Introduction

Kaiser Foundation Health Plan of Colorado
2500 South Havana Street
Aurora, Colorado 80014

This brochure describes the benefits of Kaiser Foundation Health Plan of Colorado under our contract (CS 1268) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled for Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2002, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2002, and changes are summarized on page 9. Rates are shown at the end of this brochure.

Plain Language

Teams of Government and health plans' staff worked on all FEHB brochures to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, "you" means the enrollee or family member; "we" or "Plan" means Kaiser Foundation Health Plan of Colorado.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let us know. Visit OPM's "Rate Us" feedback area at www.opm.gov/insure or e-mail us at fehwebcomments@opm.gov. You may also write to OPM at the Office of Personnel Management, Office of Insurance Planning and Evaluation, 1900 E Street NW, Washington, DC 20415.

Inspector General Advisory

Stop health care fraud!

Fraud increases the cost of health care for everyone. If you suspect that a physician, pharmacy, or hospital has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:

- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at 303/338-3800 in Denver/Boulder or 888/681-7878 in Colorado Springs and explain the situation.
- If we do not resolve the issue, call or write

THE HEALTH CARE FRAUD HOTLINE 202/418-3300

The United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street, NW, Room 6400
Washington, DC 20415

Penalties for Fraud

Anyone who falsifies a claim to obtain FEHB Program benefits can be prosecuted for fraud. Also, the Inspector General may investigate anyone who uses an ID card if the person tries to obtain services for someone who is not an eligible family member, or is no longer enrolled in the Plan and tries to obtain benefits. Your agency may also take administrative action against you.

Section 1. Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments and coinsurance described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with the Colorado Permanente Medical Group (Plan physicians) in the Denver/Boulder area to provide care in our Plan Medical Offices and network physicians (Plan physicians) in the Colorado Springs area. These Plan physicians are paid in a number of ways, including salary, capitation, per diem rates, case rates, fee-for-service, and incentive payments, for services they provide and services that are referred. If you would like further information about the way we pay Plan physicians to provide or arrange medical and hospital care in your service area, please call the Customer Service Center at 303/338-3800, or for Colorado Springs members, 888/681-7878.

Your Rights

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB website (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

We are a federally qualified health maintenance organization, and we have provided health care services to the Denver, Colorado area since 1969. Kaiser Foundation Health Plan of Colorado is a Colorado not-for-profit organization. This Plan is part of the Kaiser Permanente Medical Care Program, a group of not-for-profit organizations and contracting medical groups that serve over 8 million members nationwide. Our Medical Group, the Colorado Permanente Medical Group, P.C., operates Plan medical offices in the Denver/Boulder area. For the Colorado Springs area, we offer you services through participating providers.

If you want more information about us, call our Customer Service Center at 303/338-3800 for Denver members or 888/681-7878 for Colorado Springs members, or write to Kaiser Foundation Health Plan of Colorado, Customer Service Center, 2500 South Havana Street, Aurora, Colorado 80014-1622. You may also visit our website at www.kaiserpermanente.org.

Service Area

To enroll in this Plan, you must live in our service area. This is where our providers practice. Our service area is:

Denver. These zip codes in Adams, Arapahoe, Boulder, Clear Creek, Denver, Douglas, Elbert, Gilpin, Jefferson, Larimer, Park and Weld counties: 80001-7, 80010-22, 80024-28, 80030-31, 80033-34, 80036-38, 80040-42, 80044-47, 80102, 80104, 80107, 80110-12, 80116-17, 80120-31, 80134-35, 80137-38, 80150-51, 80154-55, 80160-63, 80201-12, 80214-39, 80241, 80243-44, 80246, 80248-52, 80254-56, 80259-66, 80270-71, 80273-75, 80279-81, 80290-95, 80299, 80301-10, 80314, 80321-23, 80328-29, 80401-3, 80421-22, 80425, 80427, 80433, 80437, 80439, 80452-55, 80457, 80465-66, 80470-71, 80474, 80481, 80501-4, 80510, 80513-14, 80516, 80520, 80530, 80533-34, 80537-40, 80542-44, 80601-3, 80614, 80621, 80623, 80640, 80642-43, 80651.

