Notice of the United States Office of Personnel Management's Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

By law, the United States Office of Personnel Management (OPM), which administers the Federal Employees Health Benefits (FEHB) Program, is required to protect the privacy of your personal medical information. OPM is also required to give you this notice to tell you how OPM may use and give out ("disclose") your personal medical information held by OPM.

OPM **will** use and give out your personal medical information:

- To you or someone who has the legal right to act for you (your personal representative),
- To the Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected,
- To law enforcement officials when investigating and/or prosecuting alleged or civil or criminal actions, and
- Where required by law.

OPM **has the right** to use and give out your personal medical information to administer the FEHB Program. For example:

- To communicate with your FEHB health plan when you or someone you have authorized to act on your behalf asks for our assistance regarding a benefit or customer service issue.
- To review, make a decision, or litigate your disputed claim.
- For OPM and the Government Accountability Office when conducting audits.

OPM **may** use or give out your personal medical information for the following purposes under limited circumstances:

- For Government health care oversight activities (such as fraud and abuse investigations),
- For research studies that meet all privacy law requirements (such as for medical research or education), and
- To avoid a serious and imminent threat to health or safety.

By law, OPM must have your written permission (an "authorization") to use or give out your personal medical information for any purpose that is not set out in this notice. You may take back ("revoke") your written permission at any time, except if OPM has already acted based on your permission.

By law, you **have the right** to:

- See and get a copy of your personal medical information held by OPM.
- Amend any of your personal medical information created by OPM if you believe that it is wrong or if information is missing, and OPM agrees. If OPM disagrees, you may have a statement of your disagreement added to your personal medical information.
- Get a listing of those getting your personal medical information from OPM in the past 6 years. The listing will not cover your personal medical information that was given to you or your personal representative, any information that you authorized OPM to release, or that was given out for law enforcement purposes or to pay for your health care or a disputed claim.
- Ask OPM to communicate with you in a different manner or at a different place (for example, by sending materials to a P.O. Box instead of your home address).
- Ask OPM to limit how your personal medical information is used or given out. However, OPM may not be able to agree to your request if the information is used to conduct operations in the manner described above.
- Get a separate paper copy of this notice.

For more information on exercising your rights set out in this notice, look at www.opm.gov/insure on the Web. You may also call 202-606-0745 and ask for OPM's FEHB Program privacy official for this purpose.

If you believe OPM has violated your privacy rights set out in this notice, you may file a complaint with OPM at the following address:

Privacy Complaints
United States Office of Personnel Management
P.O. Box 707
Washington, DC 20004-0707

Filing a complaint will not affect your benefits under the FEHB Program. You also may file a complaint with the Secretary of the United States Department of Health and Human Services.

By law, OPM is required to follow the terms in this privacy notice. OPM has the right to change the way your personal medical information is used and given out. If OPM makes any changes, you will get a new notice by mail within 60 days of the change. The privacy practices listed in this notice are effective April 14, 2003.

Important Notice from Optima Health About Our Prescription Drug Coverage and Medicare

OPM has determined that Optima Health's prescription drug coverage is, on average, comparable to Medicare Part D prescription drug coverage, thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefits. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and Optima Health will coordinate benefits with Medicare.

Remember: If you are an annuitant and you terminate your FEHB coverage, you may not re-enroll in the FEHB program.

Please be advised

- If you lose or drop your FEHB coverage, you will have to pay a higher Part D premium if you go without equivalent prescription drug coverage for a period of 63 days or longer. If you enroll in Medicare Part D at a later date, your premium will increase 1 percent per month for each month you did not have equivalent prescription drug coverage. For example, if you go 19 months without Medicare Part D prescription drug plans and the coverage offered in your area, your premium will always be at least 19 percent higher than what most other people pay. You may also have to wait until the next open enrollment period to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

Introduction

This brochure describes the benefits of Optima Health under our contract (CS 2842) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. The address for Optima Health administrative offices is:

Optima Health
4417 Corporation Lane
Virginia Beach, VA 23462

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2006, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2006, and changes are summarized on page 9. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means Optima Health.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM’s “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehbwebcomments@opm.gov. You may also write to OPM at the U.S. Office of Personnel Management, Insurance Services Programs, Program Planning & Evaluation Group, 1900 E Street, NW, Washington, DC 20415-3650.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Be wary of giving your plan identification (ID) number over the telephone or to people you do not know, except to your doctor, other provider, or authorized plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

Call the provider and ask for an explanation. There may be an error.

If the provider does not resolve the matter, call us at 757-687-6326, or 1-866-826-5277 and explain the situation.

If we do not resolve the issue:

**CALL — THE HEALTH CARE FRAUD HOTLINE
202-418-3300**

OR WRITE TO:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

Preventing medical mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer

recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medications or give your doctor and pharmacist a list of all the medicines that you take, including non-prescription (over-the-counter) medications.
- Tell them about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - Exactly what will you be doing?
 - About how long will it take?
 - What will happen after surgery?
 - How can I expect to feel during recovery?

- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications you are taking.

Section 1. Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance. Except for emergencies outside the service area, we will not pay for care or services from non-Plan providers unless it has been authorized by us. You are responsible for making sure that a provider is a Plan provider. If you use a non-Plan provider without our prior authorization, you may be responsible for charges.

Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Optima Health is a not for profit health maintenance organization fully licensed under the laws of the Commonwealth of Virginia to arrange for the provision of health care services to its members.
- Optima Health is one of the first HMOs in the Hampton Roads area of Virginia operating since 1984.
- Optima Health pays providers on a fee for service basis according to a fee schedule. You may find some additional information about the Plan's providers in this brochure in Section 3 "Where you get covered care". If you would like information about the Plan's provider network, including participating hospitals, physician education, and board certification, and whether or not physicians are accepting new patients, you may check your provider directory, or the Plan's web site at www.optimahealth.com or call Member Services at 757-552-7550 or 1-800-206-1060.
- If you have questions about appeals, customer satisfaction measures, or how Optima Health manages your care or makes coverage decisions please call Member Services.

If you want more information about us, call Member Services, or write to Optima Health, 4417 Corporation Lane, Virginia Beach, VA 23462. You may also contact us by fax at 757-552-8919 or visit our web site at www.optimahealth.com.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area includes the following cities and counties in the Hampton Roads, and Richmond areas of Virginia:

In the Hampton Roads area of Virginia the cities of Chesapeake, Franklin, Hampton, Newport News, Norfolk, Poquoson, Portsmouth, Suffolk, Virginia Beach, and Williamsburg, as well as the counties of Charles City, Gloucester, Isle of Wight, James City, King William, Matthews, New Kent, and York.

