PREAMBLE

This AGREEMENT is made by and between Yuma Proving Ground, US Army (hereinafter referred to as the "EMPLOYER") and the International Association of Firefighters (IAFF), Local F-142, (hereinafter referred to as the "UNION") and collectively referred to as the "PARTIES".

SUPPORT OF COMMON GOALS

The PARTIES agree to support, affirmatively and positively, the following major goals common to the EMPLOYER and the UNION: providing for participation by employees in formulating and implementing personnel policies and practices affecting the conditions of employment; safeguarding employee health and safety; developing and using employee skills; promoting work attendance; improving the utilization of time and materials; and improving the labor-management relationships in dealings between employees, the UNION and the EMPLOYER in the conduct of public service as specified in this collective bargaining agreement.

PARTNERSHIP COMMITMENT

The PARTIES recognize the dedicated, professional, and concerned employees of the Yuma Proving Ground Fire Department as the means of providing effective and ever improving fire and emergency services. The PARTIES seek to foster a continuing attitude of cooperation in the workplace and to establish a work environment, which encourages innovation and flexibility. It is the intention of the PARTIES to maintain a safe, healthy, and quality workplace, where people are treated fairly and equitably. We will respect each other and work together to accomplish the EMPLOYER's mission. Both the EMPLOYER and the UNION recognize that, while we have many common interests, we may also have legitimate differences, which must be respected and understood. The EMPLOYER and the UNION resolve not to let specific disagreements affect their positive relationship and this Partnership.

WITNESSETH

WHEREAS, the statutory protection of the right of employees to organize, bargain collectively, and participate through labor organizations of their own choosing in decisions which affect them safeguards the public interest, contributes to the effective conduct of public business, and facilitates and encourages the amicable settlements of disputes between employees and their employers involving conditions of employment;

and

WHEREAS, the public interest requires high standards of employee performance and the continual development and implementation of modern and progressive work practices to facilitate and improve employee performance and efficient accomplishment of the operations of the Government;

and

ARTICLE 7

MATTERS SUBJECT TO CONSULTATION AND AGREEMENT

Section 1. Negotiation. For the purpose of this AGREEMENT, negotiation is defined as bilateral exploration and exchange of views in a good faith effort to reach agreement and to reduce to writing any mutual agreement reached, if requested by either PARTY.

Section 2. Consultation. For the purpose of this AGREEMENT, consultation is defined as any dialogue, oral or written, between the PARTIES, and unlike negotiations, does not require a mutually acceptable compromise between the PARTIES. The EMPLOYER agrees to consult, upon request of the UNION, on matters that are excluded from negotiation by Article 4 of this

AGREEMENT. When consultation occurs, the EMPLOYER agrees to give bona fide consideration to the views that were presented by the UNION when finalizing its position. When engaging in consultation, the EMPLOYER shall at the request of the UNION state its final position in writing, for the record.

Section 3. Matters Subject to Negotiation or Consultation. It is agreed and understood that matters appropriate for negotiation, impact and implementation bargaining or consultation between the PARTIES, are personnel policies and practices and matters affecting the general living and working conditions of employees in the unit, which are within the discretion of the EMPLOYER that include but are not limited to such matters as safety, training, labor-management cooperation, employee services, methods of adjusting/resolving grievances, acquisition of supplies and equipment, design or modification of equipment or buildings that may effect or change living or working conditions in any way, granting leave, trade time, promotion plans, demotion practices, pay procedures, reduction-in-force practices, hours of work, overtime, etc. Whether these matters are subject to substantive bargaining, impact and implementation bargaining or consultation will be in accordance with the requirements of the Statute and this AGREEMENT. Section 4. Implementing Changes. The EMPLOYER agrees that before making a change to existing personnel policies, practices or matters affecting the general working conditions of bargaining unit employees or issuing new or revised Yuma Proving Ground policies, instructions or Yuma Proving Ground Fire Department Procedures (SOPs), a copy of the draft policy, instruction, SOP or change(s) to working conditions will be provided to the UNION at least fourteen (14) calendar days prior to the proposed implementation date. If the UNION has a desire to raise any issues and/or concerns relating to the proposed change(s), the UNION shall notify the EMPLOYER stating so, in writing, of its desire to consult, confer and/or negotiate with respect to the issue at hand, no later than seven (7) calendar days after the UNION'S receipt of the EMPLOYER'S proposal. The UNION'S request for an extension of time shall not be unreasonably denied. If the UNION fails to provide a written request to negotiate or consult, prior to the intended implementation date, the change may be effected by the EMPLOYER. If the UNION does provide a written request to negotiate or consult, the EMPLOYER agrees not to implement changes until consultation or negotiations with the UNION are completed, unless a compelling need exists. In the event that the EMPLOYER claims a change is warranted based on compelling need, the EMPLOYER shall provide the UNION with its reason(s) for stating so, in writing, before implementing any change to policy, practice, procedure, or condition of employment.

Section 5. Points of Contact. The point of contact for the purpose of consultation and/or negotiation with regard to the administration of this AGREEMENT shall be the duly elected Union President or his/her designee and the Fire Chief and/or his/her designee.

ARTICLE 8

A grievance means any complaint by (a) any employee(s) concerning any matter relating to the employment of the employee; (b) the UNION concerning any matter relating to the employment of any employee; or (c) any employee, the UNION, or the EMPLOYER concerning the effect or interpretation or a claim of breach of this agreement, or any claimed violation, misinterpretation, or misapplication of any law, rule, or regulation affecting conditions of employment. In addition, an employee and/or group of employees have the right to present and process a grievance under this procedure on their own behalf. In such cases, the UNION will be afforded the opportunity to have a representative present, on official time, during any and all formal discussions/meetings, between the EMPLOYER and the grievant(s) relating to the grievance filed.

Section 3. Time Limits. If the employee(s), the UNION or the EMPLOYER fails to elevate a grievance within the time limits prescribed within this procedure, the grievance will be considered terminated. However, time limits may be extended by mutual agreement provided that a request for extension is presented in writing prior to the end of the prescribed time limit. Grievance decisions will be made as promptly as possible at each level of consideration described herein. Unless mutual agreement is reached for extending the time limits within which a decision must be rendered, failure to meet the time limits will allow the grieving PARTY to proceed to the next step upon written notification.

Section 4. Commitment. The PARTIES recognize and endorse the importance of bringing to light and resolving grievances promptly. The initiation of a grievance in good faith, by an employee, shall not cast any aspersion on his/her standing with the EMPLOYER or on his/her loyalty and desirability to the organization, nor will the grievance be considered as a negative reflection on the EMPLOYER.

Section 5. Individual Identical Grievances. Except in the case of disciplinary actions, the UNION and the EMPLOYER agree that individual identical grievances will be joined at Step 2 and processed as one grievance throughout the remainder of the procedure. The UNION will select the grievance of one of the employees for processing, and the decision thereon will be binding on all others in the related grievances.

Section 6. Disciplinary or Adverse Actions. The unit employee and the UNION may exercise the right to grieve disciplinary actions under provisions of this AGREEMENT. Adverse actions are also grievable starting at Step 2 of the procedure or are appealable to the Merit Systems Protection Board (MSPB), but not both.

Section 7. Declaration of Non-Grievable/ Arbitrable Issues. In the event that either PARTY should declare a grievance non-grievable or non-arbitrable, the original grievance shall be considered amended to include this issue. All disputes of grievability or arbitrability will be referred to arbitration as a threshold issue in the related grievance.

Section 8. Employee Grievance Procedure. The following procedure is established for the resolution of grievances of all unit employees.

a. **Problem Solving.** A unit employee may present a work-related problem to his/her immediate supervisor before filing a formal grievance under this procedure. If the problem involves a matter or action directly involving the employee's immediate supervisor and the employee is unable to resolve the matter with that supervisor, the employee may present the matter to the next level supervisor. The employee must present the matter within twenty-one (21) calendar days following the date of the act/incident or the employee's knowledge of the

incident. The employee may present a matter of concern regarding a continuing practice or condition at any time.

(1) The supervisor shall consider the employee's problem and attempt to resolve it within fourteen (14) calendar days from the date the problem was brought to the supervisor's attention.

(2) Where appropriate, the employee or the supervisor may request that an on-post mediator, counselor, or neutral third party be called and utilized. If either the employee or the supervisor elects to utilize a neutral, the supervisor shall contact the Civilian Personnel Advisory Center to make the necessary arrangements.

(3) The time limits described herein may be extended by mutual agreement to accommodate resolution of the dispute.

(4) The supervisor's determination and/or response shall be oral or written. If the matter is presented to the supervisor in writing, then the supervisor's response will also be in writing. If the employee is not satisfied with the supervisor's response, then the employee may file a formal grievance at Step 1 of the procedure.

b. Formal Grievance (Employee).

Step 1. If the matter (grievance) is not settled during the problem solving stage of this procedure, the matter (grievance) shall be presented formally, in writing to the Fire Chief, within seven (7) calendar days of the answer at the problem solving stage. The written grievance as a minimum, will contain:

(1) the grievant(s) name, duty assignment and telephone number,

(2) the specific nature of the grievance, including the identification of any provision(s) of this AGREEMENT alleged to have been violated, or, if known, the provision(s) of any law, rule, and/or regulation affecting conditions of employment alleged to have been violated,

(3) evidence to support the grievance,

(4) the employee's summary of the results of the discussion of the informal grievance,

(5) the remedial action desired, and

(6) the name, address, and telephone number of the designated representative.

