**PLANS SPLITTING A SERVICE AREA**

**Enrollees in these plans under the 2003 enrollment code shown below should check their plan brochure to determine which 2004 code they should be under.**

<b>State</b>	<b>Plan Name</b>	<b>Code (2003)</b>	<b>Code (2004)</b>
Florida *	Vista Healthplan	RK	RK, UL, Y9
Pennsylvania **	HealthAmerica	SW, 26	SW, 26, 4N, VJ

\*Healthplan Southeast is now Vista Healthplan. Healthplan Southeast members should carefully read the brochure for benefit changes. If you are enrolled in RK1 or RK2 and live in Gainesville or Tallahassee, you must select a new enrollment code during Open Season even if you choose to stay with Vista Healthplan. The new enrollment code for Gainesville is UL and the new enrollment code for Tallahassee is Y9. Your agency will not automatically transfer you to the new Vista Healthplan enrollment code for your area. You will pay a higher premium, if you do not switch to the new enrollment code. (See Table 12)

\*\*HealthAmerica HMO is offering Standard Option coverage for the first time for 2004. If you were enrolled in this plan during 2003, we now call that option the High Option coverage. We have also split our service area into 4 separate enrollment codes for 2004. Your service area will determine how much premium you pay. If you do not enroll in the right service area, you will pay a higher premium. Carefully review the service area information that appears in Section 1, "Facts About This HMO Plan", in your brochure to determine your new enrollment code for 2004. Your correct enrollment code is based on the county where you live and whether you want the High Option or Standard Option coverage. Payroll offices will automatically move all current SW1 and SW2 enrollees to the High Option and higher premium 4N1 and 4N2. If you do not take any action during Open Season, you will pay the higher premium rate. If you are in SW1 or SW2, you should carefully review your enrollment options and make an Open Season selection. Enrollees who are currently in 261 or 262 and should be in VJ1 or VJ2 for 2004 must make a change during Open Season or pay the higher premium.
