2009

A Health Maintenance Organization

Serving: South Florida, Tampa and Atlanta, GA Area

Enrollment in this Plan is limited. You must live or work in our geographic service area to enroll. See page 8 for requirements.

Enrollment codes for this Plan:

South Florida:

- EE1 High Option - Self Only
- EE2 High Option - Self and Family
- EE4 Standard Option - Self Only
- EE5 Standard Option - Self and Family

Tampa:

- LL1 High Option - Self Only
- LL2 High Option - Self and Family
- LL4 Standard Option - Self Only
- LL5 Standard Option - Self and Family

Atlanta:

- DG1 High Option - Self Only
- DG2 High Option - Self and Family
- DG4 Standard Option - Self Only
- DG5 Standard Option - Self and Family

This plan has accreditation from NCQA.
See the 2009 Guide for more information on accreditation.

Special notice: This plan is offered in the Atlanta area for the first time under the Federal Employees Health Benefits Program during 2009.

Authorized for distribution by the:

**United States
Office of Personnel Management**
Center for
Retirement and Insurance Services
<http://www.opm.gov/insure>

RI 73-278

**Important Notice from Humana About
Our Prescription Drug Coverage and Medicare**

OPM has determined that Humana's prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Credible Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and Humana will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB program.

Please be advised

If you lose or drop your FEHB coverage, you will have to pay a higher Part D premium if you go without equivalent prescription drug coverage for a period of 63 days or longer. If you enroll in Medicare Part D at a later date, your premium will increase 1 % per month for each month you did not have equivalent prescription drug coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what most other people pay. You may also have to wait until the next open enrollment period to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

Introduction

This brochure describes the benefits of Humana Medical Plan, Inc. and Humana Employers Health Plan of Georgia Inc. under our contract (CS 2110) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. The addresses for Humana Medical Plan, Inc. administrative offices are:

In South Florida

Humana Medical Plan, Inc.
3401 S.W. 160th Avenue
Second Floor
Miramar, Florida 33027

In Tampa:

Humana Medical Plan, Inc
5401 W Kennedy Boulevard
Suite 161
Tampa, Florida 33609

In Atlanta

Humana Employers Health Plan of Georgia, Inc
900 Ashwood Parkway
Atlanta, Georgia 30338

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2009, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2009, and changes are summarized on page 9. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means Humana Medical Plan, Inc.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM’s “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehwebcomments@opm.gov. You may also write to OPM at the U.S. Office of Personnel Management, Insurance Services Programs, Program Planning & Evaluation Group, 1900 E Street, NW, Washington, DC 20415-3650.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care providers, authorized health benefit plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

Call the provider and ask for an explanation. There may be an error.

If the provider does not resolve the matter, call us at 1-800-4HUMANA and explain the situation.

If we do not resolve the issue:

**CALL - THE HEALTH CARE FRAUD HOTLINE
202-418-3300**

OR WRITE TO:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

Preventing medical mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines that you take, including non-prescription (over-the-counter) medicines.
- Tell them about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"

- Ask your surgeon:

Exactly what will you be doing?
About how long will it take?
What will happen after surgery?
How can I expect to feel during recovery?

- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications you are taking.

Section 1. Facts about this HMO Plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments and coinsurance described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

Who provides my health care?

Humana Medical Plan, Inc. offers members an extensive choice of primary care physicians. Humana contracts with both private office physicians and with physician groups. You should expect to receive specialty care from providers within Humana's HMO network. Referrals are required for all specialty services except mental health, chiropractic care, podiatrists, dermatologists (up to 5 visits per calendar year), and annual well woman's exam.

Catastrophic protection

We protect you against catastrophic out-of-pocket expenses for covered services. With the High Option Plan, after your copayments total \$1,500 for self or \$3,000 self and family enrollment in any calendar year, you do not have to pay any more for covered services. For the Standard Option Plan, you do not have to pay any more when your copayments total \$2,500 for self, or \$5,000 for self and family enrollment.

