OFFICE OF PERSONNEL MANAGEMENT

OFFICE OF THE DIRECTOR

Dear Federal Employees Health Benefits Program Participant:

Welcome to the 2005 Open Season! By continuing to introduce pro-consumer health care ideas, the Office of Personnel Management (OPM) team has given you greater, cost effective choices. This year several national and local health plans are offering new options, strengthening the Federal Employees Health Benefits (FEHB) Program and highlighting once again its unique and distinctive market-oriented features. I remain firm in my belief that you, when fully informed as a Federal subscriber, are in the best position to make the decisions that meet your needs and those of your family. Plan brochures provide information to help subscribers make these fully informed decisions. Please take the time to review the plan's benefits, particularly Section 2, which explains plan changes.

Exciting new features this year give you additional opportunities to save and better manage your hard-earned dollars. For 2005, I am very pleased and enthusiastic about the new High Deductible Health Plans (HDHP) with a Health Savings Account (HSA) or Health Reimbursement Arrangement (HRA) component. This combination of health plan and savings vehicle provides a new opportunity to save and better manage your money. If an HDHP/HSA is not for you and you are not retired, I encourage you to consider a Flexible Spending Account (FSA) for health care. FSAs allow you to reduce your out-of-pocket health care costs by 20 to more than 40 percent by paying for certain health care expenses with tax-free dollars, instead of after-tax dollars.

Since prevention remains a major factor in the cost of health care, last year OPM launched the *HealthierFeds* campaign. Through this effort we are encouraging Federal team members to take greater responsibility for living a healthier lifestyle. The positive effect of a healthier lifestyle brings dividends for you and reduces the demands and costs within the health care system. This campaign embraces four key "actions" that can lead to a healthy America: be physically active every day, eat a nutritious diet, seek out preventative screenings, and make healthy lifestyle choices. Be sure to visit *HealthierFeds* at www.healthierfeds.opm.gov for more details on this important initiative. I also encourage you to visit the Department of Health and Human Services Web site on Wellness and Safety, www.hhs.gov/safety/index.shtml, which complements and broadens healthier lifestyle resources. The site provides extensive information from health care experts and organizations to support your personal interest in staying healthy.

The FEHB Program offers the Federal team the widest array of cost-effective health care options and the information needed to make the best choice for you and your family. You will find comprehensive health plan information in this brochure, in the 2005 Guide to FEHB Plans, and on the OPM Web site at www.opm.gov/insure. I hope you find these resources useful, and thank you once again for your service to the nation.

Sincerely,

A handwritten signature in black ink, appearing to read "Kay C. James".

Notice of the United States Office of Personnel Management's Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

By law, the United States Office of Personnel Management (OPM), which administers the Federal Employees Health Benefits (FEHB) Program, is required to protect the privacy of your personal medical information. OPM is also required to give you this notice to tell you how OPM may use and give out ("disclose") your personal medical information held by OPM.

OPM **will** use and give out your personal medical information:

- To you or someone who has the legal right to act for you (your personal representative),
- To the Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected,
- To law enforcement officials when investigating and/or prosecuting alleged or civil or criminal actions, and
- Where required by law.

OPM **has the right to** use and give out your personal medical information to administer the FEHB Program. For example:

- To communicate with your FEHB health plan when you or someone you have authorized to act on your behalf asks for our assistance regarding a benefit or customer service issue.
- To review, make a decision, or litigate your disputed claim.
- For OPM and the General Accounting Office when conducting audits.

OPM **may** use or give out your personal medical information for the following purposes under limited circumstances:

- For Government healthcare oversight activities (such as fraud and abuse investigations),
- For research studies that meet all privacy law requirements (such as for medical research or education), and
- To avoid a serious and imminent threat to health or safety.

By law, OPM must have your written permission (an "authorization") to use or give out your personal medical information for any purpose that is not set out in this notice. You may take back ("revoke") your written permission at any time, except if OPM has already acted based on your permission.

