

Attachment to: Benefits Administration Letter 06-402 – FEHB Open Season 2006 Rider Information

The U.S. Office of Personnel Management (OPM) is offering printed copies through the rider system of the following publications. **OPM does not stock supplies of any of the publications.** If you have any questions about this rider, please call (202) 606-0623.

The cutoff date for ordering items from this rider is September 8, 2006. In order to provide products to our customers on a timely basis, this date will not be extended. Products will be shipped to agency distribution points beginning October 16.

These publications will be made available on our website at <http://www.opm.gov/insure/health/index.asp>. Since they can be downloaded and printed as needed, this may be a better alternative for items you need in smaller quantities.

The actual cost of items will vary, depending upon the various specifications and quantity. However, the most economical way of obtaining bulk quantities is to ride the OPM printing requisition(s).

This is the revised November 2006 edition. The FEHB Guides provide summary information on the health plans participating in the FEHB Program, with information on the plans available in each state, rates, benefits, accreditation, and quality indicators. They also provide information on program features and enrollment instructions.

Ordering, Cost Estimate and Distribution Information

Departments and agencies may order the publications listed in this issue by riding the OPM printing items indicated below. Field and regional offices should submit their requirements to their department or agency Washington, DC, area headquarters printing officer before the cutoff date shown.

Agencies may estimate costs by using the current GPO price list of printing services and the information given in the description of each publication. PLEASE NOTE: The U.S. Office of Personnel Management cannot provide agencies with the exact cost of the individual publications listed in this flyer. The cost agencies will pay is an actual production cost which varies greatly, depending upon the various specifications of the publication, especially the quantity. Individual unit cost can vary significantly, usually decreasing as the total quantity printed increases. Since we are unable to estimate the total quantity that agencies will order, accurate estimates are nearly impossible to gauge.

OPM regrets this inconvenience; however, your agency headquarters printing officer may be able to assist you.

Agencies may order a bulk supply from GPO and make their own distribution to component offices or have GPO make the distribution (distribution list should be attached to the Standard Form 1 showing the number of copies to be sent to each address). ***The Unit of Issue is 5 per package, thus the smallest amount of an item that can be ordered is 5. The total quantity of your order for each item must be divisible by 5.***

NOTE: Field or regional activities should coordinate their requirements with their Washington, DC, area headquarters printing officer before submitting any paperwork. GPO will return all requisitions sent directly from field or regional offices.

Item No. FY 2006	Publication Title	ID Number	Refer to Edition	Cutoff Date to GPO (SF 1)
---------------------	-------------------	--------------	---------------------	---------------------------------

PLEASE NOTE: OPM has discontinued listing requisition numbers; instead, we are asking you to refer to the item number and title when ordering these publications. Please substitute the item number in the requisition number space on the SF-1. Thank you for your observance of this important change.
