Important Notice from OSF HealthPlans About

Our Prescription Drug Coverage and Medicare

OPM has determined that OSF HealthPlans' prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you terminate your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (November 15th through December 31st) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

Introduction

This brochure describes the benefits of under our contract (CS 2829) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. The address for administrative offices is:

OSF HealthPlans
7915 N Hale Avenue, Suite D
Peoria, IL 61615-2047

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2007, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2007, and changes are summarized on page 8. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means OSF HealthPlans.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM’s “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehwebcomments@opm.gov. You may also write to OPM at the U.S. Office of Personnel Management, Insurance Services Programs, Program Planning & Evaluation Group, 1900 E Street, NW, Washington, DC 20415-3650.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care providers, authorized health benefits plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.

- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

Call the provider and ask for an explanation. There may be an error.

If the provider does not resolve the matter, call us at 800/OSF-5222 and explain the situation.

If we do not resolve the issue:

CALL - THE HEALTH CARE FRAUD HOTLINE

202-418-3300

OR WRITE TO:

United States Office of Personnel Management

Office of the Inspector General Fraud Hotline

1900 E Street NW Room 6400

Washington, DC20415-1100

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise);
 - Your child over age 22 (unless he/she is disabled and incapable of self support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

Preventing medical mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That’s about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines that you take, including non-prescription (over-the-counter) medicines.
- Tell them about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.

- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - Exactly what will you be doing?
 - About how long will it take?
 - What will happen after surgery
 - How can I expect to feel during recovery?
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications you are taking.

Section 1 Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory. We give you a choice of enrollment in a High Option or a High Deductible Health Plan (HDHP).

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

General features of our High Option

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- **We were awarded an Excellent status for our commercial HMO/POS combined plans for our entire service area by the National Committee for Quality Assurance (NCQA).**
- **We have been in existence for 11 years.**
- **We are a for profit entity.**

If you want more information about us, call 800/OSF-5222, or write to OSF HealthPlans, 7915 N Hale Avenue, Suite D, Peoria, IL, 61615-2047. You may also contact us by fax at 309/677-8259 or visit our Web site at www.osfhealthplans.com.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is:

Central Illinois: Dewitt, Fulton, Knox, Livingston, Marshall, McLean, Peoria, Tazewell, and Woodford Counties.

Central-Northwestern Illinois: Boone, Bureau, DeKalb, Henderson, Henry, Kane, LaSalle, Lee, McDonough, Mchenry, Mercer, Ogle, Putnam, Stark, Stephenson, Warren, Whiteside, and Winnebago Counties.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2 How we change for 2007

Do not rely on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to this Plan

- Your share of the non-Postal premium will increase by 6.4% for Self Only or 16.2% for Self and Family.

Section 3. How you get care

Identification cards We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation letter (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 800/OSF-5222 or write to us at OSF HealthPlans, 7915 N Hale Avenue, Suite D, Peoria, IL 61615.

Where you get covered care You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductibles, and/or coinsurance.

- **Plan providers** Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our Web site.

- **Plan facilities** Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our Web site.

What you must do to get covered care It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care.

- **Primary care** Your primary care physician can be a pediatrician, family practitioner or internist. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care** Your primary care physician will refer you to a specialist for needed care. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral. However, female members may see network OB/GYNs without a referral.

Here are some other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.

- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
- Terminate our contract with your specialist for other than cause; or
- Drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program Plan; or
- Reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

• **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 800/OSF-5222. If you are new to the FEHB Program, we will arrange for you to receive care and reimburse you for your covered expenses while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment .

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

• **Services requiring our prior approval**

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process the referral process. Your physician must obtain a referral for the following services (this list is intended as an example only): Inpatient hospitalization, outpatient surgery, certain outpatient diagnostic procedures, specialty physician office visits, durable medical equipment, home health care, growth hormone therapy (GHT), physical therapy, occupational therapy, and speech therapy. It is also your responsibility to notify us within 48 hours of any Emergency room visit. If you are unsure a service needs a referral, call us at 800/OSF-5222.

Except in a medical emergency, you must contact your primary care physician for a referral before seeing any other doctor or obtaining special services. Referral to a participating specialist is given at the primary care physician's discretion; if specialists or consultants are required beyond those who are Plan doctors, the primary care physician will make arrangements for appropriate referrals.

