RI 73-047

**Important Notice from Kaiser Foundation Health Plan of the Mid-Atlantic States
About Our Prescription Drug Coverage and Medicare**

OPM has determined that Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.'s prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare, but you still need to follow the rules in this brochure for us to cover your prescriptions. We will only cover your prescription if it is written by a Plan provider and obtained at a Plan pharmacy, affiliated network pharmacy, or through our Plan mail service delivery program, except in an emergency or urgent care situation.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (November 15th through December 31st) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

Introduction

This brochure describes the benefits of Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., under our contract (CS 1763) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. The address for Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.'s administrative office is:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.
2101 East Jefferson Street
Rockville, Maryland 20852

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2008, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2008, and changes are summarized on page 8. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” or “Plan” means Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM’s “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehbwebcomments@opm.gov. You may also write to OPM at the U.S. Office of Personnel Management, Insurance Services Programs, Program Planning & Evaluation Group, 1900 E Street, NW, Washington, DC 20415-3650.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care providers, or authorized health benefits plan or OPM representatives.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOB) statements that you receive from us.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.

- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-877-KP4-FEDS (1-877-574-3337) and explain the situation. Our TTY telephone number is 301-879-6380.
 - If we do not resolve the issue:

CALL - THE HEALTH CARE FRAUD HOTLINE

202-418-3300

OR WRITE TO:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

Preventing medical mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines that you take, including non-prescription (over-the-counter) medicines.
- Tell them about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.

- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - Exactly what will you be doing?
 - About how long will it take?
 - What will happen after surgery?
 - How can I expect to feel during recovery?
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications you are taking.

Section 1. Facts about this HMO Plan

This Plan is a health maintenance organization (HMO). We require you to use specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory. We give you a choice of enrollment in a High Option or a Standard Option.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments and coinsurance described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

General features of our High and Standard Options

How we pay providers

We pay the Mid-Atlantic Permanente Medical Group, P.C. (a for-profit Maryland corporation), and contracted community specialists and ancillary providers to provide your medical, surgical, mental health, substance abuse, ophthalmology, optometry, and dental services. We contract with local community hospitals to provide hospitalization services. These Plan providers accept a negotiated payment from us.

Your rights

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, our providers, and our facilities. OPM's FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (Kaiser Permanente), is a Health Maintenance Organization.
- This Plan is part of the Kaiser Permanente Medical Care Program, a group of not-for-profit organizations and contracting for-profit medical groups that serve over 8 million members nationwide.
- Kaiser Permanente is a Maryland not-for-profit corporation licensed in the Commonwealth of Virginia, the District of Columbia and the State of Maryland.
- Kaiser Permanente began delivering prepaid healthcare services to Washington, DC residents in December 1972.
- Kaiser Permanente presently serves approximately 500,000 members in the Washington, DC and Baltimore, Maryland metropolitan areas.
- Kaiser Permanente credentials its Plan providers in accordance with national standards.

If you want more information, call us at 1-877-KP4-FEDS (1-877-574-3337). Our TTY telephone number is 301-879-6380. Write to us at Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., Attention: Member Services Department, 2101 East Jefferson Street, Rockville, Maryland, 20852. You may also contact us by fax at 301-816-6192 or visit our Web site at <http://kp.org/feds>. Interpreter service is available to assist members who do not speak English. If you need interpreter services, please ask our staff for an interpreter.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is:

- **The District of Columbia**
- **The following Virginia counties:**
 - Arlington
 - Fairfax
 - Loudoun
 - Prince William
- **The following Virginia cities:**
 - Alexandria
 - Falls Church
 - Fairfax
 - Manassas
 - Manassas Park
- **The following Maryland counties:**
 - Anne Arundel
 - Baltimore
 - Carroll
 - Harford
 - Howard
 - Montgomery
 - Prince Georges

Portions of the following Maryland counties, as indicated by the zip codes below, are also within the service area:

- Calvert – 20639, 20678, 20689, 20714, 20732, 20736, and 20754 zip codes only
 - Charles – 20601, 20602, 20603, 20604, 20612, 20616, 20617, 20637, 20640, 20643, 20646, 20658, 20675, 20677, and 20695 zip codes only
 - Frederick – 21701, 21702, 21703, 21704, 21705, 21709, 21710, 21714, 21716, 21717, 21718, 21754, 21755, 21758, 21759, 21762, 21769, 21770, 21771, 21774, 21775, 21777, 21790, 21792, and 21793 zip codes only
- **Baltimore City, MD**

Ordinarily, you must receive your care from physicians, hospitals, and other providers who contract with us. However, we are part of the Kaiser Permanente Medical Care Program, and if you are visiting another Kaiser Permanente or allied plan service area, you can receive visiting member care from designated providers in that area. See Section 5(h), Special features, for more details. We also pay for certain follow-up services or continuing care services while you are traveling outside the service area, as described in Section 5(h); and for emergency care obtained from any non-Plan provider, as described in Section 5(d). We will not pay for any other health care services unless the services have prior plan approval.

If you or a covered family member moves outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member moves, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2008

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to this Plan

- United States Postal Service non-law enforcement career employees may now be covered either by Postal Category 1 or Postal Category 2 premium rates. See page 86.

Changes to High Option only

- Your share of the non-Postal premium will increase. See page 86.
- We increased the copayment from \$50 per test to \$75 per test for specialty imaging tests, such as CAT scans, MRI, PET scans and nuclear medicine studies. See page 20.
- We increased the copayment from \$50 to \$75 per surgery or procedure in an outpatient hospital or ambulatory surgical center. See pages 34-38 and page 41.
- We increased the copayment for care you receive in a hospital emergency room from \$50 per visit to \$100 per visit. See page 45.
- We decreased the copayments for a 30-day supply of generic drugs from \$10 to \$7 when purchased at a Plan medical center pharmacy; from \$20 to \$17 when purchased at an affiliated network pharmacy; and, from \$8 to \$5 when purchased through the Plan's mail delivery service. We also decreased the copayment for a 90-day supply of generic maintenance drugs from \$16 to \$10 when purchased through the Plan's mail delivery service. See pages 52-53.
- We increased the copayments for a 30-day supply of preferred brand-name drugs from \$20 to \$25 when purchased at a Plan medical center pharmacy; from \$40 to \$45 when purchased at an affiliated network pharmacy; and, from \$18 to \$23 when purchased through the Plan's mail delivery service. We also increased the copayment for a 90-day supply of preferred brand-name maintenance drugs from \$36 to \$46 when purchased through the Plan's mail delivery service. See pages 52-53.
- We increased the copayments for a 30-day supply of non-preferred brand-name drugs from \$35 to \$40 when purchased at a Plan medical center pharmacy; from \$55 to \$60 when purchased at an affiliated network pharmacy; and, from \$33 to \$38 when purchased through the Plan's mail delivery service. We also increased the copayment for a 90-day supply of non-preferred brand-name maintenance drugs from \$66 to \$76 when purchased through the Plan's mail delivery service. See pages 52-53.
- We added 25% coinsurance, with a cap of \$325 per 30-day supply, for specialty drugs purchased at the Plan's medical center pharmacies and 30% coinsurance, with a cap of \$375 per 30-day supply, for specialty drugs purchased at the Plan's affiliated network pharmacies. See pages 52-53.

