OFFICE OF THE DIRECTOR

Dear Federal Employees Health Benefits Program Participant:

I am pleased to present this Federal Employees Health Benefits (FEHB) Program plan brochure for 2003. The brochure explains all the benefits this health plan offers to its enrollees. Since benefits can vary from year to year, you should review your plan's brochure every Open Season. Fundamentally, I believe that FEHB participants are wise enough to determine the care options best suited for themselves and their families.

In keeping with the President's health care agenda, we remain committed to providing FEHB members with affordable, quality health care choices. Our strategy to maintain quality and cost this year rested on four initiatives. First, I met with FEHB carriers and challenged them to contain costs, maintain quality, and keep the FEHB Program a model of consumer choice and on the cutting edge of employer-provided health benefits. I asked the plans for their best ideas to help hold down premiums and promote quality. And, I encouraged them to explore all reasonable options to constrain premium increases while maintaining a benefits program that is highly valued by our employees and retirees, as well as attractive to prospective Federal employees. Second, I met with our own FEHB negotiating team here at OPM and I challenged them to conduct tough negotiations on your behalf. Third, OPM initiated a comprehensive outside audit to review the potential costs of federal and state mandates over the past decade, so that this agency is better prepared to tell you, the Congress and others the true cost of mandated services. Fourth, we have maintained a respectful and full engagement with the OPM Inspector General (IG) and have supported all of his efforts to investigate fraud and waste within the FEHB and other programs. Positive relations with the IG are essential and I am proud of our strong relationship.

The FEHB Program is market-driven. The health care marketplace has experienced significant increases in health care cost trends in recent years. Despite its size, the FEHB Program is not immune to such market forces. We have worked with this plan and all the other plans in the Program to provide health plan choices that maintain competitive benefit packages and yet keep health care affordable.

Now, it is your turn. We believe if you review this health plan brochure and the FEHB Guide you will have what you need to make an informed decision on health care for you and your family. We suggest you also visit our web site at [www.opm.gov/insure](http://www.opm.gov/insure).

Sincerely,

A handwritten signature in black ink, appearing to read "Kay Coles James".

Kay Coles James  
Director

## Notice of the Office of Personnel Management's Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

By law, the Office of Personnel Management (OPM), which administers the Federal Employees Health Benefits (FEHB) Program, is required to protect the privacy of your personal medical information. OPM is also required to give you this notice to tell you how OPM may use and give out ("disclose") your personal medical information held by OPM.

OPM **will** use and give out your personal medical information:

- To you or someone who has the legal right to act for you (your personal representative),
- To the Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected,
- To law enforcement officials when investigating and/or prosecuting alleged or civil or criminal actions, and
- Where required by law.

OPM **has the right** to use and give out your personal medical information to administer the FEHB Program. For example:

- To communicate with your FEHB health plan when you or someone you have authorized to act on your behalf asks for our assistance regarding a benefit or customer service issue.
- To review, make a decision, or litigate your disputed claim.
- For OPM and the General Accounting Office when conducting audits.

OPM **may** use or give out your personal medical information for the following purposes under limited circumstances:

- For Government healthcare oversight activities (such as fraud and abuse investigations),
- For research studies that meet all privacy law requirements (such as for medical research or education), and
- To avoid a serious and imminent threat to health or safety.

By law, OPM must have your written permission (an "authorization") to use or give out your personal medical information for any purpose that is not set out in this notice. You may take back ("revoke") your written permission at any time, except if OPM has already acted based on your permission.

By law, you **have the right** to:

- See and get a copy of your personal medical information held by OPM.
- Amend any of your personal medical information created by OPM if you believe that it is wrong or if information is missing, and OPM agrees. If OPM disagrees, you may have a statement of your disagreement added to your personal medical information.
- Get a listing of those getting your personal medical information from OPM in the past 6 years. The listing will not cover your personal medical information that was given to you or your personal representative, any information that you authorized OPM to release, or that was given out for law enforcement purposes or to pay for your health care or a disputed claim.

- Ask OPM to communicate with you in a different manner or at a different place (for example, by sending materials to a P.O. Box instead of your home address).
- Ask OPM to limit how your personal medical information is used or given out. However, OPM may not be able to agree to your request if the information is used to conduct operations in the manner described above.
- Get a separate paper copy of this notice.

For more information on exercising your rights set out in this notice, look at [www.opm.gov/insure](http://www.opm.gov/insure) on the web. You may also call 202/606-0191 and ask for OPM's FEHB Program privacy official for this purpose.

If you believe OPM has violated your privacy rights set out in this notice, you may file a complaint with OPM at the following address:

Privacy Complaints  
Office of Personnel Management  
P.O. Box 707  
Washington, DC 20004-0707

Filing a complaint will not affect your benefits under the FEHB Program. You also may file a complaint with the Secretary of the Department of Health and Human Services.

By law, OPM is required to follow the terms in this privacy notice. OPM has the right to change the way your personal medical information is used and given out. If OPM makes any changes, you will get a new notice by mail within 60 days of the change. The privacy practices listed in this notice will be effective April 14, 2003.

## Introduction

---

This brochure describes the benefits of Kaiser Foundation Health Plan, Inc., Hawaii Region under our contract (CS 1060) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. The address for Kaiser Foundation Health Plan, Inc., Hawaii Region's administrative office is:

Kaiser Foundation Health Plan, Inc., Hawaii Region  
711 Kapiolani Boulevard  
Honolulu, Hawaii 96813

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in self and family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2003, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2003, and changes are summarized on page 9. Rates are shown at the end of this brochure.

