Number: 19-701

Date: August 20, 2019

Subject: 2019 FEHB Open Season for Tribal Employees: Announcement

Welcome to the first in our series of 2019 Open Season Tribal Benefits Administration Letters (TBALs). This TBAL provides general information about this year's Federal Employees Health Benefits (FEHB) Open Season for Tribal Employees. The annual Open Season is held every year from the Monday of the second full workweek in November to the Monday of the second full workweek in December. This year, Open Season runs from **Monday, November 11, 2019 through Monday, December 9, 2019**.

OPEN SEASON OPPORTUNITIES

During Open Season, eligible tribal employees have the opportunity to make decisions about their FEHB benefits for the upcoming calendar year (2020).

During the annual Open Season, eligible tribal employees can:

- Enroll in the FEHB Program
- Change their enrollment from/to Self Only, Self Plus One or Self and Family coverage
- Change their enrollment to another FEHB plan or plan option
- Cancel an existing enrollment in a health plan under the FEHB Program

If tribal employees who are currently enrolled in an FEHB plan do nothing during Open Season, their FEHB enrollments will continue automatically as long as their plan continues to participate in the FEHB Program.

You are responsible for ensuring that your tribal employees are aware of the dates of Open Season, how to make changes, and which changes they can make. Tribal employees are entitled to make changes during Open Season even if they have been enrolled less than one year. Open Season changes take effect January 1, 2020.

PRE-OPEN SEASON MATERIALS

Attached to this TBAL you will find a list of Helpful Resources to help tribal employees consider and assess the various choices available to them as they make their Open Season benefits decisions. You are responsible for providing this to your tribal employees. Please distribute this attachment to tribal employees in mid-September:
