[for strike-out, see MOA dated April 28, 2015 below following text of this Agreement.]

ARTICLE 3 - NEGOTIATIONS

3.1 SCOPE OF NEGOTIATIONS: Subjects appropriate for negotiation between the parties are personnel policies and practices and other matters relating to or affecting working conditions of employees within the unit. The Employer agrees to negotiate with the Union on any new policy or change in established policy prior to implementation. If the change itself is not subject to negotiations, its impact upon employees and procedures for implementing the change will be negotiated. The Employer agrees to give adequate notice to the Union and an opportunity to negotiate any new policy or change in established policy which is proposed during the life of the agreement. Negotiation of procedures to implement decisions which are management rights and impact bargaining on those decisions will also be handled in accordance with this section.

3.2 NEGOTIABILITY QUESTION: The Union has the right to proceed on a negotiability question to the Federal Labor Relations Authority in accordance with Section 7105 (a)(2) (E) of Title 5 U.S. Code and the regulations of the authority and Section 7117 (a), (b), and (c) of Title 5 U.S. code.

Except in emergency situations, the Employer will offer to negotiate the impact of such changes on unit employees prior to implementing the changes.

3.4 BOUNDARIES IN NEGOTIATIONS: In regard to negotiations, Article 2.1, Article 3.1, and Article 4.1 of this Agreement set forth the general boundaries and indicate prerogatives that must be retained by the Employer in order to fulfill its responsibilities for efficient management. However, these limitations on negotiations do not prevent the Union from submitting its views to officials of the Executive Branch, the Congress, or other appropriate authority, or from having its views considered in the formulation of laws, directives, and regulations which affect Federal personnel management.

Both parties to this Agreement have the responsibility of conducting negotiations and other dealings in good faith and in such manner as will further the public interest. Names of the members and alternates on each negotiating committee will be exchanged by the parties seven days prior to the beginning of negotiations. Any changes regarding committee membership will be submitted to the other party as soon as possible, but prior to the beginning day's negotiation in that particular negotiation session. Bargaining unit employees negotiating during regular duty hours on behalf of the Union will be on official duty time.

When the Employer believes that a matter is non-negotiable, it will immediately advise the Union. The Union has the right to appeal to the Authority in accordance with the Authority's regulation.

All agreements or amendments and supplements to this collective bargaining agreement are subject to USDA agency head review and approval.

The Union will make every effort to limit these situations.

The Union will notify the Employer of any changes in steward appointments and will submit a complete list of stewards each January to the Employer.

Stewards will receive and investigate (but not solicit) complaints or grievances during duty hours, being expected to be judicious in the time spent on such matters.

correspondence to the employee and his/her Union representative will be sealed in an envelope marked "to be opened by addressee only".

6.7 TIME LIMITS: Failure of the Employer to observe the time limits stated in his/her grievance procedure shall, at the election of the grievant, advance the grievance to the next step including Arbitration. Failure of the Union or Employee to observe the time limits will constitute termination of the grievance. All time limits in this Article may be extended by mutual agreement.

five (5) impartial persons qualified to act as arbitrators. An information copy of the request will be sent to the other party. MEMORANDUM OF AGREEMENT
BETWEEN THE
UNITED STATES
DEPARTMENT OF AGRICULTURE
RURAL DEVELOPMENT - ARKANSAS
AND THE
AMERICAN FEDERATION
OF
GOVERNMENT EMPLOYEES
LOCAL 108
REGARDING
FURLOUGHS

This Memorandum of Agreement (MOA) amends and supplements the Agreement between the parties and is governed by Chapter 71 of Title 5 of the United States Code, Chapter 71 and by Title 5, Code of Federal Regulations as those directives are modified by any future amendments.

The Parties to this MOA are Rural Development - Arkansas, and AFGE Local 108.

