list-style-type: none"> <li>• Services provided by a hospital or other facility</li> </ul>	Nothing
<p><i>Not covered: Services received outside our network.</i></p> <p><i>Note: OPM will base its review of disputes about treatment plans on the treatment plans clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.</i></p>	<i>All charges</i>

**Preauthorization**

To be eligible to receive these benefits you must follow your treatment plan and all the following authorization processes:  
 You are required to use the Group Health Mental Health providers listed in your provider directory. You can obtain a directory or information from our website at [www.group-health.com](http://www.group-health.com) or from our Member Service Representatives at 715/552-4300 or 888/203-7770.

**Limitations**

We may limit your benefits if you do not obtain a treatment plan!

---

## Section 5 (f). Prescription drug benefits

---

I  
M  
P  
O  
R  
T  
A  
N  
T

### Here are some important things to keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- All benefits are subject to the definitions, limitations, and exclusions in this brochure and we are payable only when we determine they are medically necessary.
- You have a \$10 co-payment per prescription.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including Medicare.

I  
M  
P  
O  
R  
T  
A  
N  
T

### There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed physician must write the prescription – or – A plan physician or licensed dentist must write the prescription.
- **Where you can obtain them.** You may fill the prescription at a any contracted pharmacy,
- **We use a formulary.** Drugs are prescribed by plan doctors and dispensed in accordance with the plan's drug formulary. Non-formulary drugs will be covered when prescribed by Plan doctor. A list of prescription products that are covered by Group Health Cooperative is available to you. Products are chosen by a Pharmacy & Therapeutics (P&T) Committee consisting of physicians, pharmacists and non-physician clinicians. Inclusion in the formulary is based on medical efficacy and cost effectiveness. New products are automatically reviewed by the P&T Committee, while older products are received at the request of a clinician or when a substantial number of prior authorizations have been requested for its use. Members who wish to have a product added to the formulary should discuss the reasoning with their primary care physician who may then initiate the process with the P&T Committee.

A generic equivalent will be dispensed if it is available.

- **These are the dispensing limitations.** Prescription drugs prescribed by a Plan or referral doctor and obtained at a Plan pharmacy will be dispensed for up to a 31-day supply, or up to 100-day supply for drugs on the Group Health Extended Supply List.
- **Why use generic drugs?** Generic drugs are lower-priced drugs that are the therapeutic equivalent to more expensive brand-name drugs. They must contain the same active ingredients and must be equivalent in strength and dosage to the original brand-name product. Generics cost less than the equivalent brand-name product. The U.S. Food and Drug Administration sets quality standards for generic drugs to ensure that these drugs meet the same standards of quality and strength as brand-name drugs.
- **When you have to file a claim.** Prescription drugs are automatically paid electronically because the pharmacist's computer bills Group Health directly. You do not have to file any prescription claims. Group Health has pharmacy contracts with all local pharmacies and most national chains. If you are in an area without a provider pharmacy you may have the pharmacy call our pharmacy department at 888-298-7770 (available 24 hours a day, 7 days a week) or you may pay for the prescription and mail in the receipt for reimbursement to: Attn: Claims Department; Group Health Cooperative; P.O. Box 3217; Eau Claire, WI 54702.

Benefit Description	You pay
<p><b>Covered medications and supplies</b></p> <p>We cover the following medications and supplies prescribed by a Plan physician and obtained from a Plan pharmacy.</p> <ul style="list-style-type: none"> <li>• Drugs and medicines that by Federal law of the United States require a physician’s prescription for their purchase, except those listed as <i>Not covered</i>.</li> <li>• Insulin</li> <li>• Disposable needles and syringes for the administration of covered medications</li> <li>• Drugs for sexual dysfunction (up to dosage limitation)</li> <li>• Contraceptive drugs</li> <li>• Zyban (limited to one time, 3 month prescription).</li> </ul>	<p>\$10 co-payment per prescription.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li>• <i>Drugs and supplies for cosmetic purposes</i></li> <li>• <i>Drugs to enhance athletic performance</i></li> <li>• <i>Fertility drugs</i></li> <li>• <i>Drugs obtained at a non-Plan pharmacy; except for out-of-area emergencies</i></li> <li>• <i>Vitamins, nutrients and food supplements even if a physician prescribes or administers them</i></li> <li>• <i>Nonprescription medicines</i></li> <li>• <i>Drugs used to control or reduce weight</i></li> <li>• <i>Nicotine patches</i></li> </ul>	<p><i>All charges</i></p>

