

Scott and White Health Plan

<http://fehb.swhp.org>

(800) 321-7947

The one Texans trust.

2014

A Health Maintenance Organization (standard option)

This plan's health coverage qualifies as minimum essential coverage and meets the minimum value standard for the benefits it provides. See page 7 for details.

Serving the Central and West Texas Areas

Enrollment in this plan is limited.

You must live or work in the Scott and White Health Plan service area to be eligible for this plan. Please see page 13 for a full list of counties and requirements.

IMPORTANT

- Rates: Back Cover
- Changes for 2014: Page 14
- Summary of benefits: Page 69

Scott & White Health Plan is the highest-ranked private HMO in Texas by NCQA's Health Insurance Plan Ranking - 2012-13 – Private.

Enrollment Codes for this Plan:

- A84 Standard Option - Self only
- A85 Standard Option - Self and Family

Special notice – This Plan is being offered for the first time under the Federal Employees Health Benefits Program during the 2013 Open Season.

Authorized for distribution by the:

United States
Office of Personnel Management

Healthcare and Insurance

RI 73-881

**Important Notice from Scott and White Health Plan (SWHP) About
Our Prescription Drug Coverage and Medicare**

The Office of Personnel Management (OPM) has determined that the SWHP's prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15th through December 7th) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). (TTY)1-877-486-2048.

Introduction

This brochure describes the benefits of SWHP under our contract (CS 2942) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. Customer service may be reached at (800) 321-7947 or through our website: <http://fehb.swhp.org>. The address for SWHP administrative offices is:

Scott and White Health Plan
1206 West Campus Drive
Temple, TX 76502

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

OPM negotiates benefits and rates with each plan annually.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2014, unless those benefits are also shown in this brochure.

Coverage under this plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision for more information on the individual requirement for MEC.

The ACA establishes a minimum value for the standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). The health coverage of this plan does meet the minimum value standard for the benefits the plan provides.

Plain Language

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples,

- Except for necessary technical terms, we use common words. For instance, "you" means the enrollee or family member, "we" means SWHP.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care providers, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Periodically review your claim history for accuracy to ensure we have not been billed for services that you did not receive.

- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.

If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at (800) 321-7947 and explain the situation.
- If we do not resolve the issue

CALL - THE HEALTH CARE FRAUD HOTLINE
(877) 499-7295
OR go to www.opm.gov/oig

You can also write to:

United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street NW Room 6400
Washington, DC 20415-1100

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise)
 - Your child age 26 or over (unless he/she is disabled and incapable of self-support prior to age 26)
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include, falsifying a claim to obtain FEHB benefits, trying to or obtaining service or coverage for yourself or for someone else who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage, (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

Preventing medical mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That’s about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines and dosage that you take, including non-prescription (over-the-counter) medicines and nutritional supplements.
- Tell your doctor and pharmacist about any drug, food, and other allergies you have such as to latex.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask your pharmacist about the medication if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
 - Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - "Exactly what will you be doing?"
 - "About how long will it take?"
 - "What will happen after surgery?"
 - "How can I expect to feel during recovery?"
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications or nutritional supplements you are taking.

Patient Safety Links

- www.ahrq.gov/consumer/. The Agency for Healthcare Research and Quality makes available a wide-ranging list of topics not only to inform consumers about patient safety but to help choose quality health care providers and improve the quality of care you receive.

- www.talkaboutrx.org/. The National Council on Patient Information and Education is dedicated to improving communication about the safe, appropriate use of medicines.
- www.leapfroggroup.org. The Leapfrog Group is active in promoting safe practices in hospital care.
- www.ahqa.org. The American Health Quality Association represents organizations and health care professionals working to improve patient safety.

Never Events

You will not be billed for inpatient services related to treatment of specific hospital acquired conditions or for inpatient services needed to correct never events, if you use SWHP contracted providers. This policy helps to protect you from preventable medical errors and improve the quality of care you receive.

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen called "Never Events". When a Never Event occurs neither your FEHB plan nor you will incur cost to correct the medical error.

FEHB Facts

Coverage information

- **No pre-existing condition limitation** We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

- **Minimum essential coverage (MEC)** Coverage under this plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision for more information on the individual requirement for MEC.

- **Minimum value standard** The ACA establishes a minimum value for the standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). The health coverage of this plan does meet the minimum value standard for the benefits the plan provides.

- **Where you can get information about enrolling in the FEHB Program** See www.opm.gov/healthcare-insurance for enrollment information as well as:
 - Information on the FEHB Program and plans available to you
 - A health plan comparison tool
 - A list of agencies who participate in Employee Express
 - A link to Employee Express
 - Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next Open Season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

- **Types of coverage available for you and your family** Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster children authorized for coverage by your employing agency or retirement office. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event.

The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately of changes in family member status, including your marriage, divorce, annulment, or when your child reaches age 26.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

If you have a qualifying life event (QLE) - such as marriage, divorce, or the birth of a child -outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLEs, visit the FEHB website at www.opm.gov/healthcare-insurance/life-events. If you need assistance, please contact your employing agency, Tribal Benefits Officer, personnel/ payroll office, or retirement office.

• **Family member coverage**

Family members covered under your Self and Family enrollment are your spouse (including a valid common law marriage) and children as described in the chart below.

Children	Coverage
Natural, adopted children, and stepchildren	Natural, adopted children and stepchildren are covered until their 26th birthday.
Foster Children	Natural, adopted children, and stepchildren Natural, adopted children and stepchildren are covered until their 26th birthday.
Children Incapable of Self-Support	Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
Married Children	Married children (but NOT their spouse or their own children) are covered until their 26th birthday.
Children with or eligible for employer-provided health insurance	Children who are eligible for or have their own employer-provided health insurance are covered until their 26th birthday.

You can find additional information at www.opm.gov/healthcare-insurance.

• **Children’s Equity Act**

OPM has implemented the Federal Employees Health Benefits Children’s Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan’s Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or

- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children.

If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

• **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2014 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2013 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage, (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

• **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits

• **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC).

- **Upon divorce**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse’s enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse’s employing or retirement office to get RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM’s Web site, www.opm.gov/healthcare-insurance/healthcare/plan-information/guides.

- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, Tribal employment, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal or Tribal job, if you are a covered dependent child and you turn 26, etc.

You may not elect TCC if you are fired from your Federal or Tribal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/healthcare-insurance. It explains what you have to do to enroll.

We also want to inform you that the Patient Protection and Affordable Care Act (ACA) did not eliminate TCC or change the TCC rules.

- **Finding replacement coverage**

This Plan does not offer its own non-FEHB plan for conversion purposes. If you would like to purchase health insurance through the Affordable Care Act’s Health Insurance Marketplace, please visit www.HealthCare.gov. This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

In lieu of offering a non-FEHB plan for conversion purposes, we will assist you, as we would assist you in obtaining a plan conversion policy, in obtaining health benefits coverage inside or outside the Affordable Care Act’s Health Insurance Marketplace. For assistance in finding coverage, please contact us at (800) 321-7947 or visit our website at <http://fehb.swhp.org>.

