

# Rural Carrier Benefit Plan

[www.nrlca.org](http://www.nrlca.org)  
Customer service 1-800-638-8432

## 2015

### A fee-for-service Plan with network providers

This plan's health coverage qualifies as minimum essential coverage and meets the minimum value standard for the benefits it provides. See page 7 for details.

#### IMPORTANT

- Rates: Back Cover
- Changes for 2015: Page 14
- Summary of benefits: Page 96

**Sponsored and administered by:** The National Rural Letter Carriers' Association (NRLCA)

**Who may enroll in this Plan:** Only eligible active and retired rural letter carriers of the U.S. Postal Service may enroll in this Plan. To enroll you must already be, or must immediately become, a member of the National Rural Letter Carriers' Association

**To become a member:** For information on how to become a member of the National Rural Letter Carriers' Association, please contact the Secretary for your State Association or the Membership Department of the National Rural Letter Carriers' Association.

**Membership dues:** Active and retired membership dues vary by state.

**Enrollment codes for this Plan:**

**381 High Option – Self Only**

**382 High Option – Self and Family**

Authorized for distribution by the:

United States  
Office of Personnel Management

Healthcare and Insurance

RI 72-005

## **Important Notice from the Rural Carrier Benefit Plan**

### **About**

#### **Our Prescription Drug Coverage and Medicare**

The Office of Personnel Management (OPM) has determined that the Rural Carrier Benefit Plan's prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all Plan participants and is considered Creditable Coverage. This means you do not need to enroll in Medicare Part D and pay extra for prescription drug coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and the Rural Carrier Benefit Plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

---

#### **Please be advised**

---

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly Medicare Part D premium will go up at least 1% per month for every month that you did not have the coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You will have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15 through December 7) to enroll in Medicare Part D.

#### **Medicare's Low Income Benefits**

*For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).*

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit [www.medicare.gov](http://www.medicare.gov) for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227), (TTY: 1-877-486-2048).

## Introduction

---

This brochure describes the benefits of the Rural Carrier Benefit Plan under our contract (CS 1073) with the United States Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. This Plan is administered by Claims Administration Corporation, an Aetna company. Customer service may be reached at 1-800-638-8432 or through our website: <http://rcbp.coventryhealthcare.com>. The address for the Rural Carrier Benefit Plan administrative office is:

Rural Carrier Benefit Plan  
1630 Duke Street, 2nd Floor  
Alexandria, VA 22314-3466

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2015 unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each Plan annually. Benefit changes are effective January 1, 2015 and changes are summarized on page 14. Rates are shown at the end of this brochure.

Coverage under this plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at [www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision](http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision) for more information on the individual requirement for MEC.

The ACA establishes a minimum value for the standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). The health coverage of this plan does meet the minimum value standard for the benefits the plan provides.

---

## Plain Language

---

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples:

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means the Rural Carrier Benefit Plan.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean.
- Our brochure and other FEHB Plans’ brochures have the same format and similar descriptions to help you compare plans.

---

## Stop Health Care Fraud!

---

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM’s Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

**Protect Yourself From Fraud** – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care provider, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.

- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Periodically review your claim history for accuracy to ensure we have not been billed for services that you did not receive.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
  - Call the provider and ask for an explanation. There may be an error.
  - If the provider does not resolve the matter, call us at 1-800-638-8432 and explain the situation.
  - If we do not resolve the issue:

**CALL - THE HEALTH CARE FRAUD HOTLINE  
1-877-499-7295**

**OR go to: [www.opm.gov/oig](http://www.opm.gov/oig)**

**You can also write to:**

**United States Office of Personnel Management  
Office of the Inspector General Fraud Hotline  
1900 E Street NW Room 6400  
Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
  - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
  - Your child age 26 or over (unless he/she was disabled and incapable of self support prior to age 26).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- Fraud or intentional misrepresentation of material facts is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include, falsifying a claim to obtain FEHB benefits, trying to or obtaining services or coverage for yourself or for someone else who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

---

## **Preventing Medical Mistakes**

---

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

### **1. Ask questions if you have doubts or concerns.**

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.

- Take a relative or friend with you to help you ask questions and understand answers.

## **2. Keep and bring a list of all the medicines you take.**

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines and dosage that you take, including non-prescription (over-the-counter) medicines and nutritional supplements.
- Tell your doctor and pharmacist about any drug, food, and other allergies you have, such as latex.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

## **3. Get the results of any test or procedure.**

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

## **4. Talk to your doctor about which hospital is best for your health needs.**

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

## **5. Make sure you understand what will happen if you need surgery.**

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
  - Exactly what will you be doing?
  - About how long will it take?
  - What will happen after surgery?
  - How can I expect to feel during recovery?
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications or nutritional supplements you are taking.

## **Patient Safety Links**

- [www.ahrq.gov/consumer/](http://www.ahrq.gov/consumer/) The Agency for Healthcare Research and Quality makes available a wide-ranging list of topics not only to inform consumers about patient safety but to help choose quality health care providers and improve the quality of care you receive.
- [www.npsf.org](http://www.npsf.org). The National Patient Safety Foundation has information on how to ensure safer health care for you and your family.

- [www.talkaboutrx.org](http://www.talkaboutrx.org). The National Council on Patient Information and Education is dedicated to improving communication about the safe, appropriate use of medicines.
- [www.leapfroggroup.org](http://www.leapfroggroup.org). The Leapfrog Group is active in promoting safe practices in hospital care.
- [www.ahqa.org](http://www.ahqa.org). The American Health Quality Association represents organizations and health care professionals working to improve patient safety.

### **Never Events**

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen. These conditions and errors are called "Never Events." When a Never Event occurs, neither your FEHB plan nor you will incur costs to correct the medical error.

You will not be billed for inpatient services related to treatment of specific hospital-acquired conditions or for inpatient services needed to correct never events, if you use Aetna Choice POS II (Open Access) preferred providers. This policy helps to protect you from preventable medical errors and improve the quality of care you receive.

---

## FEHB Facts

---

### Coverage information

- **No pre-existing condition limitation**

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.
- **Minimum essential coverage (MEC)**

Coverage under this plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at [www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision](http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision) for more information on the individual requirement for MEC.
- **Minimum value standard**

Our health coverage meets the minimum value standard of 60% established by the ACA. This means that we provide benefits to cover at least 60% of the total allowed costs of essential health benefits. The 60% standard is an actuarial value; your specific out-of-pocket costs are determined as explained in this brochure.
- **Where you can get information about enrolling in the FEHB Program**

See [www.opm.gov/healthcare-insurance/healthcare](http://www.opm.gov/healthcare-insurance/healthcare) for enrollment information as well as:

  - Information on the FEHB Program and plans available to you
  - A health plan comparison tool
  - A list of agencies that participate in Employee Express
  - A link to Employee Express
  - Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- What happens when your enrollment ends; and
- When the next Open Season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

- **Types of coverage available for you and your family**

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster children authorized for coverage by your employing agency or retirement office. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately of changes in family member status including your marriage, divorce, annulment, or when your child reaches age 26.

**If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.**

If you have a qualifying life event (QLE) - such as marriage, divorce, or the birth of a child - outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLEs, visit the FEHB website at [www.opm.gov/healthcare-insurance/life-event](http://www.opm.gov/healthcare-insurance/life-event). If you need assistance, please contact your employing agency, personnel/payroll office, or retirement office.

• **Family Member Coverage**

Family members covered under your Self and Family enrollment are your spouse (including a valid common law marriage and same sex domestic partners) and children as described in the chart below.

<b>Children</b>	<b>Coverage</b>
Natural children, adopted children, and stepchildren	Natural, adopted children and stepchildren (including qualified children of same-sex domestic partners) are covered until their 26th birthday.
Foster children	Foster children are eligible for coverage until their 26th birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all of the requirements. Contact your human resources office or retirement system for additional information.
Children Incapable of self-support	Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
Married children	Married children (but <b>NOT</b> their spouse or their own children) are covered until their 26th birthday.
Children with or eligible for employer-provided health insurance	Children who are eligible for or have their own employer-provided health insurance are covered until their 26th birthday.

You can find additional information at [www.opm.gov/healthcare-insurance](http://www.opm.gov/healthcare-insurance).

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your children under age 26, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including your marriage, divorce, annulment or when your child under age 26 turns age 26 .

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

- **Children's Equity Act**

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

- **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2015 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2014 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage, (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

- **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

## **When you lose benefits**

### **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of benefits of the Plan during the continuance of the confinement but not beyond the 60th day after the end of the the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC).

### **Upon divorce**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's website, [www.opm.gov/healthcare-insurance/healthcare/plan-information/guides](http://www.opm.gov/healthcare-insurance/healthcare/plan-information/guides).

### **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). The Patient Protection and Affordable Care Act (ACA) did not eliminate TCC or change the TCC rules. For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 26, regardless of marital status, etc. Under TCC, you no longer receive a government contribution, but instead pay the entirety of your premium plus an administration service charge.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

**Enrolling in TCC.** Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from [www.opm.gov/healthcare-insurance/healthcare/plan-information/guides](http://www.opm.gov/healthcare-insurance/healthcare/plan-information/guides). It explains what you have to do to enroll.

Alternatively, you can buy coverage through the Health Insurance Marketplace where, depending on your income, you could be eligible for a new kind of tax credit that lowers your monthly premiums. Visit [www.HealthCare.gov](http://www.HealthCare.gov) to compare plans and see what your premium, deductible, and out-of-pocket costs would be before you make a decision to enroll. Finally, if you qualify for coverage under another group health plan (such as your spouse's plan), you may be able to enroll in that plan, as long as you apply within 30 days of losing FEHBP coverage.

**Finding replacement coverage**

This Plan no longer offers its own non-FEHB plan for conversion purposes. If you would like to purchase health insurance through the Affordable Care Act's Health Insurance Marketplace, please visit [www.HealthCare.gov](http://www.HealthCare.gov). This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

In lieu of offering a non-FEHB plan for conversion purposes, we will assist you, as we would assist you in obtaining a plan conversion policy, in obtaining health benefits coverage inside or outside the Affordable Care Act's Health Insurance Marketplace. For assistance in finding coverage, please contact us at 1-800-638-8432 or visit our website at <http://rcbp.coventryhealthcare.com>.

**Health Insurance Marketplace**

If you would like to purchase health insurance through the Affordable Care Act's Health Insurance Marketplace, please visit [www.HealthCare.gov](http://www.HealthCare.gov). This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

---

## Section 1. How this plan works

---

This Plan is a fee-for-service (FFS) Plan. You can choose your own physicians, hospitals, and other health care providers.

We reimburse you or your provider for your covered services, usually based on a percentage of the amount we allow. The type and extent of covered services, and the amount we allow, may be different from other plans. Read brochures carefully.

### General features of our High Option

#### **We have Network Providers:**

Our fee-for-service Plan offers services through our network providers. This means that certain hospitals and other health care providers are "In-network providers". When you live in a network area and use the Plan's network providers, you will receive covered services at reduced cost. Aetna is solely responsible for the selection of network providers in your area. The Plan uses the Aetna Choice POS II (Open Access) network. We encourage you to choose a primary care provider to assist in coordinating your medical care in the safest and most cost effective manner. Contact us at 1-800-638-8432 or go to our website, <http://rcbp.coventryhealthcare.com> for the names of network providers and to verify their continued participation. You can also reach our web page through the FEHB website, [www.opm.gov/insure/health](http://www.opm.gov/insure/health). Contact Aetna at 1-800-638-8432 to request a network directory for your area.

The Out-of-network benefits are the standard benefits of this Plan. Network benefits apply only when you use an in-network provider. Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If no network provider is available, or you do not use a network provider, the standard Out-of-network benefits apply. When you use a network facility, keep in mind that the health care professionals who provide services to you in the facility may not be in-network providers in our network. However, if the services are received at a network facility, we will pay up to the Plan allowance at the In-network provider level of benefits for services you receive from an out-of-network anesthesiologist (including Certified Registered Nurse Anesthetist (CRNA)), radiologist, pathologist, emergency room physician, surgeon and neonatologist when immediate or emergency treatment is required. You will still be responsible for the difference between our benefit payment and the billed amount.

This Plan offers you access to certain out-of-network health care providers that have agreed to discount their charges. These providers are available to you through MultiPlan, Three Rivers Provider Network (TRPN) and PMCS networks that have contracted with the Plan. Covered services provided by these participating providers are considered at the negotiated rate subject to applicable deductibles, copayments and coinsurance. Since these participating providers are not considered in-network providers, out-of-network benefit levels will apply. Contact us at 1-800-638-8432 for more information about participating providers.

The Plan has networks in all states. The Plan uses the Aetna Choice POS II network. Please check the Plan website at: <http://rcbp.coventryhealthcare.com> or call Aetna at 1-800-638-8432 for network providers.

### How we pay providers

We generally reimburse participating providers according to an agreed-upon fee schedule and we do not offer additional financial incentives based on care provided or not provided to you. Our standard provider agreements do not contain any incentives to restrict a provider's ability to communicate with or advise you of any appropriate treatment options. In addition, we have no compensation agreement, ownership, or other influential interests that are likely to affect provider advice or treatment decisions.

We use National Standardized Criteria Sets and other recognized clinical guidelines in making determinations regarding hospital stay precertification and extended stay reviews, observation stay reviews, and reviews of procedures that require precertification or authorization. (See *What you must do to get covered care* in Section 3.) These determinations can affect what we pay on a claim.

We apply the National Correct Coding Initiative (NCCI) edits published by the Centers for Medicare and Medicaid Services (CMS) in reviewing billed services and making Plan benefit payments for them.

## **Your Rights**

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers, and facilities. OPM's FEHB website ([www.opm.gov/insure](http://www.opm.gov/insure)) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Years in existence
- Profit status

If you want more information about us, call 1-800-638-8432 or write to Rural Carrier Benefit Plan, 1630 Duke Street, 2nd Floor, Alexandria, VA 22314-3466. You may also contact us by fax at 1-703-684-9627 or visit our website at <http://rcbp.coventryhealthcare.com>.

## **Your medical and claims records are confidential**

We will keep your medical and claim records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

You may view our Notice of Privacy Practice for more information about how we may use and disclose member information by visiting our website at: <http://rcbp.coventryhealthcare.com>

---

## Section 2. Changes for 2015

---

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5, Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

### **Program-wide changes**

- Some sections of the brochure have moved and/or been combined. Please read the entire brochure for a complete description of the benefits provided by the Plan.

### **Changes to this Plan**

- Your share of the Postal premium will increase for Self Only and for Self and Family . Your share of the non-Postal premium will increase for Self Only and remain the same for Self and Family. See the back cover for details.
- We have combined the separate out-of-pocket limits for medical care and covered prescription medications purchased through the Plan's retail pharmacy network or mail service pharmacy. See Section 4, Your costs for covered services.
- We added coverage for cell free fetal DNA testing for Fetal Aneuploidy in Section 5(a), Maternity care.
- We added coverage for the RAST test for allergies. See Section 5(a), Allergy care.
- We cover colostomy and ostomy supplies only under Section 5(a), Durable medical equipment.
- We cover diabetic drugs and supplies only under Section 5(f), Prescription drug benefits.
- We added coverage for medical foods and nutritional supplements. See Section 5(a), Durable medical equipment and Section 10, Definitions.
- We now require preauthorization for certain specialty self-administered drugs under Section 5(f), Prescription drug benefits.
- We removed many preauthorization requirements for outpatient services for mental health and substance abuse treatment. See Section 5(e), Mental health and substance abuse benefits.
- We added infusion nursing services for certain specialty medications. See Section 5(f), Prescription drug benefits.
- We expanded coverage for prescription vitamins. See Section 5(f), Prescription drug benefits.
- We added coverage for prescription drugs for weight management, if preauthorized. See Section 5(f), Prescription drug benefits.
- CVS Caremark has changed its name to CVS Health.
- We added coverage for preventive vaccinations through a network of CVS Health participating pharmacies. See Section 5 (a), Preventive care, adult and children and Section 5(f), Prescription drug benefits.

---

## Section 3. How you get care

---

### Identification cards

We will send you and each covered family member an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1-800-638-8432 or write to us at Rural Carrier Benefit Plan, 1630 Duke Street, 2nd Floor, Alexandria, VA 22314-3466.

