UNITED STATES
OFFICE OF PERSONNEL MANAGEMENT
WASHINGTON, DC 20415-0001

OFFICE OF THE DIRECTOR

Dear Federal Employees Health Benefits Program Participant:

I am pleased to present this 2004 Federal Employees Health Benefits (FEHB) Program plan brochure. The brochure describes the benefits this plan offers you for 2004. Because benefits vary from year to year, you should review your plan's brochure every Open Season – especially Section 2, which explains how the plan changed.

It takes a lot of information to help a consumer make wise healthcare decisions. The information in this brochure, our FEHB Guide, and our web-based resources, make it easier than ever to get information about plans, to compare benefits and to read customer service satisfaction ratings for the national and local plans that may be of interest. Just click on www.opm.gov/insure!

The FEHB Program continues to be an enviable national model that offers exceptional choice, and uses private-sector competition to keep costs reasonable, ensure high-quality care, and spur innovation. The Program, which began in 1960, is sound and has stood the test of time. It enjoys one of the highest levels of customer satisfaction of any healthcare program in the country.

I continue to take aggressive steps to keep the FEHB Program on the cutting edge of employer-sponsored health benefits. We demand cost-effective quality care from our FEHB carriers and we have encouraged Federal agencies and departments to pay the full FEHB health benefit premium for their employees called to active duty in the Reserve and National Guard so they can continue FEHB coverage for themselves and their families. Our carriers have also responded to my request to help our members to be prepared by making additional supplies of medications available for emergencies as well as call-up situations and you can help by getting an Emergency Preparedness Guide at www.opm.gov. OPM's *HealthierFeds* campaign is another way the carriers are working with us to ensure Federal employees and retirees are informed on healthy living and best-treatment strategies. You can help to contain healthcare costs and keep premiums down by living a healthy life style.

Open Season is your opportunity to review your choices and to become an educated consumer to meet your healthcare needs. Use this brochure, the FEHB Guide, and the web resources to make your choice an informed one. Finally, if you know someone interested in Federal employment, refer them to www.usajobs.opm.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Kay Coles James".

Kay Coles James
Director

Notice of the Office of Personnel Management's Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

By law, the Office of Personnel Management (OPM), which administers the Federal Employees Health Benefits (FEHB) Program, is required to protect the privacy of your personal medical information. OPM is also required to give you this notice to tell you how OPM may use and give out ("disclose") your personal medical information held by OPM.

OPM **will** use and give out your personal medical information:

- To you or someone who has the legal right to act for you (your personal representative).
- To the Secretary of the Department of Health and Human Services, if necessary, to make sure your privacy is protected.
- To law enforcement officials when investigating and/or prosecuting alleged or civil or criminal actions, and
- Where required by law.

OPM **has the right** to use and give out your personal medical information to administer the FEHB Program. For example:

- To communicate with your FEHB health plan when you or someone you have authorized to act on your behalf asks for our assistance regarding a benefit or customer service issue.
- To review, make a decision, or litigate your disputed claim.
- For OPM and the General Accounting Office when conducting audits.

OPM **may** use or give out your personal medical information for the following purposes under limited circumstances:

- For Government healthcare oversight activities (such as fraud and abuse investigations).
- For research studies that meet all privacy law requirements (such as for medical research or education), and
- To avoid a serious and imminent threat to health or safety.

By law, OPM must have your written permission (an "authorization") to use or give out your personal medical information for any purpose that is not set out in this notice. You may take back ("revoke") your written permission at any time, except if OPM has already acted based on your permission.

By law, you **have the right** to:

- See and get a copy of your personal medical information held by OPM.
- Amend any of your personal medical information created by OPM if you believe that it is wrong or if information is missing, and OPM agrees. If OPM disagrees, you may have a statement of your disagreement added to your personal medical information.

- Get a listing of those getting your personal medical information from OPM in the past 6 years. The listing will not cover your personal medical information that was given to you or your personal representative, any information that you authorized OPM to release, or that was given out for law enforcement purposes or to pay for your health care or a disputed claim.
- Ask OPM to communicate with you in a different manner or at a different place (for example, by sending materials to a P.O. Box instead of your home address).
- Ask OPM to limit how your personal medical information is used or given out. However, OPM may not be able to agree to your request if the information is used to conduct operations in the manner described above.
- Get a separate paper copy of this notice.

For more information on exercising your rights set out in this notice, look at www.opm.gov/insure on the web. You may also call 202-606-0191 and ask for OPM's FEHB Program privacy official for this purpose.

If you believe OPM has violated your privacy rights set out in this notice, you may file a complaint with OPM at the following address:

Privacy Complaints
Office of Personnel Management
P.O. Box 707
Washington, DC 20004-0707

Filing a complaint will not affect your benefits under the FEHB Program. You also may file a complaint with the Secretary of the Department of Health and Human Services.

By law, OPM is required to follow the terms in this privacy notice. OPM has the right to change the way your personal medical information is used and given out. If OPM makes any changes, you will get a new notice by mail within 60 days of the change. The privacy practices listed in this notice will be effective April 14, 2003.

Introduction

This brochure describes the benefits of OSF HealthPlans under our contract (CS 2829) with the Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. The address for OSF HealthPlans administrative offices is:

OSF HealthPlans
7915 N. Hale Ave., Suite D
Peoria, IL 61615-2047

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2004, unless those benefits are also shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2004, and changes are summarized on page 9. Rates are shown at the end of this brochure.

Plain Language

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member; “we” means OSF HealthPlans.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans’ brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM’s “Rate Us” feedback area at www.opm.gov/insure or e-mail OPM at fehwebcomments@opm.gov. You may also write to OPM at the Office of Personnel Management, Insurance Services Program, Program Planning & Evaluation Group, 1900 E Street, NW, Washington, DC 20415.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits (FEHB) Program premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

Protect Yourself From Fraud - Here are some things you can do to prevent fraud:

- Be wary of giving your plan identification (ID) number over the telephone or to people you do not know, except to your doctor, other provider, or authorized plan or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) that you receive from us.
- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 800/OSF-5222 and explain the situation.
 - If we do not resolve the issue:

**CALL -- THE HEALTH CARE FRAUD HOTLINE
202-418-3300**

OR WRITE TO:

The United States Office of Personnel Management
Office of the Inspector General Fraud Hotline
1900 E Street, NW, Room 6400
Washington, DC 20415

- Do not maintain as a family member on your policy:
 - your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - your child over age 22 (unless he/she is disabled and incapable of self support).
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed, with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.
- You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

