Fee-for-service [20] Experience-rated HMO [23] Community-rated HMO [24]

SUBJECT: Brochure Development, Production, and Distribution for 2002

Here are your instructions for typesetting, printing, and distributing your 2002 FEHB brochure.

You and your OPM contract specialist have finished negotiating benefit changes for year 2002 and are working on the text of your 2002 FEHB brochure. When you finish, your OPM contract specialist will email you a copy of the negotiated text. Please review the text carefully and completely because it is your responsibility to:

- ✓ ensure the accuracy of the benefits, limitations and exclusions in the text, and
- ✓ make sure the page numbers in the Table of Contents, Summary Page, Index, and text are correct. Note: The front cover does not have a page number; begin numbering with page 2.

Enclosure 1 is a sample rate page. Use this to set-up the back cover of your brochure. Your contract specialist will give you your rates when they are available.

Developing your brochure

1. As soon as you and your OPM contract specialist agree on the brochure text, your contract specialist will email final text to you. After that, you may not change the text on your own.
2. Use the enclosed formatting instructions to typeset your brochure.
 - Review Enclosure 2A (fee-for-service) or Enclosure 2B (HMO). Use these representative sample brochure cover and text pages for formatting, font size, and shading percentages. Do not use these enclosures to develop content. For text changes, use the "Working copies of pattern brochures" on www.opm.gov/carrier.
 - Review Enclosure 3 for more guidance about typesetting the brochure cover. Note: Covers vary slightly depending on whether your plan has one or two options, one or more rating areas, a company logo, or accreditation, and on whether you need a special notice on your cover. Nevertheless, we expect that information common to all plans will be displayed uniformly on all FEHB brochure covers.

Printing your brochure

3. After the above steps, when you are assured that the brochure is properly typeset and is accurate and complete, you may have the brochure printed. Review Enclosure 4; it includes these printing specifications:

- Size: 17" x 11" folded to 8 1/2" x 11". Fold may be glued or saddle stitched at manufacturer's option. Single leaves connected with a lip (i.e., binding stub) are not allowed.
- Ink color: Standard Black
- Paper color: White
- Paper type and weight: Offset Book -- sub 40 or 50, Chemical Wood Writing, sub 20
- Printing: Head to Head
- Margins: Not less than 0.5" any margin

Distributing your brochures

4. Carefully review Enclosure 4; it has detailed distribution and shipping specifications. Note: Complying with our shipping instructions will help assure that your brochures arrive at their destinations in excellent condition and are accepted by the agencies.
5. *Fee-for-service* carriers use the Brochure Quantity Form (a sample is included at Enclosure 5A) to determine how many brochures to send and where to send them. Your OPM contract specialist will send you the list in the next few weeks.

HMO carriers use the Brochure Quantity Form (a sample is included at Enclosure 5B) to determine how many brochures to send. Your OPM contract specialist will send you the completed form in the next few weeks.

Use the appropriate shipping label (Enclosure 6) to distribute the printed brochures. Print the labels on pink paper. Labels must show how many brochures you are shipping to each location.

6. **By October 5, 2001**, email your FEHB brochure in PDF format to us at anvicom@opm.gov, using an Adobe Acrobat 3.0 compatible file. Please name the file using your FEHB brochure number located at the bottom right corner of your FEHB brochure cover. For example,
 - Blue Cross and Blue Shield Service Benefit Plan would be numbered 71-005, and
 - Secret Service Benefit Plan would be 72-011, while
 - MD-Individual Practice Association, Inc. would be 73-100.
7. We will post your PDF formatted brochure on our web page before Open Season. See Enclosure 7 for details on creating the PDF version of your brochure.
8. Ship your brochures for receipt by **October 15, 2001**. Send brochures to:
 - a) Your OPM contract specialist.
 - b) National Computer Systems, which is OPM's annuitant distribution center. Use the Cedar Rapids shipping label.
 - c) IFMC Information Systems, which is DoD's distribution center. Use the Grimes, Iowa shipping label. Note: Send to this place only if you are in the DoD/FEHB Demonstration Project in 2002.
 - d) Federal agencies. Federal agencies' headquarter offices will contact HMOs directly to order brochures and tell you where to send them.

