
Section 2 How we change for 2007

Do not rely on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5, Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- Texas was added to the list for medically underserved areas and Alaska was deleted.

Changes to this Plan

- Your share of the non-Postal premium will increase by 2.1% for Self Only and 2.4% For Self and Family. See back cover.
- Varicella (Chickenpox) vaccine has been added to the preventive care, adult benefit. See page 22.
- Rotavirus vaccine for infants less than 1 year old under preventive care, children benefit. See page 23.
- Retinal screening exams performed by an ophthalmologist for infants with low birth weight less than 1 year of age has been added to the preventive care, children benefit. See page 23.
- Diabetes training will now have a PPO copay of \$10. See page 32 for Non-PPO and Out of network rate.
- A transportation benefit has been added to the Organ Transplant benefit. See page 36.
- A \$100,000 per transplant limit has been added if prior approval is not obtained or a Transplant Center of Excellence is not used. See page 36.
- Additional organ/tissue transplants have been added to the transplant benefit. See page 36.
