**Important Notice from Blue Shield of California About
Our Prescription Drug Coverage and Medicare**

OPM has determined that the Blue Shield of California's prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15th through December 7th) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help
- Call 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048)

Introduction

This brochure describes the benefits of Blue Shield of California Access+ HMO under our contract (CS 2639) with the United States Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. Customer service may be reached at 1/800-880-8086 or through our website: www.blueshieldca.com/federal . The address for Blue Shield of California administrative offices is:

Blue Shield of California
Access+ HMO
50 Beale Street
San Francisco, CA 94105-1808

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2013, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2013, and changes are summarized on page 14. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member; “we” means Blue Shield of California.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits (FEHB) Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud - Here are some things you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care providers, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Periodically review your claim history for accuracy to ensure we have not billed for services that you did not receive.
- Please review your claims history periodically for accuracy to ensure services are not being billed to your accounts that were never rendered.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.

- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 800-880-8086 and explain the situation.
 - If we do not resolve the issue:

CALL - THE HEALTH CARE FRAUD HOTLINE

887-499-7295

OR go to www.opm.gov/oig

You can also write to:

**United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise)
 - Your child age 26 or over (unless he/she was disabled and incapable of self-support prior to age 26)
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include, falsifying a claim to obtain FEHB benefits, trying to obtaining service or coverage for yourself or for someone who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines and dosage that you take, including non-prescription (over-the-counter) medicines and nutritional supplements.

- Tell your doctor and pharmacist about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask your pharmacist about the medication if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of test or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:

"Exactly what will you be doing?"

"About how long will it take?"

"What will happen after surgery?"

"How can I expect to feel during recovery?"

- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications you are taking.

Patient Safety Links

- www.ahrq.gov/consumer/. The Agency for Healthcare Research and Quality makes available a wide-ranging list of topics not only to inform consumers about patient safety but to help choose quality health care providers and improve the quality of care you receive.
- www.npsf.org. The National Patient Safety Foundation has information on how to ensure safer health care for you and your family.
- www.talkaboutrx.org. The National Council on Patient Information and Education is dedicated to improving communication about the safe, appropriate use of medicines.

- www.ahqa.org. The American Health Quality Association represents organizations and health care professionals working to improve patient safety.

Never Events

You will not be billed for inpatient services related to treatment of specific hospital acquired conditions or for inpatient services needed to correct never events, if you use Blue Shield of California preferred providers. This policy helps to protect you from preventable medical errors and improve the quality of care you receive.

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen called "Never Events." When a Never Event occurs, neither your FEHB plan nor you will incur cost to correct the medical error.

FEHB Facts

Coverage information

- **No pre-existing condition limitation** We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.
- **Where you can get information about enrolling in the FEHB Program** See www.opm.gov/insure/health for enrollment information as well as:
 - Information on the FEHB Program and plans available to you
 - A health plan comparison tool
 - A list of agencies who participate in Employee Express
 - A link to Employee Express
 - Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment
- How you can cover your family members
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire
- What happen when your enrollment ends
- When the next open season for enrollment begins

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

- **Types of coverage available for you and your family** Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster children your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately of changes in family member status including your marriage, divorce, annulment, or when your child reaches age 26.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

If you have a qualifying life event (QLE) - such as marriage, divorce, or the birth of a child - outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLEs, visit the FEHB website at www.opm.gov/insure/lifeevents. If you need assistance, please contact your employing agency, personnel/payroll office, or retirement office.

- **Family member coverage**

Family members covered under your Self and Family enrollment are your spouse (including a valid common law marriage) and children as described in the chart below.

Children	Coverage
Natural, adopted children, and stepchildren	Natural, adopted children and stepchildren are covered until their 26 th birthday.
Foster Children	Foster children are eligible for coverage until their 26 th birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all the requirements. Contact your human resources office or retirement system for additional information.
Children Incapable of Self-Support	Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
Married Children	Married children (but NOT their spouse or their own children) are covered until their 26 th birthday.
Children with or eligible for employer-provided health insurance	Children who are eligible for or have their own employer-provided health insurance are covered until their 26 th birthday.

You can find additional information at www.opm.gov/insure.

- **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

- **When benefits and premiums start** The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2013 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2012 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from the provider. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

- **When you retire** When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

- **When FEHB coverage ends** You will receive an additional 31 days of coverage, for no additional premium, when:
 - Your enrollment ends, unless you cancel your enrollment; or
 - You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy).

- **Upon divorce** If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, www.opm.gov/insure.
- **Temporary Continuation of Coverage (TCC)** If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 26, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/insure/health; refer to the “TCC and HIPAA” frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 1. How this plan works

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms except for your annual eye exam. You only pay the copayments and coinsurance described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

This plan is a "non-grandfathered health plan" under the Affordable Care Act. A non-grandfathered plan must meet immediate health care reforms legislated by the Act. Specifically, this plan must provide preventive services and screenings to you without any cost sharing; you may choose any available primary care provider for adult and pediatric care; visits for obstetrical or gynecological care do not require a referral; and emergency services, both in- and out-of-network, are essentially treated the same (i.e., the same cost sharing, no greater limits or requirements for one over the other; and no prior authorizations).

Questions regarding what protections apply and what protections do not apply to a grandfathered health plan, and what might cause a plan to change status from grandfathered to non-grandfathered may be directed to us at 800-880-8086. You can also read additional information from the U.S. Department of Health and Human Services at www.healthcare.gov.

Questions regarding what protections apply may be directed to us at 800-880-8086. You can also read additional information from the U.S. Department of Health and Human Services at www.healthcare.gov.

How we pay providers

We contract with physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your co-payments or coinsurance.

Your Rights

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM's FEHB Web site (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

Corporate Form – Blue Shield of California is a not-for-profit corporation that was founded in 1939.

Fiscal Solvency – Blue Shield of California meets or exceeds California Department of Managed Health Care standards for fiscal solvency, confidentiality of medical records and transfer of medical records.

“Gag Clauses” – A “gag clause” is when a physician does not disclose all treatment options based on cost considerations. You have the right to have a clear understanding of the medical condition and any proposed appropriate necessary treatment alternatives, including available success/outcomes information, regardless of cost or benefit coverage, so you can make an informed decision before receiving treatment.

Medical Records – Access+ HMO members have the right, both under state law and Blue Shield of California policy, to review, summarize and copy their own medical records. Members can request and will receive amendments to their medical records as they are made.

State Licensing – Access+ HMO has been licensed by the State of California since 1978.

If you want more information about us, call us at 800-880-8086, or write to Blue Shield of California Access+ HMO, P.O. Box 7168, San Francisco, CA 94120-7168. You may also contact us by fax at 916-350-8780 or visit our website at www.blueshieldca.com/federal.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians and dispensing pharmacies.

Service Area

To enroll in this plan, you must live in or work in our service area. This is where our providers practice. Our service area is:

Southern California full counties:

Fresno, Kings, Orange, Riverside, Santa Barbara, Tulare, and Ventura counties, California.

Partial counties: Kern, Los Angeles, San Bernardino and San Diego counties, California. The following ZIP codes are those **excluded** in these partial counties:

KERN:

93519, 93523, 93527, 93528, and 93554 to 93556

LOS ANGELES:

90704

SAN BERNARDINO:

92242, 92280, 92319 and 92363

SAN DIEGO:

91963

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will normally pay only for emergency or urgent care. We will not pay for any other health care service, except those that are specifically listed on page 58 under the heading “Medical Care for Vacations, Business Travel and College Students.”

