**Important Notice from Sanford Heart of America Health Plan About
Our Prescription Drug Coverage and Medicare**

The Office of Personnel Management (OPM) has determined that the Sanford Heart of America Health Plan's prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. This means you do not need to enroll in Medicare Part D and pay extra for prescription drug coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly Medicare Part D premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You will have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (October 15 through December 7) to enroll in Medicare Part D.

Medicare's Low Income Benefits

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at www.socialsecurity.gov, or call the SSA at 1-800-772-1213, (TTY: 1-800-325-0778).

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit www.medicare.gov for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227), (TTY: 1-800-486-2048).

Summary of benefits for Sanford Heart of America Health Plan - 2015	69
2015 Rate Information for Sanford Heart of America Health Plan	70

Introduction

This brochure describes the benefits of Sanford Heart of America Health Plan under our contract (CS 2606) with the United States Office of Personnel Management, as authorized by the Federal Employees Health Benefits law. Customer Service may be reached at 701-776-5848 or 1-800-525-5661, how to contact us is also listed on our website: www.hoahp.com. The address for the Sanford Heart of America Health Plan's administrative offices is:

Sanford Heart of America Health Plan
P.O. Box 137
210 South Main
Rugby, ND 58368

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations or inclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2015, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2015, and changes are summarized on page 14. Rates are shown at the end of this brochure.

Coverage under this plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision for more information on the individual requirement for MEC.

The ACA establishes a minimum value for the standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). The health coverage of this plan does meet the minimum value standard for the benefits the plan provides.

Plain Language

All FEHB brochures are written in plain language to make them easy to understand. Here are some examples,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member, “we” means Sanford Heart of America Health Plan.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the United States Office of Personnel Management. If we use others, we tell you what they mean.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except for your health care provider, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.

- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) statements that you receive from us.
- Periodically review your claim history for accuracy to ensure we have not been billed for services that you did not receive.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-800-752-5863 and explain the situation.
- If we do not resolve the issue:

CALL - THE HEALTH CARE FRAUD HOTLINE

877-499-7295

OR go to www.opm.gov/oig

You can also write to:

United States Office of Personnel Management

Office of the Inspector General Fraud Hotline

1900 E Street NW Room 6400

Washington, DC20415-1100

- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise)
 - Your child age 26 or over (unless he/she was disabled and incapable of self-support prior to age 26)
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you. Examples of fraud include, falsifying a claim to obtain FEHB benefits, trying to or obtaining service or coverage for yourself or for someone else who is not eligible for coverage, or enrolling in the Plan when you are no longer eligible.
- If your enrollment continues after you are no longer eligible for coverage (i.e., you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed by your provider for services received. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member is no longer eligible to use your health insurance coverage.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. Ask questions if you have doubts or concerns.

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

2. Keep and bring a list of all the medicines you take.

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines and dosage that you take, including non-prescription (over-the-counter) medicines and nutritional supplements.
- Tell your doctor and pharmacist about any drug, food and other allergies you have, such as to latex.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what your doctor or pharmacist says.
- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

3. Get the results of any test or procedure.

- Ask when and how you will get the results of tests or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

4. Talk to your doctor about which hospital is best for your health needs.

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

5. Make sure you understand what will happen if you need surgery.

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
 - "Exactly what will you be doing?"
 - "About how long will it take?"
 - "What will happen after surgery?"
 - "How can I expect to feel during recovery?"
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications or nutritional supplements you are taking.

Never Events

When you enter the hospital for treatment of one medical problem, you don't expect to leave with additional injuries, infections or other serious conditions that occur during the course of your stay. Although some of these complications may not be avoidable, too often patients suffer from injuries or illnesses that could have been prevented if the hospital had taken proper precautions.

We have a benefit payment policy that encourages hospitals to reduce the likelihood of hospital-acquired conditions such as certain infections, severe bedsores and fractures; and reduce medical errors that should never happen. These conditions and errors are called "Never Events." When a Never Event occurs, neither your FEHB plan nor you will incur costs to correct the medical error.

You will not be billed for inpatient services related to treatment of specific hospital acquired conditions or for inpatient services needed to correct never events, if you use Sanford Heart of America Health Plan preferred providers. This policy helps to protect you from preventable medical errors and improve the quality of care you receive.

FEHB Facts

Coverage information:

- **No pre-existing condition limitation** We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.
- **Minimum essential coverage (MEC)** Coverage under this plan qualifies as minimum essential coverage (MEC) and satisfies the Patient Protection and Affordable Care Act's (ACA) individual shared responsibility requirement. Please visit the Internal Revenue Service (IRS) website at www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision for more information on the individual requirement for MEC.
- **Minimum value standard** Our health coverage meets the minimum value standard of 60% established by the ACA. This means that we provide benefits to cover at least 60% of the total allowed costs of essential health benefits. The 60% standard is an actuarial value; your specific out-of-pocket costs are determined as explained in this brochure.
- **Where you can get information about enrolling in the FEHB Program** See www.opm.gov/healthcare-insurance for enrollment information as well as:
 - Information on the FEHB Program and plans available to you
 - A health plan comparison tool
 - A list of agencies that participate in Employee Express
 - A link to Employee Express
 - Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Benefits*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire
- What happens when your enrollment ends
- When the next Open Season for enrollment begins

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office. For information on your premium deductions, you must also contact your employing or retirement office.

- **Types of coverage available for you and your family** Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your dependent children under age 26, including any foster children authorized for coverage by your employing agency or retirement office. Under certain circumstances, you may also continue coverage for a disabled child 26 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event.

The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately of changes in family member status, including your marriage, divorce, annulment, or when your child reaches age 26.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

If you have a qualifying life event (QLE) - such as marriage, divorce, or the birth of a child - outside of the Federal Benefits Open Season, you may be eligible to enroll in the FEHB Program, change your enrollment, or cancel coverage. For a complete list of QLEs, visit the FEHB website at www.opm.gov/healthcare-insurance/life-events. If you need assistance, please contact your employing agency, Tribal Benefits Officer, personnel/payroll office, or retirement office.

• **Family member coverage**

Family members covered under your Self and Family enrollment are your spouse (including a valid common law marriage) and children as described in the chart below:

Children	Coverage
Natural children, adopted children, and stepchildren	Natural, adopted children and stepchildren (including children of same-sex domestic partners in certain states) are covered until their 26th birthday.
Foster children	Foster children are eligible for coverage until their 26th birthday if you provide documentation of your regular and substantial support of the child and sign a certification stating that your foster child meets all the requirements. Contact your human resources office or retirement system for additional information.
Children incapable of self-support	Children who are incapable of self-support because of a mental or physical disability that began before age 26 are eligible to continue coverage. Contact your human resources office or retirement system for additional information.
Married children	Married children (but NOT their spouse or their own children) are covered until their 26th birthday.
Children with or eligible for employer-provided health insurance	Children who are eligible for or have their own employer-provided health insurance are eligible for coverage up to age 26

You can find additional information at www.opm.gov/healthcare-insurance.

• **Children’s Equity Act**

OPM has implemented the Federal Employees Health Benefits Children’s Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

• **When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. **If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2015 benefits of your old plan or option.** However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2014 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

If your enrollment continues after you are no longer eligible for coverage, (i.e. you have separated from Federal service) and premiums are not paid, you will be responsible for all benefits paid during the period in which premiums were not paid. You may be billed for services received directly from your provider. You may be prosecuted for fraud for knowingly using health insurance benefits for which you have not paid premiums. It is your responsibility to know when you or a family member are no longer eligible to use your health insurance coverage.

• **When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

When you lose benefits:

• **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium; when:

- Your enrollment ends, unless you cancel your enrollment.
- You are a family member no longer eligible for coverage.

Any person covered under the 31-day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31st day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement, but not beyond the 60th day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC).

- **Upon divorce**

If you are divorced from a Federal employee, or an annuitant, you may not continue to get benefits under your former spouse’s enrollment. This is the case even when the court has ordered your former spouse to provide health coverage for you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse’s employing or retirement office to get RI 70-5, the *Guide to Federal Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM’s website, www.opm.gov/healthcare-insurance/healthcare-plan-information/guides.

- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, Tribal employment, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). The Affordable Care Act (ACA) did not eliminate TCC or change the TCC rules. For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal or Tribal job, if you are a covered dependent child and you turn 26, regardless of marital status, etc. You may not elect TCC if you are fired from your Federal or Tribal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/healthcare-insurance. It explains what you have to do to enroll.

Alternatively, you can buy coverage through the Health Insurance Marketplace where, depending on your income, you could be eligible for a new kind of tax credit that lowers your monthly premiums. Visit www.HealthCare.gov to compare plans and see what your premium, deductible, and out-of-pocket costs would be before you make a decision to enroll. Finally, if you qualify for coverage under another group health plan (such as your spouse’s plan), you may be able to enroll in that plan, as long as you apply within 30 days of losing FEHB Program coverage.

- **Finding replacement coverage**

In lieu of offering a non-FEHB plan for conversion purposes, we will assist you, as we would assist you in obtaining a plan conversion policy, in obtaining health benefits coverage inside or outside the Affordable Care Act’s Health Insurance Marketplace. For assistance in finding coverage, please contact us at 701-776-5848 or 1-800-525-5661 or visit our website at www.hoahp.com.

- **Health Insurance Marketplace**

If you would like to purchase health insurance through the Affordable Care Act’s Health Insurance Marketplace, please visit www.HealthCare.gov. This is a website provided by the U.S. Department of Health and Human Services that provides up-to-date information on the Marketplace.

Section 1. How this plan works

This Plan is a Health Maintenance Organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You pay only the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the Plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

We have Point of Service Benefits

Our HMO offers Point-of-Service (POS) benefits. This means you can receive covered services from a non-participating provider. However, out-of-network benefits may have higher out-of-pocket costs than our in-network benefits.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB website (www.opm.gov/healthcare-insurance) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- **Years in existence**
- **Profit status**

If you want more information about us, call 701-776-5848 or 1-800-525-5661, or write to Sanford Heart of America Health Plan, P.O. Box 137, Rugby, ND 58368. You may also contact us by fax at 701-776-5425 or visit our website at www.hoahp.com.

Your medical and claims records are confidential

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

Service Area

To enroll in this Plan, you must live in our service area. This is where our providers practice. Our service area is:

All of Pierce, Rolette, Bottineau, McHenry, Ward and Renville counties in North Dakota and the portions of Benson, Wells, Sheridan, McLean, Mountrail and Burke Counties represented by the following zip codes:

58310 58329 58351 58367 58422 58704 58721 58735 58750 58763 58776 58787
58313 58331 58353 58368 58423 58705 58722 58736 58752 58768 58778 58788

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. Changes for 2015

Do not rely only on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program wide changes

Changes to this Plan

- Your share of the non-Postal premium will increase for Self Only or increase for Self and Family. See back cover.
- This Plan has eliminated the maximum benefit limit for durable medical equipment to comply with the requirements of the Affordable Care Act. Prior to 2015, there was a maximum benefit limit of \$3,500 per member per calendar year for durable medical equipment.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1-800-752-5863; or write to us at Sanford Health Plan, P.O. Box 91110, Sioux Falls, SD 57109-1110. You may also request replacement cards through our website at www.sanfordhealthplan.com.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductibles, and/or coinsurance. If you use our Point of Service (POS) program, you can get care from non-plan providers, but it will cost you more.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website www.hoahp.com. All doctors of the Heart of America Medical Center and Heart of America Johnson Clinic, St. Andrew's Health Center and St. Andrew's Clinic, Turtle Mountain Family Medicine and Trinity Medical Group and its affiliated clinics are available to SHAHP members. The doctors of Heart of America Johnson Clinic are available to provide health care from offices located in Maddock, Dunseith and Rugby areas. The doctors of St. Andrew's Clinic are available to provide health care at their facility in Bottineau. The doctors of Turtle Mountain Family Medicine are available to provide health care at their facility in Dunseith. The doctors of Trinity Medical Group are available to provide health care from offices located in Minot, Garrison, Mohall, Velva, Newtown, Kenmare, Parshall, Sherwood, and Westhope areas. Your plan doctor will coordinate your health care needs including referrals to specialists when necessary. Services of physicians other than Heart of America Medical Center/Heart of America Johnson Clinic, St. Andrew's Health Center/St. Andrew's Clinic, Turtle Mountain Family Medicine, and Trinity Medical Group primary care doctors are covered only when there has been a referral by the member's primary care with the following exception: emergency situations, and a woman may see her plan gynecologist for an annual routine examination without a referral.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website www.hoahp.com.

What you must do to get covered care

It depends on the type of care you need. First, you must choose a service area location, then each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. Provider directories are available at the time of enrollment or upon request by calling Sanford Heart of America Health Plan at 701-776-5848 or 1-800-525-5661, or on our website www.hoahp.com.

- **Primary care**

Your primary care physician can be a family practitioner, internist, pediatrician or an OB-GYN. Your primary care physician will provide most of your health care, or give you a referral to see a specialist. The referral needs to be approved by us before seeing the specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. The referral needs to be approved by us before seeing the specialist. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral. However, you may see your plan gynecologist for your routine examination without a referral.

Here are some other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals.
- Your primary care physician will create your treatment plan. The physician may have to get an authorization or approval from us beforehand. If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. If he or she decides to refer you to a specialist, ask if you can see your current specialist.
- If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic and disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause;
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB program plan; or
 - reduce our Service Area and you enroll in another FEHB plan;

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

- **If you are hospitalized when your enrollment begins**

We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our Member Service Department immediately at 605-328-6800 or 1-800-752-5863. If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center;

- the day your benefits from your former plan run out; or
- the 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such case, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

• **You need prior Plan approval for certain services**

Since your primary care physician arranges most referrals to specialists and inpatient hospitalization, the pre-service claim approval process only applies to care shown under *Other services*.

• **Inpatient hospital admission**

Precertification is the process by which – prior to your inpatient hospital admission – we evaluate the medical necessity of your proposed stay and the number of days required to treat your condition. It is important that any admission to a non-network facility be approved by us before admission.

• **Other Services**

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain prior approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice. You must obtain prior authorization for:

- Transplants
- Growth Hormone Therapy (GHT)

How to request precertification for an admission or get prior authorization for Other Services

First, your physician, your hospital, you, or your representative, must call us at 1-800-805-7938 before admission or services requiring prior authorization are rendered.

Next, provide the following information:

- enrollee's name and Plan identification number;
- patient's name, birth date, identification number and phone number;
- reason for hospitalization, proposed treatment, or surgery;
- name and phone number of admitting physician;
- name of hospital or facility; and
- number of days requested for hospital stay.

• **Non-urgent care claims**

For non-urgent care claims, we will then tell the physician and/or hospital the number of approved inpatient days, or the care that we approve for other services that must have prior authorization. We will make our decision within 15 days of receipt of the pre-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review and we will notify you of the need for an extension of time before the end of the original 15 day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

- **Urgent care claims**

If you have an urgent care claim (i.e., when waiting for the regular time limit for your medical care or treatment could seriously jeopardize your life, health, or ability to regain maximum function, or in the opinion of a physician with knowledge of your medical condition, would subject you to severe pain that cannot be adequately managed without this care or treatment), we will expedite our review and notify you of our decision within 72 hours. If you request that we review your claim as an urgent care claim, we will review the documentation you provide and decide whether it is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you fail to provide sufficient information, we will contact you within 24 hours after we receive the claim to provide notice of the specific information we need to complete our review of the claim. We will allow you up to 48 hours from the receipt of this notice to provide the necessary information. We will make our decision on the claim within 48 hours of (1) the time we received the additional information or (2) to end of the time frame, whichever is earlier.

We may provide our decision orally within these time frames, but we will follow up with written or electronic notification within three days of oral notification.

You may request that your urgent care claim on appeal be reviewed simultaneously by us and OPM. Please let us know that you would like a simultaneous review of your urgent care claim by OPM either in writing at the time you appeal our initial decision, or by calling us at 1-800-752-5863. You may also call OPM's Health Insurance at (202) 606-0737 between 8 a.m. and 5 p.m. Eastern Time to ask for the simultaneous review. We will cooperate with OPM so they can quickly review your claim on appeal. In addition, if you did not indicate that your claim was a claim for urgent care, call us at 1-800-752-5863. If it is determined that your claim is an urgent care claim, we will expedite our review (if we have not yet responded to your claim).

