Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The Act directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants.

This brochure describes the benefits of High Option and Standard Option with Vision Service Plan (VSP) under contract OPM01-FEDVIP-01AP-14 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your benefits.

If you are enrolled in this plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage. **You and your family members do not have a right to benefits that were available before January 1, 2016 unless those benefits are also shown in this brochure.**

OPM negotiates benefits and rates with each carrier annually. Rates are shown at the end of this brochure.

VSP is responsible for the selection of doctors in their network. Visit choosevsp.com or contact us at 800-807-0764 for a list of participating doctors. Continued participation with any specific doctor cannot be guaranteed. Thus, you should choose your plan based on the benefits provided and not on a specific provider's participation. When you phone for an appointment, please remember to verify that the provider is currently in-network. You cannot change plans because of changes to the provider network.

Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If you require the services of a specialist and one is not available in your area, please contact us for assistance.

VSP and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program.

We want you to know that protecting the confidentiality of your individually identifiable health information is of the utmost importance to us. You can also select from several nationwide vision plans. You may enroll in a dental plan or a vision plan, or both. Visit www.opm.gov/healthcare-insurance/dental-vision/ for more information.
Enroll Through BENEFEDS	You enroll online at www.BENEFEDS.com . Please see Section 2, Enrollment, for more information.
Dual Enrollment	If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.
Coverage Effective Date	If you sign up for a dental and/or vision plan during the 2015 Open Season, your coverage will begin on January 1, 2016. Premium deductions will start with the first full pay period beginning on/after January 1, 2016. You may use your benefits as soon as your eligibility is confirmed.
Annual Enrollment Opportunity	Each year, an Open Season will be held during which you may enroll or change your vision/dental plan enrollment. This year, Open Season runs from November 9, 2015 through December 14, 2015. You do not need to re-enroll each Open Season, unless you wish to change plans or plan options; your coverage will continue from the previous year. In addition to the annual Open Season, there are certain events that allow you to make specific types of enrollment changes throughout the year. Please see Section 2, Enrollment, for more information.
Pre-Tax Salary Deduction for Employees	Employees automatically pay premiums through payroll deductions using pre-tax dollars. Annuitants automatically pay premiums through annuity deductions using post-tax dollars.
Continued Group Coverage After Retirement	Your enrollment or your eligibility to enroll may continue after retirement. You do not need to be enrolled in FEDVIP for any length of time to continue enrollment into retirement. Your family members may also be able to continue enrollment after your death. Please see Section 1, Eligibility, for more information.

Section 1 Eligibility

Federal Employees	If you are a Federal or U.S. Postal Service employee, you are eligible to enroll in FEDVIP, if you are eligible for the Federal Employees Health Benefits (FEHB) Program or the Health Insurance Marketplace (Exchange) and your position is not excluded by law or regulation. There is no requirement to have coverage for 5 years of service prior to retirement in order to continue coverage into retirement, as there is with the FEHB Program.</p> <p>Your FEDVIP coverage will end, if you retire on a Minimum Retirement Age (MRA) + 10 retirement and postpone receipt of your annuity. Section 2 Enrollment

Enroll Through BENEFEDES

You must use BENEFEDES to enroll or change enrollment in a FEDVIP plan. BENEFEDES is a secure enrollment website (www.BENEFEDES.com) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to enroll or change your enrollment.

If you are currently enrolled in FEDVIP and do not want to change plans or options, your enrollment will continue automatically. Please Note: your plans' premiums may change for 2016.

Note: You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDES.

Enrollment Types

Self Only: A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family, however, your family members will not be covered under FEDVIP.

Self Plus One: A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

Self and Family: A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.

Opportunities to Enroll or Change Enrollment

Open Season

If you are an eligible employee or annuitant, you may enroll in a dental and/or vision plan during the November 9 through December 14, 2015, Open Season. Coverage is effective January 1, 2016.

During future annual Open Seasons, you may enroll in a plan, or change or cancel your dental and/or vision coverage. The effective date of these Open Season enrollments and changes will be set by OPM. If you want to continue your current enrollment, do nothing. **Your enrollment carries over from year to year, unless you change it.**

New hire/Newly eligible

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP;
- an employee returning to service following a break in service of at least 31 days.

Your enrollment will be effective the first day of the pay period following the one in which BENEFEDES receives and confirms your enrollment.

Qualifying Life Event

A qualifying life event (QLE) is an event that allows you to enroll, or if you are already enrolled, allows you to change your enrollment outside of an Open Season.