Colorado Springs. These zip codes in Douglas, El Paso, Fremont, Park and Teller counties: 80106, 80118, 80132-33, 80808-09, 80813-14, 80816-17, 80819-20, 80827, 80829, 80831-33, 80840-41, 80860, 80863-64, 80866, 80901, 80903-22, 80925-26, 80928-37, 80940-47, 80949-50, 80960, 80962, 80970, 80977, 80995, 80997, 81007-08, 81212, 81240.

Ordinarily, you must receive your care from physicians, hospitals, and other providers who contract with us. However, we are part of the Kaiser Permanente Medical Care Program, and if you are visiting another Kaiser Permanente service area, you can receive virtually all of the benefits of this Plan at any other Kaiser Permanente facility. We also pay for certain follow-up services or continuing care services while you are traveling outside the service area, as described on page 42; and for emergency care obtained from any non-Plan provider, as described on page 33. We will not pay for any other health care services.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2002

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- We removed the requirement that services must be needed to restore functional speech from the speech therapy benefit.

Changes to this Plan

- Your share of the non-Postal premium will increase by 34.4% for Self Only or 34.4% for Self and Family.
- We clarified the Preventive care, adult benefit by removing the entry for blood lead level testing for adults because it is a test more typically done for children.
- We expanded your hospice benefits to include a Special Services Hospice program if you are eligible for hospice and have not yet elected hospice care. This program covers 15 home visits by Plan special service hospice providers at no charge.
- We increased the copayment for ambulance services from \$25 to \$50 per transport.
- We increased the copayment for immunosuppressive drugs from no charge to \$15 per prescription or refill.
- Drugs that have a significant potential for waste will be dispensed for up to a 30-day supply.
- If you have Medicare Part B benefits, we now require that you assign your Medicare Part B benefits to the Plan to receive covered services.
- We no longer limit total blood cholesterol tests to certain age groups. (Section 5(a))
- We now cover certain intestinal transplants. (Section 5(b))
- We changed the address for sending disputed claims to OPM.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 303/338-3800.

Where you get covered care

You get care from "Plan providers" and "Plan facilities." You will only pay copayments or coinsurance, and you will not have to file claims.

- **Plan providers**

Denver/Boulder area: We contract with the Colorado Permanente Medical Group, P.C., to provide or arrange all necessary health care services. Physicians, including specialists, and other health care professionals such as nurse practitioners, physician assistants, and other skilled medical personnel working as medical teams at our Plan facilities provide your medical care. You also receive other necessary medical services, such as physical therapy, laboratory and x-ray services at our Plan facilities.

We list Plan physicians in our provider directory, which we update periodically. The list is also on our website, www.kaiserpermanente.org.

Colorado Springs area: We contract, through the Colorado Permanente Medical Group, P.C., with a panel of affiliated primary care physicians, specialists, and other health care professionals to provide medical services. You can identify these physicians, along with a listing of affiliated specialists and ancillary providers in the Affiliated Practitioner Directory. You may obtain a copy by calling Customer Service at 888/681-7878 or going to our website, www.kaiserpermanente.org/coloradosprings and clicking on "Affiliated Practitioner Directory."

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members.

Denver/Boulder area: Our contracted hospitals include Exempla St. Joseph's Hospital, Swedish Medical Center and Boulder Community Hospital.

We offer health care at 16 Plan medical offices conveniently located throughout the Denver/Boulder metropolitan area. We list these in the provider directory, which we update periodically. The list is also on our website.

Colorado Springs area: You may access hospital care at affiliated Plan facilities.

When you select your primary care physician, you will receive your services at that physician's office.

You must receive your health services at affiliated Plan facilities, except if you have an emergency. If you are visiting another Kaiser Permanente service area, you may receive health care services at those Kaiser Permanente facilities. Under the circumstances specified in this brochure, you may receive follow-up or continuing care while you travel anywhere.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care.

Denver/Boulder area: Choose your primary care physician from our provider directory. If you want to receive care from a specific physician who is listed in the directory, call the physician to verify that he or she still participates with the Plan and is accepting new patients.

Colorado Springs area: Choose your primary care physician from our panel of affiliated primary care physicians. Our affiliated physicians, both primary care and specialists, are listed in the Affiliated Practitioner Directory. You may obtain a copy by calling the Customer Service Center at 888/681-7878 or by going to our website, www.kaiserpermanete.org/coloradosprings and clicking on "Affiliated Practitioner Directory".

• Primary care

Your primary care physician can be a family practitioner, internist or pediatrician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist. We cover specialists' services only when your primary care physician refers you.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

In Colorado Springs, you may change your primary care physician at any time. Call the Customer Service Center at 888/681-7878. Notify us of your new primary care physician choice by the 15th day of the month. Your selection will be effective on the first day of the following month.

• Specialty care

Your primary care physician will refer you to a specialist for needed care. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral. However, you may see a gynecologist, an optometrist, or our mental health and substance abuse Plan providers without a referral.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your treatment plan.
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a

specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.

- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause; or
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB plan; or
 - reduce our service area and you enroll in another FEHB plan,you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us, or if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

• Hospital care

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, for Denver/Boulder members, call our Customer Service Center immediately at 303/338-3800, or for Colorado Springs members, 888/681-7878. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- you are discharged, not merely moved to an alternative care center; or
- the day your benefits from your former plan run out; or
- the 92nd day after you become a member of this Plan,

whichever happens first.

These provisions apply only to the benefits of the hospitalized person.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. However, for certain services, such as oral and maxillofacial surgery, reconstructive surgery, DME, and pulmonary rehabilitation, your physician must obtain approval from us.

We call this review and approval process "preauthorization." Preauthorization is the process of collecting information so we can determine coverage, eligibility, medical appropriateness, and benefit limitations.

Preauthorization determinations are made based on the information available at the time the service or procedure is requested.

Registered nurses perform the first level of review using nationally recognized guidelines and resources, as well as our own internal guidelines and policies. The nurse coordinates with the requesting physician in evaluating the medical appropriateness of the service or procedure. The Utilization Management nurse will approve cases that meet our criteria. If the nurse is unable to approve the services based on the application of our criteria, the Medical Director will review the matter. If the Medical Director approves, you will receive the service. If the Medical Director denies the service we send a denial letter to your physician and you.

Section 4. Your costs for covered services

You must share the cost of some services. You are responsible for:

- **Copayments** A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive services. Example: When you see your primary care physician, you pay a copayment of \$10 per office visit.
- **Deductible** We do not have a deductible.

NOTE: If you change plans during open season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.
- **Coinsurance** Coinsurance is the percentage of our allowance that you must pay for certain services you receive. Example: In our Plan, you pay 50% of our allowance for infertility services.
- **Fees when you fail to make your copayment** If you do not pay your copayment at the time you receive services, we will bill you. You will be required to pay a \$10 charge for each bill sent for unpaid services.

Your catastrophic protection out-of-pocket maximum for copayments and coinsurance

After your copayments and coinsurance total \$2,000 per person or \$4,500 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments for the following services do not count toward your out-of-pocket maximum, and you must continue to pay copayments for these services.

- Prescription drugs
- Dental services
- Chiropractic services
- Extended care services
- Durable medical equipment
- External prostheses and braces
- The \$25 charges paid for follow-up or continuing care

Be sure to keep accurate records of your copayments and coinsurance since you are responsible for informing us when you reach the maximum.

Section 5. Benefits -- OVERVIEW

(See page 9 for how our benefits changed this year and page 67 for a benefits summary.)

NOTE: This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claims forms, claims filing advice, or more information about our benefits, contact us at 303/338-3800 or at our website at www.kaiserpermanente.org.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

In a life-threatening emergency, call 911. When the operator answers, stay on the phone and answer all questions.

Emergencies within our service area:

Denver/Boulder area: If you are in an emergency situation, call **911**, go to the closest emergency room or a Plan hospital. If you are not sure whether your situation is an emergency, call our Emergency Care Telephone Line at 303/861-3434, 24 hours a day, seven days a week. If an ambulance is necessary, we will authorize it.

For urgently needed services, such as an earache or sore throat with fever that cannot wait for a routine visit, you may call your PCP's Medical Office to schedule a same-day appointment during regular office hours. You may obtain urgent care services after regular office hours at various facilities in the Denver/Boulder area. Please call 303/338-3800 for information on locations and hours of accessibility for after-hours/urgent care.