- **Concurrent care claims**

A concurrent care claim involves care provided over a period of time or over a number of treatments. We will treat any reduction or termination of our pre-approved course of treatment before the end of the approved period of time or number of treatments as an appealable decision. This does not include reduction or termination due to benefit changes or if your enrollment ends. If we believe a reduction or termination is warranted we will allow you sufficient time to appeal and obtain a decision from us before the reduction or termination takes effect.

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

- **Emergency inpatient admission**

If you have an emergency admission due to a condition that you reasonably believe puts your life in danger or could cause serious damage to bodily function, you, your representative, the physician, or the hospital must telephone us within two business days following the day of the emergency admission, even if you have been discharged from the hospital.

- **Maternity Care**

Maternity care is offered at several area hospitals. Call Customer Service for SHAHP approved facilities.

- **If your treatment needs to be extended**

If you request an extension of an ongoing course of treatment at least 24 hours prior to the expiration of the approved time period and this is also an urgent care claim, then we will make a decision within 24 hours after we receive the claim.

What happens when you do not follow the precertification rules when using non-network facilities

If you do not follow the precertification rules when using non-network facilities, the payment for your services may be denied.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

If you disagree with our pre-service decision

If you have a **pre-service claim** and you do not agree with our decision regarding precertification of an inpatient admission or prior approval of other services, you may request a review in accord with the procedures detailed below.

If you have already received the service, supply, or treatment, then you have a **post-service claim** and must follow the entire disputed claims process detailed in Section 8.

• To reconsider a non-urgent care claim

Within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

In the case of a pre-service claim and subject to a request for additional information, we have 30 days from the date we received your written request for reconsideration to:

1. Precertify your hospital stay or, if applicable, arrange for the health care provider to give you the care or grant your request for prior approval for a service, drug, or supply; or
2. Ask you or your provider for more information.

You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.

3. Write to you and maintain our denial.

• To reconsider an urgent care claim

In the case of an appeal of a pre-service urgent care claim, within 6 months of our initial decision, you may ask us in writing to reconsider our initial decision. Follow Step 1 of the disputed claims process detailed in Section 8 of this brochure.

Unless we request additional information, we will notify you of our decision within 72 hours after receipt of your reconsideration request. We will expedite the review process, which allows oral or written requests for appeals and the exchange of information by telephone, electronic mail, facsimile, or other expeditious methods.

• To file an appeal with OPM

After we reconsider your **pre-service claim**, if you do not agree with our decision, you may ask OPM to review it by following Step 3 of the disputed claims process detailed in Section 8 of this brochure.

Section 4. Your costs for covered services

This is what you will pay out-of-pocket for covered care:

Cost-Sharing Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.

Copayments A copayment is a fixed amount of money you pay to the provider, facility, etc., when you receive services.

Example: When you see your primary care physician, you pay a copayment of \$15 per office visit, and when you see a plan specialist, you pay a copayment of \$25 per office visit.

Deductible A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible.

Our plan has a deductible on prescription drugs only. We do not have a deductible on medical or hospital services.

Coinsurance Coinsurance is the percentage of our allowance that you must pay for your care. Coinsurance does not begin until you have met your calendar year deductible.

Example: In our Plan, you pay 20% of charges up to a maximum coinsurance of \$500 per year for prosthetic devices that exceed \$25.

Your catastrophic protection out-of-pocket maximum Your catastrophic protection out-of-pocket maximum is \$2,500 for self only or \$5,000 for Self and Family enrollment per calendar year for services rendered by in-network providers. When the copayment and coinsurance maximum applicable to your contract has been fulfilled, copayment and coinsurance will no longer be applied to the following:

- Emergency Room services
- Durable equipment

Be sure to keep accurate records of your copayments, since you are responsible for informing us when you reach the maximum.

Carryover If you changed to this Plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

When Government facilities bill us Facilities of the Department of Veterans Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from us for certain services and supplies they provide to you or a family member. They may not seek more than their governing laws allow. You may be responsible to pay for certain services and charges. Contact the government facility directly for more information.

Section 5 Benefits

See page 14 for how our benefits changed this year. Page 69 is a benefit summary. Make sure that you review the benefits that are available to you.

Section 5. Benefits Overview

This Plan offers you one comprehensive option. The benefits are described in Section 5.

Section 5 is divided into subsections. Please read *Important things you should keep in mind* at the beginning of the subsections. Also, read the general exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about our benefits, contact us at 1-800-752-5863 or on our website at www.sanfordhealthplan.com.

Our benefit package offers the following unique features:

- No annual deductible for medical services
- Minimal \$15 copayment per office visit for primary care physician and \$25 copayment for plan specialists
- 50% prescription coverage after a \$600 per member deductible

Section 5(a). Medical services and supplies provided by physicians and other health care professionals

Here are some important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also, read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You pay
Diagnostic and treatment services	High Option
Professional services of physicians <ul style="list-style-type: none"> • In physician’s office • In an urgent care center • In a skilled nursing facility • Office medical consultation • Second surgical opinion 	\$15 per office visit for primary care physician \$25 per office visit to a plan specialist
Professional services of physicians <ul style="list-style-type: none"> • During a hospital stay 	Nothing
At home - doctors house call	\$15 per office visit for primary care physician
Lab, X-ray and other diagnostic tests	High Option
Tests, such as: <ul style="list-style-type: none"> • Blood tests • Urinalysis • Non-routine Pap tests • Pathology • X-rays • Non-routine mammograms • CAT Scans/MRI • Ultrasound • Electrocardiogram and EEG 	Nothing
Preventive care, adult	High Option
Routine physical once a year, which includes: Routine screenings, such as: <ul style="list-style-type: none"> • Total Blood Cholesterol Colorectal Cancer Screening, including: <ul style="list-style-type: none"> • Fecal occult blood test • Sigmoidoscopy screening – every five years starting at age 50 	Nothing

Preventive care, adult - continued on next page

Benefit Description	You pay
Preventive care, adult (cont.)	High Option

Benefit Description	You pay
Durable medical equipment (DME) (cont.)	High Option
<i>Not covered</i> <ul style="list-style-type: none"> • motorized wheelchairs 	<i>All charges.</i>
Home health services	High Option
<ul style="list-style-type: none"> • Home health care ordered by a plan physician and provided by a registered nurse (R.N.), licensed practical nurse (L.P.N.), licensed vocational nurse (L.V.N.), or home health aide. • Services include oxygen therapy, intravenous therapy and medications. 	\$15 per office visit for primary care physician.
<i>Not covered:</i> <ul style="list-style-type: none"> • Nursing care requested by, or for the convenience of, the patient or the patient's family. • Home care primarily for personal assistance that does not include a medical component and is not diagnostic, therapeutic, or rehabilitative. 	<i>All charges.</i>
Chiropractic	High Option
<ul style="list-style-type: none"> • Manipulation of the spine and extremities • Adjunctive procedures such as ultrasound, electrical muscle stimulation, vibratory therapy, and cold pack application 	\$10 per office visit
Alternative treatments	High Option
No benefit	All charges
Educational classes and programs	High Option
Coverage is provided for: <ul style="list-style-type: none"> • Tobacco Cessation programs, including individual/group/telephone counseling, over the counter (OTC) and prescription drugs approved by the FDA to treat tobacco dependence. • Diabetes self management • Childhood obesity education 	<p>Nothing for counseling for up to two quit attempts per year.</p> <p>Nothing for OTC and prescription drugs approved by the FDA to treat tobacco dependence.</p> <p>\$15 per office visit</p> <p>Nothing</p>

Section 5(b). Surgical and anesthesia services provided by physicians and other health care professionals

Important things you should keep in mind about these benefits

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The services listed below are for the charges billed by a physician or other health care professional for your surgical care. See Section 5(c) for charges associated with the facility (i.e. hospital, surgical center, etc.).
- **YOUR PHYSICIAN MUST GET PRECERTIFICATION FOR SOME SURGICAL PROCEDURES.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification and identify which surgeries require precertification.

Benefit Description	You pay
Surgical procedures	High Option
<p>A comprehensive range of services, such as:</p> <ul style="list-style-type: none"> • Operative procedures • Treatment of fractures, including casting • Normal pre-and post-operative care by the surgeon • Correction of amblyopia and strabismus • Endoscopy procedures • Biopsy procedures • Removal of tumors and cysts • Correction of congenital anomalies (see Reconstructive surgery) • Medical and Surgical treatment of morbid obesity (bariatric surgery) if the following criteria is met : <ul style="list-style-type: none"> - weight, the lesser of either double, or 100 pounds over the accepted average/height frame - failure of medical obesity management over past 5 years (documented) - presence of a significant disease condition(s) due to obesity under current medical treatment - close cooperation in medical management - emotional stability over the past one year - must complete a six month trial of supervised diet management and exercise • Abdominoplasty, Panniculectomy, Lipectomy, the following conditions or indication must be present <ul style="list-style-type: none"> - skin breakdown or necrosis, intractable intertriginous dermatitis - difficulty with ambulation relating to panniculus 	<p>\$15 per office visit for primary care physician.</p> <p>\$25 per office visit to a plan specialist</p> <p>40% of costs associated with the surgical procedure for abdominoplasty, panniculectomy, lipectomy, which can include medical services, surgical and anesthesia services, and hospital services.</p>

Benefit Description	You pay
Surgical procedures (cont.)	High Option
<ul style="list-style-type: none"> - severe diastasis recti - chronic lower back pain or pannus itself of more than six months of duration - weight loss of 75% of targeted amount of pounds overweight and stabilized at that weight for six months • Insertion of internal prosthetic devices. See 5(a) - Orthopedic and prosthetic devices for device coverage information • Voluntary sterilization (e.g., Tubal ligation, Vasectomy) • Treatment of burns <p><i>Note: The 40% paid by member for abdominoplasty, panniculectomy, lipectomy is considered non-covered and therefore does not go towards member's catastrophic out-of-pocket maximum.</i></p> <p><i>Note: Generally, we pay for internal prostheses (devices) according to where the procedure is done. For example, we pay Hospitalization benefits for a pacemaker and Surgery benefits for insertion of the pacemaker.</i></p>	<p>\$15 per office visit for primary care physician.</p> <p>\$25 per office visit to a plan specialist</p> <p>40% of costs associated with the surgical procedure for abdominoplasty, panniculectomy, lipectomy, which can include medical services, surgical and anesthesia services, and hospital services.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> - Reversal of voluntary sterilization - Routine treatment of conditions of the foot; see Foot care 	<p><i>All charges</i></p>
Reconstructive surgery	High Option
<ul style="list-style-type: none"> • Surgery to correct a functional defect • Surgery to correct a condition caused by injury or illness if: <ul style="list-style-type: none"> - the condition produced a major effect on the member's appearance, and - the condition can reasonably be expected to be corrected by such surgery • Surgery to correct a condition that existed at or from birth and is a significant deviation from the common form or norm. Examples of congenital anomalies are: protruding ear deformities, cleft lip, cleft palate, birth marks, and webbed fingers and toes. • All stages of breast reconstruction surgery following a mastectomy, such as: <ul style="list-style-type: none"> - surgery to produce a symmetrical appearance of breasts - treatment of any physical complications, such as lymphedemas 	<p>\$15 per office visit for primary care physician.</p> <p>\$25 per office visit to a plan specialist.</p>

Benefit Description	You pay
Reconstructive surgery (cont.)	High Option
<ul style="list-style-type: none"> - breast prostheses and surgical bras and replacements (<i>see Prosthetic devices</i>) <p><i>Note: If you need a mastectomy, you may choose to have the procedure performed on an inpatient basis and remain in the hospital up to 48 hours after the procedure.</i></p>	<p>\$15 per office visit for primary care physician.</p> <p>\$25 per office visit to a plan specialist.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Cosmetic surgery – any surgical procedure (or any portion of a procedure) performed primarily to improve physical appearance through change in bodily form, except repair of accidental injury</i> • <i>Surgeries related to sex transformation</i> 	<p><i>All Charges.</i></p>
Oral and maxillofacial surgery	High Option
<p>Oral surgical procedures, limited to:</p> <ul style="list-style-type: none"> • Reduction of fractures of the jaws or facial bones; • Surgical correction of cleft lip, cleft palate or severe functional malocclusion; • Removal of stones from salivary ducts; • Excision of leukoplakia or malignancies; • Excision of cysts and incision of abscesses when done as independent procedures; and • Other surgical procedures that do not involve the teeth or their supporting structures. • Medical and surgical treatment of temporomandibular joint disease 	<p>\$15 per office visit for primary care physician.</p> <p>\$25 per office visit to a plan specialist.</p>
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Oral implants and transplants</i> • <i>Procedures that involve the teeth or their supporting structures (such as the periodontal membrane, gingiva, and alveolar bone)</i> • <i>Dental treatment of TMJ (Temporomandibular Joint disease)</i> 	<p><i>All charges.</i></p>
Organ/tissue transplants	High Option
<p>These solid organ transplants are subject to medical necessity and experimental/investigational review by the Plan. Refer to Other services in Section 3 for prior authorization procedures. Solid organ transplants are limited to:</p> <ul style="list-style-type: none"> • Cornea • Heart • Heart/lung • Intestinal transplants: 	<p>Nothing</p>

Hospice care (cont.)	High Option
<i>Not covered: Independent nursing, homemaker services</i>	<i>All Charges</i>
Ambulance	High Option
Local professional ambulance service when medically appropriate	Nothing

Section 5(d). Emergency services/accidents

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

Emergencies within our service area: If you are in an emergency situation, please call your primary care doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency 911 system or go to the nearest hospital emergency room. There are physicians on call 24 hours a day at our contracted hospitals at Heart of America Medical Center at Rugby, ND at 701-776-5261, St. Andrew's Health Center at Bottineau, ND at 701-228-9300 or Trinity Hospital in Minot, ND at 701-857-5260. Be sure to tell the emergency room personnel that you are a Plan member so that they can notify the Plan. You or a family member must notify the Plan within 48 hours if medically feasible.

If you need to be hospitalized in a non-Plan facility, the Plan must be notified within 48 hours or on the first working day following your admission unless it was not reasonably possible to notify the Plan within that time. If you are hospitalized in non-Plan facilities and the Plan believes care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability, or significant jeopardy to your condition.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers

Emergencies outside our service area: Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission unless it was not reasonably possible to notify the Plan within that time. If a Plan doctor believes that care can better be provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

Benefit Description	You pay
Emergency within our service area	High Option
<ul style="list-style-type: none"> • Emergency care at a doctor’s office • Emergency care at an urgent care center • Emergency care as an outpatient at a hospital, including doctors’ services <p><i>Note: We waive the ER copay if you are admitted to the hospital.</i></p>	\$30 copay applies for emergency care as an outpatient.
<i>Not covered: Elective care or non-emergency care</i>	<i>All Charges.</i>
Emergency outside our service area	High Option
<ul style="list-style-type: none"> • Emergency care at a doctor’s office • Emergency care at an urgent care center • Emergency care as an outpatient at a hospital, including doctors’ services <p><i>Note: We waive the ER copay if you are admitted to the hospital.</i></p>	\$30 copay applies for emergency care as an outpatient.
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Elective care or non-emergency care and follow-up care recommended by non-Plan providers that has not been approved by the Plan or provided by Plan providers</i> • <i>Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area</i> • <i>Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area</i> 	<i>All Charges.</i>
Ambulance	High Option
<p>Professional ambulance service when medically appropriate.</p> <p>Note: See 5(c) for non-emergency service.</p>	Nothing

Section 5(e). Mental health and substance abuse benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PREAUTHORIZATION FOR THESE SERVICES.** Benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure. To be eligible to receive full benefits, you must follow the preauthorization process and get Plan approval of your treatment plan:
 - Inpatient service and outpatient therapy services must be directed by your primary care physician and receive Plan approval. For approval contact our Utilization Management Department at our toll-free number 800-805-7938 or 1-605-328-6807, available Monday through Friday, between 8:00 a.m. and 5:00 p.m. Central Time. After hours you may leave a message on the confidential voice of the Utilization Management Department and someone will return your call. Available providers for Mental Health and Substance benefits are listed on your Provider Directory that you receive when you enroll or you may call the SHAHP office at 701-776-5848 or 1-800-525-5661 to obtain one.
 - **Limitation:** We may limit your benefits if you do not obtain a treatment plan and approval. However, information provided by the physician's office also satisfies this requirement.
- We will provide medical review criteria or reasons for treatment plan denials to enrollees, members or providers upon request or as otherwise required.
- OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.