However, copayments for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments for these services:

- Prescription drugs

Be sure to keep accurate records of your copayments and coinsurance since you are responsible for informing us when you reach the maximum

Your rights

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM's FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Nationally, Humana has been in the health care business since 1961.
- Locally, Humana Medical Plan has been in existence since 1987.
- Humana is a for profit corporation which is publicly traded on the New York Stock Exchange (NYSE).

If you want more information about us, call 1-800-4HUMANA, or write to the Plan at P.O. Box 14602, Lexington, KY 40512-4602. You may also visit our Web site at feds.humana.com.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is:

The South Florida counties of Broward, Miami/Dade and Palm Beach.

The Tampa area counties of Citrus, Hernando, Pasco, Pinellas, Hillsborough, Polk and Manatee.

The Atlanta area counties of Banks, Barrow, Bartow, Butts, Cherokee, Clark, Clayton, Cobb, Coweta, Dekalb, Douglas, Fayette, Floyd, Forsyth, Fulton, Gwinnett, Hall, Henry, Jackson, Lamar, Madison, Newton, Paulding, Polk, Rockdale, Spalding and Walton.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we Change for 2009

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to this Plan

- **South Florida**, your share of the High Option, non-postal premium will increase for Self Only and increase for Self and Family. (See page 65)
- **Tampa**, your share of the High Option, non-postal premium will decrease for Self Only and decrease for Self and Family. (See page 65)
- New for 2009, we are offering a High Option and a Standard Option in the **Atlanta** area. (See page 8)
- Your infertility benefit will change from 50% after the plan pays the first \$2000 to 50% of charges. (See page 19)
- Your mail order prescription drug program copay for a 90 day supply of prescribed maintenance drugs will change from 3 times applicable copay to 2.5 times applicable copay. (See page 38)

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1-800-426-2173 or write to us at P. O. Box 14602, Lexington, KY 40512-4602. You may also request replacement cards through our Web site at feds.humana.com.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments or coinsurance, and you will not have to file claims.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our Web site at feds.humana.com.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our Web site at feds.humana.com.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician by sending a selection form to the Plan. This decision is important since your primary care physician provides or arranges for most of your health care. You may choose your primary care physician from our Provider Directory or our website, or you may call us for assistance.

- **Primary care**

Your primary care physician can be a general practitioner, family practitioner, internist, or pediatrician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist. You may select the specialist from our HMO network.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

If you are receiving services from a doctor who leaves the Plan, we will provide payment for covered services until we can make reasonable and medically appropriate provisions for the assumption of such services by a participating doctor.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. You may choose the specialist from our HMO network.

When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral. On referrals, the primary care doctor will give specific instructions to the consultant as to what services are authorized. However, you may see the following participating providers without a referral:

Florida

- Mental health providers
- OB/GYN providers for your annual well-woman exam

- Podiatrists
- Chiropractors
- Dermatologists (for up to five visits each calendar year)

Georgia

- Ophthalmology
- OB/GYN providers for your annual well-woman exam
- Dermatologists

Here are some other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - Terminate our contract with your specialist for other than cause; or
 - Drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program Plan; or
 - Reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital Care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

- **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 1-800-4HUMANA. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or

- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process precertification. Your physician must obtain precertification for the following services:

- Organ/tissue transplants
- All elective medical and surgical hospitalizations (Including Inpatient Hospice)
- Non emergent admissions for mental health, skilled nursing and acute rehabilitation facilities and long term acute care facilities.
- MRI MRA, PET, CT Scan, SPECT Scan and Nuclear stress test.
- Uvulopalatopharyngoplasty (UPPP)
- Surgical treatment for morbid obesity
- All durable medical equipment (DME) over \$750
- Home health care services (Including home hospice)
- Infertility testing and treatment
- Sclerotherapy and Surgical treatment for Varicose Vein
- Some prescription drugs
- All surgeries which may be considered plastic or cosmetic surgery
- AICD, Automatic Implantable Cardioverter Defibrillators
- Oral surgeries
- Ventricular assist devices
- Facet Injections
- Hyperbaric Therapy
- Outpatient Therapy Services for Physical, Occupational and Speech

Your physician must obtain our approval before sending you to a hospital, referring you to a specialist, or recommending follow-up care from a specialist.