If you or a covered family member move outside the service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO like ours that has agreements with affiliates in other states. See page 58 for details about our HMO medical care available for vacations, business travel and college students coverage. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing agency or retirement office.

Section 2. Changes for 2013

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to this Plan

- Your share of the non-postal premium will increase for Self Only and for Self and family (See page 78)
- We have expanded our preventive care for women, including well-woman visits, HPV testing, counseling for sexually transmitted infections, counseling and screening for HIV, counseling and screening for interpersonal and domestic violence, screening for gestational diabetes, contraceptive methods and counseling, and breast feeding support, supplies and counseling. (See page 26)
- We have added a Prenatal Program designed to improve the quality of care received during pregnancy. (See page 34)
- We have added coverage of Applied Behavior Analysis Therapy (ABA). (See page 48)
- Contraceptive drugs and supplies are now offered at no copay, including over-the-counter medications when prescribed by your primary care physician. (See page 52)
- We have expanded our clinical trial coverage. (See page 66)

Section 3. How you get care

Identification cards	<p>We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.</p> <p>If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 800-880-8086.</p>
Where you get covered care	<p>You get care from “Plan providers” and “Plan facilities.” You will only pay co-payments and/or coinsurance, and you will not have to file claims, except for your annual eye examination.</p>
<ul style="list-style-type: none">• Plan providers	<p>Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. All Plan providers are credentialed, according to national standards.</p> <p>We list Plan providers in the provider directory, which we update periodically. The list is also on our website, www.blueshieldca.com/federal.</p>
<ul style="list-style-type: none">• Plan facilities	<p>Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website, www.blueshieldca.com/federal.</p>
What you must do to get covered care	<p>It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. You must complete a Primary Care Physician Selection Form.</p>
<ul style="list-style-type: none">• Primary care	<p>Your primary care physician can be a general practitioner, family practitioner, internist, pediatrician, or an OB/GYN. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.</p> <p>If you want to change primary care physicians or if your primary care physician or IPA/Medical Group leaves the Plan, call us at 800-880-8086. We will help you select a new one.</p>
<ul style="list-style-type: none">• Specialty care	<p>Your primary care physician will refer you to a specialist for needed care. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral.</p> <p>The exceptions to this are:</p> <ol style="list-style-type: none">1. for true medical emergencies;2. when another physician is on call for your physician;3. when you self-refer to an Access+ HMO participating specialist (not applicable to infertility, emergency and urgent care and allergy services; mental health and substance abuse Access+ HMO specialist care must be provided by a provider in Blue Shield's Mental Health Services Administrator (MHSA) network. (See page 48 for details.);4. OB/GYN services provided by an obstetrician/gynecologist or family practitioner within the same IPA/Medical Group as your primary care physician.

In all other instances, referral to a specialist is done at the primary care physician's direction; if non-Plan specialists or consultants are required, the primary care physician will arrange appropriate referrals.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex or serious medical condition, your primary care physician will develop a treatment plan with you that allows an adequate number of direct access visits with that specialist. Your primary care physician will use our criteria when creating your treatment plan.
- Your primary care physician will create your treatment plan. The physician may have to get an authorization or approval from us beforehand. If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. We will not pay for you to see a specialist who does not participate with our Plan, unless your primary care physician refers you to a non-Plan specialist for a second opinion.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause;
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
 - reduce our service area and you enroll in another FEHB Plan;

You may be able to continue seeing your specialist for up to 90 days or when clinically appropriate after you receive notice of the change. Contact us or, if we drop out of the program, contact your new Plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days. Contact us to coordinate care for these types of cases.

If you are a new Blue Shield of California Access+ HMO member and are currently receiving treatment for a qualifying medical condition from a provider who is not in our network, you may be eligible to complete treatment of your condition with the provider. Or, if you are an existing member and are currently receiving treatment for a qualifying medical condition from a provider who is leaving our network, you may be eligible to complete treatment of your condition with the provider. In order to receive more information about continuity of care and qualifying medical conditions and situations, please contact us at 800-880-8086 and we will assist you.

Continuity of care is also available if you are currently receiving services for a serious mental health condition. To obtain further information, please contact our Mental Health Services Administrator (MHSA) directly by calling their Member Services at (877) 263-9952.

- **Second Opinions**

If there is a question about your diagnosis or if additional information concerning your condition would be helpful in determining the most appropriate plan of treatment, your primary care physician will, upon request, refer you to another physician for a second medical opinion. If you are requesting a second opinion about care you received from your primary care physician, a physician within the same Medical Group/IPA as your primary care physician will provide the second opinion. If you are requesting a second opinion about care received from a specialist, any Plan specialist of the same equivalent specialty may provide the second opinion. We must authorize all second opinion consultations.

- **Urgent Care**

We have made arrangements for an added benefit for you and your family for your urgent care needs when you or your family are temporarily traveling outside of your primary care physician's service area.

When you are traveling outside of California, you can get urgent care services across the country and around the world through the BlueCard® Program. While traveling within the United States, you can locate a BlueCard provider any time by calling 1-800-810-BLUE (2583) or by going to www.blueshieldca.com/federal. If you are traveling outside of the United States you can call (804) 673-1177 collect 24 hours a day to locate BlueCard Worldwide® Network Provider.

If you need urgent care while in your primary care physician's service area, you must first call your primary care physician. If your primary care physician (or your assigned medical group) has provided instructions to seek in-area urgent care at a local urgent care clinic you may do so without calling your primary care physician first.

When you are traveling within California but you are outside of your primary care physician's service area, you should call Blue Shield Member Services at 800-880-8086 for assistance in receiving Urgent Care through a Blue Shield of California Plan provider. You may also locate a Plan provider by visiting our web site at www.blueshieldca.com/federal. Remember that when you are within your primary care physician's service area, Urgent Care must be provided or authorized by your primary care physician just like all other non-emergency services of the Plan.

- **Hospital Care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

- **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our plan begins, call our member service department immediately at 800-880-8086. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB Plan to us, your former Plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center;
- the day your benefits from your former Plan run out; or
- the 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your Plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such case, the hospitalized family member's benefits under the new benefit Plan begin on the effective date of enrollment.

You need prior Plan approval for certain services

- **Inpatient hospital admission**

Since your primary care physician arranges most referrals to specialists and inpatient hospitalization, the pre-service claim approval process only applies to care shown under *Other services*.

Precertification is the process by which – prior to your inpatient hospital admission – we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition.

- **Other services**

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain prior approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

Your primary care physician must obtain a preauthorization from us for: (1) selected drugs and drug dosages which require prior authorization for medical necessity, including most specialty drugs, (2) growth hormone therapy (GHT) (3) organ transplants (4) bone marrow transplants (5) cancer clinical trials (6) skilled nursing facility care and hospice care and (7) mental health and substance abuse services.

Refer to Section 5(b) for the preauthorization process for organ and bone marrow transplants.

Refer to Section 5(c) for preauthorization process for extended care/skilled nursing care facility and hospice care benefits.

Refer to Section 5(e) for preauthorization process for mental health and substance abuse benefits.

Refer to Section 5(f) for preauthorization process for drugs and drug dosages including home self-administered injectable drugs.

How to request precertification for an admission or get prior authorization for Other services

First, your physician, your hospital, you, or your representative, must call us at 800-880-8086 before admission or services requiring prior authorization are rendered.