---

## Section 5 (g). Special features

Feature	Description
<b>Flexible benefits option</b>	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"><li>• We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit.</li><li>• Alternative benefits are subject to our ongoing review.</li><li>• By approving an alternative benefit, we cannot guarantee you will get it in the future.</li><li>• The decision to offer an alternative benefit is solely ours, and we may withdraw it at any time and resume regular contract benefits.</li><li>• Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process.</li></ul>
<b>24 hour Nurseline</b>	<p>For urgent care or any of your health concerns, 24 hours a day, 7 days a week, you must call the FirstCare Nurseline and talk with a registered nurse who will discuss treatment options and answer your health questions. The phone number will be on your ID Card when you join Group Health.</p>

## Section 5 (h). Dental benefits

**I

<b>Accidental injury benefit</b>	<b>You pay</b>
We cover the initial emergency visit necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury. (Excludes restorations).	Nothing

**Dental benefits**

We have no other dental benefits.

---

## Section 6. General exclusions – things we don't cover

---

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations; or
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

---

## **Section 7. Filing a claim for covered services**

---

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your co-payment or deductible.

Group Health Cooperative members should not receive a bill for medical services provided, except when an applicable co-payment or deductible applies. Routine office visits, hospitalizations, and specialist services will be covered according to your contract if you stay within the Group Health network and obtain a written referral when required.

---

## Section 8. The disputed claims process

---

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description
<b>1</b>	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none"><li>(a) Write to us within 6 months from the date of our decision; and</li><li>(b) Send your request to us at: P.O. Box 3217; Eau Claire, WI 54702; and</li><li>(c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and</li><li>(d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.</li></ul>
<b>2</b>	<p>We have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none"><li>(a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or</li><li>(b) Write to you and maintain our denial -- go to step 4; or</li><li>(c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request - go to step 3.</li></ul>
<b>3</b>	<p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p>
<b>4</b>	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none"><li>• 90 days after the date of our letter upholding our initial decision; or</li><li>• 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or</li><li>• 120 days after we asked for additional information.</li></ul> <p>Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division 3, 1900 E Street, NW, Washington, DC 20415-3630.</p>

### The Disputed Claims process

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

- 5** OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.
- 6** If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied pre-certification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

**Note: If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- (a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 888/203-7770 and we will expedite our review; or
- (b) We denied your initial request for care or preauthorization/prior approval, then:
  - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
  - You can call OPM's Health Benefits Contracts Division 3 at 202/606-0737 between 8 a.m. and 5 p.m. eastern time.

---

## Section 9. Coordinating benefits with other coverage

---

**When you have other health coverage** You must tell us if you are covered or a family member is covered under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

### •What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (Someone who was a Federal employee on January 1, 1983 or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare + Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

### •The Original Medicare Plan (Part A or Part B)

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

The following chart illustrates whether the **Original Medicare Plan** or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

<b>Primary Payer Chart</b>		
<b>A. When either you – or your covered spouse – are age 65 or over and ...</b>	<b>Then the primary payer is...</b>	
	<b>Original Medicare</b>	<b>This Plan</b>
1) Are an active employee with the Federal government (including when you or a family member are eligible for Medicare solely because of a disability),		✓
2) Are an annuitant,	✓	
3) Are a reemployed annuitant with the Federal government when...		
a) The position is excluded from FEHB, or	✓	
b) The position is not excluded from FEHB (Ask your employing office which of these applies to you.)		✓
4) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge),	✓	
5) Are enrolled in Part B only, regardless of your employment status,	✓ (for Part B services)	✓ (for other services)
6) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty,	✓ (except for claims related to Workers' Compensation.)	
<b>B. When you -- or a covered family member -- have Medicare based on end stage renal disease (ESRD) and...</b>		
1) Are within the first 30 months of eligibility to receive Part A benefits solely because of ESRD,		✓
2) Have completed the 30-month ESRD coordination period and are still eligible for Medicare due to ESRD,	✓	
3) Become eligible for Medicare due to ESRD after Medicare became primary for you under another provision,	✓	
<b>C. When you or a covered family member have FEHB and...</b>		
1) Are eligible for Medicare based on disability, and		
a) Are an annuitant, or	✓	
b) Are an active employee, or		✓
c) Are a former spouse of an annuitant, or	✓	
d) Are a former spouse of an active employee		✓

**Claims process when you have the Original Medicare Plan** -- You probably will never have to file a claim form when you have both our Plan and the Original Medicare Plan.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claims will be coordinated automatically and we will pay the balance of covered charges. You will not need to do anything. To find out if you need to do something about filing your claims, call us at 888/203-7770.
- We waive some costs when you have the Original Medicare Plan - - When Original Medicare is the primary payer, we will waive some out-of-pocket costs, as follows:
  - We will waive your office visit co-payments if you have both Part A and Part B of Medicare.