Preventing Medical Mistakes

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

1. **Ask questions if you have doubts or concerns.**
 - Ask questions and make sure you understand the answers.
 - Choose a doctor with whom you feel comfortable talking.
 - Take a relative or friend with you to help you ask questions and understand answers.
2. **Keep and bring a list of all the medicines you take.**
 - Give your doctor and pharmacist a list of all the medicines that you take, including non-prescription medicines.
 - Tell them about any drug allergies you have.
 - Ask about side effects and what to avoid while taking the medicine.
 - Read the label when you get your medicine, including all warnings.
 - Make sure your medicine is what the doctor ordered and know how to use it.
 - Ask the pharmacist about your medicine if it looks different than you expected.
3. **Get the results of any test or procedure.**
 - Ask when and how you will get the results of test or procedures.
 - Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
 - Call your doctor and ask for your results.
 - Ask what the results mean for your care.
4. **Talk to your doctor about which hospital is best for your health needs.**
 - Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
 - Be sure you understand the instructions you get about follow-up care when you leave the hospital.
5. **Make sure you understand what will happen if you need surgery.**
 - Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
 - Ask your doctor, "Who will manage my care when I am in the hospital?"
 - Ask your surgeon:
 - Exactly what will you be doing?
 - About how long will it take?
 - What will happen after surgery?
 - How can I expect to feel during recovery?
 - Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reaction to anesthesia, and any medications you are taking.

Want more information on patient safety?

- www.ahrq.gov/consumer/pathqpack.htm. The Agency for Healthcare Research and Quality makes available a wide-ranging list of topics not only to inform consumers about patient safety but to help choose quality healthcare providers and improve the quality of care you receive.
- www.npsf.org. The National Patient Safety Foundation has information on how to ensure safer healthcare for you and your family.
- www.talkaboutrx.org/consumer.html. The National Council on Patient Information and Education is dedicated to improving communication about the safe, appropriate use of medicines.

- www.quic.gov/report. Find out what federal agencies are doing to identify threats to patient safety and help prevent mistakes in the nation's healthcare delivery system.

Section 1. Facts about this HMO plan

This Plan is a health maintenance organization (HMO). We require you to see specific physicians, hospitals, and other providers that contract with us. These Plan providers coordinate your health care services. The Plan is solely responsible for the selection of these providers in your area. Contact the Plan for a copy of their most recent provider directory.

HMOs emphasize preventive care such as routine office visits, physical exams, well-baby care, and immunizations, in addition to treatment for illness and injury. Our providers follow generally accepted medical practice when prescribing any course of treatment.

When you receive services from Plan providers, you will not have to submit claim forms or pay bills. You only pay the copayments, and coinsurance described in this brochure. When you receive emergency services from non-Plan providers, you may have to submit claim forms.

You should join an HMO because you prefer the plan's benefits, not because a particular provider is available. You cannot change plans because a provider leaves our Plan. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us.

How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

Who provides my health care?

OSF HealthPlans, Inc. is a Mixed Model Prepayment (MMP) plan. The Plan contracts with hospitals, group physician practices, individual physician practices, and other health care providers that provide medical care to members in central Illinois and central-northwestern Illinois.

Your Rights

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, providers, and facilities. OPM's FEHB website (www.opm.gov/insure) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- We were awarded an Excellent status for our commercial HMO/POS combined plans for all 28 Illinois service area counties by the National Committee for Quality Assurance (NCQA).
- We have been in existence for 8 years
- We are a for profit entity
- We scored above the 90th percentile nationwide in the rating categories of Health Plan Overall, Health Care Overall and Personal Physician in our HEDIS 2002 Member Satisfaction Survey. We were also above the 90th percentile nationwide for Customer Service, Getting Care Quickly, How Well Doctors Communicate, Claims Processing and Courteous and Helpful Office Staff. We scored above the 75th percentile nationwide for Getting Needed Care.

If you want more information about us, call 800/OSF-5222, or write to OSF HealthPlans, 7915 N. Hale Ave., Peoria, IL, 61615-2047. You may also contact us by fax at 309/677-8259 or visit our website at www.osfhealthplans.com.

Service Area

To enroll in this Plan, you must live in or work in our Service Area. This is where our providers practice. Our service area is:

Central Illinois: Dewitt, Fulton, Knox, Livingston, Marshall, McLean, Peoria, Tazewell, and Woodford Counties.

Central-Northwestern Illinois: Boone, Bureau, DeKalb, Henderson, Henry, Kane, LaSalle, Lee, McDonough, McHenry, Mercer, Ogle, Putnam, Stark, Stephenson, Warren, Whiteside, and Winnebago Counties.

Ordinarily, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member move outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other states. If you or a family member move, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

Section 2. How we change for 2004

Do not rely on these change descriptions; this page is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Program-wide changes

- We added information regarding two new Federal Programs that complement FEHB benefits, the Federal Flexible Spending Account Program – *FSAFEDS* and the Federal Long Term Care Insurance Program. See page 52.
- We added information regarding Preventing medical mistakes. See page 5.
- We added information regarding enrolling in Medicare. See page 42
- We revised the Medicare Primary Payer Chart. See page 44

Changes to this Plan

- Your share of the non-Postal premium will increase by 15.1% for Self Only or 15.1% for Self and Family.

Section 3. How you get care

Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your Employee Express confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 800/OSF-5222 or write to us at OSF HealthPlans, 7915 N. Hale Avenue, Suite D, Peoria, IL 61615.

Where you get covered care

You get care from “Plan providers” and “Plan facilities.” You will only pay copayments, and/or coinsurance, and you will not have to file claims.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. To make sure we provide high value health care services and products, we do have guidelines and policies for providers that request to participate in our network. In addition, the National Committee for Quality Assurance (NCQA) has developed standards and guidelines that we also follow.

We list Plan providers in the provider directory, which we update periodically. The list is also on our website. You may also call us at 800/OSF-5222 to receive information about our providers.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. We list these in the provider directory, which we update periodically.

What you must do to get covered care

It depends on the type of care you need. First, you and each family member must choose a primary care physician. This decision is important since your primary care physician provides or arranges for most of your health care. You should try to choose a primary care physician that is familiar with your medical history. If you must choose a new physician, we encourage you to schedule an appointment as soon as possible so he/she can become familiar with you and you can become familiar with him/her. If you need help choosing a primary care physician, please call 800/OSF-5222 and we will assist you.

- **Primary care**

Your primary care physician can be a pediatrician, family practitioner or internist. Your primary care physician will provide most of your health care, or give you a referral to see a specialist.