Next, provide the following information:

- enrollee's name and Plan identification number;
- patient's name, birth date, identification number and phone number;
- reason for hospitalization, proposed treatment, or surgery;
- name and phone number of admitting physician;
- name of hospital or facility; and
- number of planned days of confinement.

- **Non-urgent care claims**

For non-urgent care claims, we will then tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original 15 day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

- **Urgent care claims**

If you have an urgent care claim (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether it is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to provide notice of the specific information we need to complete our review of the claim. We will allow you up to 48 hours from the receipt of this notice to provide the necessary information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at (800) 880-8086. You may also call OPM's Health Insurance II at (202) 606-3818 between 8 a.m. and 5 p.m. eastern time to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, then call us at (800) 880-8086. If it is determined that your claim is an urgent care claim, we will hasten our review (if we have not yet responded to your claim).
- **Emergency inpatient admission**

If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must telephone us within two business days following the day of the emergency admission, even if you have been discharged from the hospital.
- **If your treatment needs to be extended**

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.
- Circumstances beyond our control**

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.
- If you disagree with our pre-service claim decision**

If you have a **pre-service claim** and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below.

If you have already received the service, supply, or treatment, then you have a **post-service claim** and must follow the entire disputed claims process detailed in Section 8.
- **To reconsider a non-urgent care claim**

Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we receive your written request for reconsideration to

 1. Precertify your hospital stay, or, if applicable, arrange for the health care provider to give you the care or grant your request for prior approval for a service, drug, or supply; or

2. Ask you or your provider for more information.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3. Write to you and maintain our denial.

- **To reconsider an urgent care claim**

In the case of an appeal of a pre-service urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

Subject to a request for additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will hasten the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.

- **To file an appeal with OPM**

After we reconsider your **pre-service claim**, if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

Section 4. Your costs for covered services

This is what you will pay out-of-pocket for covered care

Cost-sharing Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

Copayments A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services.

Example: When you see your primary care physician you pay a copayment of \$20 per office visit.

Coinsurance Coinsurance is the percentage of our allowable fee that you must pay for your care.

Example: In our Plan, you pay 50% of our allowance for infertility services or durable medical equipment.

Your catastrophic protection out-of-pocket maximum After your co-payments and your coinsurance for medical and surgical services total \$2,000 per person or \$4,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay co-payments and/or coinsurance for these services:

1. your prescription drugs
2. infertility services
3. the Access+ HMO self-referral specialty visit co-payments.

For mental health and substance abuse benefits, you pay \$2,000 in co-payments or coinsurance for a Self Only enrollment or \$4,000 for a Self and Family enrollment. After that you do not have to make any further payments the rest of the year for authorized treatment or services. However, you must continue to pay co-payments for prescription drugs.

Be sure to keep accurate records of your co-payments and coinsurances since you are responsible for informing us when you reach the maximum. You must notify Blue Shield Member Services in writing when you feel that your catastrophic protection out-of-pocket maximum has been reached. At that time, you must submit complete and accurate records to us substantiating your copay and/or coinsurance expenditures. Receipts and/or statements must include: name of patient, date of service and amount paid.

Send information to:

Blue Shield of California
Access+ HMO Member Services
P.O. Box 272550
Chico, CA 95927

or

Fax: to 916-650-8780

For assistance call us at 800-880-8086.

Carryover

If you changed to this Plan during open season from a Plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that Plan's catastrophic protection benefit during the prior year will be covered by your old Plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old Plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old Plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old Plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

When Government facilities bill us

Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Section 5. Benefits - OVERVIEW

See page 14 for how our benefits changed this year and page 76 for a benefits summary.

Note: This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about our benefits, contact us 800-880-8086 or at our Web site at www.blueshieldca.com/federal.

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay
Diagnostic and treatment services	High Option
Professional services of physicians <ul style="list-style-type: none"> • During a hospital stay • In a skilled nursing facility • Vaccines for pediatric and adult immunizations • Inpatient non-dental treatment of temporomandibular joint (TMJ) syndrome 	Nothing
<ul style="list-style-type: none"> • Office visits, including routine newborn circumcision performed within 31 days of birth unrelated to illness or injury and asthma self-management training. • Office medical consultations • Second opinions 	\$20 per office visit
<ul style="list-style-type: none"> • Home visit by physician 	\$25 per visit
<ul style="list-style-type: none"> • Self-referral to a Plan specialist under Access+ HMO option 	\$30 per office visit

<ul style="list-style-type: none"> • <i>Personal comfort items, such as telephone, television, barber services, guest meals and beds</i> • <i>Private nursing care</i> 	<i>All Charges</i>
Outpatient hospital or ambulatory surgical center	High Option
<ul style="list-style-type: none"> • Operating, recovery, and other treatment rooms • Prescribed drugs and medicines • Diagnostic laboratory tests, x-rays, and pathology services • Administration of blood, blood plasma, and other biologicals • Blood and blood plasma, if not donated or replaced • Pre-surgical testing • Dressings, casts, and sterile tray services • Medical supplies, including oxygen • Anesthetics and anesthesia service <p>NOTE: – We cover hospital services and supplies related to dental procedures when necessitated by a non-dental physical impairment. We do not cover dental procedures for non-accidental injury to natural teeth. See page 48.</p>	\$250 per treatment or surgery including necessary supplies
<i>Not covered: Blood and blood derivatives if replaced by the member</i>	<i>All charges</i>
Extended care benefits/Skilled nursing care facility benefits	High Option
<p>We provide benefits up to 100 days each calendar year when full time skilled nursing care is necessary and confinement in a skilled nursing facility is medically appropriate as determined by your Plan physician and approved by us. Admissions to a sub-acute care setting require prior approval and are limited to 100 days each calendar year. All necessary services are covered, including:</p> <ul style="list-style-type: none"> • Bed, board and general nursing care • Drugs, biologicals, supplies, and equipment ordinarily provided or arranged by the skilled nursing facility when prescribed by a Plan physician 	Nothing
<i>Not covered: Custodial care, rest cures, domiciliary or convalescent care and comfort items such as a telephone and television. All charges after the 100 day annual maximum.</i>	<i>All Charges</i>
Hospice care	High Option
<p>We cover the following services through a participating hospice agency when the member has a terminal illness with a prognosis of life of one year or less as determined by the member's Plan provider's certification. Admission to the hospice program must be prior approved by Blue Shield and the delegated IPA/MG. If the member lives longer than one year, hospice coverage can continue for a period of care if the Plan provider recertifies that the member still needs and remains eligible for hospice care. Upon recertification a member can receive care for two 90-day periods followed by an unlimited number of 60-day periods.</p> <p>Members can continue to receive covered services that are not related to the palliation and management of the terminal illness from the appropriate Plan provider. Subject to appropriate Plan copays for the type of covered services.</p> <p>Hospice coverage includes:</p>	<p>Nothing in a hospice facility</p> <p>Nothing for home physician visit</p> <p>Nothing for visit of other health care providers</p>