On referrals, the primary care physician will give specific instructions to the consultant as to what services are authorized. Authorizations will be for an adequate number of direct visits under an approved treatment plan. If additional services or visits are suggested by the consultant, over and above the approved treatment plan, you must first check with your primary care physician. Do not go to the specialist unless your primary care physician has arranged for, and the Plan has issued an authorization for, the referral.

Section 4 Your costs for covered services

This is what you will pay out-of-pocket for covered care.

Copayments

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services.

Example: When you see your primary care physician you pay a copayment of \$20 per office visit and when you go in the hospital, you pay \$500 per admission.

Deductible

We do not have a deductible in our HMO option.

Coinsurance

Coinsurance is the percentage of our allowance that you must pay for your care. Coinsurance doesn't begin until you meet your deductible.

Example: In our Plan, you pay 20% of our allowance for durable medical equipment, prosthetic devices and orthopedic devices.

Your catastrophic protection out-of-pocket maximum

After your total \$1,500 per person or \$3,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments for these services:

- Durable medical equipment;
- Prosthetic devices;
- Orthopedic devices; and
- Prescription drugs

Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

Carryover

If you changed to this Plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

Note: If you change options in this Plan during the year, we will credit the amount of covered expenses already accumulated toward the catastrophic

High Option Benefits

See page 8 for how our benefits changed this year. Page 56 is a benefits summary. Make sure that you review the benefits that are available under the option in which you are enrolled.

Summary of benefits for the High Option of OSF HealthPlans - 200758

Section 5 High Option Benefits Overview

This Plan offers both a High and High Deductible Health Plan (HDHP) Option. Both benefit packages are described in Section 5 of their respective brochure. Make sure that you review the benefits that are available under the option in which you are enrolled.

Section 5 is divided into subsections. Please read the important things you should keep in mind at the beginning of the subsections. Also read the General exclusions in Section 6, they apply to the benefits in the following subsections. To obtain claim forms, claims filling advice, or more information about High and HDHP Option benefits, contact us at 800/OSF-5222 or at our Web site at www.osfhealthplans.com.

Section 5(a) Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- A facility copay applies to services that appear in this section but are performed in an ambulatory surgical center or the outpatient department of a hospital.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay After the calendar year deductible...
Note: The calendar year deductible applies to almost all benefits in this Section. We say “(No deductible)” when it does not apply.	
Diagnostic and treatment services	High Option
Professional services of physicians <ul style="list-style-type: none"> • In physician’s office • In an urgent care center • Office medical consultations • Second surgical opinion 	\$20 per office visit to your primary care physician or specialist
Professional services of physicians <ul style="list-style-type: none"> • During a hospital stay • In a skilled nursing facility 	Nothing
At home	\$20 per visit by your primary care physician
Lab, X-ray and other diagnostic tests	High Option
Tests, such as: <ul style="list-style-type: none"> • Blood tests • Urinalysis • Non-routine Pap tests • Pathology • X-rays • Non-routine mammograms • CAT Scans/MRI • Ultrasound • Electrocardiogram and EEG 	Nothing if you receive these services during your office visit; otherwise, \$20 per office visit

Benefit Description	You pay After the calendar year deductible...
Preventive care, adult	High Option
Routine screenings, such as: <ul style="list-style-type: none"> • Total Blood Cholesterol - once every three years • Colorectal Cancer Screening, including <ul style="list-style-type: none"> - Fecal occult blood test - Sigmoidoscopy, screening – every five years starting at age 50 - Double contrast barium enema – every five years starting at age 50 - Colonoscopy screening – every ten years starting at age 50 	\$20 per office visit
Routine Prostate Specific Antigen (PSA) test – one annually for men age 40 and older	\$20 per office visit
Routine Pap test Note: The office visit is covered if pap test is received on the same day; see <i>Diagnostic and treatment services</i> .	\$20 per office visit
Routine mammogram – covered for women age 35 and older, as follows: <ul style="list-style-type: none"> • From age 35 through 39, one during this five year period • From age 40 through 64, one every calendar year • At age 65 and older, one every two consecutive calendar years 	Nothing
Routine immunizations endorsed by the Centers for Disease Control and Prevention (CDC): <ul style="list-style-type: none"> • Tetanus-diphtheria (Td) booster – once every 10 years, ages 19 and over (except as provided for under Childhood immunizations) • Influenza vaccine, annually • Pneumococcal vaccine, age 65 and older • Out of country travel immunizations 	\$20 per office visit
<i>Not covered: Physical exams required for obtaining or continuing employment or insurance, attending schools or camp, or travel.</i>	<i>All charges.</i>

Section 5(b) Surgical and anesthesia services provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- The calendar year deductible is: \$xxx per person (\$xxx per family). The calendar year deductible applies to almost all benefits in this Section. We added "(No deductible)" to show when the calendar year deductible does not apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by a physician or other health care professional for your surgical care. Look in Section 5(c) for charges associated with the facility (i.e. hospital, surgical center, etc.).

YOUR PHYSICIAN MUST GET PRECERTIFICATION OF SOME SURGICAL PROCEDURES. Please refer to the precertification information shown in Section 3 to be sure which services require precertification and identify which surgeries require precertification.

Benefit Description	You pay After the calendar year deductible...
<p>Note: The calendar year deductible applies to almost all benefits in this Section. We say "(No deductible)" when it does not apply.</p>	
Surgical procedures	High Option
<p>A comprehensive range of services, such as:</p> <ul style="list-style-type: none"> • Operative procedures • Treatment of fractures, including casting • Normal pre- and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies (see Reconstructive surgery) • Surgical treatment of morbid obesity – a condition in which an individual weighs 100 pounds or 100% over his or her normal weight according to current underwriting standards; eligible members must be age 18 or over and meet the following criteria: 	<p>\$20 per office visit to a primary care physician or a specialist</p> <p>Nothing for hospital visits</p>

<i>Not covered: Independent nursing, homemaker services</i>	<i>All Charges</i>
Ambulance	High Option
Local professional ambulance service when medically appropriate	Nothing

Section 5(d) Emergency services/accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The calendar year deductible is: \$xxx per person (\$xxx per family). The calendar year deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

If you are in an emergency situation, go to the nearest emergency care facility. If you have questions about whether or not it is an emergency, your primary care physician or covering physician will be available 24 hours a day, 7 days a week to help you.

If you do go to an emergency facility, you or a family member must call the Plan's HealthCare Management at 800/284-CARE within 48 hours unless it was not reasonably possible to do so. It is your responsibility to ensure that the Plan has been timely notified. If you are hospitalized in non-Plan facilities and a Plan doctor believes care can be provided in a Plan Hospital, you will be transferred to a Plan Hospital when you are medically able to do so. Any ambulance charges from this transfer are covered in full.

Within the service area, benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition. Outside the service area, benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness. To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan.

Benefit Description	You pay After the calendar year deductible...
Emergency within our service area	High Option
<ul style="list-style-type: none"> • Emergency care at a doctor’s office • Emergency care at an urgent care center • Emergency care as an outpatient at a hospital, including doctors' services 	\$20 per visit \$100 per visit, waived if admitted

<i>Not covered:</i> <ul style="list-style-type: none">• <i>Elective care or non-emergency care</i>• <i>Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area</i>• <i>Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area</i>	<i>All Charges.</i>
Ambulance High Option	
Professional ambulance service when medically appropriate. Note: See 5(c) for non-emergency service.	Nothing

Section 5(e) Mental health and substance abuse benefits

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

YOU MUST GET PREAUTHORIZATION OF THESE SERVICES. See the instructions after the benefits description below.

Benefit Description	You pay After the calendar year deductible...

<p>All diagnostic and treatment services recommended by a Plan provider and contained in a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure.</p> <p>Note: Plan benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve.</p>	<p>Your cost sharing responsibilities are no greater than for other illnesses or conditions.</p>
<ul style="list-style-type: none"> • Professional services, including individual or group therapy by providers such as psychiatrists, psychologists, or clinical social workers • Medication management 	<p>\$20 per visit</p>
<p>Diagnostic tests</p> <ul style="list-style-type: none"> • Services provided by a hospital or other facility • Services in approved alternative care settings such as partial hospitalization, full-day hospitalization, facility based intensive outpatient treatment 	<p>Nothing \$500 per admission</p>
<p><i>Not covered: Services we have not approved.</i></p> <p><i>Note: OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.</i></p>	<p><i>All Charges.</i></p>
<p>Preauthorization</p>	<p>To be eligible to receive these benefits you must obtain a treatment plan and follow all of the following network authorization processes:</p>

(Enter Plan Option(s)) Option

	Call our mental health and substance abuse provider, United Behavioral Health (UBH), at 800/420-5729. An intake coordinator will assist you with your needs. You may then be referred to a participating provider.
Limitation	We may limit your benefits if you do not obtain a treatment plan.