If you want to change primary care physicians or if your primary care physician leaves the Plan, call us. We will help you select a new one. You may change two (2) times a year with a thirty (30) day interval between changes. If you contact us by the fifteenth (15th) of the month, your change will be effective the first of the following month. If you contact us after the fifteenth (15th), there will be a month between changes. This allows enough time for offices to schedule appointments and to notify Primary Care Physicians of new patients.

- **Specialty care**

Your primary care physician will refer you to a specialist for needed care. When you receive a referral from your primary care physician, you must return to the primary care physician after the consultation, unless your primary care physician authorized a certain number of visits without additional referrals. The primary care physician must provide or authorize all follow-up care. Do not go to the specialist for return visits unless your primary care physician gives you a referral. However, female members may see network OB/GYNs without a referral.

Here are other things you should know about specialty care:

- If you need to see a specialist frequently because of a chronic, complex, or serious medical condition, your primary care physician will develop a treatment plan that allows you to see your specialist for a certain number of visits without additional referrals. Your primary care physician and specialist will work together with you and the Plan when creating your treatment plan. Your primary care physician will use our criteria when creating your treatment plan (the physician may have to get an authorization or approval beforehand).
- If you are seeing a specialist when you enroll in our Plan, talk to your primary care physician. Your primary care physician will decide what treatment you need. If he or she decides to refer you to a specialist, ask if you can see your current specialist. If your current specialist does not participate with us, you must receive treatment from a specialist who does. Generally, we will not pay for you to see a specialist who does not participate with our Plan.
- If you are seeing a specialist and your specialist leaves the Plan, call your primary care physician, who will arrange for you to see another specialist. You may receive services from your current specialist until we can make arrangements for you to see someone else.
- If you have a chronic or disabling condition and lose access to your specialist because we:
 - terminate our contract with your specialist for other than cause; or
 - drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or
 - reduce our service area and you enroll in another FEHB Plan,

you may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days.

- **Hospital care**

Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

If you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 800/OSF-5222. If you are new to the FEHB Program, we will arrange for you to receive care.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92nd day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such case, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

Circumstances beyond our control

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to provide you with the necessary care.

Services requiring our prior approval

Your primary care physician has authority to refer you for most services. For certain services, however, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, medically necessary, and follows generally accepted medical practice.

We call this review and approval process the referral process. Your physician must obtain a referral for the following services (this list is intended as an example only): Inpatient hospitalization, outpatient surgery, certain outpatient diagnostic procedures, specialty physician office visits, durable medical equipment, home health care, growth hormone therapy (GHT), physical therapy, occupational therapy, and speech therapy. It is also your responsibility to notify us within 48 hours of any Emergency room visit. If you are unsure a service needs a referral, call us at 800/OSF-5222.

Except in a medical emergency, you must contact your primary care physician for a referral before seeing any other doctor or obtaining special services. Referral to a participating specialist is given at the primary care physician's discretion; if specialists or consultants are required beyond those who are Plan doctors, the primary care physician will make arrangements for appropriate referrals.

On referrals, the primary care physician will give specific instructions to the consultant as to what services are authorized. Authorizations will be for an adequate number of direct visits under an approved treatment plan. If additional services or visits are suggested by the consultant, over and above the approved treatment plan, you must first check with your primary care physician. Do not go to the specialist unless your primary care physician has arranged for, and the Plan has issued an authorization for, the referral.

Section 4. Your costs for covered services

You must share the cost of some services. You are responsible for:

- **Copayments**

A copayment is a fixed amount of money you pay to the provider, facility, pharmacy, etc., when you receive services.

Example: When you see your primary care physician you pay a copayment of \$20 per office visit and when you go in the hospital, you pay \$500 per admission.

- **Deductible**

We do not have a deductible.

Note: If you change plans during open season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

- **Coinsurance**

Coinsurance is the percentage of our negotiated fee that you must pay for your care.

Example: In our Plan, you pay 20% of our allowance for durable medical equipment, prosthetic devices, and orthopedic devices.

Your catastrophic protection out-of-pocket maximum for coinsurance and copayments

After your copayments and/or coinsurance total \$1,500 per person or \$3,000 per family enrollment in any calendar year, you do not have to pay any more for covered services. However, copayments or coinsurance for the following services do not count toward your out-of-pocket maximum, and you must continue to pay copayments or coinsurance for these services:

- Durable medical equipment;
- Prosthetic devices;
- Orthopedic devices; and
- Prescription drugs

Be sure to keep accurate records of your copayments and/or coinsurance since you are responsible for informing us when you reach the maximum.

Section 5. Benefits -- OVERVIEW

(See page 9 for how our benefits changed this year and page 57 for a benefits summary.)

NOTE: This benefits section is divided into subsections. Please read the important things you should keep in mind at the beginning of each subsection. Also read the General Exclusions in Section 6; they apply to the benefits in the following subsections. To obtain claim forms, claims filing advice, or more information about our benefits, contact us at 800/OSF-5222 or at our website at www.osfhealthplans.com.

(a) Medical services and supplies provided by physicians and other health care professionals	15-22
• Diagnostic and treatment services

Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- We have no calendar year deductible.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

What is a medical emergency?

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

What to do in case of emergency:

If you are in an emergency situation, go to the nearest emergency care facility. If you have questions about whether or not it is an emergency, your primary care physician or covering physician will be available 24 hours a day, 7 days a week to help you.

If you do go to an emergency facility, you or a family member must call the Plan's HealthCare Management at 800/284-CARE within 48 hours unless it was not reasonably possible to do so. It is your responsibility to ensure that the Plan has been timely notified. If you are hospitalized in non-Plan facilities and a Plan doctor believes care can be provided in a Plan Hospital, you will be transferred to a Plan Hospital when you are medically able to do so. Any ambulance charges from this transfer are covered in full.

Within the service area, benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition. Outside the service area, benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness. To be covered by this Plan, any follow-up care recommended by non-Plan providers must be approved by the Plan.

