OFFICE OF THE DIRECTOR

Dear Federal Employees Health Benefits Program Participant:

I am pleased to present this Federal Employees Health Benefits (FEHB) Program plan brochure for 2003. The brochure explains all the benefits this health plan offers to its enrollees. Since benefits can vary from year to year, you should review your plan's brochure every Open Season. Fundamentally, I believe that FEHB participants are wise enough to determine the care options best suited for themselves and their families.

In keeping with the President's health care agenda, we remain committed to providing FEHB members with affordable, quality health care choices. Our strategy to maintain quality and cost this year rested on four initiatives. First, I met with FEHB carriers and challenged them to contain costs, maintain quality, and keep the FEHB Program a model of consumer choice and on the cutting edge of employer-provided health benefits. I asked the plans for their best ideas to help hold down premiums and promote quality. And, I encouraged them to explore all reasonable options to constrain premium increases while maintaining a benefits program that is highly valued by our employees and retirees, as well as attractive to prospective Federal employees. Second, I met with our own FEHB negotiating team here at OPM and I challenged them to conduct tough negotiations on your behalf. Third, OPM initiated a comprehensive outside audit to review the potential costs of federal and state mandates over the past decade, so that this agency is better prepared to tell you, the Congress and others the true cost of mandated services. Fourth, we have maintained a respectful and full engagement with the OPM Inspector General (IG) and have supported all of his efforts to investigate fraud and waste within the FEHB and other programs. Positive relations with the IG are essential and I am proud of our strong relationship.

The FEHB Program is market-driven. The health care marketplace has experienced significant increases in health care cost trends in recent years. Despite its size, the FEHB Program is not immune to such market forces. We have worked with this plan and all the other plans in the Program to provide health plan choices that maintain competitive benefit packages and yet keep health care affordable.

Now, it is your turn. We believe if you review this health plan brochure and the FEHB Guide you will have what you need to make an informed decision on health care for you and your family. We suggest you also visit our web site at www.opm.gov/insure.

Sincerely,

A handwritten signature in black ink, appearing to read "Kay Coles James".

Notice of the Office of Personnel Management's Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.
PLEASE REVIEW IT CAREFULLY.

By law, the Office of Personnel Management (OPM), which administers the Federal Employees Health Benefits (FEHB) Program, is required to protect the privacy of your personal medical information. OPM is also required to give you this notice to tell you how OPM may use and give out ("disclose") your personal medical information held by OPM.

OPM **will** use and give out your personal medical information:

- To you or someone who has the legal right to act for you (your personal representative),
- To the Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected,
- To law enforcement officials when investigating and/or prosecuting alleged or civil or criminal actions, and
- Where required by law.

OPM **has the right** to use and give out your personal medical information to administer the FEHB Program. For example:

- To communicate with your FEHB health plan when you or someone you have authorized to act on your behalf asks for our assistance regarding a benefit or customer service issue.
- To review, make a decision, or litigate your disputed claim.
- For OPM and the General Accounting Office when conducting audits.

OPM **may** use or give out your personal medical information for the following purposes under limited circumstances:

- For Government healthcare oversight activities (such as fraud and abuse investigations),
- For research studies that meet all privacy law requirements (such as for medical research or education), and
- To avoid a serious and imminent threat to health or safety.

By law, OPM must have your written permission (an "authorization") to use or give out your personal medical information for any purpose that is not set out in this notice. You may take back ("revoke") your written permission at any time, except if OPM has already acted based on your permission.

By law, you **have the right** to:

- See and get a copy of your personal medical information held by OPM.
- Amend any of your personal medical information created by OPM if you believe that it is wrong or if information is missing, and OPM agrees. If OPM disagrees, you may have a statement of your disagreement added to your personal medical information.
- Get a listing of those getting your personal medical information from OPM in the past 6 years. The listing will not cover your personal medical information that was given to you or your personal representative, any information that you authorized OPM to release, or that was given out for law enforcement purposes or to pay for your health care or a disputed claim.
- Ask OPM to communicate with you in a different manner or at a different place (for example, by sending materials to a P.O. Box instead of your home address).

- Ask OPM to limit how your personal medical information is used or given out. However, OPM may not be able to agree to your request if the information is used to conduct operations in the manner described above.
- Get a separate paper copy of this notice.

For more information on exercising your rights set out in this notice, look at www.opm.gov/insure on the web. You may also call 202-606-0191 and ask for OPM's FEHB Program privacy official for this purpose.

