## **PREMIUMS**

The premiums are posted on our website at [www.opm.gov/healthcare-insurance/tribal-employers/benefits-premiums](http://www.opm.gov/healthcare-insurance/tribal-employers/benefits-premiums).

For 2021 there are several FEHB choices where the enrollee share of premiums for the Self Plus One enrollment type will be higher than for the Self and Family enrollment type. Enrollees who wish to cover one eligible family member are free to elect either the Self and Family or Self Plus One enrollment type. Enrollees should carefully check the rates of their current plan and any other plan options they are considering. If the Self and Family enrollee premium is less expensive, they may want to choose that enrollment type.