- **Health Insurance Marketplace**

If you would like to purchase health insurance through the Affordable Care Act’s Health Insurance Marketplace, please visit www.HealthCare.gov. This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at www.opm.gov/healthcare-insurance; refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

Section 1. How this plan works

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

General features of our Standard Option

We have Open Access benefits

Our HMO offers Open Access benefits. This means you can receive covered services from a participating provider without a required referral from your primary care physician or by another participating provider in the network.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

Health education resources and account management tools

Health education resources and account management tools are available on our website at <http://fehb.swhp.org>.

- VitalCare programs are available online or by calling Customer Service at 800-321-7947.
- You can access your claims and explanations of benefits (EOBs) by visiting <http://fehb.swhp.org> and logging in to MyBenefits.
- You can order ID cards.
- You can change your primary care physician (if you choose to use one).
- You can estimate the cost of services.

Your rights

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM's FEHB Web site (www.opm.gov/healthcare-insurance) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Scott and White Health Plan began operation in January of 1982 as a not-for-profit Health Maintenance Organization (HMO).
- Scott and White Health Plan is a privately owned, not-for-profit community-based health maintenance organization and does not include any partners.

If you want more information about us, call (800) 321-7947, or write to Scott and White Health Plan, 1206 West Campus Drive, Temple, TX 76502. You may also contact us by fax at (254) 298-3663 or visit our Web site at <http://fehb.swhp.org>.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Service Area

To enroll in this Plan, you must live in or work in our service area. This is where our providers practice. Our service area includes:

All of the following counties in central Texas: Austin, Bastrop, Bell, Blanco, Bosque, Brazos, Burleson, Burnet, Caldwell, Coke, Coleman, Concho, Coryell, Crockett, Falls, Freestone, Grimes, Hamilton, Hays, Hill, Hood, Irion, Johnson, Kimble, Lampasas, Lee, Limestone, Llano, Madison, Mason, McCulloch, McLennan, Menard, Milam, Mills, Reagan, Robertson, Runnels, San Saba, Schleicher, Somervell, Sterling, Sutton, Tom Green, Travis, Waller, Walker, Washington, and Williamson; and, the portion described of each of the following counties in central Texas:

Erath--the southeastern one-half of the county below U.S. Highway 377 southwest from the Hood County line to the Comanche County line but including the towns of Bluff Dale, Stephenville, and Dublin;

Leon--the southwestern one-fourth of the county bounded on the north by Texas Highway 7 east from the Robertson County line to Texas Highway 75 and bounded on the east by Texas Highway 75 south from Texas Highway 7 to the Madison County line but including the towns of Marquez, Robbins, Centerville, and Leona.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. We are a new plan for 2014

This Plan is new to the FEHB Program. We are being offered for the first time during the 2013 Open Season.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation letter (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at (800) 321-7947 or write to us at

Scott and White Health Plan
1206 West Campus Drive
Temple, TX 76502

You may also request replacement cards through our Web site: <http://fehb.swhp.org>.

Where you get covered care

You get care from "Plan providers" and "Plan facilities." You will only pay copayments and/or coinsurance. We are an Open Access health plan, so you can receive covered services from a participating provider without a referral from a primary care physician or by another participating provider in the network.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update monthly. The list is also on our Web site, <http://fehb.swhp.org>.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update monthly. The list is also on our Web site, <http://fehb.swhp.org>.

What you must do to get covered care

Now that you have chosen SWHP, your next choice will be deciding who will provide most of your health care services. SWHP is an Open Access Health Plan. A member can go to any network provider without a referral.

- **Primary care**

Members may choose a network primary care physician (PCP) if they would like, but PCP designation is not required by SWHP. If you choose a PCP, you may choose from the following:

- Family Medicine doctors treat all age groups from newborn to the elderly
- Internal Medicine doctors treat patients 18 age or older
- Pediatric doctors treat children up to age 18

In selecting a PCP, consider which clinic or doctor would be most convenient to meet your own medical needs. You and your dependents may select his or her own PCP. You can change your PCP at any time by simply contacting Customer Service or by going to our website, <http://fehb.swhp.org>.

- **Specialty care**

All non-emergent medical care must be provided by SWHP network providers. SWHP does not require a referral from a primary care physician before you can access a specialist. Simply call the specialist's office and make an appointment.

Please note: Due to the nature of some specialties, some physician offices may require a referral prior to making your appointment. This is the choice of that physician's office and not a requirement of SWHP.

Behavioral Health Services as well as certain other services may require prior authorization through SWHP Care Coordination Division (CCD). Examples of services, procedures, or tests that may require prior notification and/or authorization by SWHP are listed on page 17.

Here are some other things you should know about specialty care:

- If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call CCD and they will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause;
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program plan; or
 - reduce our service area and you enroll in another FEHB plan;

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

• **Hospital care**

For elective hospital admissions and certain types of procedures, you need a prior authorization from the SWHP CCD before the day of the procedure, if you want to be sure SWHP will pay for the hospital and procedure. Each day you are in the hospital, SWHP nurses and Medical Directors review with your physician the level of care you require and work with him/her to determine the amount of time you need to stay in the hospital.

If you are hospitalized as a result of the emergency, you should contact the SWHP CCD within 24 – 48 hours of any admission at (888) 316-7947. Coverage for continued treatment is assured when approval is obtained from the SWHP Medical Director through the CCD. SWHP will approve or deny the requested post-stabilization treatment within one hour if contacted by the provider or facility. Emergency care in a hospital emergency room requires a copayment, which will be waived if hospital admission occurs within 24 hours.

• **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at (800) 321-7947. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center;
- the day your benefits from your former plan run out; or
- the 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

You need prior Plan approval for certain services

• **Inpatient Hospital Admission**

For elective hospital admissions and certain types of procedures listed under "Other Services," you need a prior authorization from the SWHP CCD before the day of the procedure, if you want to be sure SWHP will pay for the hospital and procedure.

Precertification is the process by which – prior to your inpatient hospital admission – we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition.