### Where you get covered care

You can get care from any “covered provider” or “covered facility”. How much we pay – and you pay – depends on the type of covered provider or facility you use. If you live in our provider network area and use our preferred providers, you will pay less.

- **Covered providers**

We provide benefits for the services of covered professional providers, as required by Section 2706(a) of the Public Health Service Act (PHSA). Coverage of practitioners is not determined by your state’s designation as a medically underserved area (MUA).

Covered professional providers are medical practitioners who perform covered services when acting within the scope of their license or certification under applicable state law and who furnish, bill, or are paid for their health care services in the normal course of business. Covered services must be provided in the state in which the practitioner is licensed or certified.

- **Covered facilities**

Covered facilities include:

#### **Hospital:**

- 1) An institution that is accredited as a hospital under the hospital accreditation program of the Joint Commission on the Accreditation of Healthcare Organizations (JCAHO); or
- 2) Any other institution that is operated pursuant to law, under the supervision of a staff of doctors and with 24-hour-a-day nursing service, and that is primarily engaged in providing:
  - General inpatient care and treatment of sick and injured persons through medical, diagnostic, and major surgical facilities, all of which facilities must be provided on its premises or under its control; or
  - Specialized inpatient medical care and treatment of sick or injured persons through medical and diagnostic facilities (including x-ray and laboratory) on its premises, under its control, or through a written agreement with a hospital (as defined above) or with a specialized provider of those facilities.

For treatment of mental health and substance abuse, hospital also includes a freestanding residential treatment facility approved by the JCAHO or the Commission on Accreditation of Rehabilitation Facilities (CARF).

In no event shall the term hospital include a convalescent nursing home or institution or part thereof that:

- 1) Is used principally as a convalescent facility, rest facility, nursing facility, or facility for the aged;
- 2) Furnishes primarily domiciliary or custodial care, including training in the routines of daily living; or
- 3) Is operated as a school.

**Skilled Nursing Facility:** An institution or that part of an institution that provides convalescent skilled nursing care 24 hours a day and is certified (or is qualified and could be certified) as a skilled nursing facility under Medicare.

**Birth Center:** A licensed facility that is equipped and operated solely to provide prenatal care, to perform uncomplicated spontaneous deliveries, and to provide immediate post-partum care.

**Hospice:** A public or private agency or organization that:

- 1) Administers and provides hospice care; and
- 2) Meets one of the following requirements:
  - Is licensed or certified as a hospice by the State in which it is located;
  - Is certified (or is qualified and could be certified) to participate as a hospice under Medicare;
  - Is accredited as a hospice by the JCAHO; or
  - Meets the standards established by the National Hospice Organization.

**What you must do to get covered care**

It depends on the kind of care you want to receive. You can go to any provider you want, but we must approve some care in advance.

• **Transitional care**

**Specialty care:** If you have a chronic or disabling condition and

- lose access to your specialist because we drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan, or
- lose access to your network specialist because we terminate our contract with your specialist for reasons other than for cause,

you may be able to continue seeing your specialist and receiving any In-network benefits for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist and your In-network benefits continue until the end of your postpartum care, even if it is beyond the 90 days.

• **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 1-800-638-8432. If you are new to the FEHB Program, we will reimburse you for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former Plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center;
- The day your benefits from your former Plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your Plan terminates participation in the FEHB in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new Plan begin on the effective date of enrollment .

**You need prior Plan approval for certain services**

The pre-service claim approval processes for inpatient hospital admissions (called precertification) and for other services, are detailed in this Section. A **pre-service claim** is any claim, in whole or in part, that requires approval from us in advance of obtaining medical care or services. In other words, a pre-service claim for benefits (1) requires precertification, prior approval or a referral and (2) will result in a reduction of benefits if you do not obtain precertification, prior approval or a referral.

• **Inpatient hospital admission**

**Precertification** is the process by which we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition prior to your inpatient hospital admission or residential treatment care. Unless we are misled by the information given to us, we won't change our decision on medical necessity.

In most cases, your doctor or hospital will take care of precertification. Because you are still responsible for ensuring that your care is precertified, you should always ask your physician or hospital whether they have contacted us.

**Warning:**

We will reduce our benefits for the inpatient hospital stay or residential treatment care by \$500 if no one contacts us for precertification. If the stay is not medically necessary, we will not pay any benefits.

**Exceptions**

You do not need precertification in these cases:

- You are admitted to a hospital outside the United States.
- You have another group health insurance policy that is the primary payor for the hospital stay.
- Medicare Part A is the primary payor for the hospital stay. Note: If you exhaust your Medicare hospital benefits and do not want to use your Medicare lifetime reserve days, then we will become the primary payor and you **do** need precertification.

• **Other services**

Some services require a referral, precertification, or prior authorization. Please call 1-800-638-8432 for approval for:

- Home health care (see Section 5(a))
- High-end radiology scans (see Section 5(a))
- Organ/Tissue transplants (see Section 5(b))
- Skilled nursing care (see Section 5(c))
- Partial hospitalization for mental health and substance abuse treatment (see Section 5(e))

Some prescription drugs require prior authorization. Please call 1-800-237-2767 for approval for:

- Specialty prescription medications and weight management drugs (see Section 5(f))

**How to request precertification for an admission or get prior authorization for Other services**

First, you, your representative, your physician, or your hospital must call us at 1-800-638-8432 before admission or services requiring prior authorization are rendered.

Next, provide the following information:

- Enrollee's name and Plan identification number;
- Patient's name, birth date, identification number and phone number;
- Reason for hospitalization, proposed treatment, or surgery;
- Name and phone number of admitting physician;
- Name of hospital or facility; and
- Number of days requested for hospital stay.

- **Non-urgent care claims**

For non-urgent care claims, we will tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim.

If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original 15 day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

- **Urgent care claims**

If you have an **urgent care claim** (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether it is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to provide notice of the specific information we need to complete our review of the claim. We will allow you up to 48 hours from the receipt of this notice to provide the necessary information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) to the end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at 1-800-638-8432. You may also call OPM's Health Insurance 2 at 1-202-606-3818 between 8 AM and 5 PM Eastern Time to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, call us at 1-800-638-8432. If it is determined that your claim is an urgent care claim, we will expedite our review (if we have not yet responded to your claim).

- **Concurrent care claims**

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment before the end of the approved period of time or number of treatments as an appealable decision. This does not include reduction or termination due to benefit changes or if your enrollment ends. If we believe a reduction or termination is warranted we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

- **Emergency inpatient admission** If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must telephone us within two business days following the day of the emergency admission, even if you have been discharged from the hospital. If you do not telephone the Plan within two business days, penalties may apply - see *Warning under Inpatient hospital admission* earlier in this Section and *If your hospital stay needs to be extended* below.
  - **Maternity care** You do not need precertification of a maternity admission for a routine delivery. However, if your medical condition requires you to stay more than 48 hours after a vaginal delivery or 96 hours after a cesarean section, then your doctor or the hospital must contact us for precertification of additional days. Further, if your baby stays after you are discharged, then your doctor or the hospital must contact us for precertification of additional days for your baby.
  - **If your hospital stay needs to be extended** If your hospital stay – including for maternity care or residential treatment care – needs to be extended, you, your representative, your doctor or the hospital must ask us to approve the additional days. If you remain in the hospital beyond the number of days we approved and did not get the additional days precertified, then
    - For the part of the admission that was medically necessary, we will pay inpatient benefits, but
    - For the part of the admission that was not medically necessary, we will pay only medical services and supplies otherwise payable on an outpatient basis and will not pay inpatient benefits.
  - **If your treatment needs to be extended** If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.
- If you disagree with our pre-service claim decision** If you have a **pre-service claim** and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below.
- If you have already received the service, supply, or treatment, then you have a **post-service claim** and must follow the entire disputed claims process detailed in Section 8.
- **To reconsider a non-urgent care claim** Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.
- In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we receive your written request for reconsideration to
1. Precertify your hospital stay or, if applicable, arrange for the health care provider to give you the care or grant your request for prior approval for a service, drug, or supply; or
  2. Ask you or your provider for more information.
- You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.
- If we do not receive the information within 60 days we will decide within 30 days of the date of the information was due. We will base our decision on the information we already have. We will write to you with our decision.
3. Write to you and maintain our denial.

- **To reconsider an urgent care claim**

In the case of an appeal of a pre-service urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

Unless we request additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will expedite the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.

- **To file an appeal with OPM**

After we reconsider your **pre-service claim**, if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

---

## Section 4. Your costs for covered services

---

This is what you will pay out-of-pocket for covered care:

**Cost-sharing** Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

**Copayment** A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive certain services.

Example: When you see your In-network physician you pay a copayment of \$20 per day. If you see more than one In-network physician on the same day, you pay one copayment for each different physician seen on that day. When you have a stay in a In-network hospital, you pay \$100 for the first day of your hospital stay and for a Out-of-network hospital; you pay \$300 for the first day of your hospital stay.

Note: If the billed amount or the Plan allowance that providers we contract with have agreed to accept as payment in full is less than your copayment, you pay the lower amount.

**Deductible** A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for them. Copayments and coinsurance amounts do not count toward any deductible. When a covered service or supply is subject to a deductible, only the Plan allowance for the service or supply counts toward the deductible.

- The calendar year deductible for In-network services is \$350 per person and for Out-of-network services it is \$400 per person. Under a family enrollment, the deductible is satisfied for all family members when the combined covered expenses applied to the calendar year deductible for family members reach \$700 for In-network services and \$800 for Out-of-network services.
- We have a separate prescription drug deductible of \$200 per person each calendar year that applies to all covered prescription drugs that you purchase at a retail drugstore or pharmacy.
- We also have a separate deductible for dental care of \$50 per person each calendar year.

Note: If you change Plans during Open Season and the effective date of your new Plan is after January 1 of the next year, you do not have to start a new deductible under your old Plan between January 1 and the effective date of your new Plan. If you change Plans at another time during the year, you must begin a new deductible under your new Plan.

**Coinsurance** Coinsurance is the percentage of our allowance that you must pay for your care. Coinsurance does not begin until you have met your calendar year deductible.

Example: You pay 25% of our allowance for office visits under our Out-of-network benefit.

**If your provider routinely waives your cost** If your provider routinely waives (does not require you to pay) your copayments, deductibles, or coinsurance, the provider is misstating the fee and may be violating the law. In this case, when we calculate our share, we will reduce the provider's fee by the amount waived.

For example, if your physician ordinarily charges \$100 for a service but routinely waives your 25% coinsurance, the actual charge is \$75. We will pay \$56.25 (75% of the actual charge of \$75).

## Waivers

In some instances, a provider may ask you to sign a “waiver” prior to receiving care. This waiver may state that you accept responsibility for the total charge for any care that is not covered by your health Plan. If you sign such a waiver, whether you are responsible for the total charge depends on the contracts that the Plan has with its providers. If you are asked to sign this type of waiver, please be aware that, if benefits are denied for the services, you could be legally liable for the related expenses. If you would like more information about waivers, please contact us at 1-800-638-8432.

## Differences between our allowance and the bill

Our “Plan allowance” is the amount we use to calculate our payment for covered services. Fee-for-service Plans arrive at their allowances in different ways, so their allowances vary. For more information about how we determine our Plan allowance, see the definition of Plan allowance in Section 10.

Often, the provider’s bill is more than a fee-for-service Plan’s allowance. Whether or not you have to pay the difference between our allowance and the bill will depend on the provider you use.

When you live in the Plan’s network area, you should use an In-network provider whenever possible. The following two examples explain how we will handle your bill when you go to a In-network provider and when you go to a Out-of-network provider. When you use an In-network provider, the amount that you pay will usually be much less.

- **In-network providers** agree to limit what they will bill you. Because of that, when you use a network provider, your share of covered charges consists only of your deductible and coinsurance or copayment. Here is an example about coinsurance: You see an In-network physician who charges \$150, but our allowance is \$100. If you have met your deductible, you are only responsible for your coinsurance. That is, you pay just – 15% of our \$100 allowance (\$15). Because of the agreement, your In-network physician will not bill you for the \$50 difference between our allowance and his/her bill.

Follow these procedures when you use an In-network provider to receive In-network benefits:

- Verify with us that your home address is correct
- When you make an appointment, verify that the physician or facility is still a network provider
- Present your Rural Carrier Benefit Plan ID card at the time that you receive services to receive In-network benefits
- Do not pay a network provider at the time that you receive services, except for any copayment or deductible that you owe. Network providers will bill us directly and we will pay them. The network provider will then bill you for any balance due after we pay them.
- **Out-of-network providers**, on the other hand, have no agreement to limit what they will bill you. When you use an Out-of-Network provider, you will pay your deductible and coinsurance – plus any difference between our allowance and charges on the bill. Here is an example: You see a out-of-network physician who charges \$150 and our allowance is again \$100. Because you’ve met your deductible, you are responsible for your coinsurance, so you pay 25% of our \$100 allowance (\$25). Plus, because there is no agreement between the out-of-network physician and us, the physician can bill you for the \$50 difference between our allowance and his/her bill.

Participating providers agree to limit what they can collect from you. You will still have to pay your deductible and coinsurance. These providers agree to write off the difference between billed charges and the discount amount.

The following table illustrates the examples of how much you have to pay out-of-pocket for services from a network physician vs. an out-of-network physician. The table uses our example of a service for which the physician charges \$150 and our allowance is \$100. The table shows the amount you pay if you have met your calendar year deductible.

EXAMPLE	Network physician	Out-of-network physician
Physician's charge	\$150	\$150
Our allowance	We set it at: \$100	We set it at: \$100
We pay	85% of our allowance: \$85	75% of our allowance: \$75
You owe: Coinsurance	15% of our allowance: \$15	25% of our allowance: \$25
+Difference up to charge?	No: \$0	Yes: \$50
<b>TOTAL YOU PAY</b>	<b>\$15</b>	<b>\$75</b>

**Your catastrophic protection out-of-pocket maximum for deductibles, coinsurance, and copayments**

For those benefits where copayments, coinsurance or deductibles apply, we pay 100% of the Plan allowance for the rest of the calendar year after your expenses total to:

- \$4,000 per person or \$4,500 per family when you use In-network providers/facilities and CVS Health In-network retail and/or mail service pharmacy, or
- \$4,500 per person or \$5,000 per family when you use In-network and Out-of-network providers/facilities and CVS Health In-network or Out-of-network retail and/or mail service pharmacy combined

Your out-of-pocket maximum does not include the following:

- Expenses for dental care
- Expenses in excess of our allowances or maximum benefit limits
- Any penalty you pay for failing to get approval for a hospital stay or residential treatment care
- Any amount you pay for failing to get approval for additional days in the hospital after the initial length of a hospital stay is approved
- Expenses you pay for services, supplies and drugs not covered by us.

**Carryover**

If you changed to this Plan during Open Season from a Plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that Plan's catastrophic protection benefit during the prior year will be covered by your old Plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old Plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old Plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old Plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

**If we overpay you**

We will make diligent efforts to recover benefit payments we made in error but in good faith. We may reduce subsequent benefit payments to offset overpayments.

**When Government facilities bill us**

Facilities of the Department of Veteran Affairs, the Department of Defense, and the Indian Health Service are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

## Section 5. Benefits

See page 14 for how our benefits changed this year. Pages 96-97 are a benefits summary of the high option.

Section 5. Benefits .....	24
Section 5(a). Medical services and supplies provided by physicians and other health care professionals.....	26
Diagnostic and treatment services.....	26
Lab, X-ray and other diagnostic tests.....	27
Preventive care, adult.....	28
Preventive care, children.....	29
Maternity care .....	29
Family Planning .....	31
Infertility services .....	31

Pharmacy Advisor Program .....	68
Non-FEHB benefits available to Plan members .....	70
Summary of benefits for the High Option of the Rural Carrier Benefit Plan- 2015 .....	96

## Section 5(a). Medical services and supplies provided by physicians and other health care professionals

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The calendar year deductible is: \$350 per person for In-network services and \$400 per person for Out-of-network services (\$700 per family for In-network services and \$800 per family for Out-of-network services). The calendar year deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply.
- The Out-of-network benefits are the standard benefits of this Plan. In-network benefits apply only when you use a network provider. When no network provider is available, Out-of-network benefits apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.

Benefit Description	You Pay
<p style="text-align: center;"><b>Note: The calendar year deductible applies to almost all benefits in this Section. We say “(No deductible)” when it does not apply.</b></p>	
<b>Diagnostic and treatment services</b>	
<p>Professional services of physicians (except surgery)</p> <ul style="list-style-type: none"> <li>• In physician’s office</li> <li>• Medical consultations</li> <li>• Injections</li> </ul> <p>Note: Prior authorization is required for certain specialty self-administered drugs. Call CVS Health at 1-800-237-2767 prior to scheduling treatment. The drugs are covered under Section 5(f), Prescription drug benefits.</p> <p>Note: We pay for surgery services by a physician under Section 5(b), Surgical services.</p> <p>Supplies, other than diabetic supplies, provided by a physician during an office visit are covered under Section 5(a) of the brochure. ## Section 5(b). Surgical and anesthesia services provided by physicians and other health care professionals

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The calendar year deductible is: \$350 for In-network services and \$400 per person for Out-of-network services (\$700 per family for In-network services and \$800 per family for Out-of-network services). The calendar year deductible applies to almost all benefits in this Section. We added "(No deductible)" to show when the calendar year deductible does not apply.
- The Out-of-network benefits are the standard benefits of this Plan. In-network benefits apply only when you use a network provider. When no network provider is available, Out-of-network benefits apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- The services listed below are for the charges billed by a physician or other health care professional for your surgical care. See Section 5(c) for charges associated with the facility (i.e. hospital, surgical center, etc.).
- **YOU MUST GET PRECERTIFICATION FOR INPATIENT SURGICAL PROCEDURES.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification.

Benefit Description	You Pay After the calendar year deductible...
<b>Surgical procedures</b>	
<p>A comprehensive range of services, such as:</p> <ul style="list-style-type: none"> <li>• Surgical procedures</li> <li>• Treatment of fractures, including casting</li> <li>• Normal pre- and post-operative care by the surgeon</li> <li>• Endoscopy procedures</li> <li>• Biopsy procedures</li> <li>• Removal of tumors and cysts</li> <li>• Correction of congenital anomalies (see Reconstructive surgery)</li> <li>• Voluntary male sterilization (e.g., vasectomy)</li> <li>• Circumcision</li> <li>• Treatment of burns</li> </ul>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>

*Surgical procedures - continued on next page*

Benefit Description	You Pay After the calendar year deductible...
<b>Surgical procedures (cont.)</b>	
<p>Surgical treatment of morbid obesity (Bariatric surgery)-- a condition in which a person (1) has a Body Mass Index (BMI) equal to or greater than 40 or a BMI equal to or greater than 35 with other illnesses such as hypertension, heart disease, diabetes, sleep apnea, or hyperlipidemia which has existed for at least five years, and; (2) is age 18 or older; and (3) has been under at least one physician supervised weight loss program, including diet and nutrition counseling, exercise and behavior modification, that is at least six months in length.</p> <p>Insertion of internal prosthetic devices . See Section 5 (a), Orthopedic and prosthetic devices for device coverage information</p>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<ul style="list-style-type: none"> <li>• Voluntary female sterilization (e.g., tubal ligation)</li> <li>• Surgically implanted contraceptives</li> <li>• Intrauterine devices (IUDs)</li> </ul> <p>Note: For related and necessary services to voluntary sterilization, such as anesthesia and outpatient facility charges, we cover 100% of the Plan allowance for In-network care.</p>	<p>In-network: Nothing (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p>When multiple or bilateral surgical procedures are performed during the same operative session by the same surgeon, our benefits are:</p> <ul style="list-style-type: none"> <li>• For the primary procedure: the Plan's allowance</li> <li>• For the secondary procedure and any other subsequent procedures: one-half of the Plan allowance (unless the network contract provides for a different amount)</li> </ul> <p>Note: Multiple or bilateral surgical procedures performed through the same incision are “incidental” to the primary surgery. That is, the procedure would not add time or complexity to patient care. We do not pay extra for incidental procedures.</p>	<p>In-network: 10% of the Plan allowance for the primary procedure (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance for the individual procedure and any difference between our allowance and the billed amount</p>
<p>Co-surgeons</p> <p>When the surgery requires two surgeons with different skills to perform the surgery, the Plan’s allowance for each surgeon is 62.5% of what it would allow a single surgeon for the same procedure(s), unless the network contract provides for a different amount.</p>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p>Assistant Surgeons</p>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>

*Surgical procedures - continued on next page*

Benefit Description	You Pay After the calendar year deductible...
<b>Surgical procedures (cont.)</b>	
<p>Assistant surgical services provided by a surgeon (M.D. or D.O.) when medically necessary to assist the primary surgeon. When a surgery requires an assistant surgeon, the Plan's allowance for the assistant surgeon is 16% of the allowance for the surgery (unless the network contract provides for a different amount).</p>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li>• <i>Reversal of voluntary sterilization</i></li> <li>• <i>All refractive eye surgeries and similar services</i></li> <li>• <i>Dental appliances, study models, splints, and other devices or service related to the treatment of TMJ dysfunction</i></li> <li>• <i>Treatment or removal of corns and calluses, or trimming of toenails</i></li> <li>• <i>Mutually exclusive procedures-- surgical procedures that are not generally performed on one patient on the same day</i></li> </ul>	<p><i>All charges</i></p>
<b>Reconstructive surgery</b>	
<ul style="list-style-type: none"> <li>• Surgery to correct a functional defect</li> <li>• Surgery to correct a condition caused by injury or illness if: <ul style="list-style-type: none"> <li>- the condition produced a major effect on the member's appearance and</li> <li>- the condition can reasonably be expected to be corrected by the surgery</li> </ul> </li> <li>• Surgery to correct a condition that existed at or from birth and is a significant deviation from the common form or norm. Examples of congenital anomalies are: protruding ear deformities; cleft lip; cleft palate; birth marks; and webbed fingers or toes.</li> <li>• All stages of breast reconstruction surgery following a mastectomy, such as: <ul style="list-style-type: none"> <li>- Surgery to produce a symmetrical appearance of breasts;</li> <li>- treatment of any physical complications, such as lymphoedema;</li> <li>- breast prostheses; and surgical bras and replacements (see Section 5(a), Prosthetic devices for coverage)</li> </ul> </li> </ul> <p>Note: If you need a mastectomy, you may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.</p>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>

<b>Organ/tissue transplants (cont.)</b>	
<ul style="list-style-type: none"> <li>- Hemoglobinopathy</li> <li>- Marrow failure and related disorders (i.e., Fanconi's, PNH, Pure Red Cell Aplasia)</li> <li>- Myelodysplasia/myelodysplastic syndromes</li> <li>- Paroxysmal Nocturnal Hemoglobinuria</li> <li>- Severe combined immunodeficiency</li> <li>- Severe or very severe aplastic anemia</li> <li>• <b>Autologous transplants for:</b> <ul style="list-style-type: none"> <li>- Acute lymphocytic or non-lymphocytic (i.e., myelogenous) leukemia</li> <li>- Advanced Hodgkin's lymphoma with recurrence (relapsed)</li> <li>- Advanced non-Hodgkin's lymphoma with recurrence (relapsed)</li> <li>- Amyloidosis</li> <li>- Neuroblastoma</li> </ul> </li> </ul>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p>These blood or marrow stem cell transplants are covered only in a National Cancer Institute or National Institutes of health <b>approved clinical trial</b> or a Plan-designated center of excellence and if approved by the Plan's medical director in accordance with the Plan's protocols.</p> <p>If you are a participant in a clinical trial, the Plan will provide benefits for related routine care that is medically necessary (such as doctor visits, lab tests, x-rays and scans, and hospitalization related to treating the patient's condition) if it is not provided by the clinical trial. Section 9 has additional information on costs related to clinical trials. We encourage you to contact the Plan to discuss specific services if you participate in a clinical trial.</p> <ul style="list-style-type: none"> <li>• Autologous transplants for: <ul style="list-style-type: none"> <li>- Advanced Ewing sarcoma</li> <li>- Advanced Childhood kidney cancers</li> <li>- Breast cancer</li> <li>- Childhood rhabdomyosarcoma</li> <li>- Epithelial ovarian cancer</li> <li>- Mantle Cell (Non-Hodgkin lymphoma)</li> </ul> </li> </ul>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p>Note: We cover related medical and hospital expenses of the donor when we cover the recipient.</p>	

*Organ/tissue transplants - continued on next page*

Benefit Description	You Pay After the calendar year deductible...
<b>Organ/tissue transplants (cont.)</b>	
<p>Note: All allowable charges incurred for a surgical transplant, whether incurred by the recipient or donor, will be considered expenses of the recipient and will be covered the same as for any other illness or injury subject to the limits stated above. This benefit applies only if we cover the recipient and if the donor's expenses are not otherwise covered.</p> <p>Note: We cover donor testing for the actual solid organ donor or up to four bone marrow/stem cell transplant donors in addition to testing of family members.</p> <p>Note: Aetna has special arrangements with transplant facilities to provide services for tissue and organ transplants. The Aetna Transplant Network is designed to give you the opportunity to access providers that demonstrate high quality medical care for transplant patients. Your physician can coordinate arrangements by calling Aetna at 1-800-638-8432.</p>	
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li>• Donor screening tests and donor search expenses, except as shown above</li> <li>• Implants of artificial organs</li> <li>• Transplants not listed as covered</li> </ul>	<p><i>All charges</i></p>
<b>Anesthesia</b>	
<p>Professional services provided in:</p> <ul style="list-style-type: none"> <li>• Hospital (inpatient)</li> <li>• Hospital outpatient department</li> <li>• Skilled nursing facility</li> <li>• Ambulatory surgical center</li> <li>• Physician's office</li> </ul> <p>Note: We follow the Center for Medicare and Medicaid Services (CMS) guidelines for the determination of the Plan allowance for professional services for the administration of anesthesia.</p>	<p>In-network: 10% of the Plan allowance (No deductible)</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>

## Section 5(c). Services provided by a hospital or other facility, and ambulance services

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- In this Section, unlike Sections 5(a) and 5(b), the calendar year deductible applies to only a few benefits. We added “(calendar year deductible applies)”. The calendar year deductible is: \$350 per person (\$700 per family) for In-network services and \$400 per person (\$800 per family) for Out-of-network services. The Out-of-network benefits are the standard benefits of this Plan. In-network benefits apply only when you use a network provider. When no network provider is available, Out-of-network benefits apply.
- Be sure to read Section 4, *Your costs for covered services* for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- The amounts listed below are for the charges billed by the facility (i.e., hospital or surgical center) or ambulance service for your surgery or care. Any costs associated with the professional charge (i.e., physicians, etc.) are in Sections 5(a) or (b).
- When you use a network facility, keep in mind that the health care professionals who provide services to you in the facility may not be network providers in our provider network. However, if the services are received at a network facility, we will pay up to the Plan allowance at the network provider reimbursement level for services you receive from an Out-of-network radiologist, anesthesiologist (including a Certified Registered Nurse Anesthetist (CRNA)), emergency room physician, surgeon, neonatologist and pathologist when immediate or emergency treatment is required. You will be responsible for the difference between our benefit payment and the billed amount.

NOTE: Observation care is billed as outpatient facility care. As a result, benefits for observation care services are provided at the outpatient facility benefit levels. See Observation care, Section 10, for more information about these types of services.

- **YOU MUST GET PRECERTIFICATION FOR HOSPITAL STAYS; FAILURE TO DO SO WILL RESULT IN A MINIMUM \$500 PENALTY.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification.

Benefit Description	You Pay
<b>Note: The calendar year deductible applies ONLY when we say below: “(calendar year deductible applies)”.</b>	
<b>Inpatient hospital</b>	
Room and board, such as <ul style="list-style-type: none"> <li>• Ward, semiprivate, or intensive care accommodations</li> <li>• General nursing care</li> <li>• Meals and special diets</li> </ul> <p>Note: We only cover a private room when you must be isolated to prevent contagion. Otherwise, we will pay the hospital’s average charge for semiprivate accommodations. If the hospital only has private rooms, we base our payment on the average semiprivate rate of the most comparable hospital in the area.</p>	In-network: \$100 copayment for each hospital stay (copayment waived for a maternity stay)  Out-of-network: \$300 copayment for each hospital stay and 25% of the covered charges

*Inpatient hospital - continued on next page*

Benefit Description	You Pay
<p><b>Inpatient hospital (cont.)</b></p> <p>Note: An overnight stay in a hospital does not always mean you are admitted as an inpatient. You are considered an inpatient the day your physician formally admits you to a hospital with a doctor's order. Whether you are an inpatient or outpatient affects your out-of-pocket expenses. Always ask if you are an inpatient or outpatient at the hospital.</p> <p>Other hospital services and supplies, such as:</p> <ul style="list-style-type: none"> <li>• Operating, recovery, maternity, and other treatment rooms</li> <li>• Rehabilitative services</li> <li>• Prescribed drugs and medicines</li> <li>• Diagnostic laboratory tests and X-rays</li> <li>• Blood or blood plasma, if not donated or replaced</li> <li>• Dressings, splints, casts, and sterile tray services</li> </ul> <p>Note: Take-home medical supplies, equipment, orthopedic and prosthetic devices are covered under Section 5(a).</p> <p>Note: Colostomy and ostomy supplies are covered under Section 5(a), Durable medical equipment.</p> <p>Note: Take-home prescription drugs and medicines are covered under Section 5(f).</p> <p>Note: We base payment on whether the facility or a health care professional bills for the services or supplies. For example, when the anesthesiologist bills, we pay Anesthesia benefits. If preadmission testing is performed in the hospital as inpatient then we pay pre-admission tests at the same coinsurance rate as inpatient miscellaneous charges.</p>	<p>In-network: \$100 copayment for each hospital stay (copayment waived for a maternity stay)</p> <p>Out-of-network: \$300 copayment for each hospital stay and 25% of the covered charges</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li>• <i>Any part of a hospital admission that is not medically necessary (see definition in Section 10), such as when you do not need acute hospital inpatient (overnight) care, but could receive care in some other setting without adversely affecting your condition or the quality of your medical care. Note: In this event, we pay benefits for other medically necessary services and supplies you received other than room and board and in-hospital physician care at the inpatient level.</i></li> <li>• <i>Hospital charges for non-covered surgery</i></li> <li>• <i>Custodial care (see definition in Section 10) even when provided in a hospital</i></li> <li>• <i>Non-covered facilities, such as nursing homes, rest homes, convalescent homes, facilities for the aged, and schools</i></li> </ul>	<p><i>All charges</i></p>

*Inpatient hospital - continued on next page*

Benefit Description	You Pay
<b>Inpatient hospital (cont.)</b>	
<ul style="list-style-type: none"> <li>• <i>Personal comfort items, such as telephone, television, radio, newspapers, air conditioner, beauty and barber services, guest meals and beds</i></li> <li>• <i>Private nursing care during a hospital stay</i></li> </ul>	<i>All charges</i>
<b>Outpatient hospital or ambulatory surgical center</b>	
<ul style="list-style-type: none"> <li>• Operating, recovery, and other treatment rooms</li> <li>• Prescribed drugs and medicines (not take-home drugs)</li> <li>• Diagnostic laboratory tests, X-rays , and pathology services</li> <li>• Administration of blood, blood plasma, and other biologicals</li> <li>• Blood and blood plasma , if not donated or replaced</li> <li>• Pre-surgical testing</li> <li>• Dressings, casts, and sterile tray services</li> <li>• Medical supplies, including oxygen</li> </ul> <p>Note: We cover hospital services and supplies related to dental procedures when necessitated by a non-dental physical impairment even if we do not cover the dental procedures.</p> <p>Note: Take-home supplies, medical supplies, equipment, orthopedic and prosthetic devices are covered under Section 5(a).</p> <p>Note: Colostomy and ostomy supplies are covered under Section 5(a), Durable medical equipment.</p> <p>Note: Take-home prescription drugs and medicines are covered under Section 5(f).</p> <p>We base payment on whether the facility or a health care professional bills for the services or supplies. For example, when the physician bills for surgery, we pay Surgery benefits.</p>	<p>In-network: 15% of the Plan allowance (calendar year deductible applies)</p> <p>Out-of-network: 30% of the Plan allowance and any difference between our allowance and the billed amount (calendar year deductible applies)</p>
<b>Extended care benefits/Skilled nursing care facility benefits</b>	
<p><b>If care is preauthorized,</b> we cover semiprivate room, board, services and supplies in a Skilled Nursing Facility (SNF) for up to 60 days per calendar year when:</p> <ul style="list-style-type: none"> <li>• The stay is medically necessary</li> <li>• The stay is supervised by a physician</li> </ul>	<p>In-network: Charges in excess of the 60-day maximum</p> <p>Out-of-network: Charges in excess of the 60-day maximum and the difference between the Plan allowance and the billed amount</p>