- **Medicare managed care plan** If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from another type of Medicare+Choice plan -- a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans provide all the benefits that Original Medicare covers. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at [www.medicare.gov](http://www.medicare.gov).

If you enroll in a Medicare managed care plan, the following options are available to you:

**This Plan and our Medicare managed care plan:** You may enroll in our Medicare managed care plan and also remain enrolled in our FEHB plan. In this case, we do/do not waive any of our co-payments, coinsurance, or deductibles for your FEHB coverage.

**This Plan and another plan's Medicare managed care plan:** You may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary, even out of the managed care plan's network and/or service area (if you use our Plan providers), but we will not waive any of our co-payments, coinsurance, or deductibles. If you enroll in a Medicare managed care plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare managed care plan so we can correctly coordinate benefits with Medicare.

**Suspended FEHB coverage to enroll in a Medicare managed care plan:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare managed care plan's service area.

- **If you do not enroll in Medicare Part A or Part B**

If you do not have one or both Parts of Medicare, you can still be covered under the FEHB Program. We will not require you to enroll in Medicare Part B and, if you can't get premium-free Part A, we will not ask you to enroll in it.

## **TRICARE**

TRICARE is the health care program for eligible dependents of military persons and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, we pay first. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.

## **Workers' Compensation**

We do not cover services that:

- You need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

## **Medicaid**

When you have this Plan and Medicaid, we pay first.

## **When other Government agencies are responsible for your care**

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

## **When others are responsible for injuries**

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

---

## Section 10. Definitions of terms we use in this brochure

---

<b>Calendar year</b>	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
<b>Co-payment</b>	A co-payment is a fixed amount of money you pay when you receive covered services. See page 12.
<b>Covered services</b>	Care we provide benefits for, as described in this brochure.
<b>Custodial care</b>	Provision of room and board, nursing care, or personal care designed to assist an individual who, in the opinion of a plan physician, has reached the maximum level of recovery. In the case of confinement in a Hospital or nursing facility, Custodial Care also includes room and board, nursing care, or such other care which is provided to an individual for whom it cannot reasonably be expected, in the opinion of the plan physician, that the medical or surgical treatment will enable that person to live outside an institution. Custodial Care also includes rest cures, respite care, and home care provided by family members.
<b>Deductible</b>	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 12.
<b>Experimental or investigative services</b>	<p>Is a health service, treatment, or supply used for an illness or injury which, at the time it is used, meets one or more of the following criteria:</p> <ul style="list-style-type: none"><li>• Is subject to approval by an appropriate governmental agency for the purpose it is being used for such as, but not limited to the Food and Drug Administration (FDA), which has not granted that approval;</li><li>• Is not a commonly accepted medical practice in the American medical community;</li><li>• Is the subject of a written investigational or research protocol;</li><li>• Requires a written investigational or research protocol;</li><li>• Requires a written informed consent by a treating facility that makes reference to it being experimental, investigative, educational, for a research study, or posing an uncertain outcome, or having an unusual risk;</li><li>• Is the subject of an ongoing FDA Phase I, II, III clinical trial;</li><li>• Is undergoing review by an institutional review board;</li><li>• Lacks recognition and endorsement of supporting medical literature published in an established, peer reviewed scientific journal;</li><li>• Has unacceptable failure rates and side effects or poses uncertain risks and outcomes;</li><li>• Is being used in place of other more conventional and proven methods of treatment;</li><li>• Has been disapproved by the GHC Technology Assessment Committee.</li></ul>

**Medical necessity**

A service, treatment, procedure, equipment, drug, device or supply provided by a hospital, physician or other health care provider that is required to identify or treat a participant's illness or injury and which is, as determined by the plan: 1. consistent with symptoms or diagnosis and treatment of the participants; 2. appropriate under the standards of acceptable medical practice to treat that illness or injury; 3. not solely for the convenience of the participant, physician, hospital or other health care provider; 4. the most appropriate service, treatment, procedure, equipment, drug, device or supply which can be safely provided to the participant and accomplishes the desired end result in the most economical manner.

**Us/We**

Us and we refer to Group Health, Group Health Cooperative, and Group Health Cooperative of Eau Claire.

**You**

You refers to the enrollee and each covered family member.

---

## Section 11. FEHB facts

---

### **No pre-existing condition limitation**

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

### **Where you can get information about enrolling in the FEHB Program**

See - [www.opm.gov/insure](http://www.opm.gov/insure). Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

### **Types of coverage available to you and your family**

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self-Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

### **When benefits and premiums start**

The benefits in this brochure are effective on January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

## Your medical and claims records are confidential

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract;
- This Plan and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims;
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions;
- OPM and the General Accounting Office when conducting audits;
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim or defending litigation about a claim.