Services requiring prior approval may change. Please check our web site for the most current list. The Prior Authorization phone number is on the member ID card.

Section 4. Your costs for covered services

You must share the costs of some services. You are responsible for:

Copayments A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services.

Example: When you see your primary care physician you pay a copayment of \$15 per office visit on the High Option Plan, or a \$20 copay on the Standard Plan

Cost-sharing Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g. deductible, coinsurance, and copayments) for the covered care you receive

Deductible We do not have a deductible.

Coinsurance Coinsurance is the percentage of our negotiated fee that you must pay for your care.

Example: In our Plan, you pay 50% of our allowance for infertility services after the Plan has paid for the first \$2,000 in charges.

Your catastrophic protection out-of-pocket maximum With the High Option Plan, after your copayments total \$1,500 for self, or \$3,000 for self and family enrollment in any calendar year, you do not have to pay any more for covered services. For the Standard Option Plan, after your copayments total \$2,500 for self, or \$5,000 for self and family enrollment in any calendar year, you do not have to pay any more for covered services.

However, copayments for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments for these services:

- Prescription drugs.

Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

Carryover If you changed to this plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

When Government facilities bill us Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow.

Section 5. Benefits

This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each section. Read the General Exclusions in Section 6; they apply to the benefits in the following subsections. Also read page 8 to see how we changed this year.

Section 5(a). Medical services and supplies provided by physicians and other health care professionals.....16

- Diagnostic and treatment services.....16
- Lab, X-ray and other diagnostic tests.....16
- Preventive care, adult.....17
- Preventive care, children.....17
- Maternity care18
- Family planning18
- Infertility services19
- Allergy care.....19
- Treatment therapies.....20
- Physical, occupational and cardiac therapies.....20
- Speech therapy.....20
- Hearing services (testing, treatment, and supplies).....21
- Vision services (testing, treatment, and supplies).....21
- Foot care.....21
- Orthopedic and prosthetic devices22
- Durable medical equipment (DME).....22
- Home health services23
- Chiropractic.....23
- Alternative treatments23
- Educational classes and programs.....23

Section 5(b). Surgical and anesthesia services provided by physicians and other health care professionals24

- Surgical procedures.....24
- Reconstructive surgery.....25
- Oral and maxillofacial surgery.....26
- Organ/tissue transplants26
- Anesthesia29

Section 5(c). Services provided by a hospital or other facility, and ambulance services30

Section 5(d). Emergency services/accidents33

Section 5(e). Mental health and substance abuse benefits35

Section 5(f). Prescription drug benefits37

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- A facility copay applies to services that appear in this section but are performed in an ambulatory surgical center or the outpatient department of a hospital.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay

<p>Supportive and palliative care for a terminally ill member is covered in the home or hospice facility. Services include:</p> <ul style="list-style-type: none"> • Inpatient care • Outpatient care • Bereavement counseling <p>Note: These services are provided under the direction of a Plan doctor who certifies that the patient is in the terminal stages of illness, with a life expectancy of approximately six months or less.</p> <p>See <i>Services requiring our prior approval</i> in Section 3.</p>	Nothing	Nothing
<p><i>Not covered: Independent nursing, homemaker services</i></p>	<i>All charges</i>	<i>All charges</i>
Ambulance	High Option	Standard Option
<p>Local professional ambulance service when medically appropriate</p>	Nothing	Nothing

Section 5(d). Emergency services/accidents

Important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Emergencies within our service area: If you are in an emergency situation, please call your primary care doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member must notify the Plan within 48 hours unless it was not reasonably possible to do so. It is your responsibility to ensure that the Plan has been timely notified.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If you are hospitalized in non-Plan facilities and a Plan doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

Emergencies outside our service area: Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If a Plan doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

Benefit Description	You pay

Professional ambulance service. Note: Air ambulance is covered only when point of pick-up is inaccessible by land vehicle; or great distances or other obstacles are involved in getting a patient to the nearest hospital with appropriate facilities when prompt admission is essential.	Nothing	Nothing

Section 5(e). Mental health and substance abuse benefits

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

Important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PRECERTIFICATION FOR THESE SERVICES.** See the instructions after the benefits description below.