In the Richmond area of Virginia, the city of Petersburg, as well as the counties of Amelia (to include 23002, 23083, 23105), Brunswick, Caroline (to include 22427, 22428, 22559, 22446, 22501, 22514, 22535, 22538, 22546, 22552, 22580), Chesterfield, Cumberland, Dinwiddie, Essex, Fluvanna, Goochland, Greensville, Hanover (to include 23005, 23015, 23047, 23059, 23069, 23111, 23116, 23192, 23146, 23162), Henrico, King and Queen, Lancaster, Louisa, Lunenburg, Mecklenburg, Middlesex, Northumberland, Nottoway, Powhatan, Prince Edward, Prince George, Richmond, Sussex, and Westmoreland.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2006

Do not rely on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to this Plan

- Your share of the non-Postal premium will increase by 35.1% for Self Only or 32.9% for Self and Family.
- Eye exam to determine the need for vision correction will now be covered for children through age 22, see page 26.
- Optima has expanded our service area to include the Richmond area of Virginia including the city of Petersburg, as well as the counties of Amelia (to include 23002, 23083, 23105), Brunswick, Caroline (to include 22427, 22428, 22559, 22446, 22501, 22514, 22535, 22538, 22546, 22552, 22580), Chesterfield, Cumberland, Dinwiddie, Essex, Fluvanna, Goochland, Greensville, Hanover (to include 23005, 23015, 23047, 23059, 23069, 23111, 23116, 23192, 23146, 23162), Henrico, King and Queen, Lancaster, Louisa, Lunenburg, Middlesex, New Kent, Northumberland, Nottoway, Powhatan, Prince Edward, Prince George, Sussex, and Westermoreland, see page 7.
- Optima is now an Open Access HMO. You can go directly to any network specialist for covered services without a referral from your primary care physician (PCP), see page 10.
- Under maternity benefits we will no longer exclude coverage for delivery outside the service area after the 35th week of gestation, see page 19.

Section 3. How you get care

Open Access HMO

Optima offers Open Access to our members within the plan's service area identified on page 7. You can go directly to any network specialist for covered services without a referral from your primary care physician (PCP). Whether your covered services are provided by your primary care physician (for your PCP copay) or by any other participating provider in the network (for the specialist copay), you will be responsible for payment which may be in the form of a copay (flat dollar amount) or coinsurance (a percentage of covered expenses). You still must select a PCP and notify member services of your selection. If you go directly to a specialist, you are responsible for verifying that the specialist is participating in the Plan. There are three ways you can check to see if your specialty provider is in the Plan's network. You can call Member Services, you can check your provider directory, or you can log onto the Plan's website at www.optimahealth.com to verify that your specialty provider is in the Plan's network. Please remember that although you do not need a referral for specialty care some services, supplies, and drugs require pre-authorization. Please refer to Section 3 for pre-authorization information and to make sure which services require pre-authorization.

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation letter (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 757-552-7550 or 1-800-206-1060 or write to us at Optima Health, 4417 Corporation Lane, Virginia Beach, VA 23462. You may also request replacement cards through our web site at www.optimahealth.com.

Where you get covered care

You get care from "Plan providers" and "Plan facilities." You will only pay copayments, or coinsurance, and you will not have to file claims.

• Plan providers

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. You should receive a directory when you enroll, or you can call Member Services to request a directory. Look in the directory to find a doctor's specialty, office location, telephone number, and notes on whether or not the doctor is accepting new patients. You may want to call the doctor to check to see if he or she is still participating in the Plan. You can also call Member Services, or check the Plan's web site to find out if a doctor participates in the Plan.

• Plan facilities

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically, or you can call Member Services to find out if a hospital or other facility is a participating provider. The list is also on our web site.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care.

- **Primary care**

Your primary care physician can be a family practitioner, internist or pediatrician. Your primary care physician will provide most of your health care.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

You do not need a referral from your primary care physician (PCP) for specialty care from a plan provider.

Here are some other things you should know about specialty care:

- If you are seeing a specialist when you enroll in our Plan, you must make sure that he or she participates with us. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, you may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - Terminate our contract with your specialist for other than cause; or
 - Drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program Plan; or
 - Reduce our service area and you enroll in another FEHB Plan.

You may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new Plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call Member Services immediately at 757-552-7550 or 1-800-206-1060. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB Plan to us, your former Plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former Plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your Plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such case, the hospitalized family member's benefits under the new Plan begin on

the effective date of enrollment.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process pre-authorization. Your physician must obtain pre-authorization for the following services: scheduled ambulance transport, outpatient surgery and services, inpatient hospitalization, durable medical equipment, artificial limbs, prosthetic and orthopedic appliances, home health care services, skilled nursing facility care, physical therapy, occupational therapy, speech therapy, cardiac rehabilitation, pulmonary rehabilitation, vascular rehabilitation, early intervention services, clinical trials, hospice services, oral surgery, TMJ services, transplant services, mental health services, growth hormone therapy, maternity services, services from non-Plan providers, and certain prescription drugs.

Pre-authorization is an evaluation process that assesses the medical necessity of proposed treatment and checks to see that the treatment is being provided at the appropriate level of care. Pre-authorization is a certification of medical necessity and not a guarantee of payment. Your PCP or Specialist is responsible for obtaining pre-authorization from the Plan for medical necessary treatment, services, and supplies. The Plan may not pay for services that have not been pre-authorized.

Section 4. Your costs for covered services

You must share the costs of some services. You are responsible for:

Copayments

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive services.

Example: When you see your primary care physician you pay a copayment of \$10 per office visit and when you go in the hospital, you pay \$250 per admission.

Deductible

A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. We do not have a deductible.

Coinsurance

Coinsurance is the percentage of our allowance that you must pay for your care.

Example: In our Plan, you pay 50% of our allowance for infertility services and 20% of our allowance for diabetic supplies.

Your catastrophic protection out-of-pocket maximum

After your copayments and/or coinsurance total \$1,800 per person or \$4,800 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments for these services:

- Prescription drugs
- Vision care and services
- Outpatient mental health conditions and substance abuse services

We will notify you when you reach the maximum.

Section 5. Benefits – OVERVIEW

(See page 9 for how our benefits changed this year and page 72 for a benefits summary.)

Note: This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about our benefits, contact us at 757-552-7550 or 1-800-206-1060 or at our Web site at www.optimahealth.com.

Section 5(a) Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- We have no calendar year deductible.
- You must get pre-authorization for some services, supplies, and drugs. Please refer to Section 3 for pre-authorization information and to make sure which services require pre-authorization.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay
Diagnostic and treatment services	
Professional services of physicians <ul style="list-style-type: none"> • In physician’s office • Office medical consultations • Second surgical opinion • At home house calls within the Plan’s service area 	\$10 per visit to your primary care physician \$20 per visit to a specialist

Section 5(b) Surgical and anesthesia services provided by physicians and other health care professionals

Here are some important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by a physician or other health care professional for your surgical care. Look in Section 5(c) for charges associated with the facility (i.e. hospital, surgical center, etc.).
- **YOUR PHYSICIAN MUST GET PRE-AUTHORIZATION OF ALL SURGICAL PROCEDURES.** Please refer to the pre-authorization information shown in Section 3.

Benefit Description	You pay
<p>Surgical procedures</p> <p>A comprehensive range of services, such as:</p> <ul style="list-style-type: none"> • Operative procedures • Treatment of fractures, including casting • Normal pre- and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies (see Reconstructive surgery) 	<p>Included in per office visit, or per inpatient/ outpatient admission copayment</p>

Surgical procedures - continued on next page

Surgical procedures (<i>continued</i>)	You pay
<ul style="list-style-type: none"> • Surgical treatment of morbid obesity (bariatric surgery) -- a condition in which an individual weighs 100 pounds or 100% over his or her normal weight according to current underwriting standards; eligible members must be age 18 or over. • Insertion of internal prosthetic devices. See 5(a) – Orthopedic and prosthetic devices for device coverage information • Voluntary sterilization (e.g., Tubal ligation, Vasectomy) • Treatment of burns <p>Note: Generally, we pay for internal prostheses (devices) according to where the procedure is done. For example, we pay Hospital benefits for a pacemaker and Surgery benefits for insertion of the pacemaker.</p>	<p>Included in per office visit, or per inpatient/outpatient admission copayment</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Reversal of voluntary sterilization</i> • <i>Sex change operations</i> • <i>Routine treatment of conditions of the foot; see Foot care</i> • <i>Surgery primarily for cosmetic purposes</i> • <i>Any surgical services, other than emergent, which have not been pre-authorized by the Plan.</i> • <i>Any surgical services determined not medically necessary by the Plan.</i> • <i>Care and services from non-Plan providers unless pre-authorized by the Plan prior to receiving the service</i> 	<p><i>All charges</i></p>

