This Agreement is made by and between the Naval Air Warfare Center Weapons Division, Point Mugu Site, Point Mugu, California, hereinafter referred to as "the Employer" and Local R12-33, National Association of Government Employees, hereinafter referred to as "the Union" or "the Labor Organization", collectively referred to as "the Parties."

PREAMBLE

In accordance with the Provisions of the Civil Service Reform Act of 1978, hereinafter referred to as "The Act," and in consideration of the mutual covenants herein set forth, the Parties hereto, intending to be bound, hereby agree as follows:

WHEREAS, it is the intent of both Parties to promote, preserve and improve the efficient administration of the Federal Service and the well being of the employees within the meaning of the Act; to establish a basic understanding relative to personnel policies, practices and procedures and matters affecting working conditions; and to provide a means for amicable and reasonable discussion and adjustment of various matters of mutual interest at the Naval Air Warfare Center Weapons Division, Point Mugu Site, Point Mugu, California.

NOW, THEREFORE, the Parties hereto agree as follows:

ARTICLE 1

RECOGNITION AND UNIT DESCRIPTION

SECTION 1. The Union is the exclusive representative of all employees within the Unit defined in Section 2 below. The Union recognizes its responsibility to represent the interest of all unit employees, regardless of their organizational affiliation and membership, with respect to personnel policies, practices, procedures, or other matters affecting general working conditions, covered by the negotiated grievance procedure.

SECTION 2.

Included in the unit are:

All Wage Grade and General Schedule employees employed by the Naval Air Warfare Center Weapons Division, Point Mugu Site, Point Mugu, California.

Excluded are:

Professional employees and employees described in 5 USC 7112 (b)(2), (3), (4), (6) and (7).

ARTICLE 2

PROVISIONS OF LAW AND REGULATIONS

SECTION 1. The Parties agree that the administration of all matters covered by the Agreement will be governed by:

- a. Existing or future laws;
- b. Existing Government-wide rules and regulations;
- c. Existing agency rules or regulations;
- d. Future Government-wide or agency rules or regulations, which do not conflict with the terms of this agreement.

ARTICLE 3
EMPLOYER-UNION RELATIONS

SECTION 1. This Agreement has been negotiated in the spirit of problem resolution and reflects collective bargaining in labor-management relations. It is the intent of both Parties that labor-management conflicts arising during the life of this Agreement be resolved promptly, equitably, and at the lowest possible level.

SECTION 2. Both Parties will place emphasis on effective labor-management relations.

ARTICLE 4

MATTERS APPROPRIATE FOR DISCUSSIONS AND NEGOTIATIONS

SECTION 1. Matters appropriate for negotiation and/or discussion are personnel policies and practices or other matters affecting conditions of employment.

a. Negotiation is defined as a good-faith effort by the Parties to reach a written agreement. Included in this negotiation process is the ability of either party to seek assistance from the Federal Services Impasses Panel (FSIP).

SECTION 2. The Employer will give the Union an opportunity to negotiate with respect to personnel policies, practices, or matters affecting working conditions in accordance with the Act. Matters excluded from negotiations are management rights in Article 5 of this Agreement.

SECTION 3. The following procedures will apply if the Employer proposes a change in conditions of employment:

a. Prior to the planned implementation date the Employer shall notify the Union Officer assigned to that Competency and the Union President of the proposed change(s) in conditions of employment. The Union and the Employer shall meet within fifteen (15) calendar days from the date the Union receives notification of the proposal.

b. Both parties shall be prepared to discuss the proposed change(s) at the first meeting.

c. If the Union does not meet the provisions of Section 3 a. and b. above, the Employer may implement the proposed change(s) without further delay.

d. Reasonable extensions of time under this Article will be made for good cause provided that the total time involved does not cause an unreasonable delay or excessively interferes with the exercise of a management right. Requests for extensions must be made prior to the expiration of any time limit or established due date.

e. Full and open discovery of information pertinent to a proposal shall be the goal of the Union and the Employer. Upon request and to the extent not prohibited by law, the Employer will furnish data to the Union which is relevant, necessary, and reasonably related to negotiations. Requests for information by the Union will be put into writing and submitted to the Labor Relations Officer (Point Mugu site). Each request will clearly identify the information requested.

f. If a dispute arises with respect to requests for information the Labor Relations Officer and Union President will meet and attempt to resolve the dispute.

