SUBJECT: Federal Employees Health Benefits: Revision of SF 2810

Date of Revision
The revised form is dated June 1995.

Purpose of Revision
On October 19, 1994, we issued BAL 94-202 to announce that SF 2810 would no longer be used for transfer-out purposes. To accommodate this procedural change, we have revised SF 2810.

The new form eliminates the block designated as "Part C - Transfer Out", redesignates the remaining blocks, and revises the instructions to enrollees, payroll offices, and employing offices.

When Available
The revised SF 2810 will be ready around November 1, 1995, from GSA/FSS using the normal FEDSTRIP/MILSTRIP procedures as specified by your agency’s procurement or acquisitions office.