---

## Plain Language

---

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, "you" means the enrollee or family member; "we" or "Plan" means Kaiser Foundation Health Plan, Inc., Hawaii Region.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve this brochure, let us know. Visit OPM's "Rate Us" feedback area at [www.opm.gov/insure](http://www.opm.gov/insure) or e-mail us at [fehwebcomments@opm.gov](mailto:fehwebcomments@opm.gov). You may also write to OPM at the Office of Personnel Management, Office of Insurance Planning and Evaluation, 1900 E Street NW, Washington, DC 20415.

---

## Stop Health Care Fraud!

---

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits (FEHB) Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

**Protect Yourself From Fraud** – Here are some things you can do to prevent fraud:

- Be wary of giving your plan identification (ID) number over the telephone or to people you do not know, except to your doctor, other provider, or authorized plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
  - Call the provider and ask for an explanation. There may be an error.
  - If the provider does not resolve the matter, call us at 808/432-5955 or 800/966-5955 and explain the situation.
  - If we do not resolve the issue:

**CALL – THE HEALTH CARE FRAUD HOTLINE**  
**202/418-3300**

**OR WRITE TO:**

The United States Office of Personnel Management  
Office of the Inspector General Fraud Hotline  
1900 E Street, NW, Room 6400  
Washington, DC 20415

- Do not maintain as a family member on your policy:
  - your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
  - your child over age 22 (unless he/she is disabled and incapable of self support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed or with OPM if you are retired.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

---

## Section 1. Facts about this HMO plan

---

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of our most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments and coinsurance described in this brochure. When you receive emergency services or services covered under our travel benefit, from non-Plan providers, you may have to submit claim forms.

**You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.**

### How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

### Your Rights

OPM requires that all FEHB plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB website ([www.opm.gov/insure](http://www.opm.gov/insure)) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- Non-profit group practice, federally qualified health maintenance organization
- This Plan is part of the Kaiser Permanente Medical Care Program, a group of non-profit organizations and contracting medical groups that serve over 8 million members nationwide
- 45 years in existence
- Our three entities – Kaiser Foundation Health Plan, Inc., Kaiser Foundation Hospitals, and Hawaii Permanente Medical Group, Inc. (HPMG) – work together to provide you with a full range of medical care, benefits, and services
- We credential Plan providers according to national standards
- Our Moanalua Medical Center is accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO)

If you want more information about us, call the Plan's Customer Service Center at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui or Hawaii, or 808/643-8833 TTY, or write to the Health Plan office at 711 Kapiolani Blvd., Tower Bldg., Suite 400, Honolulu, Hawaii 96813. You may also contact us by fax at 808/432-5300 or visit our website at [www.kaiserpermanente.org/hawaii](http://www.kaiserpermanente.org/hawaii).

## **Service Area**

To enroll in this Plan, you must live in our service area. This is where our providers practice. Our service area is:

The Islands of Oahu, Kauai, Maui  
The Island of Hawaii (except zip codes 96718, 96772, and 96777).

Ordinarily, you must receive your care from physicians, hospitals, and other providers who contract with us. However, we are part of the Kaiser Permanente Medical Care Program, and if you are visiting another Kaiser Permanente service area, you can receive virtually all of the benefits of this Plan at any other Kaiser Permanente facility. You must pay the charges or copayments imposed by the Kaiser Permanente Plan you are visiting. See Section 5(g), Special Features, for more details. We also pay for certain follow-up services or continuing care services while you are traveling outside the service area, as described on page 49; and for emergency care obtained from any non-Plan provider, as described on page 39. We will not pay for any other health care services.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

---

## Section 2. How we change for 2003

---

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

### Program-wide changes

- A Notice of the Office of Personnel Management's Privacy Practices is included.
- A section on the Children's Equity Act describes when an employee is required to maintain Self and Family coverage.
- Program information on TRICARE and CHAMPVA explains how annuitants or former spouses may suspend their FEHB Program enrollment.
- Program information on Medicare is revised.
- By law, the DoD/FEHB Demonstration project ends on December 31, 2002.

### Changes to this Plan

Changes apply to both Standard and High Options unless otherwise noted.

- Your share of the non-Postal premium will increase by 17.2% for Self Only or increase 17.2% for Self and Family under the High Option and will increase by 16.6% for Self Only or 16.6% for Self and Family under the Standard Option.
- Your copayments for chiropractic and alternative treatments do not count toward your catastrophic protection out-of-pocket maximum.
- We no longer cover Traditional Chinese Herbal Supplements.
- We cover some directly related medical and hospital expenses of the transplant donor.
- We cover inpatient hospital room and board (including for maternity and newborns) at 10% of daily room rate charges.
- We increased the prescription drug benefit copayment to \$10 from \$7.
- You may now order by mail a 90-day consecutive supply of maintenance drugs for only \$20.
- We do not cover a brand name drug when generic substitution is permissible.
- You pay 20% of eligible fees for certain x-rays, prophylaxis, stannous fluoride and palliative treatment.
- Routine foot care is no longer available as an enhanced Senior Advantage – FEHBP benefit.
- We increased your copayment from \$0 to \$5 for the High Option and from \$5 to \$8 for the Standard Option for the enhanced Senior Advantage – FEHBP benefits for physician and other health professionals visits, preventive services, routine physical and hearing exams, urgently needed care, routine eye exam, dialysis, and manual manipulation of the spine to correct subluxation.

---

## Section 3. How you get care

---

### Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui or Hawaii, or write to us at: Kaiser Permanente Customer Service, 711 Kapiolani Boulevard, Honolulu, Hawaii 96813.