Changes to Standard Option only

- Your share of the non-Postal premium will decrease. See page 86.
- We decreased the copayment from \$30 to \$20 in primary care departments (nothing from infancy through age 4) and from \$40 to \$30 in specialty care departments and urgent care centers. See page 20.
- We removed the copayment for all routine preventive care for adults. See page 21.
- We increased the copayment from \$100 to \$150 per surgery or procedure in an outpatient hospital or ambulatory surgical center. See pages 34-38 and page 41.
- We decreased the copayments for a 30-day supply of generic drugs from \$15 to \$12 when purchased at a Plan medical center pharmacy; from \$25 to \$22 when purchased at an affiliated network pharmacy; and, from \$13 to \$10 when purchased through the Plan's mail delivery service. We also decreased the copayment for a 90-day supply of generic maintenance drugs from \$26 to \$20 when purchased through the Plan's mail delivery service. See pages 52-53.

- We increased the copayments for a 30-day supply of preferred brand-name drugs from \$25 to \$30 when purchased at a Plan medical center pharmacy; from \$45 to \$50 when purchased at an affiliated network pharmacy; and, from \$23 to \$28 when purchased through the Plan's mail delivery service. We also increased the copayment for a 90-day supply of preferred brand-name maintenance drugs from \$46 to \$56 when purchased through the Plan's mail delivery service. See pages 52-53.
- We increased the copayments for a 30-day supply of non-preferred brand-name drugs from \$40 to \$45 when purchased at a Plan medical center pharmacy; from \$60 to \$65 when purchased at an affiliated network pharmacy; and, from \$38 to \$43 when purchased through the Plan's mail delivery service. We also increased the copayment for a 90-day supply of non-preferred brand-name maintenance drugs from \$76 to \$86 when purchased through the Plan's mail delivery service. See pages 52-53.
- We added 30% coinsurance, with a cap of \$375 per 30-day supply, for specialty drugs purchased at the Plan's medical center pharmacies and 35% coinsurance, with a cap of \$425 per 30-day supply, for specialty drugs purchased at the Plan's affiliated network pharmacies. See pages 52-53.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Providers may request photo identification together with your ID card to verify identity. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation letter (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1-877-KP4-FEDS (1-877-574-3337) or write to us at Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., Attention: Member Services Department, 2101 East Jefferson Street, Rockville, Maryland, 20852. Our TTY telephone number is 301-879-6380. You may also request replacement cards through our Web site at <http://kp.org/feds>.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductibles, and/or coinsurance.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards. We contract with the Mid-Atlantic Permanente Medical Group, P.C., to provide or arrange for primary care services and specialty care services for our members.

Our Provider Directory lists the Plan providers, with locations and phone numbers. Directories are updated annually and are available at the time of enrollment. However, our online Provider Directory is updated biweekly. Our website address is <http://kp.org/feds>.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members.

If you are visiting another Kaiser Permanente or allied plan service area, you may receive health care services at those Kaiser Permanente facilities. See Section 5(h), *Special features*, for more details. Under the circumstances specified in this brochure you may receive follow-up or continuing care while you travel anywhere.

Our Provider Directory lists the Plan facilities. Directories are updated annually and are available at the time of enrollment. However, our online Provider Directory is updated biweekly. Our website address is <http://kp.org/feds>.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care.

To choose a primary care physician you can either select one from our Provider Directory, from our website, <http://kp.org/feds>, or you can call us at 1-877-KP4-FEDS (1-877-574-3337). Our TTY telephone number is 301-879-6380. We are happy to assist you in selecting a primary care physician.

- **Primary care**

We require you to choose a primary care physician when you enroll. Your primary care physician can be an internal medicine physician, a pediatrician, or a family practice physician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

Specialty care is care that you receive in areas other than primary care (as defined above). Your primary care physician will refer you to a specialist for needed care. When you receive an approved referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or obtain authorization for all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you an approved referral. You may see Plan gynecologists for routine care, optometrists, or mental health and substance abuse providers without a referral. Members may obtain mental health and substance abuse services without a primary care referral by directly calling our Behavioral Health Access Unit at 1-866-530-8778 to arrange for services.

Here are some other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive approved services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - Terminate our contract with your specialist for a reason other than cause; or
 - Drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
 - Reduce our service area and you enroll in another FEHB Plan,

You may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

- **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our dedicated Federal Member Services Department immediately at 1-877-KP4-FEDS (1-877-574-3337). Our TTY telephone number is 301-879-6380. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, is medically necessary, and follows generally accepted medical practice.

We call this review and approval process precertification. Your physician must obtain precertification for:

- All inpatient services, except maternity
- Ambulance transport (non-emergency)
- Clinical trials
- Dental services covered under the medical plan and temporomandibular joint treatment
- Durable medical equipment and prosthetics
- Genetic testing
- Home health care and hospice care
- Infertility treatment
- Injectable medications
- Physical therapy, occupational therapy, speech therapy, chiropractic services, acupuncture and cardiac rehabilitation
- Prenatal diagnostic tests outside of the doctor's office
- Surgical procedures including adenoids or tonsil removal, tubes in the ears, bariatric surgery, breast surgery not associated with cancer, carpal tunnel surgery, hysterectomy, nasal surgery, oral surgery, organ/tissue transplants, reconstructive surgery, and spinal surgery and other invasive spinal procedures not associated with cancer
- The following treatment therapies: infusion therapy, hyperbaric oxygen therapy, pulmonary rehabilitation, radiation therapy, pain management services, uterine artery embolization, and sclerotherapy for varicose veins
- The following radiology services: specialty imaging, sleep studies, and video capsule endoscopy

Requests for these services are made to your primary care physician just like any other referral. Your primary care physician submits the request, with supporting documentation. It takes an average of 2 working days to process the request. You should call your primary care physician's office if you have not been notified of the outcome of the review within 5 working days. If your request is not approved, you have a right to appeal by calling 1-877-KP4-FEDS (1-877-574-3337). Our TTY is 301-879-6380. After business hours, for urgent situations, you may call Appointments/Advice to request an appeal at 703-359-7878, 800-777-7904, TTY is 703-359-7616 or 800-700-4901. If you wish additional services, you must make the request to your primary care physician.