SECTION 4. Meetings may be held as the need arises and as mutually agreed by the Parties, between representatives of the Employer and the Union to discuss personnel policies and practices, matters affecting conditions of employment of Unit employees, and any questions which may arise concerning the interpretation and application of this Agreement.

SECTION 5. The Parties recognize that a free flow of information is necessary to resolve issues at the lowest possible level and agree to encourage open discussion between appropriate Union representatives and management officials for that purpose.

ARTICLE 5

In the event that Executive Order 12871 is rescinded or superseded during the life of this contract, any obligation to negotiate over these subjects will be in accordance with the law as currently defined in 5 U.S.C. 7106(b)(1).

b. Procedures which officials of the Employer will observe in exercising any authority under this Article; or

c. Appropriate arrangements for employees adversely affected by the exercise of any authority under this Article by such officials.

Requests for data will be made and provided in the manner outlined in Article 4 Section 3e.

SECTION 7. It is agreed that the Union will not rely solely on the Employer's resources for research; however, the Union will on an occasional and as-needed basis be granted access to research materials which are available at the office of the Point Mugu Labor Relations Officer, Code 731000E. Access to such resources will be granted upon request to the extent that they are available for use and such use will not interfere with operational requirements of the Employer.

Article 7

RIGHTS AND RESPONSIBILITIES OF EMPLOYEES

SECTION 1. Each employer will have the right to form, join or assist any labor organization, or to refrain from any such activity, freely and without fear of penalty or reprisal. Each employer will be protected in the exercise of such rights. Each member of the Unit will have the right:

SECTION 4. An employee shall be provided, upon his/her written request, a copy of any material placed in his/ her Official Personnel Folder to which he/she is entitled under applicable regulations and which he/she has not been previously received the original document. This provision does not apply to documents which are generated by the employee, i.e., resumes (or SF-131, OF-612). In such cases the employee is responsible for obtaining a copy of the document for his/ her records prior to submitting it to the Employer. Copied material will be provided within a reasonable period of time. Payment for copies will be in accordance with the SECNAV Instruction on the Privacy Act.

SECTION 5. Employees will be provided with a copy of adverse materials that may be entered in the employee's personnel jacket. Employees will be provided with a copy of such material prior to its being placed in the Official Personnel Folder. Adverse materials having a specified time limit for retention in an employee's personnel jacket will be removed and disposed of in the manner provided in applicable regulations.

SECTION 6. Nothing in this Agreement will require an employee to become or remain a member of the Union, or to pay money to the Union except pursuant to a voluntary written authorization by the employee for payment of duties through payroll deductions. Procedures for the withholding of Union dues deductions are outlined in Article 34 of this Agreement.

SECTION 7. ARTICLE 8

UNION REPRESENTATION

SECTION 1. The Employer agrees to recognize the following representatives of the Union: Union President [one (1)], officers and stewards, as designated by the Union. The Union will provide to the Employer a current list of all officers and authorized stewards. Each Union representative will be identified by name, code assignment, and telephone extension. - a. The Union president is authorized 100% official time to perform representational duties for the life of the current contract.
- b. No overtime will be authorized for the Union president to perform representational functions. However, the Union president will be assigned overtime in his/her respective work area, subject to the provisions of Article 15, section 2.
- c. The Union president shall submit all requests for leave to his/her first level supervisor in accordance with applicable provisions of Articles 17 and 18; laws; rules; regulations; and the current leave instruction.

