Subject: FEHB Open Season 2006 Rider Information

Attached is the August 2006 FEHB Open Season Rider. Your agency also should receive the rider through regular printing officer channels. Agencies may order the publications on the attached list by riding the U.S. Office of Personnel Management's requisition. Field and regional offices should submit your requirements to your department or agency Washington, DC, area headquarters printing office before the September 8, 2006, cutoff date. The headquarters office **must** submit the consolidated requisitions to the U.S. Government Printing Office (GPO) by COB September 8, 2006. In order to provide products to our customers on a timely basis, this cutoff date will not be extended. Products will be shipped to agency distribution points beginning October 16.

If you are the headquarters agency and you do not know which customer service team at GPO is assigned to your agency, please call GPO on (202) 512-0111 or use the following link for information: <http://www.gpo.gov/customerservices/aps.htm>.

Note: Field and regional offices with questions regarding submitting requisitions to their agency printing officer should contact their agency headquarters Benefits Officer. Please follow the link for a directory of headquarters level agency benefits officers: <http://apps.opm.gov/abo/>.
