Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of Blue Cross Blue Shield FEP Vision under the Blue Cross and Blue Shield Association's contract OPM02-FEDVIP-02AP-04 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations and exclusions of this brochure. It is your responsibility to be informed about your benefits. You, and your family members, do not have a right to benefits that were available before January 1, 2024 unless those benefits are also shown in this brochure.

If you are enrolled in this plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated eligible family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits.

OPM negotiates benefits and rates with each carrier annually. Rates are shown at the end of this brochure.

BCBS FEP Vision is responsible for the selection of in-network providers in your area. Contact us at 1-888-550-BLUE (2583) or TTY: 1-800-523-2847 for the names of participating providers or to request a provider directory. You may also request or view the most current directory via our website at www.bcbsfepvision.com. Continued participation of any specific provider cannot be guaranteed. Thus, you should choose your plan based on the benefits provided and not on a specific provider's participation. When you phone for an appointment, please remember to verify that the provider is currently in-network. If your provider is not currently participating in the provider network, you can nominate them to join. Nomination forms are available on our website, or call us and we will take your nomination over the phone. You cannot change plans, outside of Open Season, because of changes to the provider network.

Provider networks may be more extensive in some areas than others. **Please be aware that the BCBS FEP Vision network is different from the network of your health plan.**

This BCBS FEP Vision plan and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program.

We want you to know that protecting the confidentiality of your individually identifiable health information is of the utmost importance to us. TRICARE enrollees automatically pay premiums through payroll deduction or automatic bank withdrawal (ABW) using post-tax dollars.
Annual Enrollment Opportunity	Each year, an Open Season will be held, during which you may enroll or change your dental and/or vision plan enrollment. This year, Open Season runs from November 13, 2023 through midnight Eastern time December 11, 2023. You do not need to re-enroll each Open Season unless you wish to change plans or plan options; your coverage will continue from the previous year. In addition to the annual Open Season, there are certain events that allow you to make specific types of enrollment changes throughout the year. Please see Section 2, Enrollment, for more information.
Continued Group Coverage After Retirement	Your enrollment or your eligibility to enroll may continue after retirement. You do not need to be enrolled in FEDVIP for any length of time to continue enrollment into retirement. Your family members may also be able to continue enrollment after your death. **Opportunities to
Enroll or Change
Enrollment**

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event.

There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area.
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either a dental or a vision plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

VA Exception for Cancellation

Generally, you may cancel your enrollment only during the annual Open Season. However, if you are a FEDVIP enrollee paying premiums on a **post-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may** change your enrollment type or cancel your enrollment within 60 days of receiving notification of VA dental or vision eligibility. This 60-day period may fall outside of Open Season. VA dental or vision eligibility documentation must be submitted to OPM via the BENEFEDS mailbox (benefedsportal@opm.gov) within 60 days of notification to support the FEDVIP enrollment change or cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date. An eligible family member's coverage also ends upon the effective date of the cancellation.

If you are a FEDVIP enrollee paying premiums on a **pre-tax basis**, and you, your family member, or TEI family member becomes eligible for VA dental or vision benefits, then you **may not** change or cancel your FEDVIP enrollment until the next Open Season.

FEDVIP enrollees can verify if they are paying their premiums on a pre- or post-tax basis by contacting BENEFEDS at 1-877-888-FEDS (3337), TTY number 1-877-889-5680.

When Coverage Stops

Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when:

- you no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;
- a sponsor or primary enrollee leaves active duty;
- you begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- you are making direct premium payments to BENEFEDS and you stop making the payments;
- it is the last day of the pay period for which BENEFEDS received premium following the loss of eligibility;
- you cancel the enrollment during Open Season.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans:

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

Please review IRS - Publication 969, Health Savings Accounts and Other Tax-Favored Health Plans (www.irs.gov/forms-pubs/about-publication-969) for additional information about carryover and contribution amounts for the upcoming tax year. If you have an HCFSA or LEX HCFSA FSAFEDS account and you have not exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over a set maximum amount of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st. You must also actively re-enroll in a health care or limited expense account during the next Open Season to be carryover eligible. Your re-enrollment must meet the minimum contribution amount for the plan year. If you do not re-enroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time permitted. This is known as the "Use-it-or-Lose-it" rule. Carefully consider the amount you will elect.

Current FSAFEDS participants must re-enroll to participate in the program next year.

See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. **Note: FSAFEDS is not open to retired employees or to TRICARE eligible individuals.**

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you may use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and/or FEDVIP plans.

Section 3 How You Obtain Care

Identification Cards/Enrollment Confirmation

Two ID cards are issued for each member, regardless of coverage option. Existing members' ID cards are still valid. If additional cards are needed, you may request them through our website, www.bcbsfepvision.com, or call us at 1-888-550-BLUE (2583) or TTY: 1-800-523-2847. All eligible dependents listed on your enrollment share your identification number. You do not need an ID card for each member of your family. You can print a temporary ID card online in our member portal at www.bcbsfepvision.com/portal, view it in our mobile app or contact customer service to verify your eligibility in the plan.

Plan Providers

We list in-network plan providers in the provider directory, which is updated frequently. The most current list can be found on our website at www.bcbsfepvision.com. It is your responsibility to ensure that the provider chosen is an active participant in the program, at the time you receive services. **The BCBS FEP Vision network is specific to routine vision care and is different from the network for your medical plan.**

In some cases, due to local regulations or business practices, the doctor may be independent of the retail location. You should confirm that both the doctor and the retail location are participating prior to seeking services.