Emergency services do not require precertification. However, you or your family member must notify the Plan within 48 hours, or as soon as reasonably possible.

Section 4. Your cost for covered services

This is what you will pay out-of-pocket for covered care.

Copayments

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services. The amount of copayment will depend upon whether you are enrolled in the High or Standard Option, the type of provider, and the service or supply that you receive.

You pay a primary care provider copayment when you visit any primary care provider as described in Section 3, *How you get care*. You pay a specialist copayment when you receive care from a specialist as described in Section 3.

For example, for diagnostic and treatment services as described in Section 5(a):

- Under the High Option Plan, you pay \$10 copayment when you receive diagnostic and treatment services from a primary care provider and a \$20 copayment when you receive these services from a specialty care provider.
- Under the Standard Option Plan, you pay a \$20 copayment when you receive diagnostic and treatment services from a primary care provider and a \$30 copayment when you receive these services from a specialty care provider.

Cost-sharing

Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

Deductible

There is no deductible.

Fees when you fail to make your copayment or coinsurance

If you do not pay your copayment or coinsurance at the time you receive services, we will bill you. You will be required to pay a \$10 charge for each bill sent for unpaid services.

Note: Affiliated physician office and other providers and facilities may bill you an additional charge along with any unpaid copayments, coinsurance or for missed appointments that you fail to cancel.

Coinsurance

Coinsurance is the percentage of our allowance that you must pay for your care. Example: In our Plan, you pay 50% of our allowance for infertility services, ovulation stimulants, weight management drugs, and oxygen and equipment for home use.

Your catastrophic protection out-of-pocket maximum

Under the High Option Plan, after your copayments and coinsurance total \$1,750 per person or \$3,500 per family enrollment in any calendar year, you do not have to pay any more for covered services.

Under the Standard Option Plan, after your copayments and coinsurance total \$3,000 per person or \$6,000 per family enrollment in any calendar year, you do not have to pay any more for covered services.

However, copayments for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments and coinsurance for these services:

- Prescription drugs
- Chiropractic and acupuncture services
- Dental services
- Follow-up continuing care outside the service area
- Infertility services
- Any non-FEHB benefit

Be sure to keep accurate records of your copayments and coinsurance since you are responsible for informing us when you reach the maximum.

Carryover

If you changed to this Plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

Note: If you change options in this Plan during the year, we will credit the amount of covered expenses already accumulated toward the catastrophic out-of-pocket limit of your old option to the catastrophic protection limit of your new option.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow.

Section 5. High and Standard Option Benefits

See page 8 for how our benefits changed this year. Pages 79-80 and pages 81-82 are a benefits summary of each option. Make sure that you review the benefits that are available under the option in which you are enrolled.

Summary of benefits for the Standard Option of the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. - 2008.....81

Section 5. High and Standard Option Benefits Overview

This Plan offers a both High and Standard Option. Both benefit packages are described in Section 5. Make sure that you review the benefits that are available under the option in which you are enrolled.

The High and Standard Option Section 5 is divided into subsections. Please read *Important things you should keep in mind* at the beginning of the subsections. Also read the General exclusions in Section 6, they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about High and Standard Option benefits, contact us at 1-877-KP4-FEDS (1-877-574-3337). Our TTY telephone number is 301-879-6380. You can also visit our website at <http://kp.org/feds>.

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (Kaiser Permanente) has been a leader in offering high quality integrated health care to FEHB for more than 25 years. What differentiates Kaiser Permanente from other HMOs and helps us contain your costs is the fact that we view health care not as an industry, but as a cause. Through the Mid-Atlantic Permanente Medical Group (MAPMG) our members receive the highest quality care and attention. Additionally, because MAPMG physicians do not accept patients outside of Kaiser Permanente, our members can rest assured that dedicated physician care will be available at all times. Our seamless delivery system provides convenient, comprehensive care all under one roof. You can come to any one of our 29 medical facilities and see your primary care physician, pediatrician, Ob/Gyn or specialist, fill prescriptions, have mammograms, complete lab work, plus x-rays and more. Also, our sophisticated health technology gives you the ability 24 hours a day and 7 days a week to book appointments, refill prescriptions, research medical conditions and view your medical information on line.

In 2007, Kaiser Permanente's HMO received "Excellent Accreditation" – the highest level of accreditation possible – from the National Committee for Quality Assurance (NCQA), an independent, non-profit organization that measures the quality of America's health care.

Today, the Health Plan offers two benefit plans to Federal members, the High and Standard Options. Both Options are designed to include preventive and acute care services provided by our Plan providers, but offer different levels of benefits and services for you to choose between to best fit your health care needs. Each option offers unique features.

High Option

Our High Option provides comprehensive benefits. It includes:

- No copays for all primary care visits for children under age 5
- No copays for preventive care for adults and children
- \$10 per visit to your primary care physician (PCP) for diagnostic services
- \$20 per visit to a specialist for diagnostic services
- \$100 per admission for inpatient admissions
- \$7 per prescription or refill for covered generic drugs obtained at a Plan medical center pharmacy; \$17 per prescription or refill for covered generic drugs obtained at an affiliated network pharmacy
- \$25 per prescription or refill for preferred brand name drugs obtained at a Plan medical center pharmacy; \$45 per prescription or refill for preferred brand name drugs obtained at an affiliated network pharmacy
- Preventive dental

Standard Option

We also offer a Standard Option. With the Standard Option your co-payments may be higher than the High Option, but the bi-weekly premium is lower. Specific benefits of our FEHB Standard Option include:

- No copays for all primary care visits for children under age 5
- No copays for preventive care for adults and children
- \$20 per visit to your primary care physician (PCP) for diagnostic services
- \$30 per visit to a specialist for diagnostic services

- \$250 per day for inpatient admissions (\$750 maximum per admission)
- \$12 per prescription or refill for covered generic drugs obtained at a Plan medical center pharmacy; \$22 per prescription or refill for covered generic drugs obtained at an affiliated network pharmacy
- \$30 per prescription or refill for preferred brand name drugs obtained at a Plan medical center pharmacy; \$50 per prescription or refill for preferred brand name drugs obtained at an affiliated network pharmacy
- Preventive dental

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and we cover them only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- We have no calendar year deductible for Medical services and supplies.
- Be sure to read Section 4, *Your cost for covered services*, for valuable information about how cost sharing works. Also read Section 9, Coordinating benefits with other coverage, including with Medicare. Different copayments apply for primary care visits and specialty care visits.
- **YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR SOME MEDICAL SERVICES AND SUPPLIES PROVIDED BY PHYSICIANS AND OTHER HEALTH CARE PROFESSIONALS.** Please refer to the precertification section shown in Section 3 to be sure which services require precertification and which supplies require precertification.

