
Section 2. We are a new plan for 2007

Do not rely only these change descriptions; this Section is not an official statement of benefits. For that, go to Section 5 Benefits. Also, we edited and clarified language throughout the brochure; any language change not shown here is a clarification that does not change benefits.

There are no other benefit changes to the coverage.

Changes to this Plan

- We now provide coverage for hearing aids for newborns and children in both High and Standard Option Plans. (See page 21)