In-Network

We negotiate rates with vision care providers to help save you money. BCBS FEP Vision in-network providers are referred to as participating providers and are contracted through Davis Vision. When scheduling an appointment, you should identify yourself as a member of the FEDVIP BCBS FEP Vision plan. The provider is then responsible for verifying eligibility and submitting the claim by contacting BCBS FEP Vision either by telephone or via the web. If you use a participating provider to obtain covered care, benefits are paid at the in-network level. You are responsible for amounts over the plan allowance, lens copays, and optional lens and treatment copays.

BCBS FEP Vision also offers several in-network online options such as: 1800contacts.com, befitting.com, glasses.com, lenscrafters.com, targetoptical.com, visionworks.com and warbyparker.com. Check our website at www.bcbsfepvision.com for additional options.

Under Standard Option, you must stay in-network for covered services. If you receive care from a non-participating provider, we will not pay for any services unless you reside in a limited access area. Please see Section 4, Your Cost For Covered Services.

Out-of-Network

Under High Option, you may obtain care from any licensed eye care provider. If the provider you use is not part of our network, benefits will be considered out-of-network. Because these providers are out of the BCBS FEP Vision network, we will reimburse you up to the maximum reimbursement amount allowed by the plan (see fee schedule allowances as described in Section 4, Your Cost For Covered Services). You are responsible to pay the out-of-network provider and then submit a claim along with an itemized receipt to receive your reimbursement (see Section 8, Claims Filing and Disputed Claims Processes, for information).

Under Standard Option, you must stay in-network for covered services. If you receive care from a non-participating provider, we will not pay for any services unless you reside in a limited access area. Please see Section 4, Your Cost For Covered Services.

Pre-Authorization

Pre-authorization is only required for:

- Medically necessary contact lenses in the treatment of certain eye health conditions and is obtained by the participating provider.
- The treatment of low vision and is obtained by the participating provider.
- The child benefit for children 13 and under if their prescription changes.
- The condition benefit for members with certain conditions (diabetes, hypertension, kidney disease, dementia, pregnancy, HNCRT (Head and Neck Cancer Patients with Radiation Therapy) if their prescription changes.

FEHB First Payor When you visit a provider who participates with both your FEHB plan and your FEDVIP plan, and the FEHB plan provides routine vision care and services, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. We are responsible for facilitating the process with the primary FEHB payor.

Coordination of Benefits We do not coordinate benefits with non-FEHB health plans.

Limited Access Areas If you live in an area that does not have adequate access to an BCBS FEP Vision network provider and you receive covered services from an out-of-network provider, we will pay up to 100% of our plan allowance listed below. You are responsible for any difference between the amount billed and our payment. To determine if you are in a limited access area call us at 1-888-550-BLUE (2583) or TTY: 1-800-523-2847.

Members who reside in areas not meeting access standards* can visit an out-of-network provider, pay billed charges and then be reimbursed based on the plan allowance.

***NOTE: Access Standards**

Urban and suburban Zip Codes: at least 90% of FEDVIP eligibles in a network access area (Zip Code plus 15 driving-miles) must have access to a vision care preferred provider.

Rural Zip Codes: at least 80% of FEDVIP eligibles in a network access area (Zip Code plus 35 driving-miles) must have access to a vision care preferred provider.

Section 4 Your Cost for Covered Services

This is what you pay out-of-pocket for covered care:

Copayment

A co-payment is a fixed amount of money you pay to the provider when you receive services.

Example: The BCBS FEP Vision High Option and Standard Option plans have a \$0 copay for a vision care exam. However, Standard Option has a \$10 copay for lenses. This copay does not apply to High Option. Please refer to Section 5 for further details.

In-Network Services

When you visit a BCBS FEP Vision network doctor, your vision care exam is covered in full and prescription glasses or contacts are covered after any co-payments. If you visit an in-network independent provider, you will also receive 20% off any out-of-pocket costs over your frame allowance and a savings of 15% on any balance over your conventional contact allowance. To receive covered benefits, you must stay in-network if you are enrolled in Standard Option.

Out-of-Network Services

If you are enrolled in Standard Option, you must stay in-network for covered services. If you receive care from a non-participating provider, we will not pay for any services unless you reside in a limited access area. Please see details described in (Section 3, How to Obtain Care) for information on limited access areas.

If you are enrolled in High Option, you'll get more out of your coverage and pay lower out-of-pocket costs when you see a BCBS FEP Vision network provider. Plus, there are no claim forms to submit when you see an in-network provider. When you visit an out-of-network provider, you will be reimbursed according to the schedule shown in the chart below. Only items listed in the chart below are reimbursable. You will be responsible for charges billed over the amounts shown.

This discount can either be in conjunction with their benefit (pair 2, 3, etc.) or at any other time. The materials portion of the member's benefit does not need to be exhausted first in order for the member to receive this discount.

Keratoconus

High Ametropia

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your BCBS FEP Vision identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your Explanation of Benefits (EOBs) statements, which are available online at www.bcbsfepvision.com.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-888-550-BLUE (2583) or TTY: 1-800-523-2847 and explain the situation.
- **Federal Civilians** - Do not maintain as a family member on your policy:
 - your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - your child over age 22 (unless they are disabled and incapable of self-support).
- **TRICARE Eligibles** - Do not maintain as a family member on your policy:
 - Your child over age 21 if they are not enrolled in school (unless they are disabled or incapable of self-support)
 - Your child over age 23 if they are enrolled in school (unless they are disabled or incapable of self-support)

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