Colorado Springs area: If you are in an emergency situation, call 911, or go to the closest emergency room. If you are not sure your situation is an emergency, call your PCP.

For urgent care that cannot wait for a routine office visit, call your PCP to schedule a same-day or urgent care appointment during regular office hours. Urgent/after hours care is available by calling your PCP. You can also check our website, www.kaiserpermanente.org/coloradosprings, for a listing of urgent care/after hours clinics.

Emergencies outside our service area:

We cover emergency situations, such as myocardial infarction, appendicitis or premature delivery, outside the service area. If you are hospitalized for emergency services while outside our service area, you or a family member should notify us within 48 hours or as soon as possible after you have been admitted. We will make arrangements for any necessary continued hospitalization or to transfer you to a hospital within our Plan. By notifying us as soon as possible, you will protect yourself from potential liability for payment of services you receive after a transfer would have been possible.

Note: Emergency services are limited to those services required before your medical condition permits your travel or transfer to care in our Plan. Continuing or follow-up care from out-of-plan providers is not covered.

You may obtain emergency and urgent care services from Kaiser Permanente medical facilities and providers when you are in the service area of another Kaiser Permanente plan. The facilities are listed in the local telephone book under Kaiser Permanente. These numbers are available 24 hours a day, seven days a week. You may also obtain information about the location of facilities by calling Customer Service at 303/338-3800.

Benefit Description	You pay
Mental health and substance abuse benefits	
<p>We cover all diagnostic and treatment services recommended by a Plan provider and contained in a treatment plan. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure.</p> <p>Note: We cover the services only when we determine that the care is clinically appropriate to treat your condition, and only when you receive the care as part of a treatment plan developed by a Plan provider.</p> <p>Note: OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment in favor of another.</p>	<p>Your cost sharing responsibilities are not greater than for other illnesses or conditions</p>

Limitation

We may limit your benefits if you do not obtain a treatment plan.

Section 5 (f). Prescription drug benefits

I M P O R T A N T	<p>Here are some important things to keep in mind about these benefits:</p> <ul style="list-style-type: none"> • We cover prescribed drugs and medications, as described in the chart beginning on the next page. • Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and we cover them only when we determine they are medically necessary. • We have no calendar year deductible. • Be sure to read Section 4, <i>Your costs for covered services</i> for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare. 	I M P O R T A N T
--	--	--

There are important features you should be aware of. These include:

- **Who can write your prescription.** A Plan or referral physician or licensed dentist must write the prescription.
- **Where you can obtain them.**

Denver/Boulder area: You must fill the prescription at a Plan pharmacy. You may refill prescriptions through Direct Rx, our mail order service. We provide refills in the same quantities as the original prescription, up to a 60-day supply. You can obtain reorder envelopes at Plan pharmacies. Envelopes are included in every order mailed by Direct Rx. Direct Rx mails refills by First Class U.S. Mail at no charge to you for postage and handling. You should receive your prescription within 7-10 days. To place an order by telephone, call Direct Rx at 303/344-7986. This refill line can be used 24 hours a day.

Colorado Springs area: You must fill the prescription at a pharmacy designated by the Plan. A list of affiliated pharmacies can be obtained by calling our Customer Service Center at 888/681-7878 or by accessing our Colorado Springs website at www.kaiserpermanente.org/coloradosprings. You may have prescriptions for maintenance medications filled by our convenient mail-order prescription service, **familymeds**, available 24 hours a day. Refills will be mailed by First Class U.S. Mail at no charge to you for postage and handling. You should receive your prescription within 7-10 days. Contact **familymeds** at 888/787-2800 for more information, or check our Colorado Springs website.

- **We use a formulary.** A formulary is a listing of preferred pharmaceutical substances and formulas. A team of Kaiser Permanente physicians and pharmacists independently and objectively evaluates the scientific literature to identify the FDA-approved drugs best suited to treat specific medical conditions. When your physician believes a non-formulary drug is necessary, he may request a formulary exception. The physician, pharmacist, and our medical director will determine the best medication to treat your condition. If you request the non-formulary drug when your Plan physician has prescribed a generic substitution, the non-formulary drug will not be covered. However, you may purchase the non-formulary drug from a Plan pharmacy or designated pharmacies in the Colorado Springs area at our allowance.

