

Table 2
FERCCA Corrections to SF 50's for BAL 05-103, dated 3/17/05

I. Erroneous CSRS Coverage, Employee belongs in FERS: Election between CSRS Offset and FERS, Employee elects CSRS Offset	
Election	
Nature of Action	<p>002/Correction to the original appointment or conversion and use same effective date as shown on the original action. Show code for CSRS Offset in Block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: "Corrects item 30 from (____)" and also remark C18: "Corrects item (number) to read" and then M43" "Erroneous CSRS, should have been FERS – Employee elected CSRS Offset on ____ (insert date of election), correction due to Public Law 106-265 (FERCCA)"</p> <p>Second Action: 002/correction to most recent SF-50, Remark C11: "Corrects item 30 from (____)" and C12: "Also corrects same item on all previous action from (date) to (date)"</p>
Default Election	
Nature of Action	<p>002/Correction to the original appointment or conversion and use same effective date as shown on the original action.</p> <p>If any other actions during the appointment show incorrect retirement coverage prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: "Corrects item 30 from (____)" and include Remark M41: "Employee failed to make an election, coverage is CSRS Offset by default on ____ (insert determination date) due to Public Law 106-265 (FERCCA)"</p> <p>Second Action: 002/correction to most recent SF-50, Remark C11: "Corrects item 30 from (____)" and C12: "Also corrects same item on all previous action from (date) to (date)"</p>
<p>Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.</p>	

II. Erroneous CSRS Coverage, Employees belongs in FERS: Election between CSRS Offset and FERS, Employee Elects FERS	
Election	
If the appointment or conversion to appointment action granting erroneous coverage was effective on a date between 1/1/84 through 12/31/86, and the appointment continued until 1/1/87 or beyond:	
Nature of Action	<p>First Action – Prepare 002/Correction to the original appointment or conversion and use the same effective date as shown on the original action. Show code for CSRS Interim coverage in Block 30.</p> <p>If any other actions prior to 1/1/87 during this appointment showing incorrect retirement coverage, prepare 002/Correction to the most recent SF-50 dated prior to 1/1/87.</p> <p>Second Action – Prepare 803/Chg in Retirement Plan with an effective date of 1/1/87 and cite legal authority Z5L – Pub. Law 106-265 (FERCCA), dated September 19, 2000.</p> <p>Third Action - If any other actions during the appointment show incorrect retirement coverage prepare 002/Correction to the most recent SF-50 dated after 1/1/87.</p>
Block 45 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (___)”, M68: “Correction is the result of correction made under Public Law 106-265 (FERCCA)”, and as appropriate: remark C12: “Also corrects same item on all previous action from (date) to (date)”</p> <p>Second Action: Remark M47: “Erroneous CSRS, should have been FERS – Employee elected FERS on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”</p> <p>Third Action: Remark C11: “Corrects item (number) from (___)” and as appropriate remark C12: “Also corrects</p>

	same item on all previous actions from (date) to (date)”
If the appointment or conversion to appointment action granting erroneous coverage was effective on or after 1/1/87:	
Nature of Action	002/Correction to the original appointment or conversion and use same effective date as shown on the original action. If any other actions during the appointment show incorrect retirement coverage prepare 002/Correction to the most recent SF-50.
Block 45 Remarks	First Action: Remark C11: “Corrects item 30 from (___)” and also remark C18: “Corrects item (number) to read” and then Remark M47: “Erroneous CSRS, should have been FERS – Employee elected FERS on ___ (insert date of election), Correction due to Public Law 106-265 (FERCCA)” Also M38: “Frozen Service”: (enter years and months) Second Action: 002/Correction to most recent SF-50, Remark C11: “Corrects item 30 from (___)” and remark C12: “Also corrects same item on all previous actions from (date) to (date)”
Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.	

III. Erroneous CSRS Offset Coverage, Employee belongs in FERS: Election between CSRS Offset and FERS, Employee elects CSRS Offset	
Election	
Nature of Action	002/Correction to the original appointment or conversion and use the same effective date as shown on the original action.
Block 45 Remarks	Remark C18: “Corrects item (number) to read” and remark M48: “Erroneous CSRS Offset, should have been FERS – Employee elected to remain in CSRS Offset on _____, (insert date of election), Correction due to Public Law 106-265 (FERCCA)”
Default Election	
Nature of Action	002/correction to the original appointment or conversion and use the same effective date as shown on the original action.
Block 45 Remarks	Remark M41: “Employee failed to make an election, coverage is CSRS Offset by default on ____ (insert determination date) due to Public Law 106-265 (FERCCA)”
Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.	