*Extended care benefits/Skilled nursing care facility benefits - continued on next page*

Benefit Description	You Pay
<b>Extended care benefits/Skilled nursing care facility benefits (cont.)</b>	
Note: If Medicare pays first for your care, the first 20 days of your stay (paid in full by Medicare) count toward the 60-day benefit limit each calendar year.	In-network: Charges in excess of the 60-day maximum  Out-of-network: Charges in excess of the 60-day maximum and the difference between the Plan allowance and the billed amount
<b>If care is not preauthorized</b> , we cover semiprivate room and board services and supplies for up to 30 days per calendar year, subject to the above conditions.  Note: Days preauthorized and not preauthorized are combined and cannot exceed 60 days in a calendar year.	In-network: 20% for the first 30 days, then all charges  Out-of-network: 20% for the first 30 days, then all charges
<i>Not Covered:</i> • <i>Custodial care</i>	<i>All charges</i>
<b>Hospice care</b>	
Hospice is a coordinated program of maintenance and supportive care for the terminally ill prescribed by a physician and provided by a medically supervised team under the direction of a Plan-approved independent hospice administration.  Note: This benefit does not apply to services covered under any other benefit of the Plan.	In-network: 15% of the Plan allowance (No deductible)  Out-of-network: 30% of the Plan allowance and any difference between our allowance and the billed amount (No deductible)
<i>Not covered:</i> • <i>Private duty nursing</i> • <i>Custodial care</i>	<i>All charges</i>
<b>Ambulance</b>	
• Professional ambulance service to the nearest facility equipped to handle the patient's condition, including air ambulance when medically necessary.  Note: We also cover medically necessary emergency care provided at the scene when transport services are not required.  Note: See Section 5(d) for emergency ambulance service.	In-network: 15% of the Plan allowance (No deductible)  Out-of-network: 15% of the Plan allowance and any difference between our allowance and the billed amount (No deductible)
<i>Not covered:</i> • <i>Ambulance transportation for your own or your family's convenience</i> • <i>Transportation to other than a hospital, skilled nursing facility, hospice or urgent care medical facility</i>	<i>All charges</i>

## Section 5(d). Emergency services/accidents

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The calendar year deductible is: \$350 per person for In-network services and \$400 per person for Out-of-network services (\$700 per family for In-network services and \$800 per family for Out-of-network services). The calendar year deductible applies to almost all benefits in this Section. We added "(No deductible)" to show when the calendar year deductible does not apply.
- The Out-of-network benefits are the standard benefits of this Plan. In-network benefits apply only when you use a network provider. When no network provider is available, Out-of-network benefits apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.

### What is an accidental injury?

An accidental injury is a bodily injury that requires immediate medical attention and is sustained solely through violent, external, and accidental means, such as broken bones, animal bites, insect bites and stings and poisonings. An accidental dental injury is covered under Section 5(g), Dental benefits.

Benefit Description	You pay After the calendar year deductible...
Note: The calendar year deductible applies to almost all benefits in this Section. We say "(No deductible)" when it does not apply.	
<b>Accidental injury</b>	
<p>If you or a family member is accidentally injured, the Plan will pay up to the Plan allowance for:</p> <ul style="list-style-type: none"> <li>• Covered services and supplies provided in an initial emergency room facility visit for an accidental injury; or</li> <li>• Covered services and supplies provided in an initial urgent care center visit for an accidental injury; or</li> <li>• Covered services and supplies provided during the initial visit to a physician's office for an accidental injury, including related services outside the physician's office. Services must be provided the same day as the initial office visit. We pay for services performed after the initial visit, such as x-rays, laboratory tests, drugs, or any supplies or other services under Section 5(a).</li> </ul> <p>Note: We pay Hospital benefits if you are admitted.</p>	<p>In-network: Nothing (No deductible)</p> <p>Out-of-network: The difference between the Plan allowance and the billed amount (No deductible)</p>

Benefit Description	You pay After the calendar year deductible...
<b>Medical emergency</b>	
<p>Plan benefits are paid for care you receive because of a medical emergency (non-accident) like a heart attack or stroke, including anesthesia.</p>	<p>In-network: <b>Services in a physician's office</b>--\$20 copayment (No deductible)</p> <p><b>Services outside the physician's office</b>—15% of the Plan allowance</p> <p>Out-of-network: 15% of the Plan allowance and any difference between our allowance and the billed amount</p>
<p>Services you receive for your medical emergency in an urgent care center.</p> <p>Note: We pay medical supplies, medical equipment, prosthetic and orthopedic devices for use at home under Section 5(a), Medical services and supplies.</p>	<p>In-network: \$35 copayment per occurrence (No deductible)</p> <p>Out-of-network: 15% of the Plan allowance and any difference between our allowance and the billed amount</p>
<b>Ambulance</b>	
<ul style="list-style-type: none"> <li>Professional ambulance service to the nearest facility equipped to handle the patient's condition, including air ambulance when medically necessary.</li> </ul> <p>Note: We also cover medically necessary emergency care provided at the scene when transport services are not required.</p> <p>Note: See 5(c) for non-emergency service.</p>	<p>In-network: 15% of the Plan allowance (No deductible)</p> <p>Out-of-network: 15% of the Plan allowance and any difference between our allowance and the billed amount (No deductible)</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> <li><i>Ambulance transport for your own or your family's convenience</i></li> <li><i>Transportation to other than a hospital, skilled nursing facility, hospice or urgent care medical facility</i></li> </ul>	<p><i>All charges</i></p>

## Section 5(e). Mental health and substance abuse benefits

You need to get prior Plan approval (precertification or preauthorization) for inpatient, residential and partial hospital treatment. Review of continuing treatment for inpatient, residential or partial hospitalization is also required. Please see pages 17-19 for instructions on how to preauthorize your care and how to get review for continuing treatment.

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The calendar year deductible or, for facility care, the inpatient copayment applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PRECERTIFICATION** to establish the medical necessity of your stay in a hospital, residential treatment center or other facility. Please see page 17 for information on how to precertify your care. If you do not precertify your stay, we will reduce our benefits by \$500.
- Review of continuing treatment to establish the medical necessity of your continuing treatment for all levels of outpatient or office care. Please see page 19, for information on how to get review of continuing treatment.
- We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan’s clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.

Benefit Description	You Pay After the calendar year deductible...
<b>Note: The calendar year deductible applies to almost all benefits in this Section. We say “(No deductible)” when it does not apply.</b>	
<b>Professional services</b>	
We cover professional services by licensed professional mental health and substance abuse practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists.	Your cost-sharing responsibilities are no greater than for other illnesses or conditions.
Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include: <ul style="list-style-type: none"> <li>• Diagnostic evaluation</li> <li>• Crisis intervention and stabilization for acute episodes</li> <li>• Medication evaluation and management (pharmacotherapy)</li> <li>• Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment</li> <li>• Treatment and counseling (including individual or group therapy visits)</li> </ul>	In-network: <b>Services in a physician's office</b> --\$20 copayment (No deductible)  <b>Services outside the physician's office</b> --15% of the Plan allowance  Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount

*Professional services - continued on next page*

Benefit Description	You Pay After the calendar year deductible...
<b>Professional services (cont.)</b>	
<ul style="list-style-type: none"> <li>• Diagnosis and treatment of alcoholism and drug abuse, including detoxification, treatment and counseling</li> <li>• Electroconvulsive therapy</li> </ul>	<p>In-network: <b>Services in a physician's office</b>--\$20 copayment (No deductible)</p> <p><b>Services outside the physician's office</b>--15% of the Plan allowance</p> <p>Out-of-network: 25% of the Plan allowance and any difference between our allowance and the billed amount</p>
<b>Diagnostics</b>	
<ul style="list-style-type: none"> <li>• Outpatient diagnostic tests provided and billed by a licensed mental health and substance abuse practitioner</li> <li>• Outpatient diagnostic tests provided and billed by a laboratory, hospital or other covered facility</li> </ul>	<p>In-network: 15% of the Plan allowance</p> <p>Out-of-network: 25% of the Plan allowance any difference between our allowance and the billed amount</p>
<b>Inpatient hospital or other covered facility</b>	
<p>Inpatient services provided and billed by a hospital, residential treatment facility, or other covered facility</p> <ul style="list-style-type: none"> <li>• Room and board, such as semiprivate or intensive accommodations, general nursing care, meals and special diets, and other hospital services</li> <li>• Inpatient diagnostic tests provided and billed by a hospital, residential treatment facility, or other covered facility</li> </ul>	<p>In-network: \$100 copayment for each inpatient stay (No deductible)</p> <p>Out-of-network: \$300 copayment for each inpatient stay and 25% of the covered charges (no deductible)</p>
<b>Outpatient hospital or other covered facility</b>

Benefit Description	You Pay After the calendar year deductible...
<b>Not covered</b>	
<ul style="list-style-type: none"> <li>• <i>Services we have not approved</i></li> <li>• <i>All charges (including room and board) for chemical aversion therapy, conditioned reflex treatments, narcotherapy, and similar aversion treatments</i></li> <li>• <i>Counseling or therapy for marital, educational, sexual paraphilias, behavioral diagnoses, or related to mental retardation and learning disorders</i></li> <li>• <i>Community based programs such as self-help groups or 12-step programs</i></li> <li>• <i>Applied Behavior Analysis (ABA)</i></li> </ul>	<i>All charges</i>

## Section 5(f). Prescription drug benefits

### Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the page 60.
- All benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Members must make sure their physicians obtain prior approval/authorizations for certain prescription drugs and supplies before coverage applies. Prior approval/authorizations must be renewed periodically.
- The calendar year prescription drug deductible is: \$200 per person . This is a separate deductible from the Plan's calendar year deductible and applies to prescription drugs that you buy at any network or non-network retail drugstore or pharmacy. The prescription drug deductible applies to almost all benefits in this Section. We added ("No deductible") to show when the prescription drug deductible does not apply.
- The Out-of-network benefits are the standard benefits of this Plan. In-network benefits apply only when you use a network provider. When no network provider is available, out-of-network benefits apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- **YOUR PHYSICIAN MUST GET PRIOR AUTHORIZATION FOR CERTAIN DRUGS.**

There are important features you should be aware of. These include:

**Who can write your prescription.** A licensed physician or dentist, and in states allowing it, licensed or certified Physician Assistant, Nurse Practitioner and Psychologist must prescribe your medication.

**Where you can obtain your prescription.** You may fill the prescription at a CVS Health participating pharmacy, a non-network pharmacy, or through the CVS Health mail service prescription program for a maintenance medication.

- **CVS Health participating (In-network) pharmacy:** You may fill your prescription at any CVS Health participating pharmacy. To find a participating pharmacy near where you live, call CVS Health toll-free at 1-800-292-4182 or on the Internet at [www.Caremark.com](http://www.Caremark.com) or through a link on our website at [www.nrlca.org](http://www.nrlca.org). **You must show the pharmacy your Plan ID card (that includes the CVS Health logo) to receive the negotiated discount price.** You pay the coinsurance and any deductible, if applicable, for your prescription. You do not need to file a claim when you use a CVS Health participating pharmacy and show your Plan ID card . The participating pharmacy will file the claim with CVS Health for you. **Prescriptions you purchase at a CVS Health network pharmacy without using your ID card are at the full regular price charged by the pharmacy. If you do not show your ID card at a participating pharmacy, you will need to file a claim with CVS Health.**
- **Non-participating (Out-of-network) pharmacy:** You may fill your prescription at any out-of-network pharmacy. You pay the full regular price for your prescription and then file a claim with CVS Health.
- **CVS Health mail service pharmacy:** You may fill your long-term prescription through the CVS Health mail service pharmacy. You will receive order forms and information on how to use the mail service prescription program from CVS Health. To order your prescription by mail: 1) complete the CVS Health order form; 2) enclose your prescription(s) and copayment(s); 3) mail your order to CVS Health, P O Box 659572, San Antonio, TX 78256-9572; and 4) allow approximately two weeks for delivery. You will receive order forms for refills and future prescription orders each time you use the mail service program. You can also order refills from the mail service program by telephone toll-free at 1-800-292-4182 or on the Internet at [www.Caremark.com](http://www.Caremark.com)

### CVS Health's Primary/Preferred Drug list

The CVS Health Primary/Preferred Drug list is a list of “preferred” prescription drugs that are identified by the CVS Health team of physicians and pharmacists (Pharmacy and Therapeutics Committee) to be the best overall value based on quality, safety, effectiveness, and cost. The Primary/Preferred Drug list includes nearly all covered generic drugs, and specific brand-name drugs. We list the most commonly requested formulary drugs on the Primary/Preferred Drug list. To order a Primary/Preferred Drug list, call the CVS Health Customer Service Department at 1-800-292-4182 or visit our website at [www.nrlca.org](http://www.nrlca.org) and click on Departments, then Insurance.

We also cover non-preferred (non-formulary) drugs prescribed by your Plan physician. However, we encourage you to use preferred drugs, especially preferred generic drugs, whenever possible because they will cost you less. Refer to the Primary/Preferred Drug list and check with your physician or pharmacist to find out if a preferred generic drug is available, or if a lower-cost alternative might work for you.

- **Prior Authorization.** We require prior authorization for certain drugs, including specialty and weight management medications. To obtain a list of drugs that require prior authorization, please call the CVS Health Customer Service Department at 1-800-292-4182. The prior authorization drug list is reviewed by the CVS Health Pharmacy and Therapeutics Committee and may change from time to time due to new drugs, new generic drugs, new therapies, new guidelines from the Food and Drug Administration (FDA), or other factors. For those drugs that require prior authorization, you should discuss with your physician or pharmacist about available options that do not require prior authorization. To request prior authorization, your physician may contact the CVS Health Prior Authorization Department at 1-855-240-0536. CVS Health will work with your physician to obtain the information we need to process the request. You may contact the CVS Health Customer Service Department for the status of your request at 1-800-292-4182.

Specialty drugs are unique prescription medicines that are often high-cost injectable, infused, oral or inhaled drugs that require close supervision and monitoring by your physician. You must purchase certain specialty drugs, including biotech, biological, biopharmaceutical, and oral chemotherapy drugs through a CVS Health Specialty Pharmacy.

All specialty drugs require prior authorization to ensure appropriate treatment therapies for chronic complex conditions. Call CVS Health Specialty Pharmacy Services at 1-866-814-5506 to obtain prior authorization. Decisions about prior authorization are based on guidelines developed by physicians at the FDA or independent expert panels and are administered by the CVS Health Specialty Pharmacy's clinical team.

Certain specialty self-administered medications will be covered only when purchased through a CVS Health Specialty Pharmacy and will not be covered under any other Plan benefit. A list of these specialty self-administered medications is available at [www.caremark.com](http://www.caremark.com). This list is subject to periodic change. Please call CVS Health at 1-800-237-2767 for the current list of specialty medications covered under the prescription drug benefit when purchased through a CVS Health Specialty Pharmacy.

### Infusion Nursing and Site of Care Management for Specialty Medications

Infusion nursing services for certain specialty medications that are administered in the home and/or in an ambulatory infusion center are covered, coordinated through, and must be purchased from a CVS Health Specialty Pharmacy. For infused specialty medications, except for oncology (cancer) medications, that require administration by a medical professional, a CVS Health CareTeam nurse will work with you and your physician to assess your clinical history and determine clinically appropriate options (location for your infusion) for clinician-infused specialty medications. Options may include homecare, an ambulatory infusion center, or physician's office. CareTeam nurses will contact all impacted Plan members to provide assistance and guidance. Please call 1-800-237-2767 for complete information.

### These are the dispensing limitations.

- You may purchase up to a 34-day supply of medication at any network retail pharmacy. There is a limit on the number of refills that you can buy at a network retail pharmacy for long-term maintenance medications (prescription medications that you take every day). You can buy an initial 34-day supply and two refills for long-term medications at a network retail pharmacy during any twelve month period. After the second fill at a network retail pharmacy, you must purchase your long-term medications through the CVS Health Mail Service pharmacy or a CVS Pharmacy to have the prescriptions covered by the Plan.