Benefit Description	You pay
Emergency within our service area	
<ul style="list-style-type: none"> • Emergency care at a doctor's office 	\$20 per office visit to your primary care physician or a specialist
<ul style="list-style-type: none"> • Emergency care at an urgent care center 	\$20 per visit to an urgent care center
<ul style="list-style-type: none"> • Emergency care as an outpatient or inpatient at a hospital, including doctors' services 	\$100 per visit, waived if admitted
<i>Not covered: Elective care or non-emergency care</i>	<i>All charges.</i>

Emergency outside our service area	You pay
<ul style="list-style-type: none"> • Emergency care at a doctor's office • Emergency care at an urgent care center 	\$20 per office visit to your primary care physician or a specialist. \$20 per visit to an urgent care center
<ul style="list-style-type: none"> • Emergency care as an outpatient or inpatient at a hospital, including doctors' services 	\$100 per visit, waived if admitted
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Elective care or non-emergency care</i> • <i>Emergency care provided outside the service area if the need for care could have been foreseen before leaving the service area</i> • <i>Medical and hospital costs resulting from a normal full-term delivery of a baby outside the service area</i> 	<i>All charges.</i>
Ambulance	
<p>Professional ambulance service, including air ambulance, when medically appropriate.</p> <p>See 5(c) for non-emergency service.</p>	Nothing

Section 5 (e). Mental health and substance abuse benefits

**I

Benefit Description	You pay
Mental health and substance abuse benefits	
<p>All diagnostic and treatment services recommended by a Plan provider and contained in a treatment plan that we approve. The treatment plan may include services, drugs, and supplies described elsewhere in this brochure.</p> <p>Note: Plan benefits are payable only when we determine the care is clinically appropriate to treat your condition and only when you receive the care as part of a treatment plan that we approve.</p>	<p>Your cost sharing responsibilities are no greater than for other illnesses or conditions</p>
<ul style="list-style-type: none"> • Professional services, including individual or group therapy by providers such as psychiatrists, psychologists, or clinical social workers • Medication management 	<p>\$20 per office visit to a specialist</p>

Mental health and substance abuse benefits - Continued on next page

Mental health and substance abuse benefits <i>(Continued)</i>	You pay
<ul style="list-style-type: none"> Diagnostic tests 	Nothing
<ul style="list-style-type: none"> Services provided by a hospital or other facility Services in approved alternative care settings such as partial hospitalization, full-day hospitalization, facility based intensive outpatient treatment 	\$500 per admission
<p><i>Not covered: Services we have not approved.</i></p> <p><i>Note: OPM will base its review of disputes about treatment plans on the treatment plan's clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.</i></p>	<i>All charges.</i>

Preauthorization

To be eligible to receive these benefits you must obtain a treatment plan and follow all of the following authorization processes:

- Call our mental health and substance abuse provider, United Behavioral Health (UBH), at 800/420-5729. An intake coordinator will assist you with your needs. You may then be referred to a participating provider.

Limitation

We may limit your benefits if you do not obtain a treatment plan.

Section 5 (f). Prescription drug benefits

There are important features you should be aware of. These include:

- **Who can write your prescription.** A licensed Plan physician must write the prescription.
- **Where you can obtain them.** You must fill the prescription at a plan pharmacy, or by mail for a maintenance medication. We contract with AdvancePCS to provide you with full prescription drug benefits through local pharmacies. Present your AdvancePCS card at any participating pharmacy, and after you pay your copayment for each new or refill prescription, we will pay the rest of the cost to the pharmacy.
- **We use a Preferred Drug List (PDL).** The PDL is made up of drugs meeting careful clinical and therapeutic standards created by physicians and pharmacists. Preferred drugs include generic and specific name brand drugs. Generic drugs on the PDL will cost you the least amount of money out-of-pocket. Name brand drugs on the PDL are your next best option if no generic drug is available. You will pay the most if you use any drugs that are not on the preferred drug list. If you or a family member are currently taking a nonpreferred drug, you should receive a letter showing you what nonpreferred drugs you are taking and what alternative drugs are available. If you have a question about whether your prescription medications are generic or name brand drugs, contact your doctor or pharmacist.

We administer an open PDL. If your physician believes a name brand product is necessary or there is no generic available, your physician may prescribe a name brand drug from the PDL. This list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost.

- **These are the dispensing limitations.** Prescription drugs prescribed by a Plan or referral doctor and obtained at a Plan pharmacy will either be dispensed for up to a 34-day supply or for a 35-90 day supply, depending on the pharmacy you receive them at. You will pay a \$10 copay per prescription unit or refill for up to a 34-day supply of preferred generic drugs and a \$20 copay per prescription unit or refill for a 35-90 day supply. You will pay a \$20 copay for up to a 34-day supply of preferred name brand drugs when no generic drug is available and a \$40 copay for a 35-90 day supply. You will pay a \$40 copay for up to a 34-day supply of non-preferred name brand drugs when no generic drug is available and a \$80 copay for a 35-90 day supply. You will pay a \$10 copay plus the price difference in the cost of the name brand drug over the generic drug for up to a 34-day supply of preferred or non-preferred name brand drugs when you or your physician requests a name brand drug and a generic drug is available. You will pay a \$20 copay plus the price difference in the cost of the name brand drug over the generic drug for a 35-90 day supply of preferred or non-preferred name brand drugs when you or your physician requests a name brand drug and a generic drug is available.

A generic equivalent will be dispensed if it is available, unless your physician specifically requires a name brand. If you receive a name brand drug when a Federally-approved generic drug is available, you have to pay the difference in cost between the name brand drug and the generic, as well as the applicable \$10 or \$20 copay.

-
- **Plan members called to active duty (or members in time of national emergency)** who need to obtain prescribed medications should call us at 800/OSF-5222.
 - **Why use generic drugs?** To reduce your out-of-pocket expenses! A generic drug is the chemical equivalent of a corresponding name brand drug. Generic drugs are less expensive than name brand drugs; therefore, you may reduce your out-of-pocket costs by choosing to use a generic drug.
 - **When you have to file a claim.** Normally you will not have to file a claim. If you do, contact us at 800/OSF-5222 and we can send you a claim form that must be completed. You will then send the claim to the address on the form.

Prescription drug benefits begin on the next page.

Benefit Description	You pay
<p>Covered medications and supplies</p> <p>We cover the following medications and supplies prescribed by a Plan physician and obtained from a Plan pharmacy or through our mail order program:</p> <ul style="list-style-type: none"> • Drugs and medicines that by Federal law of the United States require a physician's prescription for their purchase, except as excluded below. • Insulin; a copay charge applies to each vial • Disposable needles and syringes for the administration of covered medications; a copay charge applies to each 34-day supply • Drugs for sexual dysfunction are subject to dosage limits set by the Plan. Contact the Plan for details. • Fertility drugs 	<p>FOR UP TO A 34-DAY SUPPLY</p> <ul style="list-style-type: none"> • A \$10 copay for a preferred generic drug; • A \$20 copay for a preferred name brand drug when no generic drug is available; • A \$40 copay for a non-preferred name brand drug when no generic drug is available; and • A \$10 copay plus the price difference in the cost of the name brand drug over the generic drug for a preferred or non-preferred name brand drug when you or your physician requests a name brand drug when a generic drug is available. <p>FOR A 35-90 DAY SUPPLY</p> <ul style="list-style-type: none"> • A \$20 copay for a preferred generic drug; • A \$40 copay for a preferred name brand drug when no generic drug is available; • A \$80 copay for a non-preferred name brand drug when no generic drug is available; and • A \$20 copay plus the price difference in the cost of the name brand drug over the generic drug for a preferred or non-preferred name brand drug when you or your physician requests a name brand drug when a generic drug is available.

