Subject: Rider Information

Attached is the March 1999 Retirement and Insurance Service (RIS) Rider. Your agency should also receive the rider through regular printing officer channels. Agencies may order the publications on the attached list by riding the U.S. Office of Personnel Management's requisition. Your field and regional offices should submit requirements to your department or agency Washington, DC, area headquarters printing office before the April 15, 1999, cutoff date. For further information, call (202) 606-0623 or send e-mail to www.opm.gov/asd.

The actual cost will vary, depending upon the various specifications and quantity. Therefore the most economical way of obtaining bulk quantities is to ride OPM's printing requisitions.

Agency Services Division
Retirement and Insurance Service

Attachment
The U.S. Office of Personnel Management (OPM) is offering reprints through the rider system of the following publications in the retirement and insurance areas. While some of the items are available from the Superintendent of Documents, Government Printing Office (GPO), riding OPM's printing requisition is the most economical way to obtain bulk supplies. Those items that are available from the Superintendent of Documents are noted. **OPM does not stock supplies of any of the publications.** If you have any questions about this rider, please call (202) 606-0623 or send email to www.opm.gov/asd.

In addition to the pamphlets and brochures that normally are on our rider, for the convenience of our customers, this rider also includes the CSRS and FERS Handbook for Personnel and Payroll Offices and the Social Security Handbook. Both products are available on agency web sites (www.opm.gov/asd/htm/hod.htm and www.ssa.gov for the Social Security Administration). In addition, the OPM Handbook is available on CD-ROM. Information on how to order it is in Benefits Administration Letter 98-704, which is posted on our web site at www.opm.gov/asd. The Social Security Handbook also can be purchased from the Government Printing Office for $35.00 per copy.

The next opportunity to order products from a RIS rider will be early in Fiscal Year 2000. However many of our publications are now on our web site at www.opm.gov/asd/htm/pub.htm. Since they can be downloaded and printed as needed, this may be a better alternative for items you need in smaller quantities. Items that are on the web site are noted. In addition, several items that are not on this rider because they are currently under revision will be put on the web site when updates are completed.

The actual cost of items will vary, depending upon the various specifications and quantity. However, the most economical way of obtaining bulk quantities is to ride OPM's printing requisitions.

**RI 20-59, Information for Annuitants**

Departments and agencies may order the publications listed in this issue by riding the OPM printing items indicated below. Field and regional offices should submit their requirements to their department or agency Washington, DC, area headquarters printing officer before the cutoff date shown.

Agencies may estimate costs by using the current GPO price list of printing services and the information given in the description of each publication. PLEASE NOTE: The U.S. Office of Personnel Management cannot provide agencies with the exact cost of the individual publications listed in this flyer. The cost agencies will pay is an actual production cost which varies greatly, depending upon the various specifications of the publication, especially the quantity. Individual unit cost can vary significantly, usually decreasing as the total quantity printed increases. Since we are unable to estimate the total number of copies that agencies will order, accurate estimates are nearly impossible to gauge.

We regret this inconvenience; however, your agency headquarters printing officer may be able to assist you.

Some of the publications listed below may be purchased from the Superintendent of Documents, U.S. Government Printing Office (GPO), Washington, DC 20402; however, the most economical way of obtaining bulk quantities is to ride OPM's printing requisitions. Riding OPM's printing requisition is the only way to obtain printed copies of documents not stocked by the Superintendent of Documents. Agencies may order a bulk supply from GPO and make their own distribution to component offices or have GPO make the distribution (distribution list should be attached to the Standard Form 1 showing the number of copies to be sent to each address).

NOTE: Field or regional activities should coordinate their requirements with their Washington, DC, area headquarters printing officer before submitting any paperwork. GPO will return all requisitions sent directly from field or regional offices.