### Where you get covered care

You get care from "Plan providers" and "Plan facilities." You will only pay copayments and coinsurance. You will not have to file claims, except for emergency, urgent care services outside our service area and for covered services while you travel.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We contract with the Hawaii Permanente Medical Group, an independent multi-specialty group of physicians ("Plan physicians"), to provide or arrange all necessary physician care for you. These physicians are members of American Specialty Boards or are Board eligible. Your medical care is provided through physicians, nurse practitioners, physician assistants, and other skilled medical personnel working as medical teams at our facilities. Specialists in most major specialties are available as part of the medical teams for consultation and treatment. Services such as physical therapy, laboratory, and X-ray services are available to you at our facilities. Plan physicians can also arrange any necessary specialty care for you. Hospital care is provided to you through the Kaiser Permanente Moanalua Medical Center on Oahu and several local community hospitals on Kauai, Maui or Hawaii. Dental services are provided by Hawaii Dental Service.

We list Plan providers in the provider directory, which we update periodically. You may request a copy from our Customer Service Center at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui, or Hawaii. The list is also on our website at [www.kaiserpermanente.org/hawaii](http://www.kaiserpermanente.org/hawaii).

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We offer comprehensive health care at 23 Plan facilities conveniently located on the Islands of Oahu, Kauai, Maui and Hawaii; and through specialists, hospitals and other providers in the community following an authorized referral.

We list Plan facilities in our provider directory, which we update periodically. The list is also on our website at [www.kaiserpermanente.org/hawaii](http://www.kaiserpermanente.org/hawaii).

You must receive your health care services at Plan facilities, except if you have an emergency. If you are visiting another Kaiser Permanente

service area, you may receive health care services from those Kaiser Permanente facilities. Your travel benefit allows you to receive follow-up or continuing care while you travel anywhere.

## **What you must do to get covered care**

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care.

Choose your primary care physician from this Plan's provider directory. It lists Plan facilities and services available at each facility with their locations and phone numbers. Directories are updated on a regular basis and are available at the time of enrollment or upon request by calling our Customer Service Center at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui, or Hawaii.

- **Primary care**

Your primary care physician can be a family practitioner, internist or pediatrician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care and will obtain the necessary authorization. The referral will describe the services you will receive. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. If your specialist recommends additional visits or services, your primary care physician will review the recommendation and authorize the visits or services, as appropriate. Do not go to the specialist for return visits unless your primary care physician and Plan gives you a referral. A woman may see her gynecologist without a referral. You may also receive vision care and mental health and substance abuse services without a referral.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will arrange for you to see your specialist. Your specialist will develop a treatment plan for a certain number of visits without additional referrals.
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.

- If you have a chronic or disabling condition and lose access to your specialist because we:
  - terminate our contract with your specialist for other than cause; or
  - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB plan; or
  - reduce our service area and you enroll in another FEHB plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our Customer Service Center immediately at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui, or Hawaii. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92<sup>nd</sup> day after you become a member of this Plan,

whichever happens first.

These provisions apply only to the benefits of the hospitalized person.

**Circumstances beyond our control**

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

**Services requiring our prior approval**

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process prior authorization. Your physician must obtain approval for services which include, but are not limited to: transplants, in vitro fertilization, hospice, referrals to facilities outside of Hawaii, air ambulance to facilities outside of Hawaii, and care delivered by a non-Plan physician.

Requests for these services are made to your primary care physician just like any other referral. Your primary care physician submits the request, with supporting documentation. If your request is not approved, you have a right to appeal by calling 808/432-5955 on Oahu or 800/966-5955 on Kauai, Maui, or Hawaii. If you want additional services, you must make the request to your primary care physician.

Emergency services do not require prior authorization. However, if you are admitted to a non-Kaiser Permanente facility, you or your family member must notify the Plan within 48 hours, or as soon as is reasonably possible or your claim may be denied.

---

## Section 4. Your costs for covered services

---

You must share the cost of some services. You are responsible for:

- **Copayments** A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive services. Example: When you see your primary care physician, you pay a copayment of \$10 (High Option) or \$15 (Standard Option) per office visit.
- **Deductible** We do not have a deductible.
- **Coinsurance** Coinsurance is the percentage of our allowance that you must pay for certain services you receive. Example: In our Plan, you pay 20% of our allowance for in vitro fertilization.
- **Fees when you fail to make your copayment or coinsurance** If you do not pay your copayment or coinsurance at the time you receive services, we will bill you. You will be required to pay a \$15 charge for each bill sent for unpaid services.

### **Your catastrophic protection out-of-pocket maximum for copayments and coinsurance**

After your copayments and coinsurance total \$1,000 per person or \$3,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments and coinsurance for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments and coinsurance for these services:

- Drugs and contraceptive devices
- Diabetes equipment and supplies to operate the equipment
- Dental services
- Blood
- Chiropractic and alternative treatments
- \$25 charges paid for follow-up or continuing care outside the service area
- Any non-FEHB benefits

Be sure to keep accurate records and receipts of your copayments and coinsurance since you are responsible for informing us when you have paid the maximum.

---

## Section 5. Benefits - OVERVIEW

*(See page 9 for how our benefits changed this year and page 71 and 72 for a benefits summary.)*

---

**NOTE:** This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about our benefits, contact us at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui, or Hawaii or at our website at [www.kaiserpermanente.org/hawaii](http://www.kaiserpermanente.org/hawaii).