Section 5(b). Surgical and anesthesia services provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- We have no calendar year deductible for Surgical and anesthesia services.
- Be sure to read Section 4, *Your cost for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by a physician or other health care professional for your surgical care. Look in Section 5(c) for charges associated with the facility (i.e. hospital, surgical center, etc.).
- **YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR SOME SURGICAL PROCEDURES.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification and identify which surgeries require precertification.

Benefit Description	You pay	
	High Option	Standard Option
Surgical procedures		
A comprehensive range of services, such as:	\$20 per surgery or procedure in a medical office	\$30 per surgery or procedure in a medical office
• Operative procedures		
• Treatment of fractures, including casting	\$75 per surgery or procedure in an outpatient hospital or ambulatory surgery center	\$150 per surgery or procedure in an outpatient hospital or ambulatory surgery center
• Normal pre- and post-operative care by the surgeon		
• Correction of amblyopia and strabismus		
• Diagnostic colonoscopy procedures	\$100 per inpatient admission for hospital charges	\$250 per day up to \$750 maximum per inpatient admission for hospital charges
• Endoscopy procedures		
• Biopsy procedures		
• Removal of tumors and cysts		
• Foot surgery including open cutting surgery to remove bunions and spurs		
• Correction of congenital anomalies (see <i>Reconstructive surgery</i>)		
• Surgical treatment of morbid obesity (bariatric surgery). You must:		
- be 18 years of age or older; and		
- satisfy the requirements of bariatric surgery nutrition preparation; and		
- not be excluded due to a history alcohol or drug abuse within the past 2 years or have certain behavioral health diagnoses; and

Section 5(d). Emergency services/accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We have no calendar year deductible for Emergency services/accidents.
- Be sure to read Section 4, *Your cost for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

In a life threatening emergency-call the local emergency system (e.g., the local 911 telephone system). When the operator answers, stay on the phone and answer all questions. If you are not sure whether you are experiencing a medical emergency, please contact our Emergency Line at 800-677-1112.

Emergencies within our service area:

Emergency care is provided at Plan Hospitals 24 hours a day, seven days a week.

If you think you have a medical emergency condition and you cannot safely go to a Plan Hospital, call 911 or go to the nearest hospital. Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member must notify us within 48 hours, or as soon as is reasonably possible, by calling 703-359-7878 inside the Washington, DC metropolitan area or toll free 800-777-7904. Our TTY is 703-359-7616 or 800-700-4901.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify us within that time. If you are hospitalized in non-Plan facilities and Plan physicians believe care can be better provided in a Plan Hospital, we will transfer you when medically feasible, with any ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

Emergencies outside our service area:

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, the Plan must be notified within 48 hours or as soon as is reasonably possible. If a Plan physician believes care can be better provided in a Plan Hospital, we will transfer you when medically feasible, with any ambulance charges covered in full.

You may obtain emergency and urgent care services from Kaiser Permanente medical facilities and providers when you are in the service area of another Kaiser Permanente plan. The facilities will be listed in the local telephone book under Kaiser Permanente. These numbers are available 24 hours a day, seven days a week. You may also obtain information about the location of facilities by calling the dedicated Federal Membership Services department at 1-877-KP4-FEDS (1-877-574-3337). Our TTY telephone number is 301-879-6380.

Section 5(e). Mental health and substance abuse benefits

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary to treat your condition.
- We have no calendar year deductible for Mental health and substance abuse benefits.
- Be sure to read Section 4, *Your cost for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- Plan physicians must provide or arrange your care. Call our Behavioral Health Access Unit at 866-530-8778 to make arrangements.
- **YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR HOSPITAL STAYS.** Please refer to Section 3 to be sure which services require precertification.

Limitation

We may limit your benefits if you do not obtain a treatment plan.

Section 5(f). Prescription drug benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on page 52.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and we cover them only when we determine they are medically necessary.
- Be sure to read Section 4, *Your cost for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A plan physician, authorized provider, or licensed contracted dentist must write the prescription.
- **Where you can obtain them.** If you are enrolled in the High Option or the Standard Option plan, you must fill the prescription at a Plan pharmacy, an affiliated network pharmacy, or by the Plan mail service delivery program. We will pay for prescriptions written by a non-Plan physician and filled at a non-Plan pharmacy only when the prescription was given during a hospital emergency room visit or an urgent care visit outside the service area.
- **We use a preferred drug list.** Our preferred drug list (formulary) is a list of prescribed drugs (generic and preferred brand name) and accessories that have been approved by our Pharmacy and Therapeutics Committee for our Members. The preferred drug list contains both generic and brand name drugs. Brand name drugs that are not on our preferred drug list, known as non-preferred drugs, are available under the benefit at a higher copayment.

Our Pharmacy and Therapeutics Committee, which is comprised of Plan physicians, Plan providers, and our pharmacists, selects prescription drugs and accessories for the preferred drug list (formulary) based on a number of factors, including safety and effectiveness as determined from a review of medical literature and research. In addition, the Committee sets dispensing limitations in accord with therapeutic guidelines based on the medical literature and research. The Pharmacy and Therapeutics Committee meets periodically to consider adding and removing prescribed drugs and accessories on the preferred drug list (formulary).

If you would like information about whether a particular drug or accessory is included in our preferred drug list (formulary), please visit us on line at <http://kp.org/feds>, or call our dedicated Federal Member Services Department at 1-877-KP4-FEDS (1-877-574-3337). Our TTY telephone number is 301-879-6380.

