# Catalyzing U.S. Expertise to Power Africa

#### **USTDA's Mission**

The U.S. Trade and Development Agency helps companies create U.S. jobs through the export of U.S. goods and services for priority development projects in emerging economies.

30

## **Projects**

USTDA is providing critical project planning assistance for 30 Power Africa projects

660

## **Megawatts**

These projects will support over 660 MW of new low-carbon power generation

1 M+

#### **Homes**

Combined, these projects will supply electricity to an estimated 1.3 M homes

Through Power Africa, USTDA nearly tripled its funding for power projects:

2014

\$4.5 B

USTDA's investments will help leverage over \$4.5 billion in financing from public and private sources.

\$2 B

These projects will help create over \$2 billion in export opportunities.

11,000

If realized, these exports could support an estimated 11,000 jobs across the U.S.

**USTDA** supports all aspects of energy development and deployment, from new generation to grid modernization.