- There is also a 34-day supply limit for prescriptions that you buy at a non-participating pharmacy. In addition, you are limited to an initial 34 day supply plus two refills for long-term maintenance medications that you buy at a non-participating pharmacy. You pay the full regular price for any prescription that you buy at a non-participating pharmacy and then file a claim with CVS Health for reimbursement after you satisfy the annual \$200 prescription drug deductible (see page 60).
- A generic equivalent will be dispensed if it is available. If you receive a prescription for a name brand drug when a Federally-approved generic drug is available, even if your physician requests "Dispense as Written" (DAW) on the prescription, you have to pay the difference in cost between the name brand drug and its generic equivalent plus the brand name (Tier III) copayment.
- You may purchase up to a 90-day supply of a medication through the CVS Health mail service prescription program. If you request a refill before you use 75% of the medication (based on your physician's written directions for taking the medication), CVS Health will return the refill request to you. CVS Health follows generally accepted pharmacy standards when filling your prescriptions. These include Federal and state pharmacy regulations, the professional judgment of the pharmacist, and the usage recommendations of the drug manufacturer as approved by the U.S. Food and Drug Administration (FDA). If a Federally approved generic drug is available, CVS Health will substitute for a brand name drug. Certain types of prescription medications are not available through the mail service program such as:
  - Specially mixed (compounded) capsules and suppositories
  - Vaccines
  - Frozen medications
  - Dental products
  - Most medical devices
  - Infertility drugs
  - Medications specially wrapped in unit dose packaging

Note: Always request a generic drug from your physician or other prescriber when a generic is available. If a generic equivalent is available, but the pharmacy dispenses the brand name medication, you will pay the difference in cost between the brand name medication and the generic medication plus the brand name (Tier III) copayment. Similarly if your physician or other prescriber indicates "dispense as written" on the prescription, you will pay the difference in cost between the brand name medication and the generic medication plus the brand name (Tier III) copayment.

CVS Health will fill prescriptions for medications designated as Class II, III, IV, and V controlled substances by the FDA. However, Federal or state law may limit the supply of these medications to less than 90 days.

- If you have Medicare Part B, we do not waive your deductible or coinsurance for prescription drugs and supplies that you buy at a CVS Health participating pharmacy or at a non-participating pharmacy. However, your copayment is reduced for 90-day prescriptions that you order through the CVS Health mail service prescription program or at a CVS retail pharmacy.

Note: We waive your deductible and coinsurance at a network retail pharmacy and the copayment at the CVS Health mail service pharmacy if Medicare Part B covers your prescription drugs or diabetic supplies and is the primary payor. See Section 9 for further information.

**Why use generic drugs?** Generic drugs offer a safe and economic way to meet your prescription drug needs. The generic name of a drug is its chemical name; the name brand is the name under which the manufacturer advertises and sells a drug. Under Federal law, generic and name brand drugs must meet the same standards for safety, purity, strength, and effectiveness. Generic drugs contain the same active ingredients and are equivalent in strength and dosage to the original brand name product. All manufacturing and marketing of a generic drug is conducted following strict guidelines established by the U.S. Food and Drug Administration (FDA). No prescription drug can be sold in the U.S. without FDA approval. The manufacturing facilities of all drug companies, whether they make generic or brand name drugs, must pass stringent, regular inspections by the FDA. There is no difference between the standards set for drug companies that make brand name or generic medications. Many drug companies that make brand name drugs also make generic drugs. A generic prescription costs you -- and us -- less than a name brand prescription.

**When you do have to file a claim.** If you use a CVS Health participating pharmacy, the pharmacy will file the claim for you electronically. If you use a non-participating pharmacy, you will need to file a claim with CVS Health. Use the CVS Health prescription claim form and send your claim to:

**CVS Health  
P O Box 52196  
Phoenix AZ 85072-2196**

Claims for prescription drugs and supplies that are not ordered through the CVS Health mail service prescription program or a CVS Health In-network pharmacy must include receipts that have the patient's name, the prescription number, name of the drug or supply, prescribing physician's name, date, charge, and pharmacy name. The pharmacist must sign any computer printout or pharmacy ledger. Prescription claim forms are available by calling toll-free 1-800-292-4182 or at our website at [www.nrlca.org](http://www.nrlca.org)

Benefits Description	You Pay After the calendar year deductible...
<p style="text-align: center;"><b>Note: The calendar year deductible applies to almost all benefits in this Section. We say "(No deductible)" when it does not apply.</b></p>	
Covered medications and supplies	
<p>When you enroll in the Plan, you will receive a description of our prescription drug program, a combined prescription drug/Plan identification card, a mail service order form/patient profile and a preaddressed reply envelope for the mail service prescription program.</p> <p>You may purchase the following medications and supplies prescribed by a physician from either a retail pharmacy or through the Mail Service Pharmacy:</p> <ul style="list-style-type: none"> <li>• Drugs and medicines (including those administered during a non-covered admission or in a non-covered facility) that require a physician's written prescription under U.S. Federal law, except those listed as <i>Not covered</i>.</li> <li>• Vitamins and minerals that require a physician's prescription for purchase under U.S. Federal law</li> <li>• Insulin and diabetic supplies such as test strips, lancets, etc.</li> <li>• Needles and syringes for the administration of covered medications</li> <li>• Prescription drugs for weight management</li> </ul> <p>Note: Prescription drugs for weight management require prior authorization.</p> <p>Note: Colostomy and ostomy supplies are covered under Section 5(a), Durable medical equipment.</p>	<ul style="list-style-type: none"> <li>• In-network Retail: 30% of cost</li> <li>• In-network Retail when retired with Medicare Part B coverage: 30% of cost</li> <li>• Out-of-network Retail: 30% of cost</li> <li>• Out-of-network Retail when retired with Medicare Part B coverage: 30% of cost</li> <li>• In-network Mail Service: <ul style="list-style-type: none"> <li>- Tier I: \$10 generic (No deductible)</li> <li>- Tier II: \$30 brand name on primary drug list (No deductible)</li> <li>- Tier III: \$47 brand name not on primary drug list (No deductible)</li> <li>- Tier IV: \$80 specialty drugs (no deductible)</li> </ul> </li> <li>• In-network Mail Service when retired with Medicare Part B coverage: <ul style="list-style-type: none"> <li>- Tier I: \$10 generic (No deductible)</li> <li>- Tier II: \$20 brand name on primary drug list (No deductible)</li> <li>- Tier III: \$37 brand name not on primary drug list (No deductible)</li> <li>- Tier IV: \$80 specialty drugs (No deductible)</li> </ul> </li> </ul> <p>Note: If there is no generic equivalent available, you must pay the brand name copayment.</p> <p>Note: For long-term maintenance medications, you are limited to the initial prescription and two refills at a CVS Health In-network (participating) pharmacy or at an Out-of-network (non-participating) pharmacy. You must use the Mail Service pharmacy or a CVS Pharmacy for a continuing supply of the medication after three fills.</p> <p>Note: For long-term maintenance medications (90-day supply) purchased at a CVS Pharmacy, you pay the same copayments (No deductible) as the In-network Mail Service Pharmacy.</p>

## Section 5(g). Dental benefits

### Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program (FEDVIP) Dental Plan, your FEHB Plan will be First/Primary payer of any benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9, *Coordinating benefits with other coverage*.
- The calendar year deductible is: \$50 per person. The dental deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when the calendar year deductible does not apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- Note: We cover a hospital stay for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. We cover the dental procedure under *Dental benefits* listed below. See Section 5(c) for inpatient hospital benefits.

Benefit Description	You pay
<b>Accidental injury benefit</b>	
<p>The Plan will pay for the treatment or repair (including root canal therapy and crowns) of an accidental injury to sound natural teeth (not from biting or chewing).</p> <p>The services and supplies must be provided within one year of the accidental dental injury and the Patient must be a Plan member when the dental services are received.</p> <p>Note: We may request dental records, including x-rays, to verify the condition of your teeth before the accidental injury. Charges covered for dental accidents cannot be considered under Dental benefits.</p>	<p>In-network: 10% of Plan allowance (No deductible)</p> <p>Out-of-network: 20% of the Plan allowance and any difference between our allowance and the billed amount (no deductible)</p>

### Dental Benefit Class A Schedule

Dental benefits		
<b>Service</b>		
The Plan pays actual charges for up to two preventive care visits per person each calendar year up to the scheduled Plan allowance (No deductible)		All charges that exceed the Plan's scheduled allowance for the service
Oral exam	\$12.50 twice each calendar year	
Prophylaxis, adult	\$22.00 twice each calendar year	
Prophylaxis, child (thru age 14)	\$15.00 twice each calendar year	
• with fluoride treatment	\$24.00 twice each calendar year	
Space maintainer	\$88.00	
Complete X-ray series	\$34.00	
Panoramic X-ray	\$34.00	
Single film X-ray	\$5.50

Partial with bar	\$157.00	
Repairs (dentures and partials)	\$14.00	
Denture relining	\$40.50	

## Section 5(h). Special features

Special feature	Description
<b>Flexible benefits option</b>	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> <li>• We may identify medically appropriate alternatives to regular contract benefits as a less costly alternative. If we identify a less costly alternative, we will ask you to sign an alternative benefits agreement that will include all of the following terms in addition to other terms as necessary. Until you sign and return the agreement, regular contract benefits will continue.</li> <li>• Alternative benefits will be made available for a limited time period and are subject to our ongoing review. You must cooperate with the review process.</li> <li>• By approving an alternative benefit, we do not guarantee you will get it in the future.</li> <li>• The decision to offer an alternative benefit is solely ours, and except as expressly provided in the agreement, we may withdraw it at any time and resume regular contract benefits.</li> <li>• If you sign the agreement, we will provide the agreed-upon alternative benefits for the stated time period (unless circumstances change). You may request an extension of the time period, but regular contract benefits will resume if we do not approve your request.</li> <li>• Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process. However, if at the time we make a decision regarding alternative benefits, we also decide that regular contract benefits are not payable, then you may dispute our regular contract benefits decision under the OPM disputed claims process (see Section 8).</li> </ul>
<b>24 hour nurse line</b>	<p>We provide Plan members and their eligible dependents with access to a 24-hour-a-day nurse help line through the Optum Nurse Line Program.</p> <p>For any of your health concerns, 24-hours-a-day, 7-days a week, you may call Optum NurseLine toll-free at 1-866-796-1857 and talk with a registered nurse who will discuss treatment options and answer your health questions and concerns.</p>
<b>Services for deaf and hearing impaired</b>	No benefit, except as shown in Section 5(a), Hearing services.
<b>Cancer treatment benefit</b>	We will pay 100% of the Plan allowance for drugs, services and supplies normally covered by the Plan for treatment of an illness diagnosed as cancer. The service or supply must be for the treatment of a malignancy. A diagnosis secondary to cancer is not covered under this benefit.
<b>Kidney (renal) dialysis benefit</b>	We will pay 90% of the Plan allowance for services, supplies and testing for kidney (renal) dialysis. This benefit applies to inpatient and outpatient kidney dialysis.
<b>Routine eye exam benefit</b>	<p>We will pay up to \$45 for your routine eye exam each calendar year.</p> <p>Note: The itemized bill must show that you had a routine eye exam to qualify for this benefit.</p>
<b>Aetna Transplant Network</b>	Aetna has special arrangements with facilities to provide services for tissue and organ transplants. The Aetna Transplant Network is designed to give you the opportunity to access providers that demonstrate high quality medical care for transplant patients.

	<p>Note: If a qualified tissue/organ transplant is medically necessary and performed at an Aetna Transplant Network Facility, you may be eligible for benefits related to expenses for travel, lodging and meals for the transplant recipient and one family member or caregiver. We may also assist you and one family member or caregiver with travel and lodging arrangements.</p> <p>Your physician can coordinate arrangements by calling a case manager in Aetna's Medical Management Department at 1-800-638-8432. For additional information regarding the Aetna Transplant Network, please call toll-free 1-800-638-8432.</p>
<b>Healthy maternity program</b>	<p>You have access to Aetna's Healthy Maternity Program, which provides educational material and support to pregnant women. Contact Customer Service toll-free at 1-800-638-8432 for more information.</p>
<b>Case management program</b>	<p>The Case Management Program is a voluntary program provided to you and your dependents at no additional cost. Case management services are designed to assist you, your family and your physician address acute, complex and/or long term medical needs. If you feel you would benefit from case management services or would like more information about the services, please call us toll-free at 1-800-638-8432.</p>
<b>Disease management programs</b>	<p>Disease Management Programs are provided at no additional cost to you. These programs provide education and management programs through:</p> <ul style="list-style-type: none"> <li>• Nurse support</li> <li>• Education about the disease and how it affects your body</li> <li>• Proper medical management that can help lead you to a healthier lifestyle</li> </ul> <p>Plan members are automatically enrolled in the Program. However, participation is voluntary. The participant and his/her physician remain in charge of the participant's treatment plan. We offer the following Disease Management Programs for these common chronic medical conditions:</p> <ul style="list-style-type: none"> <li>• Asthma</li> <li>• Chronic Obstructive Pulmonary Disease (COPD)</li> <li>• Congestive Heart Failure (CHF)</li> <li>• Coronary Artery Disease (CAD)</li> <li>• Diabetes</li> </ul> <p>If you are enrolled in the Program and do not want to participate or you would like more information about these programs, please call toll-free 1-800-579-5755, Monday through Friday between 10:00 AM and 8:00 PM Eastern Time.</p> <p>In addition, there are Accordant Health Management programs for the following complex chronic medical conditions:</p> <ul style="list-style-type: none"> <li>• Seizure disorders</li> <li>• Rheumatoid Arthritis (RA)</li> <li>• Multiple Sclerosis (MS)</li> <li>• Crohn's Disease</li> <li>• Parkinson's Disease</li> <li>• Systemic Lupus Erythematosus (SLE)</li> <li>• Myasthenia Gravis</li> <li>• Sickle Cell Disease</li> <li>• Cystic Fibrosis (CF)</li> <li>• Hemophilia</li> </ul>

	<ul style="list-style-type: none"> <li>• Scleroderma</li> <li>• Gaucher Disease</li> <li>• Polymyositis</li> <li>• Amyotrophic Lateral Sclerosis (ALS-Lou Gehrig's Disease)</li> <li>• Dermatomyositis</li> <li>• Chronic Inflammatory Demyelinating Polyradiculoneuropathy (CIDP)</li> </ul> <p>For more information on the Accordant Health Management programs, please call toll-free 1-866-380-6295.</p>
<b>Travel benefit/services overseas</b>	<p>The Plan has an agreement with AIG Travel Guard to provide Plan members and their eligible dependents with a travel assistance program. If you or a family member becomes sick or injured while traveling more than 100 miles away from home, you can call AIG Travel Guard 24-hours-a-day, 7-days a week from anywhere in the world for assistance. You may call toll-free at 1-800-988-0638 or collect at 1-715-342-3548 when you are outside the United States.</p>
<b>Genetic testing for prescription drugs</b>	<p>The Plan has partnered with CVS Health and its subsidiary, Generation Health, to provide a voluntary genetic testing program for specific prescription medications for which genetic testing is available. Different people respond to medications differently due to their specific genetic make-up and in some cases a prescribed drug may not be the correct treatment option. The Plan will pay 100% of the cost for the genetic testing performed by Generation Health to:</p> <ul style="list-style-type: none"> <li>• Minimize trial and error in drug prescribing</li> <li>• Determine the right drug and appropriate dosage specifically for the Plan member</li> <li>• Minimize negative side effects of the drug</li> </ul> <p>If any of the prescriptions that you are taking qualifies for this benefit, Generation Health will contact the prescribing physician about how to order the appropriate genetic test for you. Generation Health will contact you and ask if you want to participate in the testing program. There is no reduction in Plan benefits if you choose not to participate. If you choose to participate, an easy to use home test kit will be mailed to you with instructions on how to use it. Simply return the test kit in the postage-paid envelope and the test results will be sent to your physician.</p>
<b>Lab Card program</b>	<p>The Lab Card program gives you the option of having covered outpatient laboratory testing paid at 100%, if your covered provider sends your lab work to Lab One/Quest Diagnostics for processing.</p> <p>The Lab Card is an optional program. If you or your provider chooses not to use Lab Card, you will not be penalized. You will simply receive the regular Plan benefit for lab tests (see page 27).</p> <p>The Lab Card covers most outpatient laboratory testing covered by the Plan provided that the tests are ordered by a covered provider and processed by Lab One/Quest Diagnostics. Outpatient lab work covered by the Lab Card Program includes: blood tests (e.g., cholesterol, CBC, thyroid), urine testing (e.g., urinalysis), cytology and pathology (e.g., pap smear, biopsy) and cultures (e.g., throat culture).</p> <p>The Lab Card does not cover: lab tests ordered during a hospital stay, lab work needed on an emergency (STAT) basis and time sensitive lab tests such as fertility testing, bone marrow studies and spinal fluid tests. Lab Card also does not cover x-rays, imaging tests (e.g., CT scans, MRI scans, PET scans), mammography, dental work or lab testing processed by another lab testing company.</p>