Within ten (10) calendar days of receipt of the written grievance, the Fire Chief or designated representative shall meet with the aggrieved employee, his/her representative and concerned management personnel to discuss the grievance. The Fire Chief or designated representative will answer the grievance within ten (10) calendar days after the close of the meeting. The Employer's reply to the grievance must be in writing. A copy of the Employer's reply will be furnished to the UNION.

Step 2. If the grievance is not settled at Step 1, the grievance file shall be presented to the Garrison Director and/or designee, through the CPAC, within ten (10) calendar days of the Step 1 answer. Within ten (10) calendar days of the receipt of the written grievance file, the Garrison Director and/or designee will meet with the aggrieved employee, or his/her representative and concerned management personnel to discuss the grievance. The Garrison Director and/or designee will respond to the grievance within ten (10) calendar days after the close of meeting. The reply to the grievance must be given in writing. A copy of the reply will be furnished to the UNION.

Step 3. If the grievance is not settled at Step 2, the entire grievance file shall be presented to the Technical Director, Office of the Commander, or designated representative, through the CPAC, within fourteen (14) calendar days of the Step 2 answer. Within fourteen (14) calendar days of receipt of the written grievance, the Technical Director or designated representative may meet with the aggrieved employee, representative, and concerned management personnel to discuss the grievance. The Technical Director or designated representative shall reply to the grievance within ten (10) calendar days after the close of the meeting. The reply to the grievance must be given in writing. A copy of the decision will be furnished to the UNION.

Step 4. If no settlement is reached at Step 3, the UNION may invoke arbitration pursuant to Article 8 of this AGREEMENT.

Section 9. Evidence and Supporting Documentation. Evidence and supporting documentation which is relevant to the resolution of the grievance may be introduced at any step of the negotiated grievance procedure. For the purpose of this AGREEMENT, evidence includes but is not limited to both the oral and written presentation of facts. Individuals attending grievance meetings will be allowed official time for the duration of scheduled meetings.

Section 10. Employer Documentation and Evidence. The EMPLOYER shall, upon request, provide the UNION with the necessary and pertinent information from the official records to aid in resolving specific grievances insofar as permissible without violating laws or regulations.

Section 11. UNION Grievance Procedure. UNION grievances will be processed in the following manner:

a. **Problem Solving.** Normally, before filing a formal grievance, the UNION will attempt to resolve problems with the Fire Chief or designee. If the problem involves a matter or action directly involving the Fire Chief, the UNION may present the matter to the Garrison Director or designee. If the UNION is not satisfied with the response, then the UNION may file a formal grievance.

b. **Formal Grievance (Union).**

Step 1. If the matter (grievance) is not settled during the problem solving stage, the UNION may initiate a grievance by submitting it in writing to the Garrison Director or designee with a copy to the Director, Civilian Personnel Advisory Center within thirty (30) calendar days of the incident or knowledge of the incident. The UNION President or designee will meet with the Garrison Director or designee within seven (7) calendar

The EMPLOYER may initiate a grievance by submitting it in writing to the UNION President within thirty (30) calendar days of the incident or knowledge of the incident. The representative of the EMPLOYER and the UNION President or designee will meet within seven (7) calendar days of the written submission, and the UNION President will render a written decision within fourteen (14) calendar days after such meeting. If the decision is unacceptable, the matter may be submitted to arbitration in accordance with Article 9 of this AGREEMENT.

Section 13. Grievance Mediation. Prior to arbitration, the PARTIES may jointly request grievance mediation from the Federal Mediation and Conciliation Service (FMCS).

a. The PARTIES agree to use the guidelines for grievance mediation established by FMCS.

b. If the PARTIES voluntarily reach agreement/settlement through grievance mediation, they will be bound by the agreement/settlement as if it were a grievance/arbitration decision. If no agreement/settlement is reached, the moving PARTY may proceed to arbitration by notifying the other PARTY in writing within seven (7) calendar days after participating in the grievance mediation process. The grievance will be submitted for binding arbitration pursuant to Article 8 of this AGREEMENT.

Section 14. Representation. Nothing in this AGREEMENT shall be so interpreted as to require the UNION to represent a unit employee in processing a grievance, or to continue to represent him/her, if the UNION considers the grievance to be invalid or without merit.

ARTICLE 9

ARBITRATION PROCEDURE

Section 1. Statute of Limitations. In the event the EMPLOYER and the UNION fail to satisfactorily settle any grievance under Article 8, the grievance procedure of this AGREEMENT, then such grievance(s), upon written notice by the PARTIES desiring arbitration, shall be referred to arbitration. Section 2. Scope. The PARTIES agree that the issue(s) to be arbitrated shall be no broader in scope than the issue(s) presented during the grievance procedure, except that the PARTIES would not be precluded from introducing background material. The arbitrator shall not change, modify, or add to the provisions of the AGREEMENT; as such right is the prerogative of the contracting PARTIES only. Furthermore, the arbitrator shall not change, modify, alter, delete, or add to the provisions of any law, rule, or regulation affecting conditions of employment.