Hospice care - continued on next page

Benefit Description	You pay
Hospice care (cont.)	High Option
<ul style="list-style-type: none"> • Pre-hospice consultative visit regarding pain and symptom management, hospice and other care options including care planning (You do not have to be enrolled in the hospice program to receive this benefit). • Interdisciplinary team care to develop and maintain an appropriate plan of care. • Nursing care services are covered on a continuous basis for as much as 24 hours a day during periods of crisis as necessary to maintain a member at home. Hospitalization is covered when the interdisciplinary team makes the determination that skilled nursing care is required at a level that can't be provided in the home. • Skilled nursing services, certified health aide services and homemaker services under the supervision of a qualified registered nurse. • Drugs and medicine, medical equipment and supplies that are reasonable and necessary for the palliation and management of terminal illness and related conditions. • Physical therapy, occupational therapy, and speech-language pathology services for purposes of symptom control, or to enable the enrollee to maintain activities of daily living and basic functional skills. • Social services/counseling services with medical social services provided by a qualified social worker. Dietary counseling, by a qualified provider, will also be provided when needed. • Short-term inpatient care necessary to relieve family members or other persons caring for the member. Such respite care is limited to an occasional basis and to no more than five consecutive days at a time. • Volunteer services. • Bereavement services. 	<p>Nothing in a hospice facility</p> <p>Nothing for home physician visit</p> <p>Nothing for visit of other health care providers</p>
<i>Not covered: Independent nursing, homemaker services</i>	<i>All Charges</i>
Ambulance	High Option
Local professional ambulance service when ordered or authorized by a Plan physician.	Nothing

Section 5(d). Emergency services/accidents

Important things you should keep in mind about these benefits:

- | |
|---|
| <ul style="list-style-type: none">• Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.• We have no calendar year deductible.• Be sure to read Section 4, Your costs for covered services, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.• No prior authorization is required. |
|---|

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care, including active labor, and a psychiatric medical condition. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Emergencies within our service area

If you are in an emergency situation, please call your local emergency system (e.g., the 911 telephone system), where available, or go to the nearest hospital emergency room. Please call your primary care physician as soon as it is reasonably possible. Be sure to tell the emergency room personnel that you are a Plan member so they can notify us. You or a family member should notify us. It is your responsibility to ensure that we have been notified.

If you need to be hospitalized, we must be notified immediately following your admission, unless it was not reasonably possible to notify us within that time. If you are hospitalized in a non-Plan facility and a Plan physician believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition. Any follow-up care recommended by non-Plan providers must be approved by us or provided by Plan providers.

We pay reasonable charges for emergency services to the extent the services would have been covered if received from Plan providers. If the emergency results in admission to a hospital, any applicable copayment is waived.

Emergencies outside our service area

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, we must be notified immediately following your admissions, unless it was not reasonably possible to notify us within that time. If you are hospitalized in a non-Plan facility and a Plan physician believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Reasonable charges for emergency care services to the extent the services would have been covered if received from Plan providers.

Note: If the emergency results in admission to a hospital, the copayment is waived.

Benefit Description	You pay
Emergency within our service area	High Option
Emergency care at a doctor's office	\$20 per visit
<ul style="list-style-type: none"> Emergency care at an urgent care center Emergency care as an outpatient at a hospital, including doctors' services 	\$20 per visit \$100 per visit
Note: If the emergency results in admission to a hospital, the copayment is waived.	
<i>Not covered: Elective care or non-emergency care</i>	<i>All Charges</i>
Emergency outside our service area	High Option
Emergency care at a doctor's office	\$20 per visit
<ul style="list-style-type: none"> Emergency care at an urgent care center Emergency care as an outpatient at a hospital, including doctors' services 	\$20 per visit \$100 per visit
Note: If the emergency results in admission to a hospital, the copayment is waived.	
<i>Not covered: Elective care or non-emergency care</i>	<i>All Charges</i>
Ambulance	High Option
Professional ambulance service when medically appropriate. Note: See Section 5(c) for non-emergency service.	Nothing
<i>Not covered: Taxi, wheelchair van, other non-ambulance assisted transportation</i>	<i>All Charges</i>

Section 5(e). Mental health and substance abuse benefits

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

Important things you should keep in mind about these benefits:

- Please remember that benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including Medicare.
- **YOU MUST GET PREAUTHORIZATION FOR THESE SERVICES.** See the instructions after the benefits description below.

Benefit Description	You pay
Mental health and substance abuse benefits	High Option
<p>All diagnostic and treatment services recommended by Plan providers and contained in a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure.</p> <p>Note: Plan benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve.</p>	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p>
<ul style="list-style-type: none"> • Professional services, including individual or group therapy by Plan providers such as psychiatrists, psychologists, or clinical social workers • Intensive outpatient treatment • Medication management 	\$20 per visit
<ul style="list-style-type: none"> • Diagnostic tests 	Nothing
<ul style="list-style-type: none"> • Inpatient services provided by a hospital or other facility 	\$150 per day up to three days
<ul style="list-style-type: none"> • Services approved for partial hospitalization (also referred to as day care) <p>*An episode of care is the date from which you are admitted to the partial hospitalization program in a facility to the date you are discharged or voluntarily leave treatment. Any services received between these two dates constitute an episode of care. If you need to be readmitted at a later date, this would constitute another episode of care.</p>	\$250 per episode of care*
<p>Applied Behavior Analysis (ABA) Therapy – Professional services and treatment programs, including applied behavior analysis and evidence-based intervention programs that develop or restore, to the maximum extent practicable, the functioning of an individual with pervasive developmental disorder or autism.</p> <p>Behavioral Health Treatment is covered when prescribed by a Physician or licensed psychologist who is a Plan Provider and the treatment is provided under a treatment plan prescribed by an MHSA Participating Provider. Behavioral Health Treatment must be prior authorized by the MHSA and obtained from MHSA Participating Providers. Behavioral Health Treatment used for the purposes of providing respite, day care, or educational services, or to reimburse a parent for participation in the treatment is not covered.</p>	<p>\$20 per visit, office</p> <p>\$5 per visit, home</p>

Benefit Description	You pay
Not covered	High Option
<i>Not covered: Services that are not part of a preauthorized treatment plan.</i>	<i>All charges</i>
<i>Residential care (such as in a half-way house)</i>	

Preauthorization	<p>To be eligible to receive these benefits you must follow your approved treatment plan and all the following authorization processes:</p> <p>To obtain an authorization, call Blue Shield's Mental Health Services Administrator (MHSA) at 877-263-9952. You should continue to identify yourself as a Blue Shield member and use your Blue Shield identification card and identification numbers when contacting the MHSA or its participating providers.</p> <p>Your health care provider should contact Blue Shield's Mental Health Services Administrator (MHSA) at 877-263-9952 to obtain information about joining the MHSA network, obtaining an authorization for your treatment, or to speak with a member of MHSA's clinical staff about issues related to this benefit or your care.</p> <p>If you would like a copy of a provider directory, you can contact the Blue Shield Member Services Department at 800-880-8086.</p> <p>OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.</p>
-------------------------	---

Benefit Description	You Pay
Out-of-Network mental health and substance abuse benefits	High Option
<i>Not covered out-of-network care</i>	<i>All Charges</i>

Section 5(f). Prescription drug benefits

	Important things you should keep in mind about these benefits:	
--	---	--

- | | | |
|--|---|--|
| | <ul style="list-style-type: none">• Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.• We cover prescribed drugs and medications, including most specialty drugs, as described in the chart beginning on the next page.• We have no calendar year deductible.• Be sure to read Section 4, <i>Your costs for covered services</i>, for valuable information about how cost-sharing works. Also read section 9 about coordinating benefits with other coverage, including with Medicare. | |
|--|---|--|

There are important features you should know about your prescription drug benefit. These include:

- **Who can write your prescription?** A licensed physician, or other covered provider acting within the scope of their license.
- **Where can you obtain your prescriptions?** You must fill the prescription at a network retail pharmacy, or network mail service pharmacy for a maintenance medication; however, specialty drugs must be filled by a Network Specialty pharmacy. To select a Network Specialty pharmacy you may go to www.blueshieldca.com/federal or call toll-free Member Services at 1-800-880-8086.
- **Specialty Drugs** are specific Drugs used to treat complex or chronic conditions which usually require close monitoring such as multiple sclerosis, hepatitis, rheumatoid arthritis, cancer, and other conditions that are difficult to treat with traditional therapies. Specialty Drugs are listed in the Blue Shield Outpatient Drug Formulary. Specialty Drugs may be self-administered in the home by injection by the patient or family member (subcutaneously or intramuscularly), by inhalation, orally or topically. Infused or Intravenous (IV) medications are not included as Specialty Drugs. These Drugs may also require special handling, special manufacturing processes, and may have limited prescribing or limited pharmacy availability. Specialty Drugs must be considered safe for self-administration by Blue Shield's Pharmacy & Therapeutics Committee, be obtained from a Blue Shield Network Specialty Pharmacy and may require prior authorization for Medical Necessity by Blue Shield. Prescriptions for specialty medications are available for up to a 30 day supply per fill only.
- **We use a formulary.** Prescription drug coverage is based on the use of the prescription drug formulary, a copy of which is available to you. Medications are selected for inclusion in Blue Shield's Outpatient Prescription Drug Formulary based on safety, efficacy, and FDA bio-equivalency data. The Blue Shield Pharmacy and Therapeutics Committee reviews new drugs and clinical data four times a year. Members may call Blue Shield Member Services at 800-880-8086 to find out if a specific drug is included in the formulary. Formulary information is available on Blue Shield's website at www.blueshieldca.com/federal. Non-formulary drugs are always covered at the non-formulary copayment, unless excluded from the prescription drug benefit.

Selected drugs and drug dosages and most specialty drugs require prior authorization for medical necessity. You should not become directly involved with us for this pre-authorization process. Your physician is responsible for obtaining prior authorization and documenting medical necessity. If all necessary documentation is available from your physician, prior authorization approval or denial will be provided to your physician within five working days of the request.

- **In lieu of brand name drugs, generic drugs will be dispensed** when substitution is permissible by the physician. If you request a brand name drug when a generic drug is available, you pay the difference between the cost of the brand name drug and its equivalent generic drug, plus the generic copayment.

- **Prescription Days Supply Covered:** A retail Plan pharmacy may dispense up to a 30-day supply for the appropriate copayment. Some prescriptions have specific limits on how much of the medication you can get with each prescription or refill. This is to ensure that you receive the recommended and proper dose and length of drug therapy for your condition. Quantity limits are based on medical necessity and appropriateness of therapy as determined by Blue Shield's Pharmacy and Therapeutics Committee. You will pay the appropriate copayment per prescription for out-of-state emergencies. Only maintenance drugs are available for up to a 90-day supply at the appropriate copayment per prescription through the Plan mail service pharmacy. Maintenance drugs are drugs commonly prescribed for six months or longer to treat a chronic condition and are administered continuously rather than intermittently. Call Member Services at 800-880-8086 to receive a packet for ordering prescriptions through the mail.

If a member requires an interim supply of medication due to an active military duty assignment or if there is a national emergency, up to a 90-day supply will be approved for covered medications. Contact Member Services at 800-880-8086 for immediate assistance.

- **Why use generic drugs?** Generic drugs offer a safe and economic way to meet your prescription drug needs. The generic name of a drug is its chemical name; the brand name is the name under which the manufacturer advertises and sells a drug. Under federal law, generic and brand name drugs must meet the same standards for safety, purity, strength, and effectiveness. A generic prescription costs you -- and us -- less than a brand name prescription.

Benefit Description	You pay
Covered medications and supplies	High Option
<p>We cover the following medications and supplies prescribed by a Plan physician and obtained from a retail Plan pharmacy or through our mail service pharmacy:</p> <ul style="list-style-type: none"> • Diabetic supplies limited to disposable insulin syringes, needles, pen delivery systems for the administration of insulin as determined by Blue Shield to be medically necessary and glucose testing tablets and strips • Formulary and non-formulary drugs for sexual dysfunction or sexual inadequacies will be covered when the dysfunction is caused by medically documented organic disease. Prior Plan approval is required and the maximum dosage dispensed will be limited by the protocols established by us. Certain drugs for these conditions are not available through the Mail Service option. • Formulary and non-formulary drugs and medicines that by federal law of the United States require a physician's prescription for their purchase, except as excluded below. • Insulin • Disposable needles and syringes for the administration of covered medications • Inhalers and inhaler spacers for the management and treatment of asthma. • Formulary and non-formulary oral contraceptive drugs and diaphragms. 	<p>\$10 per generic formulary retail Plan pharmacy prescription</p> <p>\$35 per brand name formulary retail Plan pharmacy prescription</p> <p>\$50 per non-formulary retail Plan pharmacy prescription</p> <p>\$20 per generic formulary mail service prescription</p> <p>\$70 per brand name formulary mail service prescription</p> <p>\$100 per non-formulary mail service prescription</p> <p>\$50 per specialty Plan pharmacy prescription (30 days) for specialty drugs</p> <p>If the Plan allowance for the prescription at Plan pharmacies is less than the copay, you will pay the lesser amount</p>

Covered medications and supplies - continued on next page

Benefit Description	You pay
Covered medications and supplies (cont.)	High Option
<ul style="list-style-type: none"> Smoking Cessation Medication <p><i>Note: Over-the-counter and prescription drugs approved by the FDA to treat tobacco dependence are covered under the Smoking cessation benefit. (See page 33)</i></p>	<ul style="list-style-type: none"> No copay for generic, brand name and over-the-counter tobacco cessation medications when prescribed by a physician. If you request a brand name prescription medication over an available generic version then you will be responsible for the generic copayment plus the difference in price of brand name and generic drugs.
<p>Women's contraceptive drugs and devices</p> <p><i>Note: Over-the-counter female contraceptive drugs and devices approved by the FDA require a written prescription by an approved provider.</i></p>	<p>No Copayment. However, if a Brand Name contraceptive Drug is requested when a Generic Drug equivalent is available, you will be responsible for paying the difference between the cost to Blue Shield for the Brand Name contraceptive Drug and its Generic Drug equivalent.</p>
<p>Here are some things to keep in mind about our prescription drug program:</p> <ul style="list-style-type: none"> A generic equivalent will be dispensed if it is available, unless your physician specifically requires a brand name. If you receive a brand name drug when a federally-approved generic drug is available and your physician has not specified "Dispense as Written" for the brand name drug, you will pay the difference in the cost between the brand name drug and the generic plus the generic copayment. 	<p>If you request a brand drug when a generic drug is available: Generic copayment plus the difference in price of brand name and generic drugs</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <i>Drugs available without a prescription or for which there is a nonprescription equivalent available</i> <i>Drugs obtained at a non-Plan pharmacy except for out-of-area emergencies</i> <i>Compounded medication with formulary alternatives or those with no FDA approved indications</i> <i>Medical supplies such as dressings and antiseptics</i> <i>Drugs for cosmetic purposes</i> <i>Drugs to enhance athletic performance</i> <i>Drugs for weight loss except when Medically Necessary for the treatment of morbid obesity, subject to prior authorization by us.</i> <i>Vitamins and nutritional substances that can be purchased without a prescription</i> <i>Drugs prescribed for the treatment of dental conditions. This exclusion does not apply to antibiotics prescribed to treat infection and medications prescribed to treat pain.</i> <p><i>Note:</i></p>	<p><i>All Charges</i></p>