(a) Medical services and supplies provided by physicians and other health care professionals .....	16-28
• Diagnostic and treatment services	• Hearing services (testing, treatment, and supplies)
• Lab, X-ray, and other diagnostic tests	• Vision services (testing, treatment, and supplies)

<p>If you are diagnosed with a terminal illness with a life expectancy of six months or less, you may elect hospice care.</p> <p>Hospice care is supportive and palliative care (including family counseling) for a terminally ill member when provided by a Plan approved licensed hospice.</p> <p>Short-term inpatient care is limited to respite care, care for pain control, and acute and chronic symptom management.</p> <p>Note: Hospice is a program for caring for the terminally ill that emphasizes supportive services, such as home care and pain control, rather than curative care of the terminal illness. A person who is terminally ill may elect to receive hospice benefits. These palliative and supportive services include nursing care, medical social services, physician services, and short-term inpatient care for pain control and acute and chronic symptom management. We also provide counseling and bereavement services for the individual and family members, and therapy for purposes of symptom control to enable the person to continue life with as little disruption as possible. If you make a hospice election, you are not entitled to receive other health care services that are related to the terminal illness. If you have made a hospice election, you may revoke that election at any time, and your standard health benefits will be covered.</p>	Nothing	Nothing

### Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure, and we cover them only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- We have no calendar year deductible.

### What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

---

### What to do in case of emergency:

In a life-threatening emergency, call 911. When the operator answers, stay on the phone and answer all questions.

### Emergencies within our service area:

Emergency care is provided at Plan hospitals 24 hours a day, seven day a week. If you reasonably believe you have a medical emergency condition and you cannot safely go to a Plan Hospital, call 911 or go to the nearest hospital. If an ambulance comes, tell the paramedics that the person who needs help is a Kaiser Permanente member.

If you are admitted to a non-Plan facility, you or your family member must notify us within 48 hours, or as soon as reasonably possible by calling the phone number on the back of your Kaiser Permanente membership card. This must be done, or your claim for payment may be denied. We may arrange for your transfer to a Plan facility as soon as it is medically appropriate to do so.

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan facility would result in death, disability, or significant jeopardy to your condition. After an emergency in the service area, follow-up and continuing care at a non-Plan facility are not covered.

### Emergencies outside our service area:

Benefits are available for any medically necessary health service that is immediately required because of a sudden or unforeseen injury or illness.

If you need to be hospitalized, the Plan must be notified within 48 hours, or as soon as reasonably possible. If a Plan physician believes care can be better provided in a Plan hospital, we will transfer you when medically feasible.

You may obtain emergency and urgent care services from Kaiser Permanente medical facilities and providers when you are in the service area of another Kaiser Permanente plan. The facilities will be listed in the local telephone book under Kaiser Permanente. You may also obtain information about the location of facilities by calling the Customer Service Center at 800/966-5955.

--	---	--

**There are important features you should be aware of.** These include:

- **Who can write your prescription.** A Plan physician must write the prescription.
- **Where you can obtain them.** You may fill the prescription and receive refills at a Plan pharmacy. The only drugs available through mail order are maintenance drugs and only within our service area.  
  
Obtain mail order prescription forms at any Plan pharmacy, or call the Plan's mail order pharmacy at 808/432-5510, Monday - Friday, 8:30 A.M. to 5:00 P.M. You may purchase refills for maintenance drugs for a 90-day consecutive supply by mail order at a \$20 copayment through the Plan's mail order prescription service. Please mail your refill order before you are down to your last 10 days supply. Allow one week to receive your medication for refillable orders. We do not deliver the following drugs through mail order: controlled substances as determined by state and/or federal regulations, bulky items, medications affected by temperature, injectables, and other products or dosage forms identified by the Pharmacy and Therapeutics Committee. We do not send mail order drugs to addresses outside of the State of Hawaii.
- **We use a formulary.** A formulary is a listing of preferred pharmaceutical substances and formulas. A team of Kaiser Permanente physicians and pharmacists independently and objectively evaluates the scientific literature to identify the FDA-approved drugs best suited to treat specific medical conditions. These preferred drugs are included on our formulary. We use a formulary to determine which drugs to prescribe to you. If the physician specifically prescribes a nonformulary drug because it is medically necessary, the nonformulary drug will be covered.  
  
When generic substitution is permissible (i.e., a generic drug is available and the prescribing physician does not require the use of a brand name drug), but you request the brand name drug, this drug is not covered and you pay member rates.
- **There are dispensing limitations.** We provide up to a 30-day supply and one cycle of an FDA approved contraceptive drug.
- **When you have to file a claim.** When you receive drugs from a Plan pharmacy, you do not have to file a claim. For a covered out-of-area emergency, you will need to file a claim when you receive drugs from a non-Plan pharmacy.

*Prescription drug benefits begin on the next page.*

## Section 5 (g). Special features

Feature	Description
<p><b>Services from other Kaiser Permanente Plans</b></p>	<p>When you visit the service area of another Kaiser Permanente plan, you are entitled to receive virtually all the benefits described in this brochure at any Kaiser Permanente medical office or medical center. You must pay the charges or copayments imposed by the Kaiser Permanente Plan you are visiting. You will have to pay the copayments or other charges imposed by the Plan you are visiting. If the Plan you are visiting has a benefit that differs from the benefits of this Plan, you are not entitled to receive that benefit.</p> <p>Some services covered by this Plan, such as artificial reproductive services and the services of specialized rehabilitation facilities, will not be covered if you receive them in other Kaiser Permanente service areas. If a benefit is limited to a specific number of visits or days, you are entitled to receive only the number of visits or days covered by this Plan.</p> <p>If you are seeking routine, non-emergent, or non-urgent services, you should call your Plan facility in that service area and request an appointment. You may obtain routine follow-up or continuing care from these Plans, even when you have obtained the original services in our service area. If you require emergency services as the result of unexpected or unforeseen illness that requires immediate attention, you should go directly to the nearest Kaiser Permanente facility to receive care.</p> <p>At the time you register for services, you will be asked to pay the charges required by the local Plan.</p> <p>If you wish to obtain more information about the benefits available to you from a Kaiser Permanente Plan in an area you visit, please call our Customer Service Center at 808/432-5955 on Oahu, or on Kauai, Maui, or Hawaii at 800/966-5955.</p>
<p><b>Interpretive services</b></p>	<p>If you need interpretive services during your visit, please ask an English-speaking friend or relative to call our Customer Service Center at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui, or Hawaii.</p>
<p><b>24 hour advice line</b></p>	<p>For any of your health concerns, you may talk with a registered nurse 24 hours a day, 7 days a week, who will discuss your treatment options and answer your health questions.</p> <p>During clinic hours, you may call your clinic.</p> <p>During after hours, you may call 808/432-7700 on Oahu or 800/467-3011 on Kauai, Maui, or Hawaii.</p> <p>Hours of operation are:</p> <ul style="list-style-type: none"> <li>• Monday through Friday, 5 p.m. – 8 a.m.</li> <li>• Noon, Saturday, through 8 a.m., Monday</li> <li>• Holidays, all day</li> </ul>

---

**Travel benefit**

Kaiser Permanente's travel benefits for Federal employees provide you with outpatient follow-up or continuing medical care when you are temporarily outside your home service area by more than 100 miles and outside of any other Kaiser Permanente service area. These benefits are in addition to your emergency and urgent care benefits and include:

- Outpatient follow-up care necessary to complete a course of treatment after a covered emergency. Services include removal of stitches, a catheter, or a cast.
- Outpatient continuing care for covered services for conditions diagnosed and treated within the previous 90 days by a Kaiser Permanente health care provider or affiliated Plan provider. Services include dialysis and prescription drug monitoring.
- You pay \$25 for each follow-up or continuing care office visit. We deduct this amount from the payment we make to you.
- We pay no more than \$1200 each calendar year.
- For more information about this benefit call the Customer Service Center at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui, or Hawaii.

Claims should be submitted to Affiliated Care, Kaiser Foundation Health Plan, Inc., 80 Mahalani Street, Wailuku, Hawaii 96793.

*The following are not included in your travel benefits coverage:*

- *Non-emergency hospitalization*
  - *Infertility treatments*
  - *Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area*
  - *Transplants*
  - *DME*
  - *Prescription drugs*
  - *Home health services*
-

---

**Travel assistance**

In addition to the Kaiser Permanente travel benefit stated above, the Plan will provide travel and medical assistance for Federal members traveling domestically and abroad. Services and products to assure access to appropriate health care services and travel assistance while away from home include:

- Pre-trip information
- Precertification assistance for inpatient hospital stays
- Case management assistance
- Translation services
- Provider location assistance
- Medical transport assistance
- Emergency medication assistance
- Lost document assistance
- Emergency messaging
- Lost baggage assistance

The cost for uninsured services will be paid by the member including but not limited to: transportation costs, assistance for unattended minors, repatriation of remains, lost document costs, and medical evacuation.

Members who need assistance should contact World Access. If members are travelling:

- within the United States, Puerto Rico and the Virgin Islands, call toll free at 866/221-7870;
- worldwide (outside US, Puerto Rico or Virgin Islands), call collect at 804/673-1497.

Both numbers are available 24 hours a day, 365 days a year.

---

## Section 5 (h). Dental benefits

<b>I M P O R T A N T</b>	<p><b>Here are some important things to keep in mind about these benefits:</b></p> <ul style="list-style-type: none"> <li>Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and we pay them only when we determine they are medically necessary.</li> <li>Plan dentists must provide or arrange your care.</li> <li>We have no calendar year deductible.</li> <li>We cover hospitalization for dental procedures only when a nondental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.</li> </ul>	<b>I M P O R T A N T</b>
--	--	--

<b>Accidental injury benefit</b>	<b>You pay - Standard Option</b>	<b>You pay - High Option</b>
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury. Any other services are provided as described below.	\$15 per office visit	\$10 per office visit

### Dental benefits

We cover dental benefits. You may choose your dentist and your out-of-pocket expenses will be based on your dentist's eligible fees and your plan benefits. During your first appointment, advise your dentist that you are covered by the Kaiser Foundation Health Plan Federal Dental Care Program, and present your Hawaii Dental Service (HDS) member identification card to your dentist.

If your dentist must perform procedures totaling \$400 or more, your dentist should submit a claim form to HDS before providing services to you. Upon HDS's approval, your dentist should explain your treatment plan, the dollar amount your dental benefits plan will cover, and the amount you will pay before performing the services.

Before you receive treatment, you should discuss the total charges and your financial obligations with your dentist. You are financially responsible for any remaining balance between your dentist's eligible fee and the HDS payment. Eligible fee is the maximum amount an HDS Member Dentist agrees to accept for a dental procedure. Participating HDS dentists are referred to as HDS Member Dentists. Non-participating HDS dentists are referred to as Non-Member Dentists.

