Attachment 1: Provide Information to Tribal Employees about the FEHB Open Season

Communication

1. **Build awareness of the upcoming FEHB Open Season**

   Tribal employees need to know the following:
   
   - The dates of Open Season (November 14 – December 12, 2022)
   - What decisions they can/must make
   - Where they can find additional information about the FEHB Program
   - The effective date of Tribal employee’s Open Season changes

   Start your awareness campaign early (such as the beginning of October) and follow through with consistent messages.

2. **Inform Tribal employees**

   You can do this in various ways. Here are some examples:
   
   - Send an email to all Tribal employees and include the following attachment in your Open Season announcement:
     
     **Attachment: Tribal FastFacts “What to Consider During the FEHB Open Season for Tribal Employees.”**
   
   - If Tribal employees don’t have easy access to the Internet, distribute the above attachment as a flyer.
   
   - Post Open Season notices in hallways, cafeterias, and break rooms.
   
   - Advise your employees who they can contact internally for help.

   If Tribal employees cannot access these resources from work, please distribute these links to them so they can view this information from home if they wish:

   - [Facebook](#)
   - [Twitter](#) (News and Updates)
   
   - Add reminders to earnings and leave statements.
   
   - Publicize Open Season information on your Tribal employer’s intranet site.
   
   - Advise your Tribal employees who they can contact internally for help.
3. **Tribal Benefits Officer responsibilities**

It is the responsibility of the Tribal Benefits Officer to provide FEHB Open Season information to the Tribal employees. Please let your Tribal employees know the dates of Open Season, how to make changes, or where to go if they have questions.

The Tribal employer should also explain the terms and conditions of any premium conversion plan or flexible spending account options under any pre-tax cafeteria plan that may be available for Tribal employees, and the time frame for enrollment or participation in that plan.

**Please see 5 CFR 890.1407(b)(3)**

“A Tribal employee who enrolls after the initial enrollment opportunity and who does not elect premium conversion through his or her Tribal employer's premium conversion plan, if one is available, will be subject to the enrollment and qualifying life event rules described at § 890.301 and effective dates described at § 890.301(b) and (f).”

and **5 CFR 890.1407(b)(4)**

“A Tribal employee who enrolls after the initial enrollment opportunity and who elects premium conversion through his or her Tribal employer's premium conversion plan, if one is available, will be subject to the enrollment rules, qualifying life event rules and effective dates described at §§ 892.207, 892.208 and 892.210 of this chapter (together with § 890.301 as referenced therein).”