Covered medications and supplies - continued on next page

Benefit Description	You pay
Covered medications and supplies (cont.)	High Option
<ul style="list-style-type: none"> <i>Intravenous fluids and medications for home use and some injectable drugs including office injectables and injectables for the treatment of infertility are not covered under the prescription drug benefit. Please refer to Section 5(a), 5(b) and 5(c) for coverage information.</i> <i>IUDs and implanted contraceptives dispensed by your physician are covered under Section 5(a), not the Prescription Drug Benefit.</i> 	<i>All Charges</i>

Section 5(g). Dental benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- Plan providers must provide or arrange your care.
- We have no calendar year deductible.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient; we do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You Pay
Accidental injury benefit	High Option
The treatment of damage to natural teeth caused solely by an accidental injury is limited to medically necessary services until the services result in initial, palliative stabilization of the member as determined by the Plan.	\$20 per office visit \$50 outpatient
Note: Dental services provided after initial stabilization, prosthodontics, orthodontia and cosmetic services are not covered. The benefit does not include damage to the natural teeth that is not accidental, e.g. resulting from chewing or biting.	

Dental benefits

We have no other FEHB dental benefits. Please refer to page 52 for details about a comprehensive, non-FEHB optional Blue Shield Dental Plan.

Section 5(h). Special features

Feature	Description
Feature	High Option
Flexible Benefits Option	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to regular contract benefits as a less costly alternative. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue. • Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process. • By approving an alternative benefit, we do not guarantee you will get it in the future. • The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits. • If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular contract benefits will resume if we do not approve your request. • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claim process (see Section 8).
High risk pregnancies	<p>We cover the prenatal diagnosis of genetic disorders of the fetus in high-risk pregnancy cases.</p>
Self-referral to specialty services	<p>Access+ HMO allows you to arrange office visits with Plan specialists in the same Medical Group or IPA as your primary care physician without a referral. A few physicians are not Access+ HMO providers. You are advised to refer to the <i>Access+ HMO 2008 Provider Directory for Federal Employees</i> to determine if your physician participates in the Access+ HMO self-referral option. Members who use this convenient feature are subject to a \$30 copayment per specialty office visit. If the medical condition requires follow-up care to the same specialist, you are encouraged to request that the specialist receive prior authorization from your primary care physicians for additional visits at the regular office copayment of \$20 per visit.</p> <p>The Access+ HMO specialist includes:</p> <ul style="list-style-type: none"> • Examinations and consultations; • Conventional x-rays of the chest and abdomen; • X-rays of bones to diagnose suspected fractures;

Feature - continued on next page

Feature	Description
Feature (cont.)	High Option
	<ul style="list-style-type: none"> • Laboratory services; • Diagnostic or treatment procedures that would normally be provided with a referral; and • Vaccines and antibiotics. <p>The Access+ HMO specialist visit does not include:</p> <ul style="list-style-type: none"> • Diagnostic imaging such as CAT Scans, MRI or bone density measurements; • Services that are not covered benefits or that are not medically necessary; • Services of a provider not in the Access+ HMO or MHSA network (see section 5(e)); • Allergy testing; • Endoscopic procedures; • Injectables, chemotherapy or other infusion drugs (not listed above); • Infertility services; • Emergency services; • Urgent care services; • Inpatient services or facility charges; • Services for which the Medical Group or IPA routinely allows the Member to self-refer without authorization from the Personal Physician; • OB/GYN services by an obstetrician/gynecologist or family practice physician within the same Medical Group/IPA as the Personal Physician; and • Internet-based consultations.
NurseHelp 24/7	Blue Shield of California's NurseHelp 24/7 provides members with no charge, confidential, unlimited telephone support for information, consultations, and referrals for health and psychosocial issues. Members may obtain these services by calling 1-877-304-0504, a 24-hour, toll-free telephone number. There is no charge for these services.
Obesity program and educational resources	<p>For members and dependants 18 years and older:</p> <ul style="list-style-type: none"> • 10-week online Weight Management program available through Healthy Lifestyle Rewards. Visit www.blueshieldca.com/hlr for details • Additional online resources available through Health Library (visit www.blueshieldca.com/federal for details) <ul style="list-style-type: none"> - interactive tools - actionsets - decision points • Weight Watchers discount also available. See page 58, "Non-FEHB benefits available to Plan members."

Feature - continued on next page

Feature	Description
Feature (cont.)	High Option
	<p>For dependant members under age 18:</p> <ul style="list-style-type: none"> • "What is Your Child's BMI?" Health support programs	<p>Blue Shield of California offers patient education and support programs for certain diagnoses. Programs include:</p> <ul style="list-style-type: none"> • Asthma • Coronary Artery Disease program • Guided Imagery/LifeMAP Program • Congestive Heart Failure Program • Diabetes • Pediatric Diabetes • <i>Transplant Care Coordination</i> • COPD Self-management Program • Blue Shield Generic Promotion Program • Healthy Lifestyle Rewards • Healthy Back • Antidepressant Medication Management (AMM) Program • Catastrophic Injury Case Management Program • Complex Case Management • Neonatal Intensive Care Unit (NICU) Case Management programs

Non-FEHB benefits available to Plan members

The benefits described on this page are neither offered nor guaranteed under the contract with FEHB, but are made available to all enrollees and family members who are members of this Plan. The cost of the benefits described on this page is not included in the FEHB premium and any charges for these services do not count toward any FEHB deductibles or out-of-pocket maximums. These benefits are not subject to the FEHB disputed claims procedure.

Blue Shield of California Dental Options - Blue Shield offers a dental HMO Plan and a PPO dental Plan with out of network benefits. When you select the Blue Shield Dental HMO and have a dental center provide and coordinate all of your family's dental care, you get the advantages of no deductibles, virtually no claim forms, no waiting periods and no Plan maximums. When you select the Blue Shield Dental PPO, you can see any dentist whenever you need covered dental services. To access care at the lowest out of pocket expense under this plan you should use a participating dentist.

Monthly or Quarterly Dental Coverage Rates:

	Dental PPO Monthly	Dental PPO Quarterly	Dental HMO Monthly	Dental HMO Quarterly
Individual (Adult)	\$42.61	\$127.83	\$23.38	\$70.14
Two-Party	\$80.51	\$241.53	\$44.77	\$134.31
Family	\$125.39	\$376.17	\$65.50	\$196.50

Call 888-271-4929 for a list of dentists, summary of benefits and an enrollment form.

Receive Discounts through the Vision Plan Administrator (VPA) on Frames and Lenses. As a Blue Shield of California member, you can enjoy discounts of up to 20% on the following products and services through the VPA discount program: frames and eye glass lenses; contact lenses; photochromatic lenses; and tints and coatings.

For coverage of eye refractions through the VPA see page 30. Most of the providers in the network also agree under their ECN agreement to offer this discount. Vision Plan Administrator provider directories can be accessed through www.blueshieldca.com/federal or ordered by calling Blue Shield Member Service at 800-880-8086.

To receive discounts from VPA providers you simply present your Blue Shield ID card when purchasing the products or services listed here. You pay the participating provider's published fees - less the 20% discount. There is no need to file a claim - you are responsible for all incurred charges.

