

# GHI Health Plan

<http://www.ghi.com>

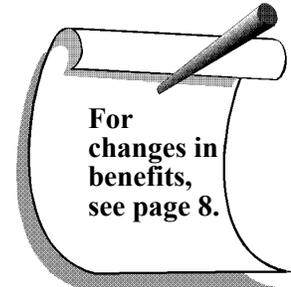

**2008**

## A Prepaid Comprehensive Medical Plan

**High Option Plan Serving:** All of New York and Northern New Jersey

**Standard Option Plan Serving:** New York City (the Boroughs of Manhattan, Brooklyn, Bronx, Queens, and Staten Island), all of Nassau, Suffolk, Rockland, Westchester Counties, and Northern New Jersey

Enrollment in this plan is limited. You must live or work in our Geographic service area to enroll. See page 8 for requirements.

### Enrollment codes for this Plan:

**801 High Option – Self Only**

**802 High Option – Self and Family**

**804 Standard Option – Self Only**

**805 Standard Option - Self and Family**

Authorized for distribution by the:

**United States  
Office of Personnel Management**  
Center for  
Retirement and Insurance Services  
<http://www.opm.gov/insure>

**RI 73-007**

Important Notice from GHI Health Plan About  
Our Prescription Drug Coverage and Medicare

OPM has determined that the GHI Health Plan's prescription drug coverage is, on average, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan participants and is considered Creditable Coverage. Thus you do not need to enroll in Medicare Part D and pay extra for prescription drug benefit coverage. If you decide to enroll in Medicare Part D later, you will not have to pay a penalty for late enrollment as long as you keep your FEHB coverage.

However, if you choose to enroll in Medicare Part D, you can keep your FEHB coverage and your FEHB plan will coordinate benefits with Medicare.

Remember: If you are an annuitant and you cancel your FEHB coverage, you may not re-enroll in the FEHB Program.

Please be advised

If you lose or drop your FEHB coverage and go 63 days or longer without prescription drug coverage that's at least as good as Medicare's prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go 19 months without Medicare Part D prescription drug coverage, your premium will always be at least 19 percent higher than what many other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the next Annual Coordinated Election Period (November 15th through December 31st) to enroll in Medicare Part D.

Medicare's Low Income Benefits

*For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA) online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call the SSA at 1-800-772-1213 (TTY 1-800-325-0778).*

You can get more information about Medicare prescription drug plans and the coverage offered in your area from these places:

- Visit [www.medicare.gov](http://www.medicare.gov) for personalized help,

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

## Introduction

---

This brochure describes the benefits of Group Health Incorporated (GHI) under our contract (CS 1056) with the United States Office of Personnel Management (OPM), as authorized by the Federal Employees Health Benefits law. The address for GHI administrative offices is:

Group Health Incorporated  
441 Ninth Avenue  
New York, NY 10001

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations, and exclusions of this brochure. It is your responsibility to be informed about your health benefits.

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each eligible family member is also entitled to these benefits. You do not have a right to benefits that were available before January 1, 2008, unless those benefits are shown in this brochure.

OPM negotiates benefits and rates with each plan annually. Benefit changes are effective January 1, 2008, and changes are summarized beginning on page 8. Rates are shown at the end of this brochure.

---

## Plain Language

---

All FEHB brochures are written in plain language to make them responsive, accessible, and understandable to the public. For instance,

- Except for necessary technical terms, we use common words. For instance, “you” means the enrollee or family member; “we” means GHI Health Plan.
- We limit acronyms to ones you know. FEHB is the Federal Employees Health Benefits Program. OPM is the Office of Personnel Management. If we use others, we tell you what they mean first.
- Our brochure and other FEHB plans' brochures have the same format and similar descriptions to help you compare plans.

If you have comments or suggestions about how to improve the structure of this brochure, let OPM know. Visit OPM's "Rate Us" feedback area at [www.opm.gov/insure](http://www.opm.gov/insure) or e-mail OPM at [fehwebcomments@opm.gov](mailto:fehwebcomments@opm.gov). You may also write to OPM at the Office of Personnel Management, Insurance Services Program, Program Planning and Evaluation Group, 1900 E Street, NW Washington, DC 20415-3650

---

## Stop Health Care Fraud!

---

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Health Benefits Program (FEHB) premium.

OPM's Office of the Inspector General investigates all allegations of fraud, waste, and abuse in the FEHB Program regardless of the agency that employs you or from which you retired.

**Protect Yourself From Fraud** - Here are some things you can do to prevent fraud:

- Do not give your plan identification (ID) over the telephone or to people you do not know, except for your health care providers, authorized health benefits plan, or OPM representative.
- Let only the appropriate medical professionals review your medical record or recommend services.
- Avoid using health care providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review explanations of benefits (EOBs) forms that you receive from us.

- Do not ask your doctor to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
- Call the provider and ask for an explanation. There may be an error.

If the provider does not resolve the matter, call us at 1-888-456-3728 and explain the situation.

If we do not resolve the issue:

**CALL - THE HEALTH CARE FRAUD HOTLINE**

**202-418-3300**

**OR WRITE TO:**

**United States Office of Personnel Management**

**Office of the Inspector General Fraud Hotline**

**1900 E Street NW Room 6400**

**Washington, DC 20415-1100**

- Do not maintain as a family member on your policy:
  - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
  - Your child over age 22 (unless he/she is incapable of self support.)
- If you have any questions about the eligibility of a dependent, check with your personnel office if you are employed or with your retirement office (such as OPM) if you are retired, or with the National Finance Center if you are enrolled under Temporary Continuation of Coverage.

You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEHB benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the Plan.

---

## **Preventing medical mistakes**

---

An influential report from the Institute of Medicine estimates that up to 98,000 Americans die every year from medical mistakes in hospitals alone. That's about 3,230 preventable deaths in the FEHB Program a year. While death is the most tragic outcome, medical mistakes cause other problems such as permanent disabilities, extended hospital stays, longer recoveries, and even additional treatments. By asking questions, learning more and understanding your risks, you can improve the safety of your own health care, and that of your family members. Take these simple steps:

### **1. Ask questions if you have doubts or concerns.**

- Ask questions and make sure you understand the answers.
- Choose a doctor with whom you feel comfortable talking.
- Take a relative or friend with you to help you ask questions and understand answers.

### **2. Keep and bring a list of all the medicines you take.**

- Bring the actual medicines or give your doctor and pharmacist a list of all the medicines that you take, including non-prescription (over-the-counter) medicines.
- Tell them about any drug allergies you have.
- Ask about any risks or side effects of the medication and what to avoid while taking it. Be sure to write down what you doctor or pharmacist says.

- Make sure your medicine is what the doctor ordered. Ask the pharmacist about your medicine if it looks different than you expected.
- Read the label and patient package insert when you get your medicine, including all warnings and instructions.
- Know how to use your medicine. Especially note the times and conditions when your medicine should and should not be taken.
- Contact your doctor or pharmacist if you have any questions.

### **3. Get the results of any test or procedure.**

- Ask when and how you will get the results of test or procedures.
- Don't assume the results are fine if you do not get them when expected, be it in person, by phone, or by mail.
- Call your doctor and ask for your results.
- Ask what the results mean for your care.

### **4. Talk to your doctor about which hospital is best for your health needs.**

- Ask your doctor about which hospital has the best care and results for your condition if you have more than one hospital to choose from to get the health care you need.
- Be sure you understand the instructions you get about follow-up care when you leave the hospital.

### **5. Make sure you understand what will happen if you need surgery.**

- Make sure you, your doctor, and your surgeon all agree on exactly what will be done during the operation.
- Ask your doctor, "Who will manage my care when I am in the hospital?"
- Ask your surgeon:
  - Exactly what will you be doing?
  - About how long will it take?
  - What will happen after surgery
  - How can I expect to feel during recovery?
- Tell the surgeon, anesthesiologist, and nurses about any allergies, bad reactions to anesthesia, and any medications you are taking.

---

## Section 1 Facts about this Prepaid Plan

---

This Plan offers two distinct benefit packages, High Option Preferred Provider Option (PPO) with Point of Service (POS) coverage and Standard Option Exclusive Provider Option (EPO) coverage. GHI seeks efficient and effective delivery of health services. By controlling unnecessary or inappropriate care, we can afford to offer a comprehensive range of benefits.

We strongly encourage you to select a personal GHI participating doctor who will provide and/or arrange your care within the Plan's participating provider network. This will ensure that you pay only the designated deductible, copayment, or coinsurance for all covered services. GHI is solely responsible for the selection of the providers in our service area. Please contact us for a copy of our most recent provider directory or visit us online at [www.ghi.com](http://www.ghi.com) for the most up-to-date information on our provider network.

In addition to providing comprehensive health care services for illness and injury, we emphasize preventive benefits such as routine office visits, physicals, immunizations, and well-baby care. We encourage you to seek medical attention at the first sign of illness. Whenever you need services, you may choose to obtain them from your personal doctor within the Plan's provider network. If you are enrolled in the High Option with POS coverage, you may seek treatment outside our participating provider network. However, you will pay a substantial portion of the charges for electing non-participating providers and the available benefits may not be as comprehensive as benefits within the GHI network.

**You should join a plan because you prefer the plan's benefits, not because a particular provider may be available. We cannot guarantee that any one physician, hospital, or other provider will be available and/or remain under contract with us. You cannot change plans because a provider leaves our Plan.**

### General Features of our High Option with POS coverage

The enrollment codes for the High Option with POS are 801 (Self only) and 802 (Self and Family). If you are enrolled in our High Option with POS coverage, you have access to in-network covered care from participating providers under our Preferred Provider Option (PPO) or you may obtain covered care for certain services from non-network providers under POS benefits. Please refer to Section 5(i) High Option Point of Service Benefits for specific information on the POS coverage. Our High Option coverage offers a PPO network(s) of participating providers and uses provider selection standards, utilization management, and quality assessment techniques to complement negotiated fee reductions as an effective strategy for long term cost savings. Your out-of-pocket costs are lower when you seek covered care from within our PPO network because participating providers have agreed to accept GHI's schedule of allowances or negotiated rate as payment in full for a covered service. You will only owe your deductible, copayment and/or coinsurance for covered services.

The High Option coverage POS feature allows you freedom of choice in seeking care from non-network providers. However, your out-of-pocket costs are much higher as covered care will be subject to a deductible, copayment, and coinsurance plus any portion of the charge that exceeds our fee schedule allowance for a covered service. Non-network providers do not have a contract with us and have not agreed to accept GHI's allowance or negotiated rate as payment in full. Consequently, you owe all balances after we determine our payment for services from non-network or non-participating providers.

