Important Notice from HMO Health Ohio About

Our Prescription Drug Coverage and Medicare

OPM has determined that the HMO Health Ohio's prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your HMO Health Ohio coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your HMO Health Ohio plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (November 15th through December 31st) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048).

Introduction

This brochure describes the benefits of HMO Health Ohio under our contract (CS 2015) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. The address for HMO Health Ohio administrative offices is:

Medical Mutual of Ohio, dba HMO Health Ohio
2060 East Ninth Street
Cleveland, Ohio 44115-1355

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2011, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2011, and changes are summarized on page 8. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means HMO Health Ohio.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM’s “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehwebcomments@opm.gov. You may also write to OPM at the U.S. Office of Personnel Management, Insurance Operations, Program Planning & Evaluation, 1900 E Street, NW, Washington, DC 20415-3650.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care providers, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Please review your claims history periodically for accuracy to ensure services are not being billed to your accounts that were never rendered.

- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

Call the provider and ask for an explanation. There may be an error.

If the provider does not resolve the matter, call us at 800/522-2066 and explain the situation.

If we do not resolve the issue:

CALL ¾ THE HEALTH CARE FRAUD HOTLINE

202-418-3300

OR WRITE TO:

United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC20415-1100

- Do not maintain as a family member on your policy:

Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or

Your child age 26 or over (unless he/she was disabled and incapable of self-support prior to age 26).

- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That’s about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2.Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines that you take, including non-prescription (over-the-counter) medicines.
- Tell them about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask your pharmacist about the medication if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3.Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4.Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5.Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - “Exactly what will you be doing?”
 - “About how long will it take?”
 - “What will happen after surgery?”
 - “How can I expect to feel during recovery?”
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications you are taking.

Patient Safety Links

- www.ahrq.gov/consumer/ The Agency for Healthcare Research and Quality makes available a wide-ranging list of topics not only to inform consumers about patient safety but to help choose quality health care providers and improve the quality of care you receive.
- www.npsf.org. The National Patient Safety Foundation has information on how to ensure safer health care for you and your family.

- www.quic.gov/report/toc.htm. Find out what federal agencies are doing to identify threats to patient safety and help prevent mistakes in the nation's health care delivery system.

Never Events

You will not be billed for inpatient services related to treatment of specific hospital-acquired conditions or for inpatient services needed to correct never events, if you use (Plan Specific) preferred providers. This new policy will help protect you from preventable medical errors and improve the quality of care you receive.

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that will encourage hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen called "Never Events". When a Never Event occurs neither you nor your FEHB plan will incur costs to correct the medical error.

Section 1. Facts about this HMO Health Ohio Plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the Plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

This plan is a "non-grandfathered health plan" under the Affordable Care Act. A non-grandfathered plan must meet immediate health care reforms legislated by the Act. Specifically, this plan must provide preventive services and screenings to you without any cost sharing; you may choose any available primary care provider for adult and pediatric care; visits for obstetrical or gynecological care do not require a referral; and emergency services, both in- and out-of-network, are essentially treated the same (i.e., the same cost sharing, no greater limits or requirements for one over the other; and no prior authorizations).

Questions regarding what protections apply may be directed to us at HMO Health Ohio, 800/522-2066. You can also read additional information from the U.S. Department of Health and Human Services at www.healthcare.gov.

We have Open Panel benefits

Our HMO offers Open Panel benefits. This means you can receive covered services from your primary care physician, if elected, or by another participating provider in the network.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

Your rights

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM's FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Medical Mutual of Ohio is the oldest health insurance company in Ohio. HMO Health Ohio has been in existence since January 1, 1989.
- HMO Health Ohio has over 20,071 participating physicians.
- Medical Mutual of Ohio has been awarded three-year Excellent accreditation status for HMO Health Ohio by the National Committee for Quality Assurance (NCQA), a leading independent evaluator of health plans.