Reconstructive surgery	You pay
<ul style="list-style-type: none"> • Surgery to correct a functional defect • Surgery to correct a condition caused by injury or illness if: <ul style="list-style-type: none"> ▫ the condition produced a major effect on the member’s appearance and ▫ the condition can reasonably be expected to be corrected by such surgery • Surgery to correct a condition that existed at or from birth and is a significant deviation from the common form or norm. Examples of congenital anomalies are: protruding ear deformities; cleft lip; cleft palate; birth marks; webbed fingers; and webbed toes. • All stages of breast reconstruction surgery following a mastectomy, such as: <ul style="list-style-type: none"> ▫ surgery to produce a symmetrical appearance of breasts; ▫ treatment of any physical complications, such as lymphedemas; ▫ breast prostheses and surgical bras and replacements (see Prosthetic devices) <p>Note: If you need a mastectomy, you may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.</p>	<p>Included in per office visit, or per inpatient/outpatient admission copayment</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Cosmetic surgery – any surgical procedure (or any portion of a procedure) performed primarily to improve physical appearance through change in bodily form, except repair of accidental injury</i> • <i>Surgeries related to sex transformation</i> • <i>Any surgical services, other than emergent, which have not been pre-authorized by the Plan.</i> • <i>Any surgical services determined not medically necessary by the Plan.</i> • <i>Care and services from non-Plan providers unless pre-authorized by the Plan prior to receiving the service.</i> 	<p><i>All charges</i></p>

Oral and maxillofacial surgery	You pay
<p>Oral surgical procedures, limited to:</p> <ul style="list-style-type: none"> • Reduction of fractures of the jaws or facial bones; • Surgical correction of cleft lip, cleft palate or severe functional malocclusion; • Removal of stones from salivary ducts; • Excision of leukoplakia or malignancies; • Excision of cysts and incision of abscesses when done as independent procedures; and • Other surgical procedures that do not involve the teeth or their supporting structures. 	<p>Included in per office visit, or per inpatient/outpatient admission copayment</p>

We will provide coverage for a Phase I clinical trial on a case by case basis if approved by the Plan. The clinical trial must meet all eligibility requirements of the Plan to be included for coverage under this benefit. Clinical trials must be approved by The National Cancer Institute (NCI), and NCI Cooperative group or NCI center, or other facility as approved by the Plan.</p> <p>Note: We cover related medical and hospital expenses of the donor when we cover the recipient.</p>	<p>Included in per office visit, or per inpatient/outpatient admission copayment</p>

Organ/tissue transplants – continued on next page

Organ/tissue transplants <i>(continued)</i>	You pay
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Donor screening tests and donor search expenses, except those performed for the actual donor</i> • <i>Implants of artificial organs</i> • <i>Transplants not listed as covered</i> • <i>Care and services from non-Plan providers unless pre-authorized by the Plan prior to receiving the service</i> 	<p><i>All charges</i></p>
Anesthesia	
<p>Professional services provided in –</p> <ul style="list-style-type: none"> • Hospital (inpatient) • Hospital outpatient department • Skilled nursing facility • Ambulatory surgical center • Office 	<p>Included in per office visit, or per inpatient/outpatient admission copayment</p>

Section 5(c) Services provided by a hospital or other facility, and ambulance services

Here are some important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care and you must be hospitalized in a Plan facility.
- Be sure to read Section 4, *Your costs for covered services* for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are in Sections 5(a) or (b).
- **YOUR PHYSICIAN MUST GET PRE-AUTHORIZATION OF HOSPITAL STAYS.** Please refer to Section 3 to be sure which services require pre-certification.

Benefit Description	You pay
Inpatient hospital	
<p>Room and board, such as</p> <ul style="list-style-type: none"> • Ward, semiprivate, or intensive care accommodations; • General nursing care; and • Meals and special diets. <p>Note: If you want a private room when it is not medically necessary, you pay the additional charge above the semiprivate room rate.</p>	<p>\$250 per admission</p>

Inpatient hospital - continued on next page.

Inpatient hospital <i>(continued)</i>	You pay
<p>Other hospital services and supplies, such as:</p> <ul style="list-style-type: none"> • Operating, recovery, maternity, and other treatment rooms • Prescribed drugs and medicines • Diagnostic laboratory tests and X-rays • Administration of blood and blood products • Blood or blood plasma, if not donated or replaced • Dressings, splints, casts, and sterile tray services • Medical supplies and equipment, including oxygen • Anesthetics, including nurse anesthetist services • Take-home items • Medical supplies, appliances, medical equipment, and any covered items billed by a hospital for use at home • Hospitalization and anesthesia for dental procedures as determined medically necessary by a Plan physician for members under age five, severely disabled or with a medical condition requiring hospitalization for dental procedures. 	<p>Included in inpatient copayment per admission</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Custodial care</i> • <i>Non-covered facilities, such as nursing homes, schools</i> • <i>Personal comfort items, such as telephone, television, barber services, guest meals and beds</i> • <i>Private nursing care</i> • <i>The cost of securing the services of blood donors</i> • <i>Professional dental services</i> • <i>Care and services from non-Plan providers unless pre-authorized by the Plan prior to receiving the service</i> 	<p><i>All charges</i></p>

Outpatient hospital or ambulatory surgical center	You Pay
<ul style="list-style-type: none"> • Operating, recovery, and other treatment rooms • Prescribed drugs and medicines • Diagnostic laboratory tests, X-rays, and pathology services • Administration of blood, blood plasma, and other biologicals • Blood and blood plasma, if not donated or replaced • Pre-surgical testing • Dressings, casts, and sterile tray services • Medical supplies, including oxygen • Anesthetics and anesthesia service <p>Note: – We cover hospital services and supplies related to dental procedures when necessitated by a non-dental physical impairment. We do not cover the dental procedures.</p>	\$100 per outpatient admission
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Blood and blood derivatives not replaced by the member</i> • <i>Professional dental services and procedures</i> • <i>Care and services from non-Plan providers unless pre-authorized by the Plan prior to receiving the service</i> 	<i>All charges</i>
Extended care benefits/Skilled nursing care facility benefits	
<p>Extended care benefit:</p> <p>The Plan provides a comprehensive range of benefits up to 100 days per calendar year when full time skilled nursing care is necessary and confinement in a skilled nursing facility is medically appropriate as determined by a Plan doctor and approved by the Plan. All necessary services are covered including:</p> <ul style="list-style-type: none"> • Bed, board and general nursing care • Drugs, biologicals, supplies, and equipment ordinarily provided or arranged by the skilled nursing facility when prescribed by a Plan doctor. 	\$250 per inpatient admission

Extended care benefits – continued on next page

Extended care benefits/Skilled nursing care facility benefits (continued)	You Pay
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Custodial care</i> • <i>Rest cures</i> • <i>Domiciliary or convalescent care</i> • <i>Personal comfort items such as telephone, and television</i> • <i>Blood and blood derivatives not replaced by the member</i> • <i>Care and services from non-Plan providers unless pre-authorized by the Plan prior to receiving services.</i> 	<i>All charges</i>
Hospice care	
<p>A coordinated program of home and inpatient care under the direction of a Plan doctor for the patient who is in the terminal stages of illness with a life expectancy of six months or less that includes:</p> <ul style="list-style-type: none"> • Palliative Care • Supportive physical, psychological, and psychosocial services <p>Note: Palliative care is treatment to control pain, relieve other symptoms and focus on the special needs of the patient.</p>	Nothing
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Independent nursing</i> • <i>Homemaker services</i> • <i>Care and services from non-Plan providers unless pre-authorized by the Plan prior to receiving the service</i> 	<i>All charges</i>
Ambulance	
<ul style="list-style-type: none"> • Local professional ambulance service when medically appropriate 	\$25 copayment per trip

Section 5(d) Emergency services/accidents

Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We have no calendar year deductible
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

- If the situation is life threatening, call 911 or go to the nearest hospital
- If at all possible, call your primary care physician (PCP) or the After Hours Nurse Triage Program at the number on your Plan ID card.