Benefit Description	You Pay
Professional services	High Option
<p>When part of a treatment plan we approve, we cover professional services by licensed professional mental health and substance abuse practitioners when acting within the scope of their license, such as psychiatrists, psychologists, clinical social workers, licensed professional counselors, or marriage and family therapists.</p> <p>Diagnosis and treatment of psychiatric conditions, mental illness, or mental disorders. Services include:</p> <ul style="list-style-type: none"> • Diagnostic evaluation • Crisis intervention and stabilization for acute episodes • Medication evaluation and management (pharmacotherapy) • Psychological and neuropsychological testing necessary to determine the appropriate psychiatric treatment 	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p> <p>\$15 per visit</p>

Professional services - continued on next page

Benefit Description	You Pay
Professional services (cont.)	High Option
<ul style="list-style-type: none"> • Treatment and counseling (including individual or group therapy visits) • Diagnosis and treatment of alcoholism and drug abuse, including detoxification, treatment and counseling • Professional charges for intensive outpatient treatment in a provider's office or other professional setting • Electroconvulsive therapy 	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p> <p>\$15 per visit</p>
Diagnostics	High Option
<ul style="list-style-type: none"> • Outpatient diagnostic tests provided and billed by a licensed mental health and substance abuse practitioner • Outpatient diagnostic tests provided and billed by a laboratory, hospital or other covered facility • Inpatient diagnostic tests provided and billed by a hospital or other covered facility 	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p>
Inpatient hospital or other covered facility	High Option
<p>Inpatient services provided and billed by a hospital or other covered facility</p> <ul style="list-style-type: none"> • Room and board, such as semiprivate or intensive accommodations, general nursing care, meals and special diets, and other hospital services. 	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p>

<p>Outpatient services provided and billed by a hospital or other covered facility</p> <ul style="list-style-type: none"> • Services in approved treatment programs, such as partial hospitalization, half-way house, residential treatment, full-day hospitalization, or facility-based intensive outpatient treatment. 	<p>Your cost-sharing responsibilities are no greater than for other illnesses or conditions.</p>
<p><i>Not covered:</i></p> <p><i>Services that are not part of a preauthorized approved treatment plan</i></p>	<p><i>All Charges.</i></p>

Section 5(f). Prescription drug benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Members must make sure their physicians obtain prior approval/authorizations for certain prescription drugs and supplies before coverage applies. Prior approval/authorization must be renewed periodically.
- The calendar year deductible is: \$600 per person. The calendar year deductible applies to all benefits in this Section.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed physician or dentist, and in states allowing it, licensed or certified Physician Assistant, Nurse Practitioner and Psychologist must prescribe your medication.
- **Where you can obtain them.** You may fill the prescription at any pharmacy. We do not have a network pharmacy.
- **Why use generic drugs?** To reduce your out of pocket expenses! A generic drug is the chemical equivalent of a corresponding brand name drug. Generic drugs are less expensive than brand name drugs; therefore, you may reduce your out of pocket costs by choosing to use a generic drug.
- **When you do have to file a claim.** See filing a claim for covered services.

Benefit Description	You pay
Covered medications and supplies	High Option
<p>We cover the following medications and supplies prescribed by a physician:</p> <ul style="list-style-type: none"> • Drugs and medicines that by Federal law of the United States require a physician's prescription for their purchase, except those listed as <i>Not covered</i> • Insulin • Diabetic supplies, including insulin syringes, needles, glucose test tablets and test tape, Benedict's solution or equivalent, glucose monitors and acetone test tablets • Disposable needles and syringes for the administration of covered medications • Vitamin D is covered for adults age 65 and older. • Drugs for sexual dysfunction 	50% of charges per prescription unit or refill, after you meet your \$600 per member deductible.
<p>Women's contraceptive drugs and devices</p> <ul style="list-style-type: none"> • Over-the-counter Emergency Contraceptives, which includes: <ul style="list-style-type: none"> - The "morning after pill" at no cost to the member if prescribed by a physician 	Nothing

Covered medications and supplies - continued on next page

Benefit Description	You pay
Covered medications and supplies (cont.)	High Option
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Drugs and supplies for cosmetic purposes</i> • <i>Drugs to enhance athletic performance</i> • <i>Fertility drugs</i> • <i>Vitamin, nutrients, and food supplements even if a physician prescribes or administers them:</i> <ul style="list-style-type: none"> - Except <i>Vitamin D for adults age 65 and over</i> • <i>Nonprescription medicines</i> <p><i>Note: Over-the-counter and prescription drugs approved by the FDA to treat tobacco dependence are covered under the Tobacco cessation benefit. (See page 32)</i></p>	<p><i>All Charges.</i></p>

Section 5(g). Dental benefits

Here are some important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary
- If you are enrolled in a Federal Employees Dental/Vision Insurance Program(FEDVIP) Dental Plan, your FEHB plan will be First Primary payor of any benefit payments and your FEDVIP Plan is secondary to your FEHB Plan. See Section 9 Coordinating Benefits with other coverage.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost-sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You Pay
Accidental injury benefit	High Option
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury.	\$15 per office visit for primary care physician \$25 per office visit to a plan specialist
Dental Benefits	High Option
We have no other dental benefits.	

Section 5(h). Point of Service benefits

Facts about this Plan's Point of Service Benefit

Under the point-of-service benefit, you may choose to receive covered specialty health services from non-Plan doctors and hospitals; however, you must still obtain a referral from your primary care physician. When you receive covered specialty medical treatment from a non-Plan doctor, you are subject to the coinsurance and out-of-pocket maximum stated below.

What is covered

Under the point-of-service benefit, you are covered for medically necessary covered specialty health services from a non-Plan provider. You still need to obtain a referral from your primary care physician. You may receive the medically necessary covered health services listed below, except for the services listed under "What is not covered." If you choose to use the point-of-service benefit, you will be responsible for coinsurance on all covered services received from non-contracted providers.

- Medical office visits
- X-ray and laboratory services
- Acute inpatient hospital services
- Maternity, pregnancy and newborn care
- Inpatient physician services and consultations
- Outpatient hospital services
- Outpatient surgery
- Home health care
- Skilled nursing facility services
- Mental health services
- Inpatient chemical dependency services
- Inpatient alcohol treatment

Plan Preauthorization

When utilizing the point-of-service benefit, we continue to require that you obtain prior medical approval for the same services for which prior medical approval is required under the standard HMO benefit. When utilizing non-Plan participating providers, it is recommended that you advise the provider to contact the Plan for prior medical approval before services are provided.

Coinsurance

When the point-of-service benefit is utilized, 20% coinsurance will be applied on all charges billed by non-contracted providers. If you use a provider who participates in our network, you will be responsible for the standard HMO benefit coinsurance, or the standard HMO copayment, whichever applies. Copayments still apply based on the standard HMO benefit schedule and do not count towards your point-of-service coinsurance maximum.

Out-of-Pocket Maximum

Your out-of-pocket maximum for your point-of-service coinsurance is \$5,000 per contract per calendar year.

What is Not Covered

- Services that are excluded from coverage under the standard HMO benefit also are excluded from coverage under the point-of-service benefit. Read Sections 5 and 6 about services that are not covered under the Plan.
- Services that are routine and available through your primary care physician.
- Services that are experimental or investigational.

- Services that are not medically necessary.
- Services for which prior medical review is required, but is not obtained.

How to Obtain Benefits

If you receive services from a non-participating provider, the provider should file a claim directly with us. When the provider files a claim, payment will be made directly to the provider. If the provider requires you to pay up front and will not submit a claim for you, you should submit a claim to us for reimbursement. See Section 7 for instructions on how to file a claim. You must submit a claim by December 31 of the year after the year you received the service. Either OPM or we can extend this deadline if you show that Government administrative operations or legal incapacity prevented you from filing on time.