If you believe OPM has violated your privacy rights set out in this notice, you may file a complaint with OPM at the following address:

Privacy Complaints
Office of Personnel Management
P.O. Box 707
Washington, DC 20004-0707

Filing a complaint will not affect your benefits under the FEHB Program. You also may file a complaint with the Secretary of the Department of Health and Human Services.

By law, OPM is required to follow the terms in this privacy notice. OPM has the right to change the way your personal medical information is used and given out. If OPM makes any changes, you will get a new notice by mail within 60 days of the change. The privacy practices listed in this notice will be effective April 14, 2003.

Introduction

This brochure describes the benefits of Foundation Health under our contract (CS 2715) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. The address for Foundation Health's administrative offices is:

Foundation Health
1340 Concord Terrace
Sunrise Florida

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2003, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2003, and changes are summarized on page 7. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, "you" means the enrollee or family member; "we" means Foundation Health.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM's "Rate Us" feedback area at www.opm.gov/insure or e-mail OPM at fehwebcomments@opm.gov. You may also write to OPM at the Office of Personnel Management, Office of Insurance Planning and Evaluation Division, 1900 E Street, NW Washington, DC 20415-3650.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits (FEHB) Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud - Here are some things you can do to prevent fraud:

- Be wary of giving your plan identification (ID) number over the telephone or to people you do not know, except to your doctor, other provider, or authorized plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-800-441-5501 and explain the situation.
 - If we do not resolve the issue:

**CALL -- THE HEALTH CARE FRAUD HOTLINE
202-418-3300**

OR WRITE TO:

The United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street, NW, Room 6400
Washington, DC 20415

- Do not maintain as a family member on your policy:
 - your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - your child over age 22 (unless he/she is disabled and incapable of self support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed or with OPM if you are retired.
 - You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

Section 1. Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments, coinsurance, and deductibles described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments.

Who provides my health care

Foundation Health is an individual practice prepayment (IPP) plan that contracts with doctors to provide services for you out of their own offices.

Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB website (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

Foundation Health is a for-profit entity and has been operational since 1984. Foundation Health is NCQA accredited and is licensed by the Department of Insurance and the Agency for Health Care Administration to conduct business in the State of Florida.

If you want more information about us, call 1-800-441-5501, or write to Attn: Customer Service at Foundation Health 1340 Concord Terrace, Sunrise, Florida 33323. You may also contact us by fax at 954/846-8873 or visit our website at www.fhfl.com.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is: South Florida – Broward, Miami-Dade and Palm Beach counties. (Code 5E)

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member moves outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. Reciprocity arrangements do not exist in any other Foundation Health Plan networks. If you or a family member moves, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2003

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- A Notice of the Office of Personnel Management's Privacy Practices is included.
- A section on the Children's Equity Act describes when an employee is required to maintain Self and Family coverage.
- Program information on TRICARE and CHAMPVA explains how annuitants or former spouses may suspend their FEHB Program enrollment.
- Program information on Medicare is revised.
- By law, the DoD/FEHB Demonstration project ends on December 31, 2002.

Changes to this Plan

- Your share of the non-Postal premium will increase by 13.7% for Self Only or 13.8% for Self and Family. See Back Cover.
- We changed the specialist office visit copay from \$10 to \$15. See Page 13.
- We changed the hospital inpatient admission copay from \$200 per calendar year to \$100 per admission. See Page 26.
- We changed the dispensing limit on prescriptions from a 34-day supply to a 30-day supply. See Page 32.
- We changed the 60-visit limit on physical, occupational and speech therapies from per condition to per calendar year. See Page 17.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 1-800-441-5501 or write to us at 1340 Concord Terrace, Sunrise, Florida 33323. You may also request replacement cards through our website at www.fhfl.com.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, deductibles, and/or coinsurance, and you will not have to file claims.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically. The list is also on our website.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. Using our provider directory to select your Primary Care Physician (PCP) you then complete and submit the HMO Provider Choice card provided in your enrollment packet.

- **Primary care**

Your primary care physician can be a family practitioner, internist, general practitioner or a pediatrician. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral. However, you may see the following specialists without a referral: Chiropractor 12 times per calendar year; Dermatologist 5 times per calendar year; Podiatrist 12 times per calendar year; OBGYN once each calendar year for a well woman exam and Optometrists for routine vision care and unlimited visits for medical conditions of the eye.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician will use our criteria when creating your

treatment plan (the physician may have to get an authorization or approval beforehand).

- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause; or
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
 - reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

• **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 1-800-441-5501. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has the authority to refer you for most services. However your PCP must contact Foundation Health for authorizations at 1-800-242-7174 for certain medical services (see above list) for approval before the service is performed. Requests will be denied if the services are deemed not medically necessary, experimental and/or not covered. All precertifications are conditioned upon the member being actively enrolled at the time the services are requested and/or performed. Medical services receiving precertification are subject to the Plan's copayments.

If a member receives services that require precertification without approval, those services could be denied. If the services are denied based on medical necessity or rendered without approval, the member may file a grievance.

We call this review and approval process precertification. Your physician must obtain precertification for the following services:

This is not an exhaustive list

Ambulance Transport (Non-Emergent)	Non-Participating Provider
Air Ambulance	Oral Surgery
Ambulatory Surgery	Out of Service Area (Non Emergent)
Cosmetic Surgery	PET Scan
DME	Prosthetics/Braces/Orthotics
Enhanced External Counter Pulsation	Rehabilitation Facility – Admission
Hospice Care	Rehabilitation Therapies (Physical, Occupational and Speech)
Home Infusion and Injectibles	Skilled Nursing Facility – Admission
Hospital Admission	Sclerotherapy for Varicose Veins
Hospital Outpatient Services	Transplants
Home Health Care	Wound Care
Hyperbaric Treatments	
Infertility Assessment and Treatment	
Lab Work (Outpatient) not done through Quest Diagnostic Laboratories	

Section 4. Your costs for covered services

You must share the cost of some services. You are responsible for:

- **Copayments**

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive services.

Example: When you see your primary care physician you pay a copayment of \$10 per office visit and when you go in the hospital, you pay \$100 per admission.

- **Deductible**

A deductible is a fixed expense you must incur for certain covered services and supplies before we start paying benefits for them. Copayments do not count toward any deductible. We do not have a deductible.

- **Coinsurance**

Coinsurance is the percentage of our negotiated fee that you must pay for your care.

Example: In our Plan, you pay 50% of our allowance for infertility services.

Your catastrophic protection out-of-pocket maximum for deductibles, coinsurance, and copayments

After your copayments total \$1,500 per person or \$3,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments/coinsurance for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay copayments/coinsurance for these services:

- Routine vision care
- Prescription drugs
- Infertility treatment

Be sure to keep accurate records of your copayments since you are responsible for informing us when you reach the maximum.

Section 5. Benefits – OVERVIEW

(See page 7 for how our benefits changed this year and page 52 for a benefits summary.)

NOTE: This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

If you are in an emergency situation, please call your primary doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. Be sure to tell the emergency room personnel that you are a Plan member so they can notify the Plan. You or a family member should notify the Plan within 48 hours unless it is not reasonably possible to do so. It is your responsibility to ensure that the Plan has been notified timely.

If you need to be hospitalized, the Plan must be notified within 48 hours or the first working day following your admission, unless it is not reasonably possible to notify the Plan in that time. If you are hospitalized in non-Plan facilities and Plan doctors believe care can be better provided in a Plan hospital, you will be transferred when medically feasible with ambulance charges covered in full.

Emergencies within our service area: Benefits are available for care from non-Plan provider in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan or provided by Plan providers.

Emergencies outside our service area: Benefits are available for any medically necessary service that is immediately required because of injury or unforeseen illness.

If you need to be hospitalized, the Plan must be notified within 48 hours or on the first working day following your admission, unless it was not reasonably possible to notify the Plan in that time. If you are hospitalized in non-Plan facilities and Plan doctors believe care can be better provided in a Plan hospital, you will be transferred when medically feasible with any ambulance charges covered in full.

If no generic is available the cost will be a copayment amount of \$14. This list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost. To order a prescription drug brochure, call 1-800-441-5501. We cover non-formulary drugs prescribed by a Plan doctor.
- **These are the dispensing limitations.** Retail drugs are dispensed in increments of 30-day supply or Foundation Health's Drug Utilization System is set to alert the dispensing pharmacy whenever a maintenance medication is presented for refill very early after last dispensing, or if the patient has waited beyond specified days supply of their previous fill. If a physician prescribes a medication that does not have a generic equivalent the member is responsible to pay the brand copay. Drugs to treat sexual dysfunction are limited to 4 pills or dosage units per month. Prior approval is required.