<p>IV. Erroneous CSRS Offset Coverage, Employee belongs in FERS: Election between CSRS Offset and FERS, Employee elects FERS</p>	
<p>If the appointment or conversion to appointment action granting erroneous coverage was effective on a date between 1/1/84 through 12/31/86, and the appointment continued until 1/1/87 or beyond:</p>	
<p>Nature of Action</p>	<p>First Action – Prepare 002/Correction to the original appointment or conversion and use the same effective date as shown on the original action. Show code for CSRS Interim coverage in Block 30.</p> <p>If any other actions prior to 1/1/87 during this appointment showing incorrect retirement coverage, prepare 002/Correction to the most recent SF-50 dated prior to 1/1/87.</p> <p>Second Action – Prepare 803/Chg in Retirement Plan with an effective date of 1/1/87 and cite legal authority as Z5L – Pub. Law 106-265 (FERCCA), dated September 19, 2000.</p> <p>Third Action - If any other actions during the appointment show incorrect retirement coverage prepare 002/Correction to the most recent SF-50 dated after 1/1/87.</p>
<p>Block 45 Remarks</p>	<p>First Action: Remark C11: “Corrects item 30 from (___)”, M68:“Correction is the result of correction made under Public Law 106-265 (FERCCA)”, and as appropriate: remark C12: “Also corrects same item on all previous action from (date) to (date)”</p> <p>Second Action: Remark M47: “Erroneous CSRS, should have been FERS – Employee elected FERS on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”</p> <p>Third Action: Remark C11: “Corrects item (number) from (___)” and as appropriate remark C12: “Also corrects same item on all previous actions from (date) to (date)”</p>

If the appointment or conversion to appointment action granting erroneous coverage was effective on or after 1/1/87:	
Nature of Action	<p>002/Correction to the original appointment or conversion and use same effective date as shown on the original action. Show correct code in Block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (___)” and also remark C18: “Corrects item (number) to read” and then Remark M49: “Erroneous CSRS Offset, should have been FERS – Employee elected FERS on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)” Also M38: “Frozen Service: (enter years and months)”</p> <p>Second Action: 002/Correction to most recent SF-50, Remark C11: “Corrects item 30 from (___)” and remark C12: “Also corrects same item on all previous actions from (date) to (date)”</p>
Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.	

V. Erroneous CSRS Coverage, Employee belongs in Social Security Only: Election between CSRS Offset and Social Security Only, Employee Elects CSRS Offset

Election	
Nature of Action	<p>002/correction to the original appointment or conversion and use the same effective date as shown on the original action. Show code for CSRS Offset in Block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage, prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (____)” and also remark C18: “Corrects item (number) to read” and then M50: “Erroneous CSRS, should have been Social Security Only – Employee elected CSRS Offset on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”</p> <p>Second Action: 002/correction to most recent SF-50, Remark C11: “Corrects item 30 from (____)” and C12: “Also corrects same item on all previous action from (date) to (date)”</p>
Default Election	
Nature of Action	<p>002/Correction to the original appointment or conversion and use same effective date as shown on the original action. Show correct code in Block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (____)”and also remark C18: “Corrects item (number) to read” and then include Remark M41: “Employee failed to make an election, coverage is CSRS Offset by default on ____ (insert determination date) due to Public Law 106-265 (FERCCA)”</p> <p>Second Action: 002/correction to most</p>

	recent SF-50, Remark C11: “Corrects item 30 from (____)” and C12: “Also corrects same item on all previous action from (date) to (date)”
Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.	

VI. Erroneous CSRS Coverage, Employee belongs in Social Security Only: Election between CSRS Offset and Social Security Only, Employee elects Social Security Only	
Nature of Action	<p>002/correction to the original appointment or conversion and use the same effective date as shown on the original action. Show correct code in Block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage, prepare 002/Correction to the most recent SF-50.</p>
Block 25 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (____)” and also remark C18: “Corrects item (number) to read” and then M51: “Erroneous CSRS, should have been Social Security Only – Employee elected Social Security Only on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”</p> <p>Second Action: 002/correction to most recent SF-50, Remark C11: “Corrects item 30 from (____)” and C12: “Also corrects same item on all previous action from (date) to (date)”</p>
<p>Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.</p>	

VII. Erroneous CSRS Offset coverage, Employee belongs in Social Security Only: Election between CSRS Offset and Social Security Only, Employee elects CSRS Offset	
Election	
Nature of Action	002/Correction to the original appointment or conversion and use the same effective date as shown on the original action. Show correct code in Block 30.
Block 45 Remarks	Remark C18: "Corrects item (number) to read" and then M54: "Erroneous CSRS Offset, should have been Social Security Only – Employee elected to remain CSRS Offset on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)"
Default Election	
Nature of Action	002/Correction to the original appointment or conversion and use the same effective date as shown on the original action. Show correct code in Block 30.
Block 45 Remarks	Remark C18: "Correct item (number) to read" and then M41: "Employee failed to make an election, coverage is CSRS Offset by default on ____ (insert determination date) due to Public Law 106-265 (FERCCA)"
Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.	