Covered medications and supplies - Continued on next page.

Covered medications and supplies <i>(continued)</i>	You pay
<p><i>Not covered:</i></p> <ul style="list-style-type: none"> • <i>Drugs and supplies for cosmetic purposes</i> • <i>Vitamins, and nutritional substances that can be purchased without a prescription</i> • <i>Nonprescription medicines</i> • <i>Drugs obtained at a non-Plan pharmacy except for out-of-area emergencies</i> • <i>Medical supplies such as dressings and antiseptics</i> • <i>Drugs to enhance athletic performance</i> • <i>Diabetic supplies, except needles, syringes, and insulin (Additional equipment, i.e., blood glucose monitors, insulin pumps, and supplies, i.e., lancets and test strips, are covered under "Durable medical equipment," see page 21)</i> • <i>Smoking cessation drugs and medication</i> • <i>Drugs prescribed for weight loss and appetite suppressants, except for treatment of Morbid Obesity</i> 	<p><i>All Charges.</i></p>

Section 5 (g). Special Features

Feature	Description
Services for deaf and hearing impaired	We offer a TDD line at 1-888/817-0139
Centers of excellence	We utilize centers of excellence for transplants. It is a national organ and tissue network consisting of 48 transplant medical centers and 120 transplant programs. In order to become a center of excellence, the program is strictly credentialed using program and physician experience, transplant volume, outcomes, comprehensive services, quality assessment and complications rate.

Section 5 (h). Dental benefits

**I
M
P
O
R
T
A
N
T**

Here are some important things to keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- We have no calendar year deductible.
- We cover hospitalization for dental procedures only when a nondental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

T**

Accidental injury benefit	You pay
Restorative services and supplies necessary to promptly repair and replace sound natural teeth due to accidental injury within 90 days of the injury are covered. The need for these services must result from an accidental injury. Accidental injury does not include injury caused by or arising out of the act of chewing.	Nothing
Dental benefits	
We have no other dental benefits.	

Section 6. General exclusions -- things we don't cover

The exclusions in this section apply to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless your Plan doctor determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury, or condition and we agree, as discussed under *Services requiring our prior approval* on page 12.**

We do not cover the following:

- Care by non-Plan providers except for authorized referrals or emergencies (see Emergency Benefits);
- Services, drugs, or supplies you receive while you are not enrolled in this Plan;
- Services, drugs, or supplies that are not medically necessary;
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice;
- Experimental or investigational procedures, treatments, drugs or devices;
- Services, drugs, or supplies related to abortions;
- Services, drugs, or supplies related to sex transformations;
- Services, drugs, or supplies you receive from a provider or facility barred from the FEHB Program;
or
- Services, drugs, or supplies you receive without charge while in active military service.

Section 7. Filing a claim for covered services

When you see Plan physicians, receive services at Plan hospitals and facilities, or fill your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, or coinsurance.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

Medical and hospital benefits

In most cases, providers and facilities file claims for you. Physicians must file on the form HCFA-1500, Health Insurance Claim Form. Facilities will file on the UB-92 form. For claims questions and assistance, call us at 800/OSF-5222.

When you must file a claim -- such as for services you receive outside of the Plan's service area -- submit it on the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number;
- Name and address of the physician or facility that provided the service or supply;
- Dates you received the services or supplies;
- Diagnosis;
- Type of each service or supply;
- The charge for each service or supply;
- A copy of the explanation of benefits, payments, or denial from any primary payer --such as the Medicare Summary Notice (MSN); and
- Receipts, if you paid for your services.

**Submit your claims to: OSF HealthPlans, P.O. Box 5128,
Peoria, IL 61601-5128.**

Prescription drugs

In most cases, participating pharmacies file claims for you. If you need to file a prescription drug claim directly to AdvancePCS, call us at 800/OSF-5222 and we will provide you with a form that must be completely filled out and sent to AdvancePCS.

Deadline for filing your claim

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible.

When we need more information

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

Section 8. The disputed claims process

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

Step	Description
------	-------------

- | | |
|----------|--|
| 1 | Ask us in writing to reconsider our initial decision. You must:
(a) Write to us within 6 months from the date of our decision; and
(b) Send your request to us at: OSF HealthPlans, 7915 N. Hale Ave., Suite D, Peoria, IL 61615; and
(c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and
(d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms. |
|----------|--|

- | | |
|----------|---|
| 2 | We have 30 days from the date we receive your request to:
(a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or
(b) Write to you and maintain our denial -- go to step 4; or
(c) Ask you or your medical provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3. |
|----------|---|

- | | |
|----------|--|
| 3 | You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision. |
|----------|--|

- | | |
|----------|--|
| 4 | If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within: <ul style="list-style-type: none">• 90 days after the date of our letter upholding our initial decision; or• 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or• 120 days after we asked for additional information. |
|----------|--|

Write to OPM at: Office of Personnel Management, Insurance Services Programs, Health Insurance Group 3, 1900 E Street, NW, Washington, D.C. 20415-3630.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure;
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms;
- Copies of all letters you sent to us about the claim;
- Copies of all letters we sent to you about the claim; and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

- 5** OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

NOTE: If you have a serious or life threatening condition (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- (a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at 800/OSF-5222 and we will expedite our review; or
- (b) We denied your initial request for care or preauthorization/prior approval, then:
 - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
 - You may call OPM's Health Insurance Group 3 at 202/606-0755 between 8 a.m. and 5 p.m. eastern time.

Section 9. Coordinating benefits with other coverage

When you have other health coverage You must tell us if you or a covered family member have coverage under another group health plan or have automobile insurance that pays health care expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older.
- Some people with disabilities, under 65 years of age.
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has two parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium-free Part A insurance. (Someone who was a Federal employee on January 1, 1983, or since automatically qualifies.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, Part B premiums are withheld from your monthly Social Security check or your retirement check.

- **Should I enroll in Medicare?**

 decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213 to set up an appointment to apply. If you do not apply for one or both Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare+Choice is the term used to describe the various health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on the type of Medicare + Choice plan you have.

**•The Original Medicare Plan
(Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share. Some things are not covered under Original Medicare, like prescription drugs.

When you are enrolled in Original Medicare along with this Plan, you still need to follow the rules in this brochure for us to cover your care.

