## Section 2. How we change for 2005

---

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

### Program-wide changes

- In Section 9, we revised the **Medicare Primary Payer Chart** and updated the language regarding Medicare Advantage plans (formerly called Medicare + Choice plans).
- In Section 12, we revised the language regarding the Flexible Spending Account Program – *FSAFEDS* and the Federal Long Term Care Insurance Program.

### Changes to this Plan

- Your share of the non-Postal premium will increase by 6.1% for Self Only or 6.1% for Self and Family.
- Each prescription a member fills will be subject to the applicable copay for the drug. Previously, members paid the copay amount or 50% of the Plan's allowable charge for the drug, whichever was less.
- We now show foot orthotics as a covered service under orthopedic and prosthetic devices. (Section 5 (a))
- We offer a discount on Weight Watchers membership fees as a Non-Federal Employees Benefit. (Section 5 (i))