VIII. Erroneous CSRS Offset coverage, Employee belongs in Social Security Only: Election between CSRS Offset and Social Security Only, Employee elects Social Security Only	
Nature of Action	<p>002/Correction to the original appointment or conversion and use the same effective date as shown on the original action. Show correct code in Block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage, prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (____)” and also remark C18: “Corrects item (number) to read” and then M55: “Erroneous CSRS Offset, should have been Social Security Only – Employee elected Social Security Only on _____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”</p> <p>Second Action: 002/correction to most recent SF-50, Remark C11: “Corrects item 30 from (____)” and C12: “Also corrects same item on all previous action from (date) to (date)”</p>
<p>Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.</p>	

IX. Erroneous FERS Coverage, Employee belongs in CSRS: Election between FERS and CSRS, Employee elects FERS	
Election	
Nature of Action	002/Correction to the original appointment or conversion and use the same effective date as shown on the original action.
Block 45 Remarks	Remark C18: "Corrects item (number) to read" and then M56: "Erroneous FERS, should have been CSRS – Employee elected to remain in FERS on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)"
Default Election	
Nature of Action	002/Correction to the original appointment or conversion and use the same effective date as shown on the original action.
Block 45 Remarks	Remark C18: "Corrects item (number) to read" and then M37: "Employee failed to make an election, coverage is FERS by default on ____ (insert determination date) due to Public Law 106-265 (FERCCA)" Also M38: "Frozen Service: (enter years and months)"
Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.	

X. Erroneous FERS Coverage, Employee belongs in CSRS: Election between FERS and CSRS, Employee elects CSRS	
Nature of Action	<p>002/Correction to the original appointment or conversion and use the same effective date as shown on the original action. Show the correct code in block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage, prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (___)” and also remark C18: “Corrects item (number) to read” and then M57: “Erroneous FERS, should have been CSRS – Employee elected CSRS on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”</p> <p>Second Action: 002/correction to most recent SF-50, Remark C11: “Corrects item 30 from (___)” and C12: “Also corrects same item on all previous action from (date) to (date)”</p>
<p>Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.</p>	

XI. Erroneous FERS Coverage, employee belongs in CSRS Offset: Election between FERS and CSRS Offset, Employee elects FERS	
Election	
Nature of Action	002/Correction to the original appointment or conversion and use same effective date as the original action.
Block 45 Remarks	Remark C18: “Corrects item (number) to read” and then M59: “Erroneous FERS, should have been CSRS Offset – Employee elected to remain in FERS on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”
Default Election	
Nature of Action	002/Correction to the original appointment or conversion and use the same effective date as shown on the original action.
Block 45 Remarks	Remark C18: “Corrects item (number) to read” and then M37: “Employee failed to make an election, coverage is FERS by default on ____ (insert determination date) due to Public Law 106-265 (FERCCA)”
Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.	

XII. Erroneous FERS Coverage, Employee belongs in CSRS Offset: Election between FERS and CSRS Offset, Employee elects CSRS Offset	
Nature of Action	<p>002/Correction to the original appointment or conversion and use the same effective date as the original action. Show correct code in Block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage, prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (___)” and also remark C18: “Corrects item (number) to read” and then M63: “Erroneous FERS, should have been CSRS Offset – Employee elected CSRS Offset on ___ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”</p> <p>Second Action: 002/correction to most recent SF-50, Remark C11: “Corrects item 30 from (___)” and C12: “Also corrects same item on all previous action from (date) to (date)”</p>
<p>Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.</p>	

XIII. Erroneous FERS Coverage, Employee belongs in Social Security Only: Election between FERS and Social Security Only, Employee elects FERS	
Election	
Nature of Action	002/Correction to the original appointment or conversion and use the same effective date as shown on the original action.
Block 45 Remarks	Remark C18: “Corrects item (number) to read” and then M65: “Erroneous FERS, should have been Social Security Only – Employee elected to remain in FERS on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”
Default Election	
Nature of Action	002/Correction to the original appointment or conversion and use the same effective date as shown on the original action.
Block 45 Remarks	Remark C18: “Corrects item (number) to read” and then M37: “Employee failed to make an election, coverage is FERS by default on ____ (insert determination date) due to Public Law 106-265 (FERCCA)”
Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.	

XIV. Erroneous FERS Coverage, Employee belongs in Social Security Only: Election between FERS and Social Security Only, Employee Elects Social Security Only	
Nature of Action	<p>002/Correction to the original appointment or conversion and use the same effective date as shown on the original action. Show correct code in Block 30.</p> <p>If any other actions during the appointment show incorrect retirement coverage, prepare 002/Correction to the most recent SF-50.</p>
Block 45 Remarks	<p>First Action: Remark C11: “Corrects item 30 from (____)” and also remark C18: “Corrects item (number) to read” and then M66: “Erroneous FERS, should have been Social Security Only – Employee elected Social Security Only on ____ (insert date of election), Correction due to Public Law 106-265 (FERCCA)”</p> <p>Second Action: 002/correction to most recent SF-50, Remark C11: “Corrects item 30 from (____)” and C12: “Also corrects same item on all previous action from (date) to (date)”</p>
<p>Refer to Chapter 32 of the Guide to Processing Personnel Actions at www.opm.gov/feddata/persdoc.htm for additional guidance in preparing corrections to personnel actions.</p>