• **Other services**

For certain services, your physician must obtain prior approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

Notification requested:

1. Acute (contracted) hospital admissions (medical, surgical, behavioral health)
2. Admissions to inpatient or outpatient (contracted) hospice programs

Prior Authorization required:

1. Admissions to LTAC, Rehabilitation, and SNF facilities
2. Admissions to behavioral health/substance abuse residential, partial hospitalization, and day programs (not office visits to contracted providers)
3. Neuropsychological and psychological testing
4. Applied behavioral analysis therapy
5. Outpatient electroconvulsive therapy (ECT)
6. Solid organ and stem cell transplants (Pre-Transplant Eval; Transplant; Post-Transplant Care)
7. Weight loss (bariatric) surgeries (if a covered benefit, not covered by many plans)
8. Procedures which may be considered cosmetic and thus not covered (e.g. face lift, brow lift, blepharoplasty, liposuction, abdominoplasty, breast reconstruction (not associated with medically indicated mastectomy), surgery for gynecomastia, rhinoplasty, genioplasty, treatment of varicose veins, etc.)
9. Orthognathic surgery
10. Treatments for sleep apnea (other than CPAP/CPAP-related supplies)
11. Home health services, including all requests for hourly or private duty nursing
12. Durable medical equipment (DME) – See Addendum A for specific items
13. Orthotics and prosthetics – See Addendum B for specific items
14. Spinal fusion and vertebroplasty
15. X-Stop Spacer for Spinal Stenosis
16. Artificial Disc Implantation/Replacement
17. Ventricular assist devices (VAD)
18. Genetic testing (Except chromosome testing)
19. Intrathecal Pain Pump Implantation/Therapy
20. Spinal Stimulators
21. Vagal Nerve Stimulators

- 22.Fixed Wing or Jet Medical Transports
- 23.IVIG Therapy
- 24.Lung Volume Reduction Surgery
- 25.Transcatheter Aortic Valve Insertion or Replacement (TAVI/TAVR)
- 26.Insulin Pumps and/or Continuous Glucose Monitors
- 27.Bone-Anchored Hearing Aids (BAHA)
- 28.Cochlear Implants
- 29.Dental Services and Anesthesia for Dental Services

Addendum A - Durable Medical Equipment (purchase or rental):

- Oral appliances
- Electric, semi-electric, air fluidized, and advanced technology beds and related equipment
- Oxygen and related equipment
- Ventilators and related equipment
- High frequency chest wall oscillation air-pulse generator system; including vest, hose, and related equipment
- Bone stimulators
- Spinal Cord Stimulators
- Functional neuromuscular stimulation, transcutaneous stimulation of sequential muscle groups of ambulation with computer control, entire system
- Functional electrical stimulation, transcutaneous stimulation of nerve and/or muscle groups, complete system
- Power wheelchairs and related equipment
- Power operated vehicles and related equipment
- Custom made and specially sized wheelchairs and related equipment
- Dialysis equipment
- Defibrillators and related equipment (includes chest/vest defibrillators)
- Breast Pump Rentals
- Non-specific, miscellaneous, and unlisted DME codes

Addendum B – Orthotics and Prosthetics

- Breast implants (unless status post medically indicated mastectomy)
- Lower and upper limb prosthetics (including myoelectric and microprocessor controlled) and related equipment/supplies
- Facial, nasal, and auricular prostheses
- Non-specific, miscellaneous, and unlisted orthotic and prosthetic codes

How to request precertification for an admission or get prior authorization for Other services

First, your physician, your hospital, you, or your representative, must call us at (888) 316-7947 before admission or services requiring prior authorization are rendered.

Next, provide the following information:

- enrollee’s name and Plan identification number;
- patient’s name, birth date, identification number and phone number;
- reason for hospitalization, proposed treatment, or surgery;
- name and phone number of admitting physician;

- name of hospital or facility; and
- number of planned days of confinement.

• **Non-urgent care claims**

For non-urgent care claims, we will then tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original 15 day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

• **Urgent care claims**

If you have an urgent care claim (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether it is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to provide notice of the specific information we need to complete our review of the claim. We will allow you up to 48 hours from the receipt of this notice to provide the necessary information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at (888) 316-7947. You may also call OPM's Health Insurance 3 at (202) 606-0737 between 8 a.m. and 5 p.m. Eastern Time to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, call us at (888) 316-7947. If it is determined that your claim is an urgent care claim, we will expedite our review (if we have not yet responded to your claim).

• **Concurrent care claims**

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment before the end of the approved period of time or number of treatments as an appealable decision. This does not include reduction or termination due to benefit changes or if your enrollment ends. If we believe a reduction or termination is warranted we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

- **Emergency inpatient admission** If you are hospitalized as a result of an emergency, you should contact the SWHP CCD within 24 – 48 hours of any admission at (888) 316-7947. Coverage for continued treatment is assured when approval is obtained from the SWHP Medical Director through the CCD. SWHP will approve or deny the requested post-stabilization treatment within one hour if contacted by the provider or facility. Emergency care in a hospital emergency room requires a copayment, which will be waived if hospital admission occurs within 24 hours.

- **Maternity care** For each person covered for maternity/childbirth benefits, we will provide inpatient care for the mother and her newborn child in a healthcare facility for a minimum of:
 - 48 hours following an uncomplicated vaginal delivery, and
 - 96 hours following an uncomplicated delivery by cesarean section.

This benefit does not require a covered female who is eligible for maternity/childbirth benefits to (a) give birth in a hospital or other healthcare facility; or (b) remain in a hospital or other healthcare facility for the minimum number of hours following birth of the child.

If a covered mother or her newborn child is discharged before the 48 or 96 hours has expired, we will provide coverage for post delivery care. Post delivery care includes parent education, assistance and training in breast-feeding and bottle-feeding, and the performance of any necessary and appropriate clinical tests. Care will be provided by a physician, registered nurse, or other appropriate licensed healthcare provider, and the mother will have the option of receiving the care at her home, the healthcare provider’s office, or a healthcare facility.

- **If your treatment needs to be extended** If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

What happens when you do not follow the precertification rules when using non-network facilities

Without preauthorization, SWHP does not pay for out-of-network elective procedures, or treatment for minor illness. SWHP will not assume financial responsibility for out-of-network treatment if you are well enough to return to a SWHP provider or facility.

SWHP out-of-network benefits are limited to accidental injuries and sudden illnesses.

When seeking treatment in an out-of-network emergency room, provide your member identification card. This will speed up the processing and payment of your bill by SWHP. This will also allow the treating physician to discuss your emergency care with your provider if necessary.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

If you disagree with our pre-service claim decision

If you have a pre-service claim and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below.

If you have already received the service, supply, or treatment, then you have a post-service claim and must follow the entire disputed claims process detailed in Section 8.

What you must do to get covered care

Now that you have chosen SWHP, your next choice will be deciding who will provide most of your health care services. SWHP is an Open Access Health Plan. A member can go to any network provider without a referral.

- **To reconsider a non-urgent care claim** Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we receive your written request for reconsideration to:

1. Precertify your hospital stay or, if applicable, arrange for the health care provider to give you the care or grant your request for prior approval for a service, drug, or supply; or
2. Ask you or your provider for more information.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3. Write to you and maintain our denial.

- **To reconsider an urgent care claim**

In the case of an appeal of a pre-service urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

Subject to a request for additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will expedite the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.

- **To file an appeal with OPM**

After we reconsider your pre-service claim, if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

Section 4. Your costs for covered services

This is what you will pay out-of-pocket for covered care.

Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., coinsurance and copayments) for the covered care you receive.
Copayments	<p>A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services.</p> <p>Example: When you see your primary care physician you pay a copayment of \$20 per office visit and when you go in to an Urgent Care center, you pay \$45 per visit.</p>
Coinsurance	<p>Coinsurance is the percentage of our allowance that you must pay for your care.</p> <p>Example: In our Plan, you pay 30% of our allowance for durable medical equipment.</p>
Differences between our Plan allowance and the bill	
Your catastrophic protection out-of-pocket maximum	<p>After your total \$4,500 per person or \$4,500 per family enrollment in any calendar year, you do not have to pay any more for covered services.</p> <p>Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.</p>
Carryover	<p>If you changed to this Plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.</p>
When Government Facilities Bill Us	<p>Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.</p>

Summary of benefits for the Standard Option of Scott and White Health Plan - 201469

Section 5. Standard Option Benefits Overview

This Plan offers a Standard Option. The benefit package is described in Section 5. Make sure that you review the benefits that are available.

The Standard Option Section 5 is divided into subsections. Please read the important things you should keep in mind at the beginning of the subsections. Also read the *general exclusions* in Section 6, they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about Standard Option benefits, contact us at (800) 321-7947 or on our Web site at <http://fehb.swhp.org>.

Unique features of our Standard Option:

- Our Member Promise:
 - Scott & White Health Plan wants to help you get an appointment when you need care. If you are having difficulty getting an appointment to see one of our participating providers please call us. We guarantee that you will get an appointment when you need to be seen OR we will provide you with a \$30 gift card to a S&W Pharmacy or a \$30 VISA gift card if a S&W Pharmacy is not located in your area.
- No deductible
- Low copays or coinsurance for most services
- No charge for preventive care, lab, x-ray, and non-routine mammograms
- Only \$5 for preferred generic drugs
- All VitalCare wellness programs are no charge to members. Programs include:
 - Online Lifestyle Management Programs - stress relief, weight management, back pain management, nutrition, depression, insomnia, binge eating, and more
 - Health coaches - direct access to a coach for help on over 65 different diseases and conditions
 - Dinner Tonight Cooking School - a fun way to learn how to make healthy, easy recipes
 - Step Up Scale Down - 12 week exercise program teaches you how to lose weight and keep it off
 - Diabetes Day - free diabetic screenings and tests for members with diabetes
 - Vitality Coordinators - nurses who work in a real clinic setting side-by-side with doctors, physician assistants, nurse practitioners, clinical nurses and other members of the clinical team. The goal is to close gaps in care for SWHP members in their respective clinics.
 - Vital Bridges - program designed to improve coordination of care for members after they have been discharged from the hospital
 - Shared decision-making - gives the member reliable tools and information to better make decisions with their physicians on treatment options they may have been given related to “preference sensitive” conditions.
 - Walk Across Texas Program - SWHP, partnered with Texas A&M-AgriLife Division, offers an 8-week walking program that can be done in groups or as an individual participant to encourage exercise.
 - Nutrimed Program - free*clinical weight loss management program through the SWHP Pharmacies that involves nutritional meal replacements (*costs of the program except for the food itself are covered)
- We offer incentives for taking care of yourself!
 - Health Risk Assessment (HRA) - SWHP will provide a \$50 gift card to each FEHBP member who completes our online HRA each year. If member does not have online access, please request a paper version from SWHP and mail your completed assessment to SWHP, attn: CCD, 1206 West Campus Drive, Temple, TX 76502 in order to receive your gift card.

- Biometric screenings - SWHP will provide a \$25 gift card to each FEHBP member that completes the biometric screenings each year. These screenings include body mass index (BMI), waist circumference measurement, lipid or cholesterol levels, blood pressure, tobacco use testing, and glucose or hemoglobin A1c. Screenings may be done in a physician's office or at health fairs. If screenings are performed by a SWHP provider in the Scott and White HealthCare system, results are recorded and available in the electronic medical record for all physicians/providers involved in the care of the member to reference. If screenings are performed at a health fair, member will need to mail a copy of the results to SWHP, attn: CCD, 1206 West Campus Drive, Temple, TX 76502, in order to receive your gift card.
- 24 hour nurse line included at no charge
- Appointment Advocates - help you get an appointment when you need it
- Customer service available 24 hours a day, 7 days a week

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- A facility copay applies to services that appear in this section but are performed in an ambulatory surgical center or the outpatient department of a hospital.
- Be sure to read Section 4, Your costs for covered services, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You Pay
Diagnostic and treatment services	Standard
Professional services of physicians <ul style="list-style-type: none"> • In physician’s office 	\$20 per visit to a primary care physician \$45 per visit to specialist
Professional services of physicians <ul style="list-style-type: none"> • In an urgent care center • During a hospital stay 	\$45 per visit to urgent care center 10% of charges for inpatient hospital stay
<i>Not covered: Chiropractic services.</i>	<i>All charges</i>
Lab, X-ray and other diagnostic tests	Standard
Tests, such as: <ul style="list-style-type: none"> • Blood tests • Urinalysis • Non-routine Pap test s • Pathology • X-rays • Non-routine mammograms • Ultrasound • BRCA testing - Per the PPACA, the Plan will cover BRCA testing for women whose family history is associated with an increased risk for deleterious mutations in BRCA1 or BRCA2. 	Nothing
CT Scans MRI Angiograms Myelography PET Scans Stress Tests	\$100 per procedure

Benefit Description	You Pay
Preventive care, adult	Standard
Routine physical annually which includes: <ul style="list-style-type: none"> • Total Blood Cholesterol • Colorectal Cancer Screening, including <ul style="list-style-type: none"> - Fecal occult blood test - Sigmoidoscopy screening – every five years starting at age 50 - Double contrast barium enema – every five years starting at age 50 - Colonoscopy screening – every ten years starting at age 50 	Nothing
Routine Prostate Specific Antigen (PSA) test – one annually for men age 40 and older	Nothing
Well woman care - including, but not limited to: <ul style="list-style-type: none"> • Routine pap test • Human papillomavirus testing for women age 30 and up once every three years • Annual counseling for sexually transmitted infections. • Annual counseling and screening for human immune-deficiency virus. • Contraceptive methods and counseling • Screening and counseling for interpersonal and domestic violence. 	Nothing
Routine mammogram – covered for women age 40 and older, as follows: <ul style="list-style-type: none"> • From age 40 through 64, one every calendar year • At age 65 and older, one every two consecutive calendar years 	Nothing

<ul style="list-style-type: none"> • Local professional ambulance service when medically appropriate 	\$125 per trip

Section 5(d). Emergency services/accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Emergencies within our service area

If you have symptoms of heart attack or stroke, or feel that your "life or limb" is in danger, go immediately to the emergency room or call 911. If you have any of the following, go to the emergency room or call 911:

- Chest pain or pressure
- Uncontrolled bleeding
- Sudden or severe pain
- Coughing or vomiting blood
- Difficulty breathing or shortness of breath
- Sudden dizziness, weakness, or changes in vision
- Severe or persistent vomiting or diarrhea
- Changes in mental status, such as confusion

Emergencies outside our service area

In all emergency situations, you are encouraged to seek care with the nearest SWHP approved provider; however, if the time needed to reach a SWHP approved provider might endanger your health, go to the nearest emergency room. Medically necessary emergency care is covered. If you are hospitalized as a result of the emergency, you should contact the SWHP Care Coordination Division within 24-48 hours of any admission at (888) 316-7947.