Note: You must send each current FEHB enrollee a brochure and provider directory. The only stipulation is that they must be received before Open Season starts on November 12, 2001.

9. We will attach a copy of your printed FEHB brochure as Appendix A to your 2002 FEHB contract.
10. Next summer, when reconciling community-rated plans' rates, our actuaries will use the number on the Brochure Quantities Form that your OPM contract specialist calculates to determine how much we will reimburse for printing costs. This is also the number experience-rated plans may charge against your FEHB contract.

We appreciate your support and cooperation in conducting a successful Open Season. Please call your OPM contract specialist with questions about brochure production and distribution.

Sincerely,

Abby L Block
Assistant Director
for Insurance Programs

2002 Rate Information for ABC Benefit Plan

Non-Postal rates apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and special FEHB guides are published for Postal Service Nurses (see RI 70-2B); and for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable FEHB Guide.

② Section 2. How we change for 2002

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits. *{Plan - add from below all that apply, along with your changes.}*

⑤ Program-wide changes

- We added a new Section after Section 11 to discuss the Long Term Care Insurance Program that is coming in 2002.
- We no longer limit total blood cholesterol tests to certain age groups. (Section 5(a))
- We now cover routine screening for chlamydial infection. (Section 5(a))
- We increased speech therapy benefits by removing the requirement that services must be required to restore functional speech. (Section 5(a))
- We now cover certain intestinal transplants. (Section 5(b))
- We clarified the brochure to show why we think you should use generic drugs whenever possible. We move other language around within the Prescription drugs section but didn't change its meaning. (Section 5(f))
- We changed the address for sending disputed claims to OPM. (Section 8)
- We clarified the Medicare Primary Payer Chart to explain how we coordinate benefits for former spouses. (Section 9)
- We clarified other language about coordinating benefits with Medicare. (Section 9)

Changes to this Plan

- Your share of the non-Postal premium will [decrease][increase] by xx% for Self Only or xx% for Self and Family.
- We added a logo from an accrediting organization to our brochure cover because we are accredited by.....
- We clarified the brochure to better explain that the non-PPO benefits are the standard benefits of this Plan, that PPO benefits apply only when you use a PPO provider, and that when no PPO provider is available, non-PPO benefits apply.
- We clarified the Preventive care, adult benefits by removing the entry for blood lead level testing for adults because it is a test more typically done for children. (Section 5(a))
- We clarified the Family planning and Infertility benefits by providing more examples of covered and not covered benefits. (Section 5(a))
- We clarified Surgical procedures to show that we cover a comprehensive range of services, such as operative procedures. (Section 5(b))

Section 3. How you get care

⑧ Identification cards

⑤ We will send you an identification (ID) card. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at xxx-xxx-xxxx.

Where you get covered care

You can get care from any “covered provider” or “covered facility.” How much we pay – and you pay – depends on the type of covered provider or facility you use. If you use our preferred providers, or our point-of-service program, you will pay less.

⑤ • Covered providers

We consider the following to be covered providers when they perform services within the scope of their license or certification: *{Insert your list}*

Medically underserved areas. Note: We cover any licensed medical practitioner for any covered service performed within the scope of that license in states OPM determines are "medically underserved." For 2002, the states are: Alabama, Idaho, Kentucky, Louisiana, Mississippi, Missouri, New Mexico, South Carolina, South Dakota, Utah, and Wyoming. *{Reminder: These providers must now include pastoral counselors--see Carrier Letter 2000-45}*

• Covered facilities

Covered facilities include: *{Plan specific list moved here from 2000 brochure's Definitions}*

- Hospital
- xxxxxxx

What you must do to get covered care

It depends on the kind of care you want to receive. You can go to any provider you want, but we must approve some care in advance.

