

# Save Money on EYEGLASSES

Prescription eyeglasses can be expensive. Your FEDVIP vision plan can help you pay for them, and most plans cover about \$140 on a pair of frames. But with designer frames priced at hundreds of dollars, and lens options such as progressives and Transitions® costing even more, consider another Federal benefit that can help make eyeglasses even more affordable.

**Thousands of Federal employees save on eyeglasses** by using FSAFEDS. With FSAFEDS, the income you spend on eyeglasses and many other health care expenses is tax-free. Not paying taxes on the money you spend at your eye care provider, for most employees, is like getting a 30% discount on eyeglasses.