SECTION 3. If the Employer alleges abuses regarding official time in this Article, the issue will be discussed and resolved between the President of the Union and the Point Mugu Labor Relations Officer, Code 731000E. If the Parties cannot resolve the dispute, the areas of disagreement will be described in writing and will include the facts surrounding the issue(s). Following this, the Parties will meet one additional time to attempt resolution prior to proceeding to arbitration as specified in Article 31.

SECTION 4. Approval of official time will be given on a case-by-case basis depending upon whether (1) the work needs of the Employer permit the release of the Union representative, and (2) the amount of official time being requested is reasonable, necessary, and in the public interest. Any requests for official time in excess of four (4) hours will be submitted verbally or in writing, to the Point Mugu Labor Relations Officer.

SECTION 5. Union representational duties will be conducted promptly and efficiently. Union stewards or officers will, whenever practical, attempt to obtain information and answer questions by telephone. When it is necessary for a Union official to leave the work site to conduct labor management relations business, permission must be obtained from the immediate supervisor prior to leaving.

a. Bonafide requests shall be approved unless work requirements necessitate the services of the employee/Union representative. When it is necessary to leave the worksite there will be a clear understanding relative to the time of departure from the worksite and estimated time of return to the worksite. The employee will leave a phone number with the Employer where he/she can be reached.

b. Union Stewards and officers will inform their immediate supervisor as soon as they return to their worksite. In the event that the immediate supervisor is not available, the returning report will be made to the next higher level supervisor in the management chain. Time sheets shall be annotated with the appropriate job order number for Union representational functions.

c. If contact with a Unit employee is necessary, permission must be obtained from the supervisor of the employee to verify that the person he/she wants to see is available and that workload will permit the visit at the time requested. Supervisors will give permission promptly unless workload considerations will not permit. In the event that the immediate supervisor is not available, permission will be requested of the next level supervisor in the management chain.

SECTION 6. Negotiations between the Union and management will normally be conducted during regular working hours. For purposes of negotiations, the Union will be entitled to a number of representatives equal to the number of management representatives, unless waived by the Union. Union representatives who are in a duty status will be on official time, subject to the provisions of Section 4 of this Article.

SECTION 7. The Employer agrees that national representatives of NAGE will be permitted to visit local Union officials at reasonable times and on appropriate business. The Union agrees to notify the Point Mugu Labor Relations Officer, Code 731000E, in advance of the intended visits.

SECTION 8. The Union may submit appropriate orientation material to be included in the package of information provided to new hires.

ARTICLE 9

EQUAL EMPLOYMENT OPPORTUNITY PROGRAM

SECTION 1. The Union and the Employer recognize the necessity for an Equal Employment Opportunity Program. The Parties affirm the President's policy on Equal Employment Opportunity and agree to actively support and pursue those objectives.

ARTICLE 10

EMPLOYEE ASSISTANCE/SUBSTANCE

ABUSE

SECTION 1. The abuse of alcohol is a recognized problem in which both Parties share an interest and obligation. The Employer and the Union agree that accomplishment of the Employer's national defense mission requires the highest standards of competence, reliability and integrity. Consistent with Executive Order 12564, Federal employees who use illegal drugs must themselves be primarily responsible for changing their behavior and if necessary, begin the process of rehabilitating themselves. The parties agree that in accordance with Public Law 101-336, employees who are currently engaging in the illegal use of drugs shall not be considered a "qualified individual with a disability".

SECTION 2. The Employer will maintain an Employee Assistance Program (EAP) which will provide for initial assessment, counseling, and referral for treatment as appropriate. The confidentiality of an employee's contact with or referral to EAP will be protected as consistent with applicable laws and regulations.

SECTION 3. Employees and members of their family may utilize the services of the EAP through self-referral to address issues of substance abuse, relationship problems, dysfunctional behavior or other personal concerns of similar nature.

SECTION 4. The Employer recognizes alcoholism and drug abuse as treatable health problems. Therefore, leave will be granted for the purpose of treatment or rehabilitation in accordance with applicable law and regulations. Any leave granted for treatment or rehabilitation will not delay any appropriate administrative action by the Employer.