### General Features of our Standard Option coverage

The enrollment codes for the Standard Option coverage are 804 (Self only) and 805 (Self and Family). If you are enrolled in our Standard Option coverage, you have access to covered care only from within our network participating providers under our Exclusive Provider Option (EPO). We will not cover care that you receive from non-network (non-participating) providers. Contracted providers within our EPO network have agreed to accept our schedule of allowances or negotiated rate as payment in full for a covered service. Our EPO offers a network(s) of participating providers and uses provider selection standards, utilization management, and quality assessment techniques to complement negotiated fee reductions as an effective strategy for long term cost savings. Since you must seek care from within the EPO network, you will only owe your deductible, copayment and/or coinsurance for covered services. You are not responsible for balances that exceed our payment for covered services from EPO network providers.

### How we pay providers

We contract with individual physicians, medical groups, and hospitals to provide the benefits in this brochure. These Plan providers accept a negotiated payment from us, and you will only be responsible for your copayments or coinsurance.

**When you use a participating hospital, keep in mind that the professionals who provide services to you in the hospital, such as radiologists, emergency room physicians, anesthesiologists, and pathologists, may not all be participating providers. If they are not, you will be reimbursed at 50% of the Plan's fee schedule under the High Option benefits package and nothing under the Standard Option benefits package.**

Under the Standard Option benefit package, we do not cover care from non-participating providers and will not pay them for covered services even if Medicare is your primary health insurance coverage. To get full maximum use of the Standard Option package, you must use GHI's participating EPO provider network for all covered services.

### **Your rights**

OPM requires that all FEHB Plans provide certain information to their FEHB members. You may get information about us, our networks, and our providers. OPM's FEHB website ([www.opm.gov/insure](http://www.opm.gov/insure)) lists the specific types of information that we must make available to you. Some of the required information is listed below.

- GHI is URAC-accredited and is licensed under Article 43 of the New York State Insurance Law as a health services corporation.
- GHI has been in continuous existence for over sixty (60) years.
- GHI is a New York corporation.

If you want more information about us, call 212/501-4GHI (4444), or write to GHI, PO Box 1701, New York, NY 10023-9476. You may also visit our website at [www.ghi.com](http://www.ghi.com).

### **Your medical and claims records are confidential**

We will keep your medical and claims records confidential. Please note that we may disclose your medical and claims information (including your prescription drug utilization) to any of your treating physicians or dispensing pharmacies.

### **Service area**

To enroll with us in the High Option you must live or work in our service area. Our service area is: all of New York and the New Jersey counties of Bergen, Essex, Hudson, Middlesex, Monmouth, Morris, Passaic, Somerset, Sussex and Union.

To enroll with us in the Standard Option, you must live or work in our service area. Our service area is: New York City (the Boroughs of Manhattan, Brooklyn, Bronx, Queens, and Staten Island) all of Nassau, Suffolk, Rockland and Westchester Counties, New Jersey counties of Bergen, Essex, Hudson, Middlesex, Monmouth, Morris, Passaic, Somerset, Sussex and Union.

With the Standard Option, you must get your care from providers who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. We will not pay for any other health care services out of our service area unless the services have prior plan approval.

If you or a covered family member moves outside of our service area, you can enroll in another plan. If your dependents live out of the area (for example, if your child goes to college in another state), you should consider enrolling in a fee-for-service plan or an HMO that has agreements with affiliates in other areas. If you or a family member moves, you do not have to wait until Open Season to change plans. Contact your employing or retirement office.

---

## Section 2 How we change for 2008

---

Do not rely only on these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

### **Changes to High Option:**

- Your share of the non-Postal premium will increase for Self Only or for Self and Family. See the rates that appear on the back cover of this brochure.
- We will cover hearing aids for dependent children up to age 18, including examinations, purchase, and fitting up to a maximum of \$1,000 every 2 years.

### **Changes to Standard Option:**

- Your share of the non-Postal premium will stay the same for Self Only or for Self and Family. See the rates that appear on the back cover of this brochure.
- We will cover hearing aids for dependent children up to age 18, including examinations, purchase, and fitting up to a maximum of \$1,000 every 2 years.

---

## Section 3. How you get care

---

### Identification cards

We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. Your member ID card will indicate the provider network that is applicable to your coverage. You must show it whenever you receive services from a Plan provider, or fill a prescription at a Plan pharmacy. Until you receive your ID card, use your copy of the Health Benefits Election Form, SF-2809, your health benefits enrollment confirmation (for annuitants), or your electronic enrollment system (such as Employee Express) confirmation letter.

If you do not receive your ID card within 30 days after the effective date of your enrollment, or if you need replacement cards, call us at 212/501-4GHI (4444). You may also request replacement cards through the GHI website, [www.ghi.com](http://www.ghi.com)

### Where you get covered care

You get care from “Plan providers” and “Plan facilities.” Network providers file claims for you and we reimburse them directly for covered services. You will only pay copayments, deductibles, and/or coinsurance, and you will not have to file claims. If you are enrolled in our High Option with POS Plan, you may also seek care from non-Plan providers but you will have higher out-of-pocket costs than if you had obtained care within the network and you are responsible for filing a claim to GHI. Under the Standard Option coverage, we will not provide benefits for services that you receive from non-network providers.

- **Plan providers**

Plan providers are physicians and other health care professionals in our service area that we contract with to provide covered services to our members. We credential Plan providers according to national standards.

Your ID card will indicate the GHI network for your coverage. We list Plan providers in the provider directory, which we update periodically. The list is also on our website. We recommend that you confirm that the provider is a participating network provider prior to seeking services or upon scheduling an appointment.

- **Plan facilities**

Plan facilities are hospitals and other facilities in our service area that we contract with to provide covered services to our members. Your ID card will indicate the GHI network for your coverage. We list Plan facilities in the provider directory, which we update periodically. The list is also on our website. We recommend that you confirm that the plan facility is a participating network provider prior to seeking services or upon scheduling an appointment.

### What you must do to get covered care

Whether you are enrolled in the High Option with POS or the Standard Option coverage, you are free to choose any participating provider within your Plan’s GHI network. We strongly encourage you to select a doctor within the GHI network who will provide or arrange your care.

- **Primary care**

You may seek care from a doctor, dentist, podiatrist, qualified clinical psychologist, optometrists, chiropractor, nurse, certified midwife, nurse practitioner/clinical specialist, or qualified clinical social worker and any other duly-licensed, registered or certified practitioner or privately-operated facility permitted to perform or render care or service described in this brochure.

- **Specialty care**

You may see the specialist whenever you and your family feel you need care.

Here are other things you should know about specialty care:

- If you have a chronic or disabling condition and lose access to your specialist because we:
  - Terminate our contract with your specialist for other than cause; or
  - Drop out of the Federal Employees Health Benefits (FEHB) Program and you enroll in another FEHB Plan; or

- Reduce our service area and you enroll in another FEHB Plan

You may be able to continue seeing your specialist for up to 90 days after you receive notice of the change. Contact us or, if we drop out of the Program, contact your new plan.

If you are in the second or third trimester of pregnancy and you lose access to your specialist based on the above circumstances, you can continue to see your specialist until the end of your postpartum care, even if it is beyond the 90 days

- **Hospital care** Your Plan primary care physician or specialist will make necessary hospital arrangements and supervise your care. This includes admission to a skilled nursing or other type of facility.

- **If you are hospitalized when your enrollment begins** We pay for covered services from the effective date of your enrollment. However, if you are in the hospital when your enrollment in our Plan begins, call our customer service department immediately at 212/501-4GHI (4444). If you are new to the FEHB Program, we will arrange for you to receive care and provide benefits for your covered services while you are in the hospital beginning on the effective date of your coverage.

If you changed from another FEHB plan to us, your former plan will pay for the hospital stay until:

- You are discharged, not merely moved to an alternative care center; or
- The day your benefits from your former plan run out; or
- The 92<sup>nd</sup> day after you become a member of this Plan, whichever happens first.

These provisions apply only to the benefits of the hospitalized person. If your plan terminates participation in the FEHB Program in whole or in part, or if OPM orders an enrollment change, this continuation of coverage provision does not apply. In such cases, the hospitalized family member's benefits under the new plan begin on the effective date of enrollment.

#### **How to get approval for...**

- **Your hospital stay** We perform pre-admission review for all non- emergency hospitalizations and must be notified of emergency hospital admissions within a specified time frame. GHI's Coordinated Care Department will review the proposed hospital confinement to determine the length of stay in addition to confirming the medical necessity of hospitalization.

- **How to precertify an admission** When you use a network provider for covered services, the network provider will initiate the precertification process on your behalf. You, a family member, or your physician must contact GHI's Coordinated Care Program at 212-615-4662 or 800-223-9870 (outside New York City) for precertification of the hospital admission:

- At least ten (10) days prior to the date of admission of elective procedures, or as soon as reasonably possible;
- Within two (2) business days of an emergency admission, or as soon as reasonably possible.

Under the High Option with POS, you are responsible for ensuring that your hospital admission has been precertified or your admission will be subject to a penalty in addition to costs that you normally pay. To precertify your hospital admission call GHI's Coordinated Care Department at 212-615-4662.

- **Maternity care** We do not require precertification of hospital admissions for delivery.

**What Happens when you do not follow the precertification rules when using non-network facilities**

Failure to comply with pre - admission review or the concurrent review will result in the following reductions in health benefit reimbursement: \$125 per day to a maximum of \$250 per confinement.

**Circumstances beyond our control**

Under certain extraordinary circumstances, such as natural disasters, we may have to delay your services or we may be unable to provide them. In that case, we will make all reasonable efforts to assist you with the necessary care.

**Services Requiring our prior approval**

For certain services, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, is medically necessary, and follows generally – accepted medical practice. Your physician must obtain prior approval for the following services:

- High –tech radiology
- High-tech nursing
- Infusion therapy
- Mental Health and Substance Abuse
- Infertility Services
- Bariatric Surgery

If no one contacted us, we will not pay for those services. For certain services, your physician must obtain approval from us. Before giving approval, we consider if the service is covered, is medically necessary, and follows generally – accepted medical practice. Your physician must obtain prior precertification for the following services:

- Skilled Nursing
- Non-emergency hospital admissions

You do not need precertification in these cases

- You have another group health insurance policy that is the primary payer for the hospital stay.
- Your Medicare Part A is the primary payer for the hospital stay. **Note: If you exhaust your Medicare hospital benefits and do not want to use your Medicare lifetime reserve days, then we will become the primary payer and you do need precertification.**

---

## Section 4 Your costs for covered services

---

This is what you will pay out-of-pocket for covered care.