Section 6. General exclusions – services, drugs and supplies we do not cover

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition. For information on obtaining prior approval for specific services, such as transplants, see Section 3 *When you need prior Plan approval for certain services*.**

We do not cover the following:

- Care by non-plan providers except for authorized referrals or emergencies (see *Emergency services/accidents*).
- Services, drugs, or supplies you receive while you are not enrolled in this Plan.
- Services, drugs, or supplies not medically necessary.
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice.
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants).
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term, or when the pregnancy is the result of an act of rape or incest.
- Services, drugs, or supplies related to sex transformations.
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs, or supplies you receive without charge while in active military service.
- Services or supplies furnished by yourself, immediate relatives or household members, such as spouse, parents, children, brothers or sisters by blood, marriage or adoption.
- Applied Behavior Analysis (ABA)
- Extra care costs-costs related to taking part in a clinical trial, such as additional tests that a patient may need as part of the trial, but no part of the patient's routine care.
- Research costs-costs related to conducting the clinical trial, such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes.

Section 7. Filing a claim for covered services

This Section primarily deals with post-service claims (claims for services, drugs or supplies you have already received). See Section 3 for information on pre-service claims procedures (services, drugs or supplies requiring prior Plan approval), including urgent care claims procedures. When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider.

If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form CMS-1500, Health Insurance Claim Form. Your facility will file on the UB-04 form. For claims questions and assistance, call Member Services at 1-605-328-6800 or 1-800-752-5863 or at website www.sanfordhealthplan.com.

When you must file a claim – such as for services you received outside the Plan’s service area – submit it on the CMS-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member’s name, date of birth, address, phone number and ID number
- Name and address of the physician or facility that provided the service or supply
- Dates you received the services or supplies
- Diagnosis
- Type of each service or supply
- The charge for each service or supply
- A copy of the explanation of benefits, payments, or denial from any primary payor – such as the Medicare Summary Notice (MSN)
- Receipts, if you paid for your services

Note: Canceled checks, cash register receipts, or balance due statements are not acceptable substitutes for itemized bills.

Submit your claims to: Sanford Health Plan, P.O. Box 91110, Sioux Falls, SD 57109-1110

Prescription drugs

Submit your claims to: Sanford Health Plan, P.O. Box 91110, Sioux Falls, SD 57109-1110

Other supplies or services

Submit your claims to: Sanford Health Plan, P.O. Box 91110, Sioux Falls, SD 57109-1110

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

Post-service claims procedures

We will notify you of our decision within 30 days after we receive your post-service claim. If matters beyond our control require an extension of time, we may take up to an additional 15 days for review as long as we notify you before the expiration of the original 30-day period. Our notice will include the circumstances underlying the request for the extension and the date when a decision is expected.

If we need an extension because we have not received necessary information from you, our notice will describe the specific information required and we will allow you up to 60 days from the receipt of the notice to provide the information.

If you do not agree with our initial decision, you may ask us to review it by following the disputed claims process detailed in Section 8 of this brochure.

**Authorized
Representative**

You may designate an authorized representative to act on your behalf for filing a claim or to appeal claims decisions to us. For urgent care claims, we will permit a health care professional with knowledge of your medical condition to act as your authorized representative without your express consent. For the purposes of this section, we are also referring to your authorized representative when we refer to you.

Notice Requirements

If you live in a county where at least 10 percent of the population is literate only in a non-English language (as determined by the Secretary of Health and Human Services), we will provide language assistance in that non-English language. You can request a copy of your Explanation of Benefits (EOB) statement, related correspondence, oral language services (such as telephone customer assistance), and help with filing claims and appeals (including external reviews) in the applicable non-English language. The English version of your EOBs and related correspondence will include information in the non-English language about how to access language services in that non-English language.

Any notice of an adverse benefit determination or correspondence from us confirming an adverse benefit determination will include information sufficient to identify the claim involved (including the date of service, the health care provider, and the claim amount, if applicable), and a statement describing the availability, upon request, of the diagnosis and procedure codes.

Section 8. The disputed claims process

You may be able to appeal directly to the Office of Personnel Management (OPM) if we do not follow required claims processes. For more information about situations in which you are entitled to immediately appeal to OPM, including additional requirements not listed in Sections 3, 7 and 8 of this brochure, please visit www.sanfordhealthplan.com.

Please follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your post-service claim (a claim where services, drugs or supplies have already been provided). In Section 3 *If you disagree with our pre-service claim decision*, we describe the process you need to follow if you have a claim for services, referrals, drugs or supplies that must have prior Plan approval, such as inpatient hospital admissions.

To help you prepare your appeal, you may arrange with us to review and copy, free of charge, all relevant materials and Plan documents under our control relating to your claim, including those that involve any expert review(s) of your claim. To make your request, please contact our Member Service Department by writing to Sanford Health Plan, Attn: Appeals Department, P.O. Box 91110, Sioux Falls, SD 57109-1110 or calling 1-800-752-5863.

Our reconsideration will take into account all comments, documents, records, and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

When our initial decision is based (in whole or in part) on a medical judgment (i.e., medical necessity, experimental/investigational), we will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who was not involved in making the initial decision.

Our reconsideration decision will not afford deference to the initial decision and will be conducted by a plan representative who is neither the individual who made the initial decision that is the subject of the reconsideration, nor the subordinate of that individual.

We will not make our decisions regarding hiring, compensation, termination, promotion, or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) based upon the likelihood that the individual will support the denial of benefits.

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none">a) Write to us within 6 months from the date of our decision; andb) Send your request to us at: Sanford Health Plan P.O. Box 91110 Sioux Falls, SD 57109-1110; andc) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andd) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.e) Include your email address (optional for member) if you would like to receive our decision via email. Please note that by giving us your email address, we may be able to provide our decision more quickly. <p>We will provide you, free of charge and in a timely manner, with any new or additional evidence considered, relied upon, or generated by us or at our direction in connection with your claim and any new rationale for our claim decision. We will provide you with this information sufficiently in advance of the date that we are required to provide you with our reconsideration decision to allow you a reasonable opportunity to respond to us before that date. However, our failure to provide you with new evidence or rationale in sufficient time to allow you to timely respond shall not invalidate our decision on reconsideration. You may respond to that new evidence or rationale at the OPM review stage described in step 4.</p>

Step	Description
2	<p>In the case of a post-service claim, we have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none"> a) Pay the claim or b) Write to you and maintain our denial or c) Ask you or your provider for more information <p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days we will decide within 30 days of the date the information was due. We will base our decision on the information we already have. We will write to you with our decision.</p>
3	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within</p> <ul style="list-style-type: none"> • 90 days after the date of our letter upholding our initial decision; or • 120 days after you first wrote to us - if we did not answer that request in some way within 30 days; or • 120 days after we asked for additional information. <p>Write to OPM at: United States Office of Personnel Management, Healthcare and Insurance, Federal Employee Insurance Operations, Health Insurance 3, 1900 E Street NW, Washington, DC 20415-3630.</p> <p>Send OPM the following information:</p> <ul style="list-style-type: none"> • A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure; • Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms; • Copies of all letters you send to us about the claim; • Copies of all letters we sent to you about the claim; and • Your daytime phone number and the best time to call. • Your email address, if you would like to receive OPM's decision via email. Please note that by providing your email address, you may receive OPM's decision more quickly. <p>Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.</p> <p>Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request. However, for urgent care claims, a health care professional with knowledge of your medical condition may act as your authorized representative without your express consent.</p> <p>Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.</p>
4	<p>OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.</p> <p>If you do not agree with OPM's decision, your only recourse is to sue. If you decide to file a lawsuit, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.</p>

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not file a lawsuit until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

Note: **If you have a serious or life threatening condition** (one that may cause permanent loss of body functions or death if not treated as soon as possible), and you did not indicate that your claim was a claim for urgent care, then call us at (605) 328-6807. We will expedite our review (if we have not yet responded to your claim); or we will inform OPM so they can quickly review your claim on appeal. You may call OPM's Health Insurance (HI) 3 at (202) 606-0737 between 8 a.m. and 5 p.m. Eastern Time.