## When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as temporary continuation of coverage (TCC).

## When you lose benefits

### •When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

### • Spouse equity coverage

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices.

### •Temporary Continuation of Coverage (TCC)

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

**Enrolling in TCC.** Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from [www.opm.gov/insure](http://www.opm.gov/insure). It explains what you have to do to enroll.

### • Converting to individual coverage

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

## **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

**For more information, get** OPM pamphlet RI 79-27, Temporary Continuation of Coverage (TCC) under the FEHB Program. See also the FEHB website ([www.opm.gov/insure/health](http://www.opm.gov/insure/health)) refer to the “TCC and HIPAA” frequently asked question. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and have information about Federal and State agencies you can contact for more information.

---

## Long-term Care Insurance Is Coming Later in 2002!

---

- Many FEHB enrollees think that their health plan and/or Medicare will cover their Long-term care needs. Unfortunately, they are *WRONG!*
- How are YOU planning to pay for the future custodial or chronic care you may need?
- You should consider buying Long-term care insurance.

The Office of Personnel Management (OPM) will sponsor a high-quality Long-term care insurance program effective in October 2002. As part of its educational effort, OPM asks you to consider these questions:

### **What is Long-term care (LTC) insurance?**

- It's insurance to help pay for long-term care services you may need if you can't take care of yourself because of an extended illness or injury, or an age-related disease such as Alzheimer's.
- LTC insurance can provide broad, flexible benefits for nursing home care, care in an assisted living facility, care in your home, adult day care, hospice care, and more. It can supplement care provided by family members, reducing the burden you place on them. LTC insurance can supplement care provided by family members, reducing the burden you place on them.

### **I'm healthy. I won't need long-term care. Or, will I?**

- Welcome to the club!
- 76% of Americans believe they will never need long-term care, but the facts are that about half them will. And it's not just the old folks. About 40% of people needing Long-term care are under age 65. They may need chronic care due to a serious accident, a stroke, or developing multiple sclerosis, etc.
- We hope you will never need long-term care, but everyone should have a plan just in case. Many people now consider long-term care insurance to be vital to their financial and retirement planning.

### **Is Long-term care expensive?**

- Yes, it can be very expensive. A year in a nursing home can exceed \$50,000. Home care for only three 8-hour shifts a week can exceed \$20,000 a year. And that's before inflation!
- Long-term care can easily exhaust your savings. *Long-term care insurance can protect your savings.*

### **But won't my FEHB plan, Medicare or Medicaid cover my long-term care?**

- Not FEHB. Look at the "*Not covered*" blocks in sections 5(a) and 5(c) of your FEHB brochure. Health plans don't cover custodial care or a stay in an assisted living facility or a continuing need for a home health aide to help you get in and out of bed and with other activities of daily living. Limited stays in skilled nursing facilities can be covered in some circumstances.
- Medicare only covers skilled nursing home care (the highest level of nursing care) after a hospitalization for those who are blind, age 65 or older or fully disabled. It also has a 100-day limit.
- Medicaid covers long-term care for those who meet their state's poverty guidelines, but has restrictions on covered services and where they can be received. *Long-term care insurance can provide choices of care and preserve your independence.*

### **When will I get more information on how to apply for this new insurance coverage?**

- Employees will get more information from their agencies during the LTC open enrollment period in the late summer/early fall of 2002.
- Retirees will receive information at home.

**How can I find out more about the program NOW?**

- Our toll-free teleservice center will begin in mid-2002. In the meantime, you can learn more about the program on our web site at [www.opm.gov/insure/ltc](http://www.opm.gov/insure/ltc).

Special features: FirstCare Nurseline services		13, 26, 27, 32

## 2002 Rate Information for Group Health Cooperative of Eau Claire

**Non-Postal rates** apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

**Postal rates** apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and special FEHB guides are published for Postal Service Nurses, RI 70-2B; and for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable FEHB Guide.

Type of Enrollment	Code	Non-Postal Premium				Postal Premium	
		Biweekly		Monthly		Biweekly	
		Gov't Share	Your Share	Gov't Share	Your Share	USPS Share	Your Share
Self Only	WT1	\$ 97.86	\$ 77.66	\$ 212.03	\$ 168.26	\$ 115.52	\$ 60.00
Self and Family	WT2	\$ 223.41	\$ 229.50	\$ 484.06	\$ 497.25	\$ 263.75	\$ 189.16