### **Copayments**

A copayment is a fixed amount of money you pay to the network provider, facility, pharmacy, etc. when you receive certain covered services.

Example: When you see a participating provider you pay a copayment of \$15 per office visit under the High Option and a \$25 per office visit under the Standard Option.

### **Cost-sharing**

A comprehensive term for the deductible, copayment, and coinsurance provisions of the coverage.

### **Deductible**

A deductible is a fixed expense you must pay for certain covered services and supplies before we start paying benefits for them. Copayments do not count towards any deductible.

The calendar year deductible for certain services is:

- For nursing service, you pay an annual deductible of \$150 per individual or family.
- For orthopedic and prosthetic devices, oxygen and other covered durable medical equipment you pay an annual deductible of \$100 per individual or family.
- The Standard Option coverage has a \$50 prescription drug deductible that you must meet each calendar year.

Note: If you change plans during Open Season, you do not have to start a new deductible under your old plan between January 1 and the effective date of your new plan. If you change plans at another time during the year, you must begin a new deductible under your new plan.

If you change options in this Plan during the year, we will credit the amount of covered expenses already applied toward the deductible of your old option to the deductible of your new option.

### **Coinsurance**

A percentage of GHI's allowance(s) payable by you for covered services. Expenses credited toward your deductible, copayments, and charges for non-covered services are not considered to be coinsurance.

### **Differences between our Plan allowance and the bill**

When you use network providers, you are not responsible for differences between GHI's allowance and the provider's charge. Non-network providers do not have an agreement with GHI to accept the GHI allowance as payment in full. Under the High Option with POS coverage, you are responsible for any amount of the charge that exceeds our payment. The GHI fee schedule allowance for POS services is 50% of the GHI fee schedule allowance for services provided by non-participating providers. See "*Section 5(i) High Option Point of Services (POS) Benefits*" for more information.

### **Your catastrophic protection out-of-pocket maximum**

Under the High Option Plan, after your out-of-pocket expenses total \$10,000 per person in any calendar year for covered services provided by a non-participating provider, GHI will then pay catastrophic benefits at 100% of reasonable and customary charges as determined by the Plan. Out-of-pocket expenses are calculated based upon the reasonable and customary charge for covered catastrophic services.

Covered catastrophic services include: 1) surgery, 2) administration of anesthesia, 3) chemotherapy and radiation therapy, 4) covered in-hospital service and diagnostic services, and 5) maternity. However, expenses for the following services do not count toward your catastrophic protection out-of-pocket maximum:

- Home and office visits and related diagnostic services
- Nursing, Appliances, Oxygen and Equipment
- Dental services

- Vision services
- Prescription drugs

**Carryover**

If you changed to this Plan during open season from a plan with a catastrophic protection benefit and the effective date of the change was after January 1, any expenses that would have applied to that plan's catastrophic protection benefit during the prior year will be covered by your old plan if they are for care you received in January before your effective date of coverage in this Plan. If you have already met your old plan's catastrophic protection benefit level in full, it will continue to apply until the effective date of your coverage in this Plan. If you have not met this expense level in full, your old plan will first apply your covered out-of-pocket expenses until the prior year's catastrophic level is reached and then apply the catastrophic protection benefit to covered out-of-pocket expenses incurred from that point until the effective date of your coverage in this Plan. Your old plan will pay these covered expenses according to this year's benefits; benefit changes are effective January 1.

Note: If you change options in this Plan during the year, we will credit the amount of covered expenses already accumulated toward the catastrophic out-of-pocket limit of your old option to the catastrophic protection limit of your new option.

**When Government facilities bill Us**

Facilities of the Department Government Affairs, the Department of Defense and the Indian Health Services are entitled to seek reimbursement from for certain services and supplies they provide to you or a family member. They may not seek more than the governing laws allow.

## **Section 5 High and Standard Option Benefits Overview**

---

We offer two different benefits packages. We offer High Option with POS and Standard Option. We describe the available benefits under each packages in Section 5 of this brochure. Make sure that you review the benefits that are available under the option in which you are enrolled. The enrollment codes for the High Option with POS are 801 Self Only and 802 Self and Family. The enrollment codes for Standard Option are 804 Self Only and 805 Self and Family.

The High and Standard Option Section 5 is divided into subsections. Please read the important things you should keep in mind at the beginning of the subsections. Also read the General exclusions in Section 6, they apply to the benefits in the following subsections. To obtain claim forms, claims filling advice, or more information about High and Standard Option benefits, contact us at 212/501-4GHI (4444) or at our Web site at [www.ghi.com](http://www.ghi.com).

### **High Option with POS features:**

- Access to GHI's network of participating Preferred Provider Option (PPO)
- \$15 copayment per office visit to participating network doctors
- Nothing for surgery (office visit may be subject to the office visit copay)
- \$100 per covered inpatient admission at participating hospitals
- Nothing for up to 30days of GHI approved skilled nursing facility benefits
- POS benefits for certain services from non-network providers (See Section 5(i) for specific information)

### **Standard Option features:**

- Access to GHI's Exclusive Provider Option (EPO) network
- \$25 copayment per office visit to participating network doctors
- Nothing for surgery (office visit may be subject to the office visit copay)
- \$250 per day up to a maximum of \$750 per admission for covered inpatient hospital admissions
- Nothing for up to 30days of GHI approved skilled nursing facility benefits

### **Both Options offer the following unique features:**

- Flexible benefit options
- Large Case Management
- Customer Service AnswerLine
- Services for deaf and hearing impaired
- Coverage for high risk pregnancies
- Centers of excellence for transplants/heart surgery/etc.
- Travel benefit/services overseas

**Section 5(a) Medical services and supplies provided by physicians and other health care professionals**

**Important things you should keep in mind about these benefits:**

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- POS benefits apply only if you are enrolled in the High Option coverage.
- A facility copay applies to services that appear in this section but are performed in an ambulatory surgical center or the outpatient department of a hospital.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

**Section 5(b) Surgical and anesthesia services provided by physicians and other health care professionals**

**Important things you should keep in mind about these benefits:**

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Plan physicians must provide or arrange your care.
- POS benefits apply only if you are enrolled in the High Option coverage. If you are enrolled in the Standard Option EPO, you must use participating providers within the EPO network.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- The amounts listed below are for the charges billed by a physician or other health care professional for your surgical care. Look in Section 5(c) for charges associated with the facility (i.e. hospital, surgical center, etc.).
- **YOUR PHYSICIAN MUST GET PRECERTIFICATION OF SOME SURGICAL PROCEDURES.** Please refer to the precertification information shown in Section 3 to be sure which services require precertification and identify which surgeries require precertification.

Benefit Description	You pay	
	High Option	Standard Option

**Section 5(d) Emergency services/accidents**

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

**What is a medical emergency?**

A medical emergency is the sudden and unexpected onset of a condition or an injury that you believe endangers your life or could result in serious injury or disability, and requires immediate medical or surgical care. Some problems are emergencies because, if not treated promptly, they might become more serious; examples include deep cuts and broken bones. Others are emergencies because they are potentially life-threatening, such as heart attacks, strokes, poisonings, gunshot wounds, or sudden inability to breathe. There are many other acute conditions that we may determine are medical emergencies – what they all have in common is the need for quick action.

**What to do in case of emergency:**

If you are in an emergency situation, please call your doctor. In extreme emergencies, if you are unable to contact your doctor, contact the local emergency system (e.g., the 911 telephone system) or go to the nearest hospital emergency room. It is your responsibility to ensure that the Plan has been promptly notified.

**Emergencies within our service area**

Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition.

**Emergencies outside our service area**

Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness.

Note: If you were admitted to the hospital from the Emergency Room the applicable copay is waived.

A participating GHI provider must provide your follow-up care. We cover care provided by a non-participating provider at 100% of the Plan’s fee schedule.

**Section 5(e) Mental health and substance abuse benefits**

When you get our approval for services and follow a treatment plan we approve, cost-sharing and limitations for Plan mental health and substance abuse benefits will be no greater than for similar benefits for other illnesses and conditions.

**Important things you should keep in mind about these benefits:**

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The calendar year deductible or, for facility care, the inpatient deductible applies to almost all benefits in this Section. We added “(No deductible)” to show when a deductible does not apply.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.
- **YOU MUST GET PREAUTHORIZATION OF THESE SERVICES.** See the instructions after the benefits description below.

Benefit Description	You pay

<p>Not covered:</p> <ul style="list-style-type: none"> <li>• Services we have not approved.</li> <li>• Facility charges of a non-participating general hospital or facility.</li> <li>• Treatment by a non-participating provider.</li> </ul> <p>Note: OPM will base its review of disputes about treatment plans on the treatment plan’s clinical appropriateness. OPM will generally not order us to pay or provide one clinically appropriate treatment plan in favor of another.</p>	<p><i>All Charges.</i></p>	<p><i>All Charges.</i></p>

Preauthorization	To be eligible to receive these benefits you must follow your treatment plan and all of our network authorization processes on pages 12 and 35. Contact us at 1-(800) 692-7311
Limitation	There are no benefits if you do not obtain a treatment plan.

## Section 5(f) Prescription drug benefits

Important things you should keep in mind about these benefits:

- We cover prescribed drugs and medications, as described in the chart beginning on the next page.
- Please remember that all benefits are subject to the definitions, limitations and exclusions in this brochure and are payable only when we determine they are medically necessary.
- The calendar year deductible is \$50 per person. The calendar year deductible applies to the Standard Option Only.

Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

**There are important features you should be aware of. These include:**

- **Who can write your prescription.** A licensed doctor must write the prescription.
- Where you can obtain them. You may fill the prescription at a pharmacy that participates under the program through Express Scripts PERxCare Retail Pharmacy Program. You must fill the prescription at a Plan pharmacy, or by mail for a maintenance medication.
- **We use a formulary.** The formulary is a list of preferred, clinically effective prescription drugs that are also cost-effective. Express Scripts acts on behalf of GHI to provide affordable access to clinically sound, high quality pharmacy benefits for you. The formulary is developed using an evaluation process. The process begins with an assessment of the drug's clinical effectiveness by an independent panel of physicians and pharmacists, also known as the Pharmacy and Therapeutics Committee. If the panel determines that the drug is clinically effective, the drug is further evaluated on an economic basis.
- **We have an open formulary.** If your physician believes a name brand product is necessary or there is no generic available, your physician may prescribe a name brand drug from a formulary list. This list of name brand drugs is a preferred list of drugs that we selected to meet patient needs at a lower cost. To order a prescription drug brochure, call 1-877- 534-3682.
- **These are the dispensing limitations.** Prescription drugs prescribed by a doctor and obtained at a pharmacy that participates under the program through Express Scripts PERxCare Retail Pharmacy Program. Drugs are prescribed by doctors and dispensed in accordance with the Plan's drug formulary. Under the High Option, you pay a \$15 copay for a generic drug, a \$25 copay per prescription unit or refill for a name brand drug listed on the preferred prescriptions drug formulary and a \$50 copay per prescription unit or refill for a name brand drug not listed on the preferred prescription drug formulary. Under the Standard Option benefit package, after \$50 per person calendar year deductible you pay a \$10 copay for a generic drug, a \$25 copay per prescription unit or refill for a name brand drug listed on the preferred prescriptions drug formulary and a \$50 copay per prescription unit or refill for a name brand drug not listed on the preferred prescription drug formulary. A generic equivalent will be dispensed if it is available, unless your physician specifically requires a name brand. If you receive a name brand drug when a Federally-approved generic drug is available, and your physician has not specified "dispense as written" for the name brand drug, you have to pay the brand name copay.
- **You must fill maintenance medication by mail-order.** Your prescription coverage also includes a mandatory mail program. All maintenance medications must be sent to Express Scripts Mail Service Pharmacy. Two refills per prescription will be allowed at any local "preferred" Express Scripts PERxCare Pharmacy. When a new maintenance medication is prescribed the patient should request 2 prescriptions. The initial for a 31-day supply to be filled at a retail pharmacy, and the second, for up to a 90-day supply, to be submitted to Express Scripts Mail Service Pharmacy. For all existing maintenance medications at a retail pharmacy, the patient is required to obtain a new prescription, for up to a 90-day supply, to be sent to Express Scripts Mail Service Pharmacy.

- **Maintenance Drug Program:** The maintenance drug program permits long-term prescriptions to be filled for up to a 90-day supply. Under the High Option, you pay a \$35 copay for a generic drug, a \$60 copay per prescription unit or refill for a name brand drug listed on the preferred prescriptions drug formulary and a \$75 copay per prescription unit or refill for a name brand drug not listed on the preferred prescription drug formulary. Under the Standard Option benefit package, you pay a \$25 copay for a generic drug, a \$50 copay per prescription unit or refill for a name brand drug listed on the preferred prescriptions drug formulary and a \$80 copay per prescription unit or refill for a name brand drug not listed on the preferred prescription drug formulary.
- **Step Therapy Prior Authorization Program** - Step Therapy programs apply edits to drugs in specific therapeutic classes at the point of service. Coverage for second-line therapies is determined at the member level based on the presence or absence of first-line drugs in the member's claims history. Step Therapy coverage criteria are automated whenever possible so that rejects are further reduced. Only claims for members whose histories do not show use of first-line drugs are rejected for payment at the point of service and online messaging is sent to the pharmacy indicating that prior authorization is required for coverage of the second-line therapy.

To support patients affected by a Step Therapy, the Express Scripts Step Therapy program also offers Member Rapid Response and Physician Rapid Response. Through the Rapid Response program, when a drug is rejected through Step Therapy and there is no additional claim for a front-line or back-up medication within 48 hours at retail or 7 days at mail, Express Scripts sends letters to patients and physicians explaining Step Therapy and their options.

- **Drug Quantity Management Program** - Quantity Level Limits are managed through Express Scripts' Drug Quantity Management program. The Drug Quantity Management program manages prescription costs by ensuring that the quantity of units supplied for each copayment is consistent with clinical dosing guidelines. The program is designed to support safe, effective, and economic use of drugs while giving patients access to quality care. Clinicians maintain a list of quantity limit drugs, which is based upon FDA-approved dosing guidelines and medical literature. Online edits help make sure optimal quantities of medication are dispensed per copayment and per days' supply.
- **Diabetic Supplies Close Category Program** - The Diabetic Supplies Category Program refers only to prescriptions for test strips and meters. You will be granted authorization for test strips and meters when you present a prescription for a covered diabetic supply product (Roche and J&J products are covered).
- **Non-Sedating Antihistamines Program** - The NSAH Program allows for the coverage of generic prescription antihistamines. Most NSAH medications now have, or will have in the very near future, an over-the-counter (OTC) equivalent product on the market. As a result of the OTC's available on the market, brand name NSAH's will not be covered under your prescription drug benefits.
- **A generic equivalent will be dispensed if it is available**, unless your physician specifically requires a name brand. If you receive a name brand drug when a Federally-approved generic drug is available, and your physician has not specified Dispense as Written for the name brand drug, you have to pay the difference in cost between the name brand drug and the generic.
- **Why use a generic drug?**
  - Generic drugs may have unfamiliar names, but they are safe and effective.
  - Generic drugs contain the same active ingredients, in the same dosage form as their brand name counterparts, and are manufactured according to the same strict federal regulations.
  - Generic drugs may differ in color, size, or shape, but they have the same strength, purity, and quality as the brand-name alternatives.
  - Prescriptions filled with generic drugs often have lower co-payments. Therefore, you may be able to get the same health benefits at a lower cost. You should ask your physician or pharmacist whether a generic version of your medications is available. By using a generic drug, you may be able to receive the same high-quality medication but reduce your expenses.
- **When you have to file a claim.** In an emergency, a direct reimbursement claim form must be filed for prescriptions that you obtained through a non-participating retail pharmacy. Upon filling your prescriptions through non-participating pharmacies:
  - You must pay the full cost of the prescription.

- You must complete a direct reimbursement claims form, and submit it to Express Scripts. This form can be obtained by calling Express Scripts at 1-877-534-3682.
- Express Scripts will reimburse you for the amount the medication would have cost your benefits plan at a participating pharmacy, minus the co-payment you would have paid.

Benefit Description	You pay After the calendar year deductible...	
<b>Note: The calendar year deductible applies to almost all benefits in this Section. We say "(No deductible)" when it does not apply.</b>		
Covered medications and supplies	High Option	Standard Option
<p>Each new enrollee will receive a description of our prescription drug program, a combined prescription drug/Plan identification card, a mail order form/patient profile and a preaddressed reply envelope.</p> <p>We cover the following medications and supplies prescribed by a physician and obtained from either a Plan pharmacy or by mail. **Section 5(g) Dental benefits**

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary
- Plan dentists must provide or arrange your care.
- We cover hospitalization for dental procedures only when a non-dental physical impairment exists which makes hospitalization necessary to safeguard the health of the patient. See Section 5(c) for inpatient hospital benefits. We do not cover the dental procedure unless it is described below.
- Be sure to read Section 4, *Your costs for covered services*, for valuable information about how cost sharing works. Also read Section 9 about coordinating benefits with other coverage, including with Medicare.

Benefit Description	You Pay	
	High Option	Standard Option
<b>Accidental injury benefit</b>		
We cover restorative services and supplies necessary to promptly repair (but not replace) sound natural teeth. The need for these services must result from an accidental injury caused by external means and services must be completed within one year.	Any difference between our fee schedule and the actual charges.	Any difference between our fee schedule and the actual charges.

**Section 5(h) Special features**

Feature	Description
<p><b>Flexible benefits option</b></p>	<p>Under the flexible benefits option, we determine the most effective way to provide services.</p> <ul style="list-style-type: none"> <li>• We may identify medically appropriate alternatives to traditional care and coordinate other benefits as a less costly alternative benefit.</li> <li>• Alternative benefits are subject to our ongoing review.</li> <li>• By approving an alternative benefit, we cannot guarantee you will get it in the future.</li> <li>• The decision to offer an alternative benefit is solely ours, and we may withdraw it at any time and resume regular contract benefits.</li> </ul> <p>Our decision to offer or withdraw alternative benefits is not subject to OPM review under the disputed claims process.</p>
<p><b>Large Case Management</b></p>	<p>The Plan provides a large case management program that seeks to provide alternatives for improving the quality and cost effectiveness of care. The large case management program focuses on catastrophic illnesses — for example, major head injury, high-risk infancy, stroke and severe amputations. The large case management process begins when we are notified that you or covered family member has experienced a specific illness or injury with potential long-term effects or changes in lifestyle. Case Managers evaluate individual needs, and the full range of treatment and financial exposures, from the onset of a condition or illness to recovery or stabilization. They review the efforts of the health care team and family with the goal of helping the patient return to pre-illness/injury functioning or of lessening the burden of a chronic or terminal condition. Case Managers provide the family with support and advice ranging from referral to family counseling. If it is determined that involvement of a Case Manager would be both care- and cost-effective, we will obtain the necessary authorization from the patient to proceed. Throughout the process, we will maintain strict confidentiality.</p>
<p><b>Customer Service AnswerLine</b></p>	<p>For information and assistance 24 hours a day, 7 days a week, access our automated telephone AnswerLine at 212/501-4GHI (4444).</p>
<p><b>Services for deaf and hearing impaired</b></p>	<p>If you have a question concerning Plan benefits or how to arrange for care, contact (212) 721-4962 (Hearing impaired — TDD) or you may write to us at Post Office Box 1701, New York, NY 10023-9476 or contact our office nearest you. You may also contact the Plan at its website at <a href="http://www.ghi.com">http://www.ghi.com</a>.</p>
<p><b>High risk pregnancies</b></p>	<p>The Plan provides an intensive large case management program as described above.</p>
<p><b>The Plan provides an intensive large case management program as described above.</b></p>	<p>We have a special network of hospitals that perform a broad range of cardiac care and organ transplants. These centers are recognized leaders in their respective specialties and their services are available to you at no out-of-pocket expense. Call GHI Managed Care at least 10 days before the hospital admission to pre-certify coverage and for details on how to use this program.</p>
<p><b>Travel benefit/ services overseas</b></p>	<p>As a GHI subscriber under the High Option Plan benefit package, you are not restricted to just using members of our provider network. However, if you go outside the network, your out-of-pocket expenses will increase significantly. You will receive 50% of our fee schedule if you use a non-participating provider — you are responsible for the balance of the provider’s charge. Also, unlike when you use a network provider, you are responsible for paying the non-participating provider up front and filing a claim form with us for reimbursement.</p>

## Section 5(i) High Option Point of Service benefits

High Option Point of Service (POS) Benefits Facts about this Plan's High Option POS benefits At your option, you may choose to obtain benefits covered by this Plan from non-participating doctors and hospitals whenever you need care, except for those benefits listed below which are available only through plan providers. Benefits not covered under Point of Service must be received from Plan doctors to be covered. What is covered All services are covered under our POS except:

- High-tech nursing and infusion therapy
  - Skilled nursing care facility confinements
  - Home health care services
  - Mental conditions and substance abuse
  - Prescription drugs
- Remember, only participating providers have agreed to accept the Plan's allowance, except for any applicable copayments, as payment in full. If you choose to receive covered services from non-participating or out-of-network providers, you will be reimbursed at the POS level that in most cases is 50% of the Plan's allowance. Covered POS benefits are available whether the services are received within or outside the GHI Health Plan's Service Area. All non-emergency hospital admissions including inpatient admissions for maternity care and skilled nursing facilities must be pre-certified. There is a \$150 annual deductible for nursing services and a \$100 annual deductible for appliances, oxygen and equipment. There is also a \$25 deductible, per referral, for ambulatory laboratory test and diagnostic X-rays performed at outpatient hospital or ambulatory surgical center. In most cases, the POS coinsurance is any amount in excess of 50% of the Plan's fee schedule. The Plan's fee schedule is set at approximately 45% of the New York State 2003 HIAA mean. Members, when receiving POS services, will be responsible for 50% of the Plan's fee schedule plus any difference between our fee schedule and the billed amount. After your out-of-pocket expenses total \$10,000 per person in any calendar year for covered services provided by a non-participating provider, GHI will then pay catastrophic benefits at 100% of reasonable and customary charges as determined by the Plan. Out-of-pocket expenses are calculated based upon the reasonable and customary charge for covered catastrophic services. Covered catastrophic services include: 1) surgery, 2) administration of anesthesia, 3) chemotherapy and radiation therapy, 4) covered in-hospital services and diagnostic services, and 5) maternity. However, expenses for the following services do not count toward your catastrophic protection out-of-pocket maximum, and you must continue to pay coinsurance and deductibles for these services:
- Home and office visits and related diagnostic services
  - Nursing, appliances, oxygen and equipment
  - Dental services
  - Vision services
  - Prescription drugs
- If you are in a true emergency situation, POS benefits are available within or outside the GHI's Health Plan's service area.
- **Emergencies within the service area:** Benefits are available for care from non-Plan providers in a medical emergency only if delay in reaching a Plan provider would result in death, disability or significant jeopardy to your condition. Plan pays Emergency fee schedule for emergency care services to the extent the services would have been covered if received from Plan providers. You pay the emergency room deductible plus any charges that exceed the emergency fee schedule. You also pay charges that exceed the Plan's emergency fee schedule. If the emergency care is provided by private physicians who are not hospital employees, you may receive a separate bill for these services, which will be processed as a medical benefit.
  - **Emergencies outside the service area:** Benefits are available for any medically necessary health service that is immediately required because of injury or unforeseen illness. Plan pays full emergency fee schedule for emergency care services to the extent the services would have been covered if received from Plan providers. You pay the emergency room deductible plus any difference between our emergency fee schedule and billed amount for a non-participating provider. If the emergency care is provided by private physicians who are not hospital employees, you may receive a separate bill for these services, which will be processed as a medical benefit.
- **What is covered-**  
 Emergency care at a doctor's office or an urgent care center.- Ambulance service (see page 36).- Emergency care as an outpatient or inpatient at a hospital, including doctors' services. If the medical/surgical care received from non-participating providers is not due to a medical emergency as defined above, the Plan will pay 50% of its fee schedule. Follow-up care after an emergency is covered in full only if received from participating providers.

## Non-FEHB benefits available to Plan members

The benefits on this page are not part of the FEHB contract or premium, and you cannot file an FEHB disputed claim about them. Fees you pay for these services do not count toward FEHB deductibles or catastrophic protection out-of-pocket maximums.

Dental services are available at reduced fees

If you should require additional dental services, a GHI dental provider participating in the benefit offer will provide these services at reduced fees. All reduced fees for dental services must be paid directly to the participating dental provider. You must verify that your provider is still participating in the program.

Dental services available in the reduced fee program include:

Resin (anterior) 3 surfaces	\$132.00	\$117.00	\$110.00
<b>PROSTHODONTICS REMOVAL</b>			
Complete denture (upper)	\$840.00	\$782.00	\$759.00
Upper partial denture, resin base	\$857.00	\$840.00	\$822.00
Lower partial denture, resin base	\$857.00	\$840.00	\$822.00
<b>PROSTHODONTICS FIXED</b>			
Bridge pontic (resin with high noble metal)	\$811.00	\$726.00	\$668.00
Abutment crown-Porcelain fused to high noble metal	\$838.00	\$751.00	\$660.00
<b>ORAL SURGERY</b>			
Removal of impacted tooth - completely bone	\$351.00	\$319.00	\$301.00
Removal of impacted teeth - Soft tissue	\$207.00	\$179.00	\$167.00
Surgical removal of erupted tooth	\$170.00	\$146.00	\$136.00
<b>PERIODONTICS (Gum Treatment)</b>			
Gingivectomy (per quadrant)	\$351.00	\$313.00	\$301.00
Osseous Surgery (per quadrant)	\$748.00	\$661.00	\$616.00
Perio Scaling/planing (per quadrant)	\$121.00	\$110.00	\$103.00
<b>ENDODONTICS (Root Canal)</b>			
Root Canal Therapy – 1 canal	\$446.00	\$374.00	\$362.00
Root Canal Therapy – 2 canal	\$503.00	\$443.00	\$431.00
Root Canal Therapy – 3 canal	\$765.00	\$668.00	\$633.00
<b>ORTHODONTICS (Braces)</b>			
Full course of treatment	\$4,310.00	\$4,300.00	\$4,300.00

**Benefits on this page are not part of the FEHB contract.**

\* Downstate includes Bronx, Kings, Queens, Richmond, Nassau, Suffolk, Putnam, Orange, Rockland and Westchester and New Jersey

\*\* Upstate includes Eastern, Central, and Western New York Counties.

---

## Section 6 General exclusions – things we don't cover

---

The exclusions in this section apply to all benefits. There may be other exclusions and limitations listed in Section 5 of this brochure. **Although we may list a specific service as a benefit, we will not cover it unless your Plan determines it is medically necessary to prevent, diagnose, or treat your illness, disease, injury or condition. (see specific regarding transplants).**

We do not cover the following:

- Care by non-plan providers except by authorized referrals or emergencies (see Emergency services/accidents)
- Services, drugs, or supplies you receive while you are not enrolled in this Plan
- Services, drugs, or supplies that are not medically necessary
- Services, drugs, or supplies not required according to accepted standards of medical, dental, or psychiatric practice
- Experimental or investigational procedures, treatments, drugs or devices (see specifics regarding transplants);
- Services, drugs, or supplies related to abortions except when the life of the mother would be endangered if the fetus were carried to term or when the pregnancy is the result of an act of rape or incest
- Services, drugs, or supplies related to sex transformations,
- Services or supplies you receive from a provider or facility barred from the FEHB Program.
- Services, drugs or supplies you receive without charge while in active military service.
- Under the Standard Option benefit package, care by non-participating providers are not covered (except for emergencies).

Under the Standard Option package, care by non-participating providers for routine care is not covered even if Medicare is primary.

---

## Section 7 Filing a claim for covered services

---

When you see Plan physicians, receive services at Plan hospitals and facilities, or obtain your prescription drugs at Plan pharmacies, you will not have to file claims. Just present your identification card and pay your copayment, coinsurance, or deductible.

You will only need to file a claim when you receive emergency services from non-plan providers. Sometimes these providers bill us directly. Check with the provider. If you need to file the claim, here is the process:

### **Medical and hospital benefits**

In most cases, providers and facilities file claims for you. Physicians must file the form HCFA-1500, Health Insurance Claim Form. Facilities will file the UB-92 form. For claims questions and assistance, call us at (212) 501-4GHI (4444).

When you must file a claim, submit the HCFA-1500 or a claim form that includes the information shown below. Bills and receipts should be itemized and show:

- Covered member's name and ID number
- Name and address of the physician or facility that provided the service or supply
- Dates you received the services or supplies
- Diagnosis
- Type of each service or supply
- The charge for each service or supply
- A copy of the explanation of benefits, payments, or denial from any primary payer -- such as the Medicare Summary Notice (MSN), and
- Receipts, if you paid for your services.

### **Submit your claims to:**

Group Health Inc.

P.O. Box 3000

New York, New York 10116-3000

### **Prescription drugs**

For drugs obtained at a non-participating pharmacy in an emergency call 877-534-3682 to obtain a claim form.

### **Deadline for filing your claim**

Send us all of the documents for your claim as soon as possible. You must submit the claim by December 31 of the year after the year you received the service, unless timely filing was prevented by administrative operations of Government or legal incapacity, provided the claim was submitted as soon as reasonably possible..

### **When we need more information**

Please reply promptly when we ask for additional information. We may delay processing or deny your claim if you do not respond.

---

## Section 8 The disputed claims process

---

Follow this Federal Employees Health Benefits Program disputed claims process if you disagree with our decision on your claim or request for services, drugs, or supplies – including a request for preauthorization:

- 1** Ask us in writing to reconsider our initial decision. You must:
  - a) Write to us within 6 months from the date of our decision; and
  - b) Send your request to us at: GHI Customer Service Department, 441 Ninth Avenue, New York, NY 10001; and
  - c) Include a statement about why you believe our initial decision was wrong, based on specific benefit provisions in this brochure; and
  - d) Include copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms.

- 2** We have 30 days from the date we receive your request to:
  - a) Pay the claim (or, if applicable, arrange for the health care provider to give you the care); or
  - b) Write to you and maintain our denial - go to step 4; or
  - c) Ask you or your provider for more information. If we ask your provider, we will send you a copy of our request—go to step 3.

- 3** You or your provider must send the information so that we receive it within 60 days of our request. We will then decide within 30 more days.

If we do not receive the information within 60 days, we will decide within 30 days of the date the information was due. We will base our decision on the information we already have.

We will write to you with our decision.

- 4** If you do not agree with our decision, you may ask OPM to review it.

You must write to OPM within:

- 90 days after the date of our letter upholding our initial decision; or
- 120 days after you first wrote to us -- if we did not answer that request in some way within 30 days; or
- 120 days after we asked for additional information.

Write to OPM at: United States Office of Personnel Management, Insurance Services Program, Health Insurance Group II, 1900 E Street, NW, Washington, D.C. 20415-3620.

Send OPM the following information:

- A statement about why you believe our decision was wrong, based on specific benefit provisions in this brochure
- Copies of documents that support your claim, such as physicians' letters, operative reports, bills, medical records, and explanation of benefits (EOB) forms
- Copies of all letters you sent to us about the claim
- Copies of all letters we sent to you about the claim, and
- Your daytime phone number and the best time to call.