If you want more information about us, call 800/522-2066, or write to HMO Health Ohio, P.O. Box 6018, Cleveland, Ohio 44101, Attn: HMO Member Services. You may also contact us by fax at 216/687-7885 or visit our Web site at medmutual.com.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is:

The Ohio counties of Ashland, Ashtabula, Carroll, Columbiana, Cuyahoga, Geauga, Holmes, Huron, Lake, Lorain, Medina, Portage, Richland, Stark, Summit, Tuscarawas and Wayne.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2011

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program wide changes

- Several provisions of the Affordable Care Act (ACA) affect eligibility and benefits under the FEHB Program and FSAFEDS beginning January 1, 2011. For instance, children up to age 26 will be covered under a Self and Family enrollment. Please read the information in Sections 11 and 12 carefully.
- We have reorganized organ and tissue transplant benefit information to clarify coverage.
- We have reorganized Mental health and substance abuse benefits to clarify coverage.

Changes to this Plan

- Your share of the non-Postal premium will increase for Self Only.
- Your share of the non-Postal premium will increase for Self and Family.
- We will provide coverage for smoking cessation drugs under the prescription drug program.
- We have eliminated the \$20 office visit copayment for preventive services, screenings and immunizations.

Section 3. How you get care

Identification cards We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation letter (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 800/522-2066 or write to us at HMO Health Ohio, P.O. Box 6018, Cleveland, Ohio 44101, Attn: HMO Member Services. You may also request replacement cards through our Web site: medmutual.com.

Where you get covered care You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductible, and/or coinsurance. If you use our Open Panel program, you can receive covered services from either your primary care physician, if elected, or by another participating provider in the network.

- **Plan providers** Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our Web site.

- **Plan facilities** Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our Web site.

What you must do to get covered care It depends on the type of care you need. It is recommended that you and each family member choose a primary care physician. This decision is important as your primary care physician can provide or arrange for most of your health care.

- **Primary care** Your primary care physician can be a physician, or group of physicians, trained in family or general practice, internal medicine, pediatrics or osteopathic medicine who has a contractual obligation with HMO Health Ohio to provide the primary care services listed in this brochure.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care** Your primary care physician, if elected, may determine during consultation with a specialist that you need continuing care, and a treatment plan may be approved by your primary care physician and the specialist. The treatment plan may limit the number of visits to the specialist, limit the period of time that the visits are authorized, or require that the specialist provide your primary care physician with regular reports on the health care provided to you. For mental conditions and substance abuse, call HMO Health Ohio Behavioral Health Care Management Department at 800/258-3186.

Here are some other things you should know about specialty care:

- If you are seeing a specialist when you enroll in our Plan, talk to a HMO Health Ohio Provider. Your physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate in our Plan, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate in our Plan.

- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, if elected, or HMO Health Ohio, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - Terminate our contract with your specialist for other than cause; or
 - Drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program Plan; or
 - Reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

• **Hospital care**

Your HMO Health Ohio physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

• **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 800/522-2066. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

• **Services requiring our prior approval**

For certain services, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process precertification. Your physician must obtain approval before sending you to a hospital or recommending follow-up care for growth hormone therapy (GHT).

It is recommended that your physician obtain prior medical review for the following services to ensure that they will be covered, inpatient hospital admission, skilled nursing facility admission, home health care services, PET scans and MRI/MRAs of the cervical, lumbar and thoracic spine and lower extremity joints, growth hormone therapy, mental health and substance abuse services, speech therapy and treatment of morbid obesity “by bariatric surgery”.

Section 4. Your costs for covered services

This is what you will pay out-of-pocket for covered care

Copayments

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services.

Example: You pay a copayment of \$20 per office visit or outpatient therapy session.

Cost-sharing

Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

Deductible

We have no deductible.

Coinsurance

We have no coinsurance.