Benefit Description	You pay
Emergency within our service area	Standard
<ul style="list-style-type: none"> • Emergency care at a doctor’s office • Emergency care at an urgent care center • Emergency care as an outpatient at a hospital, including doctors’ services <p>Note: We waive the ER copay if you are admitted to the hospital.</p>	<p>\$20 PCP, \$45 Specialist</p> <p>\$45 per visit to an Urgent Care Center</p> <p>\$125 per visit to an Emergency Room (waived if admitted)</p>
<i>Not covered: Elective care or non-emergency care</i>	<i>All charges</i>
Emergency outside our service area	Standard
<ul style="list-style-type: none"> • Emergency care at a doctor’s office • Emergency care at an urgent care center • Emergency care as an outpatient at a hospital, including doctors’ services <p>Note: We waive the ER copay if you are admitted to the hospital.</p>	<p>\$20 PCP, \$45 Specialist</p> <p>\$45 per visit to an Urgent Care Center</p> <p>\$125 per visit to an Emergency Room (waived if admitted)</p>
<p>Not covered:</p> <ul style="list-style-type: none"> • <i>Elective care or non-emergency care and follow-up care recommended by non-Plan providers that has not been approved by the Plan or provided by Plan providers</i> • <i>Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area</i> • <i>Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area</i> 	<i>All charges</i>
Ambulance	Standard
<p>Professional ambulance service when medically appropriate</p> <p>Note: See 5(c) for non-emergency service.</p>	\$125
<p><i>Not covered:</i></p> <p>Health Plan will not cover air transportation if ground transportation is medically appropriate and more economical.</p>	<i>All Charges</i>

Section 5(e). Mental health and substance abuse benefits

Admissions to behavioral health/substance abuse residential, partial hospitalization, and day programs (not office visits to contracted providers) requires prior authorization. When you receive services as part of an approved treatment plan, cost-sharing and limitations for Plan mental health and substance abuse benefits are no greater than for similar benefits for other illnesses and conditions.

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You Pay
Professional services	Standard
<p>We cover professional services by licensed professional mental health and substance abuse practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists.</p> <ul style="list-style-type: none"> • Physician services 	\$20 per visit
<p>Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include:</p> <ul style="list-style-type: none"> • Diagnostic evaluation • Crisis intervention and stabilization for acute episodes • Medication evaluation and management (pharmacotherapy) • Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment • Treatment and counseling (including individual or group therapy visits) • Diagnosis and treatment of alcoholism and drug abuse, including detoxification, treatment and counseling • Professional charges for intensive outpatient treatment in a provider's office or other professional setting • Electroconvulsive therapy 	\$20 per visit
Inpatient hospital or other covered facility	Standard
<p>Inpatient services provided and billed by a hospital or other covered facility</p> <ul style="list-style-type: none"> • Room and board, such as semiprivate or intensive accommodations, general nursing care, meals and special diets, and other hospital services 	10% of charges

Benefit Description	You Pay
Outpatient hospital or other covered facility	Standard
Outpatient services provided and billed by a hospital or other covered facility <ul style="list-style-type: none"> • Services in approved treatment programs, such as partial hospitalization, half-way house, residential treatment, full-day hospitalization, or facility-based intensive outpatient treatment 	\$20 per visit

Preauthorization To be eligible to receive these enhanced mental health and substance abuse benefits you must obtain a treatment plan and follow all of the following network authorization processes

Precertification If your provider requests out-of-network services, they must be preauthorized by the SWHP Medical Director for you to receive any benefits. Emergency admissions must be reported within two business days following the day of admission even if you have been discharged. Otherwise, there will be no coverage. See Section 3 for details.

See these sections of the brochure for more valuable information about these benefits:

- Section 4, *Your cost for covered services*, for information about catastrophic protection for these benefits.
- Section 7, *Filing a claim for covered services*, for information about submitting out-of-network claims.

Section 5(f). Prescription drug benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.

We cover prescribed drugs and medications, as described in the chart beginning on the next page.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A plan licensed physician, dentist, Nurse Practitioner (NP) or Advanced Practice Provider (APP) must write the prescription.
- **Where you can obtain them.** SWHP has a network of pharmacies available within Central Texas and the SWHP Provider Area to accommodate the needs of our members. SWHP has 12 Retail Pharmacy Locations throughout the area where maintenance quantities can be dispensed. SWHP also owns and operates its own mail order facility.
 - up to a 30 day supply - Member pays – Preferred Generic drug \$5/Preferred Brand name drug \$45/Non-preferred and non-formulary drug \$100/Specialty drug \$250
 - Contraceptives are covered with no cost sharing.
- **Mail Order Prescription Drugs** – 90 day supply - Member pays – Preferred Generic drug \$10/Preferred Brand name drug \$90/Non-preferred, non-formulary and specialty drugs not covered through mail order

Members can receive 30 or 90 day quantities through mail-order by ordering online at www.swhp.org or by calling the pharmacy at 1-800-707-3477 or 254-947-7555. Mail order is provided by the SWHP Salado Pharmacy, 3525 FM 2484, Salado, TX 76571. Before leaving the pharmacy, your order is verified by a registered pharmacist and sealed in tamper resistant packaging. We offer:

- State-of-the-art facility utilizing robotics and software specifically developed for mail order operations
 - Software to track problem prescriptions and monitor turnaround time
 - Medication shipped via U.S. First Class Mail, postage paid, all medication should arrive to members within 7-10 business days
 - Facility is owned and operated by Scott & White Health Plan
 - Toll free access to Scott & White Salado Express representatives
 - Toll free automated refill line
 - On-line refill request through My Pharmacy Connect located on SWHP website
 - Pharmacy staff will contact physician if there are no refills on the prescription or if there are questions.
- **We use a formulary.** SWHP uses a standard formulary. We cover non-formulary drugs prescribed by a Plan doctor.

If your licensed prescriber believes a name brand product is necessary or there is no generic available, your physician may prescribe a name brand drug from the formulary list. This list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost.

- **These are the dispensing limitations.** There may be limitations on drugs that require prior authorization. “Prior Authorization Required” drugs are usually those that have multiple uses, have high potential for waste, or require close monitoring by the physician. A generic equivalent will be dispensed if it is available, unless your physician specifically requires a name brand. If a brand-name medication is dispensed when a **generic** is available, member will be responsible for the non-formulary copay.