Benefit Description	You pay	
	High Option	Standard Option
Mental health and substance abuse benefits	High Option	Standard Option
All diagnostic and treatment services recommended by a Plan provider and contained in a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. Note: Plan benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve.	Your cost sharing responsibilities are no greater than for other illnesses or conditions.	Your cost sharing responsibilities are no greater than for other illnesses or conditions.
<ul style="list-style-type: none"> • Professional services, including individual or group therapy by providers such as psychiatrists, psychologists, or clinical social workers • Medication management 	\$25 per office visit	\$30 per office visit
<ul style="list-style-type: none"> • Diagnostic tests 	Nothing if you receive these services during your office visit; otherwise, \$25 per office visit to a specialist	Nothing if you receive these services during your office visit; otherwise, \$30 per office visit
<ul style="list-style-type: none"> • Services provided by a hospital or other facility • Services in approved alternative care settings such as partial hospitalization, full-day hospitalization, facility based intensive outpatient treatment 	\$200 copayment per day for the first three days per admission	\$400 copayment per day for the first three days per admission
<p><i>Not covered: Services we have not approved.</i></p> <p><i>Note: OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.</i></p>	<i>All charges</i>	<i>All charges</i>

Preauthorization

To be eligible to receive these benefits you must obtain a treatment plan and follow all of the following network authorization processes:

- Please contact Corphealth at 1-866-778-3405 to obtain Mental Health/Substance Abuse treatment services.

Limitation

We may limit your benefits if you do not obtain a treatment plan.

Section 5(f). Prescription drug benefits

Important things to keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A plan physician, dentist or other provider approved by your state may write the prescription.
- **Where you can obtain them.** You must fill the prescription at a plan pharmacy, or by mail for a prescribed maintenance medication. Maintenance medications are drugs that are generally prescribed for the treatment of long term chronic sicknesses or injuries. Members can also fill their maintenance medications for 90 days at a retail pharmacy for their appropriate copayment.
- **The Rx4 Plan** allows members access to any drug that is used to treat a condition the medical plan covers. Thousands of drugs have been placed in levels based on their a) efficacy, b) safety, c) possible side effects, d) drug interactions, and e) cost compared to similar drugs. The levels are no longer based on a Drug List or formulary. New drugs are continually reviewed for level placement, dispensing limits and prior authorization requirements that represent the current clinical judgment of our Pharmacy and Therapeutics Committee.

Level One contains the lowest copayment for low-cost generic and brand-name drugs.

Level Two this level covers higher cost generic and brand-name drugs.

Level Three is made up of higher cost drugs, mostly brand names. These drugs may have generic or brand-name options on Levels One or Two, that may save you money.

Level Four includes most self administered injectable medications and high technology drugs that are often newly approved by the U.S. Food and Drug Administration.

Rx4's specific copayment amounts eliminate unexpected charges at the pharmacy, which means you won't have to calculate cost differentials when you choose brand-name drugs over generic equivalents. You can visit our web site at feds.humana.com to check the copayment for your prescription drug coverage before you get your prescription filled. You can also find out more about possible drug alternatives and the locations of participating pharmacies.

With **Rx4** the member takes on more of the cost share for the drug. In return, members receive access to more drugs to treat their conditions and have more choices, along with their physicians, to decide which drug to take. Members receive letters offering guidance in changing medications to those with a lower copayment. We use internal data to identify members for whom a less expensive prescription drug option may be available. We communicate the information to the member to enable them, along with their physician, to make an informed choice regarding prescription drug copayment options.