Claims process when you have the Original Medicare Plan -- You probably will never have to file a claim form when you have both our Plan and the Original Medicare Plan.

- When we are the primary payer, we process the claim first.
- When Original Medicare is the primary payer, Medicare processes your claim first. In most cases, your claim will be coordinated automatically and we will then provide secondary benefits for covered charges. You will not need to do anything. To find out if you need to do something to file your claim, call us at 309/677-8205, toll free 877/677-8205, or TDD 888/817-0139.

We do not waive any costs if the Original Medicare Plan is your primary payer.

(Primary payer chart begins on next page.)

Medicare always makes the final determination as to whether they are the primary payer. The following chart illustrates whether Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

Primary Payer Chart		
A. When you - or your covered spouse - are age 65 or over and have Medicare and you...	The primary payer for the individual with Medicare is...	
	Medicare	This Plan
1) Are an active employee with the Federal government and... • You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
2) Are an annuitant and... • You have FEHB coverage on your own or through your spouse who is also an annuitant	✓	
• You have FEHB coverage through your spouse who is an active employee		✓
3) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case)	✓*	
4) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and... • You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
5) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge)	✓*	
6) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
7) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty)	✓**	
B. When you or a covered family member...		
1) Have Medicare solely based on end stage renal disease (ESRD) and... • It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and... • This Plan was the primary payer before eligibility due to ESRD		✓ for 30-month coordination period
• Medicare was the primary payer before eligibility due to ESRD	✓	
C. When either you or your spouse are eligible for Medicare solely due to disability and you		
1) Are an active employee with the Federal government and... • You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
2) Are an annuitant and... • You have FEHB coverage on your own or through your spouse who is also an annuitant	✓	
• You have FEHB coverage through your spouse who is an active employee		✓
D. Are covered under the FEHB Spouse Equity provision as a former spouse	✓	

* Unless you have FEHB coverage through your spouse who is an active employee

** Workers' Compensation is primary for claims related to your condition under Workers' Compensation

- **Medicare + Choice plan**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare + Choice plan. These are health care choices (like HMOs) in some areas of the country. In most Medicare + Choice plans, you can only go to doctors, specialists, or hospitals that are part of the plan. Medicare + Choice plans provide all the benefits that Original Medicare covers. Some cover extras, like prescription drugs. To learn more about enrolling in a Medicare + Choice plan, contact Medicare at 1-800-MEDICARE (1-800-633-4227) or at www.medicare.gov.

If you enroll in a Medicare + Choice plan, the following options are available to you:

This Plan and our Medicare + Choice plan: You may enroll in our Medicare + Choice plan and also remain enrolled in our FEHB plan. In this case, we do not waive cost-sharing for your FEHB coverage.

This Plan and another plan's Medicare + Choice plan: You may enroll in another plan's Medicare + Choice plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare + Choice plan is primary, even out of the managed care plan's network and/or service area (if you use our Plan providers), but we will not waive any of our copayments or coinsurance. If you enroll in a Medicare + Choice plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare + Choice plan so we can correctly coordinate benefits with Medicare.

Suspended FEHB coverage to enroll in a Medicare + Choice plan: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare + Choice plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare + Choice plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next open season unless you involuntarily lose coverage or move out of the Medicare + Choice plan's service area.

- **If you do not enroll in Medicare Part A or Part B**

If you do not have one or both parts of Medicare, you can still be covered under the FEHB Program. We will not require you to enroll in Medicare Part B and, if you can't get premium-free Part A, we will not ask you to enroll in it.

TRICARE and CHAMPVA

TRICARE is the health care program for eligible dependents of military persons and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. If TRICARE or CHAMPVA cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

Suspended FEHB coverage to enroll in TRICARE or CHAMPVA: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.)

For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the program.

Workers' Compensation

We do not cover services that:

- you need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care. You must use our providers.

Medicaid

When you have this Plan and Medicaid, we pay first.

Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance: If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

When other Government agencies are responsible for your care

We do not cover services and supplies when a local, State, or Federal Government agency directly or indirectly pays for them.

When others are responsible for injuries

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

Section 10. Definitions of terms we use in this brochure

Calendar year	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
Coinsurance	Coinsurance is the percentage of our allowance that you must pay for your care. See page 13.
Copayment	A copayment is a fixed amount of money you pay when you receive covered services. See page 13.
Covered services	Care we provide benefits for, as described in this brochure.
Deductible	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 13.
Experimental or investigational services	The Plan uses a range of sources to decide if a new procedure, process, or pharmaceutical is or is not experimental or investigational. These sources include an independent third party evaluation where valid, an agreement of specialists in the related field, the Food and Drug Administration, Medicare Guidelines, Hayes Technology Assessment and other available sources of medical information. All information is given to the Plan's Utilization Management Committee by the Plan's Medical Director for a decision. The Medical Director also uses the resources of the Plan's Technology Assessment Committee.
Us/We	Us and we refer to OSF HealthPlans.
You	You refers to the enrollee and each covered family member.

Section 11. FEHB facts

Coverage information

No pre-existing condition limitation

We will not refuse to cover the treatment of a condition that you had before you enrolled in this Plan solely because you had the condition before you enrolled.

Where you can get information about enrolling in the FEHB Program

See www.opm.gov/insure. Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive health benefits, nor will we. Please tell us immediately when you add or remove family members from your coverage for any reason, including divorce, or when your child under age 22 marries or turns 22.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

Children's Equity Act

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for self and family coverage in the Federal Employees Health Benefits (FEHB) Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for self and family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.
- if you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- if you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot el your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

When benefits and premiums start

The benefits in this brochure are effective on January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your pay period that starts on or after January 1. If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2004 benefits of your old plan or option. However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2003 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

When you retire

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as temporary continuation of coverage (TCC).

When you lose benefits

- **When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy).

- **Spouse equity coverage**

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to supply health coverage to you. But, you may be eligible for your own FEHB coverage under the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's website, www.opm.gov/insure.

- **Temporary Continuation of Coverage (TCC)**

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

Enrolling in TCC. Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from www.opm.gov/insure. It explains what you have to do to enroll.

- **Converting to individual coverage**

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Getting a Certificate of Group Health Plan Coverage

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, Temporary Continuation of Coverage (TCC) under the FEHB Program. See also the FEHB web site (www.opm.gov/insure/health); refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and have information about Federal and State agencies you can contact for more information.