Section 5(f) Prescription drug benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed physician must write the prescription.
- **Where you can obtain them.** You may fill the prescription at a plan pharmacy, or by mail for a maintenance medication. We contract with Caremark to provide you with full prescription drug benefits through local pharmacies. Present your Caremark card at any participating pharmacy and after you pay your copayment for each new or refill prescription, we will pay the rest of the cost to the pharmacy.
- **We use a Preferred Drug List (PDL).** The PDL is made up of drugs meeting careful clinical and therapeutic standards created by physicians and pharmacists. Preferred drugs include generic and specific name brand drugs. Generic drugs on the PDL will cost you the least amount of money out-of-pocket. Name brand drugs on the PDL are your next best option if no generic drug is available. You will pay the most if you use any drugs that are not on the preferred drug list. If you or a family member are currently taking a nonpreferred drug, you should receive a letter showing you what nonpreferred drugs you are taking and what alternative drugs are available. If you have a question about whether your prescription medications are generic or name brand drugs, contact your doctor or pharmacist.

We administer an open PDL. If your physician believes a name brand product is necessary or there is no generic available, your physician may prescribe a name brand drug from the PDL. This list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost.

- **These are the dispensing limitations.** Prescription drugs prescribed by a Plan or referral doctor and obtained at a Plan pharmacy will either be dispensed for up to a 34-day supply or for a 35-90 day supply, depending on the pharmacy you receive them at. You will pay a \$10 copay per prescription unit or refill for up to a 34-day supply of preferred generic drugs and a \$20 copay per prescription unit or refill for a 35-90 day supply. You will pay a \$20 copay for up to a 34-day supply of preferred name brand drugs when no generic drug is available and a \$40 copay for a 35-90 day supply. You will pay a \$40 copay for up to a 34-day supply of non-preferred name brand drugs when no generic drug is available and a \$80 copay for a 35-90 day supply. You will pay a \$10 copay plus the price difference in the cost of the name brand drug over the generic drug for up to a 34-day supply of preferred or non-preferred name brand drugs when you or your physician requests a name brand drug and a generic drug is available. You will pay a \$20 copay plus the price difference in the cost of the name brand drug over the generic drug for a 35-90 day supply of preferred or non-preferred name brand drugs when you or your physician requests a name brand drug and a generic drug is available.
- **A generic equivalent will be dispensed if it is available,** unless your physician specifically requires a name brand. If you receive a name brand drug when a Federally-approved generic drug is available, you have to pay the difference in cost between the name brand drug and the generic, as well as the applicable \$10 or \$20 copay.
- **Plan members called to active duty** (or members in time of national emergency) who need to obtain prescribed medications should call us at 800/OSF-5222.
- **Why use generic drugs?** To reduce your out-of-pocket expenses! A generic drug is the chemical equivalent of a corresponding name brand drug. Generic drugs are less expensive than name brand drugs; therefore, you may reduce your out-of-pocket costs by choosing to use a generic drug.

When you have to file a claim. Normally you will not have to file a claim. If you do, contact us at 800/OSF-5222 and we can send you a claim form that must be completed. You will then send the claim to the address on the form.