SECTION 5. It is recognized by both parties that Public Law 101-336 significantly changed the treatment of employees who engage in the use of illegal drugs and those who are alcoholic. For example, employees who engage in the illegal use of drugs and those who are alcoholic may be held to the same qualification standards for employment or job performance and behavior that other employees are held to, even if any unacceptable performance or behavior is related to the drug use or alcoholism of such employee.

SECTION 6: The Employer's substance abuse program is aimed at the rehabilitation of persons who may be suffering from a progressive disorder. Therefore, the Employer will provide reasonable accommodation to accomplish this objective insofar as it does not contribute to the progression of the illness or

potentially jeopardize government personnel, property, operations, or security.

ARTICLE 11

EMPLOYEE MORALE

SECTION 1. Supervisors will ensure that employees are advised of changes or newly established office/shop rules and procedures, after proper notification to the Union.

SECTION 2. Employees may use the base telephone services to make calls during working hours consistent with the guidelines provided in NAWCWPNSINST 2060.1 or any superseding instruction. Toll calls using government phones and long distance calls originated from off-shore Islands are permissible; however, employees will reverse charges or use credit cards.

SECTION 3. The Union and the Commanding Officer, Naval Air Weapons Station, Point Mugu, or his designee, will meet every month to discuss issues of concern. The Union shall submit an agenda at least one (1) week in advance of the scheduled meeting. Dependent upon the issues submitted on the agenda, management representatives from other Competencies may attend these meetings to address issues that are raised within their Competencies. The length of these meetings is subject to the Commanding Officer's or his designee's schedule.

ARTICLE 12

HEALTH AND SAFETY

SECTION 1. The Employer will provide and maintain a safe and healthy place of employment in accordance with applicable laws and regulations. The Parties will encourage all employees to perform their work in a safe manner. It is the responsibility of all employees in the course of performing their regularly assigned duties to be alert to unsafe and/or unhealthful practices, equipment or conditions and to report any alleged unsafe and/or unhealthful practices, equipment or conditions to their immediate supervisor. If the corrective action initiated by the immediate supervisor does not satisfactorily resolve the situation, the employee(s) or Union representative may submit the matter orally or in writing to the Head, Occupational Safety and Health (OSH) Department for appropriate action. The Head, OSH Department shall ensure that all reports brought to his/her attention are investigated. Alleged imminent danger situations shall be investigated within 24 hours. Potentially serious situations shall be investigated within 3 work days. While the OSH Department is conducting their investigation into alleged unsafe and/or unhealthful practices, equipment or conditions, the affected operations will cease until such time as certified safe, in writing, by the OSH Department. If the employee or Union representative is not satisfied with the response of the OSH Department, the Union may submit the matter under the grievance procedure or utilize other appropriate action. This does not preclude the Union from discussions with appropriate management officials for early resolution.

SECTION 2. The employee has the right to decline a task because of reasonable belief that there is an imminent risk of death and insufficient time for hazard reporting and abatement actions.

SECTION 3. The Employer will exert every reasonable effort to provide expeditious medical treatment by competent, trained medical personnel.

SECTION 4. Personal Protective Equipment will be provided by the Employer in accordance with applicable Navy Directives. Management agrees that the Naval Air Warfare Center Weapons Division, Point Mugu site, will handle all hazardous waste and/or infectious material in accordance with Environmental Protection Agency, Federal, State and County regulations.

ARTICLE 13

TRAINING

SECTION 1. It is mutually agreed that the training of employees is of vital interest to both the Employer and the Union. The purpose of training is to increase the skills of employees, and to assist employees in learning new technologies in their trade and/or profession. Management reserves the right to determine training requirements, and the numbers, types, and skill levels of employees to receive training.

SECTION 2. The Employer will ensure that resources and information are available to employees regarding career-related training, and the Employer's policies and procedures with respect to such training. Training opportunities will be provided in a fair and equitable manner consistent with the Employer's needs and course criteria as well as the qualifications and work experience of the employees involved.

