## Section 2 How we change for 2006

---

Do not rely on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

### **Changes to High Option only**

- Your share of the non-Postal premium will decrease by 4% for Self Only or 3.2% for Self and Family.
- Your prescription drug copayment will change from a 2-tier structure to a 3-tier structure. Your copays will be: \$10 generic drugs, \$15 preferred brand name drugs and \$30 non-preferred brand name drugs (see Section 5 (f)).

### **New Standard Option**

We are offering a Standard Option for 2006 (see Section 5 for specific information).