Benefit Description	You pay After the calendar year deductible...
<p>Note: The calendar year deductible applies to almost all benefits in this Section. We say "(No deductible)" when it does not apply.</p>	
Covered medications and supplies	High Option
<p>We cover the following medications and supplies prescribed by a Plan physician and obtained from a Plan pharmacy or through our mail order program:</p> <ul style="list-style-type: none">• Drugs and medicines that by Federal law of the United States require a physician’s prescription for their purchase, except those listed as <i>Not covered</i>.• Insulin: a copay charge applies to each vial• Disposable needles and syringes for the administration of covered medications; a copay charge applies to each 34-day supply• Drugs for sexual dysfunction are subject to dosage limits set by the Plan. Contact the Plan for details.• Fertility drugs• We cover all FDA approved contraceptive drugs and devices when prescribed by your network physician• Growth hormone	<p>FOR UP TO A 34-DAY SUPPLY</p> <ul style="list-style-type: none">• A \$10 copay for a preferred generic drug;• A \$20 copay for a preferred name brand drug when no generic drug is available;• A \$40 copay for a non-preferred name brand drug when no generic drug is available; and• A \$10 copay plus the price difference in the cost of the name brand drug over the generic drug for a preferred or non-preferred name brand drug when you or your physician requests a name brand drug when a generic drug is available. <p>FOR A 35-90 DAY SUPPLY</p> <ul style="list-style-type: none">• A \$20 copay for a preferred generic drug;• A \$40 copay for a preferred name brand drug when no generic drug is available;• A \$80 copay for a non-preferred name brand drug when no generic drug is available; and• A \$20 copay plus the price difference in the cost of the name brand drug over the generic drug for a preferred or non-preferred name brand drug when you or your physician requests a name brand drug when a generic drug is available.
<p>Not covered:</p> <ul style="list-style-type: none">• Drugs and supplies for cosmetic purposes• Drugs to enhance athletic performance• Drugs obtained at a non-Plan pharmacy; except for out-of-area emergencies• Vitamins, nutrients and food supplements even if a physician prescribes or administers them• Nonprescription medicines• Medical supplies such as dressings and antiseptics• Diabetic supplies, except needles, syringes, and insulin (additional equipment, i.e., blood glucose monitors, insulin pumps, and supplies, i.e., lancets and test strips, are covered under “Durable medical equipment,“ see page 22)• Smoking cessation drugs and medication• Drugs prescribed for weight loss and appetite suppressants, except for treatment of Morbid Obesity	<p><i>All Charges.</i></p>

Section 5(g) Special features

24 hour nurse line	For any of your health concerns, 24 hours a day, 7 days a week, you may call 888/6ASK OSF (888/627-5673) to discuss treatment options and answer your health questions.
Services for deaf and hearing impaired	We offer a TTY line at 1-888/817-0139.
Centers of excellence	We utilize centers of excellence for transplants. It is a national organ and tissue network consisting of 48 transplant medical centers and 120 transplant programs. In order to become a center of excellence, transplant volume, outcomes, comprehensive services, quality assessment and complications rate.

Section 5(h) Dental benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You Pay
Accidental injury benefit	High Option
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth due to an accidental injury within 90 days of the injury. The need for these services must result from an accidental injury. Accidental injury does not include injury caused by or arising out of the act of chewing.	Nothing

Dental benefits

We have no other dental benefits.

Section 6 General exclusions – things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition** (see specifics regarding transplants).

We do not cover the following:

- Care by non-plan providers except for authorized referrals or emergencies (see *Emergency services/accidents*);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants);
- Services, drugs, or supplies related to abortions;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program; or
- Services, drugs, or supplies you receive without charge while in active military service.

Section 7 Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Your facility will file on the UB-92 form. For claims questions and assistance, call us at 800/OSF-5222.

When you must file a claim – such as for services you receive outside the Plan’s service area – submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your claims to: OSF HealthPlans, P.O. Box 5128, Peoria, IL, 61601-5128.

Prescription drugs

Submit your claims to: If you need to file a prescription claim directly to Caremark, call us at 800/OSF-5222 and we will provide you with a form that must be completely filled out and sent to Caremark.

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond.

Section 8 The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization/prior approval required by Section 3.

1

Ask us in writing to reconsider our initial decision. You must:

- a) Write to us within 6 months from the date of our decision; and
- b) Send your request to us at: OSF HealthPlans, 7915 N Hale Avenue, Suite D, Peoria, IL, 61615 ; and
- c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and
- d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.

2

We have 30 days from the date we receive your request to:

- a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or
- b) Write to you and maintain our denial - go to step 4; or
- c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.

3

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

4

If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us - if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Insurance Services Programs, Health Insurance Group 3, 1900 E Street, NW, Washington, DC 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 800/OSF-5222 and we will expedite our review; or
- b) We denied your initial request for care or preauthorization/prior approval, then:
 - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
 - You may call OPM's Health Insurance Group 3 at 202/606-0755 between 8 a.m. and 5 p.m. eastern time.

