Subject: CPDF CODES FOR REVISED CSRS CONTRIBUTION RATES

Payroll Office Letter P-97-10 dated August 14, 1997, announced the change in the agency contribution rate for the Civil Service Retirement System (CSRS) which is effective October 1, 1997. All agencies, with the exception of the U.S. Postal Service and the Metropolitan Washington Airports Authority, must contribute an increased percentage of the basic pay of CSRS-covered employees, effective with the first pay period beginning on or after October 1, 1997.

We are issuing this letter to provide the Central Personnel Data File (CPDF) codes for the CSRS employee classifications. The new agency contribution rates for each category of CSRS employee are:

Classification	CPDF Code	Percentage of Basic Pay (%)
CSRS Regular; CSRS Regular Offset	1, R, C	8.51
CSRS Special; CSRS Special Offset: Congressional employees, Law enforcement officers, Firefighters	6, T, E	9.01
Members of Congress, Court of Federal Claims judges, U.S. magistrates, U.S. Court of Appeals for Armed Forces judges, Bankruptcy judges	no CPDF codes	9.51