By law, you **have the right to**:

- See and get a copy of your personal medical information held by OPM.
- Amend any of your personal medical information created by OPM if you believe that it is wrong or if information is missing, and OPM agrees. If OPM disagrees, you may have a statement of your disagreement added to your personal medical information.
- Get a listing of those getting your personal medical information from OPM in the past 6 years. The listing will not cover your personal medical information that was given to you or your personal representative, any information that you authorized OPM to release, or that was given out for law enforcement purposes or to pay for your health care or a disputed claim.
- Ask OPM to communicate with you in a different manner or at a different place (for example, by sending materials to a P.O. Box instead of your home address).
- Ask OPM to limit how your personal medical information is used or given out. However, OPM may not be able to agree to your request if the information is used to conduct operations in the manner described above.
- Get a separate paper copy of this notice.

For more information on exercising your rights set out in this notice, look at www.opm.gov/insure on the Web. You may also call 202-606-0745 and ask for OPM's FEHB Program privacy official for this purpose.

If you believe OPM has violated your privacy rights set out in this notice, you may file a complaint with OPM at the following address:

Privacy Complaints
United States Office of Personnel Management
P.O. Box 707
Washington, DC 20004-0707

Filing a complaint will not affect your benefits under the FEHB Program. You also may file a complaint with the Secretary of the Department of Health and Human Services.

By law, OPM is required to follow the terms in this privacy notice. OPM has the right to change the way your personal medical information is used and given out. If OPM makes any changes, you will get a new notice by mail within 60 days of the change. The privacy practices listed in this notice are effective April 14, 2003.

2005 Rate Information for PacifiCare of California	Back cover

Introduction

This brochure describes the benefits of PacifiCare of California under our contract (CS 1937) with the United States Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. The address for PacifiCare's administrative offices is:

PacifiCare of California
5995 Plaza Drive
Cypress, CA 90630

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2005, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2005, and are summarized on page 9. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member; “we” means PacifiCare.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM’s “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehwebcomments@opm.gov. You may also write to OPM at the U.S. Office of Personnel Management, Insurance Services Programs, Program Planning & Evaluation Group, 1900 E Street, NW, Washington, DC 20415-3650.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits (FEHB) Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things you can do to prevent fraud:

- Be wary of giving your plan identification (ID) number over the telephone or to people you do not know, except to your doctor, other provider, or authorized plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.

- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

Call the provider and ask for an explanation. There may be an error.

If the provider does not resolve the matter, call us at 1 (800) 531-3341 and explain the situation.

If we do not resolve the issue:

**CALL – THE HEALTH CARE FRAUD HOTLINE
202-418-3300**

OR WRITE TO:
**United States Office of Personnel Management
 Office of the Inspector General Fraud Hotline
 1900 E Street, NW, Room 6400
 Washington, DC 20415-1110**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Give your doctor and pharmacist a list of all the medicines that you take, including non-prescription medicines.
- Tell them about any drug allergies you have.

- Ask about side effects and what to avoid while taking the medicine.
- Read the label when you get your medicine, including all warnings.
- Make sure your medicine is what the doctor ordered and know how to use it.
- Ask the pharmacist about your medicine if it looks different than you expected.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of test or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - Exactly what will you be doing?
 - About how long will it take?
 - What will happen after surgery?
 - How can I expect to feel during recovery?
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications you are taking.

Section 1. Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMO's emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- PacifiCare Health Systems has been in existence since 1975. We were founded by the Lutheran Hospital Society now called UniHealth America. We began operating as a Federally qualified Health Maintenance Organization (HMO) in 1978.
- PacifiCare is a for profit organization.

If you want more information about us, call 1 (800) 531-3341, or write to 5995 Plaza Drive MS CY20-303, Cypress, CA 90630. You may also contact us by fax at (714) 226-3575 or visit our Web site at www.pacificare.com.

Service Area

To enroll in this Plan, you must live or work in our service area. This is where our providers practice.

Our service areas are:

CALIFORNIA

Alameda, Contra Costa, Fresno, Kern, Los Angeles (except Catalina Island), Marin, Orange, Sacramento, San Diego, San Francisco, San Joaquin, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, Solano, Sonoma, Stanislaus, Ventura, Yolo, and portions of the following counties as defined by zip codes:

El Dorado: 95682, 95726

Placer: 95602-04, 95626, 95631, 95648, 95650, 95658, 95661, 95663, 95668, 95677, 95678, 95681, 95703, 95713, 95717, 95722, 95736, 95746, 95747, 95765