Note: Some prescription drugs, such as (but not limited to) Zyban or Interferon, require preauthorization in Colorado Springs. Your Plan physician should contact MedImpact, our pharmacy benefit manager, or our medical director to obtain approval.

- **These are the dispensing limitations.** You may purchase covered drugs in prescribed quantities for up to a 60-day supply for maintenance drugs or part of a 60-day supply for non-maintenance drugs, except certain drugs that have a significant potential for waste will be provided for up to a 30-day supply. Please contact our Pharmacy Call Center at (303) 338-4503 for the current list of these drugs. Refills of prescriptions will be provided subject to the same conditions as the original prescription. Plan pharmacies may substitute a generic equivalent for a name-brand drug unless prohibited by the Plan physician. If a generic equivalent is not available, you pay the brand-name copay. If you request a brand-name drug not on the formulary when your Plan physician has prescribed an approved generic drug, you pay the applicable copay plus the difference in price between the generic drug and your requested brand-name drug.

-
- **Why use generic drugs?** Generic drugs contain the same active ingredients and are equivalent in strength and dosage to the original name-brand product. Generic drugs cost you and your plan less money than a name-brand drug.
 - **When you have to file a claim.** When you receive drugs from a Plan pharmacy, you do not have to file a claim. For a covered out-of-area emergency, you will need to file a claim when you receive drugs from a non-Plan pharmacy.

Feature	Description
<p>Flexible benefits option</p>	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> • We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit • We review alternative benefits on an ongoing basis • By approving an alternative benefit, we cannot guarantee you will get it in the future • The decision to offer an alternative benefit is solely ours, and we may withdraw it at any time and resume regular contract benefits • Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process
<p>Travel benefit</p>	<p>Kaiser Permanente’s travel benefits for Federal employees provide you with outpatient follow-up or continuing medical care when you are outside your home service area by more than 100 miles and outside of any other Kaiser Permanente service area. These benefits are in addition to your emergency and urgent care benefits and include:</p> <ul style="list-style-type: none"> • Outpatient follow-up care necessary to complete a course of treatment after a covered emergency. Services include removal of stitches, a catheter, or a cast • Outpatient continuing care for conditions diagnosed by a Kaiser Permanente health care provider or affiliated Plan provider that have been treated within the previous 90 days. Services include childhood immunizations, dialysis, or prescription drug monitoring • You pay \$25 for each follow-up or continuing care office visit. We deduct this amount from the payment we make to you • We pay no more than \$1200 each calendar year • For more information about this benefit call the Travel Benefit Information Line at 800/390-3509 • Claims should be submitted to the Claims Department, Kaiser Foundation Health Plan of Colorado, P.O. **Services from other
Kaiser Permanente
Plans**

When you visit the service area of another Kaiser Permanente plan, you are entitled to receive virtually all the benefits described in this brochure at any Kaiser Permanente medical office or medical center. You will have to pay the copayments or other charges imposed by the Plan you are visiting. If the Plan you are visiting has a benefit that differs from the benefits of this Plan, you are not entitled to receive that benefit.

Some services covered by this Plan, such as artificial reproductive services and the services of specialized rehabilitation facilities, will not be covered if you receive them in other Kaiser Permanente service areas. If a benefit is limited to a specific number of visits or days, you are entitled to receive only the number of visits or days covered by this Plan.

If you are seeking routine, non-emergent, or non-urgent services, you should call the Kaiser Permanente Membership Services department in that service area and request an appointment. You may obtain routine follow-up or continuing care from these Plans, even when you have obtained the original services in our service area. If you require emergency services as the result of unexpected or unforeseen illness that requires immediate attention, you should go directly to the nearest Kaiser Permanente facility to receive care.

At the time you register for services, you will be asked to pay the charges required by the local Plan.

If you wish to obtain more information about the benefits available to you from a Kaiser Permanente Plan in an area you visit, please call the Customer Service Center at 303/338-3800 in Denver/Boulder and 888/681-7878 in Colorado Springs.

Section 5 (i). Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB deductibles or out-of-pocket maximums.