Please remember that we do not make decisions about plan eligibility issues. For example, we do not determine whether you or a dependent is covered under this plan. You must raise eligibility issues with your Agency personnel/payroll office if you are an employee, your retirement system if you are an annuitant, or the Office of Workers' Compensation Programs if you are receiving Workers' Compensation benefits.

Section 9. Coordinating benefits with Medicare and other coverage

When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payor and the other plan pays a reduced benefit as the secondary payor. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners’ (NAIC) guidelines. For more information on NAIC rules regarding the coordinating of benefits, visit the NAIC website at www.NAIC.org.

When we are the primary payor, we will pay the benefits described in this brochure.

When we are the secondary payor, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

• TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. IF TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

• Workers' Compensation

We do not cover services that:

- You (or a covered family member) need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

• Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage

Some FEHB plans already cover some dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

Clinical Trials

An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration; or is a drug trial that is exempt from the requirement of an investigational new drug application.

If you are a participant in a clinical trial, this health plan will provide related care as follows, if it is not provided by the clinical trial:

- Routine care costs - costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patient's condition, whether the patient is in a clinical trial or is receiving standard therapy.
- Extra Care Costs - costs related to taking part in a clinical trial, such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care. This plan does not cover these costs.
- Research costs - costs related to conducting the clinical trial, such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials. This plan does not cover these costs.

When you have Medicare

• **What is Medicare?**

Medicare is a Health Insurance Program for:

- People 65 years of age or older
- Some people with disabilities under 65 years of age
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant)

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE (1-800-633-4227), (TTY: 1-800-486-2048) for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

- Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.
- Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. For people with limited income and resources, extra help in paying for a Medicare prescription drug plan is available. For more information about this extra help, visit the Social Security Administration, online at www.socialsecurity.gov, or call them at 1-800-772-1213, (TTY: 1-800-325-0778).

• **Should I enroll in Medicare?**

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213, (TTY: 1-800-325-0778) to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage.

It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage. If you do not sign up for Medicare Part B when you are first eligible, you may be charged a Medicare Part B late enrollment penalty of a 10% increase in premium for every 12 months you are not enrolled. If you didn't take Part B at age 65 because you were covered under FEHB as an active employee (or you were covered under your spouse's group health insurance plan and he/she was an active employee), you may sign up for Part B (generally without an increased premium) within 8 months from the time you or your spouse stop working or are no longer covered by the group plan. You also can sign up at any time while you are covered by the group plan.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

• **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

All physicians and other providers are required by law to file claims directly to Medicare for members with Medicare Part B, when Medicare is primary. This is true whether or not they accept Medicare.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

When we are the primary payor, we process the claim first.

When Original Medicare is the primary payor, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. To find out if you need to do something to file your claim, call us at 1-605-328-6800 or 1-800-752-5863 or see our website at www.sanfordhealthplan.com.

We do not waive any costs if the Original Medicare Plan is your primary payor.

- **Tell Us About Your Medicare Coverage**

You must tell us if you or a covered family member has Medicare coverage, and let us obtain information about services denied or paid under Medicare if we ask. You must also tell us about other coverage you or your covered family members may have, as this coverage may affect the Primary/Secondary status of this Plan and Medicare.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country.

To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY: 1-800-486-2048), or at www.medicare.gov.

If you enroll in a Medicare Advantage plan, the following options are available to you:

This Plan and our Medicare Advantage plan.

This Plan and another plan's Medicare Advantage plan: You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area (if you use our Plan providers). However, we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare Advantage plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare Advantage plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payor, we process the claim first. If you enroll in Medicare Part D and we are the secondary payor, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payor. The following chart illustrates whether Medicare or this Plan should be the primary payor for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly. **(Having coverage under more than two health plans may change the order of benefits determined on this chart.)**

Primary Payor Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payor for the individual with Medicare is...	
	Medicare	This Plan
1) Have FEHB coverage on your own as an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Have FEHB through your spouse who is an active employee		✓
4) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #3 above	✓	
5) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and...		
• You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
6) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #3 above	✓	
7) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
8) Are a Federal employee receiving Workers' Compensation disability benefits for six months or more	✓ *	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and...		
• It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and...		
• This Plan was the primary payor before eligibility due to ESRD (for 30 month coordination period)		✓
• Medicare was the primary payor before eligibility due to ESRD	✓	
3) Have Temporary Continuation of Coverage (TCC) and...		
• Medicare based on age and disability	✓	
• Medicare based on ESRD (for the 30 month coordination period)		✓
• Medicare based on ESRD (after the 30 month coordination period)	✓	
C. When either you or a covered family member are eligible for Medicare solely due to disability and you...		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
D. When you are covered under the FEHB Spouse Equity provision as a former spouse		
	✓	

*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Clinical Trials Cost Categories	<p>An approved clinical trial includes a phase I, phase II, phase III, or phase IV clinical trial that is conducted in relation to the prevention, detection, or treatment of cancer or other life-threatening disease or condition and is either Federally funded; conducted under an investigational new drug application reviewed by the Food and Drug Administration (FDA); or is a drug trial that is exempt from the requirement of an investigational new drug application.</p> <p>If you are a participant in a clinical trial this health plan will provide related care as follows, if it is not provided by the clinical trial:</p> <ul style="list-style-type: none">• Routine care costs - costs for routine services such as doctor visits, lab tests, x-rays and scans, and hospitalizations related to treating the patients' cancer. whether the patient is in a clinical trial or is receiving standard therapy.• Extra care costs - costs related to taking part in a clinical trial such as additional tests that a patient may need as part of the trial, but not as part of the patient's routine care.• Research costs - costs related to conducting the clinical trial such as research physician and nurse time, analysis of results, and clinical tests performed only for research purposes. These costs are generally covered by the clinical trials. This plan does not cover these costs.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. See Section 4.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See Section 4.
Cost-Sharing	Cost-sharing is the general term used to refer to your out-of-pocket costs (e.g., deductible, coinsurance, and copayments) for the covered care you receive.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial Care	Custodial care is care that SHAHP determines is essential to assist the patient in meeting the activities of daily living and is not primarily provided for therapeutic treatment of an illness, disease, injury or condition. Care that exceeds 90 days may also be classified as Long Term Care.
Deductible	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See Section 4.
Experimental or investigational service	<p>A drug, device or medical treatment or procedure is experimental or investigational:</p> <ul style="list-style-type: none">• If the drug does not have required Food & Drug Administration (FDA) approval.• If reliable (reports in respected medical and scientific literature) shows that the opinion of experts determine that further study is needed to decide how a drug, device or medical treatment or procedure compares with the standard method or treatment or diagnosis.
Group health coverage	Health care coverage that a member is eligible for because of employment by, membership in, or connection with a particular organization or group that provides payment for hospital, medical, or other health care services or supplies.
Health care professional	A physician or other health care professional licensed, accredited, or certified to perform specified health services consistent with state law.

Medical necessity Services, supplies or treatment rendered by a hospital, physician, skilled nursing facility, home health agency, or other provider to treat an illness or injury which is:

- Consistent with the symptoms or diagnosis of the condition, disease, ailment or injury;
- Appropriate and accepted according to good medical practice standards;
- Not primarily for the convenience of the member or the provider of care
- The most appropriate supply or level of service that can safely be provided to a member. When a member receives inpatient care, it further means that the member's medical symptoms or condition could not safely be treated on an outpatient basis.

Plan allowance Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Plans determine their allowances in different ways. We determine our allowance as follows: Our payment is based on usual, customary and reasonable charges. Usual, customary and reasonable means the usual charges made by a physician or other supplier of services, medicines or supplies. The charge cannot exceed the general level of charges made by other suppliers within the area in which the charge is incurred for injury or sickness comparable in severity and nature to the injury and sickness being treated.

Post-service claims Any claims that are not pre-service claims. In other words, post-service claims are those claims where treatment has been performed and the claims have been sent to us in order to apply for benefits.

Pre-service claims Those claims (1) that require precertification, prior approval, or a referral and (2) where failure to obtain precertification, prior approval, or a referral results in a reduction of benefits.

Urgent care claims A claim for medical care or treatment is an urgent care claim if waiting for the regular time limit for non-urgent care claims could have one of the following impacts:

- Waiting could seriously jeopardize your life or health;
- Waiting could seriously jeopardize your ability to regain maximum function; or
- In the opinion of a physician with knowledge of your medical condition, waiting would subject you to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

Urgent care claims usually involve Pre-service claims and not Post-service claims. We will judge whether a claim is an urgent care claim by applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine.