Riverside: 91718-20, 91752, 91760, 92201-03, 92210, 92211, 92220, 92223, 92230, 92234-36, 92239-41, 92253-55, 92258, 92260-64, 92270, 92272, 92274-76, 92282, 92292, 92302-03, 92313, 92320, 92330-31, 92343-44, 92348, 92353, 92355, 92360, 92362, 92367, 92369-70, 92379-81, 92383, 92387-88, 92390, 92395, 92396, 92500-99

San Bernardino: 91701, 91708-10, 91729-30, 91737, 91739, 91743, 91758-59, 91761-64, 91784, 91785-816, 92252, 92256, 92277, 92278, 92284, 92285, 92286, 92301, 92305, 92307-08, 92310-18, 92321, 92322, 92324-27, 92329, 92333-37, 92339-42, 92345-47, 92350, 92352, 92354, 92356-59, 92365, 92368, 92369, 92371-78, 92382, 92385, 92386, 92391-94, 92397-99, 92400-99

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2005

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- In Section 9, we revised the **Medicare Primary Payer Chart** and updated the language regarding Medicare Advantage plans (formerly called Medicare + Choice plans).
- In Section 12, we revised the language regarding the Flexible Spending Account Program - *FSAFEDS* and the Federal Long Term Care Insurance Program.

Changes to this Plan

- Your share of the non-Postal premium will increase by 17.5% for Self Only coverage or 17.5% for Self and Family coverage.
- **Office visit copayments** – You now pay a \$10 copayment for visits to your primary care physician and a \$30 copayment for visits to specialists, including behavioral health specialists.
- **Prescription drugs** – You now pay \$10 for generic formulary drugs, \$30 for brand-name formulary. Mail order prescription drugs require 2 copayments for a 90-day supply.
- **Specialized scanning** – You now pay a \$200 copayment for all specialized scanning exams, such as MRIs, CT, PET and SPECT Scans.
- **Infertility services** - The Plan will no longer cover fertility drugs.
- **Infertility services** – Artificial insemination is now limited to three cycles per pregnancy.
- **Self-injectable medications** - You now pay a \$50 copayment for self- injectable medications (except insulin)
- **Outpatient hospital, ambulatory surgical center or 23 hour observation** – You now pay a \$50 copayment per outpatient surgery or procedure performed in these settings. You also pay a \$50 copayment for non surgical services or 23 hour observation in these facilities.
- **Acupuncture and Chiropractic services** – You will now pay a \$10 copayment for chiropractic or acupuncture services up to 20 visits per calendar year combined.
- **Durable medical equipment (DME)** – You pay 20% of the cost for covered DME up to \$1,500 per calendar year and all charges above \$1,500
- **Out-of-pocket maximum** – Your catastrophic protection out of pocket maximum has decreased to \$2,500 per person or \$7,500 per self and family enrollment.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1 (800) 531-3341 or write to us at PacifiCare Health Plan, 5995 Plaza Drive, MS CY20-303, Cypress, CA 90630. You may also request replacement cards through our Web site at www.pacificare.com.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments and/or coinsurance, and you will not have to file claims unless you receive out of area emergency services.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our Web site, which you can also access at www.pacificare.com.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our Web site.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. You may select a primary care doctor by completing the Primary Care Doctor Selection form inside your enrollment packet.

- **Primary care**

Your primary care physician can be a family practitioner, internist, general practitioner or pediatrician for children under 18 years of age. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral.

However, women may see an OB/Gyn within their primary medical group once every twelve months for the well-woman exam, without a referral.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will coordinate with your specialist and PacifiCare to develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
 - Terminate our contract with your specialist for other than cause; or
 - Drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
 - Reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

• Hospital care

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 1 (800) 531-3341. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such case, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this the approval process precertification. Your physician must obtain approval for some services such as but not limited to:

- Cardiovascular bypass surgery
- Septoplasty
- Cholecystectomy
- Hysterectomy
- Arthroplasty
- MRIs, CT, PET and SPECT scans
- Growth Hormone Treatment (GHT)

PacifiCare of California may determine medical necessity by using preauthorization programs and criteria. Our criteria are written guidelines established by us to determine medical necessity and/or coverage for certain procedure and treatments. Our criteria are based on research of scientific literature, collaboration with physician specialists and compliance with federal and national regulatory agency guidelines. Criteria are approved by the PacifiCare Interpretation Committee and Technology Assessment and Guideline and are reviewed and revised on a regular basis. Criteria are available for review by the member's participating physician, the member or the member's representative. If you do not receive prior approval you may be responsible for charges. Always return to your primary care physician for prior approval.

Section 4. Your costs for covered services

You must share the cost of some services. You are responsible for:

Copayments

A copayment is a fixed amount of money you pay to the provider, facility or pharmacy etc, when you receive services.

Example: When you see your primary care physician you pay a copayment of \$10 per office visit and when you go to the hospital, you pay \$100 per day up to 3 days per admission.

Deductible

A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. We do not have a deductible.

Coinsurance

Coinsurance is the percentage that you must pay for your care. Example: You pay 50% for covered infertility services.

Your catastrophic protection out-of-pocket maximum

After your copayments total \$2,500 per person or \$7,500 per self and family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments for these services:

- Prescription Drugs
- Dental Services
- Vision services
- Chiropractic and acupuncture services

Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Emergencies within our service area:

If you have an emergency situation, please call your primary care physician. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member should notify the Plan within 48 hours (unless it is not reasonably possible to do so). It is your responsibility to notify us in a timely manner. If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If you are hospitalized in a non-Plan facility and Plan doctors believe care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full. Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition. To be covered by us you must get all follow up care from plan providers or follow up care must be approved by us.

Emergencies outside our service area:

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness. If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If a Plan doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full. To be covered by this Plan, you must get all follow up care from plan providers or your follow up care must be approved by the Plan.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A plan physician must write the prescription including medically necessary prescriptions authorized for dental treatment.
- **Where you can obtain them.** You must fill the prescription at a plan pharmacy, or by mail for a maintenance medication.
- **We use a formulary.** The PacifiCare Formulary is a list of over 1,600 prescription drugs that Physicians use as a guide when prescribing medications for patients. The Formulary plays an important role in providing safe, effective and affordable prescription drugs to PacifiCare members. It also allows us to work together with physicians and pharmacists to ensure that our members are getting the drug therapy they need. A Pharmacy and Therapeutics Committee evaluates prescription drugs for safety, effectiveness, quality treatment and overall value. The committee considers first and foremost the safety and effectiveness of a medication before they review the cost. The formulary is updated on a regular basis. You may obtain a copy of the formulary by calling Customer Service or by logging on to the PacifiCare Web site at www.pacificare.com. PacifiCare uses a generic based formulary. Prescriptions will be filled with generics whenever possible. If you or your physician prefer a brand name product when a formulary generic equivalent is available, you will pay the non-formulary copayment.-
- **These are the dispensing limitations.** Prescription drugs prescribed by a Plan or referral doctor and obtained at a Plan pharmacy will be dispensed for up to a 30-day supply. For medications that come in trade size packages, you will be responsible for one applicable copayment per prepackaged unit. Nonformulary drugs will be covered when prescribed by a Plan doctor. Clinical edits (limitations) can be used for safety reasons, quantity limitations, age limitations and benefit plan exclusions and may require prior authorization. You can get your prescription drugs at a participating pharmacy as long as it is written by your primary care doctor or a Plan specialist. You will get up to a 30-day supply, 2 vials of the same kind of insulin or one commercially prepared unit (i.e., one inhaler, one vial of ophthalmic medication, topical ointment or cream) for a \$10 copayment per prescription unit or refill for generic formulary drugs or a \$30 copayment for name brand formulary drugs or a \$50 copayment for generic or brand name non-formulary drugs.
Some drugs may be dispensed in quantities other than a 30-day supply. They are;
 - Medications with quantity limits that may be set at a smaller amount to promote appropriate medication and patient safety.
 - Pre-packaged medications such as inhalers, eye drops, creams or other types of medications that are normally dispensed in pre-packaged units of 30 days or less will be considered one prescription unit.
 - Medications that are manufactured in prescription units to exceed a 30-day supply may be subject to more than one copayment.
 - If you are called to active military duty or in the event of a National emergency and you are in need of prescription medications call us at 1 (800) 562-6223.

- The most convenient and affordable way to obtain your prescriptions is to take advantage of our mail service program. It takes approximately seven days to receive your 90-day supply from the mail service program. In the event of a national emergency, please contact your pharmacist about obtaining an override. Our Customer Service Associates can also help you with your medication needs call 1 (800) 624-8822 or TDHI 1 (800) 442-8833. Prescription drugs can also be obtained through the mail order program for up to a 90 day supply of oral medication; 6 vials of insulin; or 3 commercially prepared units (i.e., inhaler, vials ophthalmic medication or topical ointments or creams). Call 1 (800) 531-3341 for mail order customer service. **You pay** a \$30 copayment per prescription unit or refill for generic formulary drugs, a \$60 copayment for name brand formulary maintenance medications or a \$100 copayment for generic or brand non-formulary medications. Call 1 (800) 562-6223 (TDHI 1 (800) 498-5428) for mail order customers service.
- When you have to file a claim. Please refer to Section 7 for information on how to file a pharmacy claim, or contact our Customer Service Department at 1 (800) 531-3341.
- Why use generic drugs? To reduce your out-of-pocket expenses! A generic drug is the chemical equivalent of a corresponding brand name drug. Generic drugs are less expensive than brand name drugs; therefore, you may reduce your out-of-pocket costs by choosing to use a generic drug.

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness disease, injury, or condition.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations; or
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs, or supplies you receive without charge while in active military service.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital, prescription drugs, and Durable Medical Equipment (DME) Benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Your facility will file on the UB-92 form. For claims questions and assistance, call us at 1 (800) 531-3341.

When you must file a claim – such as for services you receive outside of the Plan’s service area– submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer –such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.
- Be sure to keep a copy for your records

Submit your claims to: PacifiCare Health Plans
5995 Plaza Drive
MS CY20-303
Cypress, CA 90630

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization/prior approval:

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none">(a) Write to us within 6 months from the date of our decision; and(b) Send your request to us at: 5995 Plaza Drive MS. CY20-303, Cypress, CA 90630; and(c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and(d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.
2	<p>We have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none">(a) Pay the claim (or if applicable, arrange for the health care provider to give you the care); or(b) Write to you and maintain our denial – go to step 4; or(c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request – go to step 3.
3	<p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days. If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p>
4	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none">• 90 days after the date of our letter upholding our initial decision; or• 120 days after you first wrote to us – if we did not answer that request in some way within 30 days; or• 120 days after we asked for additional information. <p>Write to OPM at: United States Office of Personnel Management, Insurance Services Programs, Health Insurance Group 3, 1900 E Street, NW, Washington, D.C. 20415-3630.</p> <p>Send OPM the following information:</p> <ul style="list-style-type: none">• A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;• Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;• Copies of all letters you sent to us about the claim;• Copies of all letters we sent to you about the claim; and• Your daytime phone number and the best time to call. <p>Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.</p> <p>Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.</p> <p>Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.</p>

The disputed claims process (continued)

- 5** OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs or supplies or the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life-threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- (a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 1 (800) 531-3341 and we will expedite our review; or
- (b) We denied your initial request for care or preauthorization/prior approval, then:
 - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
 - You may call OPM's Health Insurance Group 3 at 1-202-606-0737 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you or a covered family member have coverage under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (Someone who was a Federal employee on January 1, 1983, or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

- **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213 to set up an appointment to apply. If you do not apply for one or both Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare A and B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. Some things are not covered under Original Medicare, such as most prescription drugs (but coverage through private prescription drug plans will be available starting in 2006).

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan PCP, or precertified as required. We will not waive any of our copayments. (Primary Payer chart begins on next page.)

Claims process when you have the Original Medicare Plan – You probably will never have to file a claim form when you have both our Plan and the Original Medicare Plan.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claims will be coordinated automatically and we will provide secondary benefits for covered charges. You will not need to do anything. To find out if you need to do something about filing your claims, call us at 1 (800) 531-3341, visit us on our Web site at www.pacificare.com, or you can fax us at (714) 226-3575.

We do not waive any costs if the Original Medicare Plan is your primary payer.

Medicare always makes the final determination as to whether they are the primary payer. The following chart illustrates whether Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

- **Medicare Advantage**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs) in some areas of the country. In most Medicare Advantage plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare Advantage plans provide all the benefits that Original Medicare covers. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare Advantage plan, contact Medicare at 1-800 MEDICARE (1-800-633-4227) or at www.medicare.gov. If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

TRICARE and CHAMPVA

TRICARE is the health care program for members, eligible dependents of military persons and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable Plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to reenroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the program.