Note: If you want OPM to review more than one claim, you must clearly identify which documents apply to which claim.

Note: You are the only person who has a right to file a disputed claim with OPM. Parties acting as your representative, such as medical providers, must include a copy of your specific written consent with the review request.

Note: The above deadlines may be extended if you show that you were unable to meet the deadline because of reasons beyond your control.

## 5

OPM will review your disputed claim request and will use the information it collects from you and us to decide whether our decision is correct. OPM will send you a final decision within 60 days. There are no other administrative appeals.

If you do not agree with OPM's decision, your only recourse is to sue. If you decide to sue, you must file the suit against OPM in Federal court by December 31 of the third year after the year in which you received the disputed services, drugs, or supplies or from the year in which you were denied precertification or prior approval. This is the only deadline that may not be extended.

OPM may disclose the information it collects during the review process to support their disputed claim decision. This information will become part of the court record.

You may not sue until you have completed the disputed claims process. Further, Federal law governs your lawsuit, benefits, and payment of benefits. The Federal court will base its review on the record that was before OPM when OPM decided to uphold or overturn our decision. You may recover only the amount of benefits in dispute.

**NOTE: If you have a serious or life threatening condition** (one that may cause permanent loss of bodily functions or death if not treated as soon as possible), and

- a) We haven't responded yet to your initial request for care or preauthorization/prior approval, then call us at (212) 615-4662 and we will expedite our review; or
- b) We denied your initial request for care or preauthorization/prior approval, then:
  - If we expedite our review and maintain our denial, we will inform OPM so that they can give your claim expedited treatment too, or
  - You may call OPM's Health Insurance Group II at (202) 606-3818 between 8 a.m. and 5 p.m. eastern time.

---

## Section 9 Coordinating benefits with other coverage

---

### When you have other health coverage

You must tell us if you or a covered family member has coverage under any other health plan or has automobile insurance that pays health expenses without regard to fault. This is called “double coverage.”

When you have double coverage, one plan normally pays its benefits in full as the primary payer and the other plan pays a reduced benefit as the secondary payer. We, like other insurers, determine which coverage is primary according to the National Association of Insurance Commissioners' guidelines.

When we are the primary payer, we will pay the benefits described in this brochure.

When we are the secondary payer, we will determine our allowance. After the primary plan pays, we will pay what is left of our allowance, up to our regular benefit. We will not pay more than our allowance.

### What is Medicare?

Medicare is a Health Insurance Program for:

- People 65 years of age and older;
- Some people with disabilities, under 65 years of age; and
- People with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant).

Medicare has four parts:

- Part A (Hospital Insurance). Most people do not have to pay for Part A. If you or your spouse worked for at least 10 years in Medicare-covered employment, you should be able to qualify for premium free part A insurance. (If you were a Federal employee at any time both before and during January 1983, you will receive credit for your Federal employment before January 1983.) Otherwise, if you are age 65 or older, you may be able to buy it. Contact 1-800-MEDICARE for more information.
- Part B (Medical Insurance). Most people pay monthly for Part B. Generally, part B premiums are withheld from your monthly Social Security check or your retirement check.
- Part C (Medicare Advantage). You can enroll in a Medicare Advantage plan to get your Medicare benefits. We do not offer a Medicare Advantage plan. Please review the information on coordinating benefits with Medicare Advantage plans on the next page.
- Part D (Medicare prescription drug coverage). There is a monthly premium for Part D coverage. If you have limited savings and a low income, you may be eligible for Medicare's Low-Income Benefits. For people with limited income and resources, extra helping paying for a Medicare prescription drug plan is available. Information regarding this program is available through the Social Security Administration (SSA). For more information about this extra help, visit SSA online at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-722-1213 (TTY 1-800-325-0778). Before enrolling in Medicare Part D, please review the important disclosure notice from us about the FEHB prescription drug coverage and Medicare. The notice is on the first inside page of this brochure. The notice will give you guidance on enrolling in Medicare Part D.

### • Should I enroll in Medicare?

The decision to enroll in Medicare is yours. We encourage you to apply for Medicare benefits 3 months before you turn age 65. It's easy. Just call the Social Security Administration toll-free number 1-800-772-1213 to set up an appointment to apply. If you do not apply for one or more Parts of Medicare, you can still be covered under the FEHB Program.

If you can get premium-free Part A coverage, we advise you to enroll in it. Most Federal employees and annuitants are entitled to Medicare Part A at age 65 **without cost**. When you don't have to pay premiums for Medicare Part A, it makes good sense to obtain the coverage. It can reduce your out-of-pocket expenses as well as costs to the FEHB, which can help keep FEHB premiums down.

Everyone is charged a premium for Medicare Part B coverage. The Social Security Administration can provide you with premium and benefit information. Review the information and decide if it makes sense for you to buy the Medicare Part B coverage.

If you are eligible for Medicare, you may have choices in how you get your health care. Medicare Advantage is the term used to describe the various private health plan choices available to Medicare beneficiaries. The information in the next few pages shows how we coordinate benefits with Medicare, depending on whether you are in the Original Medicare Plan or a private Medicare Advantage plan.

- **The Original Medicare Plan (Part A or Part B)**

The Original Medicare Plan (Original Medicare) is available everywhere in the United States. It is the way everyone used to get Medicare benefits and is the way most people get their Medicare Part A and Part B benefits now. You may go to any doctor, specialist, or hospital that accepts Medicare. The Original Medicare Plan pays its share and you pay your share.

When you are enrolled in Original Medicare along with this plan, you still need to follow the rules in this brochure for us to cover your care.

**Claims process when you have The Original Medicare Plan** – You will probably not need to file a claim form when you have both our Plan and the Original Medicare Plan.

- When Original Medicare is the primary payer
- Medicare processes your claim first. In most cases, your claims will be coordinated automatically and we will then provide secondary benefits for covered charges. You will not need to do anything. To find out if you need to do something about filing your claims, call us at 212/501-4GHI (4444), or access our web site at <http://www.ghi.com>

**We waive some costs if the Original Medicare Plan is your primary payer** – We will waive some out-of-pocket costs, as follows:

- Medical services and supplies provided by physicians and other health care professionals. If you are enrolled in Medicare Part B, we will waive the copay for office visits and deductible and coinsurance for durable medical equipment.

Under the Standard Option benefit package, care by non-participating providers for routine care is not covered even if Medicare is primary. To get full maximum use of your Standard Option package you must use GHI's participating provider network for services.

- **Medicare Advantage (Part C)**

If you are eligible for Medicare, you may choose to enroll in and get your Medicare benefits from a Medicare Advantage plan. These are private health care choices (like HMOs and regional PPOs) in some areas of the country. To learn more about Medicare Advantage plans, contact Medicare at 1-800-MEDICARE (1-800-632-4227) or at [www.medicare.gov](http://www.medicare.gov)

If you enroll in a Medicare Advantage plan, the following options are available to you:

**This plan and GHI's Medicare Advantage Plan or another plan's Medicare Advantage plan:** You may enroll in another plan's Medicare Advantage plan and also remain enrolled in our FEHB plan. We will still provide benefits when your Medicare Advantage plan is primary, even out of the Medicare Advantage plan's network and/or service area, but we will not waive any of our copayments, coinsurance, or deductibles.

Under the Standard Option benefit package, care by non-participating providers for routine care is not covered even if Medicare Advantage is primary. To get full maximum use of your Standard Option package you must use GHI's participating provider network for services.

If you enroll in a Medicare Advantage Plan, tell us. We will need to know whether you are in the Original Medicare Plan or in a Medicare Advantage plan so we can correctly coordinate benefits with Medicare.

**Suspended FEHB coverage to enroll in a Medicare Advantage plan:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in a Medicare Advantage plan, eliminating your FEHB premium. (OPM does not contribute to your Medicare Advantage plan premium.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage or move out of the Medicare Advantage plan's service area.

- **Medicare prescription drug coverage (Part D)**

When we are the primary payer, we process the claim first. If you enroll in Medicare Part D and we are the secondary payer, we will review claims for your prescription drug costs that are not covered by Medicare Part D and consider them for payment under the FEHB plan.

Medicare always makes the final determination as to whether they are the primary payer. The following chart illustrates whether Medicare or this Plan should be the primary payer for you according to your employment status and other factors determined by Medicare. It is critical that you tell us if you or a covered family member has Medicare coverage so we can administer these requirements correctly.

<b>Primary Payer Chart</b>		
<b>A. When you - or your covered spouse - are age 65 or over and have Medicare and you...</b>	<b>The primary payer for the individual with Medicare is...</b>	
	<b>Medicare</b>	<b>This Plan</b>
1) Have FEHB coverage on your own as an active employee or through your spouse who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through your spouse who is an annuitant	✓	
3) Are a reemployed annuitant with the Federal government and your position is excluded from the FEHB (your employing office will know if this is the case) and you are not covered under FEHB through your spouse under #1 above	✓	
4) Are a reemployed annuitant with the Federal government and your position is not excluded from the FEHB (your employing office will know if this is the case) and... • You have FEHB coverage on your own or through your spouse who is also an active employee		✓
• You have FEHB coverage through your spouse who is an annuitant	✓	
5) Are a Federal judge who retired under title 28, U.S.C., or a Tax Court judge who retired under Section 7447 of title 26, U.S.C. (or if your covered spouse is this type of judge) and you are not covered under FEHB through your spouse under #1 above	✓	
6) Are enrolled in Part B only, regardless of your employment status	✓ for Part B services	✓ for other services
7) Are a former Federal employee receiving Workers' Compensation and the Office of Workers' Compensation Programs has determined that you are unable to return to duty	✓ *	
<b>B. When you or a covered family member...</b>		
1) Have Medicare solely based on end stage renal disease (ESRD) and • It is within the first 30 months of eligibility for or entitlement to Medicare due to ESRD (30-month coordination period)		✓
• It is beyond the 30-month coordination period and you or a family member are still entitled to Medicare due to ESRD	✓	
2) Become eligible for Medicare due to ESRD while already a Medicare beneficiary and • This Plan was the primary payer before eligibility due to ESRD		✓ for 30-month coordination period
• Medicare was the primary payer before eligibility due to ESRD	✓	
<b>C. When either you or a covered family member are eligible for Medicare solely due to disability and you...</b>		
1) Have FEHB coverage on your own as an active employee or through a family member who is an active employee		✓
2) Have FEHB coverage on your own as an annuitant or through a family member who is an annuitant	✓	
<b>D. When you are covered under the FEHB Spouse Equity provision as a former spouse</b>	✓	

\*Workers' Compensation is primary for claims related to your condition under Workers' Compensation.