- **Prior Authorization:** Some medications need special monitoring and may require prior authorization. These drugs have different approval criteria based on indication, safety and appropriate use. Prior authorization (PA) requires a physician to obtain pre-approval in order to provide coverage for a drug prescribed to a member.
- **These are the dispensing limitations.** Prescription drugs dispensed at a Plan pharmacy will be dispensed for up to a 30-day supply. You may receive up to a 90-day supply of a prescribed maintenance medication through our mail-order program or at one of our retail pharmacies.

If there is a national emergency or you are called to active military duty, you may call 1-800-448-6262. A representative will review criteria to determine whether you may obtain more than your normal dispensing amount.

Benefit Description	You pay	
Covered medications and supplies	High Option	Standard Option
<p>We cover the following medications and supplies prescribed by a Plan physician and obtained from a Plan pharmacy or through our mail order program:</p> <ul style="list-style-type: none"> • Drugs and medicines that by Federal law of the United States require a physician’s prescription for their purchase, except those listed as Not covered. • Insulin • Diabetes supplies including testing agents, lancet devices, alcohol swabs, glucose elevating agents, insulin delivery devices and blood glucose monitors • Disposable needles and syringes for the administration of covered medications • Self administered injectable drugs • Oral contraceptive drugs • Oral fertility drugs • Growth hormone • Drugs for sexual dysfunction • Prenatal Vitamins <p>Note: Drugs to treat sexual dysfunction are limited. Section 5(g). Dental benefits

Important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary
- If you are enrolled in a Federal Employee Dental Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be primary payer of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- Plan dentists must provide or arrange your care.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You Pay	
	High Option	Standard Option
Accidental injury benefit		
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury.	Nothing	Nothing
Dental benefits		
We have no other dental benefits.	<i>All charges</i>	<i>All charges</i>

Section 5(h). Special features

Feature	Description
Flexible benefits option	<p>Under the flexible benefits option: we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit. If we identify a less costly alternative, we will ask you to sign an alternative benefit agreement that will include all of the following terms. Until you sign and return the agreement regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we cannot guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period, but regular benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process.
Health Assessment	<p>This confidential, personalized, online quiz will help you discover your overall health status, recommend possible areas for improvement, and suggest positive changes to help you stay on the path to good health. Find the Health Assessment on MyHumana, your password-protected home page on Humana's Website.</p>
MyHumana(Humana.com)	<p>Once you've taken the Health Assessment, check out MyHumana for resources and information to help you improve your overall health. You'll also find shop-and-compare tools to help you choose hospitals and doctors, as well as health encyclopedias and practical information about health conditions, prescription drugs, and other health issues. The site also has video and audio health libraries, discounts and coupons for health-related programs.</p>
Wellness Reminders	<p>You may receive messages by phone, mail or e-mail on topics such as mammograms, immunizations, and more.</p>
RightSourceRxSM	<p><i>RightSource</i>, a prescription home delivery service, is a wholly owned subsidiary of Humana that gives members convenience, savings, guidance, and excellent Customer Service. <i>RightSource</i> is a fast and easy alternative to retail pharmacies. Depending on your location and benefits, you may be able to use <i>RightSource</i>.</p>
HumanaFirst[®]	<p>HumanaFirst Nurse Advice Line is your toll-free, 24-hour health information, guidance, and support line. Get information about your medical condition and find out how Humana's clinical programs can help. Or talk with a nurse about an immediate health concern.</p>
PlanProfessorSM and e-Plan ProfessorSM	<p>PlanProfessor is a year-round e-mail program that provides easy-to-read guidance about health, wellness, and getting the most from your coverage.</p>
HumanaBeginnings[®]	<p>Registered nurses offer education and support to mothers throughout pregnancy and the baby's first months.</p>
Case Management	<p>Nurses provide assistance for those facing a crisis or major medical procedure - includes support for parents during neonatal intensive care.</p>

Feature	Description
Transplant Management	This specialized team helps transplant recipients coordinate benefits, facilitate services, and follow their treatment plans.
Maximize Your Benefit (MYB)	The Maximize Your Benefit (MYB) program, available to Humana members, offers guidance in helping you control the rising cost of prescription drugs with information about generics, lower cost alternatives and prescription home delivery service.
Personal Nurse[®]	Registered nurses assist those who are following treatment plans or who need continued guidance in reaching their long-term health goals.
Disease management	Are programs that focus on: asthma, cancer, congestive heart failure, coronary artery disease, diabetes, chronic kidney disease, end-stage renal disease, cystic fibrosis, multiple sclerosis, Parkinson's disease, and 10 other conditions.
Services for deaf and hearing impaired	Humana offers telecommunication devices for the deaf (TDD) and Teletype (TTY) phone lines for the hearing impaired. Call 1-800-432-7482 to access the service.

Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, and you cannot file an FEHB disputed claim about them. Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums. These programs and materials are the responsibility of the Plan, and all appeals must follow their guidelines. For additional information contact us at, 1-800-4-HUMANA or visit the website at feds.humana.com.

Complementary and Alternative Medicine

- CAM discount services are provided to Humana members by The American WholeHealth (AWH) network, which includes more than 25,000 practitioners.
- No referral is required for visits to participating message therapists, acupuncturists or chiropractors, since the CAM program is not part of the insurance policy. However, certain CAM services are covered by some Humana health plans, so members should use their insured benefits whenever possible. Members may visit AWH network providers as often as they like, although we encourage them to let their primary care physicians know about any CAM treatment they are considering.
- To access CAM services, members may select a provider through MySavings, on MyHumana at **Humana.com** or call the Customer Service number printed on their Humana ID card. At the time of service, members simply present their Humana discount card, available on MyHumana, to receive the specified discount.

Vision discount programs

Humana members have access to two well-known vision programs, EyeMed and TruVision. Both offer special discounts for Humana members.

- EyeMed offers access to approximately 22,000 national providers - including optometrists, ophthalmologist and opticians - at over 11,000 locations nationwide. members can select a participating provider from MySavings, on MyHumana at **Humana.com** or by calling EyeMed's provider locator service at 1-866-392-6056. To request a discount, members need only present their Humana discount card, available on MyHumana, when they arrive at their provider's office or location. The EyeMed provider will take care of the rest.
- TruVision offers traditional and custom LASIK to correct vision problems such as nearsightedness, farsightedness and astigmatism. Through agreements at more than 200 laser centers across the United States, TruVision offers services including: a telephone screening, a comprehensive eye exam, the LASIK procedure, postoperative care and a retreatment warranty. To schedule a preoperative exam, determine price, or find a laser location, members can call 1-877-580-2020 and speak with a Customer service representative

Prescription drug discount program

Through Humana's Rx4 or RxValue prescription drug discount program, Humana members can receive a 20 percent discount (average savings) on prescription drugs not currently covered in their benefit. Examples of discounted items are drugs for weight loss, hair growth, smoking cessation and many more. As a Humana member you can visit **Humana.com** to find out if a drug is covered or qualifies for the discount.

Contact us for additional information concerning specific benefits, exclusions, limitations, eligible providers and other provisions of each of the above coverages.

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency services/accidents);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term; or when the pregnancy is the result of rape or incest;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program; or
- Services, drugs, or supplies you receive without charge while in active military service.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Your facility will file on the UB-92 form. For claims questions and assistance, call us at 1-800-4HUMANA.

When you must file a claim – such as for services you received outside the Plan’s service area – submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

**Submit your claims to: Humana Medical Plan, Inc.
P.O. Box 14602
Attn: Claims Review
Lexington, Kentucky 40512-4602**

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization/prior approval required by Section 3:

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none">a) Write to us within 6 months from the date of our decision; andb) Send your request to us at: ; Humana medical Plan, Inc., P.O. Box 14615, Attn: Grievance & Appeals Manager, Lexington, KY 40512-4615c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andd) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.
2	<p>We have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none">a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); orb) Write to you and maintain our denial - go to step 4; orc) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.
3	<p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p>
4	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within</p> <ul style="list-style-type: none">• 90 days after the date of our letter upholding our initial decision; or• 120 days after you first wrote to us - if we did not answer that request in some way within 30 days; or• 120 days after we asked for additional information. <p>Write to OPM at: United States Office of Personnel Management, Insurance Services Programs, Health Insurance Group 3, 1900 E Street, NW, Washington, DC 20415-3630.</p> <p>Send OPM the following information:</p> <ul style="list-style-type: none">• A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;• Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;• Copies of all letters you sent to us about the claim;• Copies of all letters we sent to you about the claim; and• Your daytime phone number and the best time to call. <p>Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.</p>

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 1-800-523-0023 and we will expedite our review; or
- b) We denied your initial request for care or preauthorization/prior approval, then:
 - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
 - You may call OPM's Health Insurance Group 3 at 202-606-0737 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance..