Transitional care:

Specialty care: If you have a chronic or disabling condition and

- lose access to your specialist because we drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan, or
 - lose access to your PPO specialist because we terminate our contract with your specialist for other than cause,
- you may be able to continue seeing your specialist and receiving any PPO benefits for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can

8 When you are age 65 or over and you do not have Medicare

5 Under the FEHB law, we must limit our payments for those benefits you would be entitled to if you had Medicare. And, your physician and hospital must follow Medicare rules and cannot bill you for more than they could bill you if you had Medicare. The following chart has more information about the limits.

8 If you...

- **5** are age 65 or over, and
- do not have Medicare Part A, Part B, or both; and
- have this Plan as an annuitant or as a former spouse, **or** as a family member of an annuitant or former spouse; and
- are not employed in a position that gives FEHB coverage. (Your employing office can tell you if this applies.)

8 Then, for your inpatient hospital care,

- **5** the law requires us to base our payment on an amount -- the "equivalent Medicare amount" -- set by Medicare's rules for what Medicare would pay, not on the actual charge;
- you are responsible for your applicable deductibles, coinsurance, or copayments you owe under this Plan;
- you are not responsible for any charges greater than the equivalent Medicare amount; we will show that amount on the explanation of benefits (EOB) form that we send you; and
- the law prohibits a hospital from collecting more than the Medicare equivalent amount.

8 And, for your physician care, 5 the law requires us to base our payment and your coinsurance on...

- an amount set by Medicare and called the "Medicare approved amount," or
- the actual charge if it is lower than the Medicare approved amount.

If your physician...	Then you are responsible for...
Participates with Medicare or accepts Medicare assignment for the claim and is a member of our PPO network,	your deductibles, coinsurance, and copayments;
Participates with Medicare and is not in our PPO network,	your deductibles, coinsurance, copayments, and any balance up to the Medicare approved amount;
Does not participate with Medicare,	your deductibles, coinsurance, copayments, and any balance up to 115% of the Medicare approved amount

It is generally to your financial advantage to use a physician who participates with Medicare. Such physicians are permitted to collect only up to the Medicare approved amount.

If your physician or hospital tries to collect more than allowed by law, ask the physician or hospital to reduce the charges. If you have paid more than allowed, ask for a refund. If you need further assistance, call us.

Here are some important things you should keep in mind about these benefits:

- **⑤** Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- **⑤** The calendar year deductible is: \$275 per person (\$550 per family). The calendar year deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply. *{If you want, you can say, "We added asterisks - * - to show when the calendar year deductible does not apply."}*
- **⑤** The non-PPO benefits are the standard benefits of this Plan. PPO benefits apply only when you use a PPO provider. When no PPO provider is available, non-PPO benefits apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works, with special sections for members who are age 65 or over. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

2Section 6. General exclusions – things we don't cover

5 The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless we determine it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

We do not cover the following:

- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest *{plan specific—can vary somewhat; discuss with contracts specialist }*;
- Services, drugs, or supplies related to sex transformations; or
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

{{Insert other “General Exclusions” that apply—your contract specialist will help you edit for plain language and necessity – BE SURE TO PUT “; or” after the next to last entry and then a period after the last entry}}

②Section 7. Filing a claim for covered services

⑧How to claim benefits

⑤To obtain claim forms or other claims filing advice or answers about our benefits, contact us at _____, or at our website at www.xxx.

In most cases, providers and facilities file claims for you. Your physician must file on the form HCFA-1500, Health Insurance Claim Form. Your facility will file on the UB-92 form. For claims questions and assistance, call us at xxx.

When you must file a claim -- such as for overseas claims or when another group health plan is primary -- submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Name of patient and relationship to enrollee;
- Plan identification number of the enrollee;
- Name and address of person or firm providing the service or supply;
- Dates that services or supplies were furnished;
- Diagnosis;
- Type of each service or supply; and
- The charge for each service or supply.

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.