SECTION 3. The Employer will plan for retraining of employees when necessary because of planned management changes in organization, function or mission and to provide such necessary on-the-job cross training or formalized training as is practicable and within available resources. Training will not be used to facilitate preselection.

SECTION 4. The Employer will provide 440 hours to Union Officers/Stewards each calendar year to attend Union-sponsored training, subject to workload considerations. Requests for official time for training shall be submitted to the Point Mugu Labor Relations Officer, Code 731000E. Each request will identify the number of hours, code, and the name of the Union Official/Steward for whom the time is being requested. Training requirements that exceed the 440 hours must be submitted in writing to the Point Mugu Labor Relations Officer, Code 731000E, for approval. Government transportation may be provided on a case-by-case basis. Per diem costs will be borne by the Union.

SECTION 5. Where practical, in accordance with Department of the Navy or applicable regulations, the Employer will provide mandatory training courses to employees.

ARTICLE 14

HOURS OF WORK

SECTION 1. The Employer retains the right to assign employees to job sites, positions and tours of duty.

SECTION 2. Tour of duty is defined as the hours of a day (daily tour of duty) and the days of an administrative workweek (weekly tour of duty) that constitute an employee's regularly scheduled administrative workweek. Regularly scheduled administrative workweek is defined as a period of seven consecutive calendar days designated in advance by the Employer. In general, with the exception of approved deviations to the Compressed Work Schedule, basic workweeks will be scheduled in accordance with applicable instruction(s). The basic pay period for full-time employees consists of 80 hours.

SECTION 3. Employees may volunteer or express a preference for a given shift. In so far as it would not result in a negative impact, as determined by the Employer, an employee's preference will be granted. Where there are two or more equally qualified employees who could fulfill a given requirement, the Employer will, if practical, honor the preference of the employee having the greater seniority (service computation date).

SECTION 4. Air Traffic Controllers work schedules will be posted at least 15 calendar days in advance of the monthly schedule, unless a national emergency arises.

SECTION 5. Consistent with the nature of the work being performed, time for clean-up will be allowed as necessary prior to the lunch period and/or end of the workday.

SECTION 6. Time spent by Union officials, within their normal tour of duty, for the purpose of representational duties or other official Union business provided for by law and/or this Agreement which has been approved shall be considered as hours of work.

SECTION 7. Scheduling of test operations requiring late on the last scheduled workday of the week and weekend overtime on San Nicolas Island is recognized as an inconvenience to SNI employees and their families. However, the necessity for the Command to perform its mission cannot be subjugated. Considering these two issues, such tests will be scheduled as far in advance as possible and/or practical. Operations scheduled to be completed by or prior to the end of normal working hours on the last scheduled workday of the week may be extended into overtime if considered to be in the best interest of the Government by the Sea Range Scheduling Office, or higher authority. Any operation schedule change, which would result in additional weekend overtime requirements on SNI, made after 1200 hours on the last scheduled

workday of the week, of the weekend involved, must be approved by the Head of the Sea Range Office Test Planning Branch or his/her designee.

ARTICLE 15

OVERTIME

SECTION 1. Overtime work will continue to be paid pursuant to law and regulation, including all shift differentials and premium pay where applicable.

SECTION 2. The Employer will determine when overtime is to be performed, the numbers, types and skills of employees required to perform the overtime work. Overtime will be distributed fairly and equitably subject to effective mission accomplishment. Records showing the overtime distribution shall be maintained and available for review by employees.

SECTION 3. Employees will be notified as far in advance as possible of all scheduled overtime. In cases of unscheduled overtime, it is recognized that at times little advance notice may be possible. In either case, scheduled or unscheduled overtime, volunteer staffing may be sought to meet overtime requirements. The Employer retains the right to order any employee to work overtime. However, an employee will be excused upon request by his supervisor from overtime assignments if there is another fully qualified employee, who is available and willing to serve in his/her place. If an employee is called back to work to perform unscheduled overtime duties, such overtime performed will be considered to be at least two (2) hours in duration for overtime pay purposes.