*Dental benefits begin on the next page.*

Service	You pay - Standard Option	You pay - High Option
<p>We cover diagnostic and preventive care services when provided through Hawaii Dental Service:</p> <ul style="list-style-type: none"> <li>• Examinations – once every calendar year</li> <li>• Bitewing X-rays – twice every calendar year</li> </ul>	Nothing	Nothing
<ul style="list-style-type: none"> <li>• Other X-rays – limited to one full mouth series of X-rays (including bitewings) once every three years</li> <li>• Prophylaxis (cleaning) – once every calendar year</li> <li>• Stannous fluoride – once every calendar year and for dependent children only</li> <li>• Palliative treatment – for relief of pain</li> </ul>	20% of eligible fees	20% of eligible fees

---

## Section 6. General exclusions -- things we don't cover

---

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan physician determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Section 5(d)), services under the Travel Benefit (see Section 5(g)), and services received from other Kaiser Permanente plans (see Section 5(g));
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs, or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program;
- Services, drugs, or supplies you receive without charge while in active military service; or
- Services provided or arranged by criminal justice institutions for members confined therein.

---

## Section 7. Filing a claim for covered services

---

When you see Plan physicians, receive services at Plan hospitals and facilities, or fill your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

### **Medical, hospital, and drug benefits**

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 808/243-6610 on Maui or 877/975-3805 on Kauai, Oahu, or Hawaii.

When you must file a claim – such as for services you receive outside of the Plan's service area – submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- Follow up services rendered out-of-area
- A copy of the explanation of benefits, payments, or denial from any primary payer – such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

### **Submit your claims to:**

Affiliated Care - Claims Department  
Kaiser Foundation Health Plan, Inc.  
80 Mahalani Street  
Wailuku, HI 96793

### **Deadline for filing your claim**

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

### **When we need more information**

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

**If you have a malpractice claim**

If you have a malpractice claim because of services you did receive, or did not receive, from a Plan provider, you must submit the claim to binding arbitration. The Plan has the information that describes the arbitration process. Contact our Customer Service Center at 808/432-5955 on Oahu, or at 800/966-5955 on Kauai, Maui, or Hawaii for copies of our requirements. These will explain how you can begin the binding arbitration process..

---

## Section 8. The disputed claims process

---

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for pre-authorization:

Step	Description
------	-------------

- |          |   |
|----------|---|
| <b>1</b> | Ask us in writing to reconsider our initial decision. You must: <ol style="list-style-type: none"><li>Write to us within 6 months from the date of our decision; and</li><li>Send your request to us at: Regional Appeals Coordinator, Affiliated Care, Kaiser Foundation Health Plan, Inc., 501 Alakawa Street, Honolulu, HI 96817; and</li><li>Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and</li><li>Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.</li></ol>   |
| <b>2</b> | We have 30 days from the date we receive your request to: <ol style="list-style-type: none"><li>Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or</li><li>Write to you and maintain our denial -- go to step 4; or</li><li>Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request – go to step 3.</li></ol>  |
| <b>3</b> | You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days. <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p>  |
| <b>4</b> | If you do not agree with our decision, you may ask OPM to review it. <p>You must write to OPM within:</p> <ul style="list-style-type: none"><li>90 days after the date of our letter upholding our initial decision; or</li><li>120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or</li><li>120 days after we asked for additional information.</li></ul> <p>Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Contracts Division 3, 1900 E Street, NW, Washington, D.C. 20415-3630.</p> <p>Send OPM the following information:</p> <ul style="list-style-type: none"><li>A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;</li><li>Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;</li><li>Copies of all letters you sent to us about the claim;</li><li>Copies of all letters we sent to you about the claim; and</li><li>Your daytime phone number and the best time to call.</li></ul> <p>Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.</p> |

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

- 5** OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

**NOTE: If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- (a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at the Expedited Review Hotline at 866/233-2851 and we will expedite our review; or
- (b) We denied your initial request for care or preauthorization/prior approval, then:
  - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
  - You may call OPM's Health Benefits Contracts Division 3 at 202/606-0755 between 8 a.m. and 5 p.m. eastern time.

---

## Section 9. Coordinating benefits with other coverage

---

**When you have other health coverage** You must tell us if you or a covered family member have coverage under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called "double coverage."

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance. If we are the secondary payer, and you received your services from Plan providers, we may bill the primary carrier.

- **What is Medicare?**

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- **Part A (Hospital Insurance).** Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (Someone who was a Federal employee on January 1, 1983 or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- **Part B (Medical Insurance).** Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare+Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. We will not waive any of our copayments.

**Claims process when you have the Original Medicare Plan --** You probably will never have to file a claim form when you have both our Plan and the Original Medicare Plan.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. You will not need to do anything. To find out if you need to do something to file your claim, call us at 808/432-5955 on Oahu, or 800/966-5955 on Kauai, Maui, or Hawaii.

**(Primary payer chart begins on next page.)**

The following chart illustrates whether **Original Medicare** Plan or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

<b>Primary Payer Chart</b>		
<b>A. When either you – or your covered spouse – are age 65 or over and ...</b>	<b>Then the primary payer is...</b>	
	<b>Original Medicare</b>	<b>This Plan</b>
1) Are an active employee with the Federal government (including when you or a family member are eligible for Medicare solely because of a disability),		✓
2) Are an annuitant,	✓	
3) Are a reemployed annuitant with the Federal government when...		
a) The position is excluded from FEHB, or	✓	
b) The position is not excluded from FEHB (Ask your employing office which of these applies to you.)		✓
4) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge),	✓	
5) Are enrolled in Part B only, regardless of your employment status,	✓ (for Part B services)	✓ (for other services)
6) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty,	✓ (except for claims related to Workers' Compensation)	
<b>B. When you – or a covered family member – have Medicare based on end stage renal disease (ESRD) and...</b>		
1) Are within the first 30 months of eligibility to receive Part A benefits solely because of ESRD,		✓
2) Have completed the 30-month ESRD coordination period and are still eligible for Medicare due to ESRD,	✓	
3) Become eligible for Medicare due to ESRD after Medicare became primary for you under another provision,	✓	
<b>C. When you or a covered family member have FEHB and...</b>		
1) Are eligible for Medicare based on disability, and		
a) Are an annuitant, or	✓	
b) Are an active employee, or		✓
c) Are a former spouse of an annuitant, or	✓	
d) Are a former spouse of an active employee		✓