Your catastrophic protection out-of-pocket maximum

Your out-of-pocket expenses for benefits under this Plan are limited to the stated copayments required for a few benefits.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Summary of benefits for the HMO Health Ohio - 2011	60

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay
Diagnostic and treatment services	
Professional services of physicians <ul style="list-style-type: none"> • In physician's office • In an urgent care center • Office medical consultations • Second surgical opinion 	\$20 per office visit
Professional services of physicians <ul style="list-style-type: none"> • During a hospital stay • In a skilled nursing facility 	Nothing

Nothing
<i>Not covered: Independent nursing, homemaker services</i>	<i>All Charges</i>
Ambulance	High Option
Local professional ambulance service when medically appropriate	Nothing

Section 5(d). Emergency services/accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

In an emergency, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. If you elected a primary care physician, please contact this physician as soon as possible.

Emergencies within our service area

Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member should notify the Plan within 48 hours, unless it was not reasonably possible to do so. It is your responsibility to ensure that the Plan has been timely notified.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If you are hospitalized in non-Plan facilities and Plan doctors believe care can be better provided in a Plan hospital, you will be transferred when medically feasible with and ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

The Plan pays reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers.

Emergencies outside our service area

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan within that time. If a Plan doctor believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

The Plan pays reasonable charges for emergency care services to the extent the services would have been covered if received from Plan providers.

Benefit Description	You pay
Emergency within our service area	
<ul style="list-style-type: none"> • Emergency care at a doctor’s office • Emergency care at an urgent care center • Emergency care as an outpatient in a hospital, including doctors’ services <p>Note: We waive the ER copay if you are admitted to the hospital.</p>	<p style="text-align: center;">High Option</p> <p>\$20 per office visit</p> <p>Nothing</p> <p>\$100 copayment per visit</p>

<i>Not covered: Air ambulance</i>	<i>All Charges</i>

Section 5(e). Mental health and substance abuse benefits

You need to get Plan approval (preauthorization) for services and follow a treatment plan we approve in order to get benefits. When you receive services as part of an approved treatment plan, cost-sharing and limitations for Plan mental health and substance abuse benefits are no greater than for similar benefits for other illnesses and conditions.

Important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PREAUTHORIZATION FOR THESE SERVICES.** Benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. To be eligible to receive full benefits, you must follow the preauthorization process and get Plan approval of your treatment plan:
- We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan’s clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.

Call the HMO Health Ohio Behavioral Health Care Management Department at 800/258-3186. It is not necessary to obtain a referral from your primary care doctor.

Benefit Description	You pay
Professional services	High Option
We cover professional services by licensed professional mental health and substance abuse practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists. Here are some important things to keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A plan physician or licensed dentist must write the prescription.
- Where you can obtain them. You may fill the prescription at a plan pharmacy, except for out-of-area emergencies, or by mail for a maintenance medication.
- **We use a formulary.** Drugs are prescribed by Plan doctors and dispensed in accordance with the Plan's drug formulary. A formulary is a list of selected FDA approved, prescription medications reviewed by an independent Pharmacy and Therapeutics Committee brought together by Medco Health Solutions, Inc. These drugs are made by many different pharmaceutical manufacturers. To order a prescription drug brochure, call 800/417-1961.
- **Mail Order Program.** To receive mail order prescription drug benefits, you mail your prescription order and the prescription drug deductible amount which is specified below to a contracting mail order pharmacy. No benefits are payable if your prescription order is sent to a pharmacy other than a contracting mail order pharmacy. The contracting mail order pharmacy will fill your prescription order and send you up to a 90-day supply of the mail order prescription drug which your physician has prescribed. The contracting mail order pharmacy will dispense the medication and mail it to you within 72 hours. If the contracting mail order pharmacy fails to send you the mail order prescription drug within ten days after you mailed in your prescription order, you may call the contracting mail order pharmacy directly to determine the status of the prescription order.
- **These are the dispensing limitations.** Prescription drugs obtained at a Plan pharmacy will be dispensed for up to a 30-day supply. Prescription drugs obtained by using the mail order prescription drug program will be dispensed for up a 90-day supply. When a generic substitution is permissible (i.e. generic drug is available), but you request the name brand drug, you pay the price difference between the generic and name brand drug, as well as the generic copayment per prescription unit or refill. Members called to active military duty in a time of national or other emergency who need to obtain a greater-than-normal supply of prescribed medications should call us at 800/522-2066.
- **Why use generic drugs?** To reduce your out-of-pocket expenses! A generic drug is the chemical equivalent of a corresponding brand name drug. Generic drugs are less expensive than brand name drugs; therefore, you may reduce your out-of-pocket costs by choosing to use a generic drug.
- **When you do have to file a claim.** You should contact Medco Health at 800/417-1961 for prescription drug claim forms. You should submit all claims to Medco Health Solutions, L.L.C., P.O. Box 14711, Lexington, KY 40512. Normally, when you use plan pharmacies, you will not have to file claims.