The following chart lists the QLEs and the enrollment actions you may take:

Qualifying Life Event	From Not Enrolled to Enrolled	Increase Enrollment Type	Decrease Enrollment Type	Cancel	Change from One Plan to Another
Marriage	Yes	Yes	No	No	Yes
Acquiring an eligible family member (non-spouse)	No	Yes	No	No	No
Losing a covered family member	No	No	Yes	No	No
Losing other dental/vision coverage (eligible or covered person)	Yes	Yes	No	No	No
Moving out of regional plan's service area	No	No	No	No	Yes
Going on active military duty, non-paystatus (enrollee or spouse)	No	No	No	Yes	No
Returning to pay status from active military duty (enrollee or spouse)	Yes	No	No	No	No
Returning to pay status from Leave without pay	Yes (if enrollment cancelled during LWOP)	No	No	No	Yes (if enrollment cancelled during LWOP)
Annuity/compensation restored	Yes	Yes	Yes	No	No
Transferring to an eligible position*	No	No	No	Yes	No

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area; and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of a loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days haven't yet elapsed. That means once you have enrolled in either a dental or a vision plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

Canceling an enrollment

You may cancel your enrollment only during the annual Open Season. An eligible family member's coverage also ends upon the effective date of the cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date.

When Coverage Stops

Coverage ends when you:

- no longer meet the definition of an eligible employee or annuitant;
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments; or
- cancel the enrollment during Open Season.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans:

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA),

you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time period permitted. This is known as the “Use-it-or-Lose-it” rule. Carefully consider the amount you will elect. Beginning with 2016 enrollment, the FSAFEDS Carryover will replace the FSAFEDS Grace period (under HCFSA and LEX only) that allowed you to submit claims for an additional 2 ½ months (January 1 to March 15). The FSAFEDS Carryover allows you to bring up to \$500 of unspent funds into the following year when you re-enroll in a HCFSA or LEX HCFSA. Under FSAFEDS Carryover, all HCFSA and LEX claims must be incurred by December 31, 2015.

Current FSAFEDS participants must re-enroll to participate in 2016. See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-800-952-0450.

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you can use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and FEDVIP plans.

Using your FSA pre-tax dollars for your eyecare and eyewear needs is a great way to get more out of your benefit dollar. And VSP will submit your eligible FSAFEDS out-of-pocket expenses electronically, so you don't have to.

Using your FSAFEDS account for your eyecare and eyewear expenses is simple:

- Visit your VSP doctor for your WellVision eye examination and eyewear
- Pay any out-of-pocket expenses
- VSP will submit your expenses for reimbursement for you.

If you were a VSP member last year and used your benefit, you may view your VSP Savings Statement on vsp.com to estimate your out-of-pocket expenses for 2016.

Section 3 How You Obtain Benefits

**Identification Cards/
Enrollment
Confirmation**

Enroll online at Benefeds.com. ID cards are not necessary to obtain services. Your eye care provider will call VSP to verify eligibility and benefits.

For members who prefer ID cards, register and sign on to vsp.com to print a personalized Member Reference Card.

**Where You Get Covered
Care**

You can get covered care from any VSP network doctor or out-of-network provider. However, you will get the most out of your benefit when you use VSP's in-network doctors (plan providers), and you'll only be responsible for your co-payments at the time of your visit.

Plan Providers

VSP lists plan providers in the provider directory, which we update periodically. The list is available at choosevsp.com/fad.html or you may call 800-807-0764.

In-Network

Make an appointment with a VSP network doctor and tell them you are a VSP member. Your doctor will confirm your eligibility with VSP. Your co-payment is due at the time of the visit.

Out-of-Network

You may obtain care from any licensed eye care provider. If the provider you use is not part of the VSP network, benefits will be considered out-of-network. VSP will partially reimburse services performed by out-of-network providers. Refer to the Summary of Benefits section. You must pay the bill at the time of service and submit the claim to VSP for partial reimbursement. Sign on to vsp.com and access the Out-of-Network Reimbursement Form and follow the instructions. If you do not have Internet access, send an itemized receipt listing the services received along with the patient's name and covered member's name and ID number to VSP. Please keep a copy of the information and mail the originals to:

VSP
Attn: Out of Network Claims
P.O. Box 997105
Sacramento, CA 95899-7105

First Payor

When services are rendered by a provider who participates with both your FEHB and your FEDVIP plan, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge, in these cases. You are responsible for the difference between the FEHB and FEDVIP benefits payments and the FEDVIP plan allowance. VSP will facilitate the process with the primary FEHB first payor.

Coordination of Benefits

IF	THEN
You have vision coverage through a non-FEHB plan and VSP coverage under FEDVIP (covered through a spouse)	VSP is the primary payor and your non-FEHB plan is secondary.
If your covered dependent child has coverage through a non-FEHB plan and VSP coverage under FEDVIP	The parent's plan whose birthday occurs first in the calendar year (1. Month, 2. Date) is primary. If the months and dates are the same for both parents, the primary payor is the plan that has provided coverage the longest.