Receive Discounts through the *mylifepath* Alternative Health Services Discount Program - Acupuncture, Chiropractic and Massage Therapy. We offer the types of non-traditional medical services that our members want, at a generous reduction in cost. They are available nationwide to members with a Blue Shield of California member identification card. Members can get 25 percent off or more from the practitioner's published fees on these alternative care services. You will be responsible for all charges remaining after the discounts are applied. For more details on all features, please call 888-999-9452 or visit our website at www.blueshieldca.com/wellnessdiscounts for health information and news about value-added features, including discounts on memberships at Weight Watchers and 24-Hour Fitness.

Medical Care for Vacations, Business Travel and College Students. You and your eligible family members are covered for urgent and emergency care in all 50 states while you are on vacation or business travel. There are no additional premiums for this coverage. Away from Home Care is also available on a temporary basis for members and dependents who will be living away from home and who need a local primary care provider. You pay office copayments, which vary from state to state (\$5 to \$25) for guest visits and \$15 for urgent care visits. For additional information on these coverages, call 800-622-9402.

Blue Shield offers a variety of health plans for individuals and families. Or, if you are losing this Plan's coverage, you **may** be eligible to apply for one of Blue Shield's individual plans if you meet the eligibility requirements. For more information on all these health plans or to submit an online application, please visit our website at blueshieldca.com.

Benefits on this page are not part of the FEHB Contract

Section 6. General exclusions – services, drugs, and supplies we do not cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. For information on obtaining prior approval for specific services, such as transplants, see Section 3 *When you need prior Plan approval for certain services***

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency services/accidents)
- Services, drugs, or supplies you receive while you are not enrolled in this Plan
- Services, drugs, or supplies that are not medically necessary
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or mental health practice
- Experimental or investigational services except for services for members who have been accepted into an approved clinical trial for cancer as provided under covered services (Section 5(a)). (Also, see specifics regarding transplants in Section 5(b))
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest
- Services, drugs, or supplies related to sex transformations
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program
- Services, drugs, or supplies related to sexual dysfunction or sexual inadequacies (including penile prostheses) except as provided for medically documented treatment of organically based conditions
- Services performed by a close relative (the spouse, child, brother, sister, or parent of a member) or a person who ordinarily resides in the member's home
- Services, drugs, or supplies you receive without charge while in active military service

Section 7. Filing a claim for covered services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received). See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures. When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims except for your annual eye examination. Just present your Blue Shield identification card and pay your copayment or coinsurance.

There are four types of claims. Three of the four types - Urgent care claims, Pre-service claims, and Concurrent review claims - usually involve access to care where you need to request and receive our advance approval to receive coverage for a particular service or supply covered under this Brochure. See Section 3 for more information on these claims/requests and Section 10 for the definitions of these three types of claims.

The fourth type - Post-service claims - is the claim for payment of benefits after services or supplies have been received.

You will also need to file a claim when you receive emergency services from non-Plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Facilities will file on the UB-04 form. For claims questions and assistance, contact us at 800-880-8086 or see our Website at www.blueshieldca.com/federal.

When you must file a claim -- such as for out-of-area care -- submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name date of birth, address, phone number and ID number
- Name and address of the physician or facility that provided the service or supply
- Dates you received the services or supplies
- Diagnosis
- Type of each service or supply
- The charge for each service or supply
- A copy of the explanation of benefits, payments, or denial from any primary payor -- such as the Medicare Summary Notice (MSN)
- Receipts, if you paid for your services

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.

Submit your claims to:

**Blue Shield of California
Access+ HMO Member Services
P.O. Box 272550
Chico, CA 95927**

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Post-service claims procedures

We will notify you of our decision within 30 days after we receive the claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review as long as we notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.

**Authorized
Representative**

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, we will permit a health care professional with knowledge of your medical condition to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Notice Requirements

If you live in a county where at least 10 percent of the population is literate only in a non-English language (as determined by the Secretary of Health and Human Services), we will provide language assistance in that non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language services (such as telephone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.

Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the health care provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes

Section 8. The disputed claims process

You may be able to appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7 and 8 of this brochure, please visit www.blueshieldca.com/federal.

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim.

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none">a) Write to us within 6 months from the date of our decision; andb) Send your request to us at: Blue Shield of California, Member Services Department, P.O. Box 272550, Chico, Ca 95927. You may call our member service department at 800-880-8086; andc) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andd) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.e) Include your email address (optional for member), if you would like to receive our decision via email. Please note that by giving us your email, we may be able to provide our decision more quickly. <p>We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.</p>
2	<p>In the case of a post-service claim, we have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none">a) Pay the claim orb) Write to you and maintain our denial or.c) Ask you or your provider for more information <p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision</p>

The disputed claims process – continued on next page

The disputed claims process(*continued*)

3

If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employee Insurance Operations, Health Insurance II, 1900 E Street, NW, Washington, DC 20415-3620.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.
- Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

4

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at (800) 880-8086. We will hasten our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance II at (202) 606-3818 between 8 a.m. and 5 p.m. eastern time.

Please remember that we do not make decisions about plan eligibility issues. For example, we do not determine whether you or a dependent is covered under this plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Worker's Compensation programs if you are receiving Worker's Compensation benefits.

Section 9. Coordinating benefits with Medicare and other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit the NAIC web site at <http://www.NAIC.org>.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

• TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

• Workers’ Compensation

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers’ Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

• Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Clinical trials

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy.
- Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care.
- Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials, this plan does not cover these costs.

When you have Medicare

• **What is Medicare?**

Medicare is a health insurance program for:

- People 65 years of age or older
- Some people with disabilities under 65 years of age
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant)

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE (1-800-633-4227), (TTY 1-800-486-2048) for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

- **Part C (Medicare Advantage).** You can enroll in a Medicare Advantage plan to get your Medicare benefits. We offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.
- **Part D (Medicare prescription drug coverage).** There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare's Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213, (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

• **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213 (TTY 1-800-325-0778) to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. If you do not sign up for Medicare Part B when you are first eligible, you may be charged a Medicare Part B late enrollment penalty of a 10% increase in premium for every 12 months you are not enrolled. If you didn't take Part B at age 65 because you were covered under FEHBP as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

• **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan primary care physician.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. You will not need to do anything. To find out if you need to do something to file your claim, call us at 800-880-8066.

We do not waive any costs if the Original Medicare Plan is your primary payor.

You can find more information about how our plan coordinates benefits with Medicare in "Understanding Your Federal Options" at www.blueshieldca.com/federal.

- **Tell us about your Medicare coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY 1-800-486-2048) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and our Medicare Advantage plan: You may enroll in our Medicare Advantage plan and also remain enrolled in our FEHB Plan. In this case, we do not waive cost-sharing for your FEHB coverage.