SECTION 4. When an employee is required to work overtime in excess of four (4) hours beyond the end of his regular work day without sufficient advance notice of four (4) hours, the Employer will allow a fifteen (15) minute break. The Employer reserves the right to assign work to employees on a break if necessary.

SECTION 5. Each employee who is required to work overtime, without prior notice, will be allowed one telephone call home of short duration at government expense.

SECTION 6. When the Employer changes a position's Fair Labor Standards Act Status from non-exempt to exempt status, the Employer will provide the incumbent of that position with the Union's telephone number, proper forms, written appeal procedures and the address for the regional Office of Personnel Management.

SECTION 7. If an employee due to an inordinate requirement for overtime believes that he or she is medically unable to continue to effectively perform their duties they may request relief from

their supervisor and/or referral to the Branch Medical Clinic for a determination and medical recommendation.

SECTION 8. If there is a break in duration of more than two hours between the end or beginning of an employee's regularly scheduled work and overtime work, the employee will not be compensated. If there is a break in duration of less than two hours between the end or beginning of an employee's regularly scheduled work day and the overtime work, the employee will remain in a duty status and will be compensated at the appropriate overtime rate.

SECTION 9. Overtime will be distributed within a work site in accordance with Section 2 of this Article before overtime is assigned to an employee outside that work site. However, management reserves the right to assign work subject to effective mission accomplishment.

SECTION 10. Lunch periods will normally be scheduled and taken between the hours of 1100 and 1300. If workload requirements preclude an employee from taking a lunch break, the employee will be compensated at the appropriate overtime rate.

ARTICLE 16

HOLIDAYS

SECTION 1. Employees will be entitled to holiday benefits consistent with applicable regulations, in connection with all Federal holidays now prescribed by law and any that may be added by law. Holidays designated by Executive Order shall be observed as legal holidays.

SECTION 2. Pay for holiday work will be computed in accordance with applicable laws and regulations.

ARTICLE 17

ANNUAL LEAVE

SECTION 1. Employees shall accrue and be granted annual leave in accordance with applicable laws and regulations. Annual leave will be granted when the Employer determines that the workload/manpower balance so permits. Leave approved for a portion of a day may be charged in increments of one-quarter (0.25) of an hour (15 minutes).

SECTION 2. Annual leave, including leave that will accrue to an employee during the year, may be granted at any time during the year, at the request of the employee and upon approval of the supervisor. Annual leave will normally be requested well in advance of the time being requested. In the Message Center, requests for annual leave will normally be submitted at least 72 hours in advance of time requested. Requests for annual leave for vacation purposes shall be made early in the calendar year. The Employer will respond to such requests within thirty (30) days. The Employer will develop tentative schedules for annual leave for the purposes of planning. Other requests for annual leave will be submitted to the supervisor in as far advance as possible.

SECTION 3. When due to an unforeseen emergency an employee needs to use leave which was not previously requested and approved by the supervisor, the employee is responsible for notifying his/her supervisor and requesting approval for his/her absence. Notification should normally be made by the scheduled start of their shift, but no later than one hour after. In the Security Department, Fire Department, Air Traffic Control, the Base Pool, and the power plant and heating/boiler route areas of the Public Works Department, notification is required at least 30 minutes prior to the beginning of the employee's scheduled work shift. If the supervisor is not available, the employee will inform the acting supervisor or officially designated point of contact that he/she is requesting emergency annual leave and the reason for the request. Failure of an employee to inform the supervisor or officially designated point of contact may result in the employee being placed in an Absent Without Leave (AWOL) status.

SECTION 4. Previously approved annual leave will only be rescheduled due to valid operational requirements. Employees will be provided with an explanation of the reasons for the change. Written explanation of the reason for the denial will be given if specifically requested by the employee.