A generic equivalent will be dispensed if it is available, unless your physician specifically requires a brand name. If you receive a brand name drug when a Federally-approved generic is available, you have to pay the brand name copay + the difference in cost between the brand name and the generic.
- **Why use generic drugs?** Generic drugs offer a safe and economic way to meet your prescription drug needs. The generic name of a drug is its chemical name; the name brand is the name under which the manufacturer advertises and sells a drug. Under federal law, generic and name brand drugs must meet the same standards for safety, purity, strength, and effectiveness. A generic prescription costs you -- and us -- less than a name brand prescription.
- **When you have to file a claim.** See Filing a Claim for Covered Services (section (7))

We have no other dental benefits.

Section 5 (i). Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, **and you cannot file an FEHB disputed claim about them.** Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums.

- Disease management programs for asthma, diabetes, congestive heart failure patients
- Expanded Vision care – Discounts on vision services are available to Foundation Health members. Services include eye exams, contact lenses, eyeglasses, designer eyeglasses, sunglasses etc. Non-medically necessary contact lens evaluation and fitting services are provided by participating providers, there is a maximum charge of \$45 for Foundation Health members.

For details on specific services and discounts, please call our Member Services department at 1-800-441-5501.

- Lasik surgery services at preferred rates
- Fitness Club Discounts

Section 6. General exclusions -- things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions, except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest
- Services, drugs, or supplies related to sex transformations
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program; or
- Services, drugs, or supplies you receive without charge while in active military service.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical, hospital and prescription drug benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 1-800-441-5501.

When you must file a claim -- such as for services you receive outside of the Plan's service area -- submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer -- such as the Medicare Summary Notice (MSN);
- Receipts, if you paid for your services; and
- For services received outside of the U.S., please provide translation of services.

Submit your claims to:

*Foundation Health
Attn: FEHB Claims Department
1340 Concord Terrace
Sunrise, Florida 33323*

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description
1	<p>Ask us in writing to reconsider our initial decision. You must:</p> <ul style="list-style-type: none">(a) Write to us within 6 months from the date of our decision; and(b) Send your request to us at: Foundation Health Attn: FEHB Claims Department 1340 Concord Terrace Sunrise, Florida 33323; and(c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and(d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.
2	<p>We have 30 days from the date we receive your request to:</p> <ul style="list-style-type: none">(a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or(b) Write to you and maintain our denial -- go to step 4; or(c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.
3	<p>You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.</p> <p>If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.</p> <p>We will write to you with our decision.</p>
4	<p>If you do not agree with our decision, you may ask OPM to review it.</p> <p>You must write to OPM within:</p> <ul style="list-style-type: none">• 90 days after the date of our letter upholding our initial decision; or• 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or• 120 days after we asked for additional information. <p>Write to OPM at: Office of Personnel Management, Office of Insurance Programs, Health Benefits Contracts Division 3, 1900 E Street, NW, Washington, DC 20415-3630.</p>

The Disputed Claims process (*Continued*)

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

- 5** OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- (a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 1-800-441-5501 and we will expedite our review; or
- (b) We denied your initial request for care or preauthorization/prior approval, then:
 - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
 - You may call OPM's Health Benefits Contracts Division 3 at 202/606-0755 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage You must tell us if you or a covered family member has coverage under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (Someone who was a Federal employee on January 1, 1983 or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare + Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare managed care plan you have.

The Original Medicare Plan (Part A or Part B)

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care. Your care must continue to be authorized by your Plan PCP, or precertified as required. We will not waive any of our copayments or coinsurance.

Claims process when you have the Original Medicare Plan -- You probably will never have to file a claim form when you have both our Plan and the Original Medicare Plan.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. You will not need to do anything. To find out if you need to do something to file your claim, call us at 1-800-441-5501 or www.fhfl.com

We do not waive any costs if the Original Medicare Plan is your primary payer.

The following chart illustrates whether the Original Medicare Plan or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

Medicare managed care plan

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare managed care plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare managed care plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare managed care plans provide all the benefits that Original Medicare covers. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare managed care plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov.

