

Fundamentals of Suitability for Suitability and Fitness Adjudicators – Payment Form

Each trainee must complete a separate form. Tuition is \$1,335 per student, which includes all educational services and materials. Travel, meals, and lodging are at the expense of the trainee's agency.

When paying by Intra-Governmental Payment and Collection (IPAC), an Interagency Agreement (IAA) is required if sending three or more trainees. When paying by Government Purchase Card (GPC), an IAA is preferred if sending three or more trainees and payment can be processed in one transaction (versus separate transactions).

If you need help completing this form or need a copy of an IAA, please contact SuitEAttraining@opm.gov.