Two new Federal Programs complement FEHB benefits

Important information

OPM wants to be sure you know about two new Federal programs that complement the FEHB Program. First, the **Flexible Spending Account (FSA) Program**, also known as **FSAFEDS**, lets you set aside tax-free money to pay for health and dependent care expenses. The result can be a discount of 20 to more than 40 percent on services you routinely pay for out-of-pocket. Second, the **Federal Long Term Care Insurance Program (FLTCIP)** covers long term care costs not covered under the FEHB.

The Federal Flexible Spending Account Program - *FSAFEDS*

- **What is an FSA?**

It is a tax-favored benefit that allows you to set aside pre-tax money from your paychecks to pay for a variety of eligible expenses. *By using an FSA, you can reduce your taxes while paying for services you would have to pay for anyway, producing a discount that can be over 40%!!*

There are two types of FSAs offered by the FSAFEDS Program:

Health Care Flexible Spending Account (HCFSA)

- Covers eligible health care expenses not reimbursed by this Plan, or any other medical, dental, or vision care plan you or your dependents may have
- Eligible dependents for this account include anyone you claim on your Federal income tax return as a qualified dependent under the U.S. Internal Revenue Service (IRS) definition and/or with whom you jointly file your Federal income tax return, even if you don't have self and family health benefits coverage. **Note:** The IRS has a broader definition than that of a "family member" than is used under the FEHB Program to provide benefits by your FEHB Plan.
- The maximum amount that can be allotted for the HCFSA is \$3,000 annually. The minimum amount is \$250 annually.

Dependent Care Flexible Spending Account (DCFSA)

- Covers eligible dependent care expenses incurred so you can work, or if you are married, so you and your spouse can work, or your spouse can look for work or attend school full-time.
- Eligible dependents for this account include anyone you claim on your Federal income tax return as a qualified IRS dependent and/or with whom you jointly file your Federal income tax return.
- The maximum that can be allotted for the DCFSA is \$5,000 annually. The minimum amount is \$250 annually. **Note:** The IRS limits contributions to a Dependent Care FSA. For single taxpayers and taxpayers filing a joint return, the maximum is \$5,000 per year. For taxpayers who file their taxes separately with a spouse, the maximum is \$2,500 per year. The limit includes any child care subsidy you may receive

- **Enroll during Open Season**

You **must make an election** to enroll in an FSA during the FEHB Open Season. Even if you enrolled during the initial Open Season for 2003, you must make a new election to continue participating in 2004. Enrollment is easy!

- Enroll online anytime during Open Season (November 10 through December 8, 2003) at www.fsafeds.com.
- Call the toll-free number 1-877-FSAFEDS (372-3337) Monday through Friday, from 9 a.m. until 9 p.m. eastern time and a FSAFEDS Benefit Counselor will help you enroll.

What is SHPS?

SHPS is a third-party administrator hired by OPM to manage the FSAFEDS Program. SHPS is the largest FSA administrator in the nation and will be responsible for enrollment, claims processing, customer service, and day-to-day operations of FSAFEDS.

Who is eligible to enroll?

If you are a Federal employee eligible for FEHB – even if you're not enrolled in FEHB–

you can choose to participate in either, or both, of the flexible spending accounts. If you are not eligible for FEHB, you are not eligible to enroll for a Health Care FSA. However, almost all Federal employees are eligible to enroll for the Dependent Care FSA. The only exception is intermittent (also called when actually employed [WAE]) employees expected to work less than 180 days during the year.

Note: FSAFEDS is the FSA Program established for all Executive Branch employees and Legislative Branch employees whose employers signed on. Under IRS law, FSAs are not available to annuitants. In addition, the U.S. Postal Service and the Judicial Branch, among others, are Federal agencies that have their own plans with slightly different rules, but the advantages of having an FSA are the same no matter what agency you work for.

- **How much should I contribute to my FSA?**

Plan carefully when deciding how much to contribute to an FSA. Because of the tax benefits of an FSA, the IRS places strict guidelines on them. You need to estimate how much you want to allocate to an FSA because current IRS regulations require you forfeit any funds remaining in your account(s) at the end of the FSA plan year. This is referred to as the “use-it-or-lose-it” rule. You will have until April 29, 2004 to submit claims for your eligible expenses incurred during 2003 if you enrolled in FSAFEDS when it was initially offered. You will have until April 30, 2005 to submit claims for your eligible expenses incurred from January 1 through December 31, 2004 if you elect FSAFEDS during this Open Season.

The **FSAFEDS Calculator** at www.fsafeds.com will help you plan your FSA allocations and provide an estimate of your tax savings based on your individual situation.

- **What can my HCFSA pay for?**

Every FEHB health plan includes cost sharing features, such as deductibles you must meet before the Plan provides benefits, coinsurance or copayments that you pay when you and the Plan share costs, and medical services and supplies that are not covered by the Plan and for which you must pay. These out-of-pocket costs are summarized on page XX and detailed throughout this brochure. Your HCFSA will reimburse you for such costs when they are for tax deductible medical care for you and your dependents that is NOT covered by this FEHB Plan or any other coverage that you have.

Plan medical out-of-pocket expenses include: \$100 per delivery maternity copayment; \$500 per admission inpatient hospitalization copayment; \$150 per surgery outpatient surgery copayment; dental expenses except as noted on page 37; eyeglasses except as noted on page 20 and chiropractic expenses.

The IRS governs expenses reimbursable by a HCFSA. See Publication 502 for a comprehensive list of tax-deductible medical expenses. **Note: While you will see insurance premiums listed in Publication 502, they are NOT a reimbursable expense for FSA purposes.** Publication 502 can be found on the IRS Web site at <http://www.irs.gov/pub/irs-pdf/p502.pdf>. If you do not see your service or expense listed in Publication 502, please call a FSAFEDS Benefit Counselor at 1-877-FSAFEDS (372-3337), who will be able to answer your specific questions.

- **Tax savings with an FSA**

An FSA lets you allot money for eligible expenses *before* your agency deducts taxes from your paycheck. This means the amount of income that your taxes are based on will be lower, so your tax liability will also be lower. Without an FSA, you would still pay for these expenses, but you would do so using money remaining in your paycheck after Federal (and often state and local) taxes are deducted. The following chart illustrates a typical tax savings example:

Annual Tax Savings Example	With FSA	Without FSA
If your taxable income is:	\$50,000	\$50,000
And you deposit this amount into a FSA:	\$ 2,000	-\$0-
Your taxable income is now:	\$48,000	\$50,000
Subtract Federal & Social Security taxes:	\$13,807	\$14,383
If you spend after-tax dollars for expenses:	-\$0-	\$ 2,000
Your real spendable income is:	\$34,193	\$33,617
Your tax savings:	\$576	-\$0-

Note: This example is intended to demonstrate a typical tax savings based on 27% Federal and 7.65% FICA taxes. Actual savings will vary based upon in which retirement system you are enrolled (CSRS or FERS), as well as your individual tax situation. In this example, the individual received \$2,000 in services for \$1,424, a discount of almost 36%! You may also wish to consult a tax professional for more information on the tax implications of an FSA.