Emergencies within our service area:

If you are in an emergency situation, please call your primary care doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member should notify the Plan within 48 hours unless it is not reasonably possible to do so. It is your responsibility to ensure that the Plan has been timely notified.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If you are hospitalized in non-Plan facilities and Plan doctors believe care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition. The Plan will pay reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers. You must have any follow-up care recommended by non-Plan providers approved by the Plan and you must receive all follow-up care from Plan providers.

We will waive the emergency room copay if the emergency results in admission to a hospital.

For urgent or emergency mental health or substance abuse services, call Sentara Behavioral Health Services Inc., at 757-552-7174 or 1-800-648-8420. The Psychiatric Emergency Response Service is available 24 hours a day, seven days per week to respond to clinical psychiatric and substance abuse emergencies

Emergencies outside our service area:

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member should notify the Plan within 48 hours unless it is not reasonably possible to do so. It is your responsibility to ensure that the Plan has been timely notified.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If you are hospitalized in non-Plan facilities and Plan doctors believe care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

You must have any follow-up care recommended by non-Plan providers approved by the Plan. You must receive all follow-up care from Plan providers.

With your authorization, the Plan will pay benefits directly to non-Plan providers of your emergency care upon receipt of their claims for covered services. Physicians should submit their claims on a HCFA 1500 claim form. If you are required to pay for the services, submit itemized bills and your receipts to the Plan along with an explanation of the services and the identification information from your ID card.

Payment will be sent to you (or the provider if you did not pay the bill), unless the claim is denied. If it is denied, you will receive notice of decision, including the reasons for the denial and the provisions of the contract on which denial was based. If you disagree with the Plan's decision, you may request reconsideration in accordance with the disputed claims procedure

Benefit Description	You pay
Emergency within our service area	
<ul style="list-style-type: none"> Emergency care at a doctor's office 	\$10 per primary care physician office visit \$20 per specialist office visit

<p><i>Not Covered:</i></p> <ul style="list-style-type: none"> <i>Elective care or non-emergency care</i> <i>Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area</i> <i>Medical and hospital costs resulting from a normal full-term delivery outside the service area.</i> 	<i>All charges</i>
Ambulance	
<p>Professional ambulance service, including air ambulance when medically appropriate.</p> <p>Note: See 5(c) for non-emergency service.</p>	\$25 per trip

Section 5(e) Mental health and substance abuse benefits

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PRE-AUTHORIZATION OF THESE SERVICES.** See the instructions after the benefits description below.

Benefit Description	You pay
Mental health and substance abuse benefits	
<p>All diagnostic and treatment services recommended by a Plan provider and contained in a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure.</p> <p>Note: Plan benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve.</p>	Your cost sharing responsibilities are no greater than for other illnesses or conditions.
<ul style="list-style-type: none"> • Professional services, including individual or group therapy by providers such as psychiatrists, psychologists, or clinical social workers 	\$20 per visit
<ul style="list-style-type: none"> • Medication management 	Nothing
<ul style="list-style-type: none"> • Diagnostic tests 	\$20 per visit
<ul style="list-style-type: none"> • MRI, CAT, Scans and PET Scans 	\$50 copay per test

Mental health and substance abuse benefits – continued on next page.

Mental health and substance abuse benefits <i>(continued)</i>	You pay
<ul style="list-style-type: none"> • Services provided by a hospital or other facility • Services in approved alternative care settings such as partial hospitalization, half-way house, residential treatment, full-day hospitalization, facility based intensive outpatient treatment. 	<p>\$20 per office visit copay</p> <p>\$250 per inpatient admission</p> <p>\$100 per outpatient admission</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Services we have not approved</i> • <i>Care and services from non-Plan providers unless pre-authorized by the Plan prior to receiving the services.</i> <p><i>Note: OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.</i></p>	<p><i>All charges.</i></p>
Preauthorization	<p>To be eligible to receive these benefits you must obtain a treatment plan and follow all of the following network authorization processes:</p> <p>Sentara Behavioral Health Services administers mental health care and substance abuse services for the Plan. Sentara Behavioral Health Services must authorize all treatment and services. You may reach Sentara Behavioral Health Services by calling 757-552-7174.</p> <p>For access to emergency mental health or substance abuse services, call Sentara Behavioral Health Services at 757-552-7174 or 1-800-648-8420. The psychiatric emergency response service is available 24 hours a day, seven days per week to respond to clinical psychiatric and substance abuse emergencies.</p>
Limitation	<p>We may limit your benefits if you do not obtain a treatment plan.</p>

Section 5(f) Prescription drug benefits

Here are some important things to keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Some drugs require pre-authorization from the Plan in order to be covered. The prescribing physician is responsible for obtaining pre-authorization.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A plan physician or licensed dentist must write the prescription.
- **Where you can obtain them.** You may fill the prescription at a Plan pharmacy, or a non-Plan pharmacy that has agreed to accept our reimbursement as payment in full. You may also use our mail order program.
- **We use a formulary.** All covered outpatient prescription drugs must be FDA approved, and require a prescription from a Plan doctor or dentist. Some drugs require pre-authorization from the Plan in order to be covered. Your physician is responsible for obtaining pre-authorization. We cover non-formulary drugs prescribed by a Plan physician. Covered drugs are placed into the following tiers which will determine what your copayments will be:
 - **Preferred:** The majority of widely dispensed generic drugs. We cover Preferred drugs at the lowest copayment level. Some brand-name drugs may be included in this category if the Plan recognized they show documented long-term decreases in illness and death. Large published peer-reviewed clinical trials are used to make this determination.
 - **Standard:** The brand-name equivalents of the generic Preferred drugs, plus certain brand-name drugs that are not available as generic drugs. Members are responsible for paying the difference between the cost of a Standard drug and its Preferred counterpart, if any, in addition to the copayment charge unless your physician has specified “dispense as written.”
 - **Premium:** Prescription drugs that are not included on the list of Preferred or Standard drugs, and are not specifically listed as drugs excluded from coverage. Premium drugs are covered at the highest copayment level.
- **These are the dispensing limitations.** For a single copayment you will receive:
 - Up to a consecutive 31-day supply of a covered outpatient drug, unless limited by the drug manufacturer’s packaging.
 - One vial, one tube of ointment/cream, 8 ounces of oral liquid, or up to a 31 day supply of pills.
 - Two vials of insulin.
 - Up to a 31-day supply of syringes, needles, or disposable syringes with needles. (Limited to a maximum of 100.)
 - A **one**-cycle supply of oral contraceptives. You may receive up to three cycles of oral contraceptives at one time, but you must pay the appropriate copayment for each cycle.
 - One diaphragm.
 - One rescue inhaler two maintenance/steroidal inhalers.
 - Four (4) pills for Viagra to treat sexual dysfunction.