In addition:

- You must send a copy of the explanation of benefits (EOB) from any primary payer (such as the Medicare Summary Notice (MSN)) with your claim.
- Bills for home nursing care must show that the nurse is a registered or licensed practical nurse.
- Claims for rental or purchase of durable medical equipment; private duty nursing; and physical, occupational, and speech therapy require a written statement from the physician specifying the medical necessity for the service or supply and the length of time needed.
- Claims for prescription drugs and supplies that are not ordered through the Mail Service Prescription Drug Program must include receipts that include the prescription number, name of drug or supply, prescribing physician's name, date, and charge.

2 Section 8. The disputed claims process

{NOTE: For step numbers below, sample below is 16pt Tahoma. But as long as the numbers stand out and look balanced, it won't matter what type face you use.}

5 Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization/prior approval:

5 Step	Description
--------	-------------

- | | |
|----|--|
| 91 | 5 Ask us in writing to reconsider our initial decision. You must: <ol style="list-style-type: none">Write to us within 6 months from the date of our decision; andSend your request to us at: <i>{{Plan address}}</i>; andInclude a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andInclude copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms. |
|----|--|

- | | |
|----|--|
| 92 | 5 We have 30 days from the date we receive your request to: <ol style="list-style-type: none">Pay the claim (or, if applicable, arrange for the health care provider to give you the care); orWrite to you and maintain our denial -- go to step 4; orAsk you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3. |
|----|--|

3 You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

4 If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

② Section 2. How we change for 2002

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits. *{Plan -- add from below all that apply, along with your changes }*

⑤ Program-wide changes

- We added a new Section after Section 11 to discuss the Long Term Care Insurance Program that is coming in 2002.
- We no longer limit total blood cholesterol tests to certain age groups. (Section 5(a))
- We now cover routine screening for chlamydial infection. (Section 5(a))
- We increased speech therapy benefits by removing the requirement that services must be required to restore functional speech. (Section 5(a))
- We now cover certain intestinal transplants. (Section 5(b))
- We clarified the brochure to show why we think you should use generic drugs whenever possible. We moved other language around within the Prescription drugs section but didn't change its meaning. (Section 5(f))
- We changed the address for sending disputed claims to OPM. (Section 8)
- We clarified the Medicare Primary Payer Chart to explain how we coordinate benefits for former spouses. (Section 9)
- We clarified other language about coordinating benefits with Medicare. (Section 9)

Changes to this Plan

- Your share of the non-Postal premium will [decrease][increase] by xx% for Self Only or xx% for Self and Family.
- We clarified the Preventive care, adult benefits by removing the entry for blood lead level testing for adults because it is a test more typically done for children. (Section 5(a))
- We clarified the Family planning and Infertility benefits by providing more examples of covered and not covered benefits. (Section 5(a))
- We clarified Surgical procedures to show that we cover a comprehensive range of services, such as operative procedures. (Section 5(b))

Section 3. How you get care

⑧ Identification cards

⑤ We will send you an identification (ID) card. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at xxx.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductibles, and/or coinsurance, {←Plan specific} and you will not have to file claims. {POS, if any, make plan specific:} If you use our point-of-service program, you can also get care from non-Plan providers, or from participating providers without a required referral, but it will cost you more.

⑤ • Plan providers

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards. {Plan specific to modify entire paragraph, and add primary/specialist/etc}

We list Plan providers in the provider directory, which we update periodically. The list is also on our website. {Plan specific to modify entire paragraph, and add primary/specialist/etc}

• Plan facilities

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website. {Plan specific - list optional}

What you must do to get covered

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. {insert information here about how to select the physician.}

• Primary care

Your primary care physician can be a {insert types, i.e. – family practitioner, internist or pediatrician}. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

• Specialty care

Your primary care physician will refer you to a specialist for needed care. **When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral.** However, you

Here are some important things to keep in mind about these benefits:

- **5** Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- **5** Plan physicians must provide or arrange your care.
- **5** The calendar year deductible is: *{plan specific}* \$275 per person (\$550 per family). The calendar year deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply. . *{If you want, you can say, “We added asterisks - * - to show when the calendar year deductible does not apply.”}*. *{If HMO – if you don’t have deductible, remove this check mark or say “We have no calendar year deductible.”}*
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