If you believe your claim qualifies as an urgent care claim, please contact our Member Services Department at 1-605-328-6800 or 1-800-752-5863. You may also prove that your claim is an urgent care claim by providing evidence that a physician with knowledge of your medical condition has determined that your claim involves urgent care.

Us/We Us and We refer to Sanford Heart of America Health Plan.

You You refers to the enrollee and each covered family member.

Section 11. Other Federal Programs

The following programs are not part of your FEHB benefits, they are separate Federal programs that complement your FEHB benefits and can potentially reduce your annual out-of-pocket expenses. These programs are offered independent of the FEHB program and require you to enroll separately with no government contribution.

Important information about three Federal programs that complement the FEHB Program

First, the **Federal Flexible Spending Account Program**, also known as **FSAFEDS**, lets you set aside pre-tax money from your salary to reimburse you for eligible dependent care and/or health care expenses. You pay less in taxes so you save money. Participating employees save an average of about 30% on products and services they routinely pay for out-of-pocket.

Second, the **Federal Employees Dental and Vision Insurance Program (FEDVIP)**, provides comprehensive dental and vision insurance at competitive group rates. There are several plans from which to choose. Under **FEDVIP** you may choose self only, self plus one, or self and family coverage for yourself and any eligible dependents.

Third, the **Federal Long Term Care Insurance Program (FLTCIP)** can help cover long term care costs, which are not covered under the FEHB Program.

The Federal Flexible Spending Account Program – FSAFEDS

What is an FSA?

It is an account where you contribute money from your salary **BEFORE** taxes are withheld, then incur eligible expenses and get reimbursed. You pay less in taxes so you save money. **Annuitants are not eligible to enroll.**

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$100. The maximum annual election for a health care flexible spending account (HCFSA) or a limited expense health care spending account (LEX HCFSA) is \$2,500 per person. The maximum annual election for a dependent care flexible spending account (DCFSA) is \$5000 per household.

- **Health Care FSA (HCFSA)** –Reimburses you for eligible out-of-pocket health care expenses (such as copayments, deductibles, prescriptions, **physician prescribed** over-the-counter drugs and medications, vision and dental expenses and much more) for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26).
- FSAFEDS offers paperless reimbursement for your HCFSA through a number of FEHB and FEDVIP plans. This means that when you or your provider files claims with your FEHB or FEDVIP plan, FSAFEDS will automatically reimburse your eligible out-of-pocket expenses based on the claim information it receives from your plan.
- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to out-of-pocket dental and vision care expenses for you and your tax dependents, including adult children (through the end of the calendar year in which they turn 26).
- **Dependent Care FSA (DCFSA)** – Reimburses you for eligible **non-medical** day care expenses for your children under age 13 and/or for any person you claim as a dependent on your Federal Income Tax return who is mentally or physically incapable of self care. You (and your spouse if married) must be working, looking for work (income must be earned during the year), or attending school full-time to be eligible for a DCFSA.
- If you are a new or newly eligible employee you have 60 days from your hire date to enroll in an HCFSA or LEX HCFSA and/or DCFSA, but you must enroll before October 1. If you are hired or become eligible on or after October 1, you must wait and enroll during the Federal Benefits Open Season held each fall.

Where can I get more information about FSAFEDS?

Visit www.FSAFEDS.com or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern Time, (TTY: 1-800-952-0450).

The Federal Employees Dental and Vision Insurance Program – *FEDVIP*

Important Information

The Federal Employees Dental and Vision Insurance Program (FEDVIP) is separate and different from the FEHB program. **This program provides comprehensive dental and vision insurance at competitive group rates with no pre-existing condition limitations for enrollment.**

FEDVIP is available to eligible Federal and Postal Service employees, retirees, and their eligible family members on an enrollee-pay-all basis. Employee premiums are withheld from salary on a pre-tax basis.

Dental Insurance

All dental plans provide a comprehensive range of services, including:

~ Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.

~ Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.

~ Class C (Major) services which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.

~ Class D (Orthodontic) services with up to a 12-month waiting period. **Most FEDVIP dental plans cover adult orthodontia. Review your FEDVIP dental plan's brochure for information on this benefit.**

Vision Insurance

All vision plans provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available.

Additional Information

You can find a comparison of the plans available and their premiums on the OPM website at www.opm.gov/dental and www.opm.gov/vision. These sites also provide links to each plan's website where you can view detailed information about benefits and preferred providers.

How do I enroll?

You can enroll on the Internet at www.BENEFEDS.com. For those without access to a computer, call 1-877-888-3337, (TTY: 1-877-889-5680).

The Federal Long Term Care Insurance Program – *FLTCIP*

It's important protection

The Federal Long Term Care Insurance Program (FLTCIP) can help pay for the potentially high cost of long term care services, which are not covered by FEHB Plans. Long term care is help you receive to perform activities of daily living - such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment such as Alzheimer's disease. For example, long term care can be received in your home from a home health aide, in a nursing home, in an assisted living facility or in adult day care. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). Federal and U.S. Postal Service employees and annuitants, active and retired members of the uniformed services, and qualified relatives are eligible to apply. Certain medical conditions, or combinations of conditions, will prevent some people from being approved for coverage. You must apply to know if you will be approved for enrollment. For more information call 1-800-LTC-FEDS (1-800-582-3337), (TTY: 1-800-843-3557), or visit www.ltcfeds.com.

Summary of benefits for Sanford Heart of America Health Plan - 2015

- **Do not rely on this chart alone.** All benefits are provided in full unless indicated and are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.
- If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.
- We only cover services provided or arranged by Plan physicians, except in emergencies.

Below, an asterisk (*) means the item is subject to the \$600 calendar year deductible.

High Option Benefits	You pay	Page
Medical services provided by physicians:		
Diagnostic and treatment services provided in the office	Office visit copay: \$15 primary care; \$25 specialist	24
Services provided by a hospital:		
• Inpatient	Nothing	40
• Outpatient	Nothing	41
Emergency benefits:		
• In-area	\$30 copay for each emergency room visit	44
• Out-of-area	\$30 copay for each emergency room visit	44
Mental health and substance abuse treatment:		
	Regular cost-sharing	45
Prescription drugs:		
	* \$600 deductible and 50% of charges thereafter.	47
Dental care:		
(Accidental injury benefit only)	No benefit.	49
Vision care:		
	No benefit.	30
Point of Service benefits:		
	Preauthorization required. 20% co-insurance up to \$5000 per self and family contract per calendar year. Standard in-network co-payments and co-insurance do not count toward your point-of-service coinsurance maximums.	50
Protection against catastrophic costs (out-of-pocket maximum):		
	Nothing after you have met the maximum of \$2,500 per Self and \$5000 per Self and Family enrollment. Some costs do not count toward this protection.	20

2015 Rate Information for Sanford Heart of America Health Plan

Non-Postal rates apply to most non-Postal employees. If you are in a special enrollment category, refer to the Guide to Federal Benefits for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to Postal Service employees. They are shown in special Guides published for APWU (including Material Distribution Center and Operating Services) NALC, NPMHU and NRLCA Career Postal Employees (see RI 70-2A); Information Technology/Accounting Services employees (see RI 70-2IT); Nurses (see RI 70-2N); Postal Service Inspectors and Office of Inspector General (OIG) law enforcement employees and Postal Career Executive Service employees (see RI 70-2IN); and non-career employees (see RI 70-8PS).

Postal Category 1 rates apply to career employees who are members of the APWU, NALC, NPMHU, or NRLCA bargaining units.

Postal Category 2 rates apply to career non-bargaining unit, non-executive, non-law enforcement employees, and non-law enforcement Inspection Service and Forensics employees.

For further assistance, Postal Service employees should call:

Human Resources Shared Service Center

1-877-477-3273, option 5

TTY: 1-866-260-7507

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable Guide to Federal Benefits.

Premiums for Tribal employees are shown under the monthly non-postal column. The amount shown under employee contribution is the maximum you will pay. Your Tribal employer may choose to contribute a higher portion of your premium. Please contact your Tribal Benefits Officer for exact rates.
