
Section 2 How we change for 2007

Do not rely on these change descriptions; this section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

Changes to this Plan

- Your share of the non-Postal premium will be 14.1% for Self Only or 14.1% for Self and Family
- Under Infertility we removed the limit of one diagnostic treatment per member per lifetime.
- Under Prescription Drug Benefit for mailorder the member receives a 3-month supply of generic prescription for \$20. The member receives a 3-month supply of brand prescription at 30% of the cost of a 2-month supply. The 30% brand copay limit is \$1,500 for the out-of-pocket costs per member, per contract year. A \$20 copay applies thereafter”.