**TRICARE and CHAMPVA**

TRICARE is the health care program for eligible dependents of military persons, and retirees of the military. TRICARE includes the CHAMPUS program. CHAMPVA provides health coverage to disabled Veterans and their eligible dependents. IF TRICARE or CHAMPVA and this Plan cover you, we pay first. See your TRICARE or CHAMPVA Health Benefits Advisor if you have questions about these programs.

**Suspended FEHB coverage to enroll in TRICARE or CHAMPVA:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these programs, eliminating your FEHB premium. (OPM does not contribute to any applicable plan premiums.) For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under TRICARE or CHAMPVA.

**Workers' Compensation**

We do not cover services that:

- You need because of a workplace-related illness or injury that the Office of Workers' Compensation Programs (OWCP) or a similar Federal or State agency determines they must provide; or
- OWCP or a similar agency pays for through a third-party injury settlement or other similar proceeding that is based on a claim you filed under OWCP or similar laws.

Once OWCP or similar agency pays its maximum benefits for your treatment, we will cover your care.

**Medicaid**

When you have this Plan and Medicaid, we pay first.

**Suspended FEHB coverage to enroll in Medicaid or a similar State-sponsored program of medical assistance:** If you are an annuitant or former spouse, you can suspend your FEHB coverage to enroll in one of these State programs, eliminating your FEHB premium. For information on suspending your FEHB enrollment, contact your retirement office. If you later want to re-enroll in the FEHB Program, generally you may do so only at the next Open Season unless you involuntarily lose coverage under the State program.

**When other Government agencies are responsible for your care**

We do not cover services and supplies when a local, State, or Federal government agency directly or indirectly pays for them.

**When others are responsible for injuries**

When you receive money to compensate you for medical or hospital care for injuries or illness caused by another person, you must reimburse us for any expenses we paid. However, we will cover the cost of treatment that exceeds the amount you received in the settlement.

If you do not seek damages you must agree to let us try. This is called subrogation. If you need more information, contact us for our subrogation procedures.

**When you have Federal Employees Dental and Vision Insurance Plan (FEDVIP) coverage**

Some FEHB Plans already cover dental and vision services. When you are covered by more than one vision/dental plan, coverage provided under your FEHB plan remains as your primary coverage. FEDVIP coverage pays secondary to that coverage. When you enroll in a dental and/or vision plan on BENEFEDS.com, you will be asked to provide information on your FEHB Plan so that your plans can coordinate benefits. Providing your FEHB information may reduce your out-of-pocket cost.

---

## Section 10 Definitions of terms we use in this brochure

---

<b>Calendar year</b>	January 1 through December 31 of the same year. For new enrollees, the calendar year begins on the effective date of their enrollment and ends on December 31 of the same year.
<b>Coinsurance</b>	Coinsurance is the percentage of our allowance that you must pay for your care. You may also be responsible for additional amounts. See page 13.
<b>Copayment</b>	A copayment is a fixed amount of money you pay when you receive covered services. See page 13.
<b>Covered services</b>	Care we provide benefits for, as described in this brochure.
<b>Deductible</b>	A deductible is a fixed amount of covered expenses you must incur for certain covered services and supplies before we start paying benefits for those services. See page 13.
<ul style="list-style-type: none"><li>• <b>Exclusive Provider Option (EPO)</b></li></ul>	Coverage that utilizes a network(s) of providers and uses provider selection standards, utilization management, and quality assessment techniques to complement negotiated fee reductions as an effective strategy for long-term health care costs savings.
<b>Experimental or investigational service</b>	<p>Experimental treatment is a treatment that has not been tested in human beings; or that is being tested but has not yet been approved for general use; or that is subject to review or approval by an Institutional Review Board.</p> <p>Investigational treatment includes, but is not limited to, services or supplies which are under study or in a clinical trial to evaluate their toxicity, safety and efficiency for a particular diagnosis or set of indications.</p> <p>Clinical trials include, but are not limited to, controlled experiments having a clinical event as an outcome measurement involving persons having a specific disease or health condition; or involving the administration of different study treatments in a parallel treatment design done to evaluate the efficacy and safety of a test measurement. Clinical trials include Phase I, Phase II, and Phase III studies. Clinical trials also include randomized trials or studies.</p>
<b>Medical necessity</b>	<p>Medically necessary services are services; supplies or equipment provided by a hospital or covered provider of the health care services that the carrier determines:</p> <ul style="list-style-type: none"><li>· are appropriate to diagnose or treat the patient's condition, illness, or injury;</li><li>· are consistent with standards of good medical practice in the United States;</li><li>· are not primarily for the personal comfort or convenience of the patient, the family, or the provider;</li><li>· are not part of or associated with scholastic education or vocational training of the patient; and</li><li>· in case of inpatient care, cannot be provided safely on an outpatient basis.</li></ul> <p>The fact that a covered provider has prescribed, recommended, or approved a service, supply or equipment does not, in itself, make it medically necessary.</p>
<ul style="list-style-type: none"><li>• <b>Network Provider</b></li></ul>	A network provider is a participating provider who has a contract with GHI and has agreed to accept GHI's schedule of allowances or negotiated rate(s) as payment in full for covered services and who participates in the GHI network that applies to your coverage.
<b>Plan allowance</b>	Plan allowance is the amount we use to determine our payment and your coinsurance for covered services. Plans determine their allowances in different ways. We determine our allowance as follows:

The Plan allowance is the fee schedule or negotiated rate that GHI uses as payment in full for covered services rendered by participating providers.

- **Precertification**

Certain covered services must be precertified by contacting GHI for approval prior to treatment. GHI's advance approval for these services may result in a reduction of benefits and/or payments.

- **Preferred Provider Option (PPO)**

Coverage that offers a network(s) of providers and uses provider selection standards, utilization management, and quality assessment techniques to complete negotiated fee reductions as an effective strategy for long-term health care cost savings. Enrollees retain the freedom of choice of providers but have financial incentives (i.e., lower out-of-pocket costs) to use the PPO network.

**Us/We**

Us and We refer to Group Health Incorporated

**You**

You refers to the enrollee and each covered family member.

---

## Section 11 FEHB Facts

---

### Coverage information

#### No pre-existing condition limitation

We will not refuse to cover the treatment of a condition you had before you enrolled in this Plan solely because you had the condition before you enrolled.

#### Where you can get information about enrolling in the FEHB Program

See [www.opm.gov/insure/health](http://www.opm.gov/insure/health) for enrollment information as well as:

- Information on the FEHB Program and plans available to you
- A health plan comparison tool
- A list of agencies who participate in Employee Express
- A link to Employee Express
- Information on and links to other electronic enrollment systems

Also, your employing or retirement office can answer your questions, and give you a *Guide to Federal Employees Health Benefits Plans*, brochures for other plans, and other materials you need to make an informed decision about your FEHB coverage. These materials tell you:

- When you may change your enrollment;
- How you can cover your family members;
- What happens when you transfer to another Federal agency, go on leave without pay, enter military service, or retire;
- When your enrollment ends; and
- When the next open season for enrollment begins.

We don't determine who is eligible for coverage and, in most cases, cannot change your enrollment status without information from your employing or retirement office.

#### Types of coverage available for you and your family

Self Only coverage is for you alone. Self and Family coverage is for you, your spouse, and your unmarried dependent children under age 22, including any foster children or stepchildren your employing or retirement office authorizes coverage for. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

If you have a Self Only enrollment, you may change to a Self and Family enrollment if you marry, give birth, or add a child to your family. You may change your enrollment 31 days before to 60 days after that event. The Self and Family enrollment begins on the first day of the pay period in which the child is born or becomes an eligible family member. When you change to Self and Family because you marry, the change is effective on the first day of the pay period that begins after your employing office receives your enrollment form; benefits will not be available to your spouse until you marry.

Your employing or retirement office will **not** notify you when a family member is no longer eligible to receive benefits, nor will we. Please tell us immediately when family members are added or lose coverage for any reason, including your marriage, divorce, annulment, or when your child under age 22 turns age 22 or has a change in marital status, divorce, or when your child under 22 marries.

If you or one of your family members is enrolled in one FEHB plan, that person may not be enrolled in or covered as a family member by another FEHB plan.

#### Children's Equity Act

OPM has implemented the Federal Employees Health Benefits Children's Equity Act of 2000. This law mandates that you be enrolled for Self and Family coverage in the FEHB Program, if you are an employee subject to a court or administrative order requiring you to provide health benefits for your child(ren).

If this law applies to you, you must enroll for Self and Family coverage in a health plan that provides full benefits in the area where your children live or provide documentation to your employing office that you have obtained other health benefits coverage for your children. If you do not do so, your employing office will enroll you involuntarily as follows:

- If you have no FEHB coverage, your employing office will enroll you for Self and Family coverage in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option;
- If you have a Self Only enrollment in a fee-for-service plan or in an HMO that serves the area where your children live, your employing office will change your enrollment to Self and Family in the same option of the same plan; or
- If you are enrolled in an HMO that does not serve the area where the children live, your employing office will change your enrollment to Self and Family in the Blue Cross and Blue Shield Service Benefit Plan's Basic Option.

As long as the court/administrative order is in effect, and you have at least one child identified in the order who is still eligible under the FEHB Program, you cannot cancel your enrollment, change to Self Only, or change to a plan that doesn't serve the area in which your children live, unless you provide documentation that you have other coverage for the children. If the court/administrative order is still in effect when you retire, and you have at least one child still eligible for FEHB coverage, you must continue your FEHB coverage into retirement (if eligible) and cannot cancel your coverage, change to Self Only, or change to a plan that doesn't serve the area in which your children live as long as the court/administrative order is in effect. Contact your employing office for further information.

**When benefits and premiums start**

The benefits in this brochure are effective January 1. If you joined this Plan during Open Season, your coverage begins on the first day of your first pay period that starts on or after January 1. If you changed plans or plan options during Open Season and you receive care between January 1 and the effective date of coverage under your new plan or option, your claims will be paid according to the 2007 benefits of your old plan or option. However, if your old plan left the FEHB Program at the end of the year, you are covered under that plan's 2006 benefits until the effective date of your coverage with your new plan. Annuitants' coverage and premiums begin on January 1. If you joined at any other time during the year, your employing office will tell you the effective date of coverage.

**When you retire**

When you retire, you can usually stay in the FEHB Program. Generally, you must have been enrolled in the FEHB Program for the last five years of your Federal service. If you do not meet this requirement, you may be eligible for other forms of coverage, such as Temporary Continuation of Coverage (TCC).