- **Tax credits and deductions**

Health care expenses

You *cannot* claim expenses on your Federal income tax return if you receive reimbursement for them from your HCFSA or DCFSA. Below are some guidelines that may help you decide whether to participate in FSAFEDS.

The HCFSA is tax-free from the first dollar. In addition, you may be reimbursed from the HCFSA at any time during the year for expenses up to the annual amount you've elected to contribute.

Only health care expenses exceeding 7.5% of your adjusted gross income are eligible to be deducted on your Federal income tax return. Using the example listed in the above chart, only health care expenses exceeding \$3,750 (7.5% of \$50,000) would be eligible to be deducted on your Federal income tax return. In addition, money set aside through a HCFSA is also exempt from FICA taxes. This exemption is not available on your Federal income tax return.

Dependent care expenses

The DCFSA generally allows many families to save more than they would with the Federal tax credit for dependent care expenses. Note that you may only be reimbursed from the DCFSA up to your current account balance. If you file a claim for more than your current balance, it will be held until additional payroll allotments have been added to your account.

Visit www.fsafeds.com and download the Dependent Care Tax Credit Worksheet from the Quick Links box to help you determine what is best for your situation. You may also wish to consult a tax professional for more details.

- **Does it cost me anything to participate in FSAFEDS?**

Probably not. While there is an administrative fee of \$4.00 per month for an HCFSA and 1.5% of the annual election for a DCFSA, most agencies have elected to pay these fees out of their share of employment tax savings. To be sure, check the FSAFEDS.com web site or call 1-877-FSAFEDS (372-3337). Also, remember that participating in FSAFEDS can cost you money if you don't spend your entire account balance by the end of the plan year and wind up forfeiting your end of year account balance, per the IRS "use-it-or-lose-it" rule.

- **Contact us**

To find out more or to enroll, please visit the **FSAFEDS Web site** at www.fsafeds.com, or contact SHPS by email or by phone. SHPS Benefit Counselors are available from 9:00 a.m. until 9:00 p.m. eastern time, Monday through Friday.

- E-mail: fsafeds@shps.net
- Telephone: 1-877-FSAFEDS (372-3337)
- TTY: 1-800-952-0450 (for hearing impaired individuals that would like to utilize a text messaging service)

The Federal Long Term Care Insurance Program

It's important protection

Here's why you should consider enrolling in the Federal Long Term Care Insurance Program:

- **FEHB plans do not cover the cost of long term care.** Also called "custodial care," long term care is help you receive when you need assistance performing activities of daily living – such as bathing or dressing yourself. This need can strike anyone at any age and the cost of care can be substantial.
- **The Federal Long Term Care Insurance Program can help protect you from the potentially high cost of long term care.** This coverage gives you control over the type of care you receive and where you receive it. It can also help you remain independent, so you won't have to worry about being a burden to your loved ones.
- **It's to your advantage to apply sooner rather than later.** Long term care insurance is something you must apply for, and pass a medical screening (called underwriting) in order to be enrolled. Certain medical conditions will prevent some people from being approved for coverage. By applying while you're in good health, you could avoid the risk of having a change in health disqualify you from obtaining coverage. Also, the younger you are when you apply, the lower your premiums.
- **You don't have to wait for an open season to apply.** The Federal Long Term Care Insurance Program accepts applications from eligible persons at any time. You will have to complete a full underwriting application, which asks a number of questions about your health. However, if you are a new or newly eligible employee, you (and your spouse, if applicable) have a limited opportunity to apply using the abbreviated underwriting application, which asks fewer questions. If you marry, your new spouse will also have a limited opportunity to apply using abbreviated underwriting. Qualified relatives are also eligible to apply with full underwriting.

To find out more and to request an application

Call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit www.ltcfeds.com.

Summary of benefits for OSF HealthPlans - 2004

- **Do not rely on this chart alone.** All benefits are provided in full unless indicated and are subject to the definitions, limitations, and exclusions in this brochure. On this page we summarize specific expenses we cover; for more detail, look inside.
- If you want to enroll or change your enrollment in this Plan, be sure to put the correct enrollment code from the cover on your enrollment form.
- We only cover services provided or arranged by Plan physicians, except in emergencies.

Benefits	You Pay	Page
Medical services provided by physicians: <ul style="list-style-type: none"> • Diagnostic and treatment services provided in the office..... 	Office visit copay: \$20 primary care; \$20 specialist	15
Services provided by a hospital: <ul style="list-style-type: none"> • Inpatient • Outpatient..... 	\$500 per admission \$150 per outpatient surgery	26 27
Emergency benefits: <ul style="list-style-type: none"> • In-area • Out-of-area 	\$100 per emergency room visit at a hospital (waived if admitted). \$100 per emergency room visit at a hospital (waived if admitted)	28 29
Mental health and substance abuse treatment	Regular cost sharing	30
Prescription drugs For up to a 34-day supply or 35-90 day supply per prescription unit or refill, depending on where you fill your prescription. The first copay is for up to a 34-day supply, and the second copay is for a 35-90 day supply.	\$10/\$20 copay for generic drugs; \$20/\$40 copay for preferred name brand drugs when no generic drug is available; \$40/\$80 copay for non-preferred name brand drugs when no generic drug is available; and \$10/\$20 copay plus the price difference between the name brand drug and the generic drug for the preferred or non-preferred name brand drug when requested by you or the physician when a generic drug is available.	32
Dental Care.....Accidental injury benefit only	Nothing	37
Vision Care..... One refraction every twenty-four (24) months	\$20 per visit	20
Special features: Services for deaf and hearing impaired; and Centers of excellence for transplants.		36
Protection against catastrophic costs (your out-of-pocket maximum)	Nothing after \$1,500/Self Only or \$3,000/Family enrollment per year Some costs do not count toward this protection	13

Notes

Notes

2004 Rate Information for OSF HealthPlans, Inc.

Non-Postal rates apply to most non-Postal enrollees. If you are in a special enrollment category, refer to the FEHB Guide for that category or contact the agency that maintains your health benefits enrollment.

Postal rates apply to career Postal Service employees. Most employees should refer to the FEHB Guide for United States Postal Service Employees, RI 70-2. Different postal rates apply and a special FEHB guide is published for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization. Refer to the applicable FEHB Guide.