As an FEHBP enrollee in this Plan, you can receive acupuncture and massage therapy services through Landmark Healthcare, at a 25% discount of the practitioner's standard charges. Contact Landmark Healthcare at 800/638-4557 for more information.

Section 6. General exclusions -- things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan physician determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Section 5(d)), services under the Travel Benefit (see Section 5(g)), and services received from other Kaiser Permanente plans (see Section 5(g));
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs, or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations; or
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or fill your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers or when you use the travel benefit. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical, hospital, and drug benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 303/338-3600 in Denver/Boulder and 888/681-7878 in Colorado Springs.

When you must file a claim – such as for out-of-area care – submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

Submit your claims to:

Denver/Boulder area: Claims Department
Kaiser Foundation Health Plan of Colorado
P.O. Box 372970
Denver, CO 80237-6970

Colorado Springs area: Claims Department
Kaiser Foundation Health Plan of Colorado
P.O. Box 378020
Denver, CO 80237-8020

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

If you have a malpractice claim If you have a malpractice claim because of services you did receive, or did not receive, from a Plan provider, you must submit the claim to binding arbitration. The Plan has the information that describes the arbitration process. Contact our Compliance and Risk Management Department at 303/344-7298 for copies of our requirements. These will explain how you can begin the binding arbitration process.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for pre-authorization:

Step	Description
------	-------------

- | | |
|----------|--|
| 1 | Ask us in writing to reconsider our initial decision. You must: <ol style="list-style-type: none">Write to us within 6 months from the date of our decision; andSend your request to us at: Compliance and Risk Management Department, Kaiser Foundation Health Plan of Colorado, 10350 East Dakota Avenue, Denver, CO 80231-1314; andInclude a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; andInclude copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms. |
|----------|--|

- | | |
|----------|---|
| 2 | We have 30 days from the date we receive your request to: <ol style="list-style-type: none">Pay the claim (or, if applicable, arrange for the health care provider to give you the care); orWrite to you and maintain our denial -- go to step 4; orAsk you or your provider for more information. If we ask your provider, we will send you a copy of our request -- go to step 3. |
|----------|---|

- | | |
|----------|--|
| 3 | You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision. |
|----------|--|

- | | |
|----------|--|
| 4 | If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within: <ul style="list-style-type: none">90 days after the date of our letter upholding our initial decision; or120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or120 days after we asked for additional information. |
|----------|--|

Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division 3, 1900 E Street, NW, Washington, DC 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review different claims, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

5 OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

6 If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- (a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 303/338-3800 in the Denver/Boulder area and 888/681-7878 in the Colorado Springs area and we will expedite our review; or
- (b) We denied your initial request for care or pre-authorization/prior approval, then:
 - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
 - You can call OPM's Health Benefits Contracts Division 3 at 202/606-0755 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage

You must tell us if you are covered or a family member is covered under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called "double coverage."

When you have double coverage, one plan is the primary payer; it pays benefits first. The other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' Guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance. If we are the secondary payer, and you received your services from Plan providers, we may bill the primary carrier.

- **What is Medicare?**

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- **Part A (Hospital Insurance).** Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (Someone who was a Federal employee on January 1, 1983 or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- **Part B (Medical Insurance).** Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare+Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. We will not waive any of our copayments.

(Primary payer chart begins on next page.)

The following chart illustrates whether **the Original Medicare Plan** or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

- **Medicare managed care plan** If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from another type of Medicare+Choice plan -- a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans provide all the benefits that Original Medicare covers. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov.

If you enroll in a Medicare managed care plan, the following options are available to you:

This Plan and our Medicare managed care plan: You may enroll in our Medicare managed care plan, known as Medicare+Choice or Kaiser Permanente Senior Advantage, and also remain enrolled in our FEHB plan. (This Plan is available in the Denver/Boulder area only. It is not available in the Colorado Springs area.) In this case, we waive or lower some of our copayments and coinsurance for your FEHB and Medicare coverage. If you would like information about our Medicare+Choice plan, please call 303/338-3800. Your Kaiser Permanente Senior Advantage-FEHB benefits that we lowered or waived are:

- Outpatient office visits: \$5
- Preventive care office visits: \$0
- Short-term speech, occupational, and physical rehabilitative therapy: \$5
- Outpatient mental health office visits: \$5
- Dialysis services: \$0
- Family planning services: \$5
- Infertility treatment: \$5
- Substance abuse treatment: \$5

This Plan and another plan's Medicare managed care plan: You may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary if you use our Plan providers, but we will not lower or waive any of our copayments or coinsurance. If you enroll in a Medicare managed care plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare managed care plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare managed care plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare managed care service area.