You may use the Plan's mail order prescription drug benefit and purchase a 90 day supply of maintenance drugs, limited to manufacturer's packaging, for two prescription drug copayments. If you have a question about the mail order prescription drug program, or if you want to find out if your prescription is available through the program, you may call PharmaCare Direct Prescription Drug Program at 1-800-346-9113 Monday through Friday, 8 a.m. to 9 p.m., and Saturday 9 a.m. to 5 p.m. (EST). You may also write to PharmaCare Direct, P.O. Box 18910 Fairfield, OH 45018-9945.

If you are called to active duty, or in time of national or other emergency please call Member Services for assistance in obtaining a medium term supply of your prescription drugs.

- **A generic equivalent will be dispensed if it is available**, unless your physician specifically requires a name brand. If you receive a name brand drug, or a higher costing generic, when a Federally-approved generic drug is available, and your physician has not specified Dispense as Written for the name brand drug, you have to pay the difference in cost between the name brand drug and the generic in addition to your copayment. The Plan limits the quantities of drugs you will receive for your copayment. Please read the information below to determine what you will receive for your prescription drug copay. If you have any questions about your prescription drug benefit please call Member Services.
- **Why use generic drugs?** Generic drugs offer a safe and economic way to meet your prescription drug needs. The generic name of a drug is its chemical name; the brand name is the name under which the manufacturer advertises and sells a drug. Under federal law, generic and brand name drugs must meet the same standards for safety, purity, strength, and effectiveness. A generic prescription costs you -and us- less than a brand name prescription.
- **When you do have to file a claim.** Members will be reimbursed for outpatient prescription drugs obtained from other than a Plan-participating pharmacy (or a non-Plan pharmacy that has agreed to accept reimbursement as payment in full for their services at rates applicable to Plan participating pharmacies) when:
 - Ordered in connection with an out-of-area emergency
 - Ordered by a Plan provider for immediate use because of a medical necessity and because no Plan –participating pharmacy was open for business at the time
 - Reimbursement will be limited to a quantity sufficient to treat the acute phase of the illness.

Prescription drug benefits begin on the next page

Benefit Description	You pay
<p>Covered medications and supplies</p> <p>We cover the following medications and supplies prescribed by a Plan physician and obtained from a Plan pharmacy or through our mail order program:</p> <ul style="list-style-type: none"> • Drugs and medicines that by Federal law of the United States require a physician’s prescription for their purchase, except those listed as <i>Not covered</i>. • Rescue and maintenance inhalers • Oral contraceptive drugs • Contraceptive diaphragms (Fitting is covered under Section 5(a)) • Contraceptive Cervical caps, and IUDs: (Devices, fitting and insertion covered under Section 5 (a)) • Norplant - one insertion/removal in five years. (Insertion and removal are covered under Section 5(b)) • Insulin • Insulin syringes and needles • Disposable needles and syringes for the administration of covered medications • Viagra – 4 pills per prescription • Intravenous fluids and medication for home use. <p>Note: Injectable contraceptive drugs are covered under Family Planning Section 5(a).</p>	<p>Pharmacy Copayment:</p> <p>\$10 per Preferred Tier Drug</p> <p>\$20 per Standard Tier Drug</p> <p>\$40 per Premium Tier Drug</p> <p>Mail Order Copayment for 90 day supply of Maintenance Drugs:</p> <p>\$20 per Preferred Tier Drug</p> <p>\$40 per Standard Tier Drug</p> <p>\$80 per Premium Tier Drug</p> <p>Note: If there is no generic equivalent available, you will still have to pay the brand name copay.</p>

Covered medications and supplies – continued on next page

Covered medications and supplies <i>(continued)</i>	You pay
<p>Here are some things to keep in mind about our prescription drug program:</p> <ul style="list-style-type: none"> • A generic equivalent will be dispensed if it is available, unless your physician specifically requires a name brand. If you receive a name brand drug when a Federally approved generic drug is available, and your physician has not specified Dispense as Written for the name brand drug, you have to pay the difference in cost between the name brand drug and the generic drug in addition to your copay. • We administer an open formulary. If your physician believes a name brand product is necessary or there is not generic equivalent available, your physician may prescribe a name brand drug from a formulary list. The list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost. For questions about your Prescription Drug Benefit or a copy of the Plan's drug formulary call Member Services. 	
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Drugs and supplies for cosmetic purposes</i> • <i>Drugs to enhance athletic performance</i> • <i>Fertility drugs</i> • <i>Drugs obtained at a non-Plan pharmacy; except for out-of-area emergencies</i> • <i>Vitamins, nutrients and food supplements even if a physician prescribes or administers them</i> • <i>Nonprescription medicines(over the counter medicines)</i> • <i>Appetite suppressants or other weight management medications</i> • <i>Medical supplies such as dressings and antiseptics</i> • <i>Smoking cessation drugs and medications</i> • <i>Immunization agents, biological sera, blood or blood products</i> 	<p><i>All charges</i></p>

Section 5(g) Special features

Feature	Description
Flexible benefits option	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit. • Alternative benefits are subject to our ongoing review. • By approving an alternative benefit, we cannot guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and we may withdraw it at any time and resume regular contract benefits. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process.
After Hours Nurse Triage Program	<p>The After Hours Nurse Triage Program lets you talk to a professional nurse who can answer your questions and advise you where to get care on evenings, weekends, and holidays. When you call the After Hours Nurse Triage Program have your Plan ID card handy, and describe your medical situation in as much detail as possible. Please remember that the After Hours Nurse Triage program professional cannot diagnose medical conditions or write prescriptions. The After Hours Nurse Triage Program is available Monday through Friday from 5 p.m. to 8 a.m. On Saturday, Sunday, and holidays the program is available 24 hours a day. You can call the After Hours Nurse Triage Program at 757-552-7250 or 1-800-394-2237.</p>
Services for deaf and hearing impaired	<p>TDD number: 757-552-7120 or 1-800-225-7784</p>
High risk pregnancies	<p>A Plan Care Manager will assist with a treatment plan prescribed by your OB/GYN physician.</p>

Section 5(h) Dental benefits

Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary
- Care must be received by Plan providers only.
- We have no calendar year deductible.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits and coverage for hospitalization and anesthesia for dental procedures. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Accidental injury benefit	You pay
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury.	Included in per office visit or per inpatient or outpatient admission copay.
Dental benefits	
<i>We have no other dental benefits.</i>	<i>All charges</i>

Section 5(i) Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB deductibles or out-of-pocket maximums.

Health Education and Prevention Programs. The Plan offers or coordinates a number of programs such as health education, health screenings and condition management programs for asthma, diabetes and pregnancy. The member may be responsible for costs associated with these programs. Please visit www.optimahealth.com or contact a Member Services representative for more information.

Being a Plan member, you have more opportunities than ever before to save money on the following healthy products and services through Optima's Healthy, Wealthy & Wise Program™. The program entitles you to the following benefits:

- **Complementary Alternative Medicine.** Through the Plan's arrangement with American Specialty Health Networks (ASHN), you are eligible to receive a discount, typically 25 percent off charges from participating fitness centers, acupuncturists, chiropractors and massage therapists. There are no visit limitations and a physician referral is not necessary.

To receive services, select a participating complementary health care provider from the Plan's Provider Directory or Web site under Optima's Healthy, Wealthy & Wise™ at www.optimahealth.com. Then call and schedule an appointment. Be sure to show your ID card to obtain the discount and pay the provider directly for their service.

ASHN Member Services can be reached at 1-877-327-2746 if you have any questions or would like more information about the discount program.