If you enroll in a Medicare managed care plan, the following options are available to you:

This Plan and our Medicare managed care plan: You may enroll in our Medicare managed care plan and also remain enrolled in our FEHB plan. In this case, we do not waive cost-sharing for your FEHB coverage

This Plan and another plan's Medicare managed care plan: You may enroll in another plan's Medicare managed care plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare managed care plan is primary, even out of the managed care plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments, coinsurance, or deductibles. If you enroll in a Medicare managed care plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare managed care plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare managed care plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare managed care plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare managed care plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare managed care plan's service area.

If you do not enroll in Medicare Part A or Part B

If you do not have one or both Parts of Medicare, you can still be covered under the FEHB Program. We will not require you to enroll in Medicare Part B and, if you can't get premium-free Part A, we will not ask you to enroll in it.

TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the program.

Workers' Compensation

We do not cover services that:

- you need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. See page 11.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 11.
Covered services	Care we provide benefits for, as described in this brochure.
Custodial care	Services to support and generally maintain the patient's condition, provide for the patient's comfort or ensure the manageability of the patient. Custodial care that lasts 90 days or more is sometimes known as Long term care.
Experimental or investigational services	Services, supplies, drugs and procedures which have not demonstrated to be safe, effective, medically appropriate for use in the treatment of illness or injury. Also include service, supplies, drugs and procedures that are determined to be the subject of clinical trial.
Group health coverage	Healthcare insurance that covers a group of people (e.g. FEHB) under one master contract.
Medical necessity	Services which are necessary and appropriate for the treatment of an illness or injury according to professionally recognized standards of practice and are consistent with Foundation's medical policies.
Plan allowance	Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Plans determine their allowances in different ways. We determine our allowance as follows: Covered benefits that require coinsurance are based on our Plan's allowance.
Us/We	Us and we refer to Foundation Health
You	You refers to the enrollee and each covered family member.

Section 11. FEHB facts

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure. Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

Children's Equity Act

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for self and family coverage in the Federal Employees Health Benefits (FEHB) Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for self and family coverage in a health plan that provides full benefits in the area where your child(ren) live or provide documentation to your employing office that you have obtained other health benefits coverage for your child(ren). If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option,
- if you have a self only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to self and family in the same option of the same plan; or
- if you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to self only, or change to a plan that doesn't serve the area in which your child(ren) live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot make any changes after retirement. Contact your employing office for further information.

When benefits and premiums start

The benefits in this brochure are effective on January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as temporary continuation of coverage (TCC).

When you lose benefits

- **When FEHB coverage ends** You will receive an additional 31 days of coverage, for no additional premium, when:
 - Your enrollment ends, unless you cancel your enrollment, or
 - You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage.

- **Spouse equity coverage**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to supply health coverage to you. But, you may be eligible for your own FEHB coverage under the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's website, www.opm.gov/insure.

- **Temporary continuation of coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

- **Getting a Certificate of Group Health Plan Coverage**

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, Temporary Continuation of Coverage (TCC) under the FEHB Program. See also the FEHB web site (www.opm.gov/insure/health); refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and have information about Federal and State agencies you can contact for more information.

Long Term Care Insurance Is Still Available!

Open Season for Long Term Care Insurance

- You can protect yourself against the high cost of long term care by applying for insurance in the Federal Long Term Care Insurance Program.
- Open Season to apply for long term care insurance through LTC Partners ends on December 31, 2002.
- If you're a Federal employee, you and your spouse need only answer a few questions about your health during Open Season.
- If you apply during the Open Season, your premiums are based on your age as of July 1, 2002. After Open Season, your premiums are based on your age at the time LTC Partners receives your application.

FEHB Doesn't Cover It

- Neither FEHB plans nor Medicare cover the cost of long term care. Also called "custodial care", long term care helps you perform the activities of daily living such as bathing or dressing yourself. It can also provide help you may need due to a severe cognitive impairment such as Alzheimer's disease.

You Can Also Apply Later, But...

- Employees and their spouses can still apply for coverage after the Federal Long Term Care Insurance Program Open Season ends, but they will have to answer more health-related questions.
- For annuitants and other qualified relatives, the number of health-related questions that you need to answer is the same during and after the Open Season.

You Must Act to Receive an Application

- Unlike other benefit programs, YOU have to take action – you won't receive an application automatically. You must request one through the toll-free number or website listed below.
- Open Season ends December 31, 2002 – act NOW so you won't miss the abbreviated underwriting available to employees and their spouses, and the July 1 "age freeze"!

2003 Rate Information for Foundation Health

Non-Postal rates apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and a special FEHB guide is published for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable FEHB Guide.