②Section 6. General exclusions – things we don't cover

⑤ The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

*[[Alternate ending for plans with precertification/prior approval:]] . . . or condition and we agree, as discussed under *What Services Require Our Prior Approval* on page xx.*

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest *{plan specific—can vary; discuss with contract specialist }*;
- Services, drugs, or supplies related to sex transformations; or
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

{{Insert other “General Exclusions” that apply—your contract specialist will help you edit for plain language and necessity – BE SURE TO PUT “; or” after the next to last entry and then a period after the last entry}}

②Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible. *{Plan specific}*

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

⑧Medical and hospital benefits

⑤In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at xxx.

When you must file a claim -- such as for out-of-area care -- submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer --such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your claims to: *{{insert Plan address}}*

Prescription drugs

{Insert Plan-specific process; if same as above, change the header in the above to "Medical, Hospital and Drug benefits"}

Submit your claims to: *{{insert plan address}}*

Other supplies or services

{Insert Plan-specific process, such as dental, DME, vision, chiropractic; if same as above, don't put this header in}

Submit your claims to: *{{insert plan address}}*

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

2 Section 8. The disputed claims process

{NOTE: For step numbers below, sample below is 16pt Tahoma. But as long as the numbers stand out and look balanced, it won't matter what type face you use.}

5 Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

5 Step	Description
--------	-------------

- | | |
|----|---|
| 91 | 5 Ask us in writing to reconsider our initial decision. You must: <ol style="list-style-type: none">Write to us within 6 months from the date of our decision; andSend your request to us at: {{Plan address}}; andInclude a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andInclude copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms. |
|----|---|

- | | |
|----|--|
| 92 | 5 We have 30 days from the date we receive your request to: <ol style="list-style-type: none">Pay the claim (or, if applicable, arrange for the health care provider to give you the care); orWrite to you and maintain our denial -- go to step 4; orAsk you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3. |
|----|--|

3 You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

4 If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division 3, 1900 E Street, NW, Washington, DC 20415-3630. {PO Box being discontinued. Now use zip+4 extensions. Others: Division 1...20415-3610; Division 2...20415-3620}

Additional Guidance for Typesetting Brochure Cover

The following information supplements the enclosed sample covers, and provides you and your typesetter with additional guidance in setting your cover.

Your logo: Insert your logo as shown on the sample covers (Enclosure 2), in the upper left corner of the page, above the heavy horizontal line. You are not required to display a logo.

Our logos: Insert other art work for the cover page (the OPM and FEHB logos, and the "Spike & Scroll" graphic that tells members where to find the change page) as shown on the sample covers (Enclosure 2). Download bitmap files for artwork from the "Working Copies of Pattern Brochures" area on our Carrier web page -- www.opm.gov/carrier.

Logo Sizes:

- Your plan logo may not be larger than 0.75" x 0.75" or 0.50" x 1.50".
- Print the Spike & Scroll graphic at 1.53" High x 1.50" Wide. Note: You must typeset the words, "For changes in benefits see page(s)____ ." inside the Spike & Scroll graphic.
- Print the OPM logo (seal plus text) at 0.89" High x 2.88" Wide. **Note: 1) The OPM logo has changed -- from the rectangle logo to the round seal. 2) The logo is complete -- it has the logo plus the text that goes with it.** The sizes noted here are for the logo with text combination.
- Print the FEHB logo at 1" wide (automatic height).

Name: Center your Plan's name in bold type between the logo and the year. If the Plan's name is different from last year, center "Formerly _____" directly below the Plan name in 12 point type.

Service area: After "Serving:", insert a general description of your service area locations, in normal face (not bold). Include general names in this description, not a detailed service area description. Include the name of a large city or town, if any, to help potential enrollees place the area. For example, say "Northeastern Ohio, near (town)" not each of the counties in the service area. If you have multiple service areas and codes, insert a general description of the area served by each code in normal face above "Enrollment code:"

Enrollment code: Put your Plan's 3-character enrollment codes (e.g., ZZ1, ZZ2; or, if it had two options, ZZ1, ZZ2, ZZ4, ZZ5) in bold face under "Enrollment code." If you have more than one carrier code, be sure each code matches the area description above it.