Section 9 Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you or a covered family member have coverage under any other health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age or older;
- Some people with disabilities under 65 years of age; and
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.
- Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.

Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare’s Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

• Should I enroll in Medicare?

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It’s easy. Just call the Social Security Administration toll-free number 1-800-772-1213 to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payer, we process the claim first.

When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. You will not need to do anything. To find out if you need to do something to file your claim, call us at 309/677-8205, toll-free 877/677-8205, or TDD 888/817-0139.

We do not waive any costs if the Original Medicare Plan is your primary payer.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and our Medicare Advantage plan: You may enroll in our Medicare Advantage plan and also remain enrolled in our FEHB plan. In this case, we do not waive cost-sharing for your FEHB coverage.

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payer, we process the claim first. If you enroll in Medicare Part D and we are the secondary payer, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payer. The following chart illustrates whether Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

Primary Payer Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you?	The primary payer for the individual with Medicare is?	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee or through your spouse who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #1 above	✓	
4) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and • You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
5) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #1 above	✓	
6) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
7) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty	✓ *	
B. When you or a covered family member?		
1) Have Medicare solely based on end stage renal disease (ESRD) and • It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and • This Plan was the primary payer before eligibility due to ESRD		✓ for 30-month coordination period
• Medicare was the primary payer before eligibility due to ESRD	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you?		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse		
	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

Section 10 Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. See page 12.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 12.
Covered services	Care we provide benefits for, as described in this brochure.
Experimental or investigational service	The Plan uses a range of sources to decide if a new procedure, process, or pharmaceutical is or is not experimental or investigational. These sources include an independent third party evaluation where valid, an agreement of specialists in the related field, the Food and Drug Administration, Medicare Guidelines, Hayes Technology Assessment and other available sources of medical information. All information is given to the Plan's Utilization Management Committee by the Plan's Medical Director for a decision. The Medical Director also uses the resources of the Plan's Technology Assessment Committee.
Plan allowance	Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Plans determine their allowances in different ways.
Us/We	Us and We refer to OSF HealthPlans.
You	You refers to the enrollee and each covered family member.

Section 11 FEHB Facts

Coverage information

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure/health for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies who participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

Children's Equity Act

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

When benefits and premiums start

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2007 benefits of your old plan or option. However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2006 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy.)

Upon divorce

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage to you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide To Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, www.opm.gov/insure.

Temporary Continuation of Coverage (TCC)

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

Converting to individual coverage

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

Getting a Certificate of Group Health Plan Coverage

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 12 Three Federal Programs complement FEHB benefits

Important information

OPM wants to be sure you are aware of three Federal programs that complement the FEHB Program.

First, the **Federal Long Term Care Insurance Program (FLTCIP)** helps cover long term care costs, which are not covered under the FEHB Program.

Second, the **Federal Flexible Spending Account Program**, also known as **FSAFEDS**, lets you set aside pre-tax money to pay for health and dependent care expenses. The result can be a discount of 20% to more than 40% on services you routinely pay for out-of-pocket.

Third, the new **Federal Employees Dental and Vision Insurance Program (FEDVIP)**, offers a variety of dental plans and vision plans to anyone who is eligible to enroll in the Federal Employees Health Benefits Program. Under **FEDVIP** you may choose self only, self plus one, or self and family coverage for yourself and any qualified dependents. Premiums are on an enrollee-pays-all basis

The Federal Long Term Care Insurance Program – *FLTCIP*

It's important protection

Why should you consider applying for coverage under the **Federal Long Term Care Insurance Program(FLTCIP)**?

- **FEHB plans do not cover the cost of long term care.** Also called “custodial care,” long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment. The need for long term care can strike anyone at any age and the cost of care can be substantial.
- **The Federal Long Term Care Insurance Program can help protect you from the potentially high cost of long term care.** This coverage gives you options regarding the type of care you receive and where you receive it. With FLTCIP coverage, you won't have to worry about relying on your loved ones to provide or pay for your care.
- **It's to your advantage to apply sooner rather than later.** To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. By applying while you're in good health, you could avoid the risk of having a future change in your health disqualify you from obtaining coverage. Also, the younger you are when you apply, the lower your premiums. If you are a new or newly eligible employee, you (and your spouse, if applicable) have a limited opportunity to apply using the abbreviated underwriting application, which asks fewer questions about your health. Newly married spouses of employees also have limited opportunity to apply using abbreviated underwriting.
- **Qualified relatives are also eligible to apply.** Qualified relatives include spouses and adult children of employees and annuitants, and parents, parents-in-law, and stepparents of employees.
- **To request an Information Kit and application.** Call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

The Federal Flexible Spending Account Program – *FSAFEDS*

What is an FSA?