- **Why use generic drugs?** As a rule, generic drugs are about 30 to 80 percent less expensive than brand name drugs. When a drug goes off patent, other companies can apply for approval to sell the drug as a generic. The generic is chemically the same as the brand name drug. Because there is competition among the generic manufacturers, the cost is typically much lower.
- **When you do have to file a claim?** For services provided by non-participating providers you will need to file a claim for reimbursement directly to the Scott & White Health Plan at: Scott & White Health Plan, Attn: Pharmacy Claims Dept., 1206 West Campus Drive, Temple, TX 76502.

Benefits Description	You Pay
<p>Covered medications and supplies</p> <p>We cover the following medications based on the US Preventive Services Task Force A and B recommendations. The following medications and supplies must be prescribed by a Plan physician and obtained from a Plan pharmacy or through our mail order program:</p> <ul style="list-style-type: none"> • Drugs and medicines that by Federal law of the United States require a physician’s prescription for their purchase, except those listed as <i>Not covered</i>. • Insulin • Diabetic supplies limited to: <ul style="list-style-type: none"> - Disposable needles, strips, and syringes for the administration of covered medications • Drugs for sexual dysfunction • Vitamin D for members age 65 years and older (no cost sharing) 	<p>Standard</p> <ul style="list-style-type: none"> • \$5 (preferred generics) up to a 30 day supply • \$10 (preferred generics) maintenance quantities • \$45 (preferred brands) up to a 30 day supply • \$90 (preferred brands) maintenance quantities • \$100 (non-preferred and non formulary) - up to a 30 day supply, not available in maintenance quantities • \$250 (preferred specialty drugs) - up to a 30 day supply, not available in maintenance quantities <p>Note: If there is no generic equivalent available, you will still have to pay the brand name copay.</p>
<p>Mail Order Prescription Drugs – 90 day supply</p>	<ul style="list-style-type: none"> • \$10 (preferred generics) • \$90 (preferred brands) • Non-preferred, non-formulary and specialty drugs not covered through mail order
<p>Women's contraceptive drugs and devices</p> <p>Morning after pill (this is an over-the-counter emergency contraceptive drug)</p>	<p>Nothing</p> <p>Morning after pill is covered at no cost to the member if prescribed by a physician and purchased at a network pharmacy.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • Drugs and supplies for cosmetic purposes • <i>Drugs to enhance athletic performance</i> • <i>Fertility drugs</i> • <i>Drugs obtained at a non-Plan pharmacy; except for out-of-area emergencies</i> • <i>Vitamins, nutrients and food supplements even if a physician prescribes or administers them (except Vitamin D is covered for adults 65 and older)</i> • <i>Nonprescription medicines</i> <p><i>Note: Over-the-counter and prescription drugs approved by the FDA to treat tobacco dependence are covered under the Tobacco cessation benefit. (See page 34.)</i></p>	<p><i>All Charges</i></p>

Section 5(g). Dental benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payor of any Benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating benefits with other coverage.
- Plan dentists must provide or arrange your care.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.

Accidental injury benefit	You Pay
Accidental injury benefit	Standard
<p>We only cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury.</p> <p>We have no other dental benefits.</p>	\$45 outpatient
Dental benefits	Standard
<i>Not covered: Routine/Restorative</i>	<i>All charges</i>

Section 5(h). Special features

Special feature	Description
24 hour nurse line	For any of your health concerns, 24 hours a day, 7 days a week, you may call and talk with a registered nurse who will discuss treatment options and answer your health questions. Our nurses can give you information about how to take care of yourself at home or can help you decide if an appointment, an urgent care visit or an emergency room visit is best for your symptoms. If you want to talk to a nurse, call (877) 505-7947 . The nurse advice line is available to all SWHP members.
Services for deaf and hearing impaired	SWHP utilizes a toll free TTY number (800) 735-2989 to assist with communication services for Members with hearing or speech difficulties.
Appointment Advocates	Scott & White Health Plan will help you get an appointment when you need to be seen! If you are having difficulty getting an appointment to see one of our participating providers, please call us. Our personalized service will get you an appointment to see a clinician when you need to be seen. Please call us at (254) 298-3000 or (800) 321-7947 .
Language Line	In an effort to improve communication with non-English speaking members, SWHP uses the interpretive services of AT&T. Members do not have to call a special line for this service. When contacting SWHP, Members may notify the Care Coordination Division (CCD) staff and/or Customer Advocates of their primary language and the call will be completed with the help of an AT&T interpreter at no charge to the Member. SWHP CCD staff follows established internal SWHP policies related to provision of interpretive services for SWHP members.
Additional services	We also offer other valuable services to our members 24/7 including: <ul style="list-style-type: none"> • Health Coaches - (877) 505-7947 - call anytime you need information on a health issue • Dialog Center - http://fehb.swhp.org - includes shared decision making, e-mail a health coach, interactive tools • MyBenefits - http://fehb.swhp.org - check on your claims and benefits

Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums. For more information, please call **1-800-290-0523** or visit <http://fehb.swhp.org>.

Careington POS Dental Network

- Save 20% to 50% on most dental procedures including routine oral exams, unlimited cleanings and major work such as dentures, root canals and crowns.
- 20% savings on orthodontics including braces and retainers for children and adults
- 20% reduction on specialists' normal fees. Specialties include Endodontics, Oral Surgery, Pediatric Dentistry, Periodontics and Prosthodontics where available.
- Cosmetic dentistry such as bonding and veneers also included.

ChooseHealthy - Chiropractic & Alternative Medicine

With the ChooseHealthy[®] program, members will have access to a wide variety of complementary health care services.

- Utilize a nationwide network of more than 28,000 credentialed complementary health care providers, including more than 20,000 chiropractors.
- Members will receive a 25% discount off normal fees for services. Our complementary health care network includes chiropractors, massage therapists, acupuncturists and registered dietitians.
- Receive discounts on a wide variety of health and wellness products including vitamins, minerals, herbal supplements, homeopathic remedies, sports nutrition products, health-related books and DVDs, fitness products and skin care items, with free shipping on most orders.

ChooseHealthy – Fitness Only

With the ChooseHealthy[®] program, you have access to a wide variety of fitness facilities, as well as health and wellness products.

- Access more than 15,000 fitness clubs and exercise centers nationwide.
- Receive a minimum 10% discount off initiation and/or monthly dues (may apply to new health club members only).
- Receive discounts on a wide variety of health and wellness products including vitamins, minerals, herbal supplements, homeopathic remedies, sports nutrition products, health-related books and DVDs, fitness products and skin care items, with free shipping on most items.

Newport Audiology

Careington members have access to hearing aid discounts from 15% to 35% at 2,000 Newport Audiology network providers nationwide. Newport Audiology Centers also offer the latest technology for hearing aids and accessories as well as wireless capabilities for television and cellular devices.

Members will also receive additional services at no extra charge: (Valued at over \$1,000)

- Free initial audiology screening (valued at \$119)
- Two-year supply of batteries per instrument (valued at \$98)
- Two-year manufacturer's warranty including loss or damage (valued at \$350)
- Unlimited follow-up visits (valued at \$439 assuming a minimum of 6 visits)

Section 6. General exclusions – things we don't cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure.

