

CFC MEMORANDUM 2018-03

February 6, 2018

TO: 2015 PRINCIPAL COMBINED FUND ORGANIZATIONS AND LOCAL FEDERAL COORDINATING COMMITTEES

**FROM: ANTHONY DECRISTOFARO
DEPUTY DIRECTOR, COMBINED FEDERAL CAMPAIGN**

SUBJECT: CFC DESIGNATIONS AND ACTUAL DISBURSEMENTS TO WOUNDED WARRIORS IN ACTION FOR 2015 CFC FINAL REQUEST

Either the data provided by your organization was not complete or a response to our December 2017 data request was not provided. As such, we require your organization to provide the following no later than February 21, 2018. This is related to the request for a review of the pledges and actual distributions attributed from the 2015 campaign to the Wounded Warriors in Action charity (CFC # 94512). In 2015, the charity was a member of the Military Support Groups of America federation (CFC #22789).

Note: We are NOT seeking any data from your organization about what the federation distributed to the charity. Many of you made that comment in your reply. Rather, we require you to report total designations to Wounded Warriors in Action and actual distributions to the Military Support Groups of America federation.

Please provide the complete data to OPM on the attached form. PLEASE DO NOT print, hand fill, copy, scan, FAX, or mail this form. Forms received in this way cannot be processed by the Office of CFC and will be returned. In the email message forwarding the completed form, please include an explanation regarding what happened to the discrepancy between pledges and actual funds disbursed to the charity through its federation. If you feel you are receiving this notification in error, please re-send your original submission to cfc@opm.gov. **This information is due to OPM by 5 p.m. EST February 21, 2018.**

Thank you.
