
Section 2 We are a new plan for 2007

Do not rely on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to the High Option Coverage

- MVP Health Care will offer High option and Standard option coverage for 2007. If you are currently in the High Option coverage, you will remain in the High Option plan unless you make an Open Season enrollment change.
- If you are in enrollment code GA, your share of the non-Postal High Option premium will increase by 6% for Self Only and 13.5% for Self and Family.
- If you are in enrollment code M9, your share of the non-Postal High Option premium will increase by 3.8% for Self Only and 8.4% for Self and Family.
- If you are in enrollment code MX, your share of the non-Postal premium will increase by 18.6% for Self Only and 23% for Self and Family.
- If you are in enrollment code VW, your share of the non-Postal premium will decrease by 10.2% for Self Only and 8.8% for Self and Family.
- The copay for preventive dental care for children under the age of 19 will increase from \$10 to \$25 per office visit. See page 43 in Section 5(h) Dental Benefits.
- Your coinsurance for durable medical equipment will increase from 20% to 50%. See page 22.
- The number of days of skilled nursing facility care benefits will increase from 45 to 60 days per member per calendar year. See page 33.
- The facility copay for outpatient surgery at a hospital or ambulatory surgery center will be \$75. Previously, you paid the lesser of \$100 or 20%. See page 32.
- You pay \$20 for outpatient diagnostic radiology services at participating freestanding radiology centers. See page 16.
- The copay for diabetic insulin and supplies will be \$20 per item. Previously, you paid the lesser of \$20 or 20%. See page 22.
- You must use our MVP bariatric surgical network for bariatric surgery. See page 25.
- Under the organ/tissue transplant coverage, we no longer cover costs associated with donor search and screening, travel, food and lodging. See page 30.
- The copay for out-of-area emergency room services will increase from nothing to \$50. See page 35.

Standard Option Coverage

We will offer Standard Option coverage for the first time. If you would like to enroll in our Standard Option coverage, you must make an election to it during Open Season. The Standard Option enrollment codes are: GA4 and GA5 (Eastern Region); M94 and M95 (Central Region); MX4 and MX5 (Mid-Hudson Region); and VW4 and VW (Vermont Region).