Benefit Description	You pay
Covered medications and supplies	High Option
<p>We cover the following medications and supplies prescribed by a Plan physician and obtained from a Plan pharmacy or through our mail order program:</p> <ul style="list-style-type: none"> • Drugs and medicines that by Federal law of the United States require a physician’s prescription for their purchase, except those listed as <i>Not covered</i>. • Insulin • Diabetic supplies limited to • Disposable needles and syringes for the administration of covered medications • Drugs for sexual dysfunction • Contraceptive drugs and devices 	<p>Retail Pharmacy (up to a 30-day supply)</p> <p>\$20 copayment per prescription or refill for generic drugs</p> <p>\$30 copayment per prescription or refill for formulary name brand drugs</p> <p>\$40 copayment per prescription or refill for non-formulary name brand drugs</p> <p>Mail Order (up to a 90-day supply)</p> <p>\$40 copayment per prescription or refill for generic drugs</p> <p>\$60 copayment per prescription or refill for formulary name brand drugs</p> <p>\$80 copayment per prescription or refill for non-formulary name brand drugs</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Drugs and supplies for cosmetic purposes</i> • <i>Drugs to enhance athletic performance</i> • <i>Fertility drugs</i> • <i>Drugs obtained at a non-Plan pharmacy; except for out-of-area emergencies</i> • <i>Vitamins, nutrients and food supplements even if a physician prescribes or administers them</i> • <i>Nonprescription medicines</i> <p>Note: Over-the-counter and prescription drugs approved by the FDA to treat tobacco dependence are covered under the Smoking cessation benefit. (See page 22.)</p>	<p><i>All Charges</i></p>

Section 5(g). Dental benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You Pay
Accidental injury benefit	High Option
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury. These services must be initiated within 90 days from the date of the accident. We do not cover services necessary because of injury as a result of chewing or biting.	Nothing

Dental benefits

We have no other dental benefits.

Section 5(h). Special features

Feature	Description
Flexible Benefits Option	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms. Until you sign and return the agreement, regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we cannot guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process.
SuperWell Disease and Maternity Management	<p>Medical Mutual of Ohio is committed to serving the needs of our members. To assist individuals diagnosed with chronic disease or who are pregnant, Medical Mutual® offers the <i>SuperWell Disease and Maternity Management Program</i>. The program helps members who have a chronic condition or are pregnant better manage their care by providing specially trained health coaches who offer structured education and support to increase a member's knowledge of their condition. In addition, health coaches work with members to teach them how to avoid potential complications and the importance of complying with their prescribed treatment plan. Members benefit from routine monitoring for their condition by their health coach with program emphasis on improving overall well being.</p> <p>Medical Mutual currently offers the <i>SuperWell Disease and Maternity Management Program</i> for eligible members who are pregnant or diagnosed with one or more of the following conditions:</p> <ul style="list-style-type: none"> • Congestive heart failure • Chronic obstructive pulmonary disease • Diabetes • Coronary artery disease • Asthma • Chronic pain conditions • Depression <p>For questions about the <i>SuperWell Disease and Maternity Management Program</i>, call 800/861-4826 or visit our Web site at medmutual.com</p>

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition** (see specifics regarding transplants).

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see *Emergency services/accidents*);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants);
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program; or
- Services, drugs, or supplies you receive without charge while in active military service.
- Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care (Page 50). This plan does not cover these costs.
- Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes (Page 50). These cost are general covered by the clinical trials, this plan does not cover these cost.