	For Lab Card services, please call toll-free 1-800-646-7788 or go to the Lab Card website at <a href="http://www.labcard.com">www.labcard.com</a> .
<b>Diagnostic imaging program</b>	<p>The Diagnostic Imaging Program provided through US Imaging gives you the option of having your preauthorized CT, MRI and PET scans covered at 100%, if your scan has been preauthorized (see Section 3, Other Services) and you choose to have your scan coordinated by and performed at one of US Imaging's nationwide network of contracted free-standing imaging centers.</p> <p>Diagnostic Imaging from US Imaging is a voluntary program. If you choose not to utilize US Imaging, you will not be penalized. You will simply receive the regular Plan benefit for CT, MRI or PET scans (see Section 5(a), Lab, X-ray and other diagnostic tests).</p> <p>The US Imaging Diagnostic Imaging program only covers CT, MRI and PET scans coordinated and performed by the US Imaging nationwide network. Exams not coordinated by US Imaging will be subject to regular Plan benefits included coinsurance and/or deductible. This includes services performed in hospitals or emergency rooms not affiliated with US Imaging.</p> <p>Once you have obtained preauthorization for your scan (See Section 3, Other Services) to access the diagnostic imaging benefits of US Imaging and their services, including scheduling, call toll-free 1-877-874-6385 or go to the US Imaging website at <a href="http://www.usimagingnetwork.com">www.usimagingnetwork.com</a>.</p>
<b>Tobacco cessation program</b>	<p>The Tobacco Cessation Benefit is provided through Free &amp; Clear, a division of Alere Health. The program provides:</p> <ul style="list-style-type: none"> <li>• Up to five proactive coaching classes and unlimited phone calls to Quit Coaches for 12 months for additional support</li> <li>• A personalized quit plan developed by the Plan member with his or her Quit Coach</li> <li>• Unlimited access to Web Coach, an online resource</li> <li>• A printed smoking cessation guide mailed directly to the participant's home</li> <li>• Decision support for tobacco cessation medications (nicotine replacement therapy (NCT), varenicline or bupropion)</li> <li>• Prescription coverage including Chantix and Bupropion with no cost to the participant</li> <li>• Opportunity to reenroll at the end of the program for participants that have not quit or need additional support</li> </ul> <p>For additional information on the smoking cessation program or to enroll in the Quit for Life program, call Free &amp; Clear toll-free at 1-866-784-8454.</p>
<b>Pharmacy Advisor Program</b>	<p>If you have one or more of the following chronic conditions, you have the opportunity to discuss one-on-one with a CVS Health pharmacist any questions or concerns about the medication(s) you are taking. Please call toll-free 1-866-624-1481.</p> <ul style="list-style-type: none"> <li>• Diabetes</li> <li>• Congestive Heart Failure (CHF)</li> <li>• Coronary Artery Disease (CAD)</li> <li>• Hypertension (high blood pressure)</li> <li>• Dyslipidemia (high cholesterol)</li> <li>• Asthma</li> <li>• Chronic obstructive pulmonary disease (COPD)</li> <li>• Depression</li> <li>• Osteoporosis</li> </ul>

	<ul style="list-style-type: none"> <li>• Breast cancer</li> </ul>
<b>My Online Services (Web based customer service)</b>	<p>You can access the Plan's Website tool <b>My Online Services (MOS)</b> at <a href="http://rcbp.coventryhealthcare.com">http://rcbp.coventryhealthcare.com</a>. Then click on "My Online Services". After you register, this will provide you with secure access to a broad range of your personal health information.</p> <p><b>My Online Services</b> provides tools to help you become an savvy health consumer. The following services are available:</p> <ul style="list-style-type: none"> <li>• <b>Interactive Personal Health Record</b>--The Plan will build your personal health record with information from your claims. You can also add other personal health information such as blood pressure, weight, vital statistics, and immunization records.</li> <li>• <b>Claims information</b>--You can view and organize your claims the way you want: sort by date of service, health care provider, procedure, etc.</li> <li>• <b>Explanation of Benefits (EOB)</b>--You can access and print your EOBs.</li> <li>• <b>Authorization notices</b>--You can view and print your certification for medical services, such as precertification of a planned hospital admission.</li> <li>• <b>Decision support tools</b>--You can check the average cost of medical procedures or view hospital quality ratings information before you receive care.</li> <li>• <b>Health information</b>--You can obtain health information and news that is relevant to you.</li> <li>• <b>Interactive health tools</b>--Assess, understand and manage chronic conditions and health risks. Easy to use content helps Plan members navigate common and complex medical conditions.</li> <li>• <b>Digital coaching programs</b>--Includes base programs for weight management, smoking cessation, stress management, nutrition, physical activity (exercise), cholesterol management, blood pressure, depression management, and sleep improvement. Plan members can engage and participate through personalized messages with tools and resources to help keep track of progress and stay on the path to wellness.</li> <li>• <b>KidsHealth Library</b>--An online resource provided through Nemours, one of the country's largest pediatric health systems, that educates families and helps them make informed decisions about children's health. KidsHealth has doctor-approved content for parents, children, teens and families.</li> </ul>

## Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file a FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums. These programs and materials are the responsibility of the Plan, and all appeals must follow their guidelines. For additional information contact the Plan at 1-703-684-5552 or visit their website at [www.nrlca.org](http://www.nrlca.org).

**Disability Income Insurance** - The Rural Letter Carrier Disability Income (RLCDI) Plan through Transamerica Life Insurance Company protects an individual from being unable to work and earn a paycheck because of an illness or injury. The RLCDI Plan is available to all rural letter carriers who are members of the NRLCA. Premium rates are based on your age and benefit level selected. Please visit [www.rc-benefits.com](http://www.rc-benefits.com) for detailed information or call toll-free 1-877-817-4801.

- Two benefit options with a waiting period.
- For Regular Carriers, a level income replacement up to 60% of basic pay tax-free, up to a maximum of \$3,000/month.
- For RCA's, a level benefit is available based on the number of hours that are worked.
- Premiums can be paid through your personal checking account.

**Term Life Insurance** - The NRLCA Life Insurance Plan through Transamerica Life Insurance Company is available to actively employed members of the NRLCA under the age of 65. Premium rates are based on your age at the time of approval for coverage and at each renewal date. Please visit [www.rc-benefits.com](http://www.rc-benefits.com) for detailed information or call toll-free 1-877-817-4801.

- Provides up to \$100,000 of term life insurance for members, \$15,000 for spouses and \$10,000 for dependent children.
- 10 or 20 year term life insurance policies are available.
- Policies include coverage for nursing home, assisted living facilities and home health care expenses.
- Policies are renewed with no medical questions at the end of each term period.
- If you leave the NRLCA either from a job change or retirement, you can take the policy with you.

**Supplemental Dental Insurance**—The NRLCA Dental Plan through the Ameritas Insurance Group is available to all NRLCA members. The Plan features a schedule of benefits for a variety of dental care services. Benefits include:

- Diagnostic and Preventive Care
- Restorative Care
- Endodontic Care (Root Canal Therapy)
- Periodontic Care (Gum Disease)
- Prosthodontics Care (Crowns and Dentures)

This insurance plan is separate from the Federal Employees Dental and Vision Insurance Plan. Please visit [www.nrlca.org](http://www.nrlca.org) for detailed information or call toll-free 1-800-747-4472.

**ExtraCare Health Card**-- Plan members receive the ExtraCare Health Card from CVS Health. This consumer-friendly program is designed to increase satisfaction and provide savings to Plan members and their families at over 7,700 CVS Pharmacy stores and online at [www.cvs.com](http://www.cvs.com). The ExtraCare Health Card provides a 20% discount on CVS brand health-related items that are eligible for reimbursement under a Health Care Flexible Spending Account (FSA).

For further information on any of the above benefits, contact the NRLCA Insurance Department at:

**NRLCA Group Insurance Department**  
**1630 Duke Street, 2nd Floor**  
**Alexandria VA 22314-3466**  
**1-703-684-5552**

*Benefits on this page are not part of the FEHB contract.*

---

## Section 6. General exclusions – services, drugs and supplies we do not cover

---

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. Although we may list a specific service as a benefit, we will not cover it unless we determine it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. Even if a covered provider prescribes, recommends, or approves a service or supply does not make it medically necessary or eligible for coverage. For information on obtaining prior approval for specific services, such as transplants, (see Section 3 *When you need prior Plan approval for certain services*).

We do not cover the following:

- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs or supplies for which no charge would be made if the covered individual had no health insurance coverage.
- Services, drugs, or supplies not medically necessary.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Services, drugs, or supplies for "Never Events". Never Events are errors in patient care that can and should be prevented. The Plan will follow the policies of the Centers for Medicare and Medicaid Services (CMS) for Never Events. The Plan will not cover care that falls under the CMS policies. For additional information, visit [www.cms.gov](http://www.cms.gov), and enter Never Events in the search box;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to clinical trials for extra care costs and research costs (see definitions);
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations, sexual dysfunction or impotence;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program; or
- Services, drugs, or supplies you receive without charge while in active military service;
- Services, drugs, or supplies furnished by yourself, immediate relatives or household members, such as spouse, parents, children, brothers or sisters by blood, marriage, or adoption;
- Services, drugs, or supplies furnished by a facility not covered under the Plan, except that medically necessary prescription drugs and physical, speech and occupational therapy rendered by a qualified professional therapist on an outpatient basis are covered subject to Plan limits;
- Any part of a provider's fee or charge that you would ordinarily pay but is waived by the provider. If a provider routinely waives (does not require you to pay) a deductible or coinsurance, we will calculate the actual provider fee or charge by reducing the fee or charge by the amount waived;
- Charges which the enrollee or Plan has no legal obligation to pay, such as excess charges for an annuitant age 65 or older who is not covered by Medicare Parts A and/or B (see page 85), doctor's charges exceeding the amount specified by the U.S. Department of Health and Human Services when benefits are payable under Medicare (limiting charge, see page 86) or State premium taxes however applied;
- Custodial care;
- Applied Behavior Analysis (ABA) for Autism Spectrum Disorder
- Counseling, therapy, or treatment for marital, educational, sexual paraphilias, or behavioral diagnoses/problems; or related to mental retardation, or learning disorders/disabilities as listed in the most recent edition of the International Classification of Diseases (ICD)
- Services, drugs, or supplies related to weight control or any treatment of obesity except as described in Section 5(a), Medical services and supplies, Section 5(f), Prescription drug benefits, and except for surgery for morbid obesity as described in Section 5(b), Surgical and anesthesia services;

- Nonmedical services such as social services and recreational, educational, visual, and nutritional counseling except as described in Section 5(a) under Nutritional Counseling;
- Non-surgical treatment of temporomandibular joint (TMJ) dysfunction including dental appliances, study models, splints and other devices;
- Services, drugs, or supplies for cosmetic purposes, except repair of accidental injury;
- Charges for completion of reports or forms;
- Charges for interest on unpaid balances;
- Charges for missed or canceled appointments;
- Charges to copy medical records needed by the Plan to process a claim. If the Plan requests medical records in error, the expenses will be covered;
- Charges for telephone consultations, conferences, or treatment by telephone, mailings, faxes, e-mails or any other communication to or from a hospital or covered provider;
- Biofeedback, conjoint therapy, hypnotherapy, and milieu therapy;
- Preventive medical care and services, except those provided under Preventive care adult and Preventive care children in Section 5(a);
- Private duty nursing care that you receive during a hospital stay;
- Any services you receive related to a learning disability;
- Breast implants (except after mastectomy), injections of silicone or other substances, and all related charges;
- Eyeglasses or contact lenses (except as covered under Vision services in Section 5(a); or
- Services and supplies not specifically listed as covered.

Note: Exclusions that are primarily identified with a single benefit category are listed along with that benefit category, but may apply to other categories.

---

## Section 7. Filing a claim for covered services

---

### How to claim benefits

To obtain claim forms or other claims filing advice or answers about our benefits, contact us at 1-800-638-8432 or at our website at <http://rcbp.coventryhealthcare.com>.

In most cases, providers and facilities file claims for you. Your physician must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB-04 form. For claims questions and assistance, call us at 1-800-638-8432.

When you must file a claim – such as for services you received overseas or when another group health plan is primary – submit it on the CMS-1500 or a claim form that includes the information shown below. Send your claims to:

**Rural Carrier Benefit Plan  
P O Box 7404  
London KY 40742-7404**

Bills and receipts should be itemized and show:

- Name of patient, date of birth and relationship to enrollee;
- Plan identification number of the enrollee;
- Name, address and tax identification number of the person or firm providing the services or supplies;
- Dates that services or supplies were furnished;
- Diagnosis;
- Valid medical or ADA dental code if it exists or a description of each service or supply; and
- The charge for each service or supply.

**Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.**

In addition:

- Generally, you need to complete only one claim form each calendar year. You should also complete a new claim form if the claim is for an accidental injury, your mailing address changes, or if your other insurance/Medicare coverage changes.
- You must send a copy of the explanation of benefits (EOB) form you received from any primary payor (such as the Medicare Summary Notice (MSN)) with your claim. See Section 9 for Medicare claims.
- Bills for private duty nursing care in the home must show that the nurse providing the care is a Registered (RN) or Licensed Practical Nurse (LPN). You should also include a copy of the initial history and physical from the attending physician indicating the duration and frequency of the nursing care along with the nursing notes.
- Claims for rental or purchase of durable medical equipment must include the price of the equipment, a prescription and a written statement from the physician specifying the medical necessity, including the diagnosis, and the estimated length of time needed.
- Claims for dental care must include a copy of the itemized bill from the dentist (including the information above) and the dentist's Federal Tax ID number. The Plan does not have a separate dental claim form.

**Please see Section 5(f), Prescription drug benefits for instructions on how to file a claim for prescription drugs that you buy at a non-participating (out-of-network) retail pharmacy.**

<b>Post-service claims procedures</b>	<p>We will notify you of our decision within 30 days after we receive your post-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.</p> <p>If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.</p>
<b>Records</b>	<p>Keep a separate record of the medical expenses of each covered family member as deductibles and maximum allowances apply separately to each person. Save copies of all medical bills, including those you accumulate to satisfy a deductible. In most instances they will serve as evidence of your claim. We will not provide duplicate or year-end statements.</p>
<b>Deadline for filing your claim</b>	<p>Send us all the documents for your claim as soon as possible. You should submit your claim in no case more than two years from the date you receive the care. We can extend this deadline if you were prevented from filing your claim by administrative operations of Government or legal incapacity, provided you file the claim as soon as reasonably possible. Once we pay benefits, there is a three-year limitation on reissuing uncashed checks.</p>
<b>Overseas claims</b>	<p>Follow the same procedures when submitting claims for overseas (foreign) services as you would when submitting claims for stateside services. Claims for overseas services should include an English translation. Charges should be converted to U.S. dollars using the exchange rate applicable on the date the care was received.</p>
<b>When we need more information</b>	<p>Please reply promptly when we ask for additional information. We may delay processing or deny benefits for your claim if you do not respond. Our deadline for responding to your claim is stayed while we await all of the additional information needed to process your claim.</p>
<b>Authorized representative</b>	<p>You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, a health care professional with knowledge of your medical condition will be permitted to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.</p>
<b>Notice requirements</b>	<p>The Secretary of Health and Human Services has identified counties where at least 10 percent of the population is literate only in certain non-English languages. The non-English languages meeting this threshold in certain counties are Spanish, Chinese, Navajo and Tagalog. If you live in one of these counties, we will provide language assistance in the applicable non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language services (such as telephone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English versions of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.</p> <p>Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the health care provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes and its corresponding meaning, and the treatment code and its corresponding meaning).</p>

---

## Section 8. The disputed claims process

---

You may be able to appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7 and 8 of this brochure, please visit <http://rcbp.coventryhealthcare.com>

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim. To make your request, please contact our Customer Service Department by writing to Rural Carrier Benefit Plan, P O Box 7404, London, KY 40742-7404 or calling toll-free 1-800-638-8432.