It is a tax-favored benefit that allows you to set aside pre-tax money from your paychecks to pay for a variety of eligible expenses.

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250 and a maximum annual election of \$5,000 per year.

- **Health Care FSA (HCFSA)** – Pays for eligible health care expenses for you and your dependents which are not covered by FEHBP coverage or other insurance.
- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your dependents, which are not covered or reimbursed, by FEHBP or FEDVIP coverage or other insurance.
- **Dependent Care FSA (DCFSA)** – Pays for eligible dependent care expenses that allow you (and your spouse if married) to work, look for work (as long as you have earned income for the year), or attend school full-time.

What expenses can I pay with an FSAFEDS account?

For the HCFSA – Health plan copayments, deductibles, over-the-counter medications and products, sunscreen, eyeglasses, contacts, other vision and dental expenses (but not insurance premiums).

For the LEX HCFSA – Dental and vision care expenses including eligible over-the-counter medicines and products related to dental and vision care (but not insurance premiums).

For the DCFSA – Daycare expenses (including summer camp) for your child(ren) under age 13, dependent care expenses for dependents unable to care for themselves

AND MUCH MORE! Visit www.FSAFEDS.com

Who is eligible to enroll?

Most Federal employees in the Executive branch and many in non-Executive branch agencies are eligible. For specifics on eligibility, visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern Time. TTY: 1-800-952-0450.

When can I enroll?

If you wish to participate, you must make an election to enroll each year by visiting www.FSAFEDS.com or calling the number above during the FEHB Open Season or within 60 days of employment (for new employees).

Even if you enrolled for 2006, you must make a new election to continue participating in 2007. Enrollment DOES NOT carry over from year to year.

Who is SHPS?

SHPS is the Third Party Administrator hired by OPM to manage the FSAFEDS Program. SHPS is responsible for enrollment, claims processing, customer service, and day-to-day operations of FSAFEDS.

Who is BENEFEDES?

BENEFEDES is the name of the voluntary benefits portal hired by OPM to work with the FSAFEDS Program to set up payroll deductions for FSAFEDS allotments.

The Federal Employees Dental and Vision Insurance Program – *FEDVIP*

Important information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is a new program, separate and different from the FEHB Program, established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004.

OPM has contracted with several insurance carriers to make supplemental dental and vision benefits available to eligible Federal and USPS employees, annuitants, and their eligible family members.

Dental Insurance

Dental plans will provide a comprehensive range of services, including the following:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal sealing, tooth extractions, and denture adjustments.

- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with a 24-month waiting period.

Please review the dental plans' benefits materials for detailed information on the benefits covered, cost-sharing requirements, and preferred provider listings.

Vision Insurance

Vision plans will provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Please review the vision plans' benefits material for detailed information on the benefits covered, cost-sharing requirements and preferred provider listings.

What plans are available?

You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/insure/dentalvision. This site also provides links to each plan's website, where you can view detailed information about benefits and preferred providers.

Premiums

The premiums will vary by plan and by enrollment type (self, self plus one, or self and family). There is no government contribution to the premiums. If you are an active employee, your premiums will be taken from your salary on a pre-tax basis when your salary is sufficient to make the premium withholding. If you are an annuitant, premiums will be withheld from your monthly annuity check when your annuity is sufficient. Pre-tax premiums are not available to annuitants. For information of each plan's specific premiums, visit www.opm.gov/insure/dentalvision.

Who is eligible to enroll?

Federal and Postal Service employees eligible for FEHB coverage (whether or not enrolled) and annuitants (regardless of FEHB status) are eligible to enroll in a dental plan and/or a vision plan.

