SUBJECT: 1999 Medicare Match

The Office of Personnel Management (OPM) and the Social Security Administration (SSA) recently completed this year’s Medicare Match. The match is done through an OPM-SSA agreement whereby OPM and SSA payment rolls are matched annually to identify persons on the annuity rolls maintained by OPM who are also Medicare beneficiaries.

Coordination of benefits with Medicare is contractually required of all Federal Employees Health Benefits (FEHB) plans. To help you in your coordination of benefits efforts we share the Medicare Match data with you. When used as part of a vigorous coordination of benefits program, the match information facilitates proper benefit payments and prevents excessive charges to the FEHB Program.

The Reports

We will send the match reports to the person your carrier designated as the appropriate address for receiving the data. See Enclosure A. If the designation was incorrect, please notify your OPM contract specialist immediately.

The 1999 match data on your annuitant enrollees will be sent to you by March 30, 1999. The 1999 match data we send to you will be hard-copy reports (or printouts). The hard copy (or printouts) will have the birth dates in the old format: yy/mm/dd.

In addition, larger plans will get the data by cartridge tape or diskette. (See Enclosure A.) Cartridge tapes and diskettes will be Year 2000 compliant. We will use the National Institute of Standards and Technology format -- YYYYMMDD --for the birth dates. Although the OPM-SSA match was done in the old format, we are converting the data to the NIST standard before sending the cartridge tapes and diskettes to you.
Match Agreement

Before we can send the match data to you, you must have a Match Agreement Acceptance form on file. By completing Enclosure B, you accept the terms of the OPM-SSA match agreement to protect the privacy of individuals whose personal records are included in the match and to safeguard the data files on which the records are stored. You must submit a form this year if either of these reasons for submitting a new form applies:

(a) Your carrier began its first contract year under FEHBP on January 1, 1999, or

(b) You have reason to believe the acceptance form we have on file is now improper, for instance, if you have had a major reorganization, merger or sale of assets since you submitted the last form.

When either reason applies, please have the acceptance form signed by a contracting official and return it to Agnes Kalland, Office of Insurance Programs, PO Box 707, Washington, DC 20044 within 2 weeks of the date of this letter. The completed and returned form will represent your carrier’s acceptance of the terms of the OPM-SSA agreement to protect the privacy of individuals whose personal records are included in the reports and to safeguard the data files on which the records are stored.

If you have a current acknowledgment form on file here at OPM, you do not need to complete another agreement; we will send your match data as usual.

If you have any questions about the Medicare match, please contact Agnes Kalland at akalland@opm.gov or on 202/606-0159.

Sincerely,

Frank D. Titus

REMARKS

We will prepare each plan Enclosure A separately and will FedEx letters as we get them prepared. We will start with the plans that will get their Match data on diskette or cartridge tape. We want them to be ready to accept the birth dates in the new Y2K-compliant format. For the other plans there is not much change from last year.

Please return the letter to me after signature for preparation/mailing. Thanks much.