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB Plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓

1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical Trials Cost Categories	<ul style="list-style-type: none">• Routine Care Costs - costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's cancer, whether the patient is in a clinical trial or is receiving standard therapy• Extra Care Costs - costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care• Research Costs - costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See Section 4.
Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.
Covered services	Care we provide benefits for, as described in this brochure.
Experimental or investigational service	Access+ HMO covers drugs, devices that are medically indicated and biological products no longer considered to be investigational by the Food and Drug Administration. Coverage for other procedures are reviewed by and decided by the Blue Shield of California Medical Policy Committee. The primary criteria are that the proposed new procedures are safe and effective.
Health care professional	A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.
Medical necessity	<p>Services, drugs, supplies or equipment which are medically necessary include only those which have been established as safe and effective, are furnished under generally accepted professional standards to treat illness, injury or medical condition, and which, as determined by us, are:</p> <ul style="list-style-type: none">a. consistent with standards of good medical practices in the U.S.;b. consistent with the symptoms or diagnosis;c. not furnished primarily for the convenience of the patient, the attending physician or other provider; andd. furnished at the most appropriate level, which can be provided safely and effectively to the patient. As an inpatient, this means that your medical symptoms or conditions require that the diagnosis, treatment or service cannot be safely provided to you as an outpatient. <p>Hospital Inpatient Services which are medically necessary include only those services which satisfy the above requirements, require the acute bed-patient (overnight) setting, and which could not have been provided in the physician's office, the outpatient department of a hospital, or in another lesser facility without adversely affecting the patient's condition or the quality of medical care rendered.</p> <p>We reserve the right to review all claims to determine whether services are medically necessary, and may use the services of physician consultants, peer review committees of professional societies or hospitals, and other consultants.</p>

Plan allowance	<p>Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. These are negotiated lower provider rates and savings are passed on to you. The plan allowance is the total dollar amount allowed by the Plan for Covered Services, including the amounts payable by the Plan and payable by you.</p> <p>With respect to Plan Provider and Facilities, the plan allowance is the amount that the Provider and Blue Shield have agreed by contract will be accepted as payment in full for the Services rendered.</p>
Post-service claims	Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.
Pre-service claims	Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.
Us/We	Us and we refer to Blue Shield of California Access+ HMO or Blue Shield's Mental Health Services Administrator (MHSA) for mental health and substance abuse coverage.
You	You refers to the enrollee and each covered family member.
Urgent care claims	<p>A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:</p> <ul style="list-style-type: none"> • Waiting could seriously jeopardize your life or health; • Waiting could seriously jeopardize your ability to regain maximum function; or • In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. <p>Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgement of a prudent layperson who possesses an average knowledge of health and medicine.</p> <p>If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at (800) 880-8086. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.</p>

Section 11. Other Federal Programs

Please note, the following programs are not part of your FEHB benefits. They are separate Federal programs that complement your FEHB benefits and can potentially reduce your annual out-of-pocket expenses. These programs are offered independent of the FEHB Program and require you to enroll separately with no government contribution.

Important information about three Federal programs that complement the FEHB Program

First, the **Federal Flexible Spending Account Program**, also known as **FSAFEDS**, lets you set aside pre-tax money from your salary to reimburse you for eligible dependant care and/or health care expenses. You pay less in taxes so you save money. The result can be a discount of 20% to more than 40% on services/products you routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)** provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

The Federal Flexible Spending Account Program– *FSAFEDS*

What is an FSA?

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less taxes so you save money. **Annuityants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250. The maximum annual election for a health care flexible spending account (HCFSAs) or a limited expense health care spending account (LEX HCFSAs) is \$2,500.

- **Health Care FSA (HCFSAs)** - Reimburses you for eligible health care expenses (such as copayments, deductibles, insulin, products, **physician prescribed** over-the-counter drugs and medications, vision and dental expenses, and much more) for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.

FSAFEDS offers paperless reimbursement for your HCFSAs through a number of FEHB and FEDVIP plans. This means that when you or your provider file claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.

- **Limited Expense Health Care FSA (LEX HCFSAs)** - Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your tax dependents including adult children (through the end of the calendar year in which they turn 26) which are covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Dependant Care FSA (DCFSAs)** - Reimburses you for eligible **non-medical** day care expenses for your child(ren) under age 13 and/or for any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self-care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSAs.
- If you are a new or newly eligible employee you have 60 days from your hire date to enroll in an HCFSAs or LEX HCFSAs and/or DCFSAs, but you must enroll before October 1. If you are hired or become eligible on or after October 1 you must wait and enroll during the Federal Benefits Open Season held each fall.

- **Where can I get more information about FSAFEDS?**

Visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern time. TTY: 1-800-952-0450.

The Federal Employees Dental and Vision Insurance Program - *FEDVIP*

Important Information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is, separate and different from the FEHB Program, and was established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004. **This Program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations for enrollment.**

FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

Dental Insurance

All dental plans provide a comprehensive range of services, including:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 24-month waiting period for dependent children up to age 19.

Vision Insurance

All vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information

You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/insure/vision and www.opm.gov/insure/dental. These sites also provide links to each plan's website, where you can view detailed information about benefits and preferred providers.

How do I enroll?

You enroll on the Internet at www.BENEFEDS.com. For those without access to a computer, call 1-877-888-3337, (TTY, 1-877-889-5680).

The Federal Long Term Care Insurance Program - *FLTCIP*

It's important protection

The Federal Long Term Care Insurance Program (FLTCIP) can help pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living - such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives, are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information, call 1-800-LTC-FEDS (1-800-582-3337), (TTY 1-800-843-3557) or visit www.ltcfeds.com.

Pre-existing Condition Insurance Program (PCIP)

Do you know someone who needs health insurance but can't get it? The Pre-Existing Condition Insurance Plan (PCIP) may help.

An individual is eligible to buy coverage in PCIP if:

- He or she has a pre-existing medical condition or has been denied coverage because of the health condition;
- He or she has been without health coverage for at least the last six months. (If the individual currently has insurance coverage that does not cover the pre-existing condition or is enrolled in a state high risk pool then that person is not eligible for PCIP.);
- He or she is a citizen or national of the United States or resides in the U.S. legally.

The Federal government administers PCIP in the following states: Alabama, Arizona, District of Columbia, Delaware, Florida, Georgia, Hawaii, Idaho, Indiana, Kentucky, Louisiana, Massachusetts, Minnesota, Mississippi, North Dakota, Nebraska, Nevada, South Carolina, Tennessee, Texas, Vermont, Virginia, West Virginia, and Wyoming. To find out about eligibility, visit www.pcip.gov and/or www.healthcare.gov or call 1-866-717-5826 (TTY): 1-866-561-1604.

2013 Rate Information for Blue Shield of California Access+ HMO

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the *Guide to Federal Benefits* for that category or contact the agency that maintains your health benefits enrollment.

Postal Category 1 rates apply to career employees covered by the National Postal Mail Handlers Union (NPMHU), National Association of Letter Carriers (NALC) and Postal Police bargaining units.

Postal Category 2 rates apply to other non-APWU, non-PCES, non-law enforcement Postal Service career employees, including management employees, and employees covered by the National Rural Letter Carriers' Association bargaining unit.

Special Guides to Benefits are published for American Postal Workers Union (APWU) employees (see RI 70-2A) including Material Distribution Center, Operating Services and Information Technology/Accounting Services employees and Nurses; Postal Service Inspectors and Office of Inspector General (OIG) law enforcement employees (see RI 70-2IN), Postal Career Executive Service (PCES) employees (see RI 70-2EX), and noncareer employees (see RI 70-8PS).

Career APWU employees hired before May 23, 2011, will have the same rates as the Category 2 rates shown below. In the Guide to Benefits for APWU Employees (RI 70-2A) this will be referred to as the "Current" rate; otherwise, "New" rates apply.

For further assistance, Postal Service employees should call:

Human Resources Shared Service Center

1-877-477-3273, option 5

TTY: 1-866-260-7507

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *Guide to Federal Benefits*.