- **Medicare managed care plan** If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans provide all the benefits that Original Medicare covers. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at [www.medicare.gov](http://www.medicare.gov). If you enroll in a Medicare managed care plan, the following options are available to you:

**This Plan and our Medicare managed care plan:** You may enroll in our Medicare managed care plan and also remain enrolled in our FEHB plan. In this case, we waive or lower some of our copayments and coinsurance for your FEHB and Medicare coverage. There is no additional premium to enroll in Senior Advantage. If you would like information about our Medicare+Choice plan, please call 808/432-5955 on Oahu and 800/966-5955 on Kauai, Maui, or Hawaii. Your Kaiser Permanente Senior Advantage-FEHB benefits that we lowered or waived are:

### **High Option**

- Office visits: \$5 copayment for physicians and other health professionals visits
- Emergency care: \$25 for each emergency visit
- Preventive services visits: \$5 copayment
- Routine physical and hearing exams: \$5 copayment for each routine physical and hearing exam
- Immunizations: Pneumococcal pneumonia, flu, and hepatitis B vaccines at no charge
- Urgently needed care: \$5 copayment for each visit to a Plan facility
- One routine eye exam each year: \$5 copayment
- Durable medical equipment: 20% copayment
- External prosthetics: 20% copayment
- Blood, blood transfusions, and blood products: \$0
- Dialysis: \$5 copayment
- Manual manipulation of the spine to correct subluxation: \$5 copayment
- Intraocular lens after cataract surgery: 20% copayment

### **Standard Option**

- Office visits: \$8 copayment for physicians and other health professionals visits
- Lab, X-ray, and diagnostic services: \$0
- Emergency care: \$25 for each emergency visit
- Preventive services visits: \$8 copayment
- Routine physical and hearing exams: \$8 copayment for each routine physical and hearing exam
- Immunizations: Pneumococcal pneumonia, flu, and hepatitis B vaccines at no charge
- Urgently needed care: \$8 copayment for each visit to a Plan facility
- One routine eye exam each year: \$8 copayment
- Durable medical equipment: 20% copayment
- External prosthetics: 20% copayment
- Blood, blood transfusions, and blood products: \$0
- Dialysis: \$8 copayment
- Manual manipulation of the spine to correct subluxation: \$8 copayment
- Intraocular lens after cataract surgery - 20% copayment

**This Plan and another plan's Medicare managed care plan:** You may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary if you use our Plan providers, but we will not waive or lower any of our copayments or coinsurance. If you enroll in a Medicare managed care plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare managed care plan so we can correctly coordinate benefits with Medicare.

**Suspended FEHB coverage to enroll in a Medicare managed care plan:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare managed care service area.

- **If you enroll in Medicare Part B**
- **If you do not enroll in Medicare Part A or Part B**

If you enroll in Medicare Part B, we require you to assign your Medicare Part B benefits to the Plan for its services.

If you do not have one or both Parts of Medicare, you can still be covered under the FEHB Program. We will not require you to enroll in Medicare Part B, and if you cannot get premium-free Part A, we will not ask you to enroll in it.

### **TRICARE or CHAMPVA**

TRICARE is the health care program for eligible dependents of military persons and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

**Suspended FEHB coverage to enroll in TRICARE or CHAMPVA:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your

retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the program.

## **Workers' Compensation**

We do not cover services that:

- you need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

## **Medicaid**

When you have this Plan and Medicaid, we pay first.

**Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

## **When other Government agencies are responsible for your care**

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

## **When others are responsible for injuries**

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

---

## Section 10. Definitions of terms we use in this brochure

---

<b>Calendar year</b>	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
<b>Coinsurance</b>	Coinsurance is the percentage of our allowance that you must pay for your care.
<b>Copayment</b>	A copayment is a fixed amount of money you pay when you receive covered services.
<b>Covered services</b>	Care we provide benefits for, as described in this brochure.
<b>Custodial care</b>	(1) Assistance with activities of daily living, for example, walking, getting in and out of bed, dressing, feeding, toileting, and taking medicine. (2) Care that can be performed safely and effectively by people who, in order to provide the care, do not require medical licenses or certificates or the presence of a supervising licensed nurse. Custodial care that lasts 90 days or more is sometimes known as Long term care.
<b>Deductible</b>	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services.
<b>Experimental or investigational services</b>	<p>We consider a service, supply or drug to be experimental when the service or supply, including a drug:</p> <ol style="list-style-type: none"><li>(1) has not been approved by the FDA; or</li><li>(2) is the subject of a new drug or new device application on file with the FDA; or</li><li>(3) is part of a Phase I or Phase II clinical trial, as the experimental or research arm of a Phase III clinical trial; or is intended to evaluate the safety, toxicity, or efficacy of the service; or</li><li>(4) is available as the result of a written protocol that evaluates the service's safety, toxicity, or efficacy; or</li><li>(5) is subject to the approval or review of an Institutional Review Board; or</li><li>(6) requires an informed consent that describes the service as experimental or investigational.</li></ol> <p>We do not cover a service, supply, or drug that we consider experimental.</p> <p>This Plan and our Medical Group carefully evaluate whether a particular therapy is safe and effective or offers a degree of promise with respect to improving health outcomes. The primary source of evidence about health outcomes of any intervention is peer-reviewed medical literature.</p>
<b>Group health coverage</b>	Health care benefits that are available as a result of your employment, or the employment of your spouse, and that are offered by an employer or through membership in an employee organization. Health care coverage may be insured or indemnity coverage, self-insured or self-funded coverage, or coverage through health maintenance organizations or other managed care plans. Health care coverage purchased through membership in an organization is also "group health coverage."