- **If you enroll in Medicare Part B** If you enroll in Medicare Part B, we require you to assign your Medicare Part B benefits to the Plan for its services.

- **If you do not enroll in Medicare Part A or Part B**

If you do not have one or both Parts of Medicare, you can still be covered under the FEHB Program. We will not require you to enroll in Medicare Part B, and if you cannot get premium-free Part A, we will not ask you to enroll in it.

TRICARE

TRICARE is the health care program for eligible dependents of military persons and retirees of the military. TRICARE includes the CHAMPUS program. If both TRICARE and this Plan cover you, we pay first. See your TRICARE Health Benefits Advisor if you have questions about TRICARE coverage.

Workers' Compensation

We do not cover services that:

- you need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

Medicaid

When you have this Plan and Medicaid, we pay first.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. See page 14.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 14.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	(1) Assistance with activities of daily living, for example, walking, getting in and out of bed, dressing, feeding, toileting, and taking medicine. (2) Care that can be performed safely and effectively by people who, in order to provide the care, do not require medical licenses or certificates or the presence of a supervising licensed nurse.
Deductible	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 14.
Durable medical equipment	Durable medical equipment (DME) is equipment that is intended for repeated use, medically necessary, primarily and customarily used to serve a medical purpose, generally not useful to a person who is not ill or injured, designed for prolonged use, appropriate for use in the home, and serves a specific therapeutic purpose in the treatment of an illness or injury.
Experimental or investigational services	We carefully evaluate whether a particular therapy is safe and effective or offers a reasonable degree of promise with respect to improving health outcomes. The primary source of evidence about health outcomes of any intervention is peer-reviewed medical or dental literature. When the service or supply, including a drug: (1) has not been approved by the FDA; or (2) is the subject of a new drug or new device application on file with the FDA; or (3) is part of a Phase I or Phase II clinical trial, as the experimental or research arm of a Phase III clinical trial; or is intended to evaluate the safety, toxicity, or efficacy of the service; or (4) is available as the result of a written protocol that evaluates the service's safety, toxicity, or efficacy; or (5) is subject to the approval or review of an Institutional Review Board; or (6) requires an informed consent that describes the service as experimental or investigational; then this Plan considers that service, supply, or drug to be experimental, and not covered by the Plan.
Group health coverage	Health care benefits that are available as a result of your employment, or the employment of your spouse, and that are offered by an employer or through membership in an employee organization. Health care coverage may be insured or indemnity coverage, self-insured or self-funded coverage, or coverage through health maintenance organizations or other managed care plans. Health care coverage purchased through membership in an organization is also "group health coverage."

Medically necessary

All benefits need to be medically necessary in order for them to be covered benefits. Generally, if your Plan physician provides the service in accord with the terms of this brochure, it will be considered medically necessary. However, some services are reviewed in advance of your receiving them to determine if they are medically necessary. When we review a service to determine if it is medically necessary, a Plan physician will evaluate what would happen to you if you do not receive the service. If not receiving the service would adversely affect your health, it will be considered medically necessary. The services must be a medically appropriate course of treatment for your condition. If they are not medically necessary, we will not cover the services. In case of emergency services, the services that you received will be evaluated to determine if they were medically necessary.

Our allowance

The amount we use to determine your coinsurance. When you receive services or supplies from Plan providers, it is the amount that we set for the services or supplies if we were to charge for them. When you receive services from non-Plan providers, we determine the amount that we believe is usual and customary for the service or supply, and compare it to the charges. Our allowance is based upon the reasonableness of the charges. If the charges exceed what we believe is reasonable, you may be responsible for the excess over our allowance in addition to your coinsurance.

Us/We

Us and we refer to Kaiser Foundation Health Plan of Colorado.

You

You refers to the enrollee and each covered family member.