Accreditation: If your plan has accreditation from the National Committee for Quality Assurance (NCQA), the Joint Commission on Accreditation of Healthcare Organizations (JCAHO), and/or the American Accreditation Healthcare Commission (URAC), you may display their seal(s) on your brochure cover as indicated on the sample covers. Obtain these seals from the respective accrediting organizations. If your plan has been accredited by another organization, you may also display their seal on the cover. (Note: The FEHB Guide will only show accreditation for the three organizations listed above.) If you have more than one enrollment code and not all service areas have been accredited, show the seal for each service area that is accredited, beside the entry for the service area. The indicated text that accompanies the seals is in 9 point normal face type.

Brochure #: In the lower right corner, below the FEHB logo, insert the Plan's brochure number in bold face with any leading zeros that may be necessary to conform to our 5-digit brochure numbering conventions (e. g., RI 73-056). Your contract specialist will provide this number if you are a new plan.

Special Notice: If your OPM contract specialist instructs you to put a special notice on your cover, box the special notice and center the box above the OPM Web address, as in the sample.

Web address: If you have a web address, display it directly below your Plan name.

Printing, Distribution, and Shipping Specifications for FEHB Brochures

*****Printing*****

Size:	17" x 11" folded to 8 1/2" x 11"; fold may be glued or saddle stitched at manufacturer's option. Single leaves connected with a lip (i.e., binding stub) are not allowed.
Ink Color:	Standard Black
Paper Color:	White
Paper Type and Weight:	Offset Book - sub 40 or 50, or Chemical Wood Writing, sub 20
Printing:	Head to Head
Margins:	Not less than 0.5" each.

*****Distribution*****

1. As soon as the brochures are printed, your first priority is to express mail a supply of printed brochures to your OPM contract specialist at the Office of Personnel Management, Office of Insurance Programs, 1900 E Street NW, Room 3424, Washington, DC 20415-0001. These copies are needed for administrative purposes and should be sent at the earliest possible time. Your OPM contract specialist will tell you how many brochures to send and will indicate this number on your Brochure Quantity Form.
2. Your second priority is to ship brochures to OPM's distribution center at National Computer Systems (NCS) in Cedar Rapids, Iowa for the annuitant Open Season. We have enclosed a shipping label to ship your brochures to this address. For HMOs, your OPM contract specialist will tell you how many brochures to send and will indicate this number on your Brochure Quantity Form. For FFS carriers, the number of brochures you should ship to NCS will be contained in this year's Agency Quantities Distribution List.
3. If your plan is participating in the DoD/FEHBP Demonstration Project, your third priority is to ship brochures to DoD's distribution center at the Iowa Foundation for Medical Care (IFMC) in Grimes, Iowa. We have enclosed a shipping label for you to use when you ship your brochures to Grimes.

For HMOs participating in the DoD/FEHBP Demonstration Project, your OPM contract specialist will tell you how many brochures to send to IFMC and will indicate this number on your Brochure Quantity Form.

For FFS carriers, the number of brochures you should ship to IFMC will be contained in this year's Agency Quantities Distribution List.

Remember to do the following:

- Reproduce all benefit brochure shipping labels on pink paper. This allows agencies to easily distinguish benefit brochures from other open season materials such as FEHB Guides.
- **Do not** include any supplemental literature in your shipments to either Iowa location. It will not be forwarded to annuitants that request your brochure.
- The maximum quantity per box is determined by weight. Up to 40 pounds per box is acceptable.

HMOs: Your shipments to the locations mentioned above, and on page 1, and to local agency distribution points **MUST** reach their destinations by **October 15, 2000**. We have also enclosed a blank shipping label for your use in shipping brochures to local agencies.

