
Section 2. How we change for 2008

Do not rely only on these change descriptions; this section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to High Option only

- Your share of the non-postal premium will increase for Self and Self and Family
- Decrease the primary care physician visit copayment from \$30 to \$25
- Increase the physician specialist visit copayment from \$35 to \$40
- Increase the emergency room visit copayment from \$75 to \$100, waived if admitted to hospital
- Decrease the inpatient hospital copay from \$200 per day to \$150 and increase the day maximum from 3 days to 5 days
- Decrease the copayment for generic prescription drugs from \$10 to \$5

For 2008, we have added a second plan option (our Standard Plan) in addition to our High Option Plan.