- **These are the dispensing limitations.** We provide up to a 30-day supply for one copayment based upon (a) the prescribed quantity, (b) the standard manufacturer's package size, (c) specified dispensing limits, (d) the type of drug, and (e) the place of purchase. We provide up to a 90-day supply of maintenance drugs for two mail service delivery copayments when ordered through our Plan's mail service delivery program. A maintenance drug is a drug that your physician anticipates you will require for 6 months or more to treat a chronic condition. Plan members called to active military duty (or members in time of national emergency) who need to obtain prescribed medications should call our dedicated Federal Member Services Department at 1-877-KP4-FEDS (1-877-574-3337).

Generic vs. brand name drugs

Why use generic drugs? Unless otherwise specified by your Plan physician or dentist, generic drugs may be used to fill prescriptions. Kaiser Permanente providers have successfully included the use of generic drugs as part of patient care without compromising quality. Generic drugs offer a safe and economic way to meet your medication needs. They are less expensive than brand name drugs - therefore you may reduce your out-of-pocket costs by choosing to use a generic drug. Generic drugs must contain the same active ingredients and be equivalent in strength and dosage to the original brand name product. The U. S. Food and Drug Administration and also Kaiser Permanente set criteria for the use of generic drugs to ensure that they meet the same standards of purity, strength and quality as brand-name drugs. They are expected to have the same therapeutic effect as the brand name product. Not all drugs have a generic equivalent. If a generic drug is unavailable, the appropriate brand copayment will apply.

Brand name drugs will be covered only when:

- (1) prescribed by a plan physician, authorized provider, or by a licensed, contracted dentist; and
- (2) (a) there is no equivalent generic drug, or (b) an equivalent generic drug
 - has been ineffective in treating the disease or condition of the Member; or
 - has caused or is likely to cause an adverse reaction or other harm to the member.

If you request a brand name drug for any reason other than those listed above, you will be responsible for the full charge for that drug.

Preferred brand name vs. non-preferred brand name drugs

Plan Pharmacies will use drugs from the preferred drug list unless prohibited by the prescribing provider.

Non-preferred brand name drugs will be covered only when:

- (1) prescribed by a plan physician, authorized provider, or by a licensed, contracted dentist; and
- (2) (a) there is no equivalent generic drug, or (b) an equivalent generic drug
 - has been ineffective in treating the disease or condition of the Member; or
 - has caused or is likely to cause an adverse reaction or other harm to the member.

If you request a brand name drug for any reason other than those listed above, you will be responsible for the full charge for that drug.

Specialty drugs

Specialty drugs are a class of prescription drugs as designated by Kaiser Permanente that are unique, high cost prescription drugs. A list of specialty drugs may be obtained by contacting the Member Services Call Center or viewing our website at www.kaiserpermanente.org.

When you do have to file a claim. When you receive drugs from a Plan pharmacy, you do not have to file a claim. For a covered out-of-area emergency, you will need to file a claim when you receive drugs from a non-Plan pharmacy. To file a claim, you should contact the Plan's dedicated Federal Member Services Department at 1-877-KP4-FEDS (1-877-574-3337) and obtain a claim form. Our TTY is 301-879-6380. A claim for reimbursement must be submitted to the Plan within 12 months after you purchased the prescribed drugs. Members must pay full price for the drug and then submit a claim for reimbursement subject to the terms and conditions of the Plan.

Section 5(g). Dental benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payer of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- Plan dentists must provide or arrange your care.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOUR DENTAL PROVIDER MUST GET PRECERTIFICATION FOR DENTAL SERVICES COVERED UNDER THE MEDICAL PLAN.** Please refer to Section 3 to be sure which services require precertification.

Discounted Fee - Dental Benefits

For High Option and Standard Option plan members, Kaiser Permanente has entered into an Agreement with Dominion Dental Services USA, Inc. (hereinafter "DOMINION") under which DOMINION will provide or arrange for the provision of covered dental services to you through Participating Dental Providers.

- You will pay a fixed rate of \$30 for each preventive dental care office visit which includes oral evaluation, cleaning and certain x-ray procedures. You will pay discounted fees for other covered dental services. For a complete list of covered dental services, a schedule of discounted dental fees, limitations, exclusions and a directory of Participating Dental Providers, refer to your Kaiser Permanente Dental Plan booklet. You can obtain a Dental Plan booklet by calling our dedicated Federal Member Services Department at 1-877-KP4-FEDS (1-877-574-3337). Our TTY is 301-879-6380.
- All dental procedures listed in the schedule of discounted fees are covered dental services. When you receive any of the listed procedures from a Participating Dental Provider, you will pay the fee listed next to the procedure description for that service. The Participating Dental Provider has agreed to accept that fee as payment in full for that procedure. Neither Kaiser Permanente nor DOMINION are liable for payment of these fees or for any fees incurred as the result of receipt of non-covered dental services.
- DOMINION offers a large network of general dentists in our service area. You may select a Participating Dental Provider, who is a "general dentist", from whom you and your eligible family members will receive covered dental services. For specialty care, your general dentist must refer you to a specialist who is a Participating Dental Provider. Your discounted fees are higher for care received by a Participating Dental Provider who is a specialist. Please refer to the discounted schedule of fees in your Dental Plan booklet for specialists' fees.

- When a dental emergency occurs outside our service area, Kaiser Permanente will reimburse you for the reasonable charges, less any discounted fee, upon proof of payment, not to exceed \$50 per incident. We cover emergency dental treatment required to alleviate pain, bleeding, or swelling. If post-emergency care is required, you must receive all post-emergency care from your Participating Dental Provider.
- For assistance concerning dental coverage questions or for help finding a Participating Dental Provider, DOMINION Member Services Specialists are available Monday through Friday from 8:00 a.m. to 6:00 p.m. 703-518-5338 or toll-free at 1-888-518-5338. The TTY is 1-800-688-4889 or hearing-impaired members may use the internet at www.IP-RELAY.com. In addition, DOMINION's Integrated Voice Response System is available 24 hours a day for information about Participating Dental Providers in your area or to help you select a Participating Dental Provider. The most up-to-date list of Participating Dental Providers can be found at www.dominiondental.com/Kaiserdentists. DOMINION also provides many other secure service features online at www.dominiondental.com.