**When you lose benefits**

**When FEHB coverage ends**

You will receive an additional 31 days of coverage, for no additional premium, when:

- Your enrollment ends, unless you cancel your enrollment, or
- You are a family member no longer eligible for coverage.

Any person covered under the 31 day extension of coverage who is confined in a hospital or other institution for care or treatment on the 31<sup>st</sup> day of the temporary extension is entitled to continuation of the benefits of the Plan during the continuance of the confinement but not beyond the 60<sup>th</sup> day after the end of the 31 day temporary extension.

You may be eligible for spouse equity coverage or Temporary Continuation of Coverage (TCC), or a conversion policy (a non-FEHB individual policy.)

## Upon divorce

If you are divorced from a Federal employee or annuitant, you may not continue to get benefits under your former spouse's enrollment. This is the case even when the court has ordered your former spouse to provide health coverage to you. However, you may be eligible for your own FEHB coverage under either the spouse equity law or Temporary Continuation of Coverage (TCC). If you are recently divorced or are anticipating a divorce, contact your ex-spouse's employing or retirement office to get RI 70-5, the *Guide To Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, or other information about your coverage choices. You can also download the guide from OPM's Web site, [www.opm.gov/insure](http://www.opm.gov/insure).

## Temporary Continuation of Coverage (TCC)

If you leave Federal service, or if you lose coverage because you no longer qualify as a family member, you may be eligible for Temporary Continuation of Coverage (TCC). For example, you can receive TCC if you are not able to continue your FEHB enrollment after you retire, if you lose your Federal job, if you are a covered dependent child and you turn 22 or marry, etc.

You may not elect TCC if you are fired from your Federal job due to gross misconduct.

**Enrolling in TCC.** Get the RI 79-27, which describes TCC, and the RI 70-5, the *Guide to Federal Employees Health Benefits Plans for Temporary Continuation of Coverage and Former Spouse Enrollees*, from your employing or retirement office or from [www.opm.gov/insure](http://www.opm.gov/insure). It explains what you have to do to enroll.

## Converting to individual coverage

You may convert to a non-FEHB individual policy if:

- Your coverage under TCC or the spouse equity law ends (If you canceled your coverage or did not pay your premium, you cannot convert);
- You decided not to receive coverage under TCC or the spouse equity law; or
- You are not eligible for coverage under TCC or the spouse equity law.

If you leave Federal service, your employing office will notify you of your right to convert. You must apply in writing to us within 31 days after you receive this notice. However, if you are a family member who is losing coverage, the employing or retirement office will **not** notify you. You must apply in writing to us within 31 days after you are no longer eligible for coverage.

Your benefits and rates will differ from those under the FEHB Program; however, you will not have to answer questions about your health, and we will not impose a waiting period or limit your coverage due to pre-existing conditions.

## Getting a Certificate of Group Health Plan Coverage

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a Federal law that offers limited Federal protections for health coverage availability and continuity to people who lose employer group coverage. If you leave the FEHB Program, we will give you a Certificate of Group Health Plan Coverage that indicates how long you have been enrolled with us. You can use this certificate when getting health insurance or other health care coverage. Your new plan must reduce or eliminate waiting periods, limitations, or exclusions for health related conditions based on the information in the certificate, as long as you enroll within 63 days of losing coverage under this Plan. If you have been enrolled with us for less than 12 months, but were previously enrolled in other FEHB plans, you may also request a certificate from those plans.

For more information, get OPM pamphlet RI 79-27, *Temporary Continuation of Coverage (TCC) under the FEHB Program*. See also the FEHB Web site at [www.opm.gov/insure/health](http://www.opm.gov/insure/health); refer to the "TCC and HIPAA" frequently asked questions. These highlight HIPAA rules, such as the requirement that Federal employees must exhaust any TCC eligibility as one condition for guaranteed access to individual health coverage under HIPAA, and information about Federal and State agencies you can contact for more information.

---

## Section 12 Three Federal Programs complement FEHB benefits

---

### Important information

OPM wants to be sure you are aware of three Federal programs that complement the FEHB Program.

First, the **Federal Long Term Care Insurance Program (FLTCIP)** helps cover long term care costs, which are not covered under the FEHB Program.

Second, the **Federal Flexible Spending Account Program**, also known as **FSAFEDS**, lets you set aside pre-tax money to pay for health and dependent care expenses. The result can be a discount of 20% to more than 40% on services you routinely pay for out-of-pocket.

Third, the new **Federal Employees Dental and Vision Insurance Program (FEDVIP)**, offers a variety of dental plans and vision plans to anyone who is eligible to enroll in the Federal Employees Health Benefits Program. Under **FEDVIP** you may choose self only, self plus one, or self and family coverage for yourself and any qualified dependents. Premiums are on an enrollee-pays-all basis

### The Federal Long Term Care Insurance Program – *FLTCIP*

#### It's important protection

- The Federal Long Term Care Insurance Program (FLTCIP) can help you pay for the potentially high cost of long term care services, which are not covered by FEHB plans. Long term care is help you receive to perform activities of daily living – such as bathing or dressing yourself - or supervision you receive because of a severe cognitive impairment. To qualify for coverage under the FLTCIP, you must apply and pass a medical screening (called underwriting). To request an Information Kit and application. Call 1-800-LTC-FEDS (1-800-582-3337) (TTY 1-800-843-3557) or visit [www.ltcfeds.com](http://www.ltcfeds.com).

### The Federal Flexible Spending Account Program – *FSAFEDS*

#### What is an FSA?

It is a tax-favored benefit that allows you to set aside pre-tax money from your paychecks to pay for a variety of eligible expenses.

There are three types of FSAs offered by FSAFEDS. Each type has a minimum annual election of \$250 and a maximum annual election of \$5,000.

- **Health Care FSA (HCFSA)** – Pays for eligible health care expenses (such as copayments, deductibles, over-the-counter medications and products, vision and dental expenses, and much more) for you and your dependents which are not covered or reimbursed by FEHBP or FEDVIP coverage or any other insurance.
- **Limited Expense Health Care FSA (LEX HCFSA)** – Designed for employees enrolled in or covered by a High Deductible Health Plan with a Health Savings Account. Eligible expenses are limited to dental and vision care expenses for you and your dependents, which are not covered or reimbursed, by FEHBP or FEDVIP coverage or any other insurance.

**Dependent Care FSA (DCFSA)** – Pays for eligible dependent care expenses for your child(ren) under age 13 or for dependants unable to care for themselves that allow you (and your spouse if married) to work, look for work (as long as you have earned income for the year), or attend school full-time.

#### Where can I get more information about FSAFEDS?

- Visit [www.FSAFEDS.com](http://www.FSAFEDS.com) or call an FSAFEDS Benefits Counselor toll-free at 1-877-FSAFEDS (1-877-372-3337), Monday through Friday, 9 a.m. until 9 p.m., Eastern Time. TTY: 1-800-952-0450.

### The Federal Employees Dental and Vision Insurance Program – *FEDVIP*

<b>Important protection</b>	The Federal Employees Dental and Vision Insurance Program (FEDVIP) is a program, separate and different from the FEHB Program, established by the Federal Employee Dental and Vision Benefits Enhancement Act of 2004.
<b>Dental Insurance</b>	<p>Dental plans will provide a comprehensive range of services, including all the following:</p> <ul style="list-style-type: none"> <li>• Class A (Basic) services, which include oral examinations, prophylaxis, diagnostic evaluations, sealants and x-rays.</li> <li>• Class B (Intermediate) services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.</li> <li>• Class C (Major) services, which include endodontic services such as root canals, periodontal services such as gingivectomy, major restorative services such as crowns, oral surgery, bridges and prosthodontic services such as complete dentures.</li> </ul> <p>Class D (Orthodontic) services with a 24-month waiting period</p>
<b>Vision Insurance</b>	Vision plans will provide comprehensive eye examinations and coverage for lenses, frames and contact lenses. Other benefits such as discounts on LASIK surgery may also be available. .
<b>Additional Information</b>	You can find a comparison of the plans available and their premiums on the OPM website at <a href="http://www.opm.gov/insure/dental/vision">www.opm.gov/insure/dental/vision</a> . This site also provides links to each plan's website, where you can view detailed information about benefits and preferred providers.
<b>How do I enroll?</b>	You enroll on the Internet at <a href="http://www.BENEFEDS.com">www.BENEFEDS.com</a> . For those without access to a computer, call 1-877-888- FEDS (TTY number, 1-877-TTY-5680). If you do not have access to a computer or a phone, contact your employing office or retirement system for guidance on how to enroll. .

Special features: Large Case Management , High Risk Pregnancies, Centers of Excellence for organ/tissue transplants, Heart Surgery, etc.	Copays or coinsurance as indicated	46

## 2008 Rate Information for GHI Health Plan

**Non-Postal rates** apply to most non-Postal employees. If you are in a special enrollment category, refer to the Guide to Federal Benefits for that category or contact the agency that maintains your health benefits enrollment.

**Postal Category 1 rates** apply to certain career non-law enforcement Postal Service employees. **Postal Category 2 rates** apply to other career non-law enforcement Postal Service employees. PostalEASE, the employee self-service system used for FEHB enrollment, automatically provides the applicable premium to individual employees. Career non-law enforcement employees may also refer to the Guide to Federal Benefits for United States Postal Service Employees, RI 70-2, to determine their rates.

Different rates apply and a special Guide is published for Postal Service Inspectors and Office of Inspector General (OIG) employees (see RI 70-2IN).

For further assistance, Postal Service employees should call.

Human Resources Shared Service Center

1-877-477-3273, Option 5

TTY: 1-866-260-7507

Postal rates do not apply to non-career postal employees, postal retirees, or associate members of any postal employee organization who are not career postal employees. Refer to the applicable Guide to Federal Benefits.

Type of Enrollment	Enrollment Code	Non-Postal Premium				Postal Premium	
		Biweekly		Monthly		Biweekly	
		Gov't Share	Your Share	Gov't Share	Your Share	Category 1 Your Share	Category 2 Your Share
<b>High Option Self Only</b>	801	\$145.04	\$ 95.28	\$314.25	\$206.44	\$ 71.10	\$ 69.09
<b>High Option Self and Family</b>	802	\$329.30	\$271.53	\$713.48	\$588.32	\$216.65	\$212.07
<b>Standard Option Self Only</b>	804	\$133.68	\$ 44.56	\$289.64	\$ 96.55	\$ 22.28	\$ 20.05
<b>Standard Option Self and Family</b>	805	\$312.05	\$104.02	\$676.12	\$225.37	\$52.01	\$ 46.81