Our reconsideration will take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Our reconsideration decision will not afford deference to the initial decision and will be conducted by a Plan representative who is neither the individual who made the initial decision that is the subject of the reconsideration, nor the subordinate of that individual.

When our initial decision is based (in whole or in part) on a medical judgment (i.e., medical necessity, experimental/investigational), we will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who was not involved in making the initial decision.

We will not make our decision regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Step	Description
<b>1</b>	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none"><li>a) Write to us within 6 months from the date of our decision; and</li><li>b) Send your request to us at: Rural Carrier Benefit Plan, P O Box 7404, London, KY 40742-7404; and</li><li>c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and</li><li>d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.</li><li>e) Include your email address (optional for member), if you would like to receive our decision via email. Please note that by giving us your email, we may be able to provide our decision more quickly.</li></ul> <p>We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.</p>
<b>2</b>	<p>In the case of a post-service claim, we have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none"><li>a) Pay the claim or</li><li>b) Write to you and maintain our denial.</li></ul>

	<p>c) Ask you or your provider for more information.</p> <p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.</p>
<b>3</b>	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none"> <li>• 90 days after the date of our letter upholding our initial decision; or</li> <li>• 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or</li> <li>• 120 days after we asked for additional information.</li> </ul> <p>Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employee Insurance Operations, Health Insurance 2 1900 E Street, NW, Washington, DC 20415-3620.</p> <p>Send OPM the following information:</p> <ul style="list-style-type: none"> <li>• A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;</li> <li>• Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;</li> <li>• Copies of all letters you sent to us about the claim;</li> <li>• Copies of all letters we sent to you about the claim; and</li> <li>• Your daytime phone number and the best time to call.</li> <li>• Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly.</li> </ul> <p>Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.</p> <p>Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.</p> <p>Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.</p>
<b>4</b>	<p>OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.</p> <p>If you do not agree with OPM's decision, your only recourse is to sue. If you decide to file a lawsuit, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.</p> <p>OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.</p> <p>You may not file a lawsuit until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.</p>

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at 1-800-638-8432. We will expedite our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance 2 at 1-202-606-3818 between 8 a.m. and 5 p.m. Eastern Time.

Please remember that we do not make decisions about plan eligibility issues. For example, we do not determine whether you or a dependent is covered under this Plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant or the Office of Workers' Compensation Programs if you are receiving Workers' Compensation benefits.

---

## Section 9. Coordinating benefits with Medicare and other coverage

---

### When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit the NAIC website at <http://www.NAIC.org>.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

Note: We waive the \$200 deductible and the coinsurance for prescription medications purchased at a network retail pharmacy and the copayment for prescription medications purchased through the Plan's mail service pharmacy, when another insurance plan pays first.

Please see Section 4, *Your costs for covered services*, for more information about how we pay claims.

### • TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

**Suspended FEHB coverage to enroll in TRICARE or CHAMPVA:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

### • Workers' Compensation

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers’ Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

### • Medicaid

When you have this Plan and Medicaid, we pay first.

**Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

**When other Government agencies are responsible for your care**

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

**When others are responsible for injuries**

Our subrogation and reimbursement rights are both a condition of, and a limitation on, the payments that you (the enrollee or any covered family member) are eligible to receive for benefits.

If you receive (or are entitled to) a monetary recovery from any source as the result of an accidental injury or illness, you are required to reimburse us out of that recovery for any and all of our benefits paid to diagnose and treat that illness or injury. Additionally, if your representatives (heirs, estate, administrators, legal representatives, successors, or assignees) receive (or are entitled to) a monetary recovery from any source as a result of an accidental injury or illness to you, they are required to reimburse us out of that recovery. This is known as our reimbursement right.

We may also, at our option, pursue recovery on your behalf, which includes the right to file suit and make claims in your name, and to obtain reimbursement directly from the responsible party, liability insurer, first party insurer, or benefit program. This is known as our subrogation right.

Examples of situations to which our reimbursement and subrogation rights apply include, but are not limited to, when you become ill or are injured due to (1) an accident on the premises owned by a third party, (2) a motor vehicle accident, (3) a slip and fall, (4) an accident at work, (5) medical malpractice, or (6) a defective product.

Our reimbursement and subrogation rights extend to all benefits available to you under any law or under any type of insurance or benefit program, including but not limited to:

- No-fault insurance and other insurance that pays without regard to fault, including personal injury protection benefits, regardless of any election made by you to treat those benefits as secondary to us;
- Third party liability coverage;
- Personal or business umbrella coverage;
- Uninsured and underinsured motorist coverage;
- Workers' Compensation benefits;
- Medical reimbursement or payment coverage;
- Homeowners or property insurance;
- Payments directly from the responsible party, and
- Funds or accounts established through settlement or judgment to compensate injured parties

Our reimbursement right applies even if the monetary recovery may not compensate you fully for all of the damages resulting from the injuries or illness. In other words, we are entitled to be reimbursed for those benefit payments even if you are not "made whole" for all of your damages by the compensation you receive.

Our reimbursement right is not subject to reduction for attorney's fees under the "common fund" doctrine. We are entitled to be reimbursed for 100% of the benefits we paid on account of the injuries or illness unless we agree in writing to accept a lesser amount.

We enforce our reimbursement right by asserting a first priority lien against any and all recoveries you receive by court order or out-of-court settlement, insurance or benefit program claims, or otherwise, regardless of whether medical benefits are specifically designated in the recovery and without regard to how it is characterized, for example as "pain and suffering."

You agree to cooperate with our enforcement of our reimbursement right by:

- Telling us promptly whenever you have filed a claim for compensation resulting from an accidental injury or illness and responding to our questionnaires;
- Pursuing recovery of our benefit payments from the third party or available insurance company;
- Accepting our lien for the full amount of our benefit payments;
- Signing our Reimbursement Agreement when requested to do so;
- Agreeing to assign any proceeds or rights to proceeds from third party claims or any insurance to us;
- Keeping us advised of the claim's status;
- Agreeing and authorizing us to communicate directly with any relevant insurance carrier regarding the claim related to your injury or illness;
- Advising us of any recoveries you obtain, whether by insurance claim, settlement or court order; and
- Agreeing that you or your legal representative will hold any funds from settlement or judgment in trust until you have verified our lien amount, and reimbursed us out of any recovery received to the full extent of our reimbursement right.

You further agree to cooperate fully with us in the event we exercise our subrogation right.

Failure to cooperate with these obligations may result in the temporary suspension of your benefits and/or offsetting of future benefits.

For more information about this process, please call our Third Party Recovery Services unit at 202-683-9140 or 855-661-7973 (toll free). You also can email them at [info@elgtprs.com](mailto:info@elgtprs.com).

**When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP)**

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on [BENEFEDS.com](http://BENEFEDS.com), you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

**Clinical trials**

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition, and is either Federally-funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration (FDA); or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this Plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs – costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy. These costs are covered by this Plan.
- Extra care costs – costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care. This Plan does not cover these costs.
- Research costs – costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trial. This Plan does not cover these costs.

## When you have Medicare

- **What is Medicare?**

Medicare is a health insurance program for:

- People 65 years of age or older
- Some people with disabilities under 65 years of age
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant)

Medicare has four parts:

- **Part A (Hospital Insurance).** Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE (1-800-633-4227), (TTY: 1-877-486-2048) for more information.
- **Part B (Medical Insurance).** Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.
- **Part C (Medicare Advantage).** You can enroll in a Medicare Advantage Plan to get your Medicare benefits. Please review the information on coordinating benefits with Medicare Advantage Plans on the next page.
- **Part D (Medicare prescription drug coverage).** There is a monthly premium for Part D coverage. Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. For more information about this extra help, visit the Social Security Administration online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213, (TTY: 1-800-325-0778).

- **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213, (TTY: 1-800-325-0778) to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. If you do not sign up for Medicare Part B when you are first eligible, you may be charged a Medicare Part B late enrollment penalty of a 10% increase in premium for every 12 months you are not enrolled. If you didn't take Part B at age 65 because you were covered under FEHB as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

**(Please refer to page 85 for information about how we provide benefits when you are age 65 or older and do not have Medicare.)**

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care except you do not need to get a hospital stay approved when Medicare pays first. We do not require preauthorization and concurrent review of mental health and substance abuse treatment when Medicare Part B pays first. However, when Medicare stops paying benefits for any reason, you must follow our precertification, preauthorization and concurrent review procedures.

**Claims process when you have the Original Medicare Plan** – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at 1-800-638-8432.

**We waive some costs if the Original Medicare Plan is your primary payor** – When Original Medicare is the primary payor, we will waive some out-of-pocket costs as follows:

- Medical services and supplies provided by physicians and other health care professionals. If you are enrolled in Medicare Part B, we will waive our \$350 calendar year deductible and coinsurance for In-network services or the \$400 calendar year deductible and coinsurance for Out-of-network services and pay the Part B deductible for you.

Note: We waive the \$200 deductible and coinsurance for prescriptions (medications and/or supplies) purchased at a network retail pharmacy and the copayment for prescriptions purchased through the Plan's mail service pharmacy, when Medicare Part B is the primary payor.

Note: We do not waive the \$200 deductible for prescription drug expenses when the medication is purchased at a retail pharmacy, except as noted above.

- Services and supplies provided in a hospital or other covered facility. If you are enrolled in Medicare Part A, we will waive our \$100 hospital copayment for a stay in a network hospital or our \$300 per admission hospital copayment and coinsurance for a stay in an out-of-network hospital and pay the Part A deductible for you.

- **Tell us about your Medicare coverage**  
You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the primary/secondary status of this Plan and Medicare.
- **Private Contract with your physician**  
A physician may ask you to sign a private contract agreeing that you can be billed directly for services ordinarily covered by Original Medicare. Should you sign an agreement, Medicare will not pay any portion of the charges, and we will not increase our payment. We will still limit our payment to the amount we would have paid after Original Medicare's payment. You may be responsible for paying the difference between the billed amount and the amount we paid.
- **Medicare Advantage (Part C)**  
If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY: 1-877-486-2048) or at [www.medicare.gov](http://www.medicare.gov).  
  
If you enroll in a Medicare Advantage plan, the following options are available to you:  
  
**This Plan and another plan's Medicare Advantage plan:** You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area. However we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.  
  
**Suspended FEHB coverage to enroll in a Medicare Advantage plan:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.
- **Medicare prescription drug coverage (Part D)**  
When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

<b>Primary Payor Chart</b>		
<b>A. When you - or your covered spouse - are age 65 or over and have Medicare and you...</b>	<b>The primary payor for the individual with Medicare is...</b>	
	<b>Medicare</b>	<b>This Plan</b>
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
8) Are a Federal employee receiving Workers' Compensation disability benefits for six months or more	✓ *	
<b>B. When you or a covered family member...</b>		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD <b>(30-month coordination period)</b>		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payor before eligibility due to ESRD <b>(for 30 month coordination period)</b>		✓
• Medicare was the primary payor before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD <b>(for the 30 month coordination period)</b>		✓
• Medicare based on ESRD <b>(after the 30 month coordination period)</b>	✓	
<b>C. When either you or a covered family member are eligible for Medicare solely due to disability and you...</b>		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
<b>D. When you are covered under the FEHB Spouse Equity provision as a former spouse</b>	✓	

\*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

**When you are age 65 or over and do not have Medicare**

Under the FEHB law, we must limit our payments for inpatient hospital care and physician care to those payments you would be entitled to if you had Medicare . Your physician and hospital must follow Medicare rules and cannot bill you for more than they could bill you if you had Medicare. You and the FEHB benefit from these payment limits. Outpatient hospital care and non-physician based care are not covered by this law; regular Plan benefits apply. The following chart has more information about the limits.

**If you:**

- are age 65 or over, and
- do not have Medicare Part A, Part B, or both; and
- have this Plan as an annuitant or as a former spouse, or as a family member of an annuitant or former spouse; and
- are not employed in a position that gives FEHB coverage. (Your employing office can tell you if this applies.)

**Then, for your inpatient hospital care:**

- The law requires us to base our payment on an amount - the "equivalent Medicare amount" - set by Medicare's rules for what Medicare would pay, not on the actual charge
- You are responsible for your applicable deductibles, coinsurance, or copayments under this Plan
- You are not responsible for any charges greater than the equivalent Medicare amount; we will show that amount on the explanation of benefits (EOB) form that we send you
- The law prohibits a hospital from collecting more than the "equivalent Medicare amount".

**And, for your physician care, the law requires us to base our payment and your coinsurance or copayment on:**

- an amount set by Medicare and called the "Medicare approved amount," or
- the actual charge if it is lower than the Medicare approved amount.

<b>If your physician:</b>	<b>Then you are responsible for:</b>
Participates with Medicare or accepts Medicare assignment for the claim and is a member of our provider network,	your deductibles, coinsurance, and copayments.
Participates with Medicare and is <b>not</b> in our provider network,	your deductibles, coinsurance, copayments, and any balance up to the Medicare approved amount.
Does not participate with Medicare,	your deductibles, coinsurance, copayments, and any balance up to 115% of the Medicare approved amount

It is generally to your financial advantage to use a physician who participates with Medicare. Such physicians are permitted to collect only up to the Medicare approved amount.

Our explanation of benefits (EOB) form will tell you how much the physician or hospital can collect from you. If your physician or hospital tries to collect more than allowed by law, ask the physician or hospital to reduce the charges. If you have paid more than allowed, ask for a refund. If you need further assistance, call us.

**When you have the Original Medicare Plan (Part A, Part B, or both)**

We limit our payment to an amount that supplements the benefits that Medicare would pay under Medicare Part A (Hospital insurance) and Medicare Part B (Medical insurance), regardless of whether Medicare pays. Note: We pay our regular benefits for emergency services to an institutional provider, such as a hospital, that does not participate with Medicare and is not reimbursed by Medicare.

We use the Department of Veterans Affairs (VA) Medicare-equivalent Remittance Advice (MRA) when the statement is submitted to determine our payment for covered services provided to you, if Medicare is primary, when Medicare does not pay the VA facility.

If you are covered by Medicare Part B and it is primary, your out-of-pocket costs for services that both Medicare Part B and we cover depend on whether your physician accepts Medicare assignment for the claim.

- If your physician accepts Medicare assignment, then you pay nothing for covered charges.
- If your physician does not accept Medicare assignment, then you pay the difference between the “limiting charge” or the physician’s charge (whichever is less) and our payment combined with Medicare’s payment.

It is important to know that a physician who does not accept Medicare assignment may not bill you for more than 115% of the amount Medicare bases its payment on, called the “limiting charge.” The Medicare Summary Notice (MSN) that Medicare will send you will have more information about the limiting charge. If your physician tries to collect more than allowed by law, ask the physician to reduce the charges. If the physician does not, report the physician to the Medicare carrier that sent you the MSN form. Call us if you need further assistance.