Section 5(h). Special features

Feature	Description
24 hour advice line	For any of your health concerns, 24 hours a day, 7 days a week, you may call 703-359-7878 inside the Washington, DC metropolitan area or 800-777-7904 outside the Washington, DC metropolitan area or call our TTY at 703-359-7616 or 800-700-4901 and talk with a registered nurse who can help assess medical symptoms and provide advice over the phone, when medically appropriate.
Centers of Excellence	<p>The Centers of Excellence program began in Fall 1987. As new technologies proliferate and become the standard of care, Kaiser Permanente refers members to contracted “Centers of Excellence” for certain specialized medical procedures.</p> <p>We have developed a nationally contracted network of Centers of Excellence for organ transplantation, which consists of medical facilities that have met stringent criteria for quality care in specific procedures. A national clinical and administrative team has developed guidelines for site selection, site visit protocol, volume and survival criteria for evaluation and selection of facilities. The institutions have a record of positive outcomes and exceptional standards of quality.</p>
Flexible benefits option	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to traditional care and coordinate other treatments as a less costly alternative benefit. • We review alternative treatments on an ongoing basis. • By approving an alternative treatment, we cannot guarantee you will get it in the future. • The decision to offer an alternative treatment is solely ours, and we may withdraw it at any time and resume regular contract benefits. • Our decision to offer or withdraw alternative treatments is not subject to OPM review under the disputed claims process.
Services for the deaf, hard of hearing or speech impaired	We provide TTY/text telephone numbers: 703-359-7616 inside the Washington, DC metropolitan area or 800-700-4901 outside the Washington DC Metropolitan area. Sign language services are also available.
Services from other Kaiser Permanente or allied plans	<p>When you visit a different Kaiser Foundation Health Plan or allied plan service area temporarily (not more than 90 days), you can receive visiting member care from designated providers in that area. Visiting member care is described in our visiting member brochure. Visiting member care and your out-of-pocket costs may differ from the covered services, copayments and coinsurance described in this FEHB brochure. The 90-day limit on visiting member care does not apply to a dependent child who attends an accredited college or accredited vocational school.</p> <p>Please call our dedicated Federal Member Services department at 1-877-KP4-FEDS (1-877-574-3337). Our TTY at 301-879-6380, to receive more information about visiting member care, including facility locations in other service areas. Service areas and facilities where you may obtain visiting member care may change at any time.</p>
Travel benefit	<p>Kaiser Permanente’s travel benefits for Federal employees provides you with outpatient follow-up and/or continuing medical care when you are temporarily (for example, on a temporary work assignment or attending school) outside your home service area by more than 100 miles and outside of any other Kaiser Permanente service area. These benefits are in addition to your emergency services/accident benefit and include:</p> <ul style="list-style-type: none"> • Outpatient follow-up care necessary to complete a course of treatment after a covered emergency. Services include removal of stitches, a catheter, or a cast.

- Outpatient continuing care for covered services for conditions diagnosed and treated within the previous 90 days by a Kaiser Permanente health care provider or affiliated Plan provider. Services include dialysis and prescription drug monitoring.

You pay \$25 for each follow-up or continuing care office visit. This amount will be deducted from the reimbursement we make to you or to the provider. We limit our payment for this travel benefit to no more than \$1,200 each calendar year. For more information about this benefit you should contact the Plan's dedicated Federal Member Services Department at 1-877-KP4-FEDS (1-877-574-3337). Our TTY is 301-879-6380. File claims as shown in Section 7.

The following are a few examples of services not included in your travel benefits coverage:

- Non-emergency hospitalization
- Infertility treatments
- Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area
- Transplants
- Durable medical equipment (DME)
- Prescription drugs
- Home health services

Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, and you cannot file an FEHB disputed claim about them. Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums. These programs and materials are the responsibility of the plan, and all complaints must follow their guidelines. For additional information contact the plan at 1-877-KP4-FEDS (1-877-574-3337).

Medicare Prepaid Plan Enrollment

We offer Medicare recipients the opportunity to enroll in our Plan through Medicare. Annuitants and former spouses with FEHB coverage and Medicare Parts A and B or Part B only may elect to either drop their FEHB coverage and enroll in a Medicare prepaid plan or remain enrolled in the FEHB Program and simultaneously enroll in the Medicare prepaid plan when one is available in their area. If you choose to disenroll from the FEHB Program you may then later re-enroll in the FEHB Program. Before you drop your FEHB coverage and apply for coverage in the Medicare prepaid plan, please contact us at 301-816-6143.

Expanded Dental Benefits

We are pleased to offer you an additional choice of dental coverage through Delta Dental, a national dental provider. The Delta Dental program is designed to enhance the level of dental benefits that you currently receive. The Delta Dental program pays for covered dental services based on a table of allowances program (procedural maximums). The Delta Dental program offers a full range of covered services: diagnostic, preventive, restorative, endodontics, periodontics, oral surgery, and both fixed and removable prosthodontics. Orthodontic coverage is not available. There is no deductible for diagnostic and preventive services, but annual deductibles apply to other covered services. Benefits are enhanced progressively for each of the first three years that you remain a member of Kaiser Permanente's federal program and continue subscribing to the Delta Dental plan.

You may choose any dentist you wish, but you can save money by visiting a Delta Dental participating dentist. The Delta Dental program gives you access to two dentist networks at once. You can save the most money when you visit a dentist who participates in the Delta Dental PPO dentist network. You can also save money when you visit a dentist who participates in the Delta Dental Premier network. Use of non-participating dentists does not guarantee you savings.

The Delta Dental program is only available to you when you are enrolled in Kaiser Permanente's Plan for the FEHB. You do not need to purchase the Delta Dental program to receive the basic dental coverage included in the Kaiser Permanente Plan. Payroll deduction is not available for the Delta Dental program. You will make premium payments directly to Delta Dental.

How to Enroll: An enrollment form is included in the Delta Dental information packet that is part of your Kaiser Permanente enrollment kit. If you have any questions about the Delta Dental program, please call Delta Dental at 800-932-0783.

Monthly Premiums:	
Employee Only	\$18.45
Employee and One Dependent	\$33.45
Employee and Family	\$52.45

Healthy Living Programs

In order to maximize your overall health and wellness, we also offer you discounted fitness memberships, special low prices on NutriSystem® and exclusive discounts on at-home fitness equipment and videos. With GlobalFit, joining a gym has never been easier -- or cheaper. You can choose from over 2,000 fitness centers from well-known national chains to independent clubs all with the lowest rates and most flexible membership options. To search for a health club near you or for more information on NutriSystem or exercise equipment and videos, contact GlobalFit at (800) 294-1500 or visit them on the web at www.globalfit.com/Kaiser.

Health Education Classes

In order to aid members in their quest for better health, the Plan makes available a variety of general health education classes such as prenatal, weight management, smoking cessation and stress management classes. To take advantage of these services, a Member need only identify himself/herself as a Plan member by showing his/her ID card and pay the providers' fee at the time of service.