Section 11. FEHB facts

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure. Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

When benefits and premiums start

The benefits in this brochure are effective on January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

Your medical and claims records are confidential

We will keep your medical and claims information confidential. Only the following will have access to it:

- OPM, this Plan, and subcontractors when they administer this contract;
- This Plan and appropriate third parties, such as other insurance plans and the Office of Workers' Compensation Programs (OWCP), when coordinating benefit payments and subrogating claims;
- Law enforcement officials when investigating and/or prosecuting alleged civil or criminal actions;
- OPM and the General Accounting Office when conducting audits;
- Individuals involved in bona fide medical research or education that does not disclose your identity; or
- OPM, when reviewing a disputed claim or defending litigation about a claim.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as temporary continuation of coverage (TCC).

When you lose benefits

• When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

• Spouse equity coverage

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. But, you may be eligible for your own FEHB coverage under the spouse equity law. If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices.

• Temporary continuation of coverage (TCC)

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (if you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

Getting a Certificate of Group Health Plan Coverage

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, Temporary Continuation of Coverage (TCC) under the FEHB Program. See also the FEHB website (www.opm.gov/insure/health); refer to the "TCC and HIPAA" frequently asked question. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and have information about Federal and State agencies you can contact for more information.

Long Term Care Insurance Is Coming Later in 2002!

- Many FEHB enrollees think that their health plan and/or Medicare will cover their long-term care needs. Unfortunately, they are *WRONG!*
- How are YOU planning to pay for the future custodial or chronic care you may need?
- You should consider buying long-term care insurance.

The Office of Personnel Management (OPM) will sponsor a high-quality long term care insurance program effective in October 2002. As part of its educational effort, OPM asks you to consider these questions:

What is long term care (LTC) insurance?

- It's insurance to help pay for long term care services you may need if you can't take care of yourself because of an extended illness or injury, or an age-related disease such as Alzheimer's.
- LTC insurance can provide broad, flexible benefits for nursing home care, care in an assisted living facility, care in your home, adult day care, hospice care, and more. LTC insurance can supplement care provided by family members, reducing the burden you place on them.

I'm healthy. I won't need long term care. Or, will I?

- Welcome to the club!
- 76% of Americans believe they will never need long term care, but the facts are that about half of them will. And it's not just the old folks. About 40% of people needing long term care are under age 65. They may need chronic care due to a serious accident, a stroke, or developing multiple sclerosis, etc.
- We hope you will never need long term care, but everyone should have a plan just in case. Many people now consider long term care insurance to be vital to their financial and retirement planning.

Is long term care expensive?

- Yes, it can be very expensive. A year in a nursing home can exceed \$50,000. Home care for only three 8-hour shifts a week can exceed \$20,000 a year. And that's before inflation!
- Long term care can easily exhaust your savings. *Long term care insurance can protect your savings.*

But won't my FEHB plan, Medicare or Medicaid cover my long term care?

- Not FEHB. Look at the "*Not covered*" blocks in sections 5(a) and 5(c) of your FEHB brochure. Health plans don't cover custodial care or a stay in an assisted living facility or a continuing need for a home health aide to help you get in and out of bed and with other activities of daily living. Limited stays in skilled nursing facilities can be covered in some circumstances.
- Medicare only covers skilled nursing home care (the highest level of nursing care) after a hospitalization for those who are blind, age 65 or older or fully disabled. It also has a 100 day limit.
- Medicaid covers long term care for those who meet their state's poverty guidelines, but has restrictions on covered services and where they can be received. *Long term care insurance can provide choices of care and preserve your independence.*

When will I get more information on how to apply for this new insurance coverage?

- Employees will get more information from their agencies during the LTC open enrollment period in the late summer/early fall of 2002.
- Retirees will receive information at home.

How can I find out more about the program NOW?

- Our toll-free teleservice center will begin in mid-2002. In the meantime, you can learn more about the program on our website at www.opm.gov/insure/ltc.

2002 Rate Information for Kaiser Foundation Health Plan of Colorado

Non-Postal rates apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the *FEHB Guide* for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the *FEHB Guide for United States Postal Service Employees, RI 70-2*. Different postal rates apply and special FEHB guides are published for Postal Service Nurses, RI 70-2B; and for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *FEHB Guide*.