Workers' Compensation

We do not cover services that:

- You need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage that you must pay for your care. Example: You pay 50% for covered infertility services.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 13.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Day to day care including assistance with daily living activities that can be provided by a non-medical individual.
Experimental or investigational services:	Our National and Regional Medical Committees determine whether or not treatments, procedures and drugs are no longer considered experimental or investigational. Our determinations are based on the safety and efficacy of new medical procedures, technologies, devices and drugs.
Medical necessity	<p>Medical necessity refers to medical services or hospital services that are determined by us to be:</p> <ul style="list-style-type: none">• Rendered for the treatment or diagnosis of an injury or illness; and• Appropriate for the symptoms, consistent with diagnosis, and otherwise in accordance with sufficient scientific evidence and professionally recognized standards; and• Not furnished primarily for the convenience of the member, the attending physician, or other provider of service; and• Furnished in the most economically efficient manner which may be provided safely and effectively to the member.
Plan allowance	Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Plans determine their allowances in different ways. We determine our allowance by our contracted rate with the participating provider.
Us/We	Us and we refer to PacifiCare Health Plans.
You	You refers to the enrollee and each covered family member.

Section 11. FEHB facts

Coverage Information

- **No pre-existing condition limitation**

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.
- **Where you can get information about enrolling in the FEHB Program**

See www.opm.gov/insure. Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials will tell you:

 - When you may change your enrollment;
 - How you can cover your family members;
 - What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
 - When your enrollment ends; and
 - When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.
- **Types of coverage available for you and your family**

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.
- **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the Federal Employees Health Benefits (FEHB) Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

• **When benefits and premiums start**

The benefits in this brochure are effective on January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2005 benefits of your old plan or option. However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2004 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

• **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

• **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC) or a conversion policy (a non-FEHB individual policy).

- **Spouse equity coverage**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to supply health coverage for you. But, you may be eligible for your own FEHB coverage under the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, www.opm.gov/insure.

- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling In TCC: Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends. (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and have information about Federal and State agencies you can contact for more information.

Section 12. Two Federal Programs complement FEHB benefits

Important information

OPM wants to make sure you are aware of two Federal programs that complement the FEHB Program. First, the **Federal Flexible Spending Account (FSA) Program**, also known as **FSAFEDS**, lets you set aside pre-tax money to pay for health and dependent care expenses. The result can be a discount of 20% to more than 40% on services you routinely pay for out-of-pocket. Second, the **Federal Long Term Care Insurance Program (FLTCIP)** helps cover long term care costs, which are not covered under the FEHB.

The Federal Flexible Spending Account Program – FSAFEDS

• What is an FSA?

It is a tax-favored benefit that allows you to set aside pre-tax money from your paychecks to pay for a variety of eligible expenses. *By using an FSA, you can reduce your taxes while paying for services you would have to pay for anyway, producing a discount that can be over 40%!*

There are two types of FSA's offered by FSAFEDS:

Health Care Flexible Spending Account (HCFSA)

- Covers eligible health care expenses not reimbursed by this Plan, or any other medical, dental, or vision care plan you or your dependents may have.
- Eligible dependents for this account include anyone you claim on your Federal Income Tax return as a qualified dependent under the U.S. Internal Revenue Service (IRS) definition and/or with whom you jointly file your Federal Income Tax return, even if you don't have self and family health benefits coverage. *Note:* The IRS has a broader definition of a "family member" than is used under the FEHB Program to provide benefits by your FEHB Plan.
- The maximum annual amount that can be allotted for the HCFSA is \$4,000. *Note:* The Federal workforce includes a number of employees married to each other. If each spouse/employee is eligible for FEHB coverage, both may enroll for a HCFSA up to the maximum of \$4,000 each (\$8,000 total). Both are covered under each other's HCFSA. The minimum annual amount is \$250.