FFS Plans: We will send you a copy of this year's Agency Quantities Distribution List soon. Enclosed is a blank shipping label for your use in shipping brochures to agency shipping points. You **MUST** ship all material to any point outside the continental United States, including Alaska and Hawaii, by priority air freight or air parcel post. These destinations are identified as Priority Code 1 on the distribution list and you must ship them first, along with your shipment to OPM. Brochures for the two Iowa distribution centers are Priority Code 2. Ship Priority Code 3 items last. All items **MUST** reach their destinations by **October 15, 2000**.

****Shipping****

Packaging: Brochures must be shrink-wrapped.

Labeling: The shipping label shall be applied to one end of the container (never top, sides, or bottom), as shown, to facilitate identification of the contents in storage depots. The label will identify the contents of the box. ***Mark the number of brochures in the box on the label, as indicated.***

Packing:• Pack shipping containers solidly, with the brochures laid flat on the bottom of the container; never stand them on end. The contents must be in solid contact with the top and bottom of the container to prevent wrinkling and crushing in shipping and storage operations.

- You must add “Open-cell-pads” or layers of corrugated board to ensure both vertical and lateral stability when the brochures do not fit snugly in the container. Use top and bottom pads of corrugated fiberboard.
- Top and bottom flaps must be closed and fastened firmly with water-resistant adhesive suitable for the purpose. Apply adhesive over not less than 50% of the area of contact between the inner and outer flaps. The bottom flaps may be stapled instead of sealed, provided this is done before the container is packed.
- Further seal all shipping containers with a minimum 3" wide Class 2, Type I asphaltic, or Type 11 non-asphaltic glass or sisal filament reinforced tape. On each container, put a strip of the above tape running center seam-wise the length of the container and a strip running girth-wise, over-taping the end of each strip approximately 3 inches.
- Each filled container **may not exceed 40 pounds** in weight. Boxes weighing more than 40 pounds may be refused upon delivery to agency distribution points.

Palleting: See attached Stringer and Deckboard Design for Type III, Four-way (Partial) Flush Pallet. Call your OPM contract specialist to obtain additional palleting instructions if you are shipping substantial quantities of brochures to any one delivery point and have further questions. Agencies may reject large brochure shipments that are not palleted when installations are not equipped or staffed to handle them.

Note:

1. We strongly recommend press and bindery inspections.
2. Address any questions on distribution, packing, and shipping to your OPM contract specialist.

Special Brochure Shipments for HMOs

The quantity of your Plan's brochures that are shipped to these special locations are chargeable to the FEHB Program for contract year 2002. All brochures must reach their destinations by October 15, 2001.

Instructions for the Creation of Adobe Acrobat PDF Versions of the Plan Brochures

The following instructions are for the production of the Acrobat PDF versions of the plan brochures for 2002. This year we are adding a requirement for the addition of certain navigational aids to all brochures. Some plans have already been adding these navigational aids on their own, as they make their brochures much more user friendly. This year we would like all plans to use these aids.

Once you have produced the PDF file, open it in Acrobat to add these enhancements.

Note on Compatibility

All PDF versions of plan brochures are to be fully compatible with Adobe Acrobat Reader 4. This is best achieved by producing the brochures using Acrobat 3 or 4. If you are using Acrobat 5, you can set the options in Acrobat Distiller to produce Acrobat 4 compatible PDF files. But then when you open the brochure in Acrobat 5 to add the navigation enhancements and save it again, the file may no longer be compatible with Acrobat 4.

Thumbnails

Thumbnails are very easy to add to the PDF file. To view them, use the  icon in Acrobat 3 or the  icon in Acrobat 4 followed by the thumbnails tab. You may find that you already have them, as Acrobat Distiller can be set to produce thumbnails automatically when it produces the PDF file. If you need to add them:

Acrobat 3 - Under the “Document” menu click on “Create All Thumbnails”.

Acrobat 4 – Display the blank thumbnails. Right click in this window and choose “Create all Thumbnails.”