Section 3. Filing. Within seven (7) calendar days from the date of receipt of a valid arbitration request, the involved PARTIES shall jointly request the Federal Mediation and Conciliation Service to submit a list of seven impartial persons qualified to act as arbitrators. The PARTIES shall meet within seven (7) calendar days after the receipt of such list to select an arbitrator. If they cannot agree upon one of the listed persons, the EMPLOYER and the UNION will each strike one arbitrator's name from the list of seven and shall repeat this procedure. When only one name is left, he/she shall be the duly selected arbitrator.

Section 4. Costs. The cost of the arbitration, to include filing fees with the FMCS, shall be shared equally by the PARTIES. This cost shall include the arbitrator's fee and expenses, transcripts, and the expense of any mutually agreed upon services considered desirable or necessary in connection with the arbitration proceedings. A transcript shall not be made in grievance arbitration hearings unless requested by the arbitrator.

Section 5. Hearing. Normally, the arbitration hearing shall be held at Yuma Proving Ground, at a readily accessible location such as the Fire Stations, or other locations suitable to the PARTIES during the regular day shift hours of the basic workweek. The grievant, not more than two (2) UNION representatives, and witnesses, who are employees of the facility and are in a duty status, shall be granted official time to prepare and participate in the arbitration proceedings without loss of pay or charge to leave.

Section 6. Decision. The PARTIES will require that the arbitrator render the decision as quickly as possible, but in any event not later than thirty (30) calendar days after the conclusion of the hearing, unless the PARTIES otherwise agree.

Section 7. Exceptions. The arbitrator's award will be binding on both PARTIES, except that either PARTY may file exceptions to an arbitrator's award with the Federal Labor Relations Authority (FLRA), under regulations prescribed by the Authority.

ARTICLE 10

UNFAIR LABOR PRACTICE

Section 1. Obligations. The EMPLOYER and the UNION fully recognize their respective obligations and restraints as prescribed in 5 USC Section 7116, the violation of which constitutes an unfair labor practice (ULP).

Section 2. Serving Notice. The PARTIES agree to serve written notice on the other of an unfair labor practice. Shift workers must provide notification no later than one (1) hour prior to the start of their shift. Employees are responsible for informing their supervisor of the expected duration of the absence. Follow up notifications will be required when agreed upon, or if the duration of the absence changes. An employee's family member may notify the supervisor of the absence if it is not medically possible for the employee to do so. Absences for more than three (3) consecutive shifts will be sustained by a medical certificate or personal physician before returning to full duty. Section 3. Appointments. In non-emergency situations, sick leave will be requested in advance for medical and dental appointments and scheduled so as to avoid adverse impact on mission accomplishment.

Section 4. Sick Leave Abuse. The EMPLOYER has the authority and responsibility to monitor sick leave usage. If there appears to be an abuse of sick leave (either through excessive use without a major illness or an established pattern of usage), the following steps will be taken:

a. The supervisor will meet with the employee to discuss the suspected abuse. If this discussion does not resolve the supervisor's concern regarding sick leave usage, the EMPLOYER may require the employee to provide supporting medical documentation to substantiate the sick leave. The employee will be provided up to seven (7) calendar days to do so.

b. If the employee fails to provide the supporting documentation, or if the supporting documentation does not resolve the supervisor's concern, a formal sick leave restriction letter will be issued to the employee. Any sick leave restriction letter will define the restrictions placed on an employee's sick leave usage (i.e., whom to notify when requesting sick leave, the medical documentation required, and the time period of the restriction, up to a maximum of twelve (12) months). Any unsubstantiated sick leave usage during the restriction period may subject the employee to formal disciplinary action. A review of the employee's sick leave usage will take place at the end of the restricted time period. e. Normally, employees who wish to trade time will submit written requests to their supervisors at least one shift prior to the first day of exchange. The EMPLOYER will consider requests which are submitted in an untimely manner because of circumstances beyond the requesting employee's control. This will include the age, type of injury or illness, location of the injury (responding to an incident, on the fire ground, etc.), and the number of work hours lost. The EMPLOYER will sanitize this record by removing the names and other identifying information of the employees. These records will be used by the UNION for submission to the IAFF yearly Death and Injury Survey.

When an employee is injured or incapacitated for duty after reporting for work, the EMPLOYER will assist in making arrangements for his or her transportation home. After the initial evaluation/treatment, the employee may elect to continue medical care with EMPLOYER'S medical care provider or select a private physician. The supervisor and employee will complete the appropriate paper work as required and in a timely manner.

Section 2. Employee Counseling.