- **Dental care.** Members will be offered a 20 percent discount off usual and customary charges for all services provided, excluding orthodontics, from Plan participating dentists. You may schedule an appointment directly with one of the Plan's participating dentists. Simply visit Optima's Healthy, Wealthy & Wise™ program on www.optimahealth.com or call Member Services to obtain a list of participating dental providers.
- **Hearing Care.** Members are eligible to receive a 20 percent discount off the cost of hearing aids from participating providers. Along with this discount, members will also receive a free screening, one-year warranty, post-fitting evaluation, adjustments, and testing for one year after purchase. Visit www.optimahealth.com or call Member Services to select a participating provider.
- **Vision Services.** Cole Vision Services Inc., offers up to a 15 percent discount off the cost of LASIK surgery (or 5 percent off a promotional price if lower). If you are interested in laser vision correction, visit Optima's Healthy, Wealthy & Wise™ program information on www.optimahealth.com or call 1-888-705-2020 to select a participating provider. Replacement of contact lenses is available through a mail order program. Call Contacts Direct at 1-800-987-5367. A discount schedule from Cole is also available for savings on lenses, frames, and contact lenses. Call 1-888-610-2268.
- **Self-Care Handbook.** For your free copy of the Self-Care Handbook, and to learn more about self-care, call 1-800-736-8272.
- **Healthy Edge Magazine.** This publication is mailed to members and includes a variety of articles covering preventive health issues, Plan news and updates.

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition and we agree, as discussed under *Services requiring our prior approval* on page 12.**

We do not cover the following:

- Care by non-plan providers except for authorized referrals or emergencies (see Emergency services/accidents);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program; or
- Services, drugs, or supplies you receive without charge while in active military service.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical hospital, and drug benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Your facility will file on the UB-92 form. For claims questions and assistance, call us at 757-552-7550 or 1-800-206-1060.

When you must file a claim – such as for services you receive outside the Plan’s service area – submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

**Submit your claims to: Vetri Systems
P.O. Box 5028
Troy, MI 48007-5028.**

Other supplies or services

For Cole Managed Vision non-Plan provider or out-of-network provider claims, please send your health plan name, your name, member ID number, current address, telephone number and your itemized statement. Claims must be submitted within six months of the time services are received.

**Submit your claims to: Cole Vision Service, Inc.
1925 Enterprise Parkway
Twinsburg, Ohio 44098
ATTN: Vision Care Department.**

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization/prior approval:

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ol style="list-style-type: none">Write to us within 6 months from the date of our decision; andSend your request to us at: Optima Health Appeals Department, P.O. Box 62876, Virginia Beach, VA 23466-2876; andInclude a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andInclude copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.
2	<p>We have 30 days from the date we receive your request to:</p> <ol style="list-style-type: none">Pay the claim (or, if applicable, arrange for the health care provider to give you the care); orWrite to you and maintain our denial – go to step 4; orAsk you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.
3	<p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p>
4	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none">90 days after the date of our letter upholding our initial decision; or120 days after you first wrote to us – if we did not answer that request in some way within 30 days; or120 days after we asked for additional information. <p>Write to OPM at: United States Office of Personnel Management, Insurance Services Programs, Health Insurance Group 2, 1900 E Street, NW, Washington, DC 20415-3620</p>

The disputed claims process (*continued*)

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5 OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 757-552-7550 or 1-800-206-1060 and we will expedite our review; or
- b) We denied your initial request for care or preauthorization/prior approval, then:
 - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
 - You may call OPM's Health Insurance Group 2 at 202-606-3818 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you or a covered family member have coverage under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage”.

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit whichever is less. We will not pay more than our allowance.

What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age or older.
- Some people with disabilities under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (Someone who was a Federal employee on January 1, 1983 or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.
- Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We, Optima Health, offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.
- Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare’s Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about our prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

• Should I enroll in Medicare?

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It’s easy. Just call the Social Security Administration toll-free number 1-800-772-1213 to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. Some things are not covered under Original Medicare, such as prescription drugs (but coverage through private prescription drug plans will be available starting in 2006).

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan PCP, or pre-authorized as required. When Medicare is the primary payer, and you have met your deductible, we will waive our copayments and coordinate benefits with the primary payer.

Claims process when you have the Original Medicare Plan – You probably will never have to file a claim form when you have both our Plan and the Original Medicare Plan.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. You will not need to do anything. To find out if you need to do something to file your claim, call us at 757-552-7550 or 1-800-206-1060 or see our Web site at www.optimahealth.com.

We waive some costs if the Original Medicare Plan is your primary payer – We will waive some out-of-pocket costs as follows:

When Original Medicare is the primary payer, and you have met your deductible, we will waive our copayments and coinsurances and coordinate benefits with the primary payer.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and our Medicare Advantage plan: Optima Health offers a Medicare Advantage PPO plan called Optima Medicare Preferred. You may enroll in our Medicare Advantage plan and also remain enrolled in our FEHB plan. You can call Member Services if you have any questions.

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan. If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium). For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payer, we process the claim first. If you enroll in Medicare Part D and we are the secondary payer, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payer. The following chart illustrates whether Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

Primary Payer Chart

A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payer for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee or through your spouse who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #1 above	✓	
4) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and ...		✓
• You have FEHB coverage on your own or through your spouse who is also an active employee		
• You have FEHB coverage through your spouse who is an annuitant	✓	
5) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #1 above	✓	
6) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
7) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty	✓*	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		✓
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		✓ for 30-month coordination period
• This Plan was the primary payer before eligibility due to ESRD		
• Medicare was the primary payer before eligibility due to ESRD	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse	✓	

* Workers' Compensation is primary for claims related to your condition under Workers' Compensation

TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. IF TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the program.

Workers' Compensation

We do not cover services that:

- You need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. See page 13.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 13.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Care or services that can be provided by a non-medically skilled person. Such services help the patient with daily living activities, and include but are not limited to: walking, dressing, bathing, exercising, preparing meals, moving the patient, acting as a companion, administering medication which can usually be self-administered, and rest cures. Custodial care that lasts 90 days or more is sometimes known as long term care.
Deductible	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 13. We do not have a deductible.
Experimental or investigational services	<p>A drug, device, or biological product is experimental or investigational if the drug, device, or biological product cannot be lawfully marketed without approval of the U.S. Food and Drug Administration (FDA); and approval for marketing has not been given at the time it is furnished. Note: Approval means all forms of acceptance by the FDA.</p> <p>A medical treatment or procedure, or a drug, device, or biological product, is experimental or investigational if:</p> <ol style="list-style-type: none">1. Reliable evidence shows that it is the subject of ongoing phase I, II, or III clinical trials or under study to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis; or2. Reliable evidence shows that the consensus of opinion among experts regarding the drug, device, or biological product or medical treatment or procedure, is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis. <p>Reliable evidence shall mean only:</p> <ul style="list-style-type: none">• Published reports and articles in the authoritative medical and scientific literature;• The written protocol or protocols used by the treating facility or the protocol(s) of another facility studying substantially the same drug, device, or biological product or medical treatment or procedure; or• The written informed consent used by the treating facility or by another facility studying substantially the same drug, device, or biological product or medical treatment or procedure.
Group health coverage	A plan or contract that provides coverage for health care services to eligible employees and their dependents.
Medical necessity	Services, treatment, or supplies provided by a hospital, skilled nursing facility, physician, or other provider required to identify or treat your illness or injury and that as determined by your primary care physician and the Plan are:

- Consistent with the symptoms, diagnosis and treatment of your condition, disease, injury, or ailment;
- In accordance with recognized standards of care for your condition
- Appropriate standards of good medical practice
- Not solely for your convenience, or the convenience of your primary care physician, Plan provider, hospital or other provider;
- The most appropriate supply or level of service, which can be safely provided to you. As an inpatient this means that your medical symptoms or condition requires that the diagnosis, treatment or service cannot be safely provided to you as an outpatient.