Dependent Care Flexible Spending Account (DCFSA)

- Covers eligible dependent care expenses incurred so you, and your spouse, if married, can work, look for work or attend school full-time.
- Qualifying dependents for this account include your dependent children under age 13, or any person of any age whom you claim as a dependent on your Federal Income Tax return (and who is mentally or physically incapable of self care).
- The maximum annual amount that can be allotted for the DCFSA is \$5,000. The minimum annual amount is \$250. *Note:* The IRS limits contributions to a DCFSA. For single taxpayers and taxpayers filing a joint return, the maximum is \$5,000 per year. For taxpayers who file their taxes separately with a spouse, the maximum is \$2,500 per year. The limit includes any childcare subsidy you may receive.

• Enroll during Open Season

You **must make an election** to enroll in an FSA during the 2005 FEHB Open Season. Even if you enrolled during the initial Open Season for 2004, you must make a new election to continue participating in 2005. Enrollment is easy!

• **Online:** visit www.FSAFEDS.com and click on **Enroll**

• **Telephone:** call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (372-3337), Monday through Friday, from 9 a.m. until 9 p.m., Eastern Time. TTY: 1-800-952-0450.

What is SHPS?

SHPS is a third-party administrator hired by OPM to manage the FSAFEDS Program. SHPS is the largest FSA administrator in the nation and is responsible for enrollment, claims processing, customer service, and day-to-day operations of FSAFEDS.

Who is eligible to enroll?

If you are a Federal employee eligible for FEHB – even if you’re not enrolled in FEHB – you can choose to participate in either, or both, of the FSA's. *However, if you enroll in a High Deductible Health Plan (HDHP) with a Health Savings Account (HSA), you are not eligible to participate in an HCFSA.*

Almost all Federal employees are eligible to enroll for a DCFSAs. The only exception is intermittent (also called “when actually employed” [WAE]) employees expected to work fewer than 180 days during the year.

Note: FSAFEDS is the FSA Program established for all Executive Branch employees and Legislative Branch employees whose employers have signed on to participate. Under IRS law, FSAs are not available to annuitants. Also, the U.S. Postal Service and the Judicial Branch, among others, have their own plans with slightly different rules. However, the advantages of having an FSA are the same regardless of the agency for which you work.

• How much should I contribute to my FSA?

Plan carefully when deciding how much to contribute to an FSA. Because of the tax benefits an FSA provides, the IRS places strict guidelines on how the money can be used. Under current IRS tax rules, you are required to forfeit any money for which you did not incur an eligible expense under your FSA account(s) during the Plan Year. This is known as the “use-it-or-lose-it” rule. You will have until April 30, following the end of the Plan Year to submit claims for your eligible expenses incurred from January 1 through December 31. For example if you enroll in FSAFEDS for the 2005 Plan Year, you will have until April 30, 2006 to submit claims for eligible expenses.

The FSAFEDS Calculator at www.FSAFEDS.com will help you plan your FSA allocations and provide an estimate of your tax savings based on your individual situation.

• What can my HCFSA pay for?

Every FEHB plan includes cost sharing features, such as deductibles you must meet before the Plan provides benefits, coinsurance or copayments that You pay when you and the Plan share costs, and medical services and supplies that are not covered by the Plan and for which you must pay. These out-of-pocket costs are summarized on page 13 and detailed throughout this brochure. Your HCFSA will reimburse you when those costs are for qualified medical care for you, your spouse and/or your dependents that is NOT covered or reimbursed by this FEHB Plan or any other coverage that you have.

Under this plan, typical out-of-pocket expenses include:

- Infertility services
- Custodial home health care
- Experimental or investigational procedures and treatments not covered by this Plan
- Care received by non-plan providers

The IRS governs expenses reimbursable by a HCFSA. See Publication 502 for a comprehensive list of tax-deductible medical expenses. **Note: While you will see insurance premiums listed in Publication 502, they are NOT a reimbursable expense for FSA purposes.** Publication 502 can be found on the IRS Web site at <http://www.irs.gov/pub/irs-pdf/p502.pdf>. The FSAFEDS Web site also has a comprehensive list of eligible expenses at www.FSAFEDS.com/fsafeds/eligibleexpenses.asp. If you do not see your service or

expense listed please call an FSAFEDS Benefits Counselor at 1-877-FSAFEDS (372-3337), who will be able to answer your specific questions.