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

We do not cover the following:

- When a service is not covered, all services, drugs, or supplies related to the non-covered service are excluded from coverage, except services we would otherwise cover to treat complications of the non-covered service;
- Care by non-Plan providers except for authorized referrals, emergencies, travel benefit, or services from other Kaiser Permanente plans (see Emergency services/accidents and Special features);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants);
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies you receive without charge while in active military service;
- Services, drugs, or supplies related to sex transformations; or
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical, hospital and drug benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB-92 form. For claims questions and assistance, call us at 1-877-KP4-FEDS (1-877-574-3337). Our TTY telephone number is 301-879-6380.

When you must file a claim – such as for services you received outside the Plan’s service area – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your claims to:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.
Attention: Claims Department
P.O. Box 6233
Rockville, Maryland 20849-6233

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for precertification/prior approval required by Section 3.

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ol style="list-style-type: none">Write to us within 6 months from the date of our decision; andSend your request to us at: Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., 2101 East Jefferson Street, Rockville, MD 20852, Attn: Member Services Appeals Unit; andInclude a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andInclude copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.
2	<p>We have 30 days from the date we receive your request to:</p> <ol style="list-style-type: none">Pay the claim (or, if applicable, arrange for the health care provider to give you the care); orWrite to you and maintain our denial - go to step 4; orAsk you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.
3	<p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p>
4	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none">90 days after the date of our letter upholding our initial decision; or120 days after you first wrote to us - if we did not answer that request in some way within 30 days; or120 days after we asked for additional information. <p>Write to OPM at: United States Office of Personnel Management, Insurance Services Programs, Health Insurance Group 3, 1900 E Street, NW, Washington, DC 20415-3630.</p> <p>Send OPM the following information:</p> <ul style="list-style-type: none">A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;Copies of all letters you sent to us about the claim;Copies of all letters we sent to you about the claim; andYour daytime phone number and the best time to call. <p>Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.</p>

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

a) We haven't responded yet to your initial request for care or precertification/prior approval, then call us Monday through Friday at 1-877-KP4-FEDS (1-877-574-3337). Our TTY is 301-879-6380. Weekends and holidays, please call 703-359-7878 inside the Washington, DC metropolitan area or 800-777-7904 outside the Washington, DC metropolitan area. Our weekend TDD numbers are 703-359-7616 or toll free at 800-700-4901. We will expedite our review; or

b) We denied your initial request for care or precertification/prior approval, then:

– If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or

– You may call OPM's Health Insurance Group 3 at 202-606-0737 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan, prescription drug plan, or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage”.

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance. If we are the secondary payer, and you receive your services from Plan providers, we may bill the primary carrier.

What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age or older;
- Some people with disabilities under 65 years of age; and
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.
- Part C (Medicare Advantage). You can enroll in another plan’s Medicare Advantage plan to get your Medicare benefits.
- We offer a Medicare Cost Managed Care Plan known as Kaiser Permanente Medicare Plus (an 1876 Medicare Cost Plan which includes coverage for Part D). Please review the information on coordinating benefits with a Medicare Managed Care Plan on page 67.
- Part D (Medicare prescription drug coverage). Most people pay a monthly premium for Medicare Prescription Drug (Part D) coverage. When you are enrolled in Kaiser Permanente Medicare Plus, Part D is included in your plan automatically at no additional charge. If you have limited savings and a low income, you may be eligible for Medicare’s Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about our prescription drug coverage and Medicare. The notice is on the first page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

Please refer to the Medicare Plus Annual Notice of Change (ANOC) or Evidence of Coverage for the complete details of your additional benefits with Kaiser Permanente's Medicare Plus plan, which includes Part D.

- **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213 to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage.

- **If you enroll in Medicare Part B**

If you enroll in Medicare Part B, we require you to assign your Medicare Part B benefits to the Plan for its services. Assigning your benefits means you give the Plan written permission to bill Medicare on your behalf for covered service you receive in network. You do not lose any benefits or entitlements as a result of assigning your Medicare Part B benefits.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

If a physician does not participate in Medicare, you will have to file a claim with Medicare. This does not apply if you receive your care from Kaiser Permanente providers.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payer, we process the claim first.

When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, please call toll free, at 888-777-5536, seven days a week, from 8 a.m. to 8 p.m. If hearing impaired, our toll free TTY telephone number is 866-513-0008. You may visit our web site at <http://kp.org/feds>.

We do not waive any costs if the Original Medicare Plan is your primary payer.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in another plan's Medicare Advantage plan to get your Medicare benefits. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare Cost Managed Care plan**

You may enroll in our Medicare Cost Managed Care plan known as Kaiser Permanente Medicare Plus. We offer Kaiser Permanente Medicare Plus at no additional cost to our members eligible for Medicare benefits including Part D, as well as lower copayments and coinsurance at no cost to you. If you have already enrolled and would like to understand your additional benefits in more detail, please refer to your Medicare Annual Notice of Change (ANOC). If you are considering enrolling in our Medicare Plus plan, please call Member Services toll free, at 888-777-5536, seven days a week, from 8 a.m. to 8 p.m. If hearing impaired, our toll free TTY telephone number is 866-513-0008.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payer, we process the claim first. If you enroll in Medicare Part D and we are the secondary payer, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under this Kaiser Permanente FEHB plan.

If you enroll in a Part D Prescription Drug Plan (PDP), you can not get your Part D benefits in pharmacies owned and operated by Kaiser Permanente. We will review your prescription drug claims that are not covered by your PDP for payment in accordance with your Kaiser Permanente FEHB coverage. Please refer to page 50 of your brochure for additional information about your FEHB prescription drug coverage. If you enroll in our Medicare Plus plan, your Part D benefits are included and coordination of benefits will not be required.