Section 7. Filing a claim for covered services

There are four types of claims. Three of the four types – Urgent care claims, Pre-service claims, and Concurrent review claims – usually involve access to care where you need to request and receive our advance approval to receive coverage for a particular service or supply covered under this Brochure. See Section 3 for more information on these claims/requests and Section 10 for the definitions of these three types of claims.

The fourth type – Post-service claims – is the claim for payment of benefits after services or supplies have been received.

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-Plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB-04 form. For claims questions and assistance, call us at 800/522-2066.

When you must file a claim – such as for services you received outside the Plan’s service area – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payor – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your claims to: HMO Health Ohio, P.O. Box 6018, Cleveland, Ohio 44101, Attn: HMO Member Services. You may also contact us by fax at 216/687-2817, or visit our Web site medmutual.com.

Prescription drugs

Submit your claims to: Medco Health Solutions, Inc., P.O. Box 14711, Lexington, KY 40512, Phone: 800/417-1961.

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Urgent Care claims procedures

If you have an urgent care claim, please contact our Customer Service Department at HMO Health Ohio, 800/522-2066. Urgent care claims must meet the definition found in Section 10 of this brochure, and most urgent care claims will be claims for access to care rather than claims for care already received. We will notify you of our decision not later than 24 hours after we receive the claim as long as you provide us with sufficient information to decide the claim. If you or your authorized representative fails to provide sufficient information to allow us to, we will inform you or your authorized representative of the specific information necessary to complete the claim not later than 24 hours after we receive the claim and a time frame for our receipt of this information. We will decide the claim within 48 hours of (i) receiving the information or (ii) the end of the time frames whichever is earlier.

Concurrent care claims procedure

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment as an appealable decision. If we believe a reduction or termination is warranted we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make decision within 24 hours after we receive the claim.

Pre-service claims procedures

As indicated in Section 3, certain care requires Plan approval in advance. We will notify you of our decision within 15 days after the receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 15-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you fail to follow these pre-service claim procedures, then we will notify you of your failure to follow these procedures as long as (1) your request is made to our customer service department and (2) your request names you, your medical condition or symptom, and the specific treatment, service, procedure, or product requested. We will provide this notice within five days following the failure or 24 hours if your pre-service claim is for urgent care. Notification may be oral, unless you request written correspondence.

Post-service claim procedures

We will notify you of our decision within 30 days after we receive the claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review as long as we notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond. Our deadline for responding to your claim is stayed while we await all of the additional information needed to process your claim.

Authorized Representative

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, a health care professional with knowledge of your medical condition will be permitted to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Section 8. The disputed claims process

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization/prior approval required by Section 3. You may be able to appeal to the U.S. Office of Personnel Management (OPM) immediately if we do not follow the particular requirements of this disputed claims process. For more information about situations in which you are entitled to immediately appeal and how to do so, please visit medmutual.com.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim.

- 1** Ask us in writing to reconsider our initial decision. You must:
 - a) Write to us within 6 months from the date of our decision; and
 - b) Send your request to us at: HMO Health Ohio, P.O. Box 6018, Cleveland, Ohio 44101; and
 - c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and
 - d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.
 - e) Your email address, if you would like to receive our decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

- 2** We have 30 days from the date we receive your request to:
 - a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or precertify your hospital stay or grant your request for prior approval for a service, drug, or supply); or
 - b) Write to you and maintain our denial - go to step 4; or
 - c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.

- 3** You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

In the case of an appeal of an urgent care claim, we will notify you of our decision not later than 72 hours after receipt of your reconsideration request. We will hasten the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.

- 4** If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us - if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Insurance Operations, Health Insurance 3, 1900 E Street, NW, Washington, DC 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.
- Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at (800) 522-2066. We will hasten our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance 3 at (202) 606-0737 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ guidelines.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance. If we are the secondary payor, we may be entitled to receive payment from your primary plan.

What is Medicare?