Plan allowance

Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Plans determine their allowances in different ways. We determine our allowance as follows: We use a fee schedule which means our Plan providers accept a negotiated fee from us and you will only be responsible for your copayments or coinsurance.

Us/We

Us and We refer to Optima Health.

You

You refers to the enrollee and each covered family member.

Section 11. FEHB Facts

Coverage information

- **No pre-existing condition limitation**

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

- **Where you can get information about enrolling in the FEHB Program**

See www.opm.gov/insure. Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

- **Types of coverage available for you and your family**

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

- **Children’s Equity Act**

OPM has implemented the Federal Employees Health Benefits Children’s Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan’s Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan’s Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn’t serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn’t serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

- **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2006 benefits of your old plan or option. However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan’s 2005 benefits until the effective date of your coverage with your new plan. Annuitants’ coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

- **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

- **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy.)

- **Spouse equity coverage** If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage to you. But, you may be eligible for your own FEHB coverage under the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide To Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, www.opm.gov/insure.

- **Temporary Continuation of Coverage (TCC)** If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage** You may convert to a non-FEHB individual policy if:

 - Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
 - You decided not to receive coverage under TCC or the spouse equity law; or
 - You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage** The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 12. Two Federal Programs complement FEHB benefits

Important information

OPM wants to make sure you are aware of two Federal programs that complement the FEHB Program. First, the **Federal Flexible Spending Account (FSA) Program**, also known as **FSAFEDS**, lets you set aside pre-tax money to pay for health and dependent care expenses. The result can be a discount of 20% to more than 40% on services you routinely pay for out-of-pocket. Second, the **Federal Long Term Care Insurance Program (FLTCIP)** helps cover long term care costs, which are not covered under the FEHB.

The Federal Flexible Spending Account Program – *FSAFEDS*

- **What is an FSA?**

It is a tax-favored benefit that allows you to set aside pre-tax money from your paychecks to pay for a variety of eligible expenses. *By using an FSA, you can reduce your taxes while paying for services you would have to pay for anyway, producing a discount that can be over 40%.*

There are two types of FSAs offered by FSAFEDS:

Health Care Flexible Spending Account (HCFSA)

- Covers eligible health care expenses not reimbursed by this Plan, or any other medical, dental, or vision care plan you or your dependents may have.
- Eligible dependents for this account include anyone you claim on your Federal Income Tax return as a qualified dependent under the U.S. Internal Revenue Service (IRS) definition and/or with whom you jointly file your Federal Income Tax return, even if you don't have self and family health benefits coverage. *Note:* The IRS has a broader definition of a "family member" than is used under the FEHB Program to provide benefits by your FEHB Plan.
- The maximum annual amount that can be allotted for the HCFSA is \$5,000. *Note:* The Federal workforce includes a number of employees married to each other. If each spouse/employee is eligible for FEHB coverage, both may enroll for a HCFSA up to the maximum of \$5,000 each (\$10,000 total). Both are covered under each other's HCFSA. The minimum annual amount is \$250.

Dependent Care Flexible Spending Account (DCFSA)

- Covers eligible dependent care expenses incurred so you and your spouse, if married, can work, look for work, or attend school full-time.
- Qualifying dependents for this account include your dependent children under age 13, or any person of any age whom you claim as a dependent on your Federal Income Tax return and who is mentally or physically incapable of self care.
- The maximum annual amount that can be allotted for the DCFSA is \$5,000. The minimum annual amount is \$250. *Note:* The IRS limits contributions to a DCFSA. For single taxpayers and taxpayers filing a joint return, the maximum is \$5,000 per year. For taxpayers who file their taxes separately with a spouse, the maximum is \$2,500 per year.

- **Enroll during Open Season**

You **must make an election** to enroll in an FSA during the 2005 FEHB Open Season. Even if you enrolled during 2005, you must make a new election to continue participating in 2006. Enrollment is easy!

- Online: visit www.fsafeds.com and click on **Enroll**.
- Telephone: call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, from 9 a.m. until 9 p.m., Eastern Time. TTY: 1-800-952-0450.

What is SHPS?

SHPS is a third-party administrator hired by OPM to manage the FSAFEDS Program. SHPS is responsible for the enrollment, claims processing, customer service, and day-to-day operation of FSAFEDS.

Who is eligible to enroll?

If you are a Federal employee eligible for FEHB – even if you’re not enrolled in FEHB – you can choose to participate in either, or both, of the FSAFEDs accounts. *However, if you enroll in an FSA and enroll in a High Deductible Health Plan (HDHP), you are not eligible for a Health Savings Account (HAS) under your HDHP and will be enrolled in a Health Reimbursement Arrangement (HRA) instead.*

Almost all Federal employees are eligible to enroll for a DCFSA. The only exception is intermittent (also called “when actually employed” [WAE]) employees expected to work fewer than 180 days during the year.

Note: FSAFEDS is the FSA Program established for all Executive Branch employees and Legislative Branch employees whose employers have signed on to participate. Under IRS law, FSAs are not available to annuitants. Also, the U.S. Postal Service and the Judicial Branch, among others, have their own plans with slightly different rules. However, the advantages of having an FSA are the same regardless of the agency for which you work.

• **How much should I contribute to my FSA?**

Plan carefully when deciding how much to contribute to an FSA. Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense under your FSA account(s) during the Plan Year. This is known as the “Use-it-or-Lose-it” rule. FSAFEDS has adopted the “grace period” permitted by the IRS. You now have an additional 2 ½ months to incur eligible expenses and reduce any potential forfeitures. In addition, you will have until May 31, following the end of the Plan Year to submit claims for your eligible expenses incurred from January 1 through March 15 of the following year. For example, if you enrolled in FSAFEDS for the 2005 Plan Year, you will have from January 1, 2005 until March 15, 2006 to incur eligible expenses, and you may submit claims for those expenses through May 31, 2006.

The FSAFEDS Calculator at www.fsafeds.com will help you plan your FSA allocations and provide an estimate of your tax savings based on your individual situation.

• **What can my HCFSA pay for?**

Every FEHB plan includes cost sharing features, such as deductibles you must meet before the Plan provides benefits, coinsurance or copayments that you pay when you and the Plan share costs, and medical services and supplies that are not covered by the Plan and for which you must pay. These out-of-pocket costs are summarized on page 13 and detailed throughout this brochure. Your HCFSA will reimburse you when those costs when they are for qualified medical care that you, your spouse and/or your dependents receive that is NOT covered or reimbursed by this FEHB Plan or any other coverage that you have.

Under this plan, typical out-of-pocket expenses include: copayments for physician office visits, copayments for physical therapy, copayments for emergency room visits, routine dental care, eyeglasses and contact lenses, and orthodontics (braces).

The IRS governs expenses reimbursable by a HCFSA. See Publication 502 for a comprehensive list of tax-deductible medical expenses. Since Publication 502 is primarily meant to help on preparing your Federal income tax return, there are two important differences to note. *Note:* **While you will see insurance premiums listed in Publication 502, they are NOT a reimbursable expense for FSA purposes. In addition, over-the-counter medicines and products ARE an eligible expense under your HCFSA, and this is not included in Publication 502.** Publication 502 can be found on the IRS Web site at <http://www.irs.gov/pub/irs-pdf/p502.pdf>. The FSAFEDS Web site also has a comprehensive list of eligible expenses at www.FSAFEDS.com/fsafeds/eligibleexpenses.asp. If you do not see your service or expense listed, please call an FSAFEDS Benefits Counselor at 1-877-FSAFEDS (1-877-372-3337), who will be able to answer your specific questions.