Although we may list a specific service as a benefit, we will not cover it unless it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. For information on obtaining prior approval for specific services, such as transplants, see Section 3 When you need prior Plan approval for certain services.

We do not cover the following:

- Care by non-plan providers except for authorized referrals or emergencies (see *Emergency services/accidents*).
- Services, drugs, or supplies you receive while you are not enrolled in this Plan.
- Services, drugs, or supplies not medically necessary.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.
- Services, drugs, or supplies related to sex transformations.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs, or supplies you receive without charge while in active military service.

Section 7. Filing a claim for covered services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received). See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures. When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment or coinsurance. This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received). See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures. When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB-04 form. For claims questions and assistance, contact us at (800) 321-7947, or at our Web site at <http://fehb.swhp.org>.

When you must file a claim – such as for services you received outside the Plan’s service area – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name, date of birth, address, phone number and ID number
- Name and address of the physician or facility that provided the service or supplies
- Dates you received the services or supplies
- Diagnosis
- Type of each service or supply
- The charge for each service or supply
- A copy of the explanation of benefits, payments, or denial from any primary payor – such as the Medicare Summary Notice (MSN)
- Receipts, if you paid for your services

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills. Submit your claims to:

Scott and White Health Plan
Attn: Claims Department
1206 West Campus Drive
Temple, TX 76502

Prescription drugs

Submit your claims to:

Scott and White Health Plan
Attn: Pharmacy Claims Department
1206 West Campus Drive
Temple, TX 76502

Other supplies or services

Submit your claims to:

Scott and White Health Plan
Attn: Claims Department
1206 West Campus Drive
Temple, TX 76502

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Post-service claims procedures

We will notify you of our decision within 30 days after we receive your post-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.

Authorized Representative

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, we will permit a health care professional with knowledge of your medical condition to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Notice Requirements

If you live in a county where at least 10 percent of the population is literate only in a non-English language (as determined by the Secretary of Health and Human Services), we will provide language assistance in that non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language services (such as telephone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.

Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the health care provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes.

Section 8. The disputed claims process

You may be able to appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7 and 8 of this brochure, please visit <http://fehb.swhp.org>.

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim. To make your request, please contact our Customer Service Department by writing to:

Scott and White Health Plan
Attn: Dispute Resolution Department
1206 West Campus Drive
Temple, TX 76502

or calling (800) 321-7947.

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgment (i.e., medical necessity, experimental/investigational), we will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who was not involved in making the initial decision.

Our reconsideration decision will not afford deference to the initial decision and will be conducted by a plan representative who is neither the individual who made the initial decision that is the subject of the reconsideration, nor the subordinate of that individual.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

- 1** Ask us in writing to reconsider our initial decision. You must:
 - Write to us within 6 months from the date of our decision; and
 - Send your request to us at: Scott and White Health Plan, Attn: Dispute Resolution Department, 1206 West Campus Drive, Temple, TX 76502; and
 - Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and
 - Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.
 - Include your email address (optional for member), if you would like to receive our decision via email. Please note that by giving us your email, we may be able to provide our decision more quickly.

We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.

In the case of a post-service claim, we have 30 days from the date we receive your request to:

2

- Pay the claim or
- Write to you and maintain our denial or
- Ask you or your provider for more information

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3

If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employee Insurance Operations, Health Insurance x, 1900 E Street, NW, Washington, DC 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call;
- Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

4

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at (800) 321-7947. We will hasten our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance 3 at (202) 606-0737 between 8 a.m. and 5 p.m. Eastern Time.

Please remember that we do not make decisions about plan eligibility issues. For example, we do not determine whether you or a dependent is covered under this plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Workers' Compensation Programs if you are receiving Workers' Compensation benefits.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called "double coverage."

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit the NAIC web site at www.NAIC.org.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

• TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. IF TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

• Workers' Compensation

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

• Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Clinical trials

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient’s condition, whether the patient is in a clinical trial or is receiving standard therapy.
- Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient’s routine care.
- Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials, this plan does not cover these costs.

When you have Medicare

• What is Medicare?

Medicare is a health insurance program for:

- People 65 years of age or older
- Some people with disabilities under 65 years of age
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant)

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE ((800) 633-4227), (TTY (877) 486-2048) for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

- Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.
- Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare's Low-Income Benefits. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at (800) 772-1213 (TTY (800) 325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

• **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number (800) 772-1213, (TTY (800) 325-0778) to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage.

It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. If you do not sign up for Medicare Part B when you are first eligible, you may be charged a Medicare Part B late enrollment penalty of a 10 % increase in premium for every 12 months you are not enrolled. If you didn't take Part B at age 65 because you were covered under FEHB as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

• **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first. When Original Medicare is the primary payor, Medicare processes your claim first.

In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at (800) 321-7947 or see our Web site at <http://fehb.swhp.org>.

We waive some costs if the Original Medicare Plan is your primary payor – We will waive some out-of-pocket costs as follows:

- Medical services and supplies provided by physicians and other health care professionals.

We do not waive any costs if the Original Medicare Plan is your primary payor.

- **Tell us about your Medicare coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country.

To learn more about Medicare Advantage plans, contact Medicare at (800) MEDICARE ((800) 633-4227), (TTY) (877) 486-2048) or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and our Medicare Advantage plan: You may enroll in our plan's Medicare Advantage plan and also remain enrolled in our FEHB plan.

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
8) Are a Federal employee receiving Workers' Compensation disability benefits for six months or more	✓ *	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payor before eligibility due to ESRD (for 30 month coordination period)		✓
• Medicare was the primary payor before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD (for the 30 month coordination period)		✓
• Medicare based on ESRD (after the 30 month coordination period)	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse		
	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical trials cost categories	<p>An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application.</p> <ul style="list-style-type: none">• Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient’s cancer, whether the patient is in a clinical trial or is receiving standard therapy• Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient’s routine care• Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. See page 22.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 22.
Cost-sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.
Covered services	Care we provide benefits for, as described in this brochure.
Experimental or investigational services	“ Experimental ” or “ Investigational ” means, in the opinion of the Medical Director, Treatment that has not been proven successful in improving the health of patients.
Group health coverage	Health coverage, such as FEHB, that is provided through an employer group.
Health care professional	A physician or other healthcare professional licensed, accredited, or certified to perform specified health services consistent with state law.
Medical necessity	<p>Those Health Care Services which, in the opinion of Member's Primary Care Physician or Referral Physician, whose opinions are subject to the review, approval or disapproval, and actions of the Medical Director or the Quality Assurance Committee in their appointed duties, are:</p> <ol style="list-style-type: none">1. Essential to preserve the health of Member; and2. Consistent with the symptoms or diagnosis and Treatment of the Member's condition, disease, ailment or injury; and3. Appropriate with regard to standards of good medical practice within the surrounding community; and4. Not solely for the convenience of the Member, Member's Physician, Hospital, or other health care provider; and5. The most appropriate supply or level of service which can be safely provided to the Member.