Medicare is a health insurance program for:

- People 65 years of age or older;
- Some people with disabilities under 65 years of age; and
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048) for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.
- Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.
- Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare’s Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

• Should I enroll in Medicare?

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It’s easy. Just call the Social Security Administration toll-free number 1-800-772-1213, (TTY 1-800-325-0778) to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage.

It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. If you do not sign up for Medicare Part B when you are first eligible, you may be charged a Medicare Part B late enrollment penalty of a 10 % increase in premium for every 12 months you are not enrolled. If you didn't take Part B at age 65 because you were covered under FEHB as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at 800/522-2066 or see our Web site at medmutual.com.

We do not waive any costs if the Original Medicare Plan is your primary payor.

You can find more information about how our plan coordinates benefits with Medicare in HMO Health Ohio at medmutual.com

- **Tell us about your Medicare coverage**

To reflect the new Medicare secondary payor requirement to collect health care ID numbers or SSNs for dependents who have Medicare, you must tell us if you or a covered family member has Medicare coverage and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and our Medicare Advantage plan:

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

This health plan coordinates its prescription drug benefits with Medicare Part D. If you enroll in Medicare Part D, we will review claims for your prescription drug costs that are not covered by Medicare Part D.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. IF TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

Workers' Compensation

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Coverage Clinical Trials

This health plan covers care for clinical trials according to definitions listed below and as stated on specific pages of this brochure:

- Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's cancer, whether the patient is in a clinical trial or is receiving standard therapy (Page 50).

- Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient’s routine care (Page 50). This plan does not cover these costs.
- Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes (Page 50). These cost are general covered by the clinical trials, this plan does not cover these cost.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical Trials Cost Categories	<ul style="list-style-type: none">• Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient’s cancer, whether the patient is in a clinical trial or is receiving standard therapy.• Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient’s routine care. This plan does not cover these costs.• Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials, this plan does not cover these costs.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 13.
Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Treatment or services that are mainly to help the patient with daily living activities. Custodial care that lasts 90 days or more is sometimes known as Long term care.
Experimental or investigational service	A drug, device or medical treatment or procedure is experimental or investigational: <ul style="list-style-type: none">• If the drug or device does not have required Food and Drug Administration (FDA) approval.• If reliable evidence shows that the drug, device, medical treatment or procedure is the subject of on-going phase I, II, III clinical trials or is under study to determine maximum tolerated dose, toxicity, safety, efficacy, or efficacy as compared with the standard means of treatment or diagnosis.
Group health coverage	Health care coverage that a member is eligible for because of employment by, membership in, or connection with, a particular organization or group that provides payment for hospital, medical, or other health care services or supplies.
Health care professional	A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.
Medical necessity	<p>A service, supply or Prescription Drug that is required to diagnose or treat a Condition and which HMO Health Ohio determines is:</p> <ul style="list-style-type: none">• appropriate with regard to the standards of good medical practice;• not primarily for your convenience or the convenience of a Provider; and• the most appropriate supply or level of service which can be safely provided to you. <p>When applied to the care of an Inpatient, this means that your medical symptoms or condition requires that the services cannot be safely or adequately provided to you as an Outpatient. When applied to Prescription Drugs, this means the Prescription Drug is cost effective compared to alternative Prescription Drugs, which will produce comparable effective clinical results.</p>

Plan allowance	The amount a Contracting Institutional Provider or a Participating Professional Provider has agreed with HMO Health Ohio to accept as payment in full for Covered Services.
Post-service claims	Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.
Pre-service claims	Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.
Us/We	Us and We refer to HMO Health Ohio.
You	You refers to the enrollee and each covered family member.
Urgent care claims	<p>A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.</p> <p>A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:</p> <ul style="list-style-type: none"> • Waiting could seriously jeopardize your life or health; • Waiting could seriously jeopardize your ability to regain maximum function; or • In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. <p>Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.</p> <p>If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at HMO Health Ohio, 800/522-2066. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.</p>

Section 11. FEHB Facts

Coverage information

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure/health for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies who participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- What happens when your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office to reduce the number of calls regarding this issue received by customer service.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately when family members are added or lose coverage for any reason, including your marriage, divorce, annulment, or when your child under age 26 turns age 26.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

- Between ages 22 and 26

Children between the ages of 22 and 26 are covered under their parent's Self and Family enrollment up to age 26.