Bookmarks

Bookmarks are a major navigational tool that must be added to your PDF file manually.¹

To view them, use the  icon in Acrobat 3 or the  icon in Acrobat 4 followed by the bookmarks tab. They should have at least the level of detail of the brochure table of contents. The following procedure is recommended for creating the bookmarks in the plan brochures.

- With a printed copy of the table of contents in front of you, and the bookmarks window open, go to the page in the PDF file which is referenced by the first entry in the table of contents..
- Adjust the page view (magnification and location of the page on the screen) to that which you want the user to see after choosing the bookmark. This is usually with the heading near the top of the page.
- Highlight the text that you want to appear in the bookmark. To do this, you must be in the text selection mode (entered by pressing the  icon in Acrobat 3 or the  icon in Acrobat 4).
- Hold down the control key and press “b”. This creates the bookmark with the selected text.²
- Move to where you want to next bookmark and repeat this process.
- Bookmarks should be indented in a manner similar to the table of contents. To move an entry either up or down in the hierarchy, left click on the page icon at the left of the bookmark and, holding your mouse button down, move the mouse

pointer up slightly until you see a short underline under the bookmark above the one that you are adjusting. Move your mouse pointer left or right until that underline is at the location where you want the new entry to be located, then release the mouse button. Subsequent bookmarks that you make will remain at this level until you select a new level in the manner described.

Links from the Table of Contents

Each entry in the Table of Contents should be a live link that will take the user to that section of the brochure. Preparing the bookmarks in the manner described above first will make this task much easier.

- Make sure that the bookmark window is open and the beginning of the table of contents is on the screen.

¹ If you create the PDF file using Acrobat 5 for later enhancement with Acrobat 4, you will find that Acrobat 5 has automatically created bookmarks. They will not be satisfactory, however, and must be deleted and replaced with manually created bookmarks.

² In Acrobat 3 only the first line of a multi-line heading can be inserted into the bookmark in this manner. You will need to then add the rest of the heading to the bookmark text manually. In Acrobat 4 you can select multiple line headings to be added automatically to the bookmark text. Note that bookmarks have a maximum length of 128 characters.

- Go into the hyperlink mode by clicking on the  icon.
- Use the mouse pointer to outline the area that you are making into a live link.

- Select the Appearance Type “Invisible Rectangle” (this selection only needs to be made once each session).
- Click on the bookmark that is the equivalent to the table of contents item that you are linking from. This will take you to that page and view.
- Click on “Set Link”.
- You will be returned to the Table of Contents page that you are working on as soon as you click on the “Set Link” button.
- Repeat by outlining the next table of contents item, selecting that location from the bookmarks, and setting the links.

OPTIONAL ENHANCEMENT: You may want to make your table of contents entries blue, or blue and underlined, so that users who are familiar with working with web pages will recognize them as links. If you are using Acrobat 3 you will have to color and underline the text before creating the PDF file. In Acrobat 4, however, you can change the text color while you are creating the links, although underlining will still have to be added before the PDF file is created..

Make Web Addresses into Live Links

Any web addresses (URLs) included in your brochure should be made into live links. We don’t expect that you will have many of these – most likely only the one to your plan web site.

- Make sure the web address is blue or blue and underlined. To change the text color in Acrobat 4 (**only**):

- Choose the text editing mode (the  icon).
- Click on the line that you want to edit, then highlight the words that you want to color.
- Right click on your selection and choose “Attributes”.
- Change the text color here:

by clicking on the down arrow and selecting a color.

- Close the text attributes window.
- In link creation mode (), outline the area to be made into a link.
- Under “Action Type” choose “World Wide Web Link”.
- Enter the full web address, preceded by <http://>, and then click on the OK button.
- Click on “Set Link.”

The same thing can be done with any email addresses that appear in your brochure, substituting <mailto:> for the <http://>.

Make Cross-References into Live Links *(Optional)*

We recommend that you make any internal cross-references in the booklet into live links to that section.

Add Live Links to the Index *(Optional)*

You may also wish to make all index entries into live links to the referenced pages.