---

## Section 10. Definitions of terms we use in this brochure

---

<b>Acupuncture</b>	The practice of insertion of needles into specific exterior body locations to relieve pain, to induce surgical anesthesia, or for therapeutic purposes.
<b>Admission</b>	The period from your entry (admission) into a hospital or other covered facility until your discharge. In counting days of inpatient care, the date of entry and the date of discharge are counted as the same day.
<b>Calendar year</b>	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
<b>Chiropractic</b>	A system of therapy that attributes disease to abnormal function of the nervous system and attempts to restore normal function by manipulation of the spinal column and other body structures.
<b>Clinical Trials Cost Categories</b>	<p>If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:</p> <ul style="list-style-type: none"><li>• Routine care costs--costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy.</li><li>• Extra care costs--costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not part of the patient's routine care.</li><li>• Research costs--costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials. This plan does not cover these costs.</li></ul>
<b>Coinsurance</b>	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. See page 21.
<b>Convenient care clinic</b>	A small healthcare facility, usually located in a high-traffic retail outlet, with a limited pharmacy, that provides non-emergency basic healthcare services on a walk-in basis. Examples of a convenient care clinic include Minute Clinic in CVS Pharmacy locations and Take Care Clinic in Walgreens pharmacy locations. Urgent care clinics are not considered to be convenient care clinics.
<b>Copayment</b>	A copayment is a fixed amount of money you pay when you receive covered services. See page 21.
<b>Cost-sharing</b>	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance and copayments) for the covered care you receive.
<b>Covered services</b>	Services we provide benefits for, as described in this brochure.
<b>Custodial care</b>	<p>Treatment or services, no matter who recommends them or where you receive them, which a person without medical skills can provide safely and reasonably. In addition, treatment and services designed mainly to help the patient with daily living activities. These include:</p> <ul style="list-style-type: none"><li>• personal care like help in: walking; getting in and out of bed; bathing; eating (by spoon, gastrostomy or tube); exercising; dressing</li><li>• homemaking services, like preparing meals or special diets</li><li>• moving the patient</li><li>• acting as a companion or sitter</li><li>• supervising the taking of medication that can usually be self-administered; or</li></ul>

- treatment or services that anyone can perform with minimal training like recording temperature, pulse and respirations or administering and monitoring a feeding system.

We determine what treatments or services is custodial care.

**Deductible**

A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 21.

**Experimental or investigational services**

A drug, device or biological product is experimental or investigational if the drug, device or biological product cannot be lawfully marketed without the approval of the U.S. Food and Drug Administration (FDA) and approval for marketing has not been given at the time it is furnished to you. Approval means all forms of acceptance by the FDA.

A medical treatment or procedure, or a drug, device or biological product is experimental or investigational if:

- reliable evidence shows that it is the subject of on-going phase I, II or III clinical trials or under study to determine its maximum tolerated dose, its toxicity, its safety, its efficacy, or its efficacy as compared with the standard means of treatment or diagnosis; or
- reliable evidence shows that the consensus of opinion among experts regarding the drug, device, or biological product or medical treatment or procedure is that further studies or clinical trials are necessary to determine its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with the standard means of treatment or diagnosis.

Reliable evidence shall mean only published reports and articles in the authoritative medical and scientific literature; the written protocol or protocols used by the treating facility or the protocol(s) of another facility studying substantially the same drug, device, or medical treatment or procedure; or the written informed consent used by the treating facility or by another facility studying substantially the same drug, device or medical treatment or procedure.

**Health care professional**

A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.

**Home health care agency**

A public agency or private organization under Medicare that is licensed as a home health care agency by the State and is certified as such.

**Home health care plan**

A plan of continued care and treatment when you are under the care of a physician, and when certified by the physician that, without the home health care, confinement in a hospital or skilled nursing facility would be required.

**Hospice care program**

A coordinated program of home or inpatient pain control and supportive care for a terminally-ill patient and the patient's family. Care is provided by a medically supervised team under the direction of an independent hospice administration that we approve.

**Hospital stay**

An admission (or series of admissions separated by less than 60 days) to a hospital as an inpatient for any illness or injury. You start a new hospital stay: (1) when the admission is for a cause unrelated to the previous admission; (2) when an employee returns to work for at least one day before the next admission; or (3) when the hospital stays are separated by at least 60 days for a dependent or retiree.

**Long term rehabilitation therapy**

Physical, speech, and occupational therapy, which can be expected to last longer than a two month period in order to achieve a significant improvement in your condition.

**Medical foods**

A medical food, as defined by the Orphan Drug Act (21 U.S.C. 360ee (b) (3)) is a food which is formulated to be consumed or administered enterally under the supervision of a physician and which is intended for the specific dietary management of a disease or condition for which distinctive nutritional requirements, based on recognized scientific principles, are established by medical evaluation. In general, to be considered a medical food, a product must, at a minimum, meet the following criteria: the product must be a food for oral or tube feeding; the product must be labeled for the dietary management of a specific medical disorder, disease, or condition for which there are distinctive nutritional requirements; and the product must be intended to be used under medical supervision.

**Medical necessity**

Services, supplies, drugs or equipment provided by a hospital or covered provider of the health care services that we determine:

- are appropriate to diagnose or treat the patient's condition, illness or injury;
- are consistent with standards of good medical practice in the United States;
- are not primarily for the personal comfort or convenience of the patient, the family, or the provider;
- are not a part of or associated with the scholastic or vocational training of the patient; and
- in the case of inpatient care, cannot be provided safely in an outpatient setting.

The fact that a covered provider prescribes, recommends, or approves a service, supply, drug or equipment does not, by itself, make it a medical necessity.

**Observation Care**

Observation care is a well-defined set of specific, clinically appropriate services, which include ongoing short term treatment, assessment, and reassessment, that are provided while a decision is being made regarding whether a patient will require further treatment as a hospital inpatient or whether the patient will be able to be discharged from the hospital. Observation services are commonly ordered for a patient who presents to the emergency room department and who then requires a significant period of treatment or monitoring in order to make a decision regarding their inpatient admission or discharge. Some hospitals will bill for observation room status (hourly) and hospital incidental services.

If you are in the hospital for more than a few hours, always ask your physician or the hospital staff if your stay is consider inpatient or outpatient. Although you may stay overnight in a hospital room and receive meals and other hospital services, some hospital services-including "observation care"- are actually outpatient care. Since observation services are billed as outpatient care, outpatient facility benefit levels apply and your out-of-pocket expenses may be higher as a result.

This Plan uses National Standardized Criteria Sets and other recognized clinical guidelines in making determinations to evaluate the appropriateness of observation care services.

**Plan allowance**

Our Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Fee-for-service plans determine their allowances in different ways. We determine our allowance as follows:

**In-network Providers** – Our Plan allowance is a negotiated amount between the Plan and the provider. We base our coinsurance on this negotiated amount, and the provider has agreed to accept the negotiated amount as full payment for any covered services rendered. This applies to all benefits in Section 5 of this brochure.

**Out-of-network Providers** – Our Plan allowance is the lesser of: (1) the provider’s billed charge; or (2) the Plan’s out-of-network (OON) fee schedule amount. The Plan’s OON fee schedule amount is equal to the 90th percentile amount for the charges listed in the Prevailing Healthcare Charges System, administered by Fair Health, Inc. The OON fee schedule amounts vary by geographic area in which services are furnished. We base our coinsurance of this OON fee schedule amount. This applies to all benefits in Section 5 of this brochure. For urine testing services, the Out-of-network allowance is the maximum Medicare allowance for such services.

If you receive services from a participating provider, the Plan’s allowance will be the amount that the provider has negotiated and agreed to accept for the services and or supplies. Benefits will be paid at Out-of-network benefit levels, subject to the applicable deductibles, coinsurance and copayments.

For certain services, exceptions may exist to the use of the OON fee schedule to determine the Plan’s allowance for Out-of-network providers, including, but not limited to, the use of Medicare fee schedule amounts. For claims governed by OBRA ’90 and ’93, the Plan allowance will be based on Medicare allowable amounts as is required by law. For claims where the Plan is the secondary payer to Medicare (Medicare COB situations), the Plan allowance is the Medicare allowable charge.

The plan allowance for Out-of-network emergency services is determined by taking the greatest of: (1) the median in-network rate; (2) the usual, customary and reasonable rate (or similar rate determined using the plans or issuer’s general formula for determining payments for Out-of-network services); or (3) the Medicare rate.

The plan allowance for prescription medications is based on the average wholesale price or an alternative pricing benchmark.

**Post-service claims**

Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.

**Pre-service claims**

Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.

**Prosthetic device**

An artificial substitute for a missing body part, such as an arm or a leg, used for functional reasons, because a part of the body is permanently damaged, is absent or is malfunctioning. A prosthetic device is surgically inserted or physically attached to the body to restore a bodily function or replace a physical portion of the body.

**Routine testing/screening**

Healthcare services you receive from a covered provider without any apparent signs or symptoms of an illness, injury or disease.

**Urgent care claims**

A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:

- Waiting could seriously jeopardize your life or health;
- Waiting could seriously jeopardize your ability to regain maximum function; or
- In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you believe your claim qualifies as an urgent care claim, please contact our Customer Service Department at 1-800-638-8432. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.

**Urgent care clinic**

An ambulatory care center, outside of a hospital emergency department, that provides emergency treatment on a walk-in basis for medical conditions that are not life threatening, but need prompt attention.

**Us/We**

Us and We refer to the Rural Carrier Benefit Plan.

**You**

You refers to the enrollee and each covered family member.

---

## Section 11. Other Postal Service and Federal Programs

---

Please note, the following programs are not part of your FEHB benefits. They are separate Federal and Postal Service programs that complement your FEHB benefits and can potentially reduce your annual out-of-pocket expenses. These programs are offered independent of the FEHB Program and require you to enroll separately with no government contribution.

### Important information about Postal Service and Federal programs that complement the FEHB Program

First, the **Flexible Spending Account Program**, provided by the U.S. Postal Service, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. The result can be a discount of 20% to more than 40% on services/products you routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)**, provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under FEDVIP you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

### The U.S. Postal Service Flexible Spending Account Program

#### What is an FSA?

An FSA is an account that allows you to cover your eligible health and/or dependent care (day care) expenses with tax-free money that you contribute from your paycheck throughout the year. By using an FSA, you can reduce your taxes while paying for services that you pay for out of your own pocket anyway. Whatever money you contribute isn't subject to Federal income tax, Social Security tax, or Medicare tax. You pay less in taxes so you save money. And, the money you withdraw from the account to pay for eligible expenses is tax-free, too. **Annuitants (retirees) are not eligible to enroll in an FSA.**

There are two types of FSAs offered by the U.S. Postal Service:

#### Health Care Flexible Spending Account (HCFSA)

- Covers eligible health care expenses not reimbursed by this Plan, or any other medical, dental, vision care or other insurance plan you or your dependents have. For complete information on eligible health care expenses, please see the brochure, FSA BK1, *Flexible Spending Accounts (November 2014)*, or call the FSA Customer Service Center toll-free at 1-800-842-2026, (TTY 1-888-697-9056).
- Eligible dependents for this account include your spouse, natural born or adopted children who you (or if you are divorced, you or your ex-spouse) may claim as a dependent on your Federal Income tax return or anyone you claim on your Federal Income tax return as a qualified dependent, even if you don't have self and family health benefits coverage. **Note:** The IRS has a broader definition of a "family member" than is used under the FEHB Program to provide benefits by your FEHB Plan.
- The maximum amount that you can contribute to the health care flexible spending account is \$2,500 for 2014. The minimum amount is \$130.

#### Dependent Care Flexible Spending Account (DCFSA)

- Covers eligible **non-medical** dependent care expenses that you incur so you can work. If you are married, it covers eligible dependent care expenses so you and your spouse can both work, or your spouse can look for work (and must have earned income in 2013), attend school full-time or be incapable of self care. For complete information on eligible dependent care expenses, please see the brochure, FSA BK1, *Flexible Spending Accounts (November 2014)*, or call the FSA Customer Service Center toll-free at 1-800-842-2026 (TTY 1-888-697-9056).

- Eligible dependents for this account include children under age 13 and any disabled person you claim on your Federal income tax return as a qualified IRS dependent. For complete information on eligible dependents, please see the brochure, FSA BK1, *Flexible Spending Accounts (November 2014)*, or call the FSA Customer Service Center toll-free at 1-800-842-2026 (TTY 1-888-697-9056).
- The maximum amount that you can contribute to the dependent care flexible spending account is \$5,000 for 2014. The minimum amount is \$130. For taxpayers who file their taxes separately with a spouse, the maximum is \$2,500 per year.

**Contact the USPS FSA Program**

To find out more about the Postal Service Flexible Spending Account Program, please call the FSA Customer Service Center toll-free at 1-800-842-2026 (TTY 1-888-697-9056) from 8:00 AM to 10:00 PM , Eastern Time, Monday through Friday, to talk to a representative.

**The Federal Employees Dental and Vision Insurance Program – *FEDVIP***

**Important information**

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is separate and different from the FEHB Program. **This Program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations for enrollment.** FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an employee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

**Dental insurance**

All dental plans provide a comprehensive range of services, including :

- Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.
- Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.
- Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.
- Class D (Orthodontic) services with up to a 12-month waiting period. Most **FEDVIP dental plans cover adult orthodontia. Review your FEDVIP dental plan's brochure for information on this benefit.**

**Vision insurance**

All vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

**Additional Information**

You can find a comparison of the plans available and their premiums on the OPM website at [www.opm.gov/dental](http://www.opm.gov/dental) and [www.opm.gov/vision](http://www.opm.gov/vision). These sites also provide links to each plan's website, where you can view detailed information about benefits and preferred providers.

**How do I enroll?**

You enroll on the Internet at [www.BENEFEDS.com](http://www.BENEFEDS.com). For those without access to a computer, call 1-877-888-3337, (TTY 1-877-889-5680).

## **The Federal Long Term Care Insurance Program – *FLTCIP***

### **It's important protection**

The Federal Long Term Care Insurance Program (FLTCIP) can help pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living - such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information, call 1-800-LTC-FEDS (1-800-582-3337), (TTY 1-800-843-3557), or visit [www.ltcfeds.com](http://www.ltcfeds.com).

## Summary of benefits for the High Option of the Rural Carrier Benefit Plan- 2015

- **Do not rely on this chart alone.** All benefits are subject to the definitions , limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.
- If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.

Below, an asterisk (\*) means the item is subject to the \$350 In-network/\$400 Out-of-network calendar year deductible. And, after we pay, you generally pay any difference between our allowance and the billed amount if you use an out-of-network physician or other health care professional.

High Option Benefits	You pay	Page
<b>Medical services provided by physicians:</b>		
<ul style="list-style-type: none"> <li>• Diagnostic and treatment services provided in the office</li> </ul>	<b>In-network:</b> \$20/office visit  <b>Out-of-network:</b> 25% of our allowance and any difference between our allowance and the billed amount*	26
<ul style="list-style-type: none"> <li>• Surgery</li> </ul>	<b>In-network:</b> 10% of our allowance (No deductible)  <b>Out-of-network:</b> 25% of our allowance and any difference between our allowance and the billed amount	40-47
<b>Services provided by a hospital:</b>		
<ul style="list-style-type: none"> <li>• Inpatient</li> </ul>	<b>In-network:</b> \$100 copayment per admission (waived for maternity stay)  <b>Out-of-network:</b> \$300 copayment per admission; 25% of covered charges	48-49
<ul style="list-style-type: none"> <li>• Outpatient</li> </ul>	<b>In-network:</b> 15% of our allowance*  <b>Out-of-network:</b> 30% of our allowance* and any difference between our allowance and the billed amount	50
<b>Emergency benefits:</b>		
<ul style="list-style-type: none"> <li>• Accidental injury</li> </ul>	Nothing for emergency room visit and first physician office visit	52
<ul style="list-style-type: none"> <li>• Medical emergency</li> </ul>	Emergency room benefits for <b>In-network</b> and <b>Out-of-network</b> services: 15% of the Plan allowance*	53
<b>Mental health and substance abuse treatment:</b>		
<ul style="list-style-type: none"> <li>• Inpatient</li> </ul>	<b>In-network:</b> \$100 copayment per admission  <b>Out-of-network:</b> \$300 copayment per admission; 20% for room and board; 20% of other charges.	54-55

## 2015 Rate Information for Rural Carrier Benefit Plan

---

**Non-Postal rates** apply to most non-Postal employees. If you are in a special enrollment category, refer to the *Guide to Federal Benefits* for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to Postal Service employees. They are shown in special Guides published for APWU (including Material Distribution Center and Operating Services) NALC, NPMHU and NRLCA Career Postal Employees (see RI 70-2A); Information Technology/Accounting Services employees (see RI 70-2IT); Nurses (see RI 70-2N); Postal Service Inspectors and Office of Inspector General (OIG) law enforcement employees and Postal Career Executive Service employees (see RI 70-2IN); and non-career employees (see RI 70-8PS).

Postal Category 1 rates apply to career employees who are members of the APWU, NALC, NPMHU, or NRLCA bargaining units.

For further assistance, Postal Service employees should call:

USPS Human Resources Shared Service Center, 1-877-477-3273, option 5, (TTY: 1-866-260-7507)

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *Guide to Federal Benefits*.