• **Tax savings with an FSA**

An FSA lets you allot money for eligible expenses *before* your agency deducts taxes from your paycheck. This means the amount of income that your taxes are based on will be lower, so your tax liability will be less. Without an FSA, you would still pay for these expenses, but you would do so using money remaining in your paycheck after Federal (and often state and local) taxes are deducted. The following chart illustrates a typical tax savings example:

Annual Tax Savings Example	With FSA	Without FSA
If your taxable income is:	\$50,000	\$50,000
And you deposit this amount into an FSA:	\$2,000	-\$0-
Your taxable income is now:	\$48,000	\$50,000
Subtract Federal & Social Security taxes:	\$13,807	\$14,383
If you spend after-tax dollars for expenses:	-\$0-	\$2,000
Your real spendable income is:	\$34,193	\$33,617
Your tax savings:	\$576	-\$0-

Note: This example is intended to demonstrate a typical tax savings based on 27% Federal and 7.65% FICA taxes. Actual savings will vary based upon the retirement system in which you are enrolled (CSRS or FERS), your state of residence, and your individual tax situation. In this example, the individual received \$2,000 in services for \$1,424, a discount of almost 36%! You may also wish to consult a tax professional for more information on the tax implications of an FSA.

- **Tax credits and deductions**

You *cannot* claim expenses on your Federal Income Tax return if you receive reimbursement for them from your HCFSA or DCFSA. Below are some guidelines that may help you decide whether to participate in FSAFEDS.

- Health care expenses

The HCFSA is Federal Income Tax-free from the first dollar. In addition, you may be reimbursed from your HCFSA at any time during the year for expenses up to the annual amount you've elected to contribute.

Only health care expenses exceeding 7.5% of your adjusted gross income are eligible to be deducted on your Federal income tax return. Using the example shown above, only health care expenses exceeding \$3,750 (7.5% of \$50,000) would be eligible to be deducted on your Federal income tax return. In addition, money set aside through an HCFSA is also exempt from FICA taxes. This exemption is not available on your Federal income tax return.

Paperless Reimbursement – This plan participates in the FSAFEDS paperless reimbursement program. When you enroll for your HCFSA, you will have the opportunity to enroll for paperless reimbursement. You must re-enroll every Open Season to remain in the paperless reimbursement program. If you do, we will send FSAFEDS the information they need to reimburse you for your out-of-pocket costs so you can avoid filing paper claims.

- Dependent care expenses

The DCFSA generally allows many families to save more than they would with the Federal tax credit for dependent care expenses. Note that you may only be reimbursed from the DCFSA up to your current account balance. If you file a claim for more than your current balance, it will be held until additional payroll allotments have been added to your account.

Visit www.fsafeds.com and download the Dependent Care Tax Credit Worksheet from the Forms and Literature page to help you determine what is best for your situation. You may also wish to consult a tax professional for more details.

- **Does it cost me anything to participate in FSAFEDS?**

No. Section 1127 of the National Defense Authorization Act (Public Law 108-136) requires agencies that offer FSAFEDS to employees to cover the administrative fee(s) on behalf of their employees. However, remember that participating in FSAFEDS can cost you money if you don't spend your entire account balance during your period of coverage for the Plan Year, plus 2 ½ month grace period, resulting in the forfeiture of funds remaining in your account (the IRS "Use-it-or-Lose-it" rule).

- **Contact us**

To learn more or to enroll, please visit the **FSAFEDS Web site** at www.fsafeds.com, or contact SHPS directly via email or by phone. FSAFEDS Benefit Counselors are available Monday through Friday, from 9:00 a.m. until 9:00 p.m. Eastern Time.

- E-mail: FSAFEDS@shps.net
- Telephone: 1-877-FSAFEDS (1-877-372-3337)
- TTY: 1-800-952-0450

The Federal Long Term Care Insurance Program

- **It's important protection**

Why should you consider applying for coverage under the **Federal Long Term Care Insurance Program (FLTCIP)**:

- **FEHB plans do not cover the cost of long term care.** Also called “custodial care,” long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment. The need for long term care can strike anyone at any age and the cost of care can be substantial.
- **The Federal Long Term Care Insurance Program can help protect you from the potentially high cost of long term care.** This coverage gives you options regarding the type of care you receive and where you receive it. With FLTCIP coverage, you won't have to worry about relying on your loved ones to provide or pay for your care.
- **It's to your advantage to apply sooner rather than later. In order to qualify for coverage under the FLTCIP,** you must apply and pass a medical screening (called underwriting). Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. By applying while you're in good health, you could avoid the risk of having a future change in your health disqualify you from obtaining coverage. Also, the younger you are when you apply, the lower your premiums.
- **You don't have to wait for an open season to apply.** The Federal Long Term Care Insurance Program accepts applications from eligible persons at any time. You will have to complete a full underwriting application, which asks a number of questions about your health. However, if you are a new or newly eligible employee, you (and your spouse, if applicable) have a limited opportunity to apply using the abbreviated underwriting application, which asks fewer questions. Newly married spouses of employees also have a limited opportunity to apply using abbreviated underwriting.
- **Qualified relatives are also eligible to apply.** Qualified relatives include spouses and adult children of employees and annuitants, and parents, parents-in-law, and stepparents of employees.

- **To request an Information Kit and application**

Call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

Summary of benefits for Optima Health - 2006

- **Do not rely on this chart alone.** All benefits are provided in full unless indicated and are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.
- If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.
- We only cover services provided or arranged by Plan physicians, except in emergencies.

Benefits	You pay	Page
Medical Services provided by physicians:		
• Diagnostic and treatment services provided in the office	Office visit copay: \$10 primary care; \$20 specialist	16
Services provided by a hospital		
• Inpatient	\$250 per admission copay	37
• Outpatient	\$100 per admission copay	39
Emergency benefits		
• In-area	\$100 per Emergency Room visit	42
	\$20 per Urgent Care Center visit	42
• Out-of-area	\$100 per Emergency Room visit	43
	\$20 per Urgent Care Center visit	43
Mental health and substance abuse treatment	Regular cost sharing	44
Prescription drugs	\$10 per Preferred Tier Drug \$20 per Standard Tier Drug \$40 per Premium Tier Drug	48
Dental care	No benefit	51
Vision care	\$15 per exam once every 12 months	25
Special features: After Hours Nurse Triage Program, High Risk Pregnancy Case Manager		50
Protection against catastrophic costs (your catastrophic protection out-of-pocket maximum)	Nothing after \$1,800/Self Only or \$4,800/Family enrollment per year. Some costs do not count toward this protection including: prescription drugs, vision, outpatient mental health, and substance abuse services.	13

2006 Rate Information for Optima Health

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and a special FEHB guide is published for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable FEHB Guide.

Type of Enrollment	Code	<i>Non-Postal Premium</i>	<i>Non-Postal Premium</i>	<i>Non-Postal Premium</i>	<i>Non-Postal Premium</i>	<i>Postal Premium</i>	<i>Postal Premium</i>
		<u>Biweekly</u>	<u>Biweekly</u>	<u>Monthly</u>	<u>Monthly</u>	<u>Biweekly</u>	<u>Biweekly</u>