• **Tax savings with an FSA**

An FSA lets you allot money for eligible expenses *before* your agency deducts taxes from your paycheck. This means the amount of income that your taxes are based on will be lower, so your tax liability will be less. Without an FSA, you would still pay for these expenses, but you would do so using money remaining in your paycheck after Federal (and often state and local) taxes are deducted. The following chart illustrates a typical tax savings example:

Annual Tax Savings Example	With FSA	Without FSA
If your taxable income is:	\$50,000	\$50,000
And you deposit this amount into a FSA:	\$ 2,000	\$0-
Your taxable income is now:	\$48,000	\$50,000
Subtract Federal & Social Security taxes:	\$13,807	\$14,383
If you spend after-tax dollars for expenses:	-\$0-	\$ 2,000
Your real spendable income is:	\$34,193	\$33,617
Your tax savings:	\$576	- \$0 -

Note: This example is intended to demonstrate a typical tax savings based on 27% Federal and 7.65% FICA taxes. Actual savings will vary based upon the retirement system in which you are enrolled (CSRS or FERS), your state of residence, and your individual tax situation. In this example, the individual received \$2,000 in services for \$1,424 - a discount of almost 36%! You may also wish to consult a tax professional for more information on the tax implications of an FSA.

• **Tax credits and deductions**

You *cannot* claim expenses on your Federal Income Tax return if you receive reimbursement for them from your HCFSA or DCFSA. Below are some guidelines that may help you decide whether to participate in FSAFEDS.

Health care expenses

The HCFSA is Federal Income Tax-free from the first dollar. In addition, you may be reimbursed from your HCFSA at any time during the year for expenses up to the annual amount you've elected to contribute.

Only health care expenses exceeding 7.5% of your adjusted gross income are eligible to be deducted on your Federal Income Tax return. Using the example shown above only health care expenses exceeding \$3,750 (7.5% of \$50,000) would be eligible to be deducted on your Federal Income Tax return. In addition, money set aside through an HCFSA is also exempt from FICA taxes. This exemption is not available on your Federal Income Tax return.

Dependent care expenses

The DCFSA generally allows many families to save more than they would with the Federal tax credit for dependent care expenses. Note that you may only be reimbursed from the DCFSA up to your current account balance. If you file a claim for more than your current balance, it will be held until additional payroll allotments have been added to your account.

Visit www.FSAFEDS.com and download the Dependent Care Tax Credit Worksheet from the Quick Links box to help you determine what is best for your situation. You may also wish to consult a tax professional for more details.

- **Does it cost me anything to participate in FSAFEDS?**

No. Section 1127 of the National Defense Authorization Act Public Law 108-136) requires agencies that offer FSAFEDS to employees to cover the administrative fee(s) on behalf of their employees.3337 However, remember that participating in FSAFEDS can cost you money if you don't spend your entire account balance by the end of the Plan Year , resulting in the forfeiture of funds remaining in your account (the IRS "use-it-or-lose-it" rule).

The Federal Long Term Care Insurance Program

- **It's important protection**

Why should you consider applying for coverage under the Federal Long Term Care Insurance Program (FLTCIP)?

- **FEHB plans do not cover the cost of long term care.** Also called "custodial care," long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment. The need for long term care can strike anyone at any age and the cost of care can be substantial.
- **The Federal Long Term Care Insurance Program can help protect you from the potentially high cost of long term care.** This coverage gives you options regarding the type of care you receive and where you receive it. With FLTCIP coverage, you won't have to worry about relying on your loved ones to provide or pay for your care.
- **It's to your advantage to apply sooner rather than later.** In order to qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. By applying while you're in good health, you could avoid the risk of having a future change in your health disqualify you from obtaining coverage. Also, the younger you are when you apply, the lower your premiums.
- **You don't have to wait for an open season to apply.** The Federal Long Term Care Insurance Program accepts applications from eligible persons at any time. You will have to complete a full underwriting application, which asks a number of questions about your health. However, if you are a new or newly eligible employee, you (and your spouse, if applicable) have a limited opportunity to apply using the abbreviated underwriting application, which asks fewer questions. Newly married spouses of employees also have a limited opportunity to apply using abbreviated underwriting.
- **Qualified relatives are also eligible to apply.** Qualified relatives include spouses and adult children of employees and annuitants, and parents, parents-in-law, and stepparents of employees.