What is Medicare?

Medicare is a health insurance program for:

- People 65 years of age or older;
- Some people with disabilities under 65 years of age; and
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983). Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.
- Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.
- Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare’s Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

- **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It’s easy. Just call the Social Security Administration toll-free number 1-800-772-1213 to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan PCP.

If your Plan physician does not participate in Medicare, you will have to file a claim with Medicare.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at 1-800-4HUMANA or at our website: feds.humana.com.

We do not waive any costs if the Original Medicare Plan is your primary payer.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and our Medicare Advantage plan: You may enroll in our Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary. We will not waive any of the copayments, coinsurance or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare. For information about Medicare Advantage plans offered in your area call 1-866-836-5079.

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments or coinsurance. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payer, we process the claim first. If you enroll in Medicare Part D and we are the secondary payer, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payer. The following chart illustrates whether Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payer Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payer for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
8) Are a Federal employee receiving Workers' Compensation disability benefits for six months or more	✓ *	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payer before eligibility due to ESRD (for 30 month coordination period)		✓
• Medicare was the primary payer before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD (for the 30 month coordination period)		✓
• Medicare based on ESRD (after the 30 month coordination period)	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse		
	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. IF TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

Workers' Compensation

We do not cover services that:

- You need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.
- Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. See page 12.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 12.
Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g. deductible, coinsurance, and copayments) for the covered care you receive.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Services provided to you such as assistance with dressing, bathing, preparation and feeding of special diets, walking, supervision of medication which is ordinarily self-administered, getting in and out of bed, and maintaining continence, which are not likely to improve your condition. Custodial care that lasts 90 days or more is sometimes known as long term care.
Durable Medical Equipment (DME)	Equipment recognized as such by Medicare Part B, that meets all of the following criteria: <ul style="list-style-type: none">• it can stand repeated use; and• it is primarily and customarily used to serve a medical purpose rather than being primarily for comfort or convenience; and• it is usually not useful to a person in the absence of sickness or injury; and• it is appropriate for home use; and• it is related to the patient's physical disorder, and the equipment must be used in the member's home.
Experimental or investigational services	<p>A drug, biological product, device, medical treatment, or procedure is determined to be experimental or investigational if reliable evidence shows it meets one of the following criteria:</p> <ul style="list-style-type: none">• when applied to the circumstances of a particular patient is the subject of ongoing phase I, II or III clinical trials, or• when applied to the circumstances of a particular patient is under study with written protocol to determine maximum tolerated dose, toxicity, safety, efficacy, or efficacy in comparison to conventional alternatives, or• is being delivered or should be delivered subject to the approval and supervision of an Institutional Review Board as required and defined by the USFDA or Department of Health and Human Services• is not generally accepted by the medical community <p>Reliable evidence means, but is not limited to, published reports and articles in authoritative medical scientific literature or regulations and other official actions and publications issued by the USFDA or the Department of Health and Human Services.</p>
Medical necessity	The determination as to whether a medical service is required to treat a condition, illness, or injury. In order to meet the standard of medical necessity the service must be consistent with symptoms, diagnosis, or treatment; consistent with good medical practice; and the most appropriate level of service that can be safely provided.