SECTION - A GENERAL PROVISIONS

- (1) Sometimes there are circumstances beyond the control of the Agency which may make it necessary to furlough employees.
- (2) Management has complete authority and responsibility with respect to all decisions regarding the furloughing of employees, including but not limited to, the specific employees furloughed, the days, dates, and times of the furlough, and the duration of the furlough.
- (3) By agreeing to this MOA, the Union does not waive any individual employee's rights.
- (4) The Agency shall implement furloughs in accordance with the applicable governing statutes, rules and/or regulations, and Office of Personnel Management Guidelines ("law") current at the time of the furlough.
- (5) This MOA addresses the policy and procedures associated with two (2) types of furloughs: (a) Shutdown or Emergency Furloughs; and (b) Save Money Furloughs.
- (6) Upon receiving official notice of a potential furlough, the Agency shall notify the Union, as soon as practical, of the following:

- (a) Whether the furlough is a Shutdown (also called Emergency) or a Save Money Furlough;
- (b) The expected beginning date of the furlough; and
- (c) The expected duration of the furlough.

(7) For every furlough, the Agency will compile a list of excepted employees. When that list is finalized and approved, the Agency will provide the union with a list of the excepted employees (those employees not subject to the furlough) at or around the same time the information will be provided to the excepted employees.

(8) During the period of a Shutdown (or Emergency) Furlough, an employee shall be regarded as in furlough status during the employee's normal Tour of Duty and Work Schedule, including Compressed Work Schedules, Alternative Work Schedules, Part-Time Work Schedules and associated Off Days. To the best of the Agency's ability, the Agency will refer to furlough periods in terms of hours rather than days.

(9) During a furlough, and unless contrary to law, leave status will be handled as follows:

- (a) Annual, sick, court, military leave, credit or compensatory time, shall be suspended during the term of the furlough.
- (b) Employees on approved leave without pay (LWOP) will remain on LWOP.
- (c) Permit employees on Continuation of Pay (COP) status to remain on COP status.
- (d) Permit employees to accept outside employment while on furlough, provided that such outside employment does not pose a conflict of interest with their official USDA RD duties. Employees wishing to engage in outside employment should refer to the Office of Ethics website at www.usda.gov/ethics; and
- (e) Employees on LWOP under the Family Medical Leave Act (FMLA) during the furlough will continue to be charged LWOP and the time will count towards the 12 week entitlement, as required by applicable law. However, employees on FMLA but in a pay status, must be placed on furlough instead, and the furlough time will not reduce the 12 week entitlement period.

(10) Based on the length of the furlough, the Agency shall adjust Performance Plan Standards accordingly.

(11) The Agency shall not use furloughs as punishment or discipline in lieu of other means of addressing behavior, conduct, or performance.

(12) All time periods within which a party may or must act pursuant to the terms of the Collective Bargaining Agreement shall be tolled for the duration of any furlough.

SECTION – B SAVE MONEY FURLOUGHS

(1) If the Agency must furlough employees as a means of addressing a budget shortfall, the Agency may solicit volunteers to be placed in extended Leave Without Pay (LWOP) status; or

- (2) If the Agency must furlough employees as a means of saving or reducing expenditures, the Agency shall:
- (a) Solicit volunteers to work reduced hours in conjunction with LWOP; and
 - (b) Allow affected employees to choose which work days shall serve as their furlough days, with advanced approval of a supervisor and in accordance with agency leave request requirements.
- (3) Management reserves the right to deny a request for LWOP.
- (4) Should an insufficient number of employees in a work unit volunteer for LWOP and the Agency must furlough employees in that work unit, the Agency shall furlough employees by reverse seniority, where the least senior employees are the first employees furloughed. In determining an employee's seniority, the Agency shall use the Retirement Service Computation Date.

SECTION - C SHUTDOWN (EMERGENCY) FURLOUGHS

- (1) As soon as a Shutdown (or Emergency) Furlough is announced, the Agency shall provide all non-essential employees with all relevant and necessary instruction and information available to the Agency.
- (2) All non-essential employees shall report to work on the first day of the Shutdown (or Emergency) Furlough for an orderly shutdown. This shall be a period of four (4) hours or as long as is required to complete the tasks necessary for an orderly shutdown, whichever is less;
- (3) As often as practical, the Agency shall keep employees apprised of the status of the furlough.
- (4) Employees on scheduled leave at the conclusion of the furlough may remain on leave until their previously scheduled return. to duty date.
- (5) Non-essential employees will be paid for the Shutdown (Emergency) Furlough days only to the extent permitted by Congress. Excepted employees will be paid and non-essential employees will be paid for any time worked pursuant to C-2 above, but not until a continuing resolution or appropriation is enacted.