**Medically necessary**

All benefits need to be medically necessary in order for them to be covered benefits. Generally, if your Plan physician provides the service in accord with the terms of this brochure, it will be considered medically necessary. However, some services are reviewed in advance of your receiving them to determine if they are medically necessary. When we review a service to determine if it is medically necessary, a Plan physician will evaluate what would happen to you if you do not receive the service. If not receiving the service would adversely affect your health, it will be considered medically necessary. The services must be a medically appropriate course of treatment for your condition. If they are not medically necessary, we will not cover the services. In case of emergency services, the services that you received will be evaluated to determine if they were medically necessary.

**Our allowance**

The amount we use to determine your coinsurance. When you receive services or supplies from Plan providers, it is the amount that we set for the services or supplies if we were to charge for them. When you receive services from non-Plan providers, we determine the amount that we believe is usual and customary for the service or supply, and compare it to the charges. Our allowance is based upon the reasonableness of the charges. If the charges exceed what we believe is reasonable, you may be responsible for the excess over our allowance in addition to your coinsurance.

**Us/We**

Us and we refer to Kaiser Foundation Health Plan, Inc., Hawaii Region.

**You**

You refers to the enrollee and each covered family member.

---

## Section 11. FEHB facts

---

### No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

### Where you can get information about enrolling in the FEHB Program

See [www.opm.gov/insure](http://www.opm.gov/insure). Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

### Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

## Children's Equity Act

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the Federal Employees Health Benefits (FEHB) Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option,
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot make any changes after retirement. Contact your employing office for further information.

## When benefits and premiums start

The benefits in this brochure are effective on January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

## When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as temporary continuation of coverage (TCC).

## When you lose benefits

### • When FEHB coverage ends

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

- **Spouse equity coverage**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to supply health coverage to you. But, you may be eligible for your own FEHB coverage under the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's website, [www.opm.gov/insure](http://www.opm.gov/insure).

- **Temporary continuation of coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

**Enrolling in TCC.** Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from [www.opm.gov/insure](http://www.opm.gov/insure). It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (if you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans. For more information, get OPM pamphlet RI 79-27, Temporary Continuation of Coverage (TCC) under the FEHB Program. See also the FEHB web site ([www.opm.gov/insure/health](http://www.opm.gov/insure/health)); refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and have information about Federal and State agencies you can contact for more information.

## Long Term Care Insurance Is Still Available!

---

### Open Season for Long Term Care Insurance

- You can protect yourself against the high cost of long term care by applying for insurance in the Federal Long Term Care Insurance Program.
- Open Season to apply for long term care insurance through LTC Partners ends on December 31, 2002.
- If you're a Federal employee, you and your spouse need only answer a few questions about your health during Open Season.
- If you apply during the Open Season, your premiums are based on your age as of July 1, 2002. After Open Season, your premiums are based on your age at the time LTC Partners receives your application.

### FEHB Doesn't Cover It

- Neither FEHB plans nor Medicare cover the cost of long term care. Also called "custodial care", long term care helps you perform the activities of daily living such as bathing or dressing yourself. It can also provide help you may need due to a severe cognitive impairment such as Alzheimer's disease.

### You Can Also Apply Later, But...

- Employees and their spouses can still apply for coverage after the Federal Long Term Care Insurance Program Open Season ends, but they will have to answer more health-related questions.
- For annuitants and other qualified relatives, the number of health-related questions that you need to answer is the same during and after the Open Season.

### You Must Act to Receive an Application

- Unlike other benefit programs, YOU have to take action – you won't receive an application automatically. You must request one through the toll-free number or website listed below.
- Open Season ends December 31, 2002 – act NOW so you won't miss the abbreviated underwriting available to employees and their spouses, and the July 1 "age freeze"!

**Find Out More** – Contact LTC Partners by calling **800/LTC-FEDS (800/582-3337) (TDD for the hearing impaired: 800/843-3557)** or visiting [www.ltcfeds.com](http://www.ltcfeds.com) to get more information and to request an application.

## Notes

---

## 2003 Rate Information for Kaiser Foundation Health Plan, Inc., Hawaii Region

**Non-Postal rates** apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the *FEHB Guide* for that category or contact the agency that maintains your health benefits enrollment.

**Postal rates** apply to career Postal Service employees. Most employees should refer to the *FEHB Guide for United States Postal Service Employees, RI 70-2*. Different postal rates apply and a special FEHB guide is published for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable *FEHB Guide*.

Type of Enrollment	Code	Non-Postal Premium				Postal Premium	
		Biweekly		Monthly		Biweekly	
		Gov't Share	Your Share	Gov't Share	Your Share	USPS Share	Your Share

High Option Self Only	631	\$107.39	\$35.80	\$232.69	\$77.56	\$127.08	\$16.11
High Option Self and Family	632	\$230.90	\$76.96	\$500.27	\$166.76	\$273.23	\$34.63
Standard Option Self Only	634	\$81.54	\$27.18	\$176.67	\$58.89	\$96.49	\$12.23
Standard Option Self and Family	635	\$175.31	\$58.44	\$379.85	\$126.61	\$207.45	\$26.30