Morbid obesity	Excess body weight in comparison to set standards. Obesity refers specifically to having an abnormal proportion of body fat. The primary classification of overweight and obesity is based on the assessment of Body Mass Index (BMI).
Oral surgery	Procedures to correct diseases, injuries and defects of the jaw and mouth structures.
Participating provider	A hospital, physician, or any other health services provider who has been designated to provide services to covered members under this plan.
Service area	The geographic area where the participating provider services are available to covered members.
Transplant	Services for pre-transplant; the transplant including any chemotherapy, associated services and post-discharge services, and treatment of complications after transplant.
Us/We	Us and We refer to Humana Medical Plan, Inc.
You	You refers to the enrollee and each covered family member.

Section 11. FEHB Facts

Coverage information

- **No pre-existing condition limitation**

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

- **Where you can get information about enrolling in the FEHB Program**

See www.opm.gov/insure/health for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies who participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- What happens when your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

- **Types of coverage available for you and your family**

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately when family members are added or lose coverage for any reason, including your marriage, divorce, annulment, or when your child under age 22 turns 22 or has a change in marital status, divorce, or when your child under age 22 marries.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

- **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

• **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2008 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2008 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

• **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

• **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy.)

- **Upon divorce** If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse’s enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse’s employing or retirement office to get RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM’s Web site, www.opm.gov/insure.

- **Temporary Continuation of Coverage (TCC)** If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the “TCC and HIPAA” frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 12. Three Federal Programs complement FEHB benefits

Important information

OPM wants to be sure you are aware of three Federal programs that complement the FEHB Program.

First, the **Federal Flexible Spending Account (FSA) Program**, also known as **FSAFEDS**, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. The result can be a discount of 20% to more than 40% on services/products you routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)**, provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under **FEDVIP** you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

The Federal Flexible Spending Account Program – *FSAFEDS*

What is an FSA?

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less in taxes so you save money. **Annuitants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS: Each type has a minimum annual election of \$250 and a maximum annual election of \$5,000.

- **Health Care FSA (HCFSA)** – Reimburses you for eligible health care expenses (such as copayments, deductibles, over-the-counter medications and products, vision and dental expenses, and much more) for you and your dependents which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your dependents, which are not covered or reimbursed, by FEHBP or FEDVIP coverage or any other insurance.
- **Dependent Care FSA (DCFSA)** – Reimburses you for eligible non-medical day care expenses for your child(ren) under age 13 or for any person you claim as a dependents on your Federal Income Tax return who is mentally or physically incapable of self-care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSA.

Where can I get more information about FSAFEDS?

Visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern Time. TTY: 1-800-952-0450.

The Federal Employees Dental and Vision Insurance Program – *FEDVIP*

Important Information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is a program, separate and different from the FEHB Program, established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004. This program has no pre-existing condition limitations. FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Premiums are withheld from salary on a pre-tax basis.

Dental Insurance

Dental plans provide a comprehensive range of services, including all the following:

- Class A (Basic) services, which include oral examination, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as completed dentures.
- Class D (Orthodontic) services with up to a 24-month waiting period.

Vision Insurance

Vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information

You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/insure/dentalvision. This site also provides links to each plan's website, where you can view detailed information about benefits and preferred providers

How do I enroll?

You enroll on the Internet www.BENEFEDS.com. For those without access to a computer, call 1-877-888-3337 (TTY number, 1-877-889-5680).

The Federal Long Term Care Insurance Program – *FLTCIP***It's important protection**

The Federal Long Term Care Insurance program (FLTCIP) can help you pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself – or supervision you receive because of severe cognitive impairment. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). To request an Information Kit and application, call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

2009 Rate Information for Humana Medical Plan, Inc.

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the *Guide to Federal Benefits* for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the *Guide to Benefits for Career United States Postal Service Employees, RI 70-2*, and to the rates shown below.

The rates shown below do not apply to *Postal Service* Inspectors, Office of Inspector General (OIG) employees and Postal Service Nurses. Rates for members of these groups are published in special Guides. Postal Service Inspectors and OIG employees should refer to the *Guide to Benefits for United States Postal Inspectors and Office of Inspector General Employees (RI 70-2IN)*. Postal Service Nurses should refer to the *Guide to Benefits for United States Postal Nurses (RI 70-2NU)*.

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *Guide to Federal Benefits*.