Limited Access Area

If you live in an area that does not have adequate access to a VSP network doctor and you receive covered services from an out-of-network provider, VSP will reimburse you up to the plan allowance. You are responsible for any difference between the amount billed and VSP's payment. Follow out-of-network claim submission instructions.

Pre-Authorization

Pre-authorization is only required for the acquisition of treatment of members affected by low vision.

Section 4 Your Cost for Covered Services

This is what you will pay out-of-pocket for covered care:

Co-payment

A co-payment is a fixed amount of money you pay to the provider when you receive services.

Example: In the VSP High Option plan, you pay a \$10 co-pay for an exam and prescription glasses, if necessary.

In-Network Services

When you visit a VSP network doctor, your eye exam and prescription glasses or contacts are covered after any co-payments. You will also receive 20% savings on any out-of-pocket costs over your frame allowance and an average 20% - 25% savings on other lens enhancements. (Based on applicable laws. Benefits may vary by doctor locations. See your doctor for pricing.)

- **High Option:** \$10 total co-pay for eye exam and prescription glasses
- **Standard Option:** \$10 co-pay for eye exam and \$20 co-pay for prescription glasses

Low Vision Coverage

This benefit is available for patients having vision loss sufficient enough to prevent reading, moving around in unfamiliar surroundings and completing desired tasks. Patients with low vision have visual impairments not fully treatable by medical, surgical or conventional eyewear or contact lenses. **Low vision benefits must be pre-authorized.**

Your low vision coverage from a VSP network doctor provides:

- Low vision exams and low vision aids, up to a \$1,000 maximum, every two years.
- Low vision supplemental testing, if approved, will be covered in full every two years. If low vision aids are approved, VSP will pay 75% of the approved amount up to a maximum of \$1,000 (less any amount paid for supplemental testing) per covered individual every two years. The patient is responsible for the remaining 25% of the approved amount plus any amount over the maximum.

If you choose to go out-of-network, you must pay the provider at the time of your appointment and submit the claims for partial reimbursement. There is no guarantee of reimbursement. If your claim is approved, you will be reimbursed up to the amount we pay a VSP network doctor. For example, if you are charged \$200 for the supplemental evaluation, your reimbursement amount would not exceed VSP's maximum payable of \$125.

- Submit the appeal of this decision in writing to VSP within 180 days from the date of the letter. Please include a copy of the claim, as well as any comments that you would like to have considered. Mail your appeal to:

VSP
Attn: Complaint & Grievance Unit
P.O. Box 997100
Sacramento, CA 95899

2. VSP has 30 days from the date it receives your request to resolve the complaint and send the resolution to you.

3. If the dispute is not resolved through the reconsideration process, you may request a review of the denial. You must:

- Contact Member Service Department at 800-807-0764 to request an appeal, or
- Submit the appeal of this decision in writing to VSP within 180 days from the date of the letter. Please include a copy of the claim, as well as any comments that you would like to have considered. Mail your appeal to:

4. If you do not agree with the final decision, you may request an independent third party, mutually agreed upon by VSP and OPM, to review the decision.

The decision of the independent third party is binding and is the final review of your claim. This decision is not subject to judicial review.

To initiate this process, you must submit the request for independent review to VSP, which has contracted with multiple, independent review organizations (IRO) that are fully accredited by URAC (a not-for-profit entity originally known as the Utilization Review Accreditation Commission).

You will be timely notified of the IRO decision.

Section 9 Definitions of Terms We Use in This Brochure

Annuitants	Federal retirees (who retired on an immediate annuity), and survivors (of those who retired on an immediate annuity or died in service) receiving an annuity. This also includes those receiving compensation from the Department of Labor's Office of Workers' Compensation Programs, who are called compensationers. Annuitants are sometimes called retirees.
BENEFEDS	The enrollment and premium administration system for FEDVIP.
Benefits	Covered services or payment for covered services to which enrollees and covered family members are entitled to the extent provided by this brochure.
Enrollee	The Federal employee or annuitant enrolled in this plan.
FEDVIP	Federal Employees Dental and Vision Insurance Program.
Plan Allowance	The amount VSP uses to determine payment for covered services. If you choose to see an out-of-network provider due to not having access to at least one VSP doctor within 15 miles in urban areas or one VSP doctor within 35 miles in rural areas, the plan allowance is based on the 75 th percentile of the VSP doctor's usual and customary fees. You are responsible for any difference between the amount billed and VSP's payment.
Pre-Authorization	This is the procedure used by the plan to pre-approve services and the amount that the plan will cover.
We/Us	VSP.
You	Enrollee or eligible family member.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your VSP Savings Statement, which is available online at vsp.com.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at **the VSP Fraud Watch Hotline at 800-877-7236 or via e-mail at contactSIU@VSP.com**.
- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self-support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the Plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