Enrollment types available

- Self-only, which covers only the enrolled employee or annuitant;
- Self plus one, which covers the enrolled employee or annuitant plus one eligible family member specified by the enrollee; and
- Self and family, which covers the enrolled employee or annuitant and all eligible family members.

Which Family members are eligible to enroll?

Eligible family members include your spouse, unmarried dependent children under age 22, and unmarried dependent children age 22 or over incapable of self-support because of a mental or physical disability that existed before age 22.

When can I enroll?

Eligible employees and annuitants can enroll in a dental and/or vision plan during this open season – November 13 to December 11, 2006. You can enroll, disenroll, or change your enrollment during subsequent annual open seasons, or because of a qualified life event. New employees will have 60 days from their first eligibility date to enroll.

How do I enroll?

You enroll on the Internet at www.BENEFEDS.com. BENEFEDS is a secure enrollment website sponsored by OPM where you enter your name, personal information like address and Social Security Number, the agency you work for (or retirement plan that pays your annuity), and the dental and/or vision plan you select. For those without access to a computer or a phone, contact your employing office or retirement system for guidance on how to enroll.

You cannot enroll in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, MyPay or Employee Personal Page. However, those sites may provide a link to BENEFEDS.

When will coverage be effective?

The new Program will be effective December 31, 2006. Coverage for those who enroll during this year's open season (November 13 – December 11, 2006) will be effective December 31, 2006. Coverage for any other enrollments will be effective on/or after December 31, 2006.

How does this coverage work with my FEHB plan's dental or vision coverage?

Some FEHB plans already cover some dental and vision services. When you are covered by more than one health/dental plan, federal law permits your insurers to follow a procedure called "coordination of benefits" to determine how much each should pay when you have a claim. The goal is to make sure that the combined payments of all plans do not add up to more than your covered expenses.

Coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Index

Summary of benefits for the High Option of OSF HealthPlans - 2007

- **Do not rely on this chart alone.** All benefits are provided in full unless indicated and are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.
- If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.
- We only cover services provided or arranged by Plan physicians, except in emergencies.

High Option Benefits	You pay	Page
Medical services provided by physicians:		
Diagnostic and treatment services provided in the office	Office visit copay: \$20 primary care; \$20 specialist	16
Services provided by a hospital:		
• Inpatient	\$500 per admission copay	30
• Outpatient	\$150 per visit	31
Emergency benefits:		
• In-area	\$100 per emergency room visit at a hospital (waived if admitted)	33
• Out-of-area	\$100 per emergency room visit at a hospital (waived if admitted)	33
Mental health and substance abuse treatment:	Regular cost sharing	34
Prescription drugs:		35
• Retail pharmacy For up to a 34-day supply per prescription unit or refill.	\$10 copay for generic drugs; \$20 copay for preferred name brand drugs when no generic drug is available; \$40 copay for non-preferred name brand drugs when no generic drug is available; and \$10 copay plus the price difference between the name brand drug and the generic drug for the preferred or non-preferred name brand drug when requested by you or the physician when a generic drug is available.	
• Mail order For up to a 35-90 day supply per prescription unit or refill.	\$20 copay for generic drugs; \$40 copay for preferred name brand drugs when no generic drug is available; \$80 copay for non-preferred name brand drugs when no generic drug is available; and \$20 copay plus the price difference between the name brand drug and the generic drug for the preferred or non-preferred name brand drug when requested by you or the physician when a generic drug is available.	
Dental care:	No benefit.	38

Vision care: One refraction every twenty-four (24) months	\$20 per visit	21
Special features:	Services for deaf and hearing impaired; and Center of excellence for transplants.	37
Protection against catastrophic costs (out-of-pocket maximum):	Nothing after \$1,500/Self Only or \$3,000/Family enrollment per year	12
	Some costs do not count toward this protection	

2007 Rate Information for OSF HealthPlans

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and a special FEHB guide is published for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable FEHB Guide.

Type of Enrollment	Enrollment Code	Non-Postal Premium				Postal Premium	
		Biweekly		Monthly		Biweekly	
		Gov't Share	Your Share	Gov't Share	Your Share	USPS Share	Your Share

Central Illinois and Central-Northwestern Illinois

High Option Self Only	9F1	139.64	46.54	302.54	100.85	165.23	20.95
High Option Self and Family	9F2	321.89	167.70	697.43	363.35	380.01	109.58