Medicare always makes the final determination as to whether they are the primary payer. The following chart illustrates whether Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

Primary Payer Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payer for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee or through your spouse who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #1 above	✓	
4) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and... • You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
5) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #1 above	✓	
6) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
7) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty	✓ *	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and • It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and • This Plan was the primary payer before eligibility due to ESRD		✓ for 30-month coordination period
• Medicare was the primary payer before eligibility due to ESRD	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse		
	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

Workers' Compensation

We do not cover services that:

- You need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. See Section 4.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See Section 4.
Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	(1) Assistance with activities of daily living, for example, walking, getting in and out of bed, dressing, feeding, toileting, and taking medicine. (2) Care that can be performed safely and effectively by people who, in order to provide the care, do not require medical licenses or certificates or the presence of a supervising licensed nurse. Custodial care that lasts 90 days or more is sometimes known as long term care.
Deductible	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See Section 4.
Experimental or investigational service	<p>We do not cover a service, supply, item or drug. A service, supply, item or drug that we consider experimental. We consider a service, supply, item or drug to be experimental when the services, supply, item or drug:</p> <ul style="list-style-type: none">(1) has not been approved by the FDA; or(2) is the subject of a new drug or new device application on file with the FDA; or(3) is available as the result of a written protocol that evaluates the service's safety, toxicity, or efficacy; or(4) is subject to the approval or review of an Institutional Review Board; or(5) requires an informed consent that describes the service as experimental or investigational. <p>We carefully evaluate whether a particular therapy is safe and effective or offers a degree of promise with respect to improving health outcomes. The primary source of evidence about health outcomes of any intervention is peer-reviewed medical literature.</p>
Group health coverage	Health care benefits that are available as a result of your employment, or the employment of your spouse, and that are offered by an employer or through membership in an employee organization. Health care coverage may be insured or indemnity coverage, self-insured or self-funded coverage, or coverage through health maintenance organizations or other managed care plans. Health care coverage purchased through membership in an organization is also "group health coverage."

Medically necessary

All benefits need to be medically necessary in order for them to be covered benefits. Generally, if your Plan physician provides the service in accord with the terms of this brochure, it will be considered medically necessary. However, some services are reviewed in advance of your receiving them to determine if they are medically necessary. When we review a service to determine if it is medically necessary, a Plan physician will evaluate what would happen to you if you do not receive the service. If not receiving the service would adversely affect your health, it will be considered medically necessary. The services must be a medically appropriate course of treatment for your condition. If they are not medically necessary, we will not cover the services. In case of emergency services, the services that you received will be evaluated to determine if they were medically necessary.

Our allowance

The amount we use to determine your coinsurance. When you receive services or supplies from Plan providers, it is the amount that we set for the services or supplies if we were to charge for them. When you receive services from non-Plan providers, it is either the amount that we have negotiated with the non-Plan provider or the amount required by law.

Us/We

Us and We refer to Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

You

You refers to the enrollee and each covered family member.

Section 11. FEHB Facts

Coverage information

- **No pre-existing condition limitation**

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

- **Where you can get information about enrolling in the FEHB Program**

See www.opm.gov/insure/health for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies who participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

- **Types of coverage available for you and your family**

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when family members are added or lose coverage for any reason, including your marriage, divorce, annulment, or when your child under age 22 turns age 22 or has a change in marital status, divorce, or when your child under age 22 marries.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

- **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

• **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2008 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2007 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

• **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

• **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy).

- **Upon divorce** If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse’s enrollment. This is the case even when the court has ordered your former spouse to provide health coverage to you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse’s employing or retirement office to get RI 70-5, the *Guide To Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM’s Web site, www.opm.gov/insure.

- **Temporary Continuation of Coverage (TCC)** If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage** You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage** The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the “TCC and HIPAA” frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 12. Three Federal Programs complement FEHB benefits

Important information

OPM wants to be sure you are aware of three Federal programs that complement the FEHB Program.

First, the **Federal Long Term Care Insurance Program (FLTCIP)** helps cover long term care costs, which are not covered under the FEHB Program.

Second, the **Federal Flexible Spending Account (FSA) Program**, also known as **FSAFEDS**, lets you set aside pre-tax money to pay for health and dependent care expenses. The result can be a discount of 20% to more than 40% on services you routinely pay for out-of-pocket.

Third, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)**, provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any qualified dependents.

The Federal Long Term Care Insurance Program – *FLTCIP*

It's important protection

The Federal Long Term Care Insurance Program (FLTCIP) can help you pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). To request an Information Kit and application, call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

The Federal Flexible Spending Account Program – *FSAFEDS*

What is an FSA?

It is a tax-favored benefit that allows you to set aside pre-tax money from your paychecks to pay for a variety of eligible expenses. **Annuitants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250 and a maximum annual election of \$5,000.

- **Health Care FSA (HCFSA)** – Pays for eligible health care expenses (such as copayments, deductibles, over-the-counter medications and products, vision and dental expenses, and much more) for you and your dependents which are not covered or reimbursed by FEHB or FEDVIP coverage or any other insurance.
- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your dependents, which are not covered or reimbursed, by FEHB or FEDVIP coverage or any other insurance.
- **Dependent Care FSA (DCFSA)** – Pays for eligible dependent care expenses for your child(ren) under age 13 or for dependants unable to care for themselves that allow you (and your spouse if married) to work, look for work (as long as you have earned income for the year), or attend school full-time.

Where can I get more information about FSAFEDS?

Visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern Time. TTY: 1-800-952-0450.

The Federal Employees Dental and Vision Insurance Program – *FEDVIP*

Important Information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is a program, separate and different from the FEHB Program, established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004. This Program has no pre-existing condition limitations. FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Premiums are withheld from salary on a pre-tax basis.

Dental Insurance

Dental plans provide a comprehensive range of services, including all the following:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 24-month waiting period.

Vision Insurance

Vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information

You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/insure/dentalvision. This site also provides links to each plan's website, where you can view detailed information about benefits and preferred providers.

How do I enroll?

You enroll on the Internet at www.BENEFEDS.com. For those without access to a computer, call 1-877-888-3337 (TTY number, 1-877-889-5680).

Protection against catastrophic costs (out-of-pocket maximum):	Nothing after \$3,000/Self Only or \$6,000/Family enrollment per year. Some costs do not count toward this protection	14

Notes

Notes

Notes

2008 Rate Information for Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the *Guide to Federal Benefits* for that category or contact the agency that maintains your health benefits enrollment.

Postal Category 1 rates apply to certain career non-law enforcement Postal Service employees. **Postal Category 2 rates** apply to other career non-law enforcement Postal Service employees. *PostalEASE*, the employee self-service system used for FEHB enrollment, automatically provides the applicable premium to individual employees. Career non-law enforcement employees may also refer to the *Guide to Federal Benefits for United States Postal Service Employees*, RI 70-2, to determine their rates.

Different rates apply and a special Guide is published for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

For further assistance, Postal Service employees should call:

Human Resources Shared Service Center
1-877-477-3273, Option 5
TTY: 1-866-260-7507

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *Guide to Federal Benefits*.

Type of Enrollment	Enrollment Code	Non-Postal Premium				Postal Premium	
		Biweekly		Monthly		Biweekly