- Married Children Married children (but NOT their spouse or their own children) are covered up to age 26. This is true even if the child is currently under age 22.
- Children with or eligible for employer-provided health insurance Children who are eligible for or have their own employer-provided health insurance are eligible for coverage up to age 26.
- Stepchildren Stepchildren do not need to live with the enrollee in a parent-child relationship to be eligible for coverage up to age 26.
- Children Incapable of Self-Support Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
- Foster Children Foster children are eligible for coverage up to age 26.

You can find additional information at www.opm.gov/insure.

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately when family members are added or lose coverage for any reason, including your marriage, divorce, annulment, or when your child under age 26 turns age 26.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

Children’s Equity Act

OPM has implemented the Federal Employees Health Benefits Children’s Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan’s Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or

- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

When benefits and premiums start

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2011 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2010 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy.)

Upon divorce

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, www.opm.gov/insure.

Temporary Continuation of Coverage (TCC)

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 26, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

Converting to individual coverage

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

Getting a Certificate of Group Health Plan Coverage

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 12. Three Federal Programs complement FEHB benefits

Important information

OPM wants to be sure you are aware of three Federal programs that complement the FEHB Program.

First, the **Federal Flexible Spending Account Program**, also known as FSAFEDS, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. The result can be a discount of 20% to more than 40% on services/products you routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)** provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

The Federal Flexible Spending Account Program – *FSAFEDS*

What is an FSA?

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less in taxes so you save money. **Annuitants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250 and a maximum annual election of \$5,000.

- **Health Care FSA (HCFSA)** – Reimburses you for eligible health care expenses (such as copayments, deductibles, insulin, products, physician prescribed over-the-counter drugs and medications, vision and dental expenses, and much more) for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your tax dependents including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Dependent Care FSA (DCFSA)** – Reimburses you for eligible **non-medical** day care expenses for your child(ren) under age 13 and/or for any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self-care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSA.
- If you are a new or newly eligible employee you have 60 days from your hire date to enroll in an HCFSA or LEX HCFSA and/or DCFSA, but you must enroll before October 1. If you are hired or become eligible on or after October 1 you must wait and enroll during the Federal Benefits Open Season held each fall.

Where can I get more information about FSAFEDS?

Visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern time. TTY: 1-800-952-0450.

The Federal Employees Dental and Vision Insurance Program – *FEDVIP*

Important Information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is separate and different from the FEHB Program, and was established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004. This Program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations.

FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

Dental Insurance

Dental plans provide a comprehensive range of services, including all the following:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 24-month waiting period

Vision Insurance

Vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information

You can find a comparison of the Plans available and their premiums on the OPM website at www.opm.gov/insure/vision and www.opm.gov/insure/dental. These sites also provide links to each plan's website, where you can view detailed information about benefits and preferred providers.

How do I enroll?

You enroll on the Internet at www.BENEFEDS.com. For those without access to a computer, call 1-877-888-3337, (TTY 1-877- 889-5680).

The Federal Long Term Care Insurance Program – *FLTCIP***It's important protection**

The Federal Long Term Care Insurance Program (FLTCIP) can help pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives, are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information, call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

2011 Rate Information for - HMO Health Ohio

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the *Guide to Federal Benefits* for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the *Guide to Benefits for Career United States Postal Service Employees, RI 70-2*, and to the rates shown below.

The rates shown below do not apply to *Postal Service Inspectors, Office of Inspector General (OIG) employees and Postal Service Nurses*. Rates for members of these groups are published in special Guides. Postal Service Inspectors and OIG employees should refer to the *Guide to Benefits for United States Postal Inspectors and Office of Inspector General Employees (RI 70-2IN)*. Postal Service Nurses should refer to the *Guide to Benefits for United States Postal Nurses (RI 70-2NU)*.

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *Guide to Federal Benefits*.