Plan allowance Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Plans determine their allowances in different ways. We determine our allowance as follows:

Our plan allowance is the amount our contracted providers have agreed to accept as payment in full. For emergency care received at any doctor's office, outside our Plan's service area, our Plan's allowance is the amount SWHP has determined to be the allowable prevailing charge for a particular professional service in the geographical area in which the service is performed.

Post-service claims Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.

Pre-service claims Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.

Urgent care claims A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:

- Waiting could seriously jeopardize your life or health;
- Waiting could seriously jeopardize your ability to regain maximum function; or
- In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at **(800) 321-7947**. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.

Us/We Us and We refer to Scott and White Health Plan.

You You refers to the enrollee and each covered family member.

Section 11. Other Federal Programs

Please note, the following programs are not part of your FEHB benefits. They are separate Federal programs that complement your FEHB benefits and can potentially reduce your annual out-of-pocket expenses. These programs are offered independent of the FEHB Program and require you to enroll separately with no government contribution.

Important information about three Federal programs that complement the FEHB Program

First, the **Federal Flexible Spending Account Program**, also known as FSAFEDS, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. Participating employees save an average of about 30% on products and services they routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)** provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

The Federal Flexible Spending Account Program – FSAFEDS

What is an FSA?

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less in taxes so you save money. **Annuitants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250. The maximum annual election for a health care flexible spending account (HCFSA) or a limited expense health care spending account (LEX HCFSA) is \$2,500 per person. The maximum annual election for a dependent care flexible spending account (DCFSA) is \$5,000 per household.

- **Health Care FSA (HCFSA)** – Reimburses you for eligible health care expenses (such as copayments, deductibles, insulin, products, **physician prescribed** over-the-counter drugs and medications, vision and dental expenses, and much more) for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance. FSAFEDS offers paperless reimbursement for your HCFSA through a number of FEHB and FEDVIP plans. This means that when you or your provider files claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.
- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your tax dependents including adult children (through the end of the calendar year in which they turn 26) which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Dependent Care FSA (DCFSA)** – Reimburses you for eligible **non-medical** day care expenses for your child(ren) under age 13 and/or for any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self-care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSA.
- If you are a new or newly eligible employee you have 60 days from your hire date to enroll in an HCFSA or LEX HCFSA and/or DCFSA, but you must enroll before October 1. If you are hired or become eligible on or after October 1, you must wait and enroll during the Federal Benefits Open Season held each fall.

Where can I get more information about FSAFEDS?

Visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at (877) FSAFEDS, ((877) 372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern time. TTY: (800) 952-0450.

The Federal Employees Dental and Vision Insurance Program – *FEDVIP*

Important Information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is separate and different from the FEHB Program. This Program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations for enrollment.

FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

Dental Insurance

All dental plans provide a comprehensive range of services, including:

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 12-month waiting period. Beginning in 2014, most FEDVIP dental plans cover adult orthodontia. Review your FEDVIP dental plan's brochure for information on this benefit.

Vision Insurance

All vision plans provide comprehensive eye examinations and coverage for your choice of either lenses and frames or for contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information

You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/dental and www.opm.gov/vision. This site also provide links to each plan's website, where you can view detailed information about benefits and preferred providers.

How do I enroll?

You enroll on the Internet at www.BENEFEDS.com. For those without access to a computer, call (877) 888-3337, (TTY (877) 889-5680).

The Federal Long Term Care Insurance Program – *FLTCIP*

It's important protection

The Federal Long Term Care Insurance Program (FLTCIP) can help pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information, call (800) LTC-FEDS ((800) 582-3337), (TTY (800) 843-3557), or visit www.ltcfeds.com.

Summary of benefits for the Standard Option of Scott and White Health Plan - 2014

Do not rely on this chart alone. All benefits are provided in full unless indicated and are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.

- If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.
- We only cover services provided or arranged by Plan physicians, except in emergencies.

Standard Option Benefits	You Pay	Page
Medical services provided by physicians:		
Diagnostic and treatment services provided in the office	Office visit copay: \$20 primary care; \$45 specialist	27
Services provided by a hospital:		
• Inpatient	10% of charges per admission copay	40
• Outpatient	\$125 per visit	40
Emergency benefits:		
• In and out of area	\$125 per visit to an emergency room (waived if admitted)	42
Mental health and substance abuse treatment:	<ul style="list-style-type: none"> • Physician services - \$20 per visit • Inpatient - 10% of charges • Outpatient - \$20 per visit 	44
Prescription drugs:		
<ul style="list-style-type: none"> • Retail pharmacy or mail order <p>Note: Non-preferred, non-formulary, and specialty drugs are not covered through mail order.</p>	<ul style="list-style-type: none"> • \$5 (preferred generics) • \$10 (preferred generics) maintenance quantities • \$45 (preferred brands) • \$90 (preferred brands) maintenance quantities • \$100 (non-preferred and non formulary) • \$250 (preferred specialty drugs) 	46
Dental care:		
• Accidental injury benefit only	\$45 outpatient	48
Vision care:		
• Annual eye refractions	\$45	32
Special features:	<ul style="list-style-type: none"> • 24 hour nurse line • 24 hour customer service • Appointment Advocates • Free health and wellness programs 	49
Protection against catastrophic costs (out-of-pocket maximum):	\$4500 individual and family	22

2014 Rate Information for Scott and White Health Plan

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the Guide to Federal Benefits for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to Postal Service employees. They are shown in special Guides published for APWU (including Material Distribution Center and Operating Services) NALC, NPMHU and NRLCA Career Postal Employees (see RI 70-2A); Information Technology/Accounting Services employees (see RI 70-2IT); Nurses (see RI 70-2N); Postal Service Inspectors and Office of Inspector General (OIG) law enforcement employees and Postal Career Executive Service employees (see RI 70-2IN); and non-career employees (see RI 70-8PS).

Postal Category 1 rates apply to career bargaining unit employees covered by the Postal Police contract.

Postal Category 2 rates apply to career non-bargaining unit, non-executive, non-law enforcement employees, and non-law enforcement Inspection Service and Forensics employees.

For further assistance, Postal Service employees should call:

Human Resources Shared Service Center
 1-877-477-3273, option 5
 TTY: 1-866-260-7507

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable Guide to Federal Benefits.

Premiums for Tribal employees are shown under the monthly non-postal column. The amount shown under employee contribution is the maximum you will pay. Your Tribal employer may choose to contribute a higher portion of your premium. Please contact your Tribal Benefits Officer for exact rates.

Type of Enrollment	Enrollment Code	Non-Postal Premium				Postal Premium	
		Biweekly		Monthly		Biweekly	
		Gov't Share	Your Share	Gov't Share	Your Share	Category 1 Your Share	Category 2 Your Share
